NEW YORK INDIAN RECORDS
NEW YORK INDIAN RECORDS

An Abridgment

of the Records of Indian Affairs contained in Four Folio Volumes, transacted in the Colony of New York from the year 1678 to the Year 1751.

Introduction

One of the prevailing Motives for my engaging in this Collection, was a Desire of manifesting my Zeal for the Welfare of the British Dominions in North America, which from their first Establishment have borne, still continue to bear & will continue to bear a very great Dependance upon our Behaviour to & Transactions with the Indians of this Continent.

I was further animated to this Undertaking, by my Duty & Gratitude to His present Most Gracious Majesty, who has been pleased to confer upon me the Office which placed these Records in my possession, believing that such a Compendium of the Indian Affairs, from the earliest Records to the latest, might aid His Majesty's Administration in proposing & pursuing Methods for the Security & Prosperity of the North American Colonies; This I am persuaded every Judicious Patriot & Politician is or will be convinced, must contribute to the Dignity, the Strength & Riches of their Mother Country.

The Difficulties I foresaw & the Fatigues I underwent in compleating these Abstracts, gave place to my Ambitious Hopes They might receive the Approbation of That Noble Lord, whose Station in His Majesties' Administration pointed Him out as the principal Object for whose perusal these Papers should be Designed. When to this I added my Opinion of his Genius as a (p. 2) Statesman & the PatriotDisposition of his Heart, joined to my own Experience of his Humanity, his Understand-
ing & Candor, Labor ceased to be irksome & I went thro the Toil with Alacrity. For I found these Records tho Bound up in Four Folio Volumes, containing near 500 Pages each, far from being put together in a regular Succession of Time — Some part of Them were wrote in the Low Dutch Language which I luckily understanding, was my own Translator — the writing in general was very bad with many Blots & Erasements & in some places so Disguised as cost me many hours to Decypher.

The Plan I laid down in this Abridgment, was to exhibit a View of the Transactions of this Colony with the Indians depending thereon, as explicitly as the Nature of an Abridgment & the state of the Records would permit, at the same time I have endeavored to be as concise & Methodical as my Abilities & Materials would allow.

I intended these Papers for Buisness not Amusement; I have omitted nothing that I know of which in my Judgment appeared necessary to that Design. I have transcribed everything with that rigorous Exactness & as much in the very words of the Records as the Nature of an Abridgment would permit. I have therefore (p. 3) been utterly regardless of adorning my stile, aiming at nothing more, than to be a Faithful & Intelligible Abridger [Transcriber].

All the Proceedings of the French which appeared to me to be of any Importance, I have extracted, And I apprehend They may in many Instances, serve as a useful Contrast, in Others (if not too late) as a friendly Alarm, and rouse up that serious Attention & provoke to those Vigorous Precautions, which if not timely taken, will probably produce a fatal & unavailing Repentance.

I was tempted, & I have not resisted, to throw in some Reflections of my own by way of Notes. They are in general very Short hints, for some of which I have that Partiality as to hope, they may assist [lead] the Penetration of the Noble Lord to whose perusal & disposal these Papers are humbly submitted, in a Train of Thought wth may tend to promote the Prosperity & Security of these Colonies. Tho I think the Reflections in these Strictures upon the People of Albany quite just, yet if these
Papers were designed for the Public, I should have thought it 
Prudent to have suppressed my honest Indignation. Such as 
are much better acquainted with those People than I am, draw 
their Character in blacker colors, but doubtless there have been 
& are many Exceptions — for my own part I know few.

The Dress of these Papers require an Apology. I would have 
copied them fair over & wrote them in the best manner I was able, 
but this is so critical a Juncture with regard to the Indian Affairs 
upon the Continent, that I was unwilling to delay transmitting 
them by the first Opportunity after they were finished. I did 
intend (p. 4) to have added some Things by way of Appendix, 
but as that Design would have taken up a great deal of Time, 
in searching Papers & obtaining Informations &c I was unwilling 
to suffer the Delay. —

Tis true I could have got the Quires wrote over fair, as fast as 
I finished them, but that would have been an Expense, wth if 
these Papers should be thought worthy of Daserving, would 
have fallen too heavy upon me — And I hope it will not be 
thought a culpable Impertinence, if I here subjoin a very general 
state of my present Circumstances.

I am appointed by His Majestie’s Signet & Royal Sign Manual, 
Secretary or Agent for Indian Affairs for this Government, to 
which is annexed by the Kings Command in the said Sign Manual 
the Annual Salary of £100 Ster* directed to be paid me out of 
Moneys raised by this Province for the Support of Gov* — but 
as the Monies raised here are all appropriated & that from year 
to year, to Persons by Name acting in Offices, None has been & 
I dont expect any ever will be to me; And I have been confirmed 
in this Opinion by the Leading Men of this Colony. However 
upon the present Lieuh Gov* Mr* DeLancey* entering into the 
Administration, I presented him a Memorial, praying that he 
would lay His Majesties Commands in my favour before the 
Assembly; but he declined it & told me that until they complied 
with the Kings other Instructions it would be in vain & only put 
them out of humour.

So that I have no other Salary than £65 Ster* p Annum 
granted me as a Benevolence by His Majesties Warrant upon
the Receiver Gen of the Quit Rents here & which is very ill paid me. Out of this Sume I give £6 Ster Annum to a Deputy for the Commiss at Albany who are (p. 5) paid by the Province but no Allowance made for a Secretary. I am likewise obliged to Attend the Gov up to Albany as often as they hold any Conferences with the Indians, at my own expense, which at a Moderate Calculation is about £12 Ster p Annum. There are no kind of Perquisites belonging to this Office.

His Majesty in the aforesaid Signet & Royal Sign Manual, conferred on me also the Town Clerkship of Albany but this Office the late Gov Clinton, tho it was an Office in the immediate Gift of the Crown by the Charter of Albany, sold before my Arrival to another Person for £300 — this Cur & gave him a Patent for the same under the Great Seal of the Province during Good Behaviour.

A full state of my Case as to this Affair, I transmitted to the Right Honourable the Earl of Hallifax, and flattered myself with the Interposition of the Administration on my Behalf; but having waited near Two years without any Redress, I did some Months ago commence a Suit at Law against the Possessor of the aforesaid Office. A Special Verdict was found & all the Facts set forth in the said State of my Case.

But such a Scene of Law & Appeals are laid open to me as may probably last these Twenty years, if I will carry it on, but unless His Majesty will be graciously pleased to grant (p. 6) me Money to defend His undoubted Prerogative & my Claim in this Case are strictly united, I must give it up. If this Special Verdict goes against me as I have reason to fear from the late

---

1 this Fact was lately proved in open Court upon Oath by Mr Holland (One of His Majesties Council!) who paid the 4th sume to Mr Clinton with £28 to Dr Ascough the Gov Secretary. When my Council pleaded the Statute of Ed. 6. in the Case. The Council on the other side 4th in open Court that for what we knew Mr Clinton might have paid this money to The King, 4th passed without any notice from the Judges on the Bench, & when Mr Murray my Council took notice of the Absurdity & Indecency of the Reflection, One of the Judges on the Bench (Mr Chambers also one of the Council) said if not to the King, yet perhaps to some of his Ministers. And the 4th Chambers during the whole Trial showed such a Bias on the side of my Antagonist, as greatly shocked many of the Audience. Mr Smith also one of the Council
Public Behaviour of one of the Judges (there are but Two) I shall have £200 costs to pay. My contest with Mr. Clinton in this Affair has already put me to an Expense of above £600 Ster.*

I conclude with most humbly offering the following Queries.

1. As the Colony does not, & most probably will not allow me the £100 Ster. for my Office of Indian Secretary: Whether His Majesty will be Graciously pleased to Order it me by His Warrant out of the Quit Rents of this Province?

2. Whether I am obliged as the Colony makes no Provision for me, to keep a Deputy at Albany or act under Commiss. paid by them?

3. Whether I am not, as receiving no pay from the Province to be considered as His Majesties Secretary for Indian Affairs, and that the Commiss. & all other Officers in the Pay of the Province be obliged to transmit to me Copies of all their Proceedings relating to Indian Affairs, to be recorded?

4. Whether considering the Secretary of Indian Affairs as His Majesty’s Officer, he should not countersign all public Acts of Gov’t Sale of Lands by the Indians &c relating to Indian Affairs, And be considered & treated by the Gov’t or Commander in Chief in all Indian Matters as the Nature of such an Office seems to require? This is by no means the case at present & the said Secretary seems industriously to be kept in as total Ignorance of all Indian Matters & Transactions as the most Indiff[Spectator] in the Province.

(P. 7.) 5. Whether the said Office may not be put under a new Regulation in many other particulars, more honourable to the Crown as being Its immediate Appointment & more useful for the public Service? And whether the Secrty for Indian Affairs should not receive some Instructions in His Majestys Name as general Rules for his Conduct?

New York 10th May 1754.

Peter Wraxall.

P.S.

In the perusal of the following Papers it will be useful to consult the Maps & Accounts of Pere Charlevoix* Histoire de Nouvelle
From Indian Records Vol. No I.

Extract from the Propasions made to the Commandant & Commissaries at Albany by the Sennekas who were sent in the Name & Behalf of all the Indians Westward. Done in the Court House of Albany 2r March [1777/8] say 1677/78

We are come to see & speak with you and to renew our former Covenant made with this Government.

We rehearse again that we are sent by all the Castles Westward, hoping that the Sun may never Shine over them but in Peace.

We desire that you will send these 5 Bevers to the Govt of Maryland, acquainting him that we will keep the Covenant made betwixt him & us Inviolable.

Art. II. They say. We are all One — One Heart, One Head & the Peace is made so Strong that it cannot be broken.

12. It is Resolved in our Country, that we should come here in the Govt Town to renew & strengthen the Govt Chain.

24. We do give Priviledge to all Nations under the Covenant Mehikanders & others to come to our Land, therefore we desire the same Liberty to come amongst the X'te in Peace & Quietness.

6 Hudson River Indians who are now in a great measure dispersed & have lost their Courage & Influence.
The Treaty of Unity, Peace & Friendship was renewed & assured to Them by the Commissioners.

[An Embassy] Deputation from the Onnondagas by their Sachems at the Court House of Albany the 23 Sep' 1678. On the Arrival of a New Gov' General.¹

They renew the Covenant of Peace & Friendship &c. A Present is made them from the Gov' General & the Cov' renewed in his Name by the Commiss' —

(P. 2.) Court House at Albany the 15 Feb'y 1678/9.

A Deputation from the Onneidas by several of their Sachems to the Commandant & Commiss' at Albany —

The Subject was upon some Disturbances w'ch had happened thro some Evil minded Persons at Schenachtegee. They say in their Speech viz. "And whereas we are all to the Westward, quite from the Sennekas to New York under One Government &c"

The Answer made them concluded thus

"Concerning the Covenant Chain the Bretheren need not doubt but the Gov' General will act his part so long as you comport your selves well."

The 17th. The Onneidas made Answer to Sr Edmond Andros's Message ab' some Maryland Prisoners in w'ch they Stile him their Father & acknowledge themselves his Children.

A Deputation from the Onneidas by sundry of their Sachems to the Comm' & Commiss' at Albany the 24th May 1679. —

In their Speech they say — "Whereas Corlaer (a name for the Gov') "governs the whole Land from New York to Albany & from thence to the Sennekas Land, we being his Subjects shall faithfully keep the Cov' Chain."

At the Court House of Albany 21 July 1679.

Pres' Sr Edmond Andros Gov' & Others.

A Deputation of the Three Tribes of the Mohawks.

They acknowledge themselves to be under this Governm't renew the Chain of Peace & Friendship — They Say they are going to Cannada to talk to the Gov' — On this Head in the

¹ Sr Edmond Andros.
Gov[ra] [Answer he tells them. You are free to go to Canada or where you] think proper, but you are free like all the other Indians under this Gov[t] & the French have no Authority over you.o—

(P. 3.) Albany Court House 31 July 1684

Prisint

A Deputation of Sachems from the Mohawks, Oneydas, Onnandagas & Cayouges.

The Chief Subject of this Meeting was to bury the Ax & make a firm & lasting Peace between the Virginia & Maryland Indians & the aforesaid Nations, wth was sollemnly Effected & agreed to.o—

The Above 4 Nations of Indians in a Speech they Made to Govr Dongan requested they might have the Duke of Yorks Arms to put up at each of their Castles as a mark of their Affection & Attachment.

Govr Dongan spoke as follows to the 4 Nations

That there be a good Understanding betwixt your Selves, and if there be any Difference to acquaint me & I will compose it, and that you make no Covenant & Agreement with the French or any other Nation without my knowledge & Approbation. And that they say the same to the Sennekas. And I do give you the Great Duke of Yorks Arms to put upon each of the Castles as a Sign that you are under this Government.

The Mohawks during the above meeting offered to Govr Dongan for the use & Service of the Christians a Tract of Land belonging to them, wth by Minutes Dated the first of Augt the Govr accepted & gave them for the same sundry goods therein Specified, & the Copy of a Deed is recorded, bearing Date the 1 day of Augt 1684. from the Mohawk Indians to Govr Dungan to his heirs & assigns forever, of a Tract or parcell of Land sittuated upon the Mohawk River, beginning where (p. 4) the Bounds & Limits of Schenecktady ends at a Place called by the Natives Cagguwarrioene & so running up both sides of the River to a
Creek or Kiln called & known by the name of Ottnawadase ¹ together with all the Pasture Meadows, Trees, Timber &c. — (The Preamble of the Deed says we the underwritten Maquasse Sachems in consideration &c but no Signatures or Names appear to be signed in the Record).

Albany 2d August 1684. —

A Speech of the Onnondages & Cajouga Sachems made in the Court House at Albany to Col¹ Tho• Dongan Govr of New York in the Presence of Lord Effingham Howard Govr of Virginia (Traslated from this Vol of the Records from the Low Dutch Language by Peter Wraxall.)

Brother Corlaer

You are a Mighty Sachem & we but a Small People. When the English first came to New York to Virginia & Maryland, they were but a small People & we a large Nation; & we finding they were good People gave them Land & dealt Civilly by them; Now that that you are grown Numerous & we decreased, you must Protect us from the French, w⁴⁰ if you dont we shall loose all our Hunting & Bevers: The French want all the Bevers & are Angry that we bring any to the English.

We have put all our Land & our Persons under the Protection of the Great Duke of York Bro to your Mighty Sachem. The Susquahanna River w⁴⁰ we won with our Sword [by our Sweat], we have given to this Government; And we desire it may be a Branch of that Great Tree w⁴⁰ is Planted here, whose Top reaches to the Sun & under whose Branches We Shelter our Selves from the French or any other Enemy: Our Fire burns in your Houses & (p. 5) Your Fire in Ours & we desire it may ever so continue.

We will not consent that the Great Penn’s People should settle on the Susquahanna River; Our Young Warriors [Soldiers] are like the the Wolves of the Forrest as you Great Sachem of Virginia know, besides, we have no other Land to leave our Wives & Children. —

¹ This may be Nowadaga Creek, a small stream which rises a few miles south of the Mohawk and empties into that river a few miles below Little Falls in Herkimer County. — Ed.
We have submitted our Selves to the Great Sachem Charles who liveth on the other side of the Great Lake, And we now give you in token thereof Two white Buckskins to be sent to him, that He may write & put a great Red Seal thereto, that we put under the Protection of the Great Duke of York, the Susquahanna River above the Wasaghta or Falls together with all the rest of our Lands & to no one else. Our Brothers his People are as Fathers to our Wives & Children & gave us Bread in the time of Need, And we will neither give up our Selves nor our Lands to any other Government than this. And We desire that Corlaer (the Gov') will transmit these our Resolutions to the Great Sachem Charles who lives over the Great Lake, with this [String] Belt of Wampum & this Smaller one to the Duke of York his Brother, & we present you Corlaer with a Bever Skin that you may fulfill our request.

And We let you know O Great Man of Virginia (meaning L'd Effingham) that Great Penn spoke to us in this House by his Agents, and begged us to sell him the Susquahanna River, but we would not listen to him, having already annexed it to this Governm't & we desire that you will bear Testimony of what we have now said & do now again confirm, w'ch We desire you will let the Great Sachem over the Great Lake know, And also that we are a Free People & unite our Selves (p. 6) to the English, and it is therefore in our Power to dispose of our Land to whom we think proper, and We present you with a Bever.¹ —

Court House at Albany

5 Aug' 1684m—

Present L'hHoward
      Gov'r Dongan
& other Gent'n

The Sennekas answered a Speech of Col Dongans w'ch is not recorded, but by their Answer contained some Complaints the Gov'r of Canada had made against them for Robbing some French Subjects — they Answer that whilst the French Gov'r stiled himself their Father & called them his Children his People &

¹ This Land lays within M'r Pens Grant a great part of w'ch he hath since pur- chased from the 6 Nations. —
himself supplied their Enemies with Ammunition to destroy them, & catching the French carrying some, they took it from them. In the Course of their Speech they thanked the Govr for the Duke of Yorks Arms wch he sent them, They apply to him for his Protection of them against the French, acknowledging him to be the Govr of their Country & themselves under his Command. —

Albany the 5 Augʻ 1684 in the Even

My Lord Effingham having made his Speech to the Sennekas wch is not recorded, they made their Answer. They consent to bury the Ax & make a perpetual Peace with the Virginia & Maryland Indians & return their Dutiful thanks to Govr Dongan for his Mediatorship.

In the conclusion of their Speech they address themselves to Govr Dongan & say, that the other Nations from the Mohawks to the Cayugas having given up to the Government of New York the Susquahannah River & All that Country [the Land as before Specified], they do confirm the same, & in token thereof (according to the Indian Custom) they make presents thereupon — At the Court House in Albany the 5th day of Augʻ 1687. —

(P. 7.) An Excellent Speech of Govr Dongan's to the 5 Nations who were at Warr with the French —

1. he tells them they broʻ this Warr on themselves by entering into a Correspondance with the French without his knowledge or Consent wch as Subjects of His Britannick Majesty they ought not to have done.

2. he advises them to elect One or Two of their wisest Sachems & one or two Chief Warriors of each Nation to be a Council to manage all the Affairs of the War, for by taking all their Measures & Designs in public meetings they are liable to be betrayed. Also to advertise him of their Scheemes by a trusty Messinger.

3. To Strengthen themselves by an Alliance Offensive & Defensive with the Ottowaws & Twich Twicks¹ & the farther Indians, lay the Path open for them to come & trade with us, when they will have every thing cheaper than from the French.

¹ The Twightwees or Miamis of Ohio. — Ed.
4. To Open a safe Path for the Northern Indians & Mehikan-ders who are at Ottowawa to come home & the Govr would use his best Endeav'rs to assist

5. To send Messengers in the Name of all the 5 Nations to invite the Christian Indians at Canada to come home to their Native Country.

6. Not to keep their Corn in their Castles but bury it some where in the Woods & that few People may know where it is.

7. Not to suffer any French Priest among them, for One that was at Onnondaga discovered to the French every thing that passed among them.

8. That the Cheifs keep their People Sober —

(N.B. I find no Answer recorded to this Excellent Speech)

(P. 8.) From this last Speech of Gov'r Dongans to the 2d of June 1691. I cannot find any Govr's Speech or meeting with the Indians Recorded. the intermediate Space of Time in the Records is filled up with Transactions between the Magistrates of Albany & the Indians; in some parts They are entituled the Convention of Albany.

The Indians carried on a War against the French & sent several Deputations to Albany to invite us into the same, They were answered that a Revolution had happened in England & that the Prince of Orange was upon the Throne who was a Professed Enemy to the French King & therefore we expected a New Govr to arrive with a Declaration of war against the French. —

The 3 Feb'ry 1689. There is a full Acc of a Grand Meeting of the 5 Nations at Onnondaga, to w'h it is said the Convention of Albany sent Arnout the Interpreter & one Saunders together with Two Indians to lay before the Assembly the Proposals of the Convention. At this Meeting were also Two Cayuoga Indians who were carried Prisoners to France & a Praying Onnondagu Indian in the French Interest.

These Last spoke to the Assembly in behalf of the French & invited & exhorted the 5 Nations to meet the Govr of Canada next Spring at Cadaraqui & to enter into an Alliance with him —

1 Now Kingston, Ont. — Ed.
Next Spoke the Indians in the Name of the Convention of Albany whose Instructions consisted of 6 Articles That the Coalition of the 5 Nations with this Government as Subject to the Great King of England, so Solemnly, so long & so often acknowledged by them, [will not] doth not give them the Power to enter into any Treaties with the French against our Consent, & that such a proceeding would be Traiterous & Disloyal. — That They are (p. 9) Subjects of the King of England, that the French being His Enemies, & the Declaration of War against the French so long expected being now arrived, Should the 5 Nations now agree to a Cessation of Arms or make a Treaty of Peace with the French, the King of England will consider it as throwing off their Allegiance to him, & dissolving the Bond of Union wth hath so long subsisted & been so often renewed in the most solemn Manner between this Govh& the 5 Nations — &c. &c.

The Sennekas Spoke next, They gave the Assembly an Account, that they had entered into a Treaty of Peace & Alliance with the Wagenhaer ¹ Nation of Indians in behalf of themselves the Other 4 Nations & this Govt & that the Three Wagenhaers were now present to ratify the same. This was accordingly accepted on all sides. The Wagenhaers promised to use their best endeavours to bring the Jenendadees ² & Ottowawaes into the Alliance. —

An Onondaga Sachem then rose up & said — Bretheren — We must govern our Selves by the Propositions from the Convention of Albany, & look on the French with Enmity, They are our Enemies & Deceitful.h—

The Speeker for the whole Assembly then Addressed himself to Arnout our Interpreter & desired him to lay before the Assembly the Instructions he brofrom Alby. This he dihd— They then all consulted together, & the said Speaker in behalf of the whole said. They were all determined to preserve their Coalition with us & to make War upon the French of Canadah— and said, We are very Glad to hear our King (meaning the King of Engd) hath declared War against the French & that a new Govt is soon expected.

¹ One of the Uttuwawa Nations.
² The Dionondadies or Tobacco Nation, allies of the Hurons, living south of Georgian Bay. See Parkman, Jesuits in North America, Introduction. — Ed.
The Speaker then Addressed himself in behalf of the whole Assembly to the Deputies from the Gov' of (p. 10) Canada & told them, The Five Nations were determind not to meet him at Cadaraquie, That they would make no Peace with him, but took up the Ax against him — they acquainted him that had made a Peace with the Wagenhaes — The Assembly then broke up.

Albany 2d day of June 1691. —

Extracts from the Answer of the Oneydas, Onnondagas, Cayouga & Sennekas by their Sachems to His Excell'y Col. Henry Slaughters Speech (wth I do not find Recorded) o —

You acquainted us that you were sent by their Majestys of England to Govern this Province. We are glad that you are safe arrived & that we have a Gov' again.

We have been informed by our Forefathers, that in former times a Ship arrived here in this Country, wth was matter of Great Admiration to us, especially our desire was to know what should be within her Belly. In that Ship were Christians & amongst the rest One Jaques with whom we made a Covenant of Friendship, which Covenant hath since been tyed together with a Chain, & always been kept inviolable both by the Bretheren & us, in which Covenant it was agreed, that whosoever should hurt or prejudice the One, should be guilty of injuring the Other, all of us being comprehended in One Common League.

(in testimony here of they gave a Bever Skin)

You have made a Covenant with us wherein they of Boston & Virginia are included.

Your Excell'y is the Great Gov' of this Country, you command the Christians & us too.

(P. 11.) Albany the 4th of June 1691. — The Mohawk Indians acquainted Gov' [Fletcher] Slaughter, that some of their Nation had been to Cannada & spoke with the Gov' there who was very desirous that the 5 Nations should make a lasting Peace with his Praying Indians, & had sent by them (the Mohawks) a Belt of Wampum to Corlaer the Gov' of the Mohawks & the rest of the 5 Nations to consent to & make Peace with his Praying Indians.
And they desire Now to know of the Gov'r what they Shall do upon this Occasion —

His Excell'y answered to all the 5 Nations. That he admired the Mohawks would admit of any Treaty with the Praying Indians of Canada, they being as much Enemies to the Bretheren as the French. Therefore he could not admit of any proposals from them, & must check the Bretheren for hearkening to any thing from them.

The Mohawks in the afternoon of the same day made a Speech to the Gov'r in w'h they renewed the Covenant, & said tho an Angry Dog (meaning the French) should come & endeavor to bite the Chain of Unity between us in peices with his Teeth, yet they would keep it firm both in Peace & War. —

After this an Oneyda Sachem rose up in the behalf of the 4 Nations & told the Mohawks, that as to the Belt of Wampum w'h the French Gov'r had sent, they rejected it as venemous & detestable & would prosecute the War as long as they lived.

Between the above date & the 5 Aug't following I find the Mayor & Magistrates of Albany acquainted the Indians with the Death of Gov'r [Fletcher] Slaughter & that Major Ingolsby succeeded him as Commander in Chief.

(P. 12.) Albany 6 of June 1692 —

Major Richard [Ingolbsbary] Ingoldesby Comm' in Chief met the 5 Nations & made them an Animating Speech upon carrying on the War against the French, & not to expect or think of any Cessation or Peace whilst the respective Monarchs were at War in Europe. he advised them to [keep] keep constant Scouting Parties out, & to send Parties continually into the Enemies Country to harrass & alarm them.

He tells them the Dionondadees had sent the 5 Nation's 2 Pris' of theirs w'h they had amongst them — That they had told the French they would keep Neuter in the Present War, & exhorts the 5 Nations to make Peace with that Nation, w'h he said would be of great Service to this Gov't. —

The 5 Nations in Answer to this Speech declare their determination to carry on the War with Vigour & to follow the Gov'rs
Advice in sending out Parties — They say — We are all Subjects of the Great King & are all One Heart, One Blood & One Interest. They renew the old Covenant & Plant the Tree of Welfare wth they desire may grow & thrive.—

They complain of the want of Guns & Amunition & say tis no wonder the French gain upon us, for they Supply their Indians with Guns & Amunition & that plentifully —

They assure the Govr that as soon as they have an Opportunity to make an honourable Peace with the Dionondadees they will do it —

\[
\begin{align*}
\text{In this & most of their Other Speeches they desire a Smith to repair their Guns may be fixt at Onondaga as a most necessary Article.}
\end{align*}
\]

The complain heavily that the Other Colonies did not assist in this War but left this Govr to bear the Brunt of it. They say, Let Corlaer acquaint (p. 13) the Great King & Queen that if he has a mind to conquer his Enemy he has only to command all his Subjects that were formerly linked into the Covenant chain with us.

An Account being sent to New York that the French had cut off the 3 Castles of the Mohawks Govr Fletcher set out from New York by Water attended by a Military Force & arrived with uncommon Speed at Albany upon wth the Indians gave him the Name of Cajenquiragoo, wth is Swift Arrow.

He spoke to the 5 Nations there Assembled but his Speech is not recorded — their answer is dated as above, & contains their grateful Acknowledgments for the Govrn Dispatch & assistance & their resolutions of Revenge upon the French. And that while they Attack the French by Land they expect and desire that we should Attack them with Great Guns by way of the Sea.

Govr Fletcher met the 5 Nations at Albany the 3d July 1693 and made them a Speech — in wth he tells them he should have met them sooner as he promised & intended, but that he had receved a Royal Mandate from their Majestys of Great Britain requiring him to repair to Pen-
silvania & take that Province into their Majestys immediate Care & Government. — that going thither delayed him

he tells them that he is informed some of the Bretheren are inclined to make a Peace with the Common Enemy, that if so it must arise from the Instigation of the Jesuit Millet who some of their Bretheren have suffered to live amongst them.

he says, I am now come to condole your Dead & to assure you of the favour of their Sacred Majesties the Great King & Queen of England &c &c And in their Royal (p. 14) Names as their Servt & Lieutenant here, to renew and Confirm the Antient Covenant Chain not only in behalf of this Province but Those of New England, Virginia, Maryland & Pensilvania.

hereupon sundry valuable presents were given —

The following day the 5 Nations answered His Excell* aforesaid speech — They say, [They] “We are glad that our Bro* Cayenquiragoe (swift arrow) renews & confirms the Covenant Chain not only between us & this Government but also for New Engd Virginia, Maryland & Pensilvania w*th Covenant Shall forever be kept inviolable by all of us of the 5 Nations as long as the Sun shall shine.”

As to the Jesuit Millet living in Oneyde, they say they knew nothing of it till they came to Albany, but that they had enquired of their Bretheren the Oneidas who told them there was an Indian sent with Letters to Canada w*th surprised them very much. (and farther they say not on this Subject). They say “You are our Great Tree whose Roots extend[s itself] themselves to the utmost part of the Govt. —”

They say They will stick close to the War to the last Drop of their Blood. They are glad that the Shawanoes1 their Enemys have made Application to his Excell” for Protection & wish they were come to assist them against the Common Enemy. —

The 5 July The Gov* sent for the Sachems of the 5 Nations & spoke to them privately. amongst other things he said. Relating to the Priest Milet at Oneyde w*th the Bretheren of Oneyde Do

1 I cant find anything about the Shawanoes recorded in the Gov* Speech. The Shawanoes were settled upon the Branches of the Susquahanna
still harbour amongst them, I must tell you again that he betrays you and all your Council, and that you may see I desire not to diminish your number, I give you a pretty Indian Boy in lieu of the old Priest. accordingly the Boy was brought & delivered to them.

(P. 15.) The Sachems of the 5 Nations replyed.

As for the Jesuit Milet the Oneyde Sachem said, that he would perform his Promise relating to that matter viz. that as soon as the Indian [Sachem] Messinger returned, all the Letters & papers in his Custody should be taken from him & forthwith brought to our Bro[ther] Cayenquiragoe before the Priest shall see them & that he was willing to take the Boy in Exchange for the Priest, but that the Priest should stay at Oneida till the Messenger returned from Canada, & desired the Boy might stay here till they bring the Priest who shall be as soon as the 3rd Messinger returned.

They said further

We acquaint you that it is proposed by all the 5 Nations to make a Peace with the Dionnondagis a Nation of Indians who are in Alliance with the French of Canada who will Strengthen us & weaken the Enemy. The Sennakas who live nearest to them have undertaken to effect this Business & do take presents of wampum from the rest of the Nations to confirm this Peace & we desire your Concurrence in the Matter that you as our Eldest Brother will be pleased to send presents also & join in the Covenant Chain —

The Gov[ernor] approved of the intended Peace & gave a Belt of Wampum to be given in his Name. —

Albany 2d Feb'ry 1693/4.

A Deputation of the 5 Nations delivered to Maj'r Schuyler the Mayor &c. of Albany. —

We the Representatives of the 5 Nations come here to acquaint you that our Children the Oneidas have of their own Accord sent a Messenger to Canada, who returning brought us a Belt of Peace from the Gov[ernor] of Canada, We answered him that we being Dependents of this Government would not resolve to anything without Cayenquiaqoe, meaning Gov[ernor] Fletcher —
They then gave an Acct. of the Conferences of the Govr. of Canada with their Messenger. wch in Substance was to offer the 5 Nations Peace in the name of the King of France, reproaching them that they had submitted themselves to the Govr. of New York, with whom he could not enter into any Treaty &c. he sent a second Belt of Wampum to the 5 Nations for Peace —

They further informed — That a Meeting was held at Onondago of 4 Nations (the Mohawks were not there) upon the Second Belt of Wampum sent by the Govr. of Canada That the Sennekas, Cayuaga & Oneida Sachems, threw down each a Belt of Wampum in order to answer the Govr. of Canada in Peace & left the Onondagues to determine, They took up the Belts, but said they would send no Message to the Govr. of Canada without the Advice & Consent of their Bretheren of this Government. It was thereupon resolved to send to Albany an Account of all their Proceedings. —

In case the Govr. of New York consented 3 Propositions were intended to be sent to the Govr. of Canada — in the 3d were these Words.

You say you will have nothing to do with our Bretheren of Cayenquiragoe's 1 Govt but we must tell you that we are inseparable, We can have no Peace with you as long as you are at war with them, We must stand and fall together.

Several Conferences between the Majistrates of Albany & the Indians upon the above Subject are recorded, but very much blotted, ill wrote & imperfect, but I have picked out that they came to a resolution to allow the Indians to send a Message to the Govr. of Canada that they could not meet him next Spring because they were under orders to meet the Govr. of New York at that Time — however I find it was mistrusted the Indians were playing a double & deceitful part.

Major Peter Schuyler's answer to the 5 Nations Reply. I have convened you together again to tell you I am not satisfied

1 Govt Fletcher.
with the Dubious Answer you made yesterday, It not being agreeable to the proposal made to you by His Excellency’s Commands, therefore I would have you be plain & consider better of it & give me your Answer. I would not have you truckle to so pernicious a People as the French have always proved themselves to you. Do not be discouraged it seems that Heaven is propitious to us, for this Day we have the forerunners of the Shawanoes or far Indians come to Town with one of our Christians that was sent thither, who gives us an Account that they are coming with 7 Nations of Indians with Women & Children in all a Thousand Souls & are upon the way hither with Arent the Interpreter as you have the news from their own Mouths, therefore be brisk & be not afraid & acquaint the 5 Nations herewith when you come home.

The Indians replied to the first part of this Speech, that they now looked on the Path to Canada as Shut up, but desired they might be permitted to send a Message to the Praying Indians that they would not meet the Governor of Canada in the Spring & that he must not expect them — this was agreed to — As to the Shawanoes there is no answer of theirs recorded to it.

Albany 4 May 1694 —
A Speech of the Sachems of the 5 Nations to His Excellency Benjn Fletcher Govr of New York Pensilvan ia &c.

They confess they broke their Agreement made last Winter with Majr Schuyler &c at Albany & have sent Messengers to the French, and they excuse themselves by saying the Days of Truce were expired & they were afraid if they had not sent a Message the French would have fallen on Them or on Albany.

They tell the Governor that his dissolving their Meeting or Assembly of the 5 Nations at Onondagoe & telling them (p. 18) they must not meet there, is a violation of their Antient Priviledges & with Meeting never was obstructed by any former Governours. And that such Obstruction will be of ill consequence & occasion variance & difference between them & us.

They own they have sent Agents to Canada to negotiate a Peace, with they doubt not will have a good Issue. And say, They
do not take it amiss when the Govr sends to the Dawangahoes ¹ about Peace or that Arent the Interpreter went to the far Indians, & therefor the Govr ought not to be displeased with them for sending the Messengers to Canada about Peace. —

They tell him They will now give him a Candid Account of their Proposals for Peace sent to the Govr of Canada, wth they do in 10 Articles.

They reproach him with having broke the Peace with them, but as he had often sent for them they are now come & are willing that Peace & Amity shall be restored between them & a perpetual Friendship established. And if he consents he must come to their Country to ratify the same. — If he will not make Peace they say they are not bro't so low but they can yet defend themselves. As to the Wagenhaes their Enemies they say they dont ask him to make a Peace for them. they will leave that to his Managment.

all this Transaction of Peace was carried on by & in the Hands of the Onnondagues, The Oniedas & the Sennekas, as they tell the Govr in their Speech. —

Albany 5 May — 1694 —

His Excellency said
Bretheren

I have heard & considered your Speech yesterday but cannot proceed to make Answer to it, until you satisfy me upon these Three heads; wherein the Truth & Sincerity with which this Government hath always treated you is wrongfully accused.

(N.B. the rest of the Speech is wanting tho a Blank Leaf is left for it. —

(P. 19.) Albany 5 May 1694 —

The 5 Nations reply.
Bro'r Cayenquerage (Swift Arrow)

They acknowledge they mistook in aledging that the Govr had interdicted their Meeting at Onondago & that upon maturer Consideration, they find he only forewarned them of the Fallacys of the French & not to hold meetings upon any Messages from Them —

¹ The same as the Wagenhaes referred to on p. 15. — Ed.
As to their Treaty of Peace with the French, they acknowledge their Fears drove them to it, &c.

As to the Dowangahaws & Shawanas, we believe the Gov'r would never admit them into this Government except they had made Peace with us, which we earnestly desired, for if our Enemies come to stoop so low, why should they not have Peace, we pray you to let them come with Arnout & live amongst us, it will be a Strengthening to our Country. —

When the Christians first arrived in this Country we received them Kindly tho they were but a small People & entered into a Leage with them to protect them from all Enemies whatsoever, We were so desirous of their Friendship & Society, that we tied the Great Canoe wth brought them hither, not with a Peice of Bark or Rope to a Tree, but with a Chain to a Great Mountain. Before the Christians arrival the 5 Nations held their General Meeting at Onondaga where from the begining there has been a Continual Fire. This General Assembly Planted a Tree at Albany as soon as the Christians settled there, whose Roots & Branches have overspread as far as New England, Pensilvania Maryland & Virginia.

We desire that the Antient Covenant Chain may be renewed & the usual Love & Friendship between us may continue, And that when any Enemy threatens us with an Invasion, you may come up & assist us, & if any Enemy threatens you fail not to send up speedily for us & we will come down to your Assistance. — (P. 20.) They tell the Gov'r farther, that unless the Neighboring Colonies who are in the Covenant Chain will unanimously assist in the Prosecution of the war, which they have not hitherto done, the 5 Nations must make Peace with the French —

And they say their Agents gone to Canada have Positive Orders to refuse making any Peace unless the Gov'r of Canada will include this Government therein —

I do not find any Answer from Gov'r Fletcher to the above Speech recorded.
Albany the 15th day of Augt. 1694.

A Meeting of the 5 Nations with Govr Fletcher (Col Hamilton Govr of the Jerseys) Commissrs from Massachusets Bay & Agents from Conneticut. —

Substance of the 5 Nat° Speech.

Bro'r Cayenquirago. (meaning Gov'r Fletcher.)

You appointed us to meet you here in a 100 days to give our Answer, who would be for you & who against you. this is the hundredth Day & we are come with the Representatives of the 5 Nations to give you our Unanimous Answer. This Spring you did chide & rebucke us for sending Messengers to Canada to treat of Peace, but you did receive us again into favour & embrace us & promised not to break the Covenant Chain.

Since the Time that the Governours have been here from the Great King of England We made a General firm Covenant, wth has been fastened Stronger & Stronger from time to time, and our Neighbours seeing that it was so advantageous, they came and put their hands into the same Cov't Chain viz. they of New England Connneticut, New Jersey, Maryland & Virginia.

They proceed to reproach those Colonies with leaving this Gov't & the 5 Nations to support the War by themselves as contrary to the design & intent of the Covenant Chain. (P. 21.) they add if all would join together & take up the Hatchet against the French we should be strong enough to destroy the Enemy & live in Peace afterwards. —

It is an Antient Custom to renew the Covenant Chain, and we that are left of the 5 Nations are now come to renew the same, to Scour it clean & bright that it may shine like Silver, and we promise that it shall be kept on our part so Strong & Inviolable that the Thunder itself shall not break it. —

We have been disobedient to your Commands in going to Canada to Treat with the French, and thought because our Bretheren of New England had treated with the Enemy the French to the Eastward, we might go & see whether any Peace or Treaty was concluded to our Prejudice.

They present a Belt of Wampum as a Testimony that They now renew the Covenant Chain with all the aforesaid Colonies,
& exhort them upon every occasion to act with unanimity against the common Enemy the French. —

Albany the 16th day of August 1694.

Persons present as yesterdaym—
Dekanissor a Sachem of the Onondagas rose & up & address his self to the Govr said he was the principal Agent employed to go to Canada to treat of Peace & he would now give a faithful Account of what Passed there —

He recited in Distinct Articles his Proposals to the Govr of Canada most of them in Substance as hath been already mentioned — the 9th Article runs thus. "Onionda (a name they give the Govr of Canada) We will admit of no Settlement at Cadaraqui, You have had your Fire there Twice we have Quenched, and therefore will not consent to any rebuilding there, We clear the River that we may have a Clear Passage thro it & come freely to Onondaga." (P. 22.) Dekanissor then related what the Govr of Canada Answered to his Propositions — That he began with saying he could not make Peace with the Govr of New York, upon which Dekanissor Said it would not then do, & this point was debated between them for three Days, when the Govr of Canada promised he would not make war upon the Govr of New York this Summer. The Govr of Canada insisted upon 2 Hostages, Dekannissor would not give them, but Two Indians agreeing to Stay that Point was settled. Then the Govr of Canada made Answer.

I accept of the Peace as you have offered. He then delivered a Belt of Wampum to Dekanissor for the Govr of New York to send Deputies to treat with who he said should have safe Conduct. This Belt Dekannissor now threw down before Govr Fletcher to take up, wh the Govr rejected & said if the Govr of Canada had anything to say to him he might send Messengers. —

Albany the 17. Augr 1694. —

Sadekawahtie Sachem of the Onondages related to the Govr the particulars of the Peace wh the 5 Nations had concluded with the Dowangeshaws & the Deonondas —

1 The same as the Waganhaes and Dionondadies. — Ed.
Albany 20 Aug⁴ 1694 —
There is a long Conference recorded (with many erasements & very imperfect) between Govr Fletcher & the 5 Nations in the presence of Govr Hamilton of the Jerseys, Commissr from N. Engd & Conneticut.

It chiefly turn'd upon their Negotiations of Peace at Canada. the Govr left them to proceed therein, but told them to beware of the French for they would find 'em a perfidious People. The Govr told them he finds the Govr of Canada intends to rebuild Cadarqui, & demands of them what they say to that matter. they Answer, that they have (p. 23) already told the Govr of Canada that he shall not rebuild Cadarqui, and when they discourse him again they will tell him plainly they will not admit it. The Govr tells them if they suffer the French to build that Fort or any other on this side the Lake it will bring them & their Posterity into perpetual Slavery. —

Albany 28 Aug⁴ 1695.
Ten principal Sachems of the Mohawks were sent from the upper Nations with Intelligence, that the French who had deluded the 5 Nations with Negotiations for Peace, had now unmasked themselves & were come with a large Body & were rebuilding the Fort at Cadaraqui. And they desire the assistance of all the Colonies with Cannon to dislodge them.¹

To which no Answer from the Commissioners is recorded. But the 18 Sepr 1695. Govr Fletcher met the 5 Nations at Albany & Spoke to them to the following purpose.

