Friend Lucius

In reply to yours of 13th, the table I lately made for the "Inter-state Commerce Commission" did not require the length of Bridging only the number & kind. Herewith I send you copy of the form as reported, & suggest that if the length is desired, it can be obtained from the Annual Report of the N.Y. Central & HRRR to the state RR Commission.

My Pennsylvania RR. is "shut down" for the "season". prospects look dubious at present. I have been doing little odd jobs here occasionally. Will call see you when I go to N.Y. again

Yours Respy

R. M. Watson.