As to the Govr of Canada's taking possession of Cadaraqui Fort, he was much surprized at it, having forewarned them to keep Scouts upon the River to prevent any such Attempt. says further, “I must tell you since I have had the honour to serve the Great King of England my Master in this Province, all your misfortunes have been occasioned by your own Drunken, supine, Negligent & Careless humours.”

That it is now too late in the year to get together & march a proper Body of men Amunition &c. in order to disposess the

¹ Here the author had a reference to a footnote, but none was inserted. — Ed.
French of Cadaraqui, but directs them to post Parties on the Carrying Places to cut off any supply the French may send of Men or Provisions to Cadaraqui by wch means they may force them to desert the Place.

the next day the 5 Nations Answered the Govr That they acknowledged he had warned them to keep out Scouts to watch the Enemies Motions towards Cadaraqui. that accordingly in the Spring they sent out 100 Men to lay upon the River Cadaraqui, who met with a Party of Wagenhaws engaged them & took 'em all Prisoners & burnt them in the meantime came the Govr of Canada & took possession of Cadaraqui.

(P. 24.) Between the aforesaid Meeting of Deputeys from the 5 Nations with Govr Fletcher the 18 Sep 1695 — And the following Meeting of the 5 Nations with The Earl of Belmont, I find no Indian Transactions Recorded. —

Albany 20 July 1698 —
The Earl of Belmont met the 5 Nations, who felicitated him on his & His Ladys safe Arrival tois this Govr after a tedious & Dangerous Voyage, & expressed their Concern at his Lordships Indisposition. His Lordship thanked them & asked them, if they had any Grievances or Complaits wch he could redress, or do anything for their Good, to let him know. They Answered they would Speak after his Lordship had spoke to Them.

My Lord said he would speak to them to morrow if his Health would permit him. —

The 21. is a Title of a Speech made by the Earl of Belmont to the 5 Nations, but nothing more of it recorded.

It is only recorded that the 5 Nations thanked his Lordship for his Speech wch they repeated & said they would answer thereupon when his Lordship was able to hear them —

At this time 3 Praying Indians from Canada were at Albany to whom the Earl of Belmont directed a Speech to be made by Col

1 The Saint Lawrence. — Ed.
2 These Sachems gave also an Account that the upper Nations that is the Sennekas Onondagas &c. had taken 10 Prisoners of Wagenhaws & burnt 9. how this came to pass after so Solemn a Peace recorded to be concluded with said Nation the 3d Feb 1689/90 I cannot learn from the Records.
Peter Schuyler & others. They accordingly welcomed them to their native Country\(^1\) invited them to return & live amongst their Bretheren & promised them Houses & every other Necessary & gave them some Presents.

The Indians replied that on their return to Canada they would acquaint their Sachems with their Reception & the Invitation given them. —

Albany 22 July 1698 — \(^2\)

(P. 25.) Albany 22\(^{d}\) July 1698. —

Speeches of the 5 Nations to His Excellency Richard Earl of Bellemont Gov\(^r\) &\(^o\) —

A Mohawk Sachem said — That they had several Affairs\(^w\) concerned them all in General to lay before his Lordship, that also they must acquaint him with an Affair\(^w\) concerned the Mohawk Nation in particular — that it related to their Land about\(^w\) a certain Writing had been drawn up, which they desired might be annulled & burnt & that they might remain Masters of their own Land.

An Onondago Sachem then rose up & said — That they had been acquainted that a Peace was made between the Great King of England & the French King, by\(^w\) they had regulated themselves & sat still, but since the Peace had been made known to them, they had lost 94 People by the Indians in Alliance with the French — he repeats the rise & progress of the Covenant Chain as is usual to very new Gov\(^r\) & repeated in former Speeches, They renew it with His Lordship & hope he will keep the Chain bright & that the Tree of Welfare, that is Peace & Unanimity between them & all his Majest\(^y\)'s Subjects in these parts may flourish & subsist under his Lordships Administration.

They complain Goods are so dear at Albany that the Indians go to Canada where they buy Cheaper, that they ought rather to be at such a Price as to draw the Indians from Canada hither. —

\(^1\) The Praying Indians are Deserters from the 5 Nations particularly the Mohawks to the French.

\(^2\) Dr Coldens Extracts from the Indian Records or History of the 5 Nations. Ends here.
the 23 July is minuted that his Lordship made them an Answer & gave them presents, but the particulars of neither is recorded. And it is further minuted, that they sung a Song of Peace, & thanked his Lordship for what he had said to them & for the Presents. —

Albany the 27 July 1698 —
Is recorded a Conference between My Lord & the Mohawk Sachems about a Deed of Sale w•h the Dutch Priest one Dellius had fraudelently obtained from some Mohawks for a large Tract of Land belonging to that Nation in General. [He] it appears by evidence upon Oath that the (p. 26) Priest drew them in to sign this deed, under Colour of preserving their Land to them, & told them it was a deed of Trust to him & some others to prevent some Designing People from getting Grants of their Land. The Affair appears from the Records to be an Infamous Cheat & most iniquitous Imposition — My Lord told them he would engage to write home & have the Grant vacated, & that he doubted not in 6 months time to have an Order from his Great Master to have it burnt & he would cause it to be done with all the Solemnity imaginable. —

A Speech of the 5 Nations to My Lᵈ Bellmont follows the above Record bearing date the 25 July.
In w•h they say his Excellency has forbidden them to hold any Correspondance or underhand Dealings with the French of Canada, for that such Proceedings will destroy the Covenant Chain between them & us.
They answer, be not afraid of the least Alliance on our side with French, we shall keep ourselves firm to the Covenant Chain.m—

Albany 26 Day of December 1698 —
At a Meeting of the Commissioners for Indian Affairs Information was given that some French Gentlemen who passed thro that City from Canada in their way to New York in order to take Shipping for France, had said that some of the 5 Nations sent a Messenger with Belts of Wampum to the Govʳ of Canada to treat with him —
As this is contrary to their Faith promise & Engagement to My Ld Bellmont last Summer, it was proposed & agreed to send up to the Indians to know the Truth of this Matter, & that such Castles as have done this may send down Sachems to give an Account of their Negotiations.

(P. 27.) Albany 27 Decr 1698 —
Is recorded a Message from Ornechte the first Castle of the Mohawk Indians where the Praying Indians live —

It was to acquaint the Commissioners that the People of Schenectady had of late brought Rum to their Castles & bought with it their Corn whereby they were in Danger of Starving. They desire this may be forbid & that they may have leave to break the Cegs when any Rum is brought there.

They were answered that Care should be taken to prevent any Rum being brought to them, and that they should bring the Rum Traders to Albany.

Albany 3d Febry 1698/9.
An Onondaga & Oneida Sachem came to Albany & Informed the Commissrs that an Onondaga Indian had been to Canada to see his Father, and was there informed that the Prisoners belonging to the 5 Nations were detained at the request or by the Instigation of one Capt John Schuyler of Albany who had been trading in Canada; they were reproached with their being Slaves to the English, who neglected & despised them & were invited to send a Deputation of their Sachems to the Govr of Canada & that by their Application to him they would get their Prisoners returned. Upon this Indians arrival in his own Country he informed his People of what he had learnt in Canada, who resolved to send a Deputation to the Govr of Canada with Belts of Wampum in the name of the Sennekas, Onondagos, Oneida & Caiuga Nations, but not to impart their Design either to the Mohawks or any of the Christians of this Government, (which was according to the Direction given the aforesaid Indians when in Canada) & accordingly a Deputation was preparing to be sent to Canada.

The Commissrs resolved to send immediately some of their Body to Onondaga to Stop this Embassy & Three Persons were accord-
ingly dispatched thither, & if the Embassy was set out to send after & bring them back. —

The 12 June 1699. I find Recorded Instructions, to the Commiss' of Albany from Lieut' Gov' Nanfan who commanded (p. 28) in the Earl of Bellmont's absence, (who was gone to Boston to take possession of his Gov't there) to this Effect —

That if the Indians do insist upon going to Canada to release their Prisoners & to make a separate Treaty with the French, to tell them, that as they are Subjects of the Crown of England, this Gov't will take care of that matter.

But if notwithstanding they will go to Canada to send Two Gentlemen along with them, & that the Indians make known what they will say to the French, & that the matter of the Conference be digested & fixed before they set out.

The Commiss' being informed by Two Gent's who lately returned from Canada that the Two Indian Prisoners were set at Liberty & were coming back to their Castles, agreed that it was not Expedient that any Deputation of Indians should now go to Canada — And therefore they convened the Sachems of the 5 Nations & made a Speech to them —

In which they severely reproach them for going to Canada last Winter contrary to their Faith & Promise given to the Earl of Belmont & their Allegiance due to this Gov't.

The Commiss' tell them they must have some bad Intentions in being so earnest in wanting to go again to Canada, for now their Prisoners are released; They forewarn them against the Intrigues of the French who want to seduce them from their Obedience to this Gov't. They add — Consider you are the Subjects of the Great King of England under whose Gov't you have been time out of Mind, and the Covenant Chain hath been so often renewed with this Gov't that there is none living can remember the beginning of it. Cleave firm then to this Government & lay aside all thoughts of Correspondance with the French, for we shut up that Path. —

The 13 June the 5 Nations Answer.
You told us yesterday that you had shut up the Path to Canada from all the 5 Nations, We are glad of it, but let it be also shut up to the Bretheren of this Government.
A Deputation from the 5 Nations acquainted the Commissr at Albany that a Party of the Sennekas had been at Conostoga a Place upon the Susquahanna River belongd to Wm Penn, from whence they had brought Two Letters wh th they now came to lay before the Commissr — and desire that the Govr of New York will give an Answer thereto. These Two Letters or Writings are of the same Tenor & date, setting forth That certain Indians therein named had been with Wm Markam Esqr Lieut Govr of Pensilvania in behalf of the 5 Nations & requested a free Trade & Amity with that Govr wh is accordingly kindly accepted & Govr Markam promises they shall be protected whenever they have a mind to come Peaceably into that Govr —

The Commissr tell them, They are surprized to see such a Treaty & Negotiation made between the 5 Nations & our Neighbours of Pensilvania without the least notice given or leave Obtained from the Govr of New York, who will undoubtedly take it very ill; that they will send the Two Letters to him & let them know his Answer when they receive it.¹

Albany the 27 Augr 1700 —

The Earl of Bellmont met the 5 Nations & made a Speech to them but it is not recorded. By their Answer it turned upon Two principal Points. 1st to forewarn them against the Scandalous Artifices & lying reports made use of by the French to seduce them from their Allegiance to the King of Great Britain. 2dly To warn them against encouraging or harbouring any French Jesuits or Missionaries amongst them, & that they should have Protestant Ministers sent amongst them to instruct them in the Christian Religion — To the first they Answer, they are from repeated Experience sensible of the Designs of the French & of their false & artful Instigations, But they (p. 30) are fully & firmly determin'd, to hold fast on the Covenant Chain made with the English, & that if the Great King of England will defend

¹ It appears that the Design of the Sennekas going to Conostoga was to try if they could get Goods Cheaper there than at Albany, where they had frequently complained how very dear Goods were.
them against the Dowagenhaws the Twich Twees & other Nations over whom the French have an Influence & who have murdered several of their People since the Peace, They will have no further Correspondance with the French. —

As to the Second Point. They are very Glad to hear that Protestant Missionaries will be sent amongst them, whom they are very willing to receive & to embrace the same Religion that is professed by their Bretheren the English, And they desire that a Missionary may be placed at Onondago where is the Center of the 5 Nationse—

They say the French give their Converts Victuals & Cloathing which tempts many of the Indians to embrace their Religion. —

Albany the 28 Augt

The Earl of Bellmont had a further Conference with the 5 Nations, & told them, that no Missionary would live at Onondaga unless a Fort was built there to protect him — They readily agreed to have a Fort there, & My Lord promised to send the Engineer to look out for a proper Place & form a Plan for one. —

Albany 29 August 1700 —

The Earl of Bellmont had a Private Conference with Two of the principal Sachems of each of the 5 Nations, wherein he told them. You must needs be sensible that the Dowagenhaws, Twich-twees, Ottowawas & Diondedees and the other Remote Indians are vastly more numerous than you 5 Nations, and that by their continual Warring upon you they will in a few years totally destroy you; I should therefore think it prudent & good Policy in you to try all possible Means to fix a Trade & Correspondance with all those Nations, by which means you would retain them to yourselves, and with my Assistance I am in hopes in a short time they might be brought to be united with us in the Covenant Chain, and then you might at all times go a hunting into their Country without any sort (p. 31) of hazard which I understand is much the best for Bever hunting.

I wish you would try to bring some of them to speak with me, perhaps I might prevail with them to come & live amongst you
and I should think myself obliged to reward you for such a piece of Service.

Desires they will use their Influence to get 200 of their Young Men to help with 200 English to build the Fort at Onondago, & that they shall have the same Wages as the Christian Workmen. and says he hopes to finish it in 3 Months, when they will have no reason to be afraid of the Garrison at Cadaraqui —

Warns them against the seducing Artifices of the French Jesuits, who if they should fail to make them Proselytes are bad enough to take them off with Poison. And says the only effectual way to prevent them from coming, is to make Prisoners of the first that comes & send him down to Albany & for every such Priest they shall be paid 100 pieces of 8. — and that there is a Law in the Province for the taking up & securing all Popish Priests & Jesuits.

The next Morning the Sachems who were convened yesterday with a Protestant Mohawk Indian waited upon Ld Bellmont & brought one more from each Nation with them, saying it was their Custom to transact all Business of Moment by the 3 Tribes or Ensigns that the 5 Nations consisted of viz. the Bear, the Wolf & the Turtle, one from each of these Ensigns in each Nation was to be present.

Then rose up one of the Sachems & told his Lordship. —

You desire us to make Peace with the remote Nations & [at the same time] to draw our Indians back from Canada, at the same time to bring the Jesuits who may come to our Country Prisoners hither. These Three heads do not well consist & agree together therefore we are of Opinion it will be more Advisable, first to conclude a firm Peace with the Dowagenhaw & remote Indians, and then see to draw back our Indians from Canada that are debauched thither before we meddle with or disturb the Jesuits, for there are to the Number of 16 Nations who have already agreed to come & Live amongst us. And if they hear we (p. 32) commit any Rudeness to the French Jesuits it will put a Stop not only to the said Treaty but exasperate our People that are at Canada & obstruct their coming over to us, therefore we conclude

1 I imagine the Word should have been Translated Tribes
to wait the coming of the sd far Indians before we put your Lordships desire about the French Jesuits in Execution.

As to that head relating to our Childrens being instructed to read & write English & Indian at New York. the Sachems who are now on the hill are consulting about it, and we will when we are all convened together return your Lordship an Answer to it as also concerning those Matters you have spoke of about the the French at Onondago. —

His Lordship asked them whether the Sachems who were convened on the Hill would give him an Acc what Message was brought to them by Mons Morriceur the Jesuit & the rest of the French from Canada to Onondaga —

They Answered Yes. —

He told them that As he designed the Fort at Onondago so big as to receive 200 Men in wth there should be always 100 English, whether the 5 Nations in case of a War would send 100 Men to assist in keeping the Fort —

They said when all the Sachems were convened together they would answer that Point, but a little After a Sachem rose up & said, as to that Matter, we desire to be excused from giving any positive Answer, because it is the Young Men that must do the Service & they must be consulted about it. —

His Lordship replyd that he thought the Sachems had the sole Command of their Young Men without any controll.

They answered, We have often proposed something to you & you have told us you would write to the King our Great Master about it, wth gave us (p. 33) Satisfaction and we never importuned you any more about it, therefore pray be satisfied with what we have now answered.

After a while a Sachem came from the Hill from the Sachems of the 5 Nations, the Speeker said as follows. —

It is concluded by all the Sachems of the 5 Nations that each Nation do send 12 Men to assist at the making the Fort in the Onondago Country.

I dont find any mention of this Article made in his Lordships Speech, & suppose it was omitted.
As to our Children to be sent to New York to be instructed to read & write, We answer, that we are not Masters or disposers of them that is a matter which relates to our Wives who are the sole disposers of our Children whilst they are under Age. —

Albany 31. Aug

The Earl of Bellmont had a further Conference with the Onondago Sachems about the Fort to be built in their Country. — viz.

1. he desired a Guard for the Engineer who was to go & look out for a proper Sittuation for it —

It was immediately granted —

2d He desired to know if they would now name the Sachems who were to be joined with the Engineer to Agree upon a proper Sittuation for the Fort.

They answered when the Engineer arrived at Onondago Sachems would be there appointed —

3dly If the would supply the Christians whilst they were building the Fort with Provisions & hereafter when it should be Garrisoned —

They answered the English should want for no Provisions neither whilst they were building the Fort nor afterwards and that at reasonable rates. —

In the afternoon he had a Conference with the whole Assembly of the 5 Nations then at Albany. —

My Lord’s Speech is not recorded. I find by their Answer he recommended them to stand firm in their Resolution of (p. 34) being instructed in the Protestant Religion — to which they answer, that they are firmly determinded so to do.

They say, We desire that our Bro Corlaer (the Gov) will write to the Great King of England, that the Limits & Bounds may be established between us & the French of Canada to prevent all Disputes & Controversies, that each may know their Bounds and when we are upon our Land & when we are upon the French Kings Land. —

They pray that there may be a good regulation of the Trade & Goods sold Cheap that the Remote Indians may see what Pennyworths there is here which will draw them hither. —
The Indians gave my Ld Bellmont an Acc't of what Jesuit Bruyere had said to them at Onondago, His Discourse appears to have been calculated to [alleinated] alienate them from their Submission to this Government, to admit of Priests & embrace the Roman Catholic Religion.

The Cannada Praying Indians of Cackanuaga had also sent a Belt of Wampum ([that is] with an Embassy) to the 5 Nations telling them that as their respective Kings had made Peace they desired all hostilities might cease between Them & and desired their Belt of Wampum might be hung up in Onondaga Castle in token of a good Correspondance to be kept up between them & the 5 Nations, & further desired the Gov'r of New York might not know anything of this Belt of Wampume—

This being looked upon as only an Artifice to introduce the French & their Priests amongst the 5 Nat's in order to debauch them from this Gov't — My Lord gave them another Belt of Wampum in the room of this to hang up at Onondaga as a Testimony of their Fidelity & Obedience to the Crown of England — w'ch they accepted — and promised to return Answer to these Praying Indians, that they were resolved they would never carry on any Negotiation (p. 35) with them or any other Persons whatsoever without the Privity & good liking of the Great King of Englands Gov'r of New York.

Albany 14 July 1701. —

The Lieu't Gov'r John Nanfan Esq'r met the 5 Nations & made a Speech to them w'ch is not recorded. —

They Answer —

They condole with him on the Death of the late Gov'r The Earl of Bellmont & congratulate him on his Accession to the Gov't —

They say we shall all have our Eyes fixed upon you because we daily meet with great difficulties from the French of Canada. We doubt not but you will be careful to keep the Covenant Chain firm as the late Gov'r has done whose Soul is now in heaven. —

We do with all sincerity acknowledge the great kindness that his Majesty the Great King has for the 5 Nations, we will endeavour to behave ourselves as such that may merit his Majestys
Esteem by our faithfulness to the English Crown. We cannot sufficiently express our Gratitude to so Gracious a Prince, and we shall never fail to Obey your Commands who are his Lieutenant.

You desire to know what the French Agents have done in our Country. Their Principal Business was to settle a Priest among us. But we have so often had Experience of their Wickedness & Falacy that we have positively denied him any Access. They have been the Occasion of a great Breach in our Country by seducing many of our People to Canada.

As to the satisfying you what Treaties we have made with the Dowagenhaes & the far Indians—They say they sent a Skin with Two of the principal Castles painted thereon. The names of y° 7 Nations we have made peace with are

Skighquan
Estjage
Assisagh
Karhadage
Adgenauwe
Karihaet
Adirondax.

(P. 36.) As to our Indians debauched to Canada by the French, We have used all Endeavours imaginable to get them back, but cannot prevail, the Jesuits have a great Influence upon them that they stop their coming to their own Country and the Govr of Canada has them now devoted wholly to his Service. —

The Govr told them he was glad to hear they had made Peace with so many nations & hoped it might be lasting, & desired to know how many Nations they were still at War with. They say there are 6 Nat° who still make war upon us, besides those we do not know. They name none.

Albany 19 July 1701.

The Lieu° Govr had a further Conference with the 5 Nats.

His Speech is not recorded. —

They say. We complain of the French of Canada [incroaching] incroaching upon our Territories & that they go & build Forts upon our Land without our Consent. We pray the Great King
of England may be acquainted with it & that he will be pleased to take care to prevent it.

We do renew the Covenant Chain & make it bright & clear & we fasten it to the Hills which lye round this City, for They may rot & decay, but the Hills will remain immoveable.

Let the Covenant Chain reach from New York to the Sennekas Country that all the People that are under it may be secure from all Attempts of an Enemy.

We would remove the End of it to Troich Sachronde 1 or Wawayacketenok if it were in our Power, but the French would mock at it for they have taken it in Possession already against our Wills sending People thither to make Forts, but hope they will be removed speedily away. (P. 37.)n If the French make any Attempts or come into our Country to delude us, we desire you to send Men of Wisdom & Understanding to Countermine them, for they are too Subtle & Cuning for us & if you can convince them that will be a means to stop their designs & so prevent their ill Intentions.

We desire that our Secretary Robert Livingston may be sent to the Great King of England to acquaint him that the French of Canada incroach upon our Territories by building a Fort at Tejughsakrondie 2 & to pray that our Great King may use all Means to prevent it. we shall be tied up; we shall not be able to live, they will come nearer to us every day with their Forts. We do give & render up all that Land where the Bever hunting is which we won with the Sword 80-years ago & pray that He (the King) may be our Protector & Defendor there; And desire that our Secretary may write an Instrument which we will Sign & Seal that it may be carried by him to the King.3

They desire Goods may be sold Cheap & say the French draws many Indians to himself by selling better Pennyworths than we do.

1 The Straits between Lake Huron & Lake Errie.
2 The 5 Nations Name for Lake Erie & is I suppose Fort [Cad] which the [marked in Poppli’s map] French had at the West End of Lake Erie.
3 In the Contents of this Meeting is minuted the [Title] Deed of Surrender of this Land to the King dated the 19 July 1701, but no such Deed appears recorded.
Concerning the French Priests, it is a general Conclusion of all the 5 Nations to Expel them. We desire to be Instructed by your Ministers in the Christian Faith & rely on you for doing it. The French Priests have been the ruin of our Country & therefore we have no cause to suffer them any more —

The Gov'r of Canada hath sent a Party of Men who are gone behind our Country privately to build a Fort at Tejughskrondie — you desire to know what we have done in that Case. The People that have been at Onondago can tell you. We thought this Government would have done something in the Matter, & to have found you busy in your Books & Maps concerning it, that the Line should be run between the Two Governments we can do nothing in the Case, you know we have not Power to resist such a Christian Enemy, therefore we (p. 38) must depend upon you Bro'r to take this Case in hand & acquaint the Great King with it for what will become of us at this rate. Where shall we hunt Bever if the French of Canada take Possession of our Bever Country.

We cannot omit to acquaint you of the Deceit of the Smiths who take our Money & instead of putting Steel into our Hatchets put Iron, so that as soon as we come into our Country to use them they fall to pieces. —

The Traders have a bad Custom to trust our People and when the Men are Dead come upon their Widows & when they bring Bever take it from them for Debt. —

Albany the 21 July 1701. —

A Private Conference between the Lieu' Gov'r & the principal Sachems of the 5 Nations —

They say when the late Gov'r the Earl of Bellmont brought them the News of a Peace, he told them the Prisoners on both sides should be set at Liberty, but they have not hitherto been so happy to find this true, for the Gov'r of Canada & the Priests detain the Prisoners taken from them upon Pretense to make them Christians. They desire the Gov'r to get them back to Albany & make Christians of them there.

What shall we do if the French continue to draw away our People & encroach upon our Country, they build Forts round
about us & pen us up. It is now Peace we cannot hinder them, niether is it in our Power to resist them; they have drained us of our People they all go to Canada & that upon pretence of Religion & to be converted, We see it is only to enslave us. We know very well how they did at Cadaraqui, & so they come nearer & nearer. They are going about to make a Fort at Keenthee on the side of Cadaraqui Lake another Principal Passage our Indians cannot Shun when they come from their Hunting. We hear that one of our Indians called Oraja Dicka that has been 2 years amongst the French in Canada & is there still, has given Consent to build this Fort, but We 5 Nations know nothing of it neither will we give leave, for by such means the French possess themselves of our Territorys.

They repeat their desire that their Secretary Robt Livingston may be sent forthwith to his Majesty upon all these Points. —

The Lieut Govt told them he would consider of their Proposals & would do anything that was proper for him to do for their Ease Satisfaction & future Tranquility

N.B. From this Conference to the 13 Decr 1704. There are no Records entered of Indian Affairs. —

Albany 13 Decr 1704. —

Information by a Messenger is brought to the Commiss for Indian Affairs, that a French Man & an Indian were come to the 5 Nat & desired a Meeting with them at Onondago. That the 5 Nations had deferred that Meeting until they had acquainted their Bretheren of Albany with it, that they might send up some of their Body to be present at it —

The Commiss agreed to dispatch Two or three Persons thither with proper Instructions for their Behaviour. —

The 17th those Persons returned back, having met on their way 2 of our Indians who are returned from Canada lately, and bring Intelligence that the Govr of Canada was so much provoked at the Govr of New York for sending Two Belts of Wampum to the Cachnawaga Praying Indians in Canada Inviting them to return and live amongst their Bretheren the Mohawks, that he

1 Probably at the Place now called Osswego.
declared he would raise a force & fall upon the Govr of New York for so doing, & that Ammunition had been delivered out & preparations making accordingly.

The Commissrs directed the Messengers to proceed on (p. 40) their Journey to Onondago, & to send the Two Indians to them to be further Examined. And if they should hear a Confirmation of this News, that they should apply for the assistance of the 5 Nations to march Down to Albany —

A French Praying Indian arrived at Albany & informs, that the Two Belts of Wampum that [the Two] the Govr had sent to Canada to the Praying Indians in the Castle of Cachnawaga, had effected such a Disposition in many of them to return & live amongst the Mohawks that three of the Chief Sachems were on their way to Albany & this Indian was come with an Intention to remain among our Indians — That this Affair made a great noise in Canada & put the People there into a Consternation.

Albany 8 Jan'y 1704/5 —

The Messengers dispatched to Onondago arrive at Albany & Say that the French said to be arrived at Onondaga as Ambassadors from Canada had only been in the Sennekas Country & left a Priest there — but had sent the French Interpreter to Onondago to desire a meeting there wch was granted before our Messengers arrived.¹ that the Messenger told them to be on their Guard against the Wagenhaw Indians & to stay at home. (this seems to be a false Alarm in order to keep the Indians from acting against the Party designed from Canada)

That the Interpreter laid down the Two Belts of Wampum wch had been sent to the Praying Indians of Canada, & said sd Indians would not accept it. but desired theGovr would take no notice of their Refusal. —

¹ I find in several Instances when the 5 Nat receive a Request from the French for a Meeting at Onondago, tho they send our Govr word to dispatch Deputies thither, they [always] generally take care to make an end of the Meeting before our Deputies can arrive, wch is a pice of Policy to conceal from us what they think proper.
the 15 Jan’y 1704/5.

A Message from the 5 Nations that they keep their Warriors at home in readiness to send them down to Albany whenever they shall be required. —

(P. 41.) I find by the Records about this Time this Gov’ & that of Canada were sending Invitations to each others Indians to gain them over — with this difference, We sent to induce those who had left us to return, the French to debauch more from us — in the former we dont appear to have succeeded, in the latter the French in some Measure did —

Albany 29 May 1705m—
A Message from the Sennekas Country, that the said Sennekas have received Information that 4 Nations of the farr Indians have taken up the Hatchet against the 5 Nations, and to advise them to be on their Guard. upon wth a Meeting is summoned at Onondaga & the Indians desire the Commiss* to send Deputies thither to consult for the preservation of their Country & the Good of the Province. — The Commiss* accordingly dispatch Lawr* Classe the Interpreter. —

Albany 6 June 1705 —
Six of the Chief Sachems of the Cacknawaga Castles in Canada arrived at Albany. And make a Short Speech — that they are come in a friendly & Peaceable Manner — And give Strings of Wampum to wipe away all Blood wth hath been shed by them. And make an Apology that they could not come before having been hindered by Matters of great importance.

[Its] — They are civilly answered, invited to come and live amongst their Bretheren the Mohawks & told that Col. Schuyler will go down with them to the Gov’ at New York — 9th day. They Answer that they have concluded to observe the Commiss* Orders & go down with Col. Schuyler to New York but did not expect they should have been ordered thither.

Albany 11 August 1705 —
D. Waderhoe an Englishman who hath lived amongst the Cayouge Nation (one of the 5) from a Child & now a Sachem a Serious Man & very true to this Government, came to Albany &
acquainted the (p. 42) Commissioners that Two Companies of Toegsagrongdie Indians were lately arrived in the Sennekas Country, One Company whereof were designed to Albany & the other to Canada, but by the instigation of Jonkeur the French Interpreter who lives in the Sennekas Country, the Party designed for Albany were prevented from fulfilling their Intentions — He says Bretheren I must tell you that you may blame yourselves for want of Commerce with those Indians of Toegsagrongdie & others of the farr Nations, by reason that you have not a man or two in the Sennekas Country continually, for had there been anybody to represent this Government as there is from Canada, those had not gone to Canada. I desire you will consider this Matter.

If you do not send up some Person to represent this Government you will be apt to loose most of your Indians by reason of the great Influence the Govr of Canada gains upon them by the Jesuits & the Interpreter continually amongst them.

Upon this it was resolved by the Commissrz to dispatch the Indian Interpreter up to the Sennekas Country with proper Instructions. —

Albany the 20 Novr 1705 —

The Commissrz received Information that the French Govtz [has] had recalled the French from the Fort of Toegsagrongdie & the Wood Scouts about Ottowawa & had ordered all his Indians to stay at home this Winter — from hence they Suggested he designed some Attack upon Albany or the Settlements thereabout — In consequence whereof they wrote a Letter to the Govr desiring he will fall upon proper measures to secure them.

Albany 23 febr 1705/6.

The Commissrz receive Intelligence that the French have prevailed upon the Cayouge Nation (one of the 5 & always very (p. 43) faithful to this Govt) to receive a French Priest amongst them whom they are to fetch next Spring & with him comes another to releive the French Priest at Onondago. —

The Comissrz dispatch two Persons to reside amongst the Indians, one to Onondaga the other to the Cayouge Nat to pre-
vent if they can, these destructive Measures of the French whereby they debauch our Indians from us.

Albany 10 April 1706.

The Messengers just now mentioned returned from Onondaga & the Cayougue Castles, and say they dissuaded & forewarned the Cayouges from receiving any French Jesuit amongst them, & that it would be prejudicial to the 5 Nations & their Brethren of this Gov't — The Sachems told them, that the French-affected Indians at Onondaga, had inspired many of the Cayouge's with this Inclination for a French Priest, & that the only way to prevent its taking Effect would be for the English as they had been often desired, to send some Men up with a capable Man for their Officer to reside at the Cayouge Castles, which would keep the Indians steady in their Attachment to the English & prevent the Machinations of the French.

This Proposal was sent down to N. York to the Gov't.

Albany 3d June 1706 —

A Messenger who was dispatched to the Sennekas Country returns & acquaints the Commiss' — that in his way home amongst the Cayouga Nation he found the Majority inclined to receive a French Priest amongst them, but that with great difficulty he prevailed on them to defer their final Determination till they would hear from our Gov't — that the Sennekas & Onondages had each one, & that unless proper Persons were sent to reside amongst the 5 Nations they would all probably receive French Priests amongst them which would be of the most fatal Consequence to this Gov't.

(P. 44.) Albany 18 June 1706 —

Advice comes to the Commiss' from the Interpreter at Onondago. That the Cayouge Nation have given him assurances that the will not receive any French Priest amongst them if the Gov't will send a Man of respect, an Interpreter, a Smith & a Brazier to reside amongst them. Intelligence hereof was sent down to the Gov't.

I find that this Time tho the Indians had several Shirmishes amongst themselves, that is to say [among] betwixt the 5 Na-
tions & some far Nations of Southward Indians, & that the Canadians & French Indians made inroads upon New England & Scalpt over that Country, yet the 5 Nations established a neutrality in favour of this Gov't by wch means Peace & Trade flourished at Albany. —

24 July 1706.

The Commissr's send advice to the Gov't that unless proper Men are sent to reside amongst the Five Nations the French by their Priests & their Presents will probably succeed in Debauching them from our Alliance.

Albany the 14 of Augt 1706. —

At a General Meeting between the Commissr's of Albany & the Representatives of the 5 Nations —

The Indians They [complain] acquaint the Commissr's of sundry Matters relating to their own Wars & Alliances, wherewith they say they have also sent to acquaint the French & to desire their Advice as they now do ours. —

They complain, that tho they have so often sollicitated for a Smith to be fixt at Onondaga whom they will satisfy for his Labour, yet they can get none sent to them, & say the French are daily offering them their People whom they decline accepting, And that unless we send them an Interpreter & such People as they want amongst them the Gov't must not blame them if they take Men from (p. 45) the French.

They complain of the Dearness of Gun Pouder wch being so essential an Article they desire it may be sold Cheaper. —

They complain that when they have a general Meeting at Onondaga (when all the Indian Politicks are Discussed) & send word to the Gov't to send up a Representative for this Gov't none is sent up, & desire it may not be so any more. —

The Commissr's Answer

That they do very ill to consult with the Gov't of Canada upon their Affairs who is underhand contriving their Ruin.

That as to a Smith they will write the Gov't about it, but that the Christians complain when they are in the Indian Country, the Indians get Drunk & put them in fear of their Lives.
That the Gun Poudre belongs to the Private People & they cannot put a price upon it, but they believe it is sold as Cheap as can be afforded.¹ —

I find in Nov• 1706. An Interpreter from this Gov• was sent to reside at Onondaga & Cayouga to watch the Motions of the French & to prevent their Influence to the prejudice of this Government.

Albany 29 Sep• 1706. — Vol. 2ᵈ of the Records. My Lord Cornbury Gov• & Command• in Chief met the Indians at Albany wᶜʰ is the first meeting there held by a Gov• or Lieuᵗ Gov• [from] that appears in the Records from [the] July 1701. in the intermediate Time everything was managed by the Commissʳ a Neutrality subsisted between the Gov• of Canada, whilst a Hot War was carried on by the French against New England, & it appears from the Records that the Commissʳ used their Endeavʳ with the 5 Nations to exert their Influence with the Indians in Canada & elsewhere not to make war upon New England—but (p. 46) this had little or no Effect. The French during this Time were practising every Art in their Power to increase their Influence amongst the 5 Nations, [ &) also to distress & disturb them by fomenting Wars, Feuds & Misunderstandings between them & the farr Nations [that] wᶜʰ lye to the Southward & Westward of the Sennecas Country, & did engage them in a War with the Flat Heads who live at back of Carolina — And tho the Commissioners did at several times lay open to the 5 Nations this Perfidious Conduct of the French yet such was their Attachment to the French or such was their Fear of them, that the 5 Nations kept up a friendly commerce with the Gov• of Canada & harboured the Jesuits amongst them.

However Numbers of the farr Nations came down to Albany & Traded with the Inhabitants, wᶜʰ created a great Jealousy in the French & set them at work to endeavour to disturb the Tranquility [of] amongst the Indians & by engaging them in

¹ The Commissioners at Albany always were & are Indian Traders & Dutch Men, who by all impartial Accounts Cheat the Indians & impose upon them to the utmost of their abilities, & few if any [of] ever lived in that Town but what are Indian Traders.
Civil Wars amongst one another to prevent their continuing a Trade with Albany, & this in a great Measure they Effected. — They French sent Poudre & Shot Gratis amongst the 5 Nations to induce them to go out & fight wth was a great means of prevailing on them — I find at this Time it was very justly apprehended that one great Design of the French seducing our Indians to march to the Southward, was to take from us their assistance & whilst they were gone out to war the French might more easily make an Attack upon this Govt wth was expected & feared at Albany. —

From the beginning of the Records to the End of the first Vol. The Indians are constantly pressing in the strongest manner to obtain the Three following Points —

1. That a Prudent & Capable Person who understands their Language & invested with proper Powers from the Govt may reside at Onondago the Place of their Grand assemblies & occasionally make a Progress thro the several Castles as the State of Affairs may require.

2. That a Gun Smith with proper Tools good Steel & Iron may be fixt at Onondago, to repair their Guns Hatchets &

(P. 47.) 3. That Powder & Shot may be kept at such prices that they can afford to buy such Quantities as may be necessary for War & Hunting. —

As these Three Articles are at almost every Public Conference pressed in the warmest manner upon the Govt & the neglect of them complained of, it seems to evince but from what Cause I know not, that they were neglected — From the Indians constant earnestness on these Points & from their own Nature, they seem to appear to be of material Consequence & the neglect of them very impolitic 1 —

(P. 49.) Albany 22d Febry 1706/7. —

The French Jesuits at Onondaga & Cayouge stir up the 5 Nations to go out a fighting against the Farr Indians in order to prevent those Farr Indians from coming to Trade at Albany, and raise several false reports among them to the prejudice of the English.

1 Here a blank space over a page in length occurred in the MS. — Ed.
21 June.
The French Emissarys instigate the Mohawks to go out a fighting against a Nation of Indians who live at the back of South Carolina —

The Commiss* inform the Indians that these Measures of the French are only to destroy & weaken the Indians in our Alliance, who [want] want by these Means to reduce them so low that they may be able by & by to fall on them & totally destroy them, they therefore advise & desire them to keep Peace with the Farr Nations & mind their own hunting.

I do not find recorded what answer the Indians made nor what measures they took. —

Montour an Indian who came over from the French to this Govt brings several farr Indians to Trade at Albany & receives a Reward for the same, tho I think not equal to his Service, (being but £5). however he promises to go among the farr Nations again & bring down more Indians. —

16 July 1707. —
The 5 Nations send a Message to the Commiss** that they want to communicate some Matters to the Govr an Express is sent down to Ld Cornbury who returns Answer that the Queens service calls him another way & that he will meet them in Sep' next. 25 July. the Indian Sachems arrive & are told Ld Cornburys Answer, they say the time mentioned is too long for them to stay & therefore they will communicate to the Commiss** what they have to say. Viz.

That they cannot prevail upon the Praying Indians of Canada to stay at home & not fight against New Eng'd (p. 50) that s'd Indians must be obed't to the Govr of Canada —

That the Govr of Canada would not accept of the Mediation of the 5 Nations between him & New Eng'd but answered if the People of New England had anything to say to him they might come themselves.

That according to the request of this Govr last year, They had made a Peace with the Tjucksakrondie Indians But that they had now several Warriours gone out against the Flat Heads who live at the back of South Carolina, And if this Govt wanted to pre-
vent their going to Warr thither they must send a fit Person with Belts of Wampum to each of the 5 Nations —

To all wth the Commiss* Answered they would lay what the Sachems had said before His Excellency.

I Aug* I find the Interpreter was dispatched [among] to the Indians in order to persuade the Sennecas & Onondagas not to let the French Interpreter build any house in their Countrys & to dissuade the Indians from making war upon the Flat Heads.

Albany 29 Sep* 1707. —

Lord Cornbury Gov* meets the Indians at Albany —

Two Onondaga Sachems acquaint him that some Nations of Indians who live towards Maryland called in the Mohawk Language ¹ Cagnawassage to the Amount of Ten Castles were inclined to come & settle amongst the 5 Nat* & live under their Protection & that Two of their Sachems were now residing in the Mohawks Country to learn their Language. They present his Lordship with a Belt of Wampum from those Indians —

They complain that the People of Virginia Maryland & Pensilvania do not come & renew the Coven* Chain —

His Lordship answers. That as to those Indians who are desirous of settling under their Protection, he approves (p. 51) it & that they whilst they behave themselves with that Duty & Obedience to this Gov* wch becomes them they shall live in full Security & Protection.

That as to Virginia, Maryland & Pensilvania's not coming to renew the Cov* that at his first coming to Albany (wch I find no record of, this being the first meeting of his Recorded) he had renewed the Cov* in behalf of those Colonies. but since they suspect their withdrawing from the Cov* Chain he will enquire about it & give them an acc* next time he comes to Albany.²

¹ Shawawnees who now live amongst the Sennecas. —
² The Indians expect Periodical Meetings from all the Colonies in their Alliance or Cov* Chain & to have presents made them. And this ought not to be neglected or too long postponed. And if a Triennial Meeting at Albany between all the Brit* Colonies & the Indians was to be held, it might be very useful.
Albany 4 October 1707.

The Information of Laurence Claasse Interpreter to the Commiss* who is arrived from a progress amongst the 5 Nations —

That great Numbers of the 5 Nations are out fighting against the Flat-Head Indians who live at the back of Carolina (the Cattabaw's).

That the French have engaged them in this War, & that Gov't supplies them with Arms & Ammunition gratis.

That several of the Sachems of the 5 Nations are uneasy at this War as it drains them of their People & leaves their Country in so defenceless a Condition that they are afraid the French may put some Treacherous Designs in Execution against them now their Young Warriors are absent. They therefore applied to Laur. Claasse that he would desire & advise this Gov't to send Belts of Wampum thro the 5 Nations to dissuade them from going out to fight against the Flat Heads. —

That the Sennekas are very much inclined to the (p. 52) French Interest. The French Interpreter is lately come from Canada & brought another Priest with him in the room of him that was there before who is gone to Canada —

Albany 31 Jan'y 1707/8

Four Oneida Sachems as Deputies from the 5 Nations are sent to the Commiss* to acquaint this Gov't that y'n Two chief Sachems of a Nation of Western Indians called Wississachooos ¹ were come to the Sennekas Country & acquainted the 5 Nations, that there were Three Castles of their Countrymen come to settle at a place about 8 Miles above Jagare, & hoped that the Sennekas who were their nearest Neighbours would bear the same Friendly & peaceable Heart towards them as they did towards the Sennekas, & desired they might be in all respects united with the 5 Nations — This was accepted by the 5 Nations & the proposed Union ratified with all the Solemnities usual amongst the Indians.

The s'd Sachems tell the Commiss* further, that tho their Nation have in a distinguishing Manner complied with the desires & Directions of this Gov't, yet their so earnest & frequent

¹ These were probably the Missisagas, a tribe living to the east of Lake Huron. — Ed.
Request for a Smith is not regarded & they once more beg they may have one.

It is only recorded that the above Sachems were thanked for their News which should be transmitted to the Govr — a trifling Present was given them

Albany 20 May 1708 —
The Commiss' dispatch'd a River Indian last year with a Belt of Wampum to the Sawanoe Indians (who live upon some of the Branches of the Susquehannah) to invite them with their Wives & Children to come & live in this Govr — The Messenger returned this day with their Answer, which was that they were inclined to come.

22 May.

Five Sachems of Canada Cacknawaga Indians come to Albany in consequence of a Belt of Wampum sent to them from this Govr (p. 53) Government & tell the Commiss' that tho it is true they have made Warr upon New England for 3 years past, yet they now bury the Hatchet & are resolved never to take it in hand again against the People of New England.

They desire they may have Goods Cheap & a good price for their Bever. —

The Commiss' Answer them — That they are very glad to hear they are come to a resolution to lay down the Hatchet against the Bretheren of New England, & that they hope neither they nor any other Indians in their Interest will take It up again.

They tell them the only way to have goods cheap is not to take any Fees from such Persons as go out of Town to meet them in order to bring them to their Houses where they sell 'em goods at a dearer rate to answer the Fees or presents made them. but to come directly into the City & see where they can buy cheapest.1

1 It is a custom in Albany to this day that when any Indians are expected down Hudson's River from Canada with Bever, for the Traders to go themselves or send Scouts waiting for some days many Miles from Albany to lay hold of the Indians & secure their Bever. These People keep with the Indians & on their Arrival at Albany lay hold of their Packs of Bever & carry them into their own Houses where they make the Indians Drunk & cheat them. some have Waggons ready 5 or 6 Miles from Albany unload their Cannoës & carry the Bever to their Houses in the City.
Albany 28 May 1708 —

This day Laurence Classe the Interpreter arrives from Onondaga with a Message from the Sachems of that Castle to acquaint their Brother Corlaer that they have Intelligence the Gov't of Canada is going to build Two Forts & to post Garrisons therein. The One to be at the Place called by the Indians Tweegasie (this I take to be [that Place where Fort Osswoego is now built] Irondequat or thereabouts¹ & the other at Oghjagere or the Great Falls (Fort Niagra belonging to the French) being the Two chief Places where the 5 Nations generally hunt their Beavers, — which design they see is not only to disturb their hunting but to draw off as many of the 5 Nations as they can & to Debauch the rest & then to fall upon them with their own Men, when they will be in no Capacity or Strength to withstand them; (p. 54) therefore think themselves obliged to give their Bro Corlaer timely notice hereof, earnestly desiring that to secure & keep the 5 Nations firm & steady to this Gov't the only way is to take Possession & settle a Garrison or two at the most convenient Places to prevent any such Settlement of the French w⁠h if made by them will surely tend to the ruine of the 5 Nations. Do further desire that their Bro Corlaer will forthwith send them word what he will do in this Matter & whether he will so lay it to heart & consider of it that a Settlement may be made for the Quiet & Ease of the 5 Nations who otherwise in all Likelihood will be scattered abroad —

Say further they are in doubt whether their Bro Corlaer will take heed hereof since they have been so long slighted & no care taken of the Covenant, It having been but once renewed by their Bro Corlaer in Person since his arrival to this Gov't Therefore desire he will take notice of this their Request & not slight them it being a Matter of great Consequence whereon the welfare of the 5 Nations & their Castles depend. They would have their Bro Corlaer to consider when the 5 Nations are removed or scattered what will become of him, therefore it is best to join hand & hand as Bretheren for the safety of both sides.

¹ In reality at the mouth of the Oswegatchie River, the site of Ogdensburg. Irondequat was on the southern shore of Lake Ontario, considerably westward of Oswego. — Ed.
The Interpreter further informs the Commissâa that the French Jesuit in Onondaga hath a Considerable Store of Goods wch he daily distributes to the Indians to gain their affection & that the French Interpreter is daily expected with great Presents for the 5 Nations.

Hereupon the Commissâa wrote the following Letter to My Lord Cornbury then Govâ

Albany 29 May 1708.

May it please Your Excellency

Inclosed is the Report of a Message sent from the Sachems of Onondaga by Laurence Claasse the Interpreter who comes Express to give an Accâ thereof we perceive thereby & are humbly of Opinion that if the French be admitted to settle at the places the Inclosed mentions (p. 55) it will not only delude most of [the 5 Nations] our Indians to the French but also in time totally ruine the 5 Nations. We hope your Excellây — will consider the Matter & lay it before the Council that Means may be used to prevent any such Settlement of the French. We cannot but acquaint your Excellây that we find the [French] Five Nations very cool in their Fidelity & truly no Wonder since the French are daily with them making their Bretheren here Odious & gaining their Affection by Gifts & presents by wch means they gain great Influence as may be seen by Canachquenjie cheif Sachem of Oneyde whereon all the Castle depends who with others as reported are gone to Canada its much feared the Jesuits will debauch him.

We are
Yr Excellây &c

Albany 20 July 1708 —

My Lord Cornbury present.

Some far or Western Indians settled about Lake Erie or Tugh­sackrondie come to Albany & acquaint his Excellây Viz.

We are come here from our own Country to see you tho much against the persuasions of the Govâ of Canada who ordered us to the Contrary.
We are not come about any Land or public affairs but only to Trade & Traffick, & there are a great number of our Neighbours & Country Men would come hither to Trade but the Gov'r of Canada doth hinder them but we are broke thro notwithstanding.

We pray you to have pity on us that we may have goods cheap, that our Bretheren may see when we return home what good pennyworths we can buy here & then they will break thro & come here to buy Merchandise cheap as we have done.

(P. 56.) My Lord answered them — That he was glad to see them — and when they come home desired em to tell their Bretheren that they had seen him at Albany & that he would have been glad to have seen more of them & that as often as they come they shall bee civilly treated, & in token whereof he gives them a Belt of Wampum.

That all imaginable Care shall be taken that they may have Goods as cheap as possible, but that they are somewhat dearer because the Ships expected from England are not yet arrived. but that they may acquaint their Bretheren when they come home that they will always find Goods cheaper here than at [Alba] Canada.

Albany 26 July 1708 —
A Mohawk Indian lately arrived from Canada is examined what news there. he says the Gov'r was making great Preparations for some Expedition but he could not learn whither. that he had applied to the Cacknawaga Indians to join him, but they semmed very tardy & unwilling to join in any undertaking against the Indians. That he had also applied to some of the 5 Nations who were then in Canada but they had absolutely refused & said they wondered he would ask them such a Question —

Albany 26 July 1708 —
All the Sachems of the 5 Nations not being [arriv] yet arrived L'd Cornbury summoned a cheif Sachem of Onondaga, One d'o of Oneyde, Two Mohawk Sachems & Two Sachems of the Sennekas wch were all the Sachems in Town, & spoke to them to the follow­ing Purpose. —
That he [was] came up to Albany at this Juncture (tho the Queens Affairs called him another way) at the request of the 5 Nations who earnestly desired the same, wch he would not refuse being unwilling that the 5 Nations should at any time want an opportunity to represent anything wth they might think fit to offer to the Queen. That he had now (p. 57) staid Eleven days in expectation the other Sachems would come down, but finding no probability of their coming & the Queens Affairs requiring his Attendance at New York he was about returning thither.

That he designs to return to Albany by the 20 Sep' following & desires the Sachems of the 5 Nations will then meet him, having many things to communicate to them by the Queens Command. That if in the meantime they have anything to communicate to do it to the Commissioners who will transmit an Account thereof to him, & they shall have a speedy answer. gives them 7 Strings of Wampum to acquaint the 5 Nations when he intends to be up again & that they may meet him.

That he was glad some of the principal Sachems were present to bear Witness that he had come according to appointment.

The Indians answered

That they were very well satisfied his Excell'Y had Staid here with a great deal of Patience, that there was no certainty when the other Sachems would be down. —

That they would deliver his Message to the 5 Nations to meet his Lordship precisely at the day appointed.

Albany 26 July 1708.

Dekansor chief Sachem of the Onondagas waited upon his Lordship to take his leave of him & spoke as follows.

When you hear that the French have made a Fort at Ochjagare (now Fort Neagra) you may conclude that we are an undone People & Lost & when we are gone & dead you may expect it to be your turn next, for we look upon ourselves to be one People with you, One heart, One Head, One Flesh One Blood & must declare that we ourselves are not able to put a stop to the French Designs.
his Lordship answered, that he was very sorry the Indians had neglected meeting him at the appointed time when necessary Measures might have been concocted between them, & Matters have been laid before the Great Council of (p. 58) Government (meaning I suppose the Assembly) however that he would lay it before that Council & against he comes up again shall take such Methods as will be most convenient. in the meantime he desired the 5 Nations would use all the possible means in their Power to prevent the French settling there.

Dekanser returned his Lordship thanks & with all told him with Regret that the Sennecas & Onondagas formerly frequently advertised this Gov’t when a storm threatened them from the French but could never obtain any Relief or Assistance & hopes that better care may be taken for the future. —

Albany 2d Augt 1708.

Further Intelligence comes to the Commiss’ of a great Armament in Canada but whither designed could not be learnt. however the Commiss’ sends notice thereof to New England to advise them to be on their Guard. —

The 5 Nations in conjunction with the Cachnawaga Indians of Canada & with the concurrence of this Gov’t procured a kind of tacit Neutrality between the Colony of New York & Canada, [so that no war was made further but] by which means Peace was enjoyed in this Colony & all the designs of the Gov’t of Canada were bent upon New England, who were greatly harrassed & suffered much. however the Commiss’ of Albany by means of the 5 Nations learnt most of the Motions of the French & sent advice thereof to New England— during this time they appear to have had a flourishing Trade at Albany as well from Canada as the Westward but according to the Genius of those People, intent upon getting money but careless in Political System with regard to Futurity. Whereas the French were securing their Influence extending their Settlements & building Forts at very important Passes in the Indian Countries to the Westward wch promised & hath procured them more solid Advantages, than the imediate profits in Trade wch took up the Attention of this
Gov[t] who submitted themselves to] wch was under the Management of the Albany Commissioners who in general have ever been a set of Weak, Mercenary, mean Spirited People every way unfit for the Trust reposed in them —

(P. 59.) Albany 5 Aug t 1708 —
The Sachems of the 5 Nations arrive at Albany & finding Lord Cornbury gone they speak to the Commiss[r] in Substance as follows.

when we were here last [fall] Autumn to treat with My Lord Cornbury we were then informed of the Death of his Lady, & we beleive he has been much grieved thereat as he hath not treated with us of any public Affairs since —

They then make their presents of Condolance upon her Death.

They say, the Nation called Twich Twicks have proposed to the 5 Nations & do the same to this Gov[t] that there may be a free Passage for em thro the 5 Nations to this Town, & that if thro Drunkenness or any inadvertency, misconduct should happen, Matters may be amicably composed, — upon wch Article the 5 Nations present a belt of Wampum thereby proposing that a Conference may be held between them & us what answer shall be made to the TwichTwicks —

Also that the Wagenhaws have had their Agents in the Sen­necas Country who say a Path was formerly opened for them down to Albany. —

No Answer from the Commiss[r] follows in the Records to the above very important Articles relating to the Twich Twicks & Wagenhaws. —

The next article is that at 8 aClock the same Night the Sachems proposed that His Excell[ey] might be sent for, because not only all their Chief Sachems were arrived but many of their Young Men were upon their way hither upon whom the whole Nations did very much depend, & since strange reports came every day it would be necessary that good Measures should be taken for the public Good by both Christians & Indians —

All the Answer from the Commiss[r] recorded is, that they desired the Indians would choose out some brisk young Men from each Nation to go as Spies to Canada. —
To which the Sachems replyed that when they had an Ans* to their proposals abt* his Excell* coming up they would answer abt* their sending Spies to Canada —

(P. 60.) Albany 6 Aug 1708 —
The Commiss* acquaint the Indians in Answer to their Proposal to send for the Gov* that he had been up here according to their desire & staid Eleven days expecting their arrival & was obliged to return to New York but would be up again in 45 days from this day. —

The Indians answered that they had learnt this much from Dekanstor & were very well satisfied in the Matter.

That as to their sending out Spies to Canada It is a very uncumstomary thing among them when they come to treat of public Affairs to be desired to undertake the office of Scouts or Spies, & that if the Christians were to come to treat in their Country & they were apprehensive of any Danger from an Enemy, they should send out some of their own People & not expect Protection from those who were come to treat with them. They desire if they want Spies to send out some of the River Indians. And with this Sarcastic Answer they give a bunch of Wampum.

The Commiss* answer that they thought their Proposal for some of them to go out as Spies would be agreeable to them as it manefested the Confidence they had in them, and that several Skaticook Indians had offered their Services to go out. —

Albany 9 Aug 1708 —
A Speech of the Sachems of the 5 Nations to the Commiss* —
You desired us last Winter with several hanks of Wampum that we should not go out to fight against the Odasioanes 2 Indians & Flat heads but to stay at home & secure our own Wives & Children. but when such a Message is sent you ought to have sent Belts not hanks of Wampum, and you ought not to have sent it by a common Messenger but by one of your own Body —

1 These Indians had come from New England and settled in the eastern part of the province toward the end of the seventeenth century. — Ed.
2 These were probably the Cherokees, called Oyadagaono by the Iroquois. — Ed.
Such Proceedings look as if you were not very eager to have your Requests complied with—however we have done it & remained at home & we shall continue to observe y'r Directions.

Tho we so frequently desire to have Powder & Lead cheaper (p. 61) yet they grow Dearer & Dearer & the Bags of Powder are now less than ever.¹ This is the last time we shall make our Complaints & if we do not meet with Success we shall run Mad. Consider Brethren if by the dearness of Poudre & Shot of such great importance to us, we fall a Prey to the French, Your turn will be next.

Another thing we complain of. When we come to this Town the Traders are all ready to receive us into their Houses & lodge us, but as soon as they have got all our Bever from us then they turn us out.

You have desired that we should not disturb the Indians who live near Maryland. Five years ago we desired a Time & place might be appointed for us to meet some of those Indians to make an Everlasting Peace with them, but all our Requests to you prove abortive.

By our keeping at home at your Desire & in order to be ready to march to y'r Protection, We are become Poor therefore desire you will order our Guns & Axes to be mended.

The Commiss' answered that they would Transmit to His Excellency what they had said & that their Guns & Axes should be mended.

11 Aug The Commiss having intelligence that Great Warlike Preparations were making by the Govr of Canada sent out Spies to learn their Motions who returned with an Accr that an Army was marching & had got as far as the Wood Creek, that the Govr had in a manner forced some Cagnawaga Indians to join him, but when they were got to the Wood Creek recollecting their

¹ I suppose Poudre was sold by the Bag & the Albany People according to their general & usual Principle of Action had cheated the Indians & made their Bags less. It was by such Mean & dishonest Methods that they became Odious & Contemptible to the Indians, lost their Esteem & Confidence, & that great improvement of their Trade with the Western & farr Indians wch might have fallen into their hands & by that means secured those Indians to our Interest. Trade is the best & surest foundation to secure their Alliance &c.
Engagements with us not to join in War against New England, which they supposed was to be attacked, threw away all their provisions & left the other forces who were thereupon returned & that the Govr of Canada was highly exasperated at this conduct. And that the Indians offered him to pay for the guns he had given them & for the provisions they had thrown away.

Albany 25 Sep.
The Indian Sachems & several others attending upon them having waited in town for My Lord Cornburys coming up according to his (p. 62) appointment His Lordship sent up Col Peter Schuyler to tell them that the Queens Affairs obliged him to remain at New York & therefore he had sent Col Schuyler to make them a speech in his name & to give the presents. —

Col Schuyler made them a short speech the chief part of which is to recommend them to encourage the furrah nations to come thro' their countries down to Albany & Trade.

He tells them also that their complaints of the dearness of poudre cannot be wholly redressed during the present war [by] which occasioned it.

The Sachems answer the following day —

And say that to several articles which they formerly proposed they have received no answer. As one instance they say, They proposed that a fixt place should be appointed for the brethren of New England, Maryland & Virginia to meet the Indians as occasion may offer, and that they had pitched upon Albany as the proper place. 1 We yesterday received presents for which we are thankful, but are concerned that several material things which we formerly proposed to the Govr are taken no notice of. For instance the peace with the Maryland Indians — but we find that what we say is not regarded. (N.B. a belt of wampum had been sent

1 It would in my opinion be a great advantage to the colonies of N. America that a proper place was fixt on (And Albany seems to be the fittest) where triennial meetings might be held with all the Indians in the British Alliance who could be convened & representatives from the several colonies — here the Indian affairs might be carried on in a general manner, the real welfare of his Majestys colonies consulted, at present each distinct colony pursue temporary expedients with the Indians without any regard to a general interest. They now act with a jealousy of each other & a sort of independant interest.
from the Maryland Indians to the 5 Nations to desire they might be joined in the Covenant Chain with them & this Govt this Belt the 5 Nations sent to the Govt Ld Cornbury but they now complain this Belt was never returned them nor any Notice taken of this Affair.

Col. Schuyler makes a short reply to the Indians takes no Notice of anything Material they had said. Only that they shall have a Smith sent them — And thanks them for proposing Albany to be the Place of public Meeting. —

(P. 63.) From the 25 Sep 1708 to the 17 March 1708/9. The Commissrs at Albany were alarmed at the Warlike Preparations of the Govt of Canada & kept constant Spies out to watch his Motions—The French raised several false & Scandalous Reports amongst the 5 Natrs in order to debauch them from our Alliance, & created a civil Dissention amongst the Senneoras. The 5 Nations send frequent Complaints of the Dearness of Poudre & Shot & represent the fatal Consequences whom may arise from it. —

Albany the 17 March 1708/9.

Ld Lovelace Govr
Lawrence Claasse Interpreter who had been amongst the 5 Nations for some Months past being returned to Albany & Examined by the Commissrs says as follows. —

That the Senneoras are in a great Confusion amongst themselves & that most of them have a design to leave their Country but know not as yet where they shall go to settle.

That a French Capt is posted at Cadaraqui who told our Inds that the Queen of Great Britain had desired the French King to join with her & to Cut off the 5 Nations & settle their Land with the French & Eng — That the more they desired Poudre & Lead might be Cheaper the Dearer it was, by whom they might see how little we regarded them. — And that the Genl Assembly whom sat at New York every year were consulting on Methods to destroy them. And that these Insinuations had such Effects upon the 5 Nats that the Interpreter could not persuade them [of] to the contrary. —

That there are 5 French Priests among the 5 Nations who daily give great Presents to the Indians to debauch them from their
Covenant with us. That there is a French Smith in the Sennekas Country who works for the Indians Gratis.

That the Onondaga, Cayouge & Oneide Indians desire to have a Smith in their Country.

Albany 6 April 1709. —
A Message arrives from the Sachems of the 5 Nations that 4 Nations (or Castles) of the farr Nations called Wagunhaes had desired a Meeting with them in order to conclude a Peace. That Onondagu was the Place appointed. They desire the Govt to send some fit Person to appear at the Meeting on his Behalf — And if he has anything to propose or desire of those Indians he must send proper Presents according to the Indian Custom — wēh presents they enumerate. —

The Commiss' answer, they shall send this Intelligence to the Govt whose answer they shall be acquainted with —

(P. 64.) Albany 2d May 1709.
The Commiss' by the Govt order appoint Mr. David Schuyler & Laurence Claasse the Interpreter to go to the Meeting before mentioned at Onondaga on behalf of this Govm & with the necss'v Presents for the Wagenhaes Indians —

They are instructed that if the Peace takes place they do insist that it may be an Article of it that the Wagenhaes Indians may have a free & unmolested Passage thro the 5 Nats. to Albany.

Albany 8 May 1709. —
Three Onondaga Indians arrive with a Message from the 5 Nations Authenticated with 7 hands of Wampum.

They bring an Account that the Castle of Cayouge was by accident burnt down wherein was a considerable Quantity of Goods. They desire that a Smith may be imediately be sent up with them, & as all the Smiths Tools were burnt in Cayouge they desire some Steel &

They further say that about 12 days ago Montour the Indian

1 Tho the Records do not say who this Montour was, yet from various circum­stances I gather, that he was an Indian who had formerly been in the Service of the French & was by them deemed one of their Indians, (of what particular Nation I cant find but I believe either a Senneca or Mohawk Indian who had been made a
in company with 10 Sachems of the Farr Nations met the French Interpreter called Jaen Ceur & some French Men at a place called by the Indians Ossaroda being upon the Creek that lyes opposite Cayouge. The s'd French Interpreter Jean Ceur advised Montour to turn back again otherwise he would oblige the 5 Nations to kill him, upon w'h he replied he would perform his Journey to this Place. Jean Ceur then desired him to smoak, he replied he had no Tobacco, Jean Ceur then gave him a little, Montour took out his knife to cut it, Jean Ceur then asked what he did with such a little Knife & desired Montour to give it him & he would give him one that was better. as soon as Jean Ceur had the Knife he flung it away at the same time there stood a French Man behind [Jean Ce] Montour with a Hatchet under his Coat who cut the s'd Montour into his Head & killed him, whereupon the 10 Sachems come to Cayouge with Montour would have killed the French Interpreter Jean Ceur & all his Company if it had not been for the s'd Montours Brother in Law who prevented it. Notwithstanding the great Misfortune of the Death of Montour the said 10 Sachems (p. 65) of the farr Nations will come to see their Bro't Corlaer.

The Sachems of the 5 Nations desire that the said Sachems of the farr Nations may be well used when they come here & have goods at a Reasonable Rate & not be Cheated as they have been from Time to time that their Bretheren may see at their return what good Pennysworths they buy here.

All the answer hereto that I find Recorded, is that a Smith was ready to go with them. that they were desired to stand firm to the Covenant made with us. that they received 7 hands of Wampum to [bring] carry to the Sachems of the 5 Nat's from one Castle to another to condole the Death of L'd Lovelace late Gov'r & to acquaint them that Col Rich'd Ingolsby is the present Command'r in Chief.

(convert by the Jesuits) but had now come over to this Gov't & was employed to Negotiate our Interest with the Western or farr Indians.

(There are numerous references in the contemporary documents to this half-breed interpreter. See N. Y. Col. Docs., Index. The Montours were later important Indian interpreters in Pennsylvania, especially Andrew Montour. — Ed.)
Albany 17 May 1709. —

Yesterday arrived here a Sachem called Kaqucka of the Missassaga Nation commonly called by the Name of the farr Nations with 4 Indians of the same Nation who came with Montour to the 5 Nations & were conducted hither by Montours Sister.

The 5th Sachem spoke as follows

We are come to this Place upon the word of Montour the Govt Gen¹ said that we should always be welcome & hoped that we should come often.

We are come upon the word of Montour who was sent to us last year by this Govt to open the Path from our Country to this Place & if we are well treated here we shall always keep the Path clean & open & forget the old Path to Canada wh we have hitherto used.

Have pity on us Fathers, we are come into yr Place with Nothing (meaning without Presents) we hope you shall treat Civily with us & give us Merchandise at a reasonable rate. You see our company is but small, but there shall come such a Company from our Nation hereafter as you will wonder at. As we said before we shall wholly forget the Path to Canada. We have had a great Loss having lost the Man who guided us.

We were yesterday taken into the Traders houses against our Inclination & they have taken our Furrs & we are not Masters of our own things, We therefore pray we may have our Furrs to go & Trade where we can find the best Markett.¹

(P. 66.) Albany 18 May 1709.

The Commiss* Answered the foregoing Speech

That they were heartily Welcome & they hoped to see more of their Country Men in a short time.

assured them care should be taken that they should have Goods as cheap as possible tho they might perhaps at present find them dearer than usual.

and ordered them to be brot to the City Hall to Lodge. (N.B.)

¹ Here is a Specimen of the Albanian Spirit & how little the true welfare of the publick is considered by that worthless Crew! probably some or most of these wretches complained of were themselves Commiss* —
nothing was said to them in relation to Montours Death nor of their Goods being laid hold of. —
There arrived also at Albany Three Indians of a Nation called Nequequent among whom there was one Sachem who made the following Speech. —

We are come here upon the word of Montour to open y'r Door with this Key (meaning 11 Bevers w'h they presented) we have had a great Loss by Montours Death, however we are come to see you.

We were sent hither by our Fathers to see this Place & to bring them News from hence, if we are well treated next year there shall come great Numbers of our Nation.

They also desire to have their Bever & Peltry out of the Traders hands who yesterday refused to let them go & to lye in the City Hall, w'h was granted them.¹

The Commiss' sent for Montours Wife & asked her if she had anything of her Husbands to return to them. She s'd she had a Belt of Wampum w'h was sent by him & w'h he did not deliver because the Sachems of that Nation it was intended for were not at home. They desired her to fetch the Belt w'h she did & gave it to them.

No present or recompence is recorded to be made to this poor Widow whose Husband fell a Sacrifice to the Interests of this Gov't.

the 31 May the far Indians came to take their Leave, the Belt returned by Montours Widow was given them to carry to their Sachems to invite them to come to Albany & Trade. — They ended the whole Transaction, & a favorable oportunity w'h well improved might might have been of infinite Advantage to this Colony seems to have been lost by falling under the Management of a set of Ignorant Mercenary Pedlars. and to such the Conduct of Indian Affairs has been always submitted.

¹ The Traders at Albany to this day when any Indians are expected to arrive there with furrs keep on the watch & lay hold of the Indians as Custom house officers would of Smugglers, convey them into their houses, make them Drunk & then Cheat 'em. The Traders are as Jealous of each other & mortally hate one another when their Interest is concerned as the Greatest Enemies can do, But all join in Cheating —
Orders arrive from Col. Ingolsby Lieut. Gov. to send Expresses to order the Sachems of the 5 Nations to meet him at Albany the 6 day of June ensuing with their fighting Men in order to engage the whole Body in the intended expedition against Canada.

Albany 31 May 1709.
M. David Schuyler who was sent the 2d Inst. on the part of this Gov. to Onondaga to be present at the Meeting between the 5 Nations & the Deputies of the Wagenhaes Indians, returns & says he found none of those Indians at Onondaga. that the French stop all the Farre Indians at Tjouchsackrondie & will not permit them to pass hither, that the French Interpreter Jean Ceur had desired the Sennecas to kill & Plunder all the farr Indians who may come to their Country, but they refuse to do it.

Albany 9 June. Six Indians more of the Farr Nations arrive & say they were induced to come hither at the persuasions of Montour. they desire Trade & civil usage. They are answered & encouraged by the Commiss'.

The Traders at Albany having learnt from the above Indians that a Report was spread & prevailed among the farr Nations that Montour was killed by the Eng. they apply to the Commiss' who acquaint the said Indians that Montour was killed by the French from a Jealousy that he would bring over the Farr Nations to Trade with us, and they give them a Belt of Wampum to carry into their Country to assure the Indians that the Path hither shall be free & safe for them.

Albany 15 July 1709.
The Lieut. Gov. Col Richd. Ingoldsby meets the Mohawk, the Cayouge the Oneidas & Onondaga Indians (the Sennakas did not come down being willing to keep Neuter in the intended Expedition against Canada influenced thereto by the French Emis- saries amongst them) makes very considerable Presents & orders the Sennacas fifth part thereof to be laid by for them till they had positively decalared one way or another. however after Col Ingoldsby had made his Speech (in wch there is nothing material to be noted) & the presents were given, Two Sennaka Indians
acquainted the Govr & the 4 Nations, that as they had now been 
witnesses of what passed they were convinced the French had 
told them Lyes & doubted not but their Countrymen would be 
willling to join the 4 Nations in the present Expedition, and that 
they would go & acquaint their Countrymen with all that had 
passed. —

The following Day the Lieu Govr spoke to the River Indians on 
the Subject of the Expedition & gave them Presents.

[No Answers are recorded either from the 4 Nations or the 
River Indians, but it appears they are satisfied & engaged to 
assist us.]

(P. 68.) Albany 16 July 1709.
The 4 Nations Answer Col Ingoldsbys Speech & say they are 
pleased with the intended Expedition & will join with us therein.
And the Numbers of their Men as follows

105 Oneidas
100 Cayouges
150 Mohawks
88 Onondagas

443 to these were added 60 River Indians Capt. 
Abraham Schuyler with 5 more Christians were dispatched to the 
Sennecas Country in order to disprove the Lyes which the French 
had propagated amongst them, & to counteract their Artifices & 
to keep them from being debauched by the French.

From the above date to the 4 May 1710. the Records contain 
various transactions relating to the Expedition, Exchange of 
Prisoners, & Negotiations of our Indians with the French for a 
Cessation of all Hostilities which seems to have last been concluded 
upon.

Albany 4 May 1710.
Laurence Claasse the Interpreter returns from the Indian Coun-
try & among other Reports says. The 5 Nations desire that the 
Queen of Great Britain may now take Possession of their Land at 
Onondaga with such officers & Men as are willing to stay, & 
buid a Fort there & [insure] Cultivate their Land to the end the 
French may be kept out of it because they incroach on them
from time to time for they cannot keep their Land longer without Assistance

The Interpreter was sent back with Two Smiths & Instructions to support our Interest amongst the Indians, to use all his Influence to prevent their receiving French Priests & to counteract the French Emissaries, to gain a free Passage for the Farr Nations to come & Trade here, &c but no Answer about the Fort at Onondaga.

15 May the 5 Nations give Notice of a general Meeting to be held at Onondaga with the Deputies from the Uttawawa’s that we may send Agents thither. Accordingly the Commiss* dispatched two Persons thither.

15 June Mess* Schuyler & Banker return from the Gene1 Meeting at Onondaga & make the following Report. —

Passing thro Oneida in their way to Onondaga the Sachems of that Nation applied for a Smith & said they must have One & that if we would not send one they would apply where they should not be denied meaning to the French. —

In their way to Onandaga in Comp* with the representative Sachems (p. 69) of Oneida, those Sachems asked them in what manner they intended to Act at the gen1 Meeting, whether they would consult jointly or seperately Our Agents answered jointly with the 5 Nations w* with the Oneide Sachems were well pleased. —

4 June early in the Morning being near to Onondaga we* sent W* Printop the Smith before us to Accquaint the Sachems that we, the Mohawks, Cayugas & Oniedas were coming to their Castle, upon w* Message they came out to meet us & made us Welcome. When we came into the Castle we were sent for into the Gen* Assembly, Where we found 3 Wagenhaes or Uttawawas singing the Song of Joy. They had long Stone Pipes in their hands & under the Pipes hung Feathers as big as Eagles Wings. When they left off singing well we filled their Pipes & let them smoaek, when They had done, They filled the Pipes for us to Smoak — this is the Token of Friendship. We then spoke & said we were glad to see them at the Appointed Place. that we heard they had been with our Bretheren the Sennecas but were all returned
hither. They answered that at first they had been only particularly invited by the Senecas & therefore came at first no further. But being since invited by the Gov'r of New York & all the 5 Nations they were come accordingly to Onondaga, And we are now here Brethren to speak of Peace. One of the 5 Nations then stood up & spoke, "Brethren we being now to speak of Peace I desire we may lay aside all heart burnings against each other & behave with that Meekness w'h becomes Brethren.

5 June. The Senecas relate to the Assembly what they said to the Wagenhaes when they were sent [by] in the name of this Gov't & the 5 Nations to propose a Peace to them. viz. "Go with us to your Brother Corlaer, The Doors stand open for you, the Beds are made for you from the Senecas Country to the Habitation of Corlaer, the Path is secure & there is no Ill in our Country." Then the Wagenhaes spoke to the whole House & said. "Brethren here I am, you have told me the Door stood open, the Beds made, y'r Pots boiled & the Path was secure from the Senecas Country to the Habitation of Corlaer. Let it be so." and gave a Belt of Wampum.

6 June. News came that the Mohawks were in Oneide farther Proceedings were deferred till their Arrival.

In the Evening several Indians who were averse to the Treaty (p. 70) of Peace with the Wagenhaes got Rum & went to Drinking. We therefore desired the Sachems to order the Rum Casks to be put away & that none might be drawn. They replied it was our own fault. They had so often desired that Rum might not be sold to the Indians, that the Bevers they had given to enforce that request if they were laid on a heap would almost reach to the Clouds, and we must think you sell it with no other Design than in order to destroy us, the only reason you want a Passage for the Wagenhaes is to sell them Rum. Our Young Indians are ungovernable when they get Drunk, unspeakable are the Mischiefs w'h arise from Rum. We again beg you will have Compassion on us & that no Rum may be hereafter sold upon any Acc't. Last year your Traders gave Bevers to our young Indians that they might Petition to have Rum sold. —
7 June. The Sennecas proceed to give an Acc' of their Embassay & say they addressed themselves to the Wagenhaes Nation as follows.

First. I desire a fast & everlasting Peace whch may be Inviolable for us & our Children. If you keep it our Children shall grow up together in Joy & if you do to the Contrary so shall you & we repent.

2dly With this Second Belt we purify your Minds from all past evil thoughts.

3dly We desire & do reconcile our young Soldiers together. If any other Nation make war upon you or us we will both join against them. If any of our People should call in your Country naked or Hungry, help them with victuals & Cloaths.

4. If any difference should arise between any particular Persons of our respective Nations. Let not Revenge be taken before you know whether it has the general Consent, come therefore first here & enquire into the Matter, it shall be ever free for you to come. We will do the same towards you.

5. We desire that we may Sojourn & Trade with one another without Hatred or Malice.

6. It is the Gov'r of New York all the 5 Nations & the River Indians who now speak to you. We give you a Road from your Dwellings to Albany wherein you shall meet with us no Molestation. You have free Liberty to walk or Trade therein & no Body shall Molest you —

(P. 71.) Seventhly. We hear you have lately lost a great Sachem who was well affected to the Gov'r of New York we desire another good Man may be put in his Room — Then a young Sachem was clothed by the Deputies of this Gov'r & put in his Room.
8 June. The Wagenhaes Answer
Bretheren & Govr of New York.

Last Summer we entered upon a Treaty of Peace, We now desire it may be compleatly ratified —

First. We take the Hatchet out of your hands as you have now consented to Peace. give to the whole House 4 Bevers.

2dly You have taken us into your Covenant Chain wch you say shall be kept inviolable that no Ax can cut it to peices. We promise on our sides to keep the Covenant forever. In Testimony whereof they give a Bever Coat.

3dly Govr of New York We are resolved to visit your Habitations to see how the Trade goes there & if we are well treated we shall come again in the Spring.

4ly Now Gov'r of New York & Bretheren We accept the Peace in the Manner you have offered it to us & promise we will be governed by it. And they gave Two Stone Pipes to remain at Onondaga as a Memorial of this Treaty for each Party to smoke out of whenever they hereafter met there upon public Buisness —

9 June. The Sennecas spoke to the whole Assembly & said. It is reported of us that we are inclined to the French, but what would you have us do. If we keep not ourselves Neuter the Gov'r of Canada makes use of his Instruments to destroy us, & assistance as you well know we cannot get. how shall we behave? If there is anything to be done for the general Good are we not always ready to do our utmost? do we not endeavour to bring the distant Nations into our Alliance? have we not spoke in Behalf of you all to the Wagenhaes?

The Onondagas answer. This meeting was [not] appointed not only to speak with the Wagenhaes, but to Weigh all Matters for the general Good. But what can we undertake (p. 72) whilst our Soldiers who are our Strength leave us & go out a fighting (by the instigation of the French) our Attempts to keep them at home are fruitless.
The Wagenhaes spoke next & s\textsuperscript{d}

We are not regarded in our own Country where we live, we are continually threatened & Beaten by the Gov\textsuperscript{s} of Canada, not with the Sword but by the secret practice of Poison in our Liquor. We are therefore inclined to come & live amongst you Bretheren, but we desire this matter may be kept private from the Gov\textsuperscript{s} of Canada or any who are in his Interest.

10 June. Early in the Morning the whole Assembly met & spoke to the Wagenhaes as follows.

Bretheren You have given us your Heart & we promise to keep it in good Esteem & lay it next to our Own. What you have told us shall faithfully be kept Secret on our part from the Gov\textsuperscript{s} of Canada, We desire that you will take care to keep it so on your side. And we desire Bretheren that you will leave y\textsuperscript{r} Country where you now live & come nearer to us for the Heart & Body must not be far from each other. We shall then be able to withstand the Gov\textsuperscript{s} of Canada or any other who may rise up against us. We desire you may depart with all speed to your own Country when you have visited Albany & let us have a speedy answer from you.

The Assembly then broke up & put an End to their Meeting.

21 June a Senneca Sachem arrives at Albany with the Wagenhaes Indians & makes a Speech to the Commiss\textsuperscript{r} acquainting them that the Sennecas do renew the Covenant with our Gov\textsuperscript{t} & they desire we will put the Covenant Chain in a Box that it may be kept clean & continue to them & their Children after them forever. — he speeks also in Behalf of the Wagenhaes Indians recommends them to Protection & good usage in our dealings with them and that they are now become one with the 5 Nations. —

The Commiss\textsuperscript{r} reply that they are well pleased the Sennecas renew the Covenant Chain and that it shall be inviolably kept by this Gov\textsuperscript{t} — They address themselves to the Wagenhaes & tell them that thay join them in the Covenant Chain & accept of them [as] the same as the 5 Nations, exhort them to keep firm to the Covenant & to
come & live nearer to the 5 Nations & to appear when the Indians shall be summoned by the Gov'r — 1

(P. 73.) Schannectady 2d July 1710 — The Commissrs by Gov'r Hunters Orders convened the Sachems of the Mohowks to this Town & there appeared about 20 of them of the Three Tribes the Bear, Wolf & Turtle.

The Commissrs acquainted them that the Queen had sent over several Families with Gov'r Hunter to be settled on the Lands at Scooheere w'ch had been purchased form them, but if they had any Pretensions to said Lands not yet satisfied, that it shall not be settled till they are duly satisfied for the same.

They answer that My Lord Belmont late Gov'r of this Province had broke the Deed of Sale & therefore it devolved upon them again. and that they would not suffer it to be surveyed till Hendrick & the other Indians returned from Great Brittain. But the 12 July the Commissrs received a Message from the Mohawks by 2 of their Sachems, that they had had a general Meeting of their whole Nation & had agreed the Lands at Scoheere should be surveyed & these Two Sachems were dispatched to go with the Surveyor Gen1 & assist him in laying out the same.

Albany 9 Aug 1710. Gov'r Hunter being there to meet the Indians Laurence Claasse the Interpreter who had been 3 Months among the 5 Nations reports to his Excell'y that when he was at Onondaga the French Interpreter with 10 or 12 other French Men arrived there & acquainted the Indians, 4 Sachems of Oneida being present, that the Gov'r of Canada had sent him to forewarn them not to assist the English in any attempt upon the French Settlements for if they did he would come & destroy them Root & Branch & — that the French Faction among the Indians so far prevailed that they would not suffer our Interpreter to hear what answer they returned to the French, but told him they would acquaint the Gov'r of New York with it when they met him at Albany. —

The Sachems told the Interpreter plainly that unless the Selling of Rum to the Indians was absolutely forbid & realy complied

1 Gov'r Hunter arrived about this Time & Notice thereof was given to the 5 Nations.
with, they would not live any longer in Peace in their Castles but must be obliged to separate, & that this is the opinion of the all the Sachems of the 5 Nations —

The Sachems of Onondaga said they hoped the English would now build a Fort & garrison it well at their Settlement wth would be the only means to disco nvter all the French Intrigues.

They desire a Smith may be settled there & at Oneida. —

(P. 74.) Albany 16 Augt 1710 — The 5 Nations having made their Congratulatory address to Govr Hunter on his Arrival to his Govt — His Excellency makes his Speech to them.m—

And tells them, that he is informed that the French have been long & frequently endeavouring by their Jesuits & other Intriguing Methods to debauch them from their Covenant with us, & that they had lately received their Agents & would not acquaint our Interpreter with the Negotiation, wth his Excellency desires they will now explain. —

That He is glad to find they are sensible how much it is for the General Interest to extend our Alliances among the farr Nations & to give them a free Passage thro their Countrys to Albany. —

That the Great Queen of England desirous of Strengthening this Province had sent over several Families to settle in it.

That their Countrymen who had been lately in England had supplicated the Queen for Missionaries to instruct them in the Christian Religion. desires to know whether they approve of this & will be satisfied to have one or more Garrisons fixt among them & Forts for their Protection.

That in order to convince the Queen & her Govt of their Allegiance & Fidelity they must receive no more French Priests or Emissaries among them.

Desires they will not go out a fighting against the Flat Heads, but go hunt for Bever, & be in the Way to assist their Bretheren if attacked by the French. —

The Govt renews the Covenant Chain of Friendship & Alliance with them in behalf not only of this Province but of all her Majesties Dominions in North America. —
The 19 Aug the Indians answer His Excellency’s Speech. And say
That they would willingly have Forts & Soldiers at each of their Castles which would tend to secure them from the Insults of their Enemies to which they are now very much exposed & would wish some People might now go along with them & begin the work. They would also rejoice to have Missionaries to instruct them in the Christian Religion. And that it would be a very useful thing to have a White Person of Character at each of their Castles in order to watch & defeat the Intrigues of the French.

That they hope they have given her Majesty sufficient proofs of the (p. 75) sincerity of their Intentions & of their Afection & Fidelity, that they will further demonstrate it by refusing Admittance to any Popish Priests or Jesuits amongst them — but that the most effectual way to root out those Persons & their Influence is by Building Forts & placing Garrisons at their Castles & sending Protestant Missionaries amongst them.

That they will obey the Govt Commands be near home & not go out a fighting against the Flat Heads.

That as to bringing back those Indians whom have deserted to the French from the 5 Nations, this Govt & themselves had tried various Expedients to do it but in vain, however they will not despair but still endeavour it.

That the Govt was pleased to commend them for encouraging & giving a free Passage to the Western Indians to come & Trade at Albany. that they will still continue their Endeavours, but that the Traders at Albany can more Effectually compass this Matter they can by selling their Goods cheap, whereas they find the Contrary & that the Traders always tell them Bever is a Drug — ¹

¹ This would afford a series of much reasoning & point out one of the Chief reasons why the French have gained that Superior & more extensive Influence over the various Nations of Indians upon the Continent & which may one day or another be of fatal Consequence to the British Colonies & give the French that Extent of Dominion & Ballance of Trade, which but for our Indolence, & impolitic Selfishness they could never possibly have compassed.
That as to what the French Agents Who were lately in their Country had said & what passed, they would acquaint His Excellency with it by & by.

That they had now nothing more to say than to beg that His Excellency would interceed with her Majesty that Goods might be cheaper & Bever dearer for the Traders gave so little for Bever that it was scarce worth their while to go out a hunting for it.

When the Govr went into his Lodgings from the Conference some Indians Sachems came to him & told him the Message the French Govr had sent to them (which was the same reported by the Interpreter above) that they had answered by desiring the Govr of Canada to be quiet, but did not say anything whether they would or would not hold themselves Neuter if the Govr of New York demanded their assistance against the French.

The Govr directed the Commissr of Indian affairs to send for the Sachems of the 5 Nations & to acquaint them that the French & their Indians were daily murdering the Bretheren of New England & to know if they could think (p. 76) of any Expe­dient to prevent it. They answered that the French treated them in the same Manner, & kept by their Management the Farr Indians in perpetual War against them that they had often complaind of this to the Govr of Canada but without redress, that they had sent a Solemn Embassy to him to desire that he would interpose & get a Cessation for them from the Western or Farr Indians, but he answered he could not without orders from the King his Master.1

Albany 22d Augt 1710.

The Mohawk Sachems of the Three Tribes wait upon Govr Hunter & acquaint him.

That they are informed the Queen hath sent over a con­siderable Number of People to settle upon the Land called Scho­here, & tho that Land as hath appeared to his Excellency doth belong to them yet as he desires it for Christian Settlements they do now

1 This Conduct of the French in a great measure lays open their Political Sys­tem with regard to the Indians to those who may peruse this abstract of Indian Negotiations.
surrender up & convey to the Queen her heirs & Successors forever all that Tract of Land called Skohere begining at the uppermost peice of Land w,ch lyes on Skohere River & so down both sides of the River till you come to the Path w,ch goes out to the Mohawks Castle [called] at Tiondoroge w,ch Path is called by the Natives Caniowarageinade w,ch is about 5 English Miles above the Falls, reserving to themselves only one Flat or Plain where the Indians now Plant near the Hill called Onisstachragarawe & Woodland suff't for Fire Wood for the Indians.

We Pray that henceforth no Land may be bo't in a Clandestine Manner from any Idle Drunken Indians, but let it be done in Public as this is with proper Deputies from each Tribe.

N.B. The Indians left Albany without signing the Deed for the above Land, but Messengers were sent after them to get it signed but whether they did or no is not recorded. The Mohawks afterwards refused the Presents w,ch Gov'r Hunter left for s'd Land as not being suff't The Commiss's s'd they would write the Gov'r about it — but I find nothing further of the Matter recorded — I suppose according to our System of Politics they were Cheated.

11 June 1711. Gov'r Hunter had a further Conference with the Mohawks ab't this Land, wherein he asserts they had signed the Deed & reproaches them for re-assuming their Gift. 29 Sep'r they say there had been underhand Dealings, but however they consent to give up the Land 

(Pn7.) 29 Sep'r 1710. The Commiss's receive Information that a French Smith was seen going from Canada to the Senecas Country in Company with Two of that Nation & that the Senecas had promised to protect him against the English.

14 Octo'r Wm Printop a Smith is sent to the Oneidas who earnestly requested one they being about to rebuild their Castle. But as this Printop was lately married the Commiss's write to the Gov'r that they had much ado to prevail on him to go, & that they were of opinion it would be better for the Gov'r to hire one at New York.¹

¹ How often & how earnestly the 5 Nations requested Smiths to be sent into their Countrys these abstracts sufficiently show, this Occurs in almost every Page
15 Octo the Indians sent by Gov Hunter with a Belt of Wampum to the Caynawaga Indians in Canada to desire them to lay down the Hatchet against the Bretheren of New Eng'd return & acquaint the Commiss' that they had executed the Message & the s'd Indians had promised they would no more join in any Excursions upon New Eng & as a Sanction of their Sincerity had sent a Belt of Wampum.

11 Dec' Laurence Claasse the Interpreter is sent among the 5 Nations to watch the Motions of the French & their Agents & to support the Interests & Influence of this Gov't against the French Intrigues.

24 Jan'y 1710/11. a Deputation from the 5 Nations to the Commiss' at Albany that they had sent some chosen Men to the Caynawagas at Canada to endeavour to prevail on those Indians to return to their Native Country to live.

That the Wagenhaes had at several Times murdered sundry of their People & offered them repeated Insults & as they are in the French Interest tis not to be doubted but the French have instigated them thereto. the 5 Nations are therefore determined to take Revenge & are going out to War against them.

(N.B. These Wagenhaes I cannot believe to be the same Indians with whom so solemn a Peace & Coven' was made in last June, I rather take Wagenhaes to be a general Name for Indians dwelling to the Westward of Lake Errie, but as it was so much the Interest of the French to break this Peace they may perhaps have effected it, but as the Indians are remarkably faithful to their Treaties, I am at a loss what to determine. . . .)

(P. 78.) They desire to have a Smith settled at Onondaga & that Ammunition may be given them.

26 Jan'y 1710/11. The Commiss' Answered. that they were very well pleas'd that they had fallen upon measures to prevail on the Cacknawaga Indians to return & live in their Native Country. That they would not have them of the Records. whether Smiths could not be got, or whether it was owing to neglect, I cant say, but I am persuaded the not supplying them has been a great Prejudice to the Interest of this Colony. One is frequently sent to Onondaga & Onieda but seldom stays long.
go out a fighting against the Wagenhaes, for as Port Royal was already [reduced] conquered by the Queen's Arms & a Fleet next Spring expected from Great Britain the Gov'r would not be pleased that they should be now engaging in a War of their Own & that when once Canada was destroyed the Wagenhaes would fall an easy prey to them.

That they could not get a Smith to go with them, but would write to the Gov'r about it, in the Meantime they might get their Axes mended in Oneida where there was a Smith.

1. March 1710/11. A Message from the Mohawks that all the Sachems of their Nation were to hold a general Meeting upon a Matter of great Importance & they desire Mr. Hansen with the Interpreter ¹ may be present at it in behalf of this Gov't.

4 April 1711. Laurœ Claasse the Interpreter is sent amongst the Five Nations to dissuade them from going out to fight against the Wagenhaes or far Indians & to tell them that tis the French Policy to provoke them to War in order to destroy & weaken them so that at last they may put a total End to them.

21 April. Advice is sent to the Commiss' from the Mohawks that a French Interpreter with an Officer & 30 Men are arrived at Onondaga & they desire that Col Peter Schuyler may be immediately dispatched to Onondaga to see what the French have to say & overlook their Management. Col Schuyler declines going till he receives the Gov'r orders.

30 April He receives a Letter from the Gov'r that the Council are of Opinion he should go.

4 May The Commiss' receive a letter from Col Schuyler dated from one of the Mohawk Castles, he acquaints them that Mons'r Longeville & the French in Company with him, are sawing Boards &ct to build a House at Onondaga & that the Indians of that Castle have granted him a Lot of Land in the Center of their Settlemt.

¹ No further Acc't of this Meeting appears from the Records.
(P. 79.) The same day the Commiss* write Gov* Hunter an Acc* of the aforesaid News, & say that it is of the utmost Importance to the Welfare of this Colony to prevent the French from making any Settlement at Onondaga, and that if effectual Methods be not taken to prevent the French Designs it they will prove very Dangerous to all the British Settlements on the Continent.

Albany 7 May 1711. Laurence Claasse returns from Onondaga & says that he heard Mons* Longeville speak to the Indians, That he put them in Mind that they had been last year with the Gov* of Canada & assured him they would live in Peace & Unity with him, & hoped they would keep their Promise inviolable. Forewarns them not to take the Hatchet from the Gov* of New York to war against the French, and threatens them with the fatal Consequences if they do. — Admonishes their Young Men to be obedient to the Old Sachems. Calls upon the Squaws or Women to give good Advice to their Young Men & Husbands. Desires that Two Sachems of each Nation may go to Canada with him to be present at a great Meeting between the Gov* & all his Indians. Laurence Claasse s* that Mons* Longeville had made a Present of near £600 — in value mostly in Amunition. That he had built at Onondaga a Block House ab* 30 foot Long with Loop holes & that his Son was to take the Command of it with some French Soldiers.

Extract from Col. Peter Schuylers Journal of his Journey to Onondaga given to the Commiss* some time in May.¹

The 7 May in the Evening arrived at Onondaga where the Sachems friendly received us. 8 May. The Sachems of the 5 Nations met in Council & sent for Col Schuyler & the other Gent* who went with him & when they came they [made the following Speech] spoke to them in purport as follows.

¹ Mons* Longeville with the French when they heard that Col Schuyler was on his way to Onondaga left that Place & went to the Lake where his Cannoes were leaving word if Col Schuyler wanted to speak to him he would wait there for him.
That a Nation of Indians called Minquasse amongst whom some of their Indians had lately been had informed them that the Govr of New York & the Govr of Canada had entered into a mutual Agreement to destroy the 5 Nations & to settle their Lands because Land is very scarce in Europe. And that they were the more inclined to believe this Report because French men were permitted to pass unmolested last Winter thro Albany & were now suffered to build a Fort in their Settlement. And that to this End the Govr of New York was to invite the Sachems of the 5 Nations to Albany & there kill them & divide their Lands with the French. That they had acquainted Monsr Longeville with this Matter, who assured them the French would not join in such a Scheme, but that the English would do it, wth they were the more inclined to believe because Powder was kept up so dear. That a Cachnawaga Sachem at y' time present was told this piece of News by an Eng Prisoner taken from New England.

They then proceeded to acquaint Co Schuyler what Monsr Longeville had said to them — (in substance as follows)

That he was come to speak to them in behalf of all the other Nations of Indians in the French Alliance; that all past Evil on each side should now be forgot & forgiven, and that they should now renew the Covenant between them & not listen to any Evil Insinuations to the contrary from the Govr of New York. —

he then proceeded to tell them, that the Govr of New York had no other regard for them but on account of their Bever, that he hearkend to none of their Requests. he warned them from taking the Hatchet from the Govr of New York against the French, to remain Neuter & let the French & English decide their Quarrells with One Another. Threatened them if they did not listen to this Advice it would end in their own Destruction. Called upon the Young Men to be governed by the Advice of the Old & the Women to dissuade their Husbands & Sons from

1 The tribe known as the Minquas by the Dutch or Andastes by the French, related to the Iroquois, occupied parts of the Susquehanna and Delaware valleys. — Ed.
engaging against the French, & uttered many Denunciations against them if they did.¹

The Sachems then told Co¹ Schuyler they would repeat to him what Answer they had given to Mons'r Longeville w⁵h in Substance was thus.

You seem to take part with us on the Supposition that we are treated uncivilly by the Gov'r of New York, w⁵h he doth not (p. 81) but we have been several times ill used by your Gov'r You have made War several times upon us of y⁵ own Accord, but such a thing hath never happened between us & the Gov'r of New York & we hope never will, but we have always lived in Love & Friendship together. Our young Men are generally obed⁴ to us & observe our Advice, altho the Wagenhaes have Twelve times fallen upon us & killed several of our People (we suppose thro y⁵ means & for the sake of the Bevers) w⁵h we cannot so easily forget; And we are Apprehensive you have some Evil Designs by sending for the Wagenhaes to come to Canada, for we know you are Deceitful & not to be trusted. You desire us not to accept of the Hatchet from Corlaer if offered to us. We desire you to take the Hatchet from y⁵ Indians & let Christians fight against Christians only. Otherwise you cannot expect we shall sit Quiet whilst you send out y⁵ Indians whom you must pay well ²

The 9⁵h Col Schuyler desired a meeting of the Sachems of the 5 Nations w⁵h being granted he spoke to them as follows. Bretheren upon the 7 hands of Wampum w⁵h you sent desiring I might come here his Excell'⁵r the Gov'r directed me to

¹ It is evident the Scheme the French had in View by this Embassy of Mons'r Longeville & his harrangue was to prevail on the 5 Nations to stand Neuter, when the French with their Indians would have overrun the Country & scalped & taken Prisoners at will. To this End they had bribed several of the Sachems (who are Bribe equable) & stirred up a War against the 5 Nations from the remote Indians. And from several of the foregoing Extracts it appears the Indians had played dis­ ingenuously with this Gov⁴. These affairs were carried on with great Skill by the French.

² I am doubtful whether they realy spoke to Mons'r Longeville after this manner; (for I do not think Sincerity the Virtue of the 5 Nations at this time & at present I am confident they are the reverse, as they constantly Treat & receive presents from each & say what they think will please without any regard to Truth) I believe Mons'r Longeville had only a Party of the Sachems in his Interest so that their Answer might not have been wholly favorable to his purpose.
repair hither & to thank you for the notice given to this Governm't of the Arrival of the French in y'C Castles & the Gov'r expects from y'C Allegiance to her Majesty & y'C former promises that you will not permit any armed Men, Priests or Emissarys from the French to come amongst you. he also expects you will have no private Consultations with any of those French who were lately amongst you. And if any Attempt be made upon you from Cannada his Excell'y assures you. of all the possible assistance this Gov't can give you.

The news you mention to have heard from the Minquasse is altogether False & not worth making any Answer to. As to Mons'r Longevilles harrangue you have sufficiently answered him, I will therefore say no more about it. But Bretheren what is the meaning that the French who have ever been injurious to you have not only Liberty to come into y'C Castles but to build a Fort even in the midst of you. What blindness! where are y'C thoughts that you dont see or reflect on the fatahConsequences of what they have been doing! I am resolved not to part from hence before it be broke quite down & destroyed. Bretheren I have bro't with me her Majestys Coat of Arms w'h I desire you set up here as a token that the French have no Jurisdiction in your Country the same I have here (p. 82) also to be sent to the Cayouge & the Sennecas Country (as he passed thro the Mohawks & Oneidas Country he had left one at each of their Castles) 1

Co1 Schuyler says he was informed that Mons'r Longeville had given the care of the Fort he had built into the care of a Sachem who was absent ab't 16 Miles off, he was at the Expense to send for him, he prevailed upon him to give his consent for demolishing this Fort & Block House & got the rest to concur but not without promising them suitable rewards for their Compliance. 10th May. the Sachems came to his Lodgings & told him they had forgot to mention that Mons'r Longeville s'd to them that if they would not consent to a Neutrality they had other Nations

1 This Co1 Schuyler was a Man of great Interest amongst the Indians had fought with them & was a Brave Man & if this Speech was his own, a Man of good Sense. lived at Albany. rara Avis!
besides the Wagenhaes to make War upon them, to w\textsuperscript{th} the 5 Nations say they replyed they also had more Nations in League with them & that they despised such threatenings nor should they ever induce them to break their Alegiance with the Queen of Great Britain & her Governments in America.

They further told him that they had determined to leave it to his Choice to demolish or not the Block House, but if he detemined to do it they would send Mons' Longeville who was but 12 Miles off an Account of it.

he replyed to them they might if they pleased send him word he was pulling it down & accordingly he imediately ordered those who were with him to demolish it w\textsuperscript{th} was quickly done.

11 May The Sachems Addressed themselves to Co\textsuperscript{t} Schuyler after y\textsuperscript{s} manner.

As we are now re-convinced & have complied with all your desires so we hope you'l comply with ours.

First 1 we find the price of y\textsuperscript{r} Merchandize so exceedingly dear especially Pouder without w\textsuperscript{th} we cannot exist & as our Bevers get you a great deal of Money we desire Pouder above all things may be Cheaper. Next we desire as it is in y\textsuperscript{r} Power that the sale of Strong Liquors may be prohibited.

We have always assisted you against the French & done good Service, but when we have been Attacked we have had little or no assistance from you.

(P. 83.) You desire us to dissuade our Soldiers from going out to fight the far Nations & you have destroyed the Fort w\textsuperscript{th} was just now built, but if Pouder & Lead keeps so dear with you how shall we defend ourselves if Attacked, with Bows & Arrows we cannot. Let us not want Pouder & Lead.

I told them I would give his Excell\textsuperscript{y} an Acc\textsuperscript{t} of all they has said and that they must be careful for the Future not to Admit any French into their Castles much less to let them erect any Buildings

1 these Complaints had contributed to Aleniate the Minds of the 5 Nations from this Gov\textsuperscript{t} & assisted the French in pushing this bold Stroke, which seems to me one of the most dangerous & best concerted that I have met with, had it succeeded it would probably have bro\textsuperscript{t} on a revolt of most of the 5 Nations from y\textsuperscript{s} English.
The Block House Monsr Longeville had built was 24½ foot long & 18½ foot broad covered with Boards & nailed, there was wood ready cut & prepared for a Chapel wth he also destroyed. Thus ended this remarkable & important Embassy very much to the honour of Col. Schuyler & highly to the Advantage & Security of this Colony & probably of all his Majesties Dominions on the Continent.

20 May 1711. Came to Albany 6 Farr Indians from the Country about Tuchsakondie, and say they are come upon the Faith of the Belt of Wampum wth was given them 2 years ago, that they are mindful of their engagements & shall never forget them. They were Answered, that the Govr should be acquainted with this Visit who would be well pleased to hear of it as he wanted to have all their Nations in the same Cov't with him as the 5 Nations, & that he did his Endeavour that the 5 Nations should have no difference with the Far Nations & hoped they would contribute to bring all about them into the Covenant Chain.

2 June. The Commissr make a Representation to Govr Hunter that the Public Monies in their hands has been long expended, that they want to be furnished either with Money or proper Goods to make those necessry presents wth are requisite to secure the attachment of the Indians who are daily receiving them from the French & by that means are Subject to their Influence. That a Garrison is necessary at Onondaga wth has been often promised to the Indians who make many Severe Reflections upon the neglect of it. That should a French get a Fort there it would not only ruin Albany but probably be of the most fatal Consequence to this & the adjacent Colonies. That they advanced last year to the public near £200 — wth the Assembly hath not provided for.

10 June. Govr Hunter meets the 5 Nations at Albany who Speak to him to the following Purpose.

(P. 84.) They say the French have been with them & desired from them a Neutrality wth they have promised, and the French further proposed that Christians should fight
against Christians. They now desire that no war may be carried on between us & the French because the Indians must necessarily lose many of their People by it.

That the Queens Arms were broken up & given them to hang in their Castles, but say they know Arms will not defend us, the Enemy will not be afraid of them, what we want is Poudre to defend ourselves against the common Enemy.

That they have constantly requested of every Govr that Goods might be sold cheaper which hath never been complied with, they now renew their Request which if not granted will render them as poor as Dogs. That the Public Presents given them are but Trifling when divided amongst them. If he will let Goods be sold cheaper, their old & young Men will wholly devote themselves to her Majesty. They repeat this Request again & again & say unless Goods particularly Poudre be sold Cheaper they must disperse themselves & that the Sachems can no longer keep up their Authority over the young Men. They conjure the Govr in the most moving Terms to listen to & grant their Request.¹

They add there are no French now among the 5 Nations & with that Assurance conclude their Speech.

Govr Hunter answered them in purport as follows —

That he understood their meeting him at this time implied their being joined to this Gov’t in one Interest & one Cov’t Chain, that they would keep true & faithful to the same & upon all occasions run the same Fate with us & Obey all such Orders as they should receive from him by the Great Queens Commands.

¹ From the known Character of the Traders at Albany there is too much reason to suspect they extorted an unreasonable Price from the Poor Ignorant Indians at this time, & preferred the Emolument of their private Fortunes by oppression & Injustice to the Vital Interest of their Country. And tho at present by the increase of Traders & the dear bót Experience of the Indians they are become more capable of dealing with these Christian Jews, yet the Indians Trade is highly worthy the Attention of the Legislature here & in default of that of some Interposition of the Gov’t at home. No Body of People in the world act more strictly up to the Motto Bonus Odor Lucri ex re Qualibet, than the Albanians.
That whilst the French were soliciting them to a Neutrality & proposing that none but Christians should fight against Christ's their Perfidy was Evident by their sending for all the Far Nations of Indians to engage them to their assistance & that this was well known to the 5 Nations, he therefore desired they would stay at home & not engage in needless Warrs.

That the Queens Arms are a Sign of her Sovereignty wth he hopes they will be (p. 85) always ready to defend against any who shall attempt to invade it & to enable them so to do he has granted their Request & ordered to each Nation a good Quantity of Pouder & Lead.

That he is sorry their Furr's bear so low a price the War is the Occasion of the falling of the price of all such Goods.1 As to what they may have occasion to purchase from the People here effectual care shall be taken for the future that none of them shall be Cheated or overcharged, so that whoever thinks himself hardly dealt with by the Traders, has nothing to do but to apply himself to the Commiss2 who have orders to see Justice done them & to punish the offenders, and to prevent all such abuses for the Future. He desire they may always incamp upon the Hill or in some Common Place near the Town, untill such time as conveniencys be built for them, from whence they can go from House to House in the Town & sell their Goods to the best Bidder without lying under the Tyranny of their Landlords who says he as I have heard have used them ill.3

After the public Con£ erence was Ended some Sachems of the Mohawks, the Oneidas, the Cayougias & the Sennekas waited on

1 I suppose the Traders might have given this Reason to Gov'r Hunter but it is a False & unmerchantile one, for a War raises the price of Furr's & all Exports & imports in this part of the World.

2 Most of whom if not all have been ever Traders & generally make use of their Employment as a more ready means to cheat the Indians.

3 It is to this day customary as I have been informed by Gent's of undoubted Varacity, that when the Indians have received the public Presents the Traders at Albany get them into their Houses buy their Shares at half price or less & then in succeeding course of the year sell 'em to them again at an exorbitant Price, nay I have been told of some so abominably Impudent as to sel the same Goods to the same Indians at an Advanced Price a day or two after.
Govr Hunter privately & told him that tho they had told the French agents they would keep Neuter, yet they did this out of Fear, not with Sincerity or Inclination, that the French always dissemble with them & they therefore returnd them the same Conduct, but now assured him they should follow his orders & keep the Coven't Chain inviolable with this Govr with whom they never had any war but with the French several.

The Govr told them he took this Declaration as being their unfeigned Sentiments & expected they would acquaint him with all the Negotiations of the French whenever they put any on Foot.

(P. 86.) Albany 13 June 1711. News arrives that Col Nicholson was arrived at Boston from Great Britain & had desired Govr Hunter & Col Schuyler to meet him at New London. [Upon wch a Post was dispatched to the 5 Nations with the News & to desire] wch news was communicated to the Sachems who remained in Town & they were desired to influence their Young Men [might] to stay at home & not go out a fighting against the Far Nations. The 15th Directions arrived from Govr Hunter that Two Sachems of each Nation might remain awhile in Town & be subsisted at the public Expence.

19 July 1711. Some of the Mohawks are dispatched with a Belt of Wampum to the Susquahannah, the New Jersey & the Minnesink Indians to desire them to come here & join her Majestys Forces in an Expedition against Canada.

24 July. Some Tuchsagroundie come down to Albany to Trade but desire as they are young Men not experienced in Buisness that the Commiss'r will not talk to them on publick Affairs. They complain that the People of Schanectady imposed on them in the price of their Wagons. Desire they may have goods as cheap as the 5 Nations as we are all joined in one Covenant. —

They are made welcome, & the Commiss'r tell them they perceive they are affraid we should want them to join in the War, but that we have Men
enough & only desire them to stand Neuter. that they shall have goods as cheap as the 5 Nations —

30 July. Messrs Schuyler who were sent thro the 5 Nations to engage them to take up the Hatchet & engage in the Exped against Canada return & say all the 5 Nations had joyfully accepted the same & were ready to join us.

Albany 17. & 18 Aug the Shachtakook Indians & the River Indians meet Govr Hunter & Genl Nicholson & engage to join their Forces to ours on the Expedition

20 Aug 1711 The Number of Fighting Men of the several Nations of Indians in Alegiance to the Queen of Great Britain who came to Albany to march on the Expedition against Canada —

\[
\begin{align*}
\text{From the Mannor of Livingston} & \quad \{ \text{& the adjacent Country} \quad \} = 19. \\
\text{From the High Land & circa} & = 21. \\
\text{Schagtakook Indians} & = 38. \\

\end{align*}
\]

total. — 814 Indians —

(P. 87.) Albany 26 Aug 1711. Two Praying or Christian or rather Prosylites made by the Jesuits fled from Canada & came to Albany & were examined upon sundry Questions by order of Govr Hunter, among other Ans* I have judged convenient to note the following —

That the Jurisdiction of Montreal extends as far as Trois Rivieres & that they were informed the French in that District amounted to 5500-Men but they never told them. —
That the Number of the Proselite Indians in Canada (these are Deserters from the 5 Nat*) of both Castles amount to abt 200 Men.m–

They were asked how many other Indians lived in Canada besides the Praying Indians.

They answd They answered there are the Adirondax, the Owana­gonques, & Skachswanaes who live hard by St Laurence River, that they did not know their whole Number, but that the Owanagonques were pretty many the other 2 Nat* but few in Number.

The Army with the Indians marched as far as the Wood Creek ¹ where they received Advice of the Destruction of our Fleet in the River St Laurence. they returned to Albany the 8 Sep* 1711. — That day the Sachems of the 5 Nations made a Speech to Gen¹ Nicholson the Gov* of Connectecut & the Commiss* among other things they say.

Bretheren we have now tried twice with you to go to Canada in order to reduce it to her Majesties Obedience, We are therefore now so ashamed that we must cover our Faces. Bretheren It is a barbarous thing that the Traders are so Extravagant with their Goods &c &c

After this Fruitless Armament against Canada, The French made an Advantage of it & strengthened their Influence over the 5 Nations from our Disappointment, they propagated a great Number of Falshoods prejudicial to the English Interest amongst them & wdh was received by the Credulity of the Indians. They told them among other things that the Queens Arms wdh had been given them to put up in their Castles was intended to fix a Claim to their Lands, that the Dearness of Pouder at Albany was intended to keep them so bare of Amunition as might facilitate the Designs the English had of destroying them. These Base Artifices of the French took Effect; the Indians grew Suspicious, sent the Queens Arms out of their Country & the whole 5 Nations at length took the Alarm against this Gov* So that the 14

¹ This was a small stream flowing into Lake Champlain on the regular carrying route to Canada. It must be distinguished from the stream of the same name on the route to Oswego. — Ed.
June 1712 Canassore chief Sachem of the Onondagas came down to Albany & told the Commiss' he was come to throw his Life into their hands, they asked him what was the Matter, he said he was met by a Mohawk Indian who was sent by that Nation with Seven hands of Wampum † (p. 88) to all the confederate Nations to acquaint them that the English had killed several Indians, that the Mohocks were making Bullets & getting their Warriors ready in order to go & cut off the Christians & to desire the 4 other Nations immediately to recall all their young Men from hunting & to march down & join them in their intended Attempt — Cannassore said that hereupon the other Indians who were in Company with him returned, but however he was determined at all risks to come & enquire into this Matter. Several Mohock Sachems who happened at that time to be at Albany were present during this Relation of Canassore's. These the Commiss' severely reproached with their inhuman Intentions, their Infidelity & Baseness in Attempting to break a sacred Covenant which had so long & so harmoniously subsisted between this Gov't & the 5 Nations. After a long debate the Mohock Sachems said they were sorry for what had been done, that they would heal up the Breach & contradict all the Messages which the French had propagated amongst them, to explain matters to them to Quiet their Minds & solemnly to renew the Covenant Chain with them in behalf of this Governm't &c — And to this purpose the Assembly voted £100 — Fifty of it to be laid out in presents to the Indians & the other Fifty for Expence of Co1 Schuylers Journey & his Attendants.

1 Seven Strings of Wampum is a Solemn Sanction among the Indians to any News or Message which they bring. —

2 I find previous to this Affair the Commiss'  had wrote several letters complaining to Gov't Hunter of the Assembly's making no or not necessary Provisions for carrying on our Influence with the Indians & that they found themselves incapable of serving the public for want of money — that the French spared neither Artifices nor money to debauch the Indians from us, & that they were rendered incapable of counteracting them, by the inattention of the Assembly.
4 July 1712 — The Commissrs receive advice from the Indians that Intelligence had been given by some Canada Praying Indians who were met by some Onondaga Indians who were out ahunting, that the Govr of Canada intended in Sepr to come & destroy the 5 Nations & had for that purpose sent to all his far Indians, but this being only a Report no Strings of Wampum were sent.

Albany 19 July 1712.

Col1 Schuyler being returned from Onondaga produced to the Commissrs a Journal of his Proceedings wth in Substance was a follows.

(P. 89.) The 3d July he arrived at Onondaga when the Sachems who were there (the Cayouge & Senneka Sachems were not then arrived) immediately convened in Council & welcomed the Co1 in a very friendly Speech, to wth he returned a suitable Answer.

The 7th The Sachems of the 5 Nations being met sent Co1 Schuyler word they were now ready to hear what he had to say to them. He addressed them agreeably to the Govrs Instructions. viz. that he cannot beleive the notorious Falshoods wth the French have spread amongst them of a Design the English have to cut them off will gain such Credit with them as to destroy their Affection for & break Attachment to this Govt That on the contrary he has repeated Orders from the Queen of Great Britain to keep firm & inviolable the Covenants so Solemnly entered into & wth have always been so strictly observed.

That the Queens Arms which had been given them were never intended as a Mark of Claim to their Lands of wth her Majesty acknowledges them to be the sole & Rightful Proprieters. That he had observed with great Pleasure their late offers of Mediatorship to make Peace between the Inhabitants of Carolina & the Tuscarora Indians, that the French wanted to engage them in this War meerly that their fighting Men might be sent far away & they have an Opportunity of falling upon their defenceless Wives & Children in their Absence &

That upon the whole he expects they will on this Occasion renew the Covt Chain with him & continue in the same Joint
Interest as heretofore & that in Token of the Confidence he has in their Fidelity, he has ordered a Present of 5 Barrells of Gun Poud'r for them w'th is now at Albany to be delivered to their Deputies & that Col' Schuyler has some other Presents along with him to give them.

Before the Sachems gave a direct Answer to this Speech they spoke to the following purpose.

That it is well known the original Foundation of their Alliance with the Christians were the Advantages they received by Trading with them.

That antiently they made use of [Stone Pots] Earthen Pots, Stone Knives & Hatchets & Bows & Arrows, that after they had purchased from the Christ'n Good Arms they conquered their Enemies & rooted them out so that where they then inhabited is now become a Wilderness. Thus (say they) our first entering into a Covenant with you was Chiefly grounded upon Trade. We then bo' for a Bever a Stroud Water Blanket or Two Duffel Blankets, but since these have always been growing dearer & dearer the Poud'r we now buy for a Bever is scarce worth naming.

We have addressed the Queen upon this Head but we suspect, [but we] it hath been kept from her knowledge for we assure ourselves she (p. 90) hath an Affection for us.

We have made various Attempts to get Goods sold us Cheaper and we have often told you that unless they were, we should become a defenceless People, fall a Prey to our Enemies & our Union be dissolved.

We now tell you this Affair may be the occasion of breaking that Chain of Peace & Friendship w'ch hath subsisted between us & you As the Links have lately seemed to be wearing way & you are now come to strengthen them & preserve the Chain from being broke w'ch we approve of & rejoice in, We hope as we have now told you the true & only Method to preserve this Chain inviolable between us namely to let us have goods Cheaper, that this Method will take Place by w'ch the Chain will be kept firm & we shall live in Peace forever.
Brother Corlaer (the Indians always speak to the Principal)

We have considered what you have said to us & shall observe Your Requests, when our fighting Men return home we shall propose to them what you desire viz for them to stay at home & guard their Wives & Children & let you know their Answer.

We are thankful to you for renewing the Cov't Chain by the means of Quieder or Co Schuyler & we promise to keep it inviolable on our parts & in token thereof we give a Belt of Wampum.

It is true we did offer our Endeavours to keep the Tuscarora Indians in Peace with Carolina, but then we proposed that some fit Persons should be sent from New York thither on the part of this Gov't to this we received no Answer. It seemed strange that you took no Notice of our Proposal. It is an Affront when one writes to another & they return no Answer. however we have taken the Hatchet out of the hands of the Tuscarore Indians.

30 July 1712. A Deputation from the Mohawks to this Gov't who acquaint the Commiss' they had a Belt of Wampum sent by the 4 Nations to them & us to invite the Mohawks & this Gov't to join in a War against the French Indians & that everything was ready for them to March in a few days. the Mohawks are ready to join & [desire] say they should be glad if some young Men of Albany would go out with them. They say they should have communicated this affair sooner, but as French Indians from Canada are frequently at Albany they were afraid their Designs would be discovered to the Enemy.

The Commiss' Answer that they should acquaint the Gov't with this Peice of News but cannot consent that any Albany People should go out with them. ²

(P. 91.) Albany 20 May 1714.³ The Commiss' received advice that there was very Speedily to be a general Meeting at

¹ Peter. — Ed.
² Against what Indians this war was intended the Records do not mention I suppose some of the far Indians
³ From the last date in this Abstract in 1712. to this, there is little mentioned in the Records, & nothing worth Noting. Except, a Letter to Gov't Hunter from the
Onondaga of the 5 Nations & all the Indians bordering upon New Jerseys, Pensilvania, Virginia & Maryland by Deputies w'ch was [kept] designed to be so Secret that if any Person divulged it they were to suffer Death. upon this Intelligence the Commissrs got into their Service Hendrik a Christian Sachem of the Mohawk Nation who promised to acquaint them with what passed at this Meeting.

22 June Hendrik reported to the Commissrs as follows. — That in the above meeting of the 5 Nat's & other Indians it had been agreed that some of their Sachems should go to the Govr of Canada with 10 Belts of Wampum & propose to him as follows. That since he hath made repeated Attempts to destroy them & been disappointed that he would for the future let them live in Peace.

That whenever he wanted to speak with them he would either come himself or send his Messengers, and when they had anything to say to him they would come to him.

That they were determ'ed to live in Peace & if the Govr of New York should desire them to take up the Hatchet against the French they would flatly refuse it, & they desire for the Future that the Govr of Canada will not let his Indians make war upon any of the Queens Subjects, but according to the Govr of Canada's former Proposals that the Indians on both sides may be kept Neuter.

That We all desire you will sell Pouder Cheap by w'ch means you will have a great Trade come to you.

That We do propose a firm & lasting Treaty of Peace & Friendship with you & that it may be known to all Nations

That Openness & Sincerity may govern our mutual Corespondeance, be you persuaded of our Friendship & Fidelity, let us pass freely to & from each others Country.

Hendrik adds that the Deputed Sachems have 2 Belts of Commissrs who write that 3 Cayouge Sachems had been to demand the Deeds & writings of the Susquahannah Lands given to the Crown for this Govr the 2d Aug 1684 as p Records. They say it was only a Deed of Trust & they will now sell it. The Commissrs submit to the Govr whither this Land belongs to this Govr & this Letter is dated in Sep 1713. but I find no Answer to it nor further Mention about this Affair. —
Wampum whereby they are empowered to ask anything of the Govr of Canada wth they shall judge proper in the name of the 5 Natrs & their Allies, & that he supposes they will desire Priests to be fixt at Onondaga & in the Sennekas Country. And that as soon as the Sachems deputed for Canada are set out another Deputation will be sent to Albany. — (P. 92.) The Commissrs transmit this Acc to Govr Hunter & say they think the 5 Nations are inclined to the French Interest who have their Emissaries always amongst them & spare neither for Cost or trouble to gain them over & delude them from us wth they are afraid will in the End be of dangerous Consequence to this Govr —

Albany 20 June 1714. The Sachems of the 5 Nations come to Albany & acquaint the Commissrs that the Indians who live at the back of Maryland had sent a Belt of Wampum to them to let them know that the English of that Colony had a design to cut them off & to desire that the Path may be free & open between them & the 5 Nations. And the 4th Sachems say they are come on purpose to know if there be any Truth in this Intelligence from the Maryland Indians, and that they have also heard from some private People that there was a design in this Govr to cut off & disperse them, (the 5 Natrs) & they desire also to know if there is any Truth in this report.

The Commissrs answered That these Reports with regard to themselves were raised by Traiterous & Seditious People who wanted to raise Factions & disturbances among them in order to withdraw their Fidelity from her Majesty. That no ill designs against them were harboured by any of her Majestys Subjects. That as they had a free Liberty of buying Amunition at Albany & that People were daily settling in the Woods on Farms, they might thence perceive our Intentions were peacable & that we were determined to keep the Covr Chain firm & Invioable.

That they would write to the Govr abt the report from Maryland who would write about it to the Govr there & they should have a satisfactory answer.
That the Commiss\(^{\#}\) had been informed a Deputation had been appointed at the late Gen\(^{\#}\) Meeting at Onondaga to go to Canada & they desire the s\(^{d}\) Deputation may not go till the Gov\(^{\#}\) has been here & spoke to them. This request the Sachems complied with & promised to send to morrow a Belt of Wampum to stop the s\(^{d}\) Deputation.

The begining of August Gov\(^{\#}\) Hunter acquainted the Commiss\(^{\#}\) that he proposed meeting the 5 Nations at Albany the 15 of next Month in order to take the Hatchet out of their Hands & that some proper Persons should be sent thro the 5 Nations to desire them to come down punctualy at that Time — Laurence [a] Classe was sent upon this Errand with directions that when he was in the Sennekas Country he should enquire about a Settlement w\textsuperscript{eh} (p. 93) it was reported the French had made somewhere above their Country at a Pass where the farr Indians must come thro in order to come down to Albany.

Albany 20 Sep\(^{\#}\) 1714 —

Gov\(^{\#}\) Hunter Issues a Proclamation forbiding the Selling of Rum to any of the Indians during his Stay at Albany. —

The same day the Gov\(^{\#}\) & the Sachems of the 5 Nations have a publick Conference. Dekanis-sore an Onondaga Sachem opened it with congratulating the Gov\(^{\#}\) on their meeting together —

he next acquaints the Gov\(^{\#}\) that 2 Belts of Wampum had been sent to the 5 Nations informing them that this Gov\(^{\#}\) in consort with the rest of the British Colonies had formed a Design to cut off & destroy the 5 Nations— And that Poudre growing Dearer & Dearer tended to confirm the probability of such an Intention, had Poudre they say become Cheaper they should have been inclined to reject such Suspicions. however they say notwithstanding such reports they had ventured down & put their Lives into the Gov\(^{\#}\) hands. —

The Gov\(^{\#}\) in answer told them these Evil reports were quite Groundless & that they would not believe them unless they thought him so foolish as to cut off his Right hand with his Left, & to convince them what confidence he had in them he
designed to make them a present of a considerable Quantity of Pouder & Lead & to do what lay in his Power to make the price of Pouder cheaper for the Future. that he had orders from the Queen his Mistress to cultivate a good Understanding with them & to protect & assist them whenever occasion required it. 

They thanked him for this kind Speech & said as soon as the Conference was ended they would send Expresses thro the 5 Nations (who were at present in much Confusion) to quiet their Minds & put everything upon a harmonious Footing. —

The 23 Sepr The Govr spoke to the Sachems of the 5 Nations in Substance viz.

That he hoped what he said to them Two days ago had quieted their Minds with regard to those False reports & that he must now desire to know who it was that brought those Two Belts of Wampum which gave rise to those Falshoods into whose hands they were given & where they are now. 

That he now renews the Cov't with them in the Queens name.

(P. 94.) That he now acquaints them the Queen of Great Britain hath given Peace to all the World particularly to France & therefore he now takes the Hatchet out of their hands & desires they will live in Peace with all Men. —

The 25 Sepough The Sachems of the 5 Nations Speak to his Excellency in Substance viz.

That all the Stories they have heard are now quite dispelled & they are thoroughly convinced of their Falsehood. That they do renew the Cov't Chain & promise it shall be kept inviolable on their Parts nor shall it be in the Power of Men or Devils to break it.

That they comply with his Excellency's Commands in burying the Hatchet against the French. but with regard to their war with the Flatheads of Carolina, they must consult their young Men over whom they will use their best Endeavours. That they have carefully Attended to all the Govr has said & when they return they will emprint it on the Hearts & Understandings of their People.

1 I find no Answer from the Indians recorded as to these Points nor any further Notice taken about them.
That as to the Information given the Govr that the French are come to live near the Sennekas Country, tis true there are some there but they are come to lodge as it were a night or two & that they will warn them to begone when they return home & that they must not for the future come to settle there on any Acc't.

That they will not only give the far nations a free Passage thro their Country but will incourage & assist them to come down to Albany.

That as to their having a Missionary in every one of their Castles, they observe the Christians at Albany go to Church of a Sunday in fine Cloaths, but that Goods are sold so dear to them that they cannot purchase Sunday Cloaths, but when Goods become so cheap that they can purchase suitable Cloaths they will then be glad to have a Missionary in every one of their Castles.

Brother Corlaer

We acquaint you that the Tuscarora Indians are come to Shelter themselves among the 5 Nations, they were of us & went from us long ago & are now returned & promise to live Peacably among us & since there is now Peace everywhere, We have received them, and do give a Belt of Wampum. We desire you to look upon the Tuscaroras that are come (p. 95) to live among us as our Children who shall obey your Commands & live Peacably & orderly.

A Sachem of the Sennekas desired that a Smith might be fitted out & settled in a little Village between Cayouge & their Country & that he should live with an old Sachem & never be troubled or Molested by any Body. —

The Govr answered that there was but one Smith at present to be had who was in the Mohocks Country but as soon as he could get another he should be posted as they desire, in the Meantime the Smith in the Mohocks Country should by turns be sent thro the 5 Nations. —

27 Sep' The Mehinkander or River & Skachkook Indians [commonly called River Indians] make a Complaint to
Govr Hunter setting forth that whereas Govr Andros planted a Tree of Welfare for them ¹ at Skachkook, some Indians having sold the Land on one side of the Creek to the Mayor & Corporation of Albany they wanted now to have it on both sides & to dispossess them of all their Land.

The Govr promised them the Mayor & Aldermen of Albany should allot to them & their Children as much Land as they could cultivate & Plant. he sent for the Mayor & Aldermen accordingly who promised they should have more than they could manure.

Albany 26 Febrv 1714/15. Dekanissore chief Sachem of Onondaga being come to Albany to talk with the Commiss⁰ they acquaint him with the Death of the late Queen & give him a Belt of Wampum to inform the 5 Nations thereof & of his Majesties King George's Accession to the Throne & that they should enjoy all the Protection & favour from him w⁰b they had under any of his Predecessors. —

27. Febrv The sᵈ Dekanissore with 3 Mohawk Sachems acquaint the Commiss⁰ that the 5 Nations are come to a Resolution that some chosen Men of each Nation & some from the River Indians designed to go for England & they desire that a proper Ship may be provided for them (p. 96) and the necessary Accomodations appointed for their Voyage & they desire a Sloop may be appointed to carry them to New York to acquaint the Govr with this their Resolution.

The Commiss⁰ Answer, They shall acquaint the Govr with this their Proposal by the first Sloop ²

Albany 1 June 1715. Laurence Claasse the Interpreter informs the Commiss⁰ that an Indian from Onondaga informed him that the Govr of Montreal had sent a Message to the

¹ By a Tree of Welfare the Indians mean an Acknowledgment of right of Property & free Possession. —

² I dont find any further Notice taken of this Affair or that the Indians repeat their Proposals.
5 Nations that he was coming with Great Presents of Poudre & Lead for them from the French King & intended to settle his Son among them to learn their Language.

That several far Indians were on their way to Albany with a great Quantity of Bever, but that the Onondaga Indians had killed some & taken others Prisoners so that the rest were fled.

That several of the 5 Nations are going to join a party of French who are going out to fight against the far Indians.

That the Chief Sachem of the Sennekas sent word he is coming down to Albany to claim Govr. Hunter's promise of a Smith. upon this Information the Commiss* send a Copy of it to the Govr. & say that unless these Practices & Intrigues of the French are prevented it will probably end in the ruin of this Country.

14 June. Laur. Claassee who was sent to Onondaga returns & confirms to the Commiss* the Acc't of the Govr. of Montreal's being expected at Onondaga with great presents from the King of France. And that several French Indians were dispersed thro the 5 Nations & had engaged several of them to go out a fighting against the Flat heads. And that the French Interpreters had engaged the Sennekas to go out a fighting against a Nation of Indians whom the French call Foxes & who had some years ago made an Alliance with this Govr.

The Commiss* hereupon write the Govr. that they judge it necessary for the Interest of this Colony that some Persons of Character & Influence be sent to the Indians & provided with presents to speak properly to them, and that they Endeavour to prevent the pernicious Designs of the French & fix the present wavering (p. 97) Dispositions of the Indians more firmly to the Interest & Directions of this Government.

The 28 June 1715. The Commiss* receive further confirmation that the Govr. of Montreal was met in his way to Onondaga with great presents for the Indians, Two Interpreters
along with him & a Smith to be settled in the Sennekas Country, that the French were using their Endeavours & every Artifice in their Power to debauch the 5 Nations Fidelity from this Govt & had prevailed on sever\(^1\) of the Indians to come & live in Canada. The Commiss\(^*\) say of the French are they suffered to send Embassadors & make publick presents to the Indians in their Country & to settle Smiths among them it will be certain Means to destroy that superior Influence w\(\text{ch}\) we have so long held over the 5 Nations &\(\text{t}\) that they hope as the assembly are now sitting they will provide suff\(\text{h}\) Funds for the support of the Indian Affairs. —

29 June Two Mohawk Sachems come to acquaint the Commiss\(^*\) that Mons\(\text{r}\) Longeville was at the Mouth of Onondaga River with 9 Canoes of People & that he had sent word to those Indians that he was come to build a Fort in their Country & that when he had finished it Co\(^1\) Schuyler should not come & demolish it as he had done before. The Mohawk Sachems say we are come to tell you this because you may now prevent it & we are sensible it will be of ill Consequence.

The Commiss\(^*\) now transmit this Intelligence to the Gov\(\text{r}\) & represent the fatal Consequences of suffering the French to build any Forts in the [Indian] 5 Nat\(\text{r}\) Country. & say they have sent [a Messenger] Mohawk Sachems with a Belt of Wampum to Onondaga to desire those Indians not to suffer the French to build any Fort in their Country. The Commiss\(^*\) complain that there is no Money provided for their paying Expresses & the other necessary charges relating to Indian Affairs.

5 July 1715. A Deputation from the Onondaga Indians to the Commiss\(^*\) who say they have received Information particularly from the Gov\(\text{r}\) of Canada that this Gov\(\text{r}\) had a Design to cut them off & the said Gov\(\text{r}\) told them the Gov\(\text{r}\) of New York had wrote him word so. They desire the Commiss\(^*\) will honestly tell them whether there be any Truth in this News. —
They say if they can prevent it the French shall not (p. 98) build any Fort on their Land, And that they are not without Suspicions that there are some Evil Designs intended by the French who keep a party of Men at the Carrying Place of Jagare\(^1\) And that the Sennekas, Cayougas & Onondagas begin to murmur at the French keeping their Men encamped so near their Country.

No Answer is recorded to the above Embassy of the Onondagas.

30 June The Govr write the Commiss\(^*\) that he intends to meet the 5 Nations at Albany the 20 Sep\(^r\) next if they think that a proper time the Commiss\(^*\) answer they think it will be a good time & they dispatch the Interpreter thro the 5 Nations to acquaint them with the Govr\(^*\) Intentions & to invite & desire their Attendance at Albany.

5 Aug\(^t\) Laurence Claasse Interpreter going upon the above Message to the 5 Nations was met by 5 Indians who were sent in the Name of the 5 Nations with 7 hands of Wampum to go down to New York to speak with the Govr. They forced the Interpreter to return, And say their Sachems & fighting Men are coming down to treat with the Govr about their going out to fight against the Flat Heads. The aforesaid 5 Messengers would go down to New York. The Commiss\(^*\) dispatched the Interpreter to endeavour to stop the Rest of the Indians from coming down till the time prefixed by his Excellency. —

Albany 24 Aug\(^t\) 1715. Govr Hunter meets the Deputies of the 5 Nations & Issues his Proclamation against selling Spirituous Liquors to them during his Residence there.

27 Aug\(^t\) — Dekanissore Cheif Sachem of Onondaga Speaks for the 5 Nations. he says.

Y\(^r\) Excell\(^e\)y renewed the Cov\(^t\) Chain with us last Summer w\(^e\)h was very acceptable to us all. you then demanded the Hatchet from us w\(^e\)h you had given into our hands against the French, w\(^e\)h Hatchet we now deliver you. It has been a very unfortunate one, we have had Two Canada Expeditions & they both proved abortive & unsuccessful — When

\(^1\) Niagara. — Ed.
we have fought in our own way we have always been very (p. 99) Successful & have destroyed or reduced to our obedience many Nations of Indians and in this way we are always disposed to serve you & we expect you will now new steel our Hatchet (meaning give them some presents).—

Last year when you were here you desired us not to go out a fighting against the Flat heads, we are now come to a conclusion to obey yr Commands.

We have often desired Goods might be sold cheaper wh has not been complied with, we still insist Goods may be sold at an easier Rate; and we desire yr Excell^y will be pleased to inform his Majesty hereof & that Bever & other Furrs may bear a better price.

The Gov^r replied that what they had said required some time to consider of & give an answer & that as the next day was Sunday he would speak to them on Monday. That he had appointed to meet them a Month hence, but they sent Deputies to him desiring a Meeting in 10 days from the day the Deputies delivered their Message, that he accordingly hurrid away & was here punctualy to that day & waited a whole week for their Appearance, however he hopes this Meeting will be concluded to their Mutual Satisfaction. And when he has answered what they have now said he will proceed to tell them what he wanted to meet them upon.

29 Aug^t DeKanissore informed his Excell^v that the day before [Messengers] 3 Expresses had arrived from the Sennekas with an Acc^t that 11 days ago Messengers came there from a Tribe of the Dowagenhaes Indians called Wigsachroene who were sent by a [Tiber] Tribe who lived beyond them called Ronatewigsachroene 1 wh last named Indians had sent a Pipe of Peace for his Excell^vr & the 5 Nations to smoak together with them also a pair of Shoes wh were held up to public View & are to be returned into the Sennekas Country & there remain as a token of Peace &

1 This was the farthest nation of the Dowagenhaes. — Ed.
Friendship till next Spring when the s\textsuperscript{d} Indians will personaly come & treat with His Excell\textsuperscript{y} & the 5 Nations.

The s\textsuperscript{d} Indians say they have not been at Albany for a long while & desire they may be allowed to come here & Trade without any manner of Molestation. The Dowagen-haes Messengers also say they have a Pipe of Peace lying at Albany & desire the Friendship may be renewed & upon that Score they send 4 Bever Skins to his Excell\textsuperscript{y} — The other Tribe also send a Present of 12 Bevers to be distributed between his Excell'y & the 5 Nats. —

His Excell\textsuperscript{y} accepted the Proposals of the far Indians & promised them a Welcome & sent a Belt of Wampum to them as a token of Peace & Amity.

(P. 100.) 29 Aug\textsuperscript{t} His Excell\textsuperscript{y} answered the Speech of the 5 Nats made to him the 27 Inst by DeKanissore & says in Substance viz. As to the late Expedition against Canada, the late Queens Plan & directions were very good, that his Conduct had been in all respects agreeable to his Duty, & theirs such as he mentions with Gratitude & Esteem, he desires therefore the Disappointment may be buried in Oblivion & never more repeated unless it be to the Reproach of those who had the Managment of it by Sea, or to something worse w\textsuperscript{th} defeated it.

Their offer of serving us in their own way of fighting he receives with Great Joy, & says this is the Hatchet of Neutral Defence & Security & woe be to those upon whom it falls. that he shall take care to Sharpen its edge.

he says it is true the last time he met them he did desire them to forbear fighting against the Flatheads because they were then in Alliance with his Majesties Subjects of Carolina & desired Peace. but since that time he is informed they had joined with some other Indians & in cold Blood fallen upon & Murthered several of the Inhabitants of Carolina. but on this head he would speak more largely by & by.h

\textsuperscript{1} I suppose the Revolt of the Flat heads was owing to the Instigation & Artifices of the French & the 5 Nations readiness to lay down the Hatchet against them
he endeavours to explain to them the [reasons] Cause for the low price of Bever, & in order that they may have Goods at as low a price as the Christians can afford to sell them to one another, he will Issue orders to the Magistrates of Albany & the Commiss** that if any Indian Complains that he is imposed upon, they do summon the Parties before them & Examine into the Complaint, & if the Trader or Traders are guilty to have them prosecuted according to Law for Fraud & Extortion, & desires them to make this known to all the Indians. (N. B. I have been often at Albany & acquainted with the [cheif] People of the Place who are all (in some way or other) Indian Traders & I believe whenever they can, do & will impose on & cheat the Indians, & this Exped* of Govr Hunters I doubt not he himself knew would be ineffectual & did it only to lull the Clamours of the Indians, for all of these Albanians are in their turns Delinquents. They are like the Jew Pedlars at Amsterdam who carry their little shop before them & live upon the Simplicity of Strangers.)

(P. 101.) Bretheren

In the Name of the most Potent & most Gracious King George I renew with you the Antient Cov* Chain & again in the most Solemn Manner assure you of his Protection & favour w** I am well persuaded you will ever deserve.

He proceeds to acquaint them that [he apprehends] the Cause of the Flatheads falling upon the Inhabitants of Carolina is owing to the Gov* of Carolina refusing to assist them when they waged war upon the 5 Nations who were Subjects of their Sovereign. That he therefore desires & Expects the 5 Nations will interpose in such a manner as may induce or force the Flat Heads to leave off all Hostilities against our Bretheren of Carolina & that this will redoun to the Glory of the 5 Nations & be very pleasing to our Great King Goorge. —

to the same Cause. from w* may be seen how industrious & Politic the French are with regard to the Indian Affairs & how extensive is their Influence.
The Indians Answered the Gov'r last Speech & said in Substance as follows. That they acknowledged King George for their Sovereign Lord and did thereupon renew & confirm the Antient Covenant Chain w\textsuperscript{th} they say shall by them be kept inviolable, & pray His Excell\textsuperscript{cy} not to hearken to any evil minded People who may strive to raise mutual Jealousies between them. They tell his Excell\textsuperscript{cy} that as to the Cause of the Flat Heads committing Hostilities on the People of Carolina they have been informed quite otherwise than he represents it. that the case is thus. The People of Carolina applied to the Flat heads to assist them in fighting against the Tuscarora Indians promising that when they were reduced the Flat Heads should have Goods cheaper then formerly, whereupon the joined the English fought & dispersed the Tuscarora Indians & then claimed the promise made to them, but the English did not perform their promise & goods [was] were as dear as formerly giving but a handful of Pouder for a Bear Skin & other Goods in proportion.

They say We must own we have desired Goods from time to time might be sold Cheaper w\textsuperscript{th} is the most material thing to us.m—

As to their treating with the Flat Heads to lay down the Hatchet by fair means, they know it will be in vain, they are their Antient inveterate Enemies & would murder any Deputies (p. 102) They should send, And if the Gov\textsuperscript{r} would have them bring them to Terms by force he must give them a suff\textsuperscript{t} quantity of Amunition that they may fit out an Army & do it effectually.

They say they have nothing more at present to propose but put him in mind that he promised they should have a House built upon the Hill above Albany for them to lodge & put their Bever in when they came down so that they might not be exposed to the inveigling Tricks of the Albany Traders when they got them into their Houses. but they say to their great Grief they see no such House built for them —
The Gov'r Answers that he receives with inexpressable Joy their proposal of reducing the Flat Heads by Force & that he will supply them with a good Quantity of Amunition & continue it during their war with them.

That a House for their Reception shall be built on the Hill but that they must take care not to pull down & burn the Boards as they formerly did. Bretheren you will receive a Present of such Goods as will be Necessary for you & such as could be had in so short a warning as you gave me.

3d Octo. 1715. The Commiss' receive a Message from the 5 Nations that they had according to the Gov'r request sent an Embassy of 8 Men with great Presents to the Flat heads to desire them to cease from fighting against the English of Carolina.

6 Octo. the Commiss' write to the Gov'r that according to his Order they had conferred with the principal Indian Traders about building Barracks for the Indians upon the Hill above Albany, that the Traders will not voluntarily contribute to the Building it, & that the best Method will be to get an Act of Assembly, to levy on the Traders suff for that purpose.

(P. 103.) Albany 25 October 1715. A French Cacknawaga Indian makes a complaint to the Commiss' that he was coming to Albany with a pcell of Bever & in the way down the River he stoped & took them out of his Canoe, at wth time there was a Waggon belonging to Co 1 John Schuyler whose Servents took his Bever against his Consent & carried it away to Albany but where it is lodged in Town

1 There is at present no such House nor have I ever heard any such was built, it seems a reasonable request & would I believe in some measure tend to prevent the frauds committed on the Indians; but the Albany People will therefore prevent its taking Place—

(There are numerous references to this trading house in the New York Colonial Laws and the Albany local records. — Ed.)

2 I seldom find any Lists of the Presents recorded, it ought to be & given in the Presence of the Indian Secretary, as Gov'r have not escaped being justly censured for defrauding the Indians of their due, & cheating the Crown and the Colony.
he doth not know. The Commiss* hereupon enquired into the Matter & being informed where the Bever was lodged & that it was sent by this Indian from a French man in Canada to Majr Mynd Schuyler they ordered it to be deliv'd to the said Mynd Schuyler.

The 29 Octo* the Commiss* write the Gov* an Acc* of this Affair & say that the Trade between Albany & Canada is of fatal Consequence to the Indian Interest of this Colony, that of our Indians who are employed in it many stay at Canada & others return so Attached to the French Interest & so Debauched from ours that it puzzells them how to preserve amongst them that Respect & Regard to this Gov* so necessary to the Public Good & Tranquility.

2d Dec 1715. Gov* Hunter having drawn a Warrant in fav* of the Commiss* of Indian Affairs on the Treasurer of the Colony for £300 — Two of them being at New York bo* the following Goods to be distributed to the Indians as occasions might require
2 p* of Strouds at £10.10ps.  
1 p* of Blanketting £10.  
1 p* of Duffels cont* 42 yards at 5/6d.

19 Jan* 1715/16. The Commiss* receive a Deputation from the Oneida Indians complaining of the dearness of Goods & earnestly requesting they may be cheaper, they say on the price of Goods the Covenant Chain chiefly depends & that unless Goods are cheaper it will cause their & our Ruin. that many far Indians would come constantly hither to Trade but when any of them have made the Experiment, they found themselves so Scandalously imposed on & Cheated by the Traders that it discouraged them from returning.

1 This connexion is justly observed by the Indians, & I am persuaded that putting the Indian Trade under proper regulations is the only Method we have left to resist & otherthrow the French Influence among the Indians, in all other ways they are & will be our Superiors. This is a Fertile Subject & I may perhaps throw my reflections on it together in some other place.
Albany 6 April 1716. A Senneka Indian who was sent last year to the Wagenhaes Indians to desire them not to join with the French who were going to fight against the Southward Indians called Rennaros but to come & Trade at Albany. Returns & says those Indians promised they would not join the French & would come & see if Goods were to be got cheaper at Albany than amongst the French.

30 April Six Traders at Albany apply to the Commiss for Licence to go up & try to open a Trade at Irondequat on the South side of Cadaraqui or Ontario Lake about 32 Miles from the Chief Senneka Castle with the far Indians & endeavour to bring them to Trade at Albany.¹

7. June. Some Indians from Tuchsakrondie come to Albany to Trade & beg of the Commiss that they may have Goods cheap, they say they are come a great way to try the Trade & if on their Return their Indians find we sell Goods cheap many more will come.

13 June. Another Deputation from the Oneidas complaining of the Dearness of Goods & reproaching the Commiss with the falsness of their Promises & the ingratitude of this Gov't to them who have ever been the most faithful Nation of Indians. They say you entertain us with Babble but you do nothing that is Good for us. A House was promised to be built on the Hill for us last year, but as yet there is none. You forbid us to Trade with the French & you yourselves at the same time are trading with them. — They say they have forfeited the Notice of the French by their Attachment to this Gov't but yet they could easily regain it —

The Commiss Answer to the Above that Goods are Cheaper than last year, that they have talked with the Traders who affirm they sell as Cheap as they can afford. That they hope a House on the

¹ The Fort & Trading House at Oswego is on the same side of the Lake but to the Eastward of Irondequat.
² The South [Easterly] Westerly parts of Lake Errie.
Hill will be erected for them in a short time — and renew the Cov't Chain with them. —

(P. 105.) Albany 13 & 15 June 1716. The Commissrs write the Gov'r that Dekannissore Cheif Sachem of Onondaga [told] tells them that unless the Sale of Rum to the Indians be prohibited it will certainly occasion a Civil Warr amongst them. And the Commissrs are of Opinion that the late Act prohibiting the Sale of Rum in the City & County of Albany to the Indians be again renewed for 3 years & a Clause inserted that those who profess the Indian Trade be obliged to build Houses on the Hill for the Indians at their own Expence. —

The Commissrs further say that Two French Smiths are settled among the Sennekas & a Priest that Monsr Longeville was gone to Onondaga & was to return home thro the Sennekas Country — And that they fear the French will by degrees delude all our Indians from us unless some proper Persons are posted among them in behalf of this Gov't —

17 July the Six Traders who went from Albany to Irondequat the 30 April last in order to open there a Trade with the foreign Indians return & inform the Commissrs that as they passed thro the 5 Nations they gave each Seven hands of Wampum to secure a free Passage for the s'd farr Indians who might be inclined to pass thro their Settlements to Albany & that the 5 Nations consented thereto. —

That at Irondequat they found a Trading house with 5 French Traders & a Smith — That the Sennekas seemed strongly inclined to have a Smith from this Gov't.

That the next day after their arrival at Irondequat some of the farr Indians arrived to whom they gave some Presents & acquainted them that the 5 Nations consented to give them a free Passage to Albany thro their Settlements. Upon wch they sent a Calumet or Pipe to be smoked thro the 5 Nations wch is among the Indians an inviolable Token of Peace & Friendship, They also mentioned Six other Nations who were inclined to carry on a Trade with this Gov't.
These Traders proposed to the Sennekas whither they might Trade at Irondequat & if they would build a Trading House for such as would come from Albany there, this the Sennekas approved of & said if a Trade was carried on at Irondequat they would build a House & desired the Traders to acquaint (p. 106) The Govr with this matter, that in the meanwhile they would consult among themselves & send down their Chief Sachem with their Resolutions.

20 July 1716. Assessors are Sworn agreeable to an Act of Assembly for raising of money to build Sheds for the Indians upon the Hill above Albany

13 Augt Philip Livingston arrives at Albany from Montreal & informs the Commissr that he heard from some French men that a Deputation from the Sennecas had been with the Govr of Canada to desire him to fix a Smith & a Priest in their Country & to build a Garrison & to post 30 Men therein to secure it & if he would sell them a Blanket for Two Elk Skins & a Gun for 3 — they would trade no more at Albany.m—

The Commissr transmit this Accr to the Govr & deliver it as their Opinion that unless some Soldiers under proper Officers are posted among the upper Nation of Indians we should be in danger of having the Indians debauched from us by the French & turned upon us as our Enemies. —

30 Augt the Commissr write the Govr that some of the Palatines settled at Skoheere have applied to the Mohocks to defend them in the Possession of certain Lands there in defiance of the Govr & that one Johan Conraet Weyser & his Son are at the head of these Disturbers.1

14 Sept Several Sachems of the 5 Nations arrive at Albany & desire a Conference with the Commissr whr being granted, they desire to know if the Govr intends to meet them this

1 A number of papers relating to the history of the Palatines in New York are to be found in O'Callaghan's Documentary History of New York, iii, pp. 539 et seq. (octavo edition). For the Weisers see Walton's Life of Conrad Weiser. — Ed.
year as it now grows late. The Commiss'\textsuperscript{a} s\textsuperscript{d} they had expected the Gov'r up, but that he had lost his Lady & was not well.

Dekanisso're then s\textsuperscript{d} that there was a prohibition of Selling Rum & that before such prohibition had taken place every nation ought to have been acquainted with it by Seven hands of Wampum, as several had come down to buy Rum & been disappointed & he desires to know who has requested the prohibition of Rum —

(P. 107.) The Commiss'\textsuperscript{a} answer he himself had in the most earnest manner and that the whole 5 Nations had frequently recommended this Prohibition —

Dekanisso're answered that he & they now desired the Prohibition might be now taken off — The Commiss'\textsuperscript{a} answer the Gov'r hath Issued the Prohibition & by his Authority only it can be taken off & that they will write him about it.

Albany 15 Sep'\textsuperscript{1716}. The aforesaid Sachems have a further Conference with the [Sachem] Commiss'\textsuperscript{a} & they say that they have received certain Intelligence that the Wagenhaes intend to fall on them that the 5 Nations will not begin the war first but keep themselves in a state of Defence & they desire that Ammunition may be given them & their Guns & Hatchets mended at the Public Expence.

They acquaint the Commiss'\textsuperscript{a} that the Sennekas are become a more numerous Nation than the rest\textsuperscript{1} & are therefore divided into Two Parties so that for the future when any presents are given they must be divided into Six Shares. They are answered by the Commiss'\textsuperscript{a} that they will furnish them with some Pouder & Lead & that their Guns & Hatchets shall be mended. that they do well not to begin the war with the Wagenhaes for tis their Interest to live peaceably with all Men. At the same time Two Senneka Indians acquaint the Commiss'\textsuperscript{a} in

\textsuperscript{1} By the Accession of the Tuscarores & other Indians inhabiting about the Branches of the Susquahanna River
the Name of their Nation that the Six Traders who went from Albany to Irondequat to Trade had desired to have a Trading House built there, whether their Nation are ready to grant & they hope it will be a means to have goods Cheap whether will draw the far Indians thither —

They hope the Commiss' will not be Jealous that they have a French Smith there, that they had applied to this Gov't for one & could get none, that the Gov't of Canada had sent them a Smith & it had never cost them so much as one p' of Shoes. —

The Commiss' answered they would acquaint the Gov't with what they had said & thanked them for their Message. —

(P. 108.) Albany 6 October 1716. Major Abraham Schuyler & Laur. Claasse the Interpreter are dispatched to Onondaga by the Gov't orders to acquaint the 5 Nations that the Death of the Gov't Lady & the Arms not being arrived from England whether were intended as part of the presents to them were the Occasion his Excell'y could not meet them this year but they might depend on his meeting them the last Tuesday in next May.

They were also directed to enquire into the Deputation whether the 5 Nations sent to the Gov't of Canada desiring a Priest a Smith & that he would build a Fort in their Country & Garison it & if there are any French settled at Irondequat & by whose Permission.

Major Schuyler & Laur. Claasse make the following Report on their return from Onondaga.

That on their arrival at Onondaga they sent Summons' to the Sachems of the 5 Nations who accordingly came there & being convened sent for our Deputies who delivered their Message according to the Gov't Instructions —

The Sachems of the 5 Nations answered after the following Manner.

That they were sorry for the Gov't Loss of his Lady & accepted his Excell'y's Invitation of meeting them the last Tuesday in next May —
That as to the Deputation sent to the Gov't of Canada no such thing had been done by the Consent of the Sachems of the 5 Nations but that the Sennekas had by themselves transacted that Affair & Dekanissore chief Sachem of Onondaga insisted that the Senneka Sachems should on their Return acquaint the rest of their Sachems with the desire of this Gov't to be acquainted with this whole affair & send him a true Relation of it & he would make a Report thereof to the Gov't when he came to Albany.

Albany 12 Decr 1716. It being thought highly necessary that some proper Persons with a Smith should be sent amongst the 5 Nations to keep them firm to their Allegience & to watch the Motions & defeat the Intrigues of the French: Five Persons are dispatched from Albany on this Plan in behalf of this Gov't & to reside there until the p' Octo' next.

Instructions are given to these Persons conformable to the Above Design.

11 Janr 1716/17. Tho' Willdman 1 who was sent to Onandaga as a Spy upon the Motions of the French & to pay a Visit in the Name of this Gov't to the Indians, returns & acquaints the Commiss' that Jean Coeur the French Interpreter had introduced a little Son of his to the Indians (p. 109) in the Sennekas Country & desired their Protection & favour for him & that after his Death this his Son might be received amongst them in the same friendly manner as he himself had ever been — upon w'h he gave them a Belt of Wampum w'h they readily accepted.

That the said Jean Coeur had a little Trading House in the Sennekas Country by the side of the Lake where he kept Goods & traded with them also a Smith to work for them.

Albany 21 Janr 1716/17. Lieut Scot posted at Fort Hunter sends Intelligence to the Commiss' that Ambassadors have come from the Southward to the Sennekas & said he was 1 an Indian.
sent by 50 Nat* of Indians to acquaint them that they are in War with the English of Carolina to whom they have done great Damage & to forewarn the 5 Nations not to assist against them lest they might Kill some of their People w*th they would not willingly do. And that 20 Sennekas were returned with these Ambassadors to the Southward.

The same day the Commiss* Transmit to the Gov* the foregoing Two peices of Intelligence. They say they apprehend Jean Coeur is sent to reside ab* the Sennekas Country by the Gov* Gen1 of Canada to distribute Presents in order to debauch our Indians from us — and that by the Trading house w*th he has built on the Passage where our Indians come when they return from Hunting he cuts off the Trade to Albany.

With regard to the Intelligence from Lieu* Scot they are of Opinion that this Embassy from the South is the work of the French who are settled on the Mississippi. And it appears plainly that the French in Canada & those on the Mississippi are constantly endeavouring to stir up the Indians to commit Hostilities upon the English on all sides, & that unless proper Care be taken to secure our Indians by a continual Settlement amongst them from the delusions of the French their Artifices will be of Dangerous Consequence to all the British Settlements.

Albany 21 May 1717. Some Indians arrive at Albany from a French settlement called Wanajachtenock,¹ to Trade & say the would willingly trade with us but the French hinder them & wish (p. 110) this Gov* would build a Fort near their Habitations & put Men into it to protect them from the French who oppose their Trading hither.

In a Letter bearing date the 27 March 1717 from the Commiss* to Gov* Hunter they write. It is plain to us that the French have a continual Correspondance from Canada to Cada-raqui, from thence to Therondequat in the Sennekas Country from thence to Tuckrachrondie, thence to Ochjagare & so still behind Carolina, Virginia &e so that we

¹ Detroit. — Ed.
are surrounded by them. They have also a Trading House at Therondequat the Passage of our Indians as they come from their Hunting which is as we are informed against the Articles of Peace.

Albany 13 June 1717. Govr Hunter meets the Indians at Albany & has this day a private Conference with Two Sachems of each of the 5 Nations.

De Kanissore Speaks & says. That the French have built no fort at Irondequat belonging to the Sennekas, but that they have built a Trading House there & supply the 5 Nations & other Indians with Poudre & Lead to fight against their Enemies the Flat heads, & that they are also furnished with other Goods which prevents a great deal of Bever & Furs coming [from] to (p. rri) Albany, but says Dekannissore, the French are supplied with all their Goods from the People here at Albany which goes first to Canada & from thence up Montreal River & so to Irondequat where the French Trading house is built upon Ground belonging to the Sennekas, if you stop the Trade of Goods being carried hence to Canada that other Trade will fall of Course.1 —

He says that an Englishman who lives at Canistoga on the Susquahannah River had said that the King of England & the Regent of France had agreed to cut off all the Indians of North America & to settle the Continent with their respective Subjects. but as this Acc't did not come to them with any present according to the Indian Custom, they doubted the Truth of it.

1 As Trade with the Indians is the only Method of securing & extending an Influence over them, how pernicious this Trade from Albany to Canada must have been at this time when the French were laying the Foundation of that extensive Influence they have since obtained over the Indians & this Settlement at Irondequat known to be so fatal an Attempt upon the Interest of this Colony. I say the perniciousness of this Trade must have been no less obvious to those who helped it forwards at Albany than to every Body who in the least considered it. But those Albany Men got money by it to which they would sacrifice every other consideration. This is so clear a proof of the Justice of those observations which the Notes on these Papers contain against these People, as will prevent any who may read them from thinking 'em too harsh. Those who know the Albany People dont want such an Instance as this to fix their Opinion. This same [free] Trade from Albany to Canada is at this day carried on — (the 19 Feb 1754—)
They are apprehensive that the Small Pox was brought amongst them & destroyed so many of their People last fall, was designedly sent amongst them from Conostoga Virginia or Maryland. The Gov't answered, that the Commiss' of Indian Affairs had sent him word that the French were building a Fort in the Senneca Country but that he would not believe it relying on the Fidelity of the 5 Nat's in general & the Senneca's in particular to this Gov't that they would not permit any such thing. And also that the French would not dare to infringe the Treaty of Peace lately made between the Two Crowns such an attempt would do.  

(P. 112.) I am very well pleased that you yourselves have observed that we [already] have in a manner furnished out that French Trading House at Irondequat, it being solely maintained either by Goods sent directly from hence thither or by the Canal [from] of Montreal & Canada. It is an Evil must be prevented, & I shall forthwith use my Endeavour to put a final End to that pernicious Trade I am sure is hurtful to both of us & only serves to put money in the Pocke'tts of a few Traders. In the meantime I think it is Expedient the French should be told by the Senneka's to retire.

As to the Report of our joining in any Scheme to cut off the Indians the Supposition is absurd & ridiculous & is one of those many Falshoods & artifices made use of by the French to disturb our Union & Friendship. To put an End to any such Idle Suspicions I now acquaint & assure you I have Orders from the King my Master to renew the Covenant with you & link you to ourselves by a Chain indissolubly strong.

As to the Small Pox it is a Disease which arises from natural Causes & now rages violently in Pensilvania & Jerseys whose Inhabitants have suffered & do daily suffer greatly by it — The Gov't in his Public Speech to the 5 Nations told them — That he did in this public & Solemn Manner give them full assurance of His Majestys affection towards them & of his Powerful Protection against all who shall dare to molest them.

1 The Treaty of Utrecht to which refer
That in the same public & Solemn Manner in his Majestys Name & by his Command he did renew the Antient Covenant with the 5 Nations. And to prevent all Mistakes on this Head I must remind you what has ever been meant & understood by you as well as us by the Covenant Chain — That on the One hand his Majestys Subjects on this Continent should not only refrain from all Acts of Hostility or anything tending that way towards you but readily assist when you were Attacked by others or unable you by such Methods as were in their Power to repel Force & by Force to defend your Selves. And on the other hand you were on your parts to live in the strictest Friendship with all his Majestys Subjects & in case they should be Attacked by any Enemy whatsoever to assist them in the readiest & most Effectual Manner in your Power. he added when he had their answer to this Speech, he should then give them the Appointed Presents —

(P. 113.) Albany 14 June 1717. The Five Nations in answer to the foregoing Speech of Govr Hunter say. The assurances he hath given them in the Name of their our [gre] great Masr the King of Great Britain are very acceptable to them & hope they shall never give any the least Suspicion of breaking the Covenant Chain —

They accept the renewal of the Covt Chain & promise it shall be faithfully kept on their parts.

That they are very thankful for the presents His Majesty hath sent them & are sensible of his Kindness for them the continuance whereof they will endeavour by their Dutiful Behaviour to merit.

15 June They make a Second Speech to Govr Hunter in which they say “You told us [yesterday] that the large Presents made us Yesterday is from the King our Master whose Subjects we are & we are thankful of his Favour & Kindness.”

The rest of the Speech is chiefly complaining of the dearness of Goods. They say they have often desired that their Complaints on this Head might be transmitted
[from] to the King, but they imagine all their Complaints on this point have been suppressed & concealed from His Majestys Knowledge or they doubt not he would have taken some Measures in their favour.

The Govr answers & assures them that all their Propositions made to him have constantly been sent over to his Majesty as these shall also be. but that the price of Goods dos not depend upon any Persons Will, that Marketts must govern in these Affairs w'h are sometimes higher & sometimes lower, but that he would advise them in order to get the best prices for their Furrs not to go into the Traders Houses but stay on the Hill & there sell their Furrs by retail to the best Bidders. — here follow in the Records several Messages to & transactions with the 5 Nations to prevent their going out a fighting with the Indians in alliance with Virginia & South Carolina. And the 5 Nations did promise they would forbear all Hostilities with those Indians & desired that Deputies might be sent from Virginia & S. Carolina to settle what Nations of Indians were in Alliance with the British Govr

Albany 27 March 1718. By the Govr's order a Smith & his Journeyman are sent up to remain in the Sennekas Country for the Space of One year —

(P. 114.) Albany 14 May 1719. A considerable Number of far Indians (from what part is not mentioned but I judge about the West end of Lake Erie) arrive at Albany to Trade, & say they met with many obstructions from the French but in spight of all they came hither & hope they shall be well treated & have Goods Cheap.

The Commissr answer that they are very glad to see them & that they will find Goods cheaper here than the French can afford them, for they get their Goods from hence.

1 June. Sundry other far Indians arrive at Albany to Trade some from the Western parts of Lake Erie & others living about the Banks of the Mississippi. They say they met with many difficulties particularly from the French in their Journey hither.
16 June. Some Twigh Twee Indians arrive at Albany to Trade

19 June. The Govrs of the Southern Provinces having made a Complaint to Govr Hunter of the Mohocks & Oneidas making War upon & taking Prisoners Indians in Allience with those Govrs, the Commissrs of Indian Affairs are directed to send for the Cheifs of those Nations & to re­monstrate to them upon these Complaints, wth being done the said Nations say in their Defence. That the Indians they Attacked lived to the Southwards beyond the Limits of his Majesties Dominions & that the People of the Southern Colonies had themselves made war upon the same Indians & however if we want them to cease making War upon the Southern Indians we must convene all the Warriors of the 5 Nations at Onondaga or the Sennekas Country & lay the Matter before them, for they now present cannot take upon them to determine in this Affair.

The Commissrs Transmit the above Answer to the Govr

(P. 115.) Albany 23d June 1719. Sundry westward Indians called Adawadiene come to Albany to Trade & say they were coming Two years ago but were hindered by the French. They desire to have Goods cheap & The Commissrs welcome them & tell them the French want Goods themselves from Albany & have none but what they fetch from thence & consequently they cant buy of the French so cheap as they may at Albany.

28 June Several Indians of a Nation called by the French De Souteur come to Albany to Trade.

1 The French have now almost totally stopped our Communication with these Western Indians by their Forts Niagre & another at the Head of Lake Erie. But if the Albany People had not supplied them with Goods to lay the Foundation of their settlement in those parts, & this Govt built a Trading house between Lake Erie & Lake Ontario, that extensive Communication the French now have would probably have been prevented. If the French establish their Forts & Settlements on the Ohio, they will perfect their line of communication thro the Continent.

2 The Adawadenys, a sub tribe of the Far Indians whose home was probably south of the lakes. — Ed.

8 The Saulteurs from Sault Ste Marie. — Ed.
Albany 6 of July 1719. De Canissore chief Sachem of Onondaga arrives at Albany & acquaints the Commissioners that the French are building a Fort at Jagara ¹ near the great Falls & says that the French are settling all round them so that they are confined as it were to their own particular Possessions within the narrow Limits of their own Country & says they have reason to suspect (according to the usual practice of the French) that they may when Opportunity offers take the first advantage to destroy them.

De Canassore being asked how he came by this News he says he being lately at one of the farthermost Castles of the Sennekas called Onahee within a days Journey of Jagarah he met with some Uttawawa Indians who said they had asked the French how they came to make a Fort there without asking leave of the 5 Nations, who answered they had built it of their own Accord without asking any Bodies leave & designed to keep Horses & Carts there for Transportation of Goods, besides by that means they could hinder those Forreign Nations from Trading at Albany. he says further that 5 of those Indians being on their Journey hither with Goods One of them was killed.

Upon this Message the Commiss① offered De Kanissore a Belt of (p. u6) Wampum to give the 5 Nations & to desire them to forbid the French to build any Fort near Jagarah, but De Canisssore said as he came with this Intelligence in a Private Capacity he could not accept the Belt but if His Excellcy thinks proper to take such Methods in destroying the Fort as was done in destroying the Block House at Onondaga he dos not doubt but it will be Effected to the satisfaction of the Govr & the 5 Nations & that he himself will use his utmost Endeavours & dos not doubt

¹ Fort Niagara, to the Southward of wth near Lake Erie the French have now another Fort & by this means they cut off from Albany all the Trade with the Numerous Nations of Western Indians, and the Albany People to this Day supply the French with Goods to Trade with the Indians at the above Places, wth the French transport from Albany to Montreal &

Vide Dr Coldens Memorial to Govr Burnet.
but the 5 Nations will use their utmost Endeavours in effecting it.

The Commiss:* transmit to Gov:* Hunter a Copy of the above Intelligence, & say they think the Management of this Affair is of the last consequence to this Gov: 1 —

Albany 7 Nov:* 1719. The Commiss:* meet the Sachems of the 5 Nations & acquaint them that Co¹ Peter Schuyler Presd:* of the Council did intend meeting them himself but is prevented by Sickness — They therefore speak to them by his Order.

And First. They renew the Covenant Chain with them in behalf of this Gov:* & all his Majes:* Gov:* on the Continent.

2dly That Co¹ Schuyler has information that some of them are going out a fighting against the Indians in Alliance with the Neighboring Colonies. they are desired to stay at home & hunt Bever w* will be more to their true Interest.

3dly That Jean Coeur the French Interpreter was in their Country that no French man ought to be suffered to reside there & they are desired not to suffer him or any other French Man to stay amongst them.

The 9 of Nov:* the Sachems answered

I. That they renew the Covenant Chain with this Gov:* but as to (p. 117) renewing the Cov:* Chain with the Gov:* of the Southward they wonder that is mentioned, for that 2 years ago the Gov:* of Virginia made complaints of some of their People doing Mischief in his Country & that they had desired he would come himself or Depute some Body to come to Albany with some Sachems of the Indians in his Alliance that they might adjust all Matters Face to Face. that he ought to have given an answer to this their Proposal & as he has not they think he dos not desire a Peace between his Indians & them. —

1 About this Time Gov:* Hunter embarked for England & Co¹ Peter Schuyler was left Commander in Chief whether this very important affair of the French building a Fort at Niagara was duly attended to will probably appear by the Records & I shall be very careful to extract everything I find relating thereto.
That as to some of their Peoples going out a fighting it is true & they cannot at present give any further answer to that Article.

That as to sending the French Interpreter out of their Country they cannot do it for if they do the French will treat them as Enemies, but they say, do you go there & send him from thence yourselves, when the French were building a Block House at Onondaga Col Peter Schuyler went & destroyed it & they did not take it ill.

The Commiss\* reply that They desire they would delay their going out a fighting to the Southward till next Spring by w\*ch time they may hear from Virginia.

The Indians answer as follows
You say that Jean Coeur is to stay among us this Winter & that hele make it his Interest to hinder the far Indians from coming to Trade here, You can better prevent his hindering those Indians from coming to Trade here than we, for if you do not supply the French with Goods from hence they cant furnish the Far Indians with what they want & hardly those who live near them for they get but little Goods themselves from France, we are desirous to know whether you will send a Messenger to our Country to banish Jean Coeur from thence & write to the Gov\* of Canada about that Subject.1

(to enforce this Matter they give a Belt of Wampum)
The Commiss\* answer they will send what the Sachems have s\(d\) to Co\(1\) Schuyler & until they have his answer they can say nothing on that head.

(P. 118.) I omitted to Extract the following from the Records.

Albany 3\(d\) of Aug\(t\) 1719.
Some Cayouge Sachems come to the Commiss\* with 7. hands of Wampum & acquaint them that the Land belonging to them on the Susquahannah River was annexed to or Put

---

1 It is remarkable to see the Indians pointing out the true Interest of this Gov\* & at \(3^*\) same time to observe either our Stupidity or Villainy preventing any attention to It. —
under the Protection of this Gov't about 34 or 35 years ago. ¹ They now offer to this Gov't the refusal to purchase said Land in preference to [another] any other Gov't. ² —

The Commiss' answer they will send to Col Schuyler a Copy of this Proposal of theirs

Jean Coeur the French Interpreter continues in the Sennecas Country & carrys such an Influence amongst them that he prevails on them to degrade a Chief Sachem who was in the Interest of this Gov't & to appoint one of his Nomination in his room. He also finds means to persuade the 5 Nations into a rupture with those far or Western Indians who were desirous to carry on a Trade with Albany in order to prevent it. Upon these accounts Messrs Myndert Schuyler & Rob't Livingston Junr are appointed to go up to the Sennekas Country & receive Instructions bearing date 22 April 1720 — to endeavour the removal of Jean Coeur from our Indians, to impress upon them a proper Sense of their Duty to his Majesty & their Connexion with this Gov't to prevent their making War upon any Indians in Alliance with the adjacent Colonies or such as may be inclined to come & Trade at Albany — to get the Blue beck Sachem restored & the One put in his Room by Jean Coeur [restored] degraded.

22 May Messrs Myndert Schuyler & Rob't Livingston Junr being arrived in the Sennekas Country send the Interpreter Lawrence Claasse to Ochjagare (where Fort Niagara now is) with Three Senneka Sachems in order to warn the French to demolish & Quit the Trading House which they have built there. Upon Claasse arrival there he found 3 French Traders in a House of 40 foot long & 30 broad — he told them that he was sent with these three Sachems to tell them that the 5 Nations having heard of their Building

¹ Vide pages 4, 5, & 6 —
² I suppose Mr. Penn or his Agents were making proposals of purchase to them, for about this time or later he made a purchase of it from them. (The lands on the Susquehanna had been placed by the Indians under Governor Dongan's protection, but in 1696 they were transferred to William Penn. These lands caused endless trouble and many conferences between the Iroquois and the Pennsylvanians. — Ed.)
this House & considered how prejudicial a French Settlement on their Land must be to them & their Posterity, they have (p. 119) sent him the said Claasse & these 3 Sachems to acquaint the French that it is much against the Inclination of the 5 Nations that any Building should be made in this Place & to desire the French will desist from any further Building & demolish what they have built.

To this One of the Frenchmen replyed That they had leave from the young fighting Men of the Sennekas to build this House & that he would not demolish it until he had wrote to the Govr of Canada who had posted him there. The Three Sachems said they never heard their young Men had given any such leave.

Laurence Claasse returned to the Sennekas & desired their Sachems to convene their Young Capts together wth being done he in the presence of Jean Coeur the French Interr reported what he had said to the French at Ochjagare & their answer. Upon wth the Sachems & young Capts. declared that the French had built that House at Ochjagare without asking any of them leave & desired that the Govr of New York would use his Endeavours to get that House demolished that they may without any fear of Molestation preserve their Land & Hunting.¹

Albany 31 Aug. 1720. Co1 Peter Schuyler Pres't at Albany where the Mohack, the Oneida, the Onondaga & Cayouge

¹ by this I judge that Fort Niagara & the other French Fort nearer to Lake Errie are Encroachments of the French upon the Lands belonging to the 5 Nations & by them annexed to [apart] to the Colony of New York & put under the Protection of the Crown of England by a Voluntary deed from the 5 Nations in the year 1701. & wth I understand is in Possession of the Board of Trade. And the Treaty of Utrecht dos confirm to the Crown of Great Brittain [their] its Title, tho not expressly yet intentionally.

(Vide Treaty of Utrecht)

this Deed in my Opinion vests in the Crown a large Extent of Land to the Westward of Niagara Falls.

(The deed is found in New York Colonial Documents, ix, p. 908. — Ed.)
Sachems met him, but none from the Senneka; One Sachem out of each of those 4 Nations had a Conference with the President & told him, that Jean Coeur had taken his leave of the Senneka Sachems in order to return to Montreal but a Messenger met him in the Way with a Letter from the Gov't of Canada upon which he returned to the Sennekas & told them that the Gov't of Canada sent them word out of Compassion to them their Wifes & Children that Co 1 Nicolson was coming Gov't to New York with an Intention totally to destroy all the 5 Nations & he therefore advised them to stay at home & keep on their Guard. And the above Sachems judge by the Sennekas not coming down to meet the Pres't that they have given (p. 120) Ear to this News from the Gov't of Canada. They add further that the Gov't of Canada sent the Senneka word that he heard the Gov't of New York intended to demolish the Trading House built at Jagare, but that he would fortify it & if such an Attempt was made it should cost Blood.

The President told the 4 Sachems that he was surprised the Sennekas would listen to & be influenced by such Lyes from the French & that the frequent Experience they have had of their Falshood ought to arm them with such Distrust & disdain for the French as to prevent their Deciet taking Effect. Further he tells them. The French have nothing to do to make Settlements on your Land at Jagare, w't the Bretheren have many years ago Surrendered to the Crown of Great Britain, to be kept for them & their Posterity, And it is against the Treaty of Peace concluded between our Great King George & the French King so that it cannot be suffered that they should make such Encroachments.

The said Sachems made Answer. That they were very sensible that it was prejudicial to the 5 Nations as well as this Gov't for the French to make any Settlements at Jagare, and therefore if the President would send some of his People the 5 Nations would join them & go & pull
down all the French Buildings there. But say they we
must tell you, that the Selling of Goods to the French &
their Indians in Canada, is a great Inducement to the
French to make that Settlement & therefore we desire
you to Stop that Trade & then the French will not have
Goods so cheap to serve the far Indians withal, for all the
Indians are sensible Goods can be had Cheaper at Albany
than at Canada & so are the French wch makes them
come hither to buy [& supply] in order to supply the
farr Indians who otherwise would come here themselves
to purchase.—

I find no Answer from the President recorded to the above
Proposals from the Sachems of the 4 Nations, but in a Public
Speech he made to the 4 Nations assembled bearing date the 2d
Sep he tells them as to the French Settlement at Jagare, [he
says] he would have the 5 Nations easy about it for the present
since all possible means shall be used to redress their Grievances.

This cold Answer of the Presidents to the advantageous Pro­
posals of the Sachems, & the Govr of New York suffering this
Settlement of the French at Jagare to remain unmolested is very
astonishing. Quere. whether the French Traders at Albany were
not the cause of it ?—

(P. 121.) Albany 10 Sep 1720 — Co1 Peter Schuyler having in
vain waited for the Senneka Sachems took his departure
for New York. This day the said Sachems who arrived
the 9th made their Speech to the Commiss they having
first acquainted them with what had passed between
Co1 Schuyler & the Four Nations.

They say the affairs wth Co1 Schuyler treated of with
the 4 Nations is to the entire Satisfaction of the whole 5.

They desire they may have a Smith posted in their
Country & say they cannot well do without one, that last
they had for want of Iron & Steel could not compleat the
Work they wanted to be done.

They say that the French have surrounded them &
made Settlements at the Five following Places.
Teondoroquo
Jehagee
Ochswegee
Cahaquagee
&
Ochjagare

The names of these places being different-
ly spelt in different parts of the Records I
cannot exactly ascertain their Situations;
there is no doubt of their all being on the
south sides of Lake Ontario & Lake Erie.1
- which being their principal Passages & hunting Places, we
desire (say they) that our Great King may be acquainted
that the French encroach on us by making Settlements &
Trading Houses on our Land.

They say the reason they could not come down at the
appointed Time to meet the President was, [on] a Jealousy
& disturbance which has been in their Country upon Acc of
Two Principal Sachems of one of their Castles who with
their Wives & Families are gone to live in Canada that
several others of that Castle are to follow, which they fear
will be of fatal Consequence to the Interest of the 5 Na-
tions. That they used every kind of Persuasion with the
above Two Sachems to prevail on them to go down to
Albany to meet the President but in vain for they flatly
refused to go. And further that the Indians of the above
Castle had suffered the French to hoist their Colours
thereo-

The Above Sachems said they would go down to New
York & acquaint the President with these Affairs them-
selves & talk to him Face to Face. which Proposal was
approved of by the Commiss who wrote an acc of this
Conference with the Sennekas to the President & repre-
sented the fatal Consequences which might be bro on this
Colony in particular & ye others in general by suffering the
French thus to execute their Scheemes of building Settle-
ments in the Country of the 5 Nations

1 Teoorondoquo = Irondequat.
Jehagee probably = Cayuga.
Ochswegee = Oswego.
Cahaqugee = Cayouhage east of Oswego, probably Salmon River, Oswego
County, New York
Ochjagare = Niagara. — Ed.
Albany 20 October 1720. Wm Burnet Esq Gov writes to the Commissioners to post a Smith in the Sennekas Country, one is accordingly sent there & Three other Persons are dispatched with him to remain there in order to watch & oppose the Designs of the French & to secure the Fidelity of the French to this Gov.

Gov Burnet Issues a new Commission for Commiss for Indian Affairs & sends Instructions to Philip Livingston Deputy Secretary for Indian Affairs in which he writes as follows.

I have named you a Commiss of Indian Affairs with some other New Persons & displaced some of the former Commiss finding that they had misrepresented the true Cause of the French Success with the Indians, tho your Father had prepared Clauses for that purpose in a Memorial delivered to them, these I find they have changed so as to Shelter the Profit some of them had & concealed the Mischief the Country received from their Pernicious Trade with the French 1 —

I am informed there are Three Young Men now amongst the Senecas who have Twenty Pounds a Piece allowed them tho they are gone there on Account of Trade & consequently will have no Interest with the Indians or be of any Service to the Public.

The Gov orders s'd Salary to be withdrawn.

22d Dec 1720. The Commiss write Gov Burnet that the money allotted by the Assembly to give the Indians in order to persuade them to demolish the French House at Niagara will not be sufficient & tho it was, would not be of real Service to this Gov unless we took Possession of that Pass.

1 This Accusation I am verily of Opinion & others equally disgraceful may be laid to the Charge of most Commiss that have ever been appointed at Albany. the public Interest is but a weak & Secondary Motive to their conduct, their public office is for the most part made subservient to their private Interest. The People of Albany are extremely Ignorant & Illiterate & so enslaved to the love of Money that they have no other Principle of Action. To their Scandalous & Unpatriot Conduct has in a great Measure been owing that Progress of the French on this Continent, we I fear is now come to so formidable a height as not to be repelled. At least Albany Commiss will (in my opinion) never contribute to it.
but they say before the Assembly can make the necessary disposition for such an Undertaking & Matters be ripened to put it in Execution they are of opinion the French (p. 123) will add Such Security to it, that it will cost a vast sume of Money to carry that Point.

Albany 9 Feb'y 1720/21 By a Letter from the Commiss'rs to Gov'r Burnet I find the Gov'r wanted to promote a Settlement near Niagara & Land to be taken up there for that purpose, but the Commiss'rs say no Body will go to settle there the Land being not proper —

I find also that several People were going up that way in order to push a Trade with the far Indians & to build at Trading House at Niagara. Gov'r Burnet having forbid all Trade with the French or their Indians by way of Albany & Canada w'th by the Commiss'rs manner of writing dos not seem pleasing to them.

20 March. The French by the Influence of their Settlement at Niagara & other Means prevail on the Sennekas to apply for a French Priest & a Smith to be settled amongst them. And the French Interpreter told the Sennekas that if they assisted the English to destroy the Fort Niagara they would make War upon the 5 Nations —

27 April 1721. The Commiss'rs write the following Letter to Gov'r Burnet

We hope yr Excell'yr has received our last of the 20 Inst. Inclosed we send yr Excell'yr a Letter w'th Co'l Schuyler has received from Mons'r Vaudrieul Gov'r of Canada whereby your Excell'yr will perceive what Claim the French make to Jugara (Fort

1 The Opinion of the Commiss'rs upon demolishing without taking Possession of this Important Pass seems to me just. This Gov't had already lost their Critical Time, and with a shameful Indolence suffered the French to fix themselves too secure tho timely forewarned by the Indians. but the Albany Traders found an Advantage in selling Goods to the French who at the above Pass & others near it by yt means supplied the far Indians & established themselves. whether the Commiss'rs Ignorance kept 'em from foreseeing the future Consequences, or their private advantage kept them from making it known, may be a Question. it is hard to decide w'th is greatest, their Ignorance or their Selfishness.
Niagara) he wants to know if the report be true he says to have heard of Co\textsuperscript{1} Schuylers going to build a Fort there & what bold threatening he inserts if any such thing should be attempted by this Gov\textsuperscript{t}.

We are ignorant of what he says, that we know as well as he that part of the Country doth not belong to this Gov\textsuperscript{t} We know what sort of Claim the French make thereto, viz. that about 30 years ago they sent some of their Men there to War against (p. 124) the Indians, they lost many of their Men thro Famine & the rest were obliged to leave that place being the Indians were too powerful for them & starved them from the Settlements they made. If that gives them a good Title to take Possession of & claim that Country we leave yt Excell\textsuperscript{y} to judge. They have had a Fort there first. This very Land & to the Westward of it the five Nations have in 1701. given to His Majesty as appears by the Minutes kept here.\textsuperscript{1}

We are informed that about 400 men are going up from Montreal to make a Stone Fort at Niagara & that Priests are to go to the Sennekas Country. the French are very diligent to preserve their Trade & embrace the least Opportunity w\textsuperscript{th} may be for their Advantage & Interest. It seems on the Contrary that hitherto WE have neglected & slighted it, but we hope that proper Measures will be taken to disappoint the pernicious Designs of the French, if that be not speedily done we are apprehensive that it will not only be to our utter Ruin & distraction but also on the Neighbouring Gov\textsuperscript{t} on the Continent. —

(These Observations of the Commiss\textsuperscript{t} confirm several observations I have thrown in by way of Notes to the Abstracts & I am of opinion the Supineness of this Colony formerly [have] has prejudiced it & given advantages to the French w\textsuperscript{th} we shall never be able to retrieve. If any Method is left it must be by very Vigorous Proceedings & throwing the Managment of Indian Affairs into another

\textsuperscript{1}this Surrender hath been several times mentioned in these Records & the Original Deed from the Indians w\textsuperscript{th} I am informed is in possession of the Lords of Trade, doth certainly exclude the French from any Legal Claim to Fort Niagara & to the Westward as far as that Deed implys & vests it in the Crown of G\textsuperscript{t} Britain to whom it belongs by the Jus Gentium.
channel than by Albany Commiss** I will look over the
Minutes of the Council at this time to see if any Copy was
taken of the Mons' Vaudrieul’s Letter above mentioned
& if Govr Burnet wrote anything to him on the Subject
of Niagara)h

I find by the Minutes of Council the French Advanced
only the same unsound & indeed False Arguments by Mr
Vaudrieul in relation to Niagara, as are sundry times
noted in these Abstracts, & were answered in the manner
frequently mentioned in these Papers. (P. 125.) I find
by the Records that the Trade at Albany with the far
Indians began again to revive & that they had hopes of its
increasing. There is no doubt this was owing to Govr
Burnets prohibition of the Trade from Albany to Canada,
wh was a wise exsalent Measure.h

Albany 11 June 1721. Laurence Claasse the Interpreter &
others who was sent to the Sennekas Country to watch
the Motions of the French, return & report. That Mons'
Longuiel Govr of Trois Riviers marched from Irondequat
to Niagara with 100 Men & told the Sennekas that on his
return he would pay them a Visit. he accordingly did &
then Spoke to them as follows.

Children

I am come to see whether it be true what I heard at
Montreal, that 200 Men were gone from Albany to de­
molish the House wh we have built at Niagara; if the

Numbers of Indians of Six diff Nations in May & June came to Albany to
Trade & entered into Treatys of Peace with this Govr & all of them said the French
had used every Artifice in their power to prevent their coming to Albany; but they
would not be hindered. All this was the Effect of the prohibition of the Trade with
Canada. And yr Commiss** tell the Indians so notwithstanding such Numbers of
Western Indians whom the French had for many years past supplied with Goods
wh they purchased at Albany came down to Albany to Trade since the prohibition
of the Canada Trade, & a fair Prospect of carrying the whole Trade with the Far
Indians, wh it was evident must in time have put an End to the french influence
over those Indians thrown it into our Scale, & prevented any French Settlements
or Forts in those parts, Yet none of these public advantages could deter these
Albanians [into] from this pernicious Trade. It is hardly possible to keep ones
Pen within the Bounds of Moderation, when these Vermin come in ones way.
English had taken Possession of that Passage & demol­ished the said House, I would have demanded the same Thrice according to our Christian Custom, but if they had then not surrendered it I would have taken it with Force of Arms, Not that we claim that Land, but we built there only a Trading House to furnish the Indians with Goods & necessaries coming & going to & from Hunting wth if we leave we will destroy it our Selves & not suffer it to be done by others having obtaine y leave to build there. And he said further I suppose the English infuse into your Ears that we shall build a Fort there & anoy you, but do now promise not to make any stronger Building than what is now Erected.

II July 1721. Some Indians who live near Tughskrondie or LeDroit come to Albany to Trade, They say they have not been there before for 20 years, but rejoice the Path is now again opened that they may visit their Antient Friends & Allies.

The Commissrs welcome them & tell them they will find Goods much cheaper than they could get them from the French who had ’em from Albany, but that Trade is now prohibited & desire them to acquaint all the adjacent Indians therewith.

(P. 126.) Albany 7 Sepr 1721. Govr Burnet meets the 5 Nations at Albany & makes a long & pathetic Speech to them, It appears to me [nothng] perfectly adapted to wean the Indians from the Influence of the French whose Govt whose Politics & Emissaries he paints in a just Light to the Indians, & points out to them by solid & animated Reasoning that it is their true Interest to remain sincerely stedfust to their Antient Connexions with this Govt, & not suffer their Fidelity to be shaken by the Artifices of the French. with regard to their Settlement at Niagara he tells them.

When the French come among you again let them know that you disapprove of their coming into your Country & living on your Land at Niagara or any where else,
that you give them positive Notice to take away said House & to come no more into your Country, and that after this warning given them if they do return you will complain to me & inform me who the Persons are that offend. for the French have agreed in their last Treaty in Express words not to Molest the 5 Nations w•th they certainly do if they come among you & live upon your Land.

If the French are not permitted among you some of our People would come & live with you & supply you with Goods much cheaper & better than the French. —

he tells them he enquired what in their Opinion was the surest Method to weaken the French & oblige them to abandon their Forts. And he found it was their Advice to stop the Trade from Albany to Canada; this he accord­ingly had done, tho he found it was not quite Broke.

he tells them he has bro as noble a Present from his Majesr King George as ever was given them but he will not give it them till they have made their Answer that they may not have it too soon to be cheated out of it for Rum. — Vide Notes pag. 85.

(P. 127.) Albany, Sep• 1721. The Answer of the 5 Nations. To the forementioned Speech of Govr Burnets [the 5 Nations in w•th they did not seem to] shows they were convinced of the force of the Gov•s Reasoning with them. They renew the Gov• with all his Majesties Subjects in America & promise to preserve their Faith inviolable with this Colony & solemnly [promise] engage they will hold no Correspondance with the French inconsistent with their Fidelity to this Gov• & that in relation to the French Settlement at Niagara they will behave as the Gov• has advised & directed. (I have met with no Speech of the Indians in w•th they seem to be in a better Temper or more disposed to have Co-operated with any Measures w•th the Gov• at this time might have proposed to them, and I think it is to be wished some vigorous Proceedings had taken place at this Juncture with regard to the French
Encroachments upon that part of the Country which had been Solemnly annexed to the Crown of Great Britain & asserted by the Spirit & meaning of the Treaty of Utrecht. had Govr Burnet whose Integrity & Capacity I have heard much commended here, been properly informed of the Influence the French had gained over the 5 Nations & that certain degree of Awe they had inspired them with, he would not I think have rested the Affair of the French incroachments so much upon the Indians Managment, but have profited by their present happy Disposition & immediately have proposed some decisive Plan of Action to the Assembly; but whether he thought after this manner, or was distressed by Party, [by] from having thrown himself into the hands of One to combat another according to that Capital Error of most Colony Govrs I am not sufficiently informed to determine. I may make a wrong Judgment, but I think this was a critical Opportunity to have Defeated the Indian Politics & crushed the rising Power of the French with regard to the Indians in these Parts. And I have prophetic Fears that it was an irreparable Neglect, if not, as at this time so I am persuaded at all others, that the total Extinction of all Trade & Correspondance from Albany to Canada must be the Groundwork of any true Political Opposition to the French Scheemes of Extending & securing themselves on this Continent, but this [affair] Opposition depends upon such a Unanimity of several Neighbouring Colonies in general & such a prevailing Public Spirit of each in particular as I fear cannot with any great Probability be expected. A Parliamentary interposition might do much. — but in these Matters I will remember, Magis offendit nimium, quam parum.

(P. 128.) before Govr Burnet left Albany he ordered a Smith & his Man to be posted in the Sennekas Country & that £100 — out of £500 voted by the Assembly to be laid out encouraging Settlements among the Indians, should be given to encourage a Number of People to go up & settle
at Irondequat on Lake Ontario in order to push a Trade with the Far or western Indians & that such as went there should Trade as joint Stock Company & were to be under the direction of a Principal, And that they were to communicate how the French received what the Indians would say about their being settled on their Land. —

Albany 15 Sep' 1721. After Govr Burnet had left Albany the Sachtakook Indians came thither & say they were out a hunting when the Govr was there & are sorry they lost the Opportunity of speaking to his Excell'r — but they will now tell their Grievances to the Commiss'r they say, their Hearts cry within them because they are very much abused in this City, for when some of their People come to drink a Gill of Rum they are Inticed to drink till they are drunk & then they pawn their Blankets Cloaths & Jewels.

Albany 25 Nov' 1721. Laur. Claasse the Interpreter returns from the Sennekas Country & reports that they had an Acc' there that Jean Coeur the french Interpreter with 30 Men were at Niagara & were strongly fortifying their Settlement there & that the French were taking Possession of all the principal Passages & hunting Places of the 5 Nations about Lake Ontario. —

11 Dec' The French by false Reports & Scandalous practices on the 5 Nations raise great Commotions amongst them making them believe the English have an Intention to cut them off &

Laur. Claasse is sent up to Onondaga to clear up these Matters.

31 March 1722. The Commiss'r receive Information that the prohibited Trade to Canada is carried on by certain Persons in Albany but it is not recorded by whom

Albany 3 May 1722 — Laurence Claasse the Interpreter having been dispatched to the Senneka to remind them what they had promised to say to the French upon their Settling at Niagara returns & says the same Sachem who spoke last (p. 129) year to the Gov'r on his return had told Jean
Coeur the French Interpreter that their settling at Niagara was disagreeable to the 5 Nations & desired that the French would demolish the House they had built there & quit their Settlement, to wch Jean Coeur had answered, That he would not break down the House at Niagara but continue his abode there & would have nothing to do with the 5 Nations, & say'd if your Bro Corlaer can show better Title than my Master the Govr of Canada who ordered me to build that House there & when he gives me Directions to demolish it it shall be done & not before, but I doubt whether the Two Govrs can decide the Matter, I think it must be done by the Two Crowns. —

Albany 21 May 1722. Sixteen Ottowawa Indians come to Trade at Albany & say they broke thro many Obstacles from the French

4 June 1722. The Commissr write the Govr that the prohibition of the Trade to Canada proves to be ineffectual for that Trade is still privately carried on, & that it is in a great measure owing to his Excellency granting Passes to persons to go to Canada & that those Passes are only made use of as a Cover for Trade.

They write, some of the far Indians are here & many more would come in Time if the French were not supplied with Strouds from hence.

They write again the 4 July as follows

We have been honoured with your Excellency's favours of the 19 & 23 Ult. We are glad your Excellency & the Assembly are sensible of the ill Consequences of that pernicious Trade with our Neighbours of Canada for Indian Goods has been to this Province & still will be if not timely & Effectually prevented. —

N. B. The Indian Trade at Albany was formerly & is still divided into Two Branches, the Northern & Western

1 the Effect of the prohibition of the Trade to Canada
Trade, the former to Canada the latter among the 5 Nations & the far Nations.

The commissrs at this Time from their sanguine Opposition to the Canada Trade were I suppose Western Traders. The greatest Fortunes have been got & are at this time getting by the Canada Trade wth is a proof what supplies we give to the French, wth increases & extends their Indian Interest, for wth they wisely pay us in the Canada Trade.

(P. 130.) I find notwithstanding an Act of Assembly prohibiting the Trade to Canada, by the Commissrs Letters to Govr Burnet that Trade was largely carried on from Seraghtoga & Woodenfort about 40 Miles from Albany in the Road to Canada & that the Officer posted there with a Detachment of the Indep⁴ Company was expected to be concerned in the same.

Albany 27 August 1722. Govr Burnet. Coe Spotswood Govr of Virginia & S Wm Keith Govr of Pensilvania meet the 5 Nations.e—

Govr Burnet opens this meeting with a Speech wherein he acquaints the 5 Nations that himself & these Gentrs are come to renew the Covt Chain with them & to settle several other Matters with them that there may hereafter be a perfect Harmony between these several Govts & the 5 Nations. —

Co¹ Spotswood Speaks next & tells the 5 Nations that they have never strictly adhered to any Treaties made with that Govt for these 50 years past, & as they have often desired that some Deputies Might come from Virginia to Albany to Treat with them, he is now come to make such a Peace & Treaty with them in behalf of the Christians of Virginia & the Tributary Indians bordering upon that Province as shall be forever inviolable. And says that the foundation of this Peace is, that the River Potomack & the high ridge of Mountains wth extend along the Frontiers of Virginia to the Westward of the present Settlements are to be the Boundaries between the 5 Nations & the Virginians X"
& Indians — so that none of either Govt shall pass them without Passports from their respective Gov't or Commr in Chief. And that he expects the 5 Nations solemnly Assent to these Limits as the preliminary Article of their present Treaty with he promises on the part of Virginia.

Sr Wm Keith next Speaks & sets forth the long Peace & good Correspondance which has subsisted between the Gov't of Pensilvania & the 5 Nations & that he is now come in Company with the Gov't of New York & Virginia to renew fix & brighten the Gov't Chain to make them some Presents, & gives 2 Belts of Wampum the One to be kept as a Memorial of their Unity & Friendship, the other to put them in Mind, that Fidelity to their Allies, & the Arts of Peace are the wisest Methods to secure & strengthen any Nation.

(P. 131.) Albany the first & fourth of Sep't 1722. the 5 Nations Answer Gov't Burnets Speech, in which they assure him they have kept the Gov't Chain inviolable & fulfilled all their Promises & his Directions which they made & he gave them at their Meeting last year, & that they do unfeignedly resolve to persevere in the same Conduct.

They acknowledge that some Sachems whom they daily expect at Albany have been to Canada & that the Gov't shall know what they have done there as soon as they arrive —

That according to his Excellency's request they have not only encouraged the Far Indians to come & Trade at Albany but have sent Agents among them to prevail on [them to come & Trade at Albany] others to do the same & have assured them they will find Goods much Cheaper there than among the French.¹

¹ these Zealous Endeavours of the 5 Nations was the Consequence of the Prohibition of the Canada Trade which they had frequently & earnestly desired might take place had it been strictly kept up & vigorous measures taken with regard to the French Settlements on the 5 Nations Land, almost the whole Western fur Trade would have centered in this Colony with a proportionable degree of Influence amongst the Indians. for those will ever go hand in hand
Albany 6 Sep. 1722. The 5 Nations & a Castle of Tuscarora Indians lately settled between Oneide & Onondaga make Answer to Gov'r Spotswood's Speech & Proposals & they solemnly engage & sign the Preliminary Article with regard to the Boundaries mentioned in Gov'r Spotswoods Speech between the Christians & Indians in Virginia & them.

And by way of Exhortation to Gov'r Spotswood to be faithful to thee' Peace & agreement now entered into they say to him as follows.

"It hath pleased God to make you Christians and us Heathens, but we hope we shall both act according to our Capacities & be faithful to our respective Promises & Engagements. Some are placed in high Stations & some in Low; but there is One above Who rules & governs All & will judge us according to our Actions."

10 Sep. They Answer S'r Wm Kieths Speech to them & solemnly renew the Covenant Chain with the Province of Pensilvania & lay down several Furs in confirmation of what they say. —

12 Sep. further conferrences passed between Gov'r Spotswood & the 5 Nations relating to the Treaty between them & Virginia wch ended in a firm Union & concurrence on both sides. —

Gov'r Burnet concluded this Meeting with a long Speech to the Indians in wch he told them that himself in Conjunction with the Gov't of Virginia & Pensilvania did not only renew the Gov't in behalf of their own Gov't but of all the English Colonies in North America. And this was assented to by the Indians. —

(P. 132.) About this time a War broke out between New England & the Eastern Indians, Gov'r Hunter prevailed upon the 5 Nat's to send Deputies to the said Indians to endeavour to procure Peace, this was done but not Effectual. however the Gov'r of Boston proposed to Gov'r Burnet that they might have a Meeting with the 5 Nat's at Albany in order to procure their Assistance or Interposition wch was agreed to by Gov'r Burnet & the Interpreter
was sent thro the 5 Nations with a Summons for the said Meeting
the 20 May 1723. —

The 8th & 21. May several Western Indians come to Albany to
Trade & say if they are well used greater Numbers of their
Nations will open & continue this Trade, tho the French
do all they can to hinder it.

21 May 1723. Laurence Claasse the Interpreter who was sent
tho the 5 Nations to summons them to meet the Govr of
Boston at Albany returns & reports that he could not pre­
vail upon the Sennekas & Onondagas to come down &
found the reason was, that Jean Coeur the french Inter­
preter had prevailed upon them to refuse to be present
at this Meeting. That he had desired leave from the
Sachems of the Sennekas to build a Fort at Onjagara
(Niagara) but they had refused, but had given him leave
to build a Trading House at Irondequat 1

he also informs the Commiss® that the Tuscarores are
received to be a Sixth Nation, so that from this time the
Six Nations take their Date. —

I find by the Minutes this Day that the Senneka
& Onondaga Sachems do come down to Albany to the
Boston Meeting.

29 May 1723. Eighty Men besides Women & Children belong­
ing to several Tribes who live upon the Borders of Lake
Huron & Lake Erie 2 come to Albany to Trade & bring
with them the Calumet or Pipe of Peace wch they smoke
& present the Commiss® to smoke out of, (The Solemn
Act of Peace Friendship & Security amongst the Indians.)

1 Is it not hence evident that the French deemed these Places above mentioned
to be the Country of the 5 Nations. that they are so I put down as a Fact appar­
tent from many passages in these Abstracts & also that they were annexed to the
Crown of Great Britain by a Solemn Surrender from the 5 Nations in 1701.

2 "They [the Indians above referred to] being asdk where abouts they live
and how the french Call these settlements, they Say (by what could be understood)
it is Called monsiemakenac." Original Indian Records, ii. Probably Michilli­
mackinac. Wraxall was not very strong on geography and neither were the
commissioners. — En.
They say they have sent Calumets of Peace amongst the Six Nations & are empowered by their Several Tribes to desire they may be joined as a Seventh Nation in the Cov't & League of Peace & Unity with this Gov't. They say they have long been endeavouring to come to Albany (p. 133) but have been hindered by the contrivances of the French. That if they find themselves well used in Trade that shall use their Interest with all the Upper Nations their Friends & Allies to bring them into Peace Union & Trade with this Gov't —

The Commiss' welcome them accept their offer of Peace & Unity & in compliance with their request receive them as a Seventh Nation.¹

Albany 28 May 1723. The Commiss' of [Albany] Boston met the representative Sachems of the Six Nations & opened the Conference with a Speech putting them in Mind of the Covenant Chain w'ch hath so long subsisted between them & the 6th Indians & w'ch hath always been kept inviolable on both sides. that they are now come to renew & strengthen the same in behalf of the Gov't of Boston. —

30 May the Sachems Answer & acknowledge the Antiquity & uninterrupted Peace & Harmony w'ch hath subsisted between them & the Gov't of Boston, that they are pleased to see them come with a Design & desire to renew & Strengthen the Cov't Chain w'ch they do now concur in.

The same day the Commiss' make a further Speech to the Sachems & rehearse to them the rise of their Present war with the Abnequois or Eastern Indians, who tho bound by written Articles of Peace & Subjection to the Crown of Great Britain & the Gov't of Boston as Subjet thereto, have broke their

¹ the surprizing concourse of the Farr Indians to Albany who formerly traded with the French, since the prohibition of the Trade to Canada, is an irrefragable Proof of the great advantage of that prohibition & as Trading is the Only Cement to bind the Indians to our Interest, if proper Methods had been taken to fix & extend this Chanel of Trade, & a Vigorous opposition made to the French at this propitious Juncture, it appears to me the French might have been drove back to their proper Limits in Canada & have been ever rendered incapable of disturbing the British Settlements in N. America.
Faith & Allegiance made war upon & destroyed the Properties & lives of his Majesties Subjects in those Parts. they have therefore declared them Traitors & Enemies & do now call on the Six Nations as fellow Subjects & Allies to take up the Hatchet & assist them against the sd Eastern Indians & desire to know whether they will comply. If they do, the Deputies from Boston tell them the presents they have now to give & the further Encouragement they will receive.

(P. 134.) Albany 31 May 1723. An Indian [from] of a Tribe called Agiehantehook settled near St Francois in Canada arrives & Speaks to the Commiss" for this Gov" & the Six Nations to the following purpose.

he acknowledges their Tribe had joined the Eastern Indians in their wars upon the Govt of Boston, but upon the Message which had been sent from the Six Nations, they had deputed him to go to the Eastern Indians to propose Peace & laying down the Hatchet, that he went, & had prevailed with the sd Eastern Indians in whose Name & by whose Authority he now comes & in the most Solemn & publick Manner lays down the Hatchet of war in behalf of the Eastern Indians & his own Tribe & burys the same for Ever —

3 June the Six Nations make their Answer to the Govr of Boston.

In relation to taking up the Hatchet of war against the Eastern Indians, they rehearse the above Message. And they say will put both Hatchets together & desire the Govr of Boston to appoint within Sixty days some Place of Meeting, when they will direct the Eastern Indians to send their Deputies thither & that the Six Nations will do the same & bring the said Two Hatchets with them & there endeavour to compromise Matters & conclude a reconciliation & Peace on all sides.

4 June Boston Deputies Answer, that Peace is not within the Power of their Commission to talk on, And that these Eastern Indians have behaved with so much Perfidy & Treachery that nothing will bind them, however if the Six Nations will not take up the Hatchet, they will acc-
quaint their Gov’t with the Proposal & if it should take Effect the Six Nations must solemnly promise that if the Eastern Indians do again break the Peace they will pursue them unto Destruction.

In the afternoon the Six Nations Answered & said if a Peace was concluded at Boston where they desired the Meeting might be, they would be Sureties for the Eastern Indians & if they should then break it they would take up the Hatchet against them. After Comp’ts on both sides this Meeting broke up.¹

(P. 135.) Albany 5 June 1723. The Commiss’r for Indian Affairs Spoke to the Deputies of the Six Nations & reproached them with harbouring Jean Coeur the French Interpreter amongst them & giving him leave to build a Trading House at Kaskoghsago near Irondequat on Land (say they) you long since resigned to the Crown of Great Britain.

They desired to be excused giving an Answer to this Matter at present but will when their Deputies go to Boston.

¹6 June. Some farr Indians who used to Trade with the French [come] arrive at Albany with Furrs to Trade.

I find in the Act of Assembly made against the Canada Trade the Commiss’rs of Indian Affairs were empowered to administer a[n promise] Oath to such Persons as they suspected to be concerned in said Trade, w’th they accordingly did to several among w’th Three Persons are recorded to have refused taking the Oath.

¹2 July 1723. Sundry Indians from several remote Nations come to Albany to Trade & say they are Commissioned by Nations of Indian who live still beyond them to know whether the Road is free & Open for them to come to Albany. They say the French throw all the Stumbling Blocks they can in their way. —

¹ Previous to this Meeting & at it, it was publickly acknowledged by the Deputies from Boston & the 6 Nations that the latter were under the immediate Controll of this Gov’t that the other Colonies ought not to transact any public Buisness with them, nor they with Those without first making Application to this Gov’t this same Subordination was owned in the late Conferences between Virginia & Pensilvania & many of the like Occasions formerly. —
These Indians Complain & the Commiss' write the same to the Gov' that the People at Schenectady (a Dutch Town or Town of Dutch abt. 16 Miles from Albany thro which all Indians from the Westward must pass & where the Water Carriage ends) Steal their FurrS from them & that several Packs had been stole from the Indians w'ch they could never retrieve. Some of these Poor People came above 600 Miles — to be plundered by Dutchmen in One Town & Cheated by them in Another. And yet these Wretches most of them learn by heart a Catechism of near 300 Pages & will not miss Church two or three times on Sundays upon any Acc'— but to get money.

Albany 9 Aug 1723. The Deputies of the Six Nations arrive in their way to Boston & speak to the Commiss' — They say agreably to Gov' Burnets Instructions they had spoke to Jean Coeur to to demolish the Trading House built at Niagara on their Land, but that Jean Coeur had refused to do it unless he had the Gov' of Canadas Orders. They say. We the (p. 136) Sachems [Sachems] and Representatives of the Six Nations being Twenty two in Number do now make our Complaint unto you that Jean Coeur the French Interpreter will not take away the House till he has orders from the Gov' of Canada for so doing.—

In the months of Aug & Sep 1723. I find by the Records that the Eastern Indians had cut off a Town on the Frontiers of New England & were prosecuting the War more cruel than ever. that the Commiss' write Gov' Burnet that they are certain the Gov' of Canada is at the Bottom of this Affair & supplies them with Arms & Amunition & that he hopes to draw this Province into an Indian War & by that means obstruct our Trade with the farr Indians w'ch they say they are persuaded he will leave no Stone unturned to Destroy.

7 October. The Indian Deputies who went to Boston return & give the Commiss' an Acc' of their Transactions in w'ch they say that the 6 Nations in Conjunction with the
Shagtakook & River Indians had taken up the Hatchet against the Eastern Indians, but that they think the Govr of New York & Canada should write to their respective Kings to direct all the Hostilities to cease in America when a general Peace is subsisting in Europe. —

18 Novr. The Commissrs having received Information that the Govr of Canada had sent Agents among the far or Western Indians to endeavour to prevail on them to assist the Eastern Indians in their war upon New Eng’d Laur. Claasse the Interpreter is dispatched to the Sennekas Country to get some Indians there to carry Belts to the sd far Indians in behalf of this Gov’t to dissuade them from joining with the sd Eastern Indians.

22 Novr Several of the Schaakhook Indians having left their Settlement & retired to Canada the Commissrs sent for some of them to Albany to enquire the reason. They say that the Christians who are (p. 137) settled near them have encroached upon their Land & confined them to a Barren Spot wth will not maintain them & they desire they may be allotted another part they name wth is more fruitful

The Commissrs take no notice of their Complaint but they are sent back wth an Exhortation to endeavour to get their Country men back 2

1 how perfidious & Dishonourable this Conduct of the French was, is too obvious to need any particular Proof. It is not only a fresh Instance of their National Character in Politics, but a convincing Argument how much the Proceedings of this Gov’t with regard to the Indian Affairs alarmed them. They saw how fatal the Consequences would be to their vast Designs if we persisted & improved upon our Measures wth had we done at this Juncture, I am persuaded a Mortal Stab would have been given to the French Influence & Trade amongst the Indians to the Westward & Southward of Lake Ontario.

2 I met with some Complaints of this kind in the former part of the Records but as these Indians are now become a Scattered few I did not think it very necessary to take notice of their Affairs. but this cruel & unjust Treatment of these poor people who were the Antient Proprietors of the Soil of the Greatest part of the County of Albany & ever faithful Friends to the first Settlers, is a Notorious Proof what a set of real Barbarians the New Inhabitants were, I suppose the Poverty & weakness of these poor People was the Cause of the Injustice they suffered.
I find by the Commiss\textsuperscript{rs} Letters to Gov\textsuperscript{r} Burnet that he had a Suspicion they the Commiss\textsuperscript{rs} employed their Influence to hinder the Six Nations from assisting the Gov\textsuperscript{t} of Boston in their War against the Eastern Indians. It is certain from their own Letters that they were very much against engaging the Six Nations in an Indian War—What were all the particular Reasons for Gov\textsuperscript{r} Burnets Suspicions dos not appear they Commiss\textsuperscript{rs} deny any such Practices. but from the general & hereditary Character of the Albanians, where there private Interest is concerned there are few things too Scandalous to suppose them guilty of. —

Albany 25 Feb\textsuperscript{ry} 1723/4. the Commiss\textsuperscript{rs} are informed that [several] some Persons either from Massachittets Bay or Connetecut were purchasing Lands from the Indians without a Licence from Gov\textsuperscript{r} Burnet w\textsuperscript{ch} was contrary to a Proclamation Issued on that Subject

4 May 1724. Two principal Sachems of the Sennekas appeared before the Commiss\textsuperscript{rs} & acquainted them, that the Sachems of Onondaga had sent Deputies to the Gov\textsuperscript{r} of Canada to acquaint him that they were affraid from the great Number of far Indians who passed thro their Country to go to Albany some Mischief might be comitted by some of them w\textsuperscript{ch} they should certainly revenge.

That the Gov\textsuperscript{r} of Canada replyed he had the same Fears & that there was one way to prevent it w\textsuperscript{ch} was for the 5 Nations to admit him to build Two Forts, One at Niagara & the other at the Mouth of Onondaga River at the Entrance into Cadaraqui Lake. (where Osswego is now built) & gave the s\textsuperscript{d} Messenger a Belt of Wampum to carry to the 5 Nations to enforce this Proposal. (P. 138.)

The said Belt was produced at Onondaga & the Gov\textsuperscript{r} of Canadas Proposal debated by the Assembly there, to wit the Sachems of the Sennekas, the Cayouges, Tuscaroras, & Onondagas; the Oneida & Mohawk Sachems not being present.

But the s\textsuperscript{d} Assembly rejected the Belt & Proposal of the Gov\textsuperscript{r} of Canada, & it was resolved that the Belt
should be returned him & a Message sent to him that he should not be admitted to build any Fort on their Land. this resolution being afterward imparted to the Sachems of Onieda & the Mohawks was approved by them.¹ —

There was also information that Jean Coeur was coming up to Niagara to build a Fort there. —

Albany 10 June 1724. Several Sachems Deputed from Four Castles of Indians living in Canada arrive in consequence of a Belt of Wampum sent to them by the Commissrs to desire them to lay down the Hatchet against the People of N. Eng'd They say they will comply with our request & do accordingly lay down the Hatchet & will no more commit any Hostilities against the People of New Eng'd & will influence as much as is in their Power the other Indians to do the same.

The Commissrs Answered that they were well pleased to find they had complied with their request & by that means shown their Disposition to preserve that Harmony w'd had so long subsisted between them & this Gov't.  

Obs² / I shrewedly suspect that as the prohibition of ye Trade to Canada had occasioned a great scarcity of Goods there, the real Intent of the Indians Journey to Albany was to purchase Goods & that this laying down the Hatchet was but a specious pretense for the Gov't of Canada has them so absolutely under his command that without his Consent their making Peace or a Neutrality would not signify. These Indians are the Brokers or Factors & Carriers for the French & the Albany People in their neutral Trade. —

(P. 139.) Albany 10 July 1724. The Commissrs proposed to the Sachems of the 6 Nations that they should choose out proper Deputies to go once more to Boston to endeavour to settle a Peace between that Gov't & the Eastern Indians

¹ dos not this prove the French were conscious these Parts where they wanted to build Forts belonged to the 5 Nations, & it is certain the Indians had annexed these parts of their Country in particular to the Crown of G't Britain as has been often mentioned. however the French have now Two Forts One at Niagara the other at the Head of Lake Erie. both on that Land annexed to the Crown.
& in pursuance thereof should immediately dispatch proper Messages to the Eastern Indians to send Deputies to Boston to meet them there & if they would not comply herewith & make Peace upon reasonable Terms that the 6 Nations should send them word they would oblige them to do it Sword in hand.

The 6 Nations say will comply with this Request of the Commissrs

14 July Several Far Indians arrive to Trade with Bever &c & say the French used every Artifice in their Power to prevent their coming to Albany & had by promises & Threatenings prevailed upon 30 Canoes of Indians to go to Canada who had never been at Albany & intended to have come with them hither

7 Aug Several Indians of the Kenondadie Nation to the westward come to Albany to Trade.

17 Aug 1724. The Commissrs resolve to send Particular Messengers with Belts of Wampum to the Indians who deserted from Schaakkook to request them to return to their former habitations, they having made several [Indians] Inroads upon the Inhabitants of New England.¹

Albany 15 September 1724. Gov Burnet meets the 6 Nations & makes them a Speech in wch he renews the Cov Chain with them in behalf of of this Colony & all the British Dominions in North America. he tells them that several Persons are willing to go & live up at the Mouth of Onondaga River in order to Trade with the far Indians & that he proposes for their Accomodation to build a Block house there & hopes & expects that the Six Nations will behave

¹ these Indians were once Numerous, Powerful & faithful Allies to this Gov & a Barrier to it on the N.E. towards Canada, & if they were drove away by the Injustice & Encroachments of the People who settled near them as their Complaint formerly mentioned seems to point out. It was no less Impolitick than Cruel & perfidious. For my own part I am of opinion that the Dutch of Albany & the adjacent Country have ever made an immediate temporary Interest their only rule.
like Bretheren to the people who are to (p. 140) go & settle there.¹

The Six Nations Answer.

"This Town of Albany has been of old a place of Meeting & Treaty between us, & since that time it has been agreed that this should be the place only of Treaty not only between this Govt & us but with all our Neighbouring Colonies of North America to be a fixed & settled Place to treat of Peace & Tranquility & those who had any occasion to treat with us might come & meet us here."

They solemnly renew the Govt not only in behalf of this Govt but all the British Dominions in North America.

They tell the Govt his kindness to them exceeds that of his Predecessors. *That Trade is the cheapest Motive to promote Friendship.*²

They are well pleased with his Excellency's Design of building a Block house at the Mouth of Onondaga River & say if those who settle there will sell as Cheap as they do at Albany it will prove a Beaver Trap & catch all the Bever.

But they propose the intended Block House to be at the End of the Oneida Lake & desire the Govt's Opinion thereon.

The 19 Sep 1724. Govt Burnet made Answer to the above Speech of the Six Nations viz.

I always like to hear your Answers that come from yourselves but I do not like the Answers wth the Traders here put into your Mouths, for they neither love you nor me, but mind only their own Profit, & therefore I expect that for the future you make all your Answers yourselves & never (p. 141) Advise with any of these Traders what you shall say for I can always find out what is your own & what comes from them.

¹ This Block house is now the Trading House wth is called the Fort at Oswego abt 300 Miles from Albany, as I have been informed by an Lieut of the Indep Companies lately posted there, in a poor condition & little capable of making any great Defence, & from a rough Plan of it given me by Mr Evans the Map maker there is a high hill within Musket Shot of it wth overlooks & commands it.

² The Indians frequently repeat that Trade was the foundation of their Alliance or Connexions with us & that it is the chief Cement wth binds us together. And this should undoubtedly be the first Principle of our whole System of Indian Politics.
As to the Block house it must be at the Onondagas River Mouth & not at the Oniedas Lake for the far Indians pass only at the Mouth of the said River & do not come up to the Oniedas Lake, so that the Bever Trap would then be so far off that it would catch no Bevers at all, And this a thing the Traders put into your head on purpose that the Bevers may all go to Canada where they had rather Trade with the French than with you, by w^e^h you may see they are not your Friends.

Another false story they have put into your heads is, that Goods should be as cheap at the Onondagas Country as here w^e^h they know cannot be for then there would be no allowance made for the Trouble of carrying them w^e^h however I will order them to make as small as they can afford it.

I am always ready to show you what kindness I can but I will not suffer my People who are under my Gov^t to put Notions into your heads contrary to my Desires for your Good & if I knew them I would punish them for their Presumption in doing it, so that I must expect from you as a proof of your thankfulness to me that you will be advised in these things by none but me & these Officers whom I think fit to appoint & then we shall always remain good Bretheren.¹

N. B. That influence w^e^h private Persons from their own Selfish & Lucrative views have upon the public Speeches of the Indians w^e^h Gov^r^ Burnet above complains of, is more or less the Case in most Conferences to this day. the Indians where they do not perceive their immediate Interest are easily persuaded to speak according as it dictated to them, & few of their public Speeches are the genuine produce of (p. 142) their own Wills & Sentiments, they often unknowingly enter into the Personal Views & resentments of others, this Collusion with the Indians very often misleads

¹ The above is faithfully extracted from the Gov^r^ Speech as recorded, & seems to me an incontestible proof in Point with how much Justice I have Attempted to Delineate the Character of these Albany Traders in the Strictures to these Abstracts. They are People from whom I have received no Personal Injury & towards whom I am not conscious if any ungrounded Prejudice. My reflections arise from Facts against them, their well-known Character & my sense of & Love for the Public Good, to w^e^h they have (in general) been & I am afraid are still [Insensible] Insensible.
a Govr & injures the Public. Methods might be found out to prevent or at least to obviate these indirect & scandalous Proceedings were we provided with Interpreters upon whose Integrity [we] a dependance could be made, but they are often party's in the Case or bought or influenced to be such, They live at Albany & are Dutchmen. The present Colony Interpreter is the Son of a Negro Woman & I know understands neither Dutch nor English. Well, I have tried him in both Languages & have with great Difficulty been able to make Sense out of his Interpretation in either Language. The Interpreter ought in my opinion to have a handsome Salary & be a Man of Substance & Character to be upon Oath neither to be concerned directly nor Indirectly in any Indian Trade, & if possible not to reside within the Air of Albany & every time he acts as public Interpreter to have the Oaths renewed to him &c &c.

In this Conference I find Govr Burnet reminds the Indians of their Promise to take up the Hatchet against the Eastern Indians if they continued to refuse their Mediation between the Govr of Boston & them. The Eastern Indians still continued the War & Boston Commiss'rs were now at Albany to apply to the Six Nations to join them in the 5th War against the Eastern Indians, the Govr calls on them to fulfill their Promises & assist the People of Boston.

how this affair was settled between the Boston Commiss'rs & the 6 Nations the Records do not mention nor anything further upon that Subject.

By the Commiss'rs Letter to Govr Burnet dated the 3d of October 1724. I find the 6 Nations refused to take up the Hatchet in favour of the Govr of Boston & advised the Commiss'rs to make Peace on the best Terms they could.

I find the Trade to Canada is carried on in Spight of the Law & penalty to the Contrary, & that the Commiss'rs are very suspicious that Perjury is made use of to evade the Penalty. the following is Extracted from a Letter they wrote Govr Burnet on the Subject.
Sir

"Our last was the 3d Inst where we take leave to refer. Mr Hansen & Cornelis Cuyler are returned from Canada & since their arrival are brought to this Place 114 packs of Bever besides Deer Skins & several Canoes yet expected we suppose cant be for Christian Goods only. The Sherrif has a Warrant to apprehend the sd Hansen & Cuyler to bring them before this Board in order to tender them the Oath provided by Act of Genl Assembly for preventing Illegal Trade with the Subjects of the French King.

"The first has been brought before us who has taken the sd Oath, the last keeps close & not yet to be taken, until (as We suppose) he sends another parcel of Strouds by this party of Indians now in Town & how People can take the said Oath (is surprizing) who received large Quantities of Bever, for its plain the French covet nothing more than Strouds & by what we can learn will sufficiently be supplied for the next Season, which will wholly evade your Excell"us good Purposes to promote a Trade with the far Indians. how to prevent this Pernicious Trade is a great Mystery to us, but find its not in our power since a few Men break thro the severest Laws that can be invented for the Good & Prosperity of this Province in general, tho we shall resolve to tender the said Oath to whole Families among whom any may be suspected & if it cannot be found out & prevented by that Method, we with Submission shall then be at a Loss how to act further, for its plain that Strouds is transported to Canada. — "

Albany 16 March 1724/5 Some French Indians arrive at Albany & inform the Commissr that their Govr had heard of the Trading House wch Govr Burnet had got the consent of the 6 Nations to build at the Mouth of the Onondaga's River & that he threatened if such a House was built he would come & demolish it. And that the Sd Govr had sent Carpenters & Materials to build a Fort at Niagara & Two Vessells to be built & employed on Cadaraqui Lake to fetch & carry Bever thro the said Lake from the falls of Niagara.
The Comissrs transmit this Intelligence to Govr Burnet & they say if the French are suffered to build this Fort at Niagara it will defeat all his Excellrs Intentions with regard to the increase of the Indian Trade of this Colony. They say we are of Opinion that £100 — in presents to prevent this Building of the French will go further now than £1000 — after its made. We take also leave to repeat what (p. 141) we sd in our former of the 7 Jan'y last that a Settlement at Irondequat would be of Service for it seems plain to us that if no Settlement be made among the 5 Nations we will in process of time lose most of our best & trusty Indians & then in Course all the Trade.

Albany 3d May 1725. Comissrs from the Govt of Boston having been sent to Monsr Vaudruiel Govr Gen of Canada in order to remonstrate to him upon the War wch the Eastern Indians carry on against the Inhabitants of Boston Govt stop in their return at Albany & Accquaint the Comissrs of the following particulars —

That Monsr Vaudruiel told them, he had been informed that the Govr of New York intended to build a Block house at the Mouth of the Onondaga River, that he should look upon such a proceeding as an infraction of the Treaty of Utrecht & would certainly demolish any such Building.

That he could at any time set the five Nations (who were expressly named in the Treaty of Utrecht as depending on the British Dominions) upon the English to kill & Captivate his Majesties Subjects. They say further.

That Monsr Vaudruiel has by himself or others so far instigated the Abnequois Indians as to make demands on the Govt of the Massachusetts of 30 Leagues on the Sea Coast all within the Grant of that Province from the Crown of Great Britain & in wch has been settled several Towns & many hundreds of Inhabitants & Forts built by order from home & some of them possessed upwards of 80 years, altho the same has been fairly purchased & possessed as aforesaid.
And on asking these Indians how far their demand was Eastward their Answer was in the presence of Mons' Vaudruiel, the whole Country of Lacadie or Nova Scotia excepting only the Fort of Anapolis Royal notwithstanding the said Country of Laccadia belongs to the British Crown. & these unreasonable Indians were countenanced by the said Gov'r & a numerous Company of French.

The s'd Indians told us plainly they would have no Peace unless all the s'd Land was delivered up &

We demanded an Answer from the s'd Gov'r of Canada in writing w'ch he refused, & denied that he had encouraged the said Indians in the War, tho we had his own Letters in our hands to prove he had.

Albany the 5 June 1725. Gov'r Burnet not being able to meet the 6 Nations this year at Albany, directs the Commiss'rs to send a Message to them of it & that if they have any Matters of Consequence to communicate to send Deputies to the Commiss'rs at Albany. Laur. Claasse the Interpreter is sent up with this Message to Onondaga & also to tell (p. 142) The Six Nations that Gov'r Burnet does not intend to build a Fort at the Mouth of Onondaga River but only a Trading House. —

11 June 1725. Laur. Claasse returns from Onondaga & reports that the Indians were well pleased with the Message he bro't them & said they had nothing against building a House for promoting Trade.¹

They also acquainted him what Mons' Longviele had said to them. That he was sent by the Gov'r of Canada to renew & strengthen the Treaty of Peace & Friendship between them, w'ch was solemnly done on both sides. he acquainted them that he was going to Irondequat, thence to the Sennekas Country & thence to Niagara where he proposed to have a good Strong House built for

¹ I find the Indians were much alarmed about the Block House mentioned in Gov'r Burnets last conference with the 6 Nations. whether the French had raised this ferment amongst them, or the Canada Traders at Albany or both together, the Records do not explain; but the latter is my Opinion.
Trade & to build Two Vessells on the Lake Ontario for the Transportation of Goods to & from the said Trading House.m—

It is not recorded what Answer the Indians made to this Speech of Mons'r Longeville. —

19 June 1725 — A Sachem from the Janondadies a Nation of Indians living near a French Settlement called Detroit between Lake Huron & Lake Erie appears before the Commiss' & tells them he is sent in the Name of their Nation to thank this Gov't for the Invitation sent them & the other upper Nations to come & Trade at Albany & in consequence of their accepting & approving the said Invitation he gives a Belt of Wampum.

12 Aug† The Commiss' write Gov'r Burnet that several Sachems of the 6 Nations (they are informed) are gone to Canada to treat with the Gov't & that some conjecture its to sell the Land & fall on Onondaga River where our People trade with the far Indians.

They say they do what lays in their power to prevent the illegal Trade to Canada but find it to little purpose for Strouds they are informed are plentifully conveyed to the French as well by way of Onondaga River as directly from Albany to Montreal.¹

We shall (say they) have a hard struggle to get an exact (p. 143) Account of what Bever & Skins have been got by the Western Trade we are informed the profit of these Traders is considerable & that the Number Skins is above trebble what has come from Canada.

The 2d September 1725. The Commiss' write the Gov't the most exact List they could obtain of the Quantity of Bever & Furs w'ch have been brought to Albany by the Traders with the Far or Western Indians this last Spring & Sum-

¹ The Penalty of £100 — upon being convicted of sending Strouds to Canada did not deter some, who paid it & yet found it a profitable Trade, Others swore themselves off, much to the astonishment of the Commiss' as mentioned in the above extract of their Letter to the Gov't pag 143. They seem to suspect some of Perjury & I am of their Opinion.
mer.\(^1\) by \textit{w\textsuperscript{e}h} List it appears. That — 52 Canoes & near 100 Persons had been employed in Trade with the farr Indians many of \textit{w\textsuperscript{e}h} Persons had made Two Trips & that above 788. Bundles of Skins had been brought to Albany. Besides \textit{w\textsuperscript{e}h} the Commiss\textsuperscript{m} say they are informed 43 Canooses with farr Indians who by computation have brought 200 Bundles of Bever & Furs to Albany & Schenectady this last Summer.

And that from Canada has only come to Albany to the above date of their Letter 176 Bundles of Bever & Deer Skins.

10 Sep\(^r\) Seven hands of Wampum are sent to the Commiss\textsuperscript{m} by the Canada Indians that they propose being at Albany by the first of Octo\(^r\) & desire Our Gov\(^r\) The Gov\(^r\) of Boston & the representatives of the 6 Nats. to meet them there. This Intelligence the Commiss\textsuperscript{m} transmit to the Gov\(^r\) of Boston & acquaint him that they are of Opinion this Meeting is desired in Order to put a final End to the War between that Gov\(^t\) & the Eastern Indians, for they are informed the Indians grow quite tired of it & would long ago have made Peace had they not been supported & instigated to the Contrary by the Gov\(^r\) of Canada & the Priests. —

26 Sep\(^r\) 1725. Twelve Sachems of the Onondagas Cayouges & Tuscaroraras come to Albany & in the Name of all the Six Nations complain of the Pouder that is sold them, they say it is so bad it will hardly give any report, & that if their Guns have been charged with it one night they wont go off in the Morning. They say it is a great Cheat to sell a Commodity that is not good especially Pouder \textit{w\textsuperscript{e}h} is their Chief Support.

They complain that Rum is so plentifully sold at the Trading House at Oswego, as Debauches their Young Men & renders them incapable of Order & Obedience And

\(^1\) The list is detailed, giving the names of the individual traders and the number of skins obtained by each. — Ed.
they design that Poudar may be sold them instead of Rum.

The Commiss* Answer, they are sorry for the Complaint of the (p. 144) Poudar & that they would desire the Gov* to write the King to order better Poudar to be made.

That they should have Poudar & Lead sold at Oswego but as to Rum the Traders were obliged to carry some or the far Indians would not Trade with them.

Albany 10 October 1725 — Six Sachems as Deputies from the 6 Nations arrive at Albany & Accquaint the Commiss* — That they are come to complain of the Sale of Strong Liquors at the New Trading House built at Onondaga River's Mouth, & they desire the Sale of Rum there may be forbid as it occasions Bloodshed, Quarrels & Confusion amongst their People, that if the far or other Indians want rum they may come to Albany to fetch it.

They exhort us to live in Peace & Quiet with the French & carry on our Trade without Molesting each other. They say, they have given the French Liberty of free Passage thro Lake Ontario.

They say the Gov* told them the way to Canada was stopped up so that no Strouds should be carried thither, but they find Strouds have been carried to Onondaga River & there sold to the French wth they will further declare when they meet the Gov* next Spring.

The Commiss* Answer that they will acctquaint His Excellency with this their Message.

12 Feb* 1725/6 The Commiss* being informed that the Six Nations expected an Answer to their Above Message about Selling Rum at Onondaga & if they dont receive One are detirimined to put their Resolutions in force, and the Commiss* finding it impossible to prevent Rum being carried up there in order to push a Trade with the far Indians, they dispatch Laur Claassee the Interpreter to Onondaga to acquaint the 6 Nations that the Trade with the far Indians cannot be carried on without Rum,
but that none should be sold to [the] any of the Six Nations & that the Govr expects they will not molest the Traders who are going up & that when he meets them at Albany he will endeavour to settle this Affair to their Satisfaction.

The Interpreter is also instructed that if he hears confirmed that some French are settled in the Senecas Country he is to proceed thither in order to enquire for what Ends & Designs they are suffered to live there.

16 March Laurence Claasse returns & reports to the Commiss'rs that (p. 145) The Sachems of the Mohowks told him that they could give no Liberty that Rum should be sold to the farr Indians in their Country but promised they would neither hinder or molest any of the farr Indians or Traders in their going up or coming down —

That the Sachems of Oneida, Onondaga & Cayouga told him that Deputies were gone up from them to the Senecas Country where a French Smith & his Family was settled & that there he would receive Answers to his Message to wch they referred him —

That on his arrival at the Senecas Country he found there the Deputies of the 4 Nations who being in Council sent for him, & told him, (after he had spoke to them according to his Instructions) that they had found so many fatal Effects from the Traders selling Rum in their Countrys that they would not give their Consent to it, & gave him a Belt of Wampum for the Commiss'rs as a Solemn Token that they desired there might be an Absolute Prohibition of bringing rum in their Country for the Far Indians, & that they & all others who wanted it might go to Albany to fetch it.

That he found a french Smith with his Wife & Children, an Assistant & Three French Men as Residents amongst the Senecas whom they say were put upon them unawares.

They desire to meet the Govr next early in the Spring to confer with him on Matters of Great Importance.
That he was informed by a trusty Indian that the French had obtained Leave from the Onondagas to build a Trading House on the West side of Jagara River with vents itself into the Cadaraqui Lake on the South side thereof in the Passage of the Indians to Albany. —

The 18 March the Commiss* transmit to the Govr a Copy of Laurence Claasse's Report to them & in their Letter write thus.m—

"We are humbly of Opinion that it is a Matter of the last Consequence to this Province that no Care [be] is taken to prevent the French [to] from reside* among our Indians, And that no Person of Ability with a Number of Men be sent to dwell continually among them; We hope the Assembly will please to consider of a Fund to defray the Charge without w* it appears plain to us that the French get daily more footing & our Interest decreases w* at last may end in our Destruction" —

(P. 146.) The 21. April 1726. I find Major Abraham Schuyler was by Govr Burnets Orders Dispatched amongst the 6 Nations as a Resident amongst them to watch the Motions of the French, to support our Trade with the Far Indians & to prevent the Traders from abusing & imposing on them &

the 27 April in a Letter of the Commiss* to Govr Burnet I find this paragraph.

"We hear of many that are gone to Trade to the Westward even to the Number of 50 Canoes. People encourage that Trade now to emulation even those who were at first against it."

the 8 June 1726. the Commiss* write the follow* Letter to Govr Burnet. May it please your Excellency.

It is with no little Concern that the Intelligence we had from Montreal & we informed yr Excell* with, that the French are sending up a Number of Men to Jagara (Niagara) There are now 120 Men as Major Abraham Schuyler Advises us, And now we have an acc† that the Two Vessells built by the French at Cadaraqui passed by the Mouth of Onondaga River bound to Jagara with
Lime &c to make the above Building, this may & we humbly conceive will prove of fatal Consequence to this Province in particular & very destructive to the Fur Trade, by what we are assured that this Building is to be at the South side of Jagara River where is a good Harbour for Vessells & conveniently situated to intercept all the Fur Trade of the Upper Nations & even of our Sennecas who must pass by that place as they come from their Hunting who cant avoid passing by that place or so near it that the French there will trade with them. they are to have a large Store of Goods there for Supplying the Indians.

We hope your Excell[en]cy will be pleased to take such Measures as your Excell[en]cy in your great Wisdom shall seem most proper to frustrate the French pernicious Designs in putting up this Building on Land belonging to the Indians. We are assured that 400 Men of the Militia at Montreal are detached to be ready on the first Notice to go up to Jagara if the Indians should restrain them from making that Building. By this & their other Vigilant Actions it appears plain to us that they will use their utmost Endeavours to prevent us from having any Trade at all from any Indians settled about Jagara (p. 147) or about the Lake of Cadaraqui. how this agrees with the Treaty of Commerce your Excell[en]cy may best judge.

7 Sepr Govr Burnet has a private Conference with Two Sachems of each of the Six Nations. The Subject of the Conference was upon the leave said to be given by some Onandaga Sachems to the French to build the Fort at Niagara.

The Onondaga Sachems say that last year when Monsr Longeville was amongst them he complained that his House at Niagara was grown old & rotten & spoiled his Goods & desired leave of them a New House there to keep
his Goods dry, & that if they would consent to his Build­ing said House & to have Vessels on Cadaraqui Lake it should be for their Good, Peace, & Quietness & for their Childrens Children that the French would protect them 300 Years —

They say they did not foresee the ill consequence of this permission of building a House & when they granted it they desired Mons'r Longeville would not deceive them as the French had done in building a Fort instead of a House at Cadaraqui wch had been the Occasion of a War between them. Mons'r Longeville replyed they need not fear any Mischief from this Building.

The Gov'r asked them if the Land at Niagara belonged to the Onondagas or to the Sennecas. All the Sachems acknowledged that not only the Land at Niagara but the Land on the other side of Cadaraqui Lake belonged to the Sennecas.1 —

And the Onondagas acknowledged that when Mons'r Longeville was in their Country, the Sennecas who were aware of his Designs sent a Belt of Wampum to them to forewarn them not to give the French leave to make any Building or Settlement (p. 148) at Niagara or at Oswego or elsewhere upon their Land. —

And the said Onondaga Sachems acknowledge that they did very wrong in giving this Leave to the French & had better have let it alone to the Sennecas whose Land it is, & that they Repent of it.

They say that it is customary among their Tribes for One to Negotiate Business with any other People wch if afterwards approved of by the other Tribes stands good, but if not the Transaction is null & void, And that in this Affair their Proceedings were disapproved by the rest of their Confederate Tribes & therefore of no Force. —

1 this Land on the other side of Cadaraqui Lake is the Land principally meant, by that Land wch we conquered above 80 years ago where the Bever Hunting is, mentioned in that Indian Deed so often quoted in ye year 1701. Surrendered to the Crown & annexed to this Province
The Onondagas say that Monsr Longeville cajolled & imposed upon them & got this Liberty from them by his Artifices & fair Speeches.

All the Sachems say that when they found the French were proceeding in this Building at Niagara they dispatched Two Sachems with a Belt of Wampum in the name of all the Six Nations to the French at Niagara to forbid them to proceed with their Building & protested against their proceedings there. —

That the French answered they could not desist from their Building being ordered by the Govr of Canada to proceed, & that they had the Consent of the 6 Nations for doing it. That Jean Coeur the French Interpreter was going to Montreal & would tell the Govr of their Message, but threw their Belt back & rejected it. The Messengers denied their having leave from the Six Nat* & desired the French to name the Sachems who gave them this Liberty, to this the French would make no Answer but said when the House was finished there would be 30 Soldiers placed in it.

They complain to the Govr that the Traders who come in their Country do cheat them very much in the Sale of Rum instead of w* they sell them their own Water w* in a Day or two stinks & is noisome. —

Govr Burnet then Accquainted the Sachems that he had wrote the Govr of Canada the following Letter upon the Subject of their Building at Niagara.

sent to Canada by Mr Philip Livingston.

Sir Amboy 5 July 1726 —

I have heard a Report from Persons who have been among the 5 Nations that there are One hundred French at (p. 149) Niagara who were begining to build a Fort there with a Design to Shut up the 5 Nations & to hinder the other Indians to pass freely to trade with us as they used to do. I thought myself Obliged to signify to you how much I am surprized at such an undertaking so contrary to the Treaty of Peace made at Utrecht, wherein it is Stipulated that the 5 Nations should remain to the English, & the French should not in any ways Molest them, And that all the Indians in America should enjoy the Liberty to fre-
quent each of the Two Nations on Acct of Trade without any hinderhance. I beleive also that the 5 Nations will always maintain that the Land at Niagara belongs to them and that the French have never in the Time of Mr De La Salle nor since undertaken to do anything in that Place without consent of the Sennacas; And since the French have by the last Peace yeilded the 5 Nations to us, it follows from thence, that they have no Pretensions on the Land of those Nations. I hope Sir after you have seriously considered what I have the honour to represent to you that you will take care that nothing be done contrary to the Treaties & the perfect Union wth is at present established between the Two Crowns by the last Alliance. If this Fortification goes on I shall find myself Obliged to represent it to my Court to the end that the Court of France being well informed of this Affair may give their Orders thereupon, As I have heard say they have already given to understand that they blame Mons' Vaudruiel for the share he has had in the War of the Eastern Indians.

The Gov'r told the Sachems that he expected an Answer to this Letter but a new Gov'r being come to Canada they had no time to write.

The Gov'r had next read & interpreted to them the 15 Articles of the Treaty of Utrecht, & told them the Question now was if the Building at Niagara was not prejudicial to them, to their Hunting & to the far Indians coming to Albany on Account of Trade; If they say it is no hinderance to them to go a hunting or to the far Indians coming to them, His Excell' has nothing to say & the French have done well, but if they find it prejudicial & complained of it to His Excell' he offers to represent it to His Majesty & that now they might say what they judge best for themselves. They then said.

Brother Corlaer

You have asked us several Questions wth we answered & you have acquainted us with what News you know & Now you ask if we approve of the Building at Niagara, (p. 150) We do not only complain against the Proceedings of the French [at] in fortifying Niagara on our Land contrary to our Inclination & without our Consent taken us up from our chief hunting
Places, but we also humbly beg & Desire that y* Excell* will be pleased to write to His Majesty King George that he may have Compassion on us & to write to the King of France to order his Gov* of Canada to remove the Building at Niagara for we think it very prejudicial to us all.

His Excell* told them that he expected what they had now said they would repeat in a public Manner.

Thus this remarkable Conference ended, &c

Albany 9 Sep* 1726. Gov* Burnet makes his Public Speech to the Six Nations in w* he gives them an Historical Narra-
tion of the Dissimulation, Perfidy & Cruelty with w* the French had treated them in former times & refers to their own Memories for many recent Instances of the same; he then reminds them of the Conduct of this Gov* to them by way of Contrast.

he tells them he is informed the French are now building a Strong House or Fort of Stone at Niagara. he desires to know to whom that Land belongs & if the Six Nations have consented to the Building of this Fort as the French aledge & he tells them he has this Afternoon received a Letter from Mons* Longeville in w* he Says the Six Nations did unanimously give their Consent to the Building this Fort in a full Council at Niagara the 14 July last. He desires to know whether they are not apprehensive this Fort will [not] molest them in their Hunting & restrain the Com-
munication between them & the far Indians. he then writes to them & expatiates upon the 15 Articles of the Treaty of Utrechto—

13 Sep* 1726. The Six Nations return their Public Answer to the above Speech of Gov* Burnets. In answer to Mons* Longeville’s assertion they say, “We have been at Niagara in the Name of the Six Nations to speak to the Gov* of Canada & told him to desist from making any Building there.”

As to their Apprehensions concerning this Fort & in consequence of the 15 Article of the Treaty of Utrecht, they say
We speak in the Name of all the Six Nations & come to you howling, this is the reason for what we howl, that the Gov'r of Canada incroaches on our Land & builds thereon, therefore we do come to our Brother Corlaer & desire you will be pleased to write to the King Your (p. 151) Master & if your King will then be pleased to write to the King of France that the Six Nations desire that the Fort at Niagara may be demolished. this Belt we give to you our Bro'r as a Token that you be not negligent to write to the King, the sooner the better, & desire the Letter may be wrote very pressing.

They say Jean Coeur the French Interpreter is soon expected at Onondaga & they desire the Gov'r will send a Man of Experience¹ there at the same time to act on behalf of this Gov'r —

After the public Conferences were ended I find Gov'r Burnet had another Private Conference with some Senneca, Cayouge & Onondaga Sachems, & proposed to them that as a further Measure to prevent the French from encroaching upon their Land, they should now do what they had proposed to do abʼ 25 years ago, namely to give up all their Hunting Country to the King & to sign a Deed for it, w⁴h (say the Records) however has not been done —

It is recorded — After a consultation among themselves, that they would rather have this Deed of Surrender & Submission include all their Castles.

More of this Affair is not recorded.

(N. B.) Mr Pownall who came over Secretary to Sr Danvers Osborne told me that he had seen in the Possession of the Board of Trade the Above mentioned Deed signed by the Indians & w⁴h was proposed by themselves to Lieu⁴ Gov'r Nanfan the 19 July 1701. pag 36 & 37 — of these Abstracts.²

¹ by a Man of Experience they Mean some Person who is no Trader, for the Indians hold the Traders in great Contempt as a Set of Mean Dishonest Mercenary Fellows & w⁴h Character they have drawn from Dear bought Experience. Co¹ Johnson who now lives in the Mohawk Country is the only Trader I have ever heard they held in any veneration, him they much Esteem.

² Ante, pp. 39-41. — Ed.
Before Gov. Burnet's departure from Albany he appointed Capt. Evert Banker to reside among the Sennecas to watch the Motions of the French. And I find some time after the Assembly raised a Sum of Money to build the Fort now standing at Oswego.

I find also that the New Gov. of Canada incouraged (p. 152) The Eastern Indians who were disposed to Peace to continue the War against New England, at the same time Intelligence came that he was marching an Army to Lake Cadaraqui to destroy our Building at the Mouth of Onondaga River & to prevent our fortifying at Osswego.

From the foregoing Conferences of Gov. Burnet with the 6 Nat. at Albany I find little in the Records but proceedings of the Commissioners about Building the Fort at Osswego & their Correspondance with Gov. Burnet on that Subject —

In July 1727. Mons. Lassasange Gov. of Trois Rivieres arrived at Albany & went down to New York to confer with our Gov. (as we supposed) about our Building a Fort at Osswego.

I shall examine the Minutes of Council of this date & if they take Notice of anything worth remarking upon this Visit of the French Gov. I shall add it by way of Appendix

26 July 1726. Two Canoes of Cachnawaga Indians arrive at Albany & inform the Commiss. that the Gov. of Canada was greatly alarmed & provoked at our Building at Osswego & was preparing a Force to destroy our Work there.

That he had used his utmost Endeavours to stir up all the Indians as well his Own as the 6 Nations against the English. had told them that the King of Great Britain had been Three years solliciting the King of France to join with him in destroying all the Indians but that he had rejected his Proposals —

he proposed to His Indians to go & Murder some Persons ab. Albany or Osswego — w. they rejected.
The sd Indian who gave the above Information sd he & several Others were inclined to leave Canada & come & live in this Govt if they could have Land allotted them & a Minister wch the Commissrs acquaint the Govt with & say if such a thing could be Effectd it would be a great Security & Service to this Province.

(P. 153.) Albany the 4 Augt 1727. The Sachems of the Eastern Indians arrive at Albany to fix a Peace & Friendship with this Colony & acquaint the Commissrs that others of their Sachems are gone to Boston in order to make & settle Peace with that Govt — The Commissrs receive them kindly accept their offers of Peace & Friendship &c

5 Augt Two Senneca Sachems acquaint the Commissrs that they have been among the Western or far Nations in order to bring them into the Interest of this Govt & say they have prevailed over 4 Tribes or Nations & were in hopes of including many others into a Trade & Friendship with this Govt —

10 Augt Cap't Bancker comes down to Albany sick from Osswego — Two others are sent up to supply his Place & to be present at a Genl Meeting wh is to be held at Onondaga where it is supposed some Propositions from the French are to be debated.

15 Augt The officer with the Detachment from the Indep Companys return from Osswego several of them being sick & the rest would stay there no Longer.

5 Sepr Laur. Claasle the Interpreter is dispatched to Onondaga to Accquaint the 6 Nations with the Death of His Majesty King George the First & the Succession of His present Majesty. Also to endeavour to prevent the Indians from going out to War against the Flat Heads, wh it is thought the French have put them upon to get them out of the Way in order better to carry on their Designs against Osswego

27 Decr the Commissrs receive Information that the Govt of Canada is instigating the Indians & making preparations
to destroy the House at Oswego. And that the Messengers sent by the Council at Onondaga to tell the French Indians to keep themselves Neuter in case the Govr of Canada makes any Attempts against Oswego had returned without going or delivering their Message. Upon which Laur Claasse is dispatched to Onondaga to prevail on the Sachems there to send another Deputation to that purpose.

6 Feb'y 1727/8. a Cacknawaga Indian who formerly lived in Canada proposes to the Commiss' to go & settle on (p. 154) the Frontiers of this Province N. E. between Still Water & Saraghtoga with 50 Indians Squaes & Children. is encouraged by the Commiss' receive Presents & is promised to be supplied with Provisions till raise some of their owne—

Laurence Claasse finds the Onondaga Indians Cold about sending Deputies to the French Indians & that they stand in Awe of the French & dare not openly appear against them in the Affair of Oswego

3d March 1727/8 Advice comes to the Commiss' that a French Army of a Thousand Men were marched from Canada against Oswego upon which an Express was sent to the 6 Nations to keep all their Men at home in readiness to oppose the Attempts of the French

1728e—Nothing of Moment till

Albany 20 Aug Govr Montgomerie sends Orders to the Commiss' [that he could] to acquaint the 6 Nations that he would meet them at Albany the first of October next ensuing.

1 October Govr Montgomerie meets the 6 Nations at Albany & makes his Speech to them. in which he points out to them in a handsome & very just Manner the Virtues & Power of His present Majesty King George the 2d his Affection & Esteem for the 6 Nations as an honest & Brave People. he tells them that he renews the Cov't with them & desires to make it brighter than ever. — That the Necessary
Affairs of Gov't had detained him at New York or he would have met them Sooner.

He commends them for refusing [the Fren] to join the French Army who were Marched against the Remote Indians.

he tells them he expects they are now convinced that the House & Garrison at Osswego is not only for their Benefit & Security but calculated to encrease our Trade & Connexions with the Far Indians, & therefore he doubts not but they will at all Times be ready to defend this Garrison against all Attempts wch may be made against it.

he desires they will grant to the King a convenient Tract of Land near the 3d Garrison for the Support of the People & to pasture their Cattle.

he tells them he will take Care the Traders shall use them well & expects they will return good Usage to the Traders. —

(P. 155.) Albany 4 October 1728.  The 6 Nations Answer Gov't Montgomerie's Speech

They are pleased with his renewing & do on their side likewise renew the Cov't Chain.

As to His Majesties Opinion of them as a Brave & honest People They say it is true, when the 6 Nations are sober & not in Drink they will not Molest & injure any Body. But Strong Liquor creates violence, Quarrels & Bloodshed amongst them, They earnestly desire therefore that the Traders may not bring any Rum amongst them, but that when any of the Indians want it they may come down to Albany to fetch it.

They say the Traders shall have a free & friendly Intercourse amongst them & be welcome except they bring Rum

They give full leave to Plant & sow about Oswego & to Pasture Cattle & that they will mark out Land for that Purpose but say they will not be pleased when it is done if we go beyond the Limits. As to their defending the House at Oswego against any Attempts wch may be made
against it, they say it was told them when Leave was
desired to Build it, that it was Built to protect & defend
the 6 Nations & they therefore depend upon the Promise
being fulfilled.

They say they are convinced the French bear them
no Friendship & they make no great Dependance upon
them.

They promise to use their Endeavours to draw as
many of the Far Indians as they can to Trade with us.

The Govr Answers that as to Rum being brought thro their
Country, its absolutely necessary that some must be car-
rried up for the use of the Garrison at Oswego & to refresh
the People who go up there in their Journey, but he will
do everything in his Power to prevent its being carried for
Sale amongst them & desires they would inform against
any Person who shall bring them Rum to sell.

As to their defending the Garrison at Osswego, he
says nothing is more natural than for them to assist in the
Defence of a Place wch is maintained for their Security.

The 5 October Govr Montgomerie has a private Conference with
Two Sachems of each Nation. in wch they tell him that
as to the Defence of Oswego, he seemed Displeased that
(p. 156) They did not give a positive Answer to it in their
public Speech Say they, We are one Body & one Heart &
if any Attempt be made against the House at Oswego,
how can you imagine that we should not defend it, for we
have no Affection for the French who have been our
Antient Enemies.

They propose a Magazine to be erected at Albany &
to be furnished with Warlike Stores, that in case our
Enemies should Attack us there may be Amunition & ready.

They say as to Rum, they dont mean that none at all
should be carried up, but that it should not be brot into
any of their Castles wth the Traders do & entice their
People to buy it.
Let it be brot to Oswego, but let not the Traders mix Water with it, & let Guns & Amunition & real necessaries be sent to Oswego & not only Rum —
We desire if it be in your Power that Goods be sold us Cheaper.

They say they have made an Absolute Grant of Land to the King about Oswego, but they cannot fix the Quantity till they have consulted the other Sachems who are at home, they desire Laur. Claasse may go up with them & lay it out.

The Govr expresses his Satisfaction & Approbation of this further explanation of themselves & that all their Requests shall be complied with to the utmost of his Power. —

A Senneca Indian desires a Smith & an Armourer for their Nation wch the Govr promises but then insists they shall not suffer a French Smith to live amongst them.

Albany 5 October 1728. Govr Montgomerie Speaks to the Schaahook & River Indians —

he renews the Covt Chain with them & desires they will use their Endeavours to regain their Countrymen back who have deserted & settled in Canada

They Answer that they are very much rejoiced that the Govr had sent for them to renew the Covt & to perceive the Fire wch used to burn & was almost extinguished is kindled again —They say. It is somewhat difficult for us to encrease our Number at Shaahook. It is often recommended to us by those in authority (p. 157) here to settle there & bring those back who are gone to Canada for we can scarcely have the Land wch is promised us & are Molested on that wch is our own by People who live near us. We came home late last Spring from our Hunting & planted some Land, & now this Fall our Indian Corn has been carried away against our Wills by Force & Violence.1

1 I have had occasion to remark upon the Injustice done these poor People in a former part of these Abstracts. The Villainy they complain of is such as one would scarcely expect from Human Nature in its utmost Degeneracy. the Immorality of it is not greater than the ill Policy. what an Idea must it give of us
The Govr Answers that if they will let him know the Peoples Names who have injured them, he will order Satisfaction to be given & the Aggressors punished.

Albany 22d Feb'y 1728/9. I find a [Proclamation] Notification from the Commissr published against selling or carrying Rum into any of the Indian Castles.

14 April 1729. The Commissr receive Intelligence that the French were preparing to Attack the Buildings at Oswego, upon wth they dispatch Laur. Claasse to the 6 Nations with Instructions that its expected they will post proper Deputies at Oswego to acquaint the French in case they come there, that the House was built by their Order & upon their Land & any Attempt to destroy it they will deem the same as an Attempt upon their own Castles.

7 May. Two Deputies arrive from the 6 Nations to acquaint the Govr & the Commissr that they expect every day at Onondaga 300 Indians of the Nations called Makindus & Shawanoes who have sent word they will settle themselves among the 6 Nations & that a general Council is to be held at Onondaga in 7 or 8 days & they desire that one or two proper Persons may be sent there to represent this Govt. That they are informed the Govr of Canada has raised an Army of 2000 Men wth he is to head himself but whither destined they have not learnt. —

Laur. Claasse the Interpreter is sent to Onondaga. —

(P. 158.) Albany 23 May 1729. Laur. Claasse returns from Onondaga & says that the News about the Two Nations who are said to be coming there, appears to be no more than the Sachems of those Nations are expected in July to renew their Cov't with the 6 Nations

3d June the Commissr receive further information of the Grand Armament in Canada & that it is supposed to be intended against Osswego. They dispatch Spies into Canada to learn News to the 6 Nations? And seeing the Consequence of our sole Dominion do they not court the French?
4 June. The Commiss•• inform the Gov• that they have recd intelligence that the Garrison at Ossweogo grow Mutinous at not being relieved as they say in due time & threaten to desert from the said Garrison & that Three Men have deserted & gone to the French Fort at Cadaraqui.

28 June Several Sachems of Two Nations of far Indians come to fix a Trade at Albany to make a Treaty of Peace & Friendship with this Gov• And say they were discouraged by the French, & several forbidding stories told them w•h they find hitherto false.

The Commiss•• receive them very friendly & give them Assurances of Protection & good usage in Trade & tell them that they will find they can buy at Albany more for One Bever than for 3 with the French —

Albany 21 July 1729. A Deputation from the Oneidas acquaint the Commiss•• that their Nation is in the utmost Sorrow & Distress upon account of the Loss they have sustained by the Virginia Indians with whom they have had a Battle w•h lasted Two days that the Virginia Indians were Two hundred Men to their hundred that on the Second Day their Enemies proposed to come to a Peace with them & they recollecting the Gov• Admonition to them to make Peace with all their Enemies agreed to their Enemies Proposals w•h they no sooner did, than the Virginia Indians fell upon & Massacred several of their People. by this they have sustained a Loss of 55 Men killed & wounded. They insist that our Gov• shall write to the Gov• of Virginia to get the releasement of the Prisoners w•h his Indians have taken —

The Commiss•• condole with them on this Misfortune & promise them to write the Gov• their Request. The Commiss•• resolved also to send two of their Board up to Oneida to perform the usual Ceremony of Condolance with that Nation on this occasion —

(P. 159.) Albany 14 Feb•• 1729/30. Gov• Montgomerie having received a Letter from M• Gooch Gov• of Virginia upon the Subject of the Oneidas Complaint on the other side the
Govr transmits the s'd Letter to the Commissrs who having sent a summons to the Oneidas 5 Deligates from their Nation appear to whom the Commissrs interpret Govr Gooch's Letter, wh is that it was not the Virginia Indians with whom they had the Battle but the Cattawbaws who are settled at the back of S. Carolina near 400 Miles from Virginia, And yt he is informed the first Hostilities were committed by a party of the 6 Nations who fell upon a Town of the Cattawbaws in the Absence of their Warriers killed several Women & Children & took some Prisoners, were afterwards pursued & Destroyed by the Cattawbaw Warriors. That the Govr of Virginia will endeavour to recover their Prisoners & make a Peace between the Cattawbaws & the 6 Nations if the latter are disposed thereto.

The Oneida Deputies Answer, that they are well pleased with the Govr of Virginia's promise to recover their Prisoners but that as to the Matter of Peace they cannot give an ansr without first consulting with the rest of the 6 Nations. —

18 April. Another Letter upon the Subject of the Oneida Prisoners comes from Govr Gooch & is sent to the Commissrs who impart such of it as they think necessary to some of the 6 Nations & propose to them that a Sachem of each Nation should go under the Conduct of Two Christians to Virginia to treat with the Cattawbaws about the release of s'd Prisoners. — The 11 May the Oneida Sachems come to Albany who reject the Above Proposal & insist the Govr of Virginia should bring the Cattabaws to Albany to treat with them & that he should recover their Prisoners from the Cattabaws. And they say unless this be done they will raise all the Force of the 6 Nations & their Allies & prosecute the War with the Cattabaws with the utmost Vigor, however they refer themselves to our Govr & will yet awhile await his proceedings. — The give a Belt to be sent to the Govr of Virginia upon these their Proposals wh if he wont comply with they insist may be sent back to them when they will take their own Measures. —
The Commiss’ write Govr Montgomerie the Above Acc’ (p. 160) And altho they have endeavoured to convince our Indians that the Govr of Virginia is no ways concerned in this Affair but as being in the Cov’t Chain with the 6 Nations & that the Cat-tabaws are not under his Jurisdiction but that of S. Carolina. yet such say they is the Ignorance or Obstinacy of the Indians that they still insist the Govr of Virginia is the Person capable to settle this Affair for them & the Commiss’ say they are afraid if it is not somehow compromized, it will be fatal to the out settlements of Virginia & all those Parts. —

Albany 21 Sep’r 1730. Three Mohawk Sachems make the follow­ing Speech to the Commiss’

Bretheren

As we live under a Stong Covenant Chain being One Heart one Body & One head, we must acquaint you that the most part of our Lands upon the Mohawk River is sold to the Christians & our Hearts grieve us when we consider what small [Hull] pcell of Lands is remaining to us & finding by the Inticements of Christians that our Young Men give Ear to dispose yet of that small remainder, then we will be utterly distroyed & scattered among the French & others, & by means whereof the Cov’t Chain will be broken, We therefore humbly entreat his Excellency & this Board that for the future all Chris­tians may be strictly forbid to entice any of our Indians to pur­chase any of our Lands & that his Excell’ will be pleased to prevent all manner of Persons to produce any more of our Lands that remain unsold in order that we & our Children & Posterity may live there Qui’t & peacable as Bretheren as we have done hitherto & keep the Cov’t Chain firm, whereupon we lay down 5 Bever Skins.6

1 This scandalous & irregular Method of purchasing Lands from Young Indians by making them drunk or otherwise imposing on them has been formerly taken notice of in these Abstracts. The injustice the Indians have suffered with regard to their Lands, has contributed to drive Numbers to the French in Canada, & in general very much weakened the Attachment of our Indians to us. this hunger after Land seems very early to have taken rise in this Province, & is become now a kind of Epidemical Madness, every Body being eager to accumulate vast Tracts without having an intention or taking measures to settle or improve it, & Land-
No Answer is recorded to the Above, but there follows a Letter in which the Commiss transmitted the Gov. a Copy of the above Speech & say that their request will certainly tend to the public Good & Tranquility.

(P. 161.) Albany 24 October 1730. The Commiss acquaint the Mohawks that the Gov. in Answer to their Message on the other side will take care that no more of their Lands shall be sold & will further treat with them on that Head at his Meeting them here next Summer.

Laur. Claase the Interpreter having been sent to Onondaga to acquaint the 6 Nations that Gov. Montgomerie had been hindered by several important Affairs of Govt from Meeting them at Albany this Summer but that he intended to meet them very early next Summer. The sd Laurence Claasse informs the Commiss that he had received an Account from an Indian, that Jean Coeur a French officer & Interpreter had come to the Senecas accompanied by some French Soldiers & pretended to them that he had been whipped & banished as a Malefactor from Canada, & as he had formerly been a Prisoner among them & his Life saved by them he deemed himself as one of their Brethren & therefore was come to take shelter amongst them, & intreated them that in order to get his livelihood they would permit him to build a Trading House at Irondequat at the side of Cadaraqui Lake in the Middle Way between Osswego & Niagara, being the Pass of the Foreign Indians by which the must pass & repass when they come to Albany or Oswego, & where the Seneca Indians repass when they come from their Beaver hunting.1

jobbing here is as refined an Art as Stock jobbing in Change Alley. hence public Poverty in the midst of imaginary Wealths

1 how [much] strongly does this exhibit the Industry & Political Artifice of the French, who not contented with their own Modern improvements in Policy rake up & put in practice the [policies] devices of 3 thousand years ago to compass their Views. far from approving all the inhuman, mean & infamous Methods they have taken to establish their present extensive Influence in these parts of the World, it is however to be wished that we had looked forwards as much as they have done & been as industrious to lay a foundation for our future Security & Commerce. but our Dutch Reptiles considered nothing but their present profit, & were animated by no Views to Posterity, who is the genuine Character of true Dutchmen.
And further that a Nation of Indians called the Foxes had sent Two red Stone Axes to the Sennecas which they had sent to the Govr of Canada who was at War with those Indians, And that tho the Sennecas had denied to our People at Oswego that any Message came with them, yet it has been since discovered that sd Nation of Foxes had sent those red Axes as a token to the Sennecas to desire they might move from their Country & come & settle among the Sennecas & be united with them, but by the Address of the aforesaid Jean Coeur the Sennecas had been induced to send the said Axes to the Govr of Canada which was in effect rejecting the request of the sd Nation of Foxes. —

(P. 162.) Albany 23 Novr 1730. The Commissrs write a Letter to some Persons who were posted in the Sennecas Country, directing them to tell the Sennecas, that they are surprized they should send the Axes which came from the Foxes to the Govr of Canada whereas they ought to have sent them to our Govr And that their refusing to let the Nation of Foxes incorporate with them is a very weak & impolitic proceeding. And that the Commissrs are surprized that after having had so many proofs of the Perfidy & Deciet of the French that the Sennecas should be influenced by their Lyes & those groundless Jealouses wherewith the French endeavour to inspire them [with] of us their Bretheren & by those means prevent that general Advantage to us & them which would result from the sd Union of the Foxes.

To tell the Sennecas that the Commissrs wonder they can swallow so improbable a Story as that of Jean Coeurs Banishment when he comes with a Command of Soldiers so very inconsistent with the Character he pretends to, & in the Govrs name to request them not to allow him to build any Trading House at Irondequat or elsewhere, for that after this manner the French have got all their Forts upon their Land built, by getting leave to build Trading Houses & then turning them into Forts.
26 Nov the Commiss transmit to Gov Montgomerie Minutes of the Aforesaid Information & write him that they hear the French are going to build also at Crown Point, they represent the Dangerous Consequence that may be of to this Province & New England in case of a War, & hope that His Excell will be pleased so to represent these Proceedings & Encroachments of the French to his Majesty that proper Methods may be taken to prevent such infractions of the Treaty.—

(N.B.) It was now upwards of Two years since Gov Montgomerie had given the 6 Nations a public Meeting at Albany. so long an intermission ever has been & will be (in my Opinion) a very culpable Neglect, & it certainly was so at this time, as the French were with the utmost Art & Industry courting the 6 Nations & carrying on very refind Intrigues to weaken our Influence over them, wch few Measures tend more to Strengthen than our Annually meeting them giving them some Pres­ents with proper Exhortations, & hearing what they have to say & As Gov Montgomerie was a Wise Man & an honest Gov I suppose he was distressed by thos Factions wch have always blasted the Welfare of this Province.

(P. 163.) Albany 8 Feb 1730/31 By a Letter from the Com­miss to the Gov I find among other Acts of the French to prevent the Farr Indians trading with us, they raised a Report in their Country that the Plague & Small Pox (wch is full as dreadful to the Indians) raged at New York. the Comiss propose that Persons shall have passes to go amongst the far Indians in order to contradict & convince them of the falshood of these Reports.

3 April 1731. Laur. Claasse is dispatched to the 6 Nations to acquaint them that the Gov proposes to meet them at Albany the 12 of next Month.

Albany 18 May 1731. Gov Montgomerie meets the Mohawks, the Cayouges, the Onondagas, the Sennekas & Tuscarora Indians the Oneidas not being arrived. The Gov in his Speech renews the Cov with them as the 6 Nations & also
in behalf of all his Majesties other Subjects in N. America he tells them they acted honestly & wisely when they denied Jean Coeur to make any Settlement on their Land, & says he expects they will suffer no person of any Nation whatsoever to reside amongst them unless they are Subjects of the King of Great Britain. "And since you have put your Lands under the protection of the King of Great Britain, I do in a particular manner require in my Masters Name that you will not suffer the French to build any Fort or Trading House on the side of the Lake (Cadaraqui) or any other part of your Lands."

20 May. The Sachems Answer his Excellencys Speech. They renew the Govt Chain with this Govt & all his Majesties Subjects in N. America. They earnestly desire that no Rum may be sold any where but at Albany & Oswego & not bro't into their Castles, they say it is impossible for them to resist it when it is to be sold amongst them, that it destroys Men, Women & Children & unfit them for every kind of Buisness. that if it was only sold at Oswego & Albany, they could fetch it but in small pcells & not be continually intoxicated with it as they are when its continually to be bo't at their Castles.

We are fully resolved not to let any other Settlements be made on the side of the Lake. There stands a Trading House at Niagara w't the French have treacherously built there, but the House at Oswego has been built by all our Consents. The more Houses are (p. 164) built near us the more the [men] Liquor is bro't unto us w's is the Occasion of all Mischief therefore we do not incline any more should be made.

the Govt Answered that as to the carring Rum to sell at their Castles he had strictly prohibited it, & if they would tell him the Persons Names who bro't it there he would take Care they should be punished, & that he would do his utmost to prevent it for the future.

I find by the Commissn Letter to the Honble Rip van Dam Esq're Pres't of the Council [that] bearing date the 9 July 1731.
that Govr Montgomerie died at New York & that the Administra-
tion of the Govt fell into the hands of the said Van Dam. —

12 July 1731. The commiss' dispatch Laur. Claasse to the Six
Nations to acquaint them with the Death of Govr Mont-
gomerie & that Mr Rip van Dam as Presd of the Council
takes the Govt upon him. And that as they hear a general
Council is to be held at Onondaga where some French
Agents are expected whose Errand the Commiss' judge
is to obtain leave to build on the 6 Nations Land, the sd
Laur Claasse is to repair thither & put the 6 Nations in
Mind of their Solemn Promise made to our late Govr
& to prevent all in his power any such Liberty being
granted to the French. —

26 July Laur. Claasse returns from Onondaga & says that the
Council met there to pass Condolances upon the Death of a
Frenchman who had been an Interpreter between them &
the French.

25 Sep' 1731. Some Persons who return from Canada, say that
in their Journey thither they found the French were build-
ing a Fort at Crown Point & that at their return it was
finished.

24 Dec' The Commiss' receive Information that some Sachems
of the 6 Nations had been with the Govr of Canada in
consequence of wch a Council was to be held at Onondaga.
hereupon they dispatch Laur Claasst to Onondaga to be
present at the Council & to dissuade the 6 Nations against
yielding to any propositions from the French wch may be
detrimental to this Govt & to reproach the Onondagaes
with their not acquainting the Commiss' of this Genl
Meeting.

(P. 165.) Albany 11 Feb' 1731/2. A Deputation from the
Mohawks repenting their former Message about the taking
up of their Lands bearing date the 21 Sep' 1730 (pag 160
— of these Abstracts) they complain that notwithstanding
their said remonstrance Lycences are still Granted to
purchase their Lands with purchases are made after a Scandalous & unfair Manner. They say they are now determind to go down to New York & address themselves to the Superior Powers on this Subject.

28 Feb'y The Commiss' in Answer to a Letter from the Pres't about the Property of the Lands at Crown point write thus.

"what relates that yr Hon' is pleased to be informed from us, to what Indians the Crown Point belongs or who claims it, We conceive that the Lands at the Crown Point & places adjacent belonged to the Mohawks who Undoubtedly have conveyed their right to the Crown while Parson Delius ¹ has had a Patent for the same as far as Rogies a Rock in Corlaers Lake at least 30 Miles to the North of Crown Point with Patent is resumed to the Crown. What claim the Gov't of the Massachuchets or New Hampshire have to the same we know not."

I find several Complaints scattered up & down the Records of the ill-supply & badness of the Provisions to the Garrison at Osswego & as it was put in the hands of a Commissary at Albany, I am neither surprized at the Complaints nor their continuance.

Albany 24 April 1732. Eight Sachems of the Mohawk Indians make a complaint to the Commiss' that they hear Mr. Philip Livingston has obtained a Patent for all their Land with lays to the North & west along the Mohawks River as far as to a certain fall upon the said River. they say, if this is true then Mr. Livingston has murdered us asleep for our Land is our Life. We earnestly desire you to send for a Copy of the s'd Patent that you may inform us how much Land he has taken up in said Patent that our Children may not come into dispute after our Decease, (p. 166) For we have sold no Land to Mr. Livingston & are now fully resolved never to sell him a foot of Land. We

¹ This Affair of the Dutch Parson One Dallius is taken notice of in these Abstracts pages 25 & 26. (Ante, p. 30. — Ed.)

(There is much in the New York Colonial Documents about Dellius and his grants. Belloment charged him with gross irregularities. See Index to N. Y. Col. Docs. — Ed.)
know that said Livingston has given several private Gifts to some of our Young Men but he may account that as thrown into the Sea.

The Commiss' Answer that they would transmit their Complaint to the Pres't in Council & if they think fit to send a Copy of the said Patent we shall inform you thereof & shew you the same.

The Commiss' did accordingly transmit to the Pres't a Copy of this Complaint of the Mohawks.¹

Albany 28 April 1732. Laurence Claasse is dispatched on behalf of this Gov't to Attend another Gen'l Meeting w'ch the Commiss' are informed is to be held at Onondaga —

Whether this is the same mentioned pag 164 [I do] the Records do not inform me, I am [dis]inclined to beleive it is as there appears no report from Laur Claasse of any-thing done at Onondaga since that time.

3 Aug¹ 1732. His Hon' the Pres't having directed the Commiss' to furnish a Detachment of the Indep't Companys with Provisions for their March to Oswego. they return for Answer that having none of the publics Money in their hands & no Provision being made for the same by the Assembly they cannot do it.

7 Aug¹ 1732. The Commiss' write a Congratulatory Letter to Wm Cosby Esq'r upon his Arrival as Gov'r of this Province

25 Aug¹ The Mayor Corporation & Commonality of the City of Albany Transmit an humble Representation to Gov'r Cosby of the defenceless State of the City & County of Albany & humbly pray his Excell'y to lay it before the Assembly that a Stone Fort may be built at Albany & a Wooden Fortification at Serahtoga & a Garrison kept there as a Retreat for out Skouts & other important uses. —

¹ 26 June following I find another Embassy & complaint from the Mohawks on this Subject who insist on seeing the Patent, the Commiss' answer the Pres't had not sent it.
Laur. Claasse is dispatched to the 6 Nations to notify to them the Arrival of Govr Cosby & that he cannot meet them this year but proposes to do it next Spring. —

(P. 167.) Albany 8 Sepr 1733. Govr Cosby meets the 6 Nations at Albany, he condoles with them on the Great Mortality wch has happened amongst them by reason of the small Pox.

That he is sorry he could not meet them sooner, but that the Affairs of New York & Jersey necessarily detained him. That he is commanded by his Majesty to renew the Cov' Chain with them in behalf of all his Majestys Subjects of N. America & expects they will do it on their side.

That he expects they are now convinced the Garrison at Oswego is not only promotive of the Trade with the far Indians but for the Security & conveniency of the Six Nations, and therefore that they should defend it against all Attempts from any Enemy. And that they will be kind to the Traders & not molest them. he says. “Brethren how unable the French are to supply you with Goods when the King of Great Britain & the French are at War, you know very well & that the French themselves in Canada could not have subsisted had they not been supplied from Albany.”

he Commands their Young Men to forbear Hostilities against such remote Indians as do not annoy 'em & to cultivate a good Understanding with them for our general Good.

That they will not permit any Persons of what Nation soever to reside amongst them but the Subjects of the King of Great Britain And since you have put your Lands under the Protection of the King of Great Britain, I do in a particular manner require you in my Masters Name, that you will not suffer the French to build any Fort on the side of the Lake or any other part of your Lands. he says,

“Brethren I am informed that some of our Traders at Oswego have cheated the remote Indians by selling them Water instead of Rum. I will take care that no such thing be done for the future. I will give Orders to the
Officer at that Garrison to taste & try the Kegs of Rum as soon as you receive them from the Traders & if they have given you bad Rum oblige them to take it back & give you better.” 1

(P. 168.) Albany \(11\) Sep\(\^\)r 1733. The 6 Nations return their Answer to Gov\(^r\) Cosbys Speech.

They kindly accept his Condolances & make theirs for what People we lost by the Small Pox & for the Death of Gov\(^r\) Montgomerie.

They lay down some Furr as a token that Albany is the Antient & proper place for all public Treaties with them.

They renew the Cov\(^t\) on their parts. They say they shall not let any Body reside amongst them or build Forts upon their Land unless it be the Subjects of the King of Great Britain. They say,

\[\text{We have submitted ourselves under the Protection of the King of Great Britain. And we Promise on our parts to Assist & protect all his Majesties Subjects against an Enemy whatsoever.}\]

They say they will endeavour to restrain their Young Men from going out a fighting, but that it is not often in their power, for they will go out in the Night time, or pretend they are going a hunting & then meet & set out a fighting.

They thank the Gov\(^r\) for his promise that they shall not be cheated \[\text{ag}\] in the Rum sold at Oswego. They complain that the Goods are too dear there \[w^{ch}\] frustrates their Endeavours of drawing the far Indians thither, whom the French use every Artifice to detain.

They desire that Pouder & Lead may be bro\(^t\) to Oswego of all other Goods there is enough. —

The Sennecas desire a Smith & an Armourer.\(^2\)

1 The Officer of the Indep\(^t\) Company who goes on the Command to Oswego generally carries up a large Quantity of Goods to Trade (tho tis against Law\&\(s\)) & Interest is made with Gov\(^r\) for that Command. they being Traders neither their Reports or Behaviour is to be depended on.

2 at this Meeting I do not find any private Conference with the Sachems \[w^{ch}\]
12 Sep· 1733. Govr Cosby speaks to the Schahkook Indians & exhorts them to endeavour to prevail on their Bretheren who are deserted to Canada to return & settle themselves among them.

In their Answer they take no Notice of this Exhortation.

From this Meeting the Records are Silent till March 1733/34. the 4th of Wch Month I find a long Letter from the Commissrs to Govr Cosby. They inform him that several French Men with an Interpreter & a Smith have for some time past resided amongst the Sennecas, that they (p. 169) give 'em presents, drink with them, Dance with them & make use of every possible Artifice to engage their Affections, wch they have so far effected that the French have built a House among them at ye side of a Creek between Two of their Castles.

that a Chief Sachem amongst them who has been always inclined to the British Interest, had given information that several of his Countrymen had actualy gone over to the French Interest & that the Majority of the Sennecas were in a very wavering Condition.

The Commissrs represent to the Govr how very fatal the Consequences will be if the French should seduce the Sennecas from our Alliance & Interest. They say, the Sennecas are as numerous as the other Five Nations. "It is well Known to us how easy the French of Canada may in time of War (& a War at this time was expected) if they should have the 6 Nations or only the Sennecas on their side joined with the Upper or Far Indians in the French Interest, anoy & disturb the peacable & quiet Enjoyments of most of the out settlements on the Continent of America by Skulking Parties; so that many fine Improvements would be deserted, wch we humbly concieve would not only be the ruin of many flourishing Families, a Decrease in the Consumption & Exportation of the Woolen Manufactures from Great Britain to is an Antient Custom & a very useful peice of Policy. It helps (when well conducted) to secure all the leading Men who will open themselves with less Reserve than in any public Speeches. Besides the French have always some Indians in their Interest. hence the Sachems in our Interest speak with great caution in Public.
America but a diminishing His Majesties Revenue & the entire Loss of that valuable Branch the Fur Trade we now enjoy & are Possessed of.”

The Commiss'* propose that some Proper Persons be sent to reside in the Sennecas Country & take with them a Sachem or two of the other 5 Nations — that they demolish the house the French have built that Smiths also be sent to work for the Indians in the Sennecas Country.

30 March 1734. David Schuyler goes Commissary to Oswego.
(this office rightly conducted would be of infinite Service to our Trade & political Interest with the Indians. but like most other Matters its generaly made a Dupe to private Interest. Some Gov' have appointed to serve their own Ends & others are imposed upon.)

(P. 170.) Albany 3 June 1734 — The Commiss'* receive Information that a General Meeting of the 5 Nations is to be held at Onondaga & as this was not properly notified to them according to Atient Usage they dispatch Laur Claasse thither as representative for this Gov't & direct him to reproach the Assembly for their neglect in not communicating their Meeting & with instructions to overlook their proceedings & support the Interest of this Gov't

7 June. Co¹ Philip Schuyler receives the Gov' Instructions to go up to the Sennecas Country to treat with those Indians in behalf of this Gov't

1 the Picture here drawn is a very just One. And it evinces the great necessity of a diligent & Skillful Attention to the Indian Affairs throughout all the British Colonies in America. The French have at this time by their superior address & Industry, a much greater influence among the various Nations of Indians on the Continent than the English, wch it is to be feared they will one day or another turn to their own great Advantage & to our fatal Experience. They act upon a Uniform Plan. the Colonies upon divided Interests & temporary Expedients. The English are indeed a Numerous People & our Settlements extend far up into the Country, but then they are thinly scattered & exposed to Desertion whenever the French can prevail on the Indians to go in Scalping Parties against us. this was the Case last war, & tho the Troops on the Intended Exp⁰ against Canada were posted in the County of Albany, yet Settlements were deserted for above 70 Miles extent in that County.

² such a neglect of the Indians is always a Sign of the prevalency of the French Interest & the weakness of ours.
18 June Lur. Claasse returns from Onondaga & says the Genl Meeting is adjourned to the Senneucas Country.

There is no Report in the Records of Co\ö Schuyler's Embassy to the Senneucas but I find in a Letter from the Commiss\ö to Govr Cosby bearing date 28 April 1735. in wth they Advise him that the French are building a very strong stone Fort at Crown Point. They Add, "We are informed by some People who are come from the Sennecas Country that the Senneca Indians continue Stedfast in their Engagements to Co\ö Phil. Schuyler. —

8 April 1735. Hendrik a Mohawk Sachem acquaints the Commiss\ö that the 6 Nations are inclined to make a Peace with the Flat heads of South Carolina. The Commiss\ö approve thereof & give the s^d Hendk a large Belt of Wampum to be sent thro the 6 Nations to encourage them to push this Matter forward.

28 May 1735. The Chief of the Cagnawaga Castle in Cannada with Four other Indians arrive at Albany & acquaint the Commiss\ö that the Govr of New England had sent for them, but that the Govr of (p. 171) Canada had forbid them to go, however that he was determined to come to Albany to give this Intelligence to the Commiss\ö tho he expects he shall incur the Govr of Canada's Displeasure by doing it.

The Commiss\ö persuaded this Chief of the Indians to go to Boston, at the same time renewed the Covenant of Peace & Friendship with them & agreed that in Case a War should break out between Great Britain & France that he & his People should be Neuter & desired him to further the said Neutrality with his Nation & the other Indians w\ö he faithfully promised to do. —

Albany 10 June 1735. a Cayouge Warrior reports to the Commiss\ö that he & another Indian returning this Spring from their Winter hunting stopped at a Castle of the Wagenhaes or Uttawawa Indians who received them kindly & that their Sachems met & told them that a Peace & good Correspondance had been formerly established between
their Nation & the 5 Nations & tho the Sachems were
dead who made it yet they now renewed it & desired it
might be continued.

They said they had tried their Father the Govr of
Canada & liked him not. that they had tried their Bre­
theren of New York & found themselves well used, & that
they intended to build a New Castle that they might
come & Trade at Oswego without being obliged to touch at
Fort Cadaraqui. That the Wagenhaes had given 20
Bevers to enforce their above Speech, 10 of wch were left
with the Caouge Sachems in order to return an Answer &
the s^d Sachems had sent the other 10 to the Commiss" for
them to return proper Presents to the Wagenhaes.

The Commiss" thank the Cayouge's for their Endeavours to
bring the far Nations to trade with us, & return a small present
to the Cayouge Sachems —
(Quere) Would it not have been good Policy to have dispatched
this Indian with presents & a Message to the Wagenhaes
to have kept up & encreased this good disposition of theirs.
I find nothing but a cold Comp^t paid to the Cayouges on
the Occasion. had such a Circumstance happened to the
French, they I am persuaded would imediately have sent
an Embassy & forwarded the removal of their Castle.
but our Albany Commiss" are too fat headed, & have
too much Belgick Phlegm for so judicious & Active a
Conduct.

(P. 172.) Albany July the Commiss" receive a Letter from Govr
Cosby acquainting them that the Garrison at Oswego
are very much in want of Bedding & desire them to send a
Supply of Rugs & Blankets out of the public's Money.

29 July 1735. The Commiss" answer that the Members of the
Assembly for the City & County being present told them
if they complied with the above Request of the Govr" they
were of opinion the Assembly would not allow it in
their Accounts & therefore they could not venture to do it.
And that the said Charge must fall on the Traders.
30 July. Laur. Claasse is dispatched to the 6 Nations to acquaint them that his Excell’govr Cosby intended to meet them at Albany the 3d of next Sep’.

1 August 1735. Sundry Sachems of the Cacknawaga Canada Indians arrive at Albany & desire a Meeting from the Commiss’.

They begin by offering the Calumet or Pipe of Peace to all the Commiss’ who according to the Indian custom take each a Whif. Having gone through this Solemnity, their Speaker opens the Conference & says he speaks in the Name of the Gov’ of Canada & the 3 Castles of Indians in Cannada that they are come in Consequence of the Belt of Wampum sent to them by the Commissioners last May, to renew & strengthen the Antient Peace Friendship & Intercourse between their Constituents this Gov’t & the 6 Nations. That they may mutually Aid & Assist each other, and that all the rights of Hospitality may be mutually kept up between the contracting Parties, with Liberty of mutual Trade & Intercourse.

The Commiss’ Accept ratify & Solemnize in behalf of the Gov’ of New York the above offered Treaty of Peace Trade & Amity with the Gov’ of Canada & all the Indians dwelling in his Gov’t & promise (p. 173) to send the Calumet Pipe to Onondaga to be there laid up as a Memorial to Posterity of this Solemn Treaty.

1 These 3 Castles are Deserters from the 5 Nations.

2 The Gov’t of Canada having just finished the stone Fort at Crown Point which is within the Boundaries of this Province & having settled his Plan of operations to the Westward at Lake Ontario & Niagara I suppose dispatched this Solemn Embassy to Albany as a Security & Cover to his Designs. The Canada Trading Faction at Albany who I find were the Majority of the Commiss’ swallowed the Bait with Greediness. By this Solemn Treaty the Canada Trade was opened & freed from all Obstructions.

3 This Treaty is One of the most formal & carried on with the greatest Solemnity of any I have met within the Records. That the Commissioners should take upon them so great an Act of Power as this Appears to be without giving the Gov’t any previous Notice & having his Orders thereupon seems to me an Insolent Stretch of their Office — but I suppose they knew under what Influence Mr Cosby acted & that the Albany Genius & Politics were recommended to his Submission. Who lead
Albany 18 Sepr 1735. Govr Cosby meets the 6 Nations at Albany & speaks to them in Manner following —

he pays them the Compliments of Condolance upon the Loss of those of their People who are deceased since his last Meeting them. he renews the Govr with them in behalf of all his Majesties Subjects in North America.

he repeats to them all the Advantages they reap by the Garrison at Oswego & tells them he expects they will on all occasions be ready to defend it; he exhorts them not to suffer the French to build any Trading House or Forts on their Land, wch he tells them they have put under the Protection of the King of Great Britain.

he thanks them for their kindness to the Traders, & tells them they must be sensible that when the King of Great Britain is at War with the King of France how unable the French are to supply them with Goods & says You very well know, that the French themselves in Canada could not have subsisted, had they not been supplied from Albany.

That he rejoices to hear of their Inclination to Peace with the Southern Indians, he presses that matter upon them & desires they will name a time when they are willing to meet Deligates from those Indians at Albany & he will write to the Govr near whose Provinces they reside in order to bring this Peace to a final Issue.

He acquaints them with the Treaty lately made by the Commissioners with the Canada Indians & delivers them the Calumet wth they left to be lodged at Onondaga he tells them the King has ordered him to give them several presents in his Name, wth they shall receive as soon as they give him their Answer.

(P. 174.) Albany 20 Sepr 1735 — The 6 Nations Answer the Govr Speech They return their Comp of Condolance.

him at this time I know not. And whether this Treaty was or was not good Policy, I shall not determine, but I think it was a Step of too much consequence to have been taken without the Govr concurrence of wch I find no traces in the Records. It opened & fixt the Canada Trade wth I believe was the Chief View our Commissr had in it —
They promise the Cov\textsuperscript{t} shall be kept inviolable on their side. As to the Garrison & Trade at Oswego, they say when a number of Traders are there, Goods are sold cheap, but when there is but a Trader or two, they are cheated, not only the 6 Nations but the far Indians, & instead of pure Rum they receive half Water, this they say makes them appear as Lyars to the Far Indians who come there upon their Encouragment.

They say

"Brother You told us that you would not suffer any French to go up the River Oswego, we suppose you are in a Mistake in that affair,\textsuperscript{1} for the Trade & Peace we take to be one thing for here have lately been Indians from Canada to renew their old Friendship therefore no Passages ought to be stopped where Messengers come thro to make Peace, perhaps far Indians may want to come to Albany or to some of the 6 Nations to make Peace."

The Gov\textsuperscript{r} said he did not mean to hinder any Indians from coming to them, but to prevent the French from coming amongst them to infuse Lyes & prejudice them against this Gov\textsuperscript{t}—

They proceed & say

"You command that we should not suffer the French Priest or any other French to live among us on this side of the Lake (Lake Ontario) Bro\textsuperscript{r} Corlaer, We take narrow notice of it, its as if you on one side & the French on the other will press us out of our Lands, we are like Dumb People not knowing what ails us, but we promise we shall not consent to any French living among

\textsuperscript{1} The Sachems take this Treaty with the Canada Indians in the same Light I did, as a free & full opening of the Trade to Cannada \textsuperscript{w} (in my Opinion) was prudently prohibited by Gov\textsuperscript{r} Burnet. And from their sense as above expressed of it, I make no doubt they now looked upon themselves as at Liberty to enter into any Negotiations they thought proper with the French. This Treaty certainly tended to take off that Jealousy & coldness of the French \textsuperscript{w} it is ever the Interest of this Colony to inspire the 6 Nations with. It appears to me that a free Trade to Canada is false Policy with regard to the Indian Trade meerly as such, but in the general System of Indian Politics I must think it [is] a wrong Measure.
us or to settle on this side the Lake. the House at Niagara is built but it was against our Consent. — (P. 175.) They are willing his Excellcy should employ his Mediation to settle a Peace between them & the Flat heads & say they refer the Management of it wholly to him.¹

Albany April 1736. The Commissrs receive an Acc¤ of the Death of Govr Cosby who is succeeded by the Honble George Clarke Lieut Govr —

Several Indians intending to go out a fighting against the Flat heads are stopped by the Message & Endeavours of the Commissrs & the Commissrs receive a Letter bearing date the 7 May from the Lieut Govr Advising them he had wrote to the Govr of South Carolina upon the Subject of a Peace between the 6 Nations & the Flat heads.

29 May. A Smith & Three Men are sent to reside in the Sennecas Country for One year for wch they are to receive £80. And have £20 more allowed them to bestow upon the Indians in presents in such manner as they shall judge most for the public Good. —

12 June 1736. Several Sachems of the Schaahkook Indians present another Complaint to the Commissrs about their Land. They say.

"The first Govrs who came here fixt our Fathers at Schaahkook that they & their Posterity should live there."

"We have Land at Schaahkook but the Christians have taken it within their Fences so that we have none left to plant on, The Christinas tell us that they have got it from some Indians but we know of none that have given it them."

I find no kind of Answer recorded to these Oppressed People's Complaint.

¹ I find no private Conference between the Govr & the Sachems recorded at this Meeting, why Govr Cosby departed from the Practice of his Predecessors, I know not. Such private Conferences Attended with presents have been extreamly useful at some very critical junctures, & in my Opinion might be always rendered very Advantageous to the public Weal, by an honest & judicious Govr —
19 July. The Commiss* receive Information that the Traders at Oswego sell Rum to the French Interpreter, who gives it to the Seneca Indians in order to promote his Influence & the French Designs amongst them. (surely this is a notorious proof that tho my cursory reflections on the Albanian Indian Traders are severe they do not rise up to the Infamy of their Characters.)

(P. 176.) Albany 30 July 1736. The Commiss* receive a Letter from one of our Residents at Oswego acquainting them. That a Great Sachem of the Ottawawa Nation had been there & given Information that the French had been among the far Nations & told them they were determined to cut off Oswego & kill all those Indians who should go there to Trade.

That they had also forced Three Nations of far Indians who were coming to Trade at Oswego to go to Canada

That they have also sent for the Messasagas another Nation of Far Indians who used to Trade at Oswego to come to Canada.

That [sold] some Miamies Indians who were arrived at Oswego complained that the French had stopped them at Niagara & forcibly taken from them part of their Goods.

That Jean Coeur the French Interpreter had carried with him towards Canada Three Great Sachems of the Senecas in order to go to Canada & sell to the French their Land at Irondequat, but our Resident got some other Sachems to go after them & brought 'em back much to the Mortification of Jean Coeur, who dispatched a Messenger to the Onondagas to desire them to go to the Senecas & get some other Sachems to go with him in the room of those who were returned, for he would not go to Canada without some of the Seneca Sachems as the Gov* of Canada much wanted to speak with them.

That Jean Coeur intended to return from Canada to the Senecas Country in 30 or 40 days & as he passed by
Oswego to stop there & buy from our Traders 160 Kegs of Rum to distribute amongst the Senncas.

The same Letter advises that notwithstanding these Base & Unwarrantable Proceedings of the French, there has been a great Trade at Oswego this Summer. that 160 Canoes of far Indians had been there besides what had come from the 6 Nations.¹

(P. 177.) Upon the receipt of the foregoing Letter the Commiss' nominate 5 Persons & a Smith to go & reside in the Senncas Country for One year & give them Instructions to watch the Motions of the French, to be watchful over & to promote to the utmost of their Power the Influence & Interest of this Province.

Albany 9 March 1736/37 Laur. Claasse the Interpreter is dispatched to Onondaga to Accquaint the 6 Nations that Govr Gooch of Virginia has prevailed upon the Southern Indians to send Deputies to Williamsburgh ab the begin­ing of next April to treat of Peace between them & the 6 Nations, & to desire they would fix on Deputies to go there on their behalf, in the meantime the Lieu⁴ Govr commands them to cease from all hostilities.

6 April. Laur. Claasse returns & reports that he had met the Sachems of the 6 Nations to whom he had communicated the above Message & they return for Answer. that they are surprized the Govr of Virginia should send this Message to them without taking Notice of the Govr of New York or the Commiss⁸ of Indian Affairs that some Persons from them might go with their Deputies for say they We are One Body, One Blood & One Heart, as they cannot write or read they would not trust the whole managm⁴ of such a Treaty to their own People.

¹ These Violent & Scandalous Attemps of the French, is an incontestible Argument how very detrimental this Trading House at Oswego was to their Interest & consequently how beneficial to ours & had the Northern Trade to Canada been entirely rooted out & our whole Attention been Applied to the Western Trade at Oswego, & proper Persons disengaged from Trade been placed there to have pushed our Political Influence with the far Nations, it seems to me we might have given a Mortal wound to the French Indian Trade & Influence. by force of Arms it is now I believe impossible.
That Albany is the Antient & fixt Place for all People to treat with them & if Govt Gooch will come himself or send Proper Deputies with Deligates from the Southern Indians to Albany, they will meet there & hear Proposals—

That the Govt's orders for their committing no Hostilities came to late a Party of between 3 & 400 fighters of the 6 Nations were already gone out a fighting but they will use their Endeav'rs to hinder others from following. —

Laur. Claasse further reports that the 6 Nations are to have a general Meeting the begining of May next to consider of the French Interpreters request about Settling at Irondequat.

The Commiss's transmit the Above Information to the Lieut Govt & say they think it highly necessary that some Person of Distinction should attend the above Meeting with Laur. Claasse the Interpreter. (P. 178.) Accordingly Laurence Claasse & another Person is sent up to Onondaga with proper Presents to act in Behalf of this Govt at the sd Meeting & instructed, to remind the 6 Nations that it is expressly contrary to their several Treaties with this Gov't & their solemn Promises to suffer any French to settle on their Land & will be a Manifest Violation of the Cov't Chain, that they ought not to hold meetings with the French or listen to their seducing Artifices.

Albany 4 May 1737. The Commiss's apply by Letter to the Representatives of the City & County of Albany to get an Act passed that no more but one Interpreter to the Commissary shall be made use of at Osswego & no Brokers employed by the Traders there. for that the Multiplicity of Interpreters & the employing Brokers is the Occasion of much irregularity & confusion. —

28 May Mr Schuyler who was sent to Onondaga with the Laur. Claasse the Interpreter returns & reports, that he did not find the Assembly met at Onondaga, but he learnt there that the Sennecas had certainly given Jean Coeur leave to build a Trading House at Irondequat, upon wch they proceeded to the Sennecas Country & convened the Sachems together, & asked them if it was true they had given that
Liberty to Jean Coeur; they owned they had given him Liberty to build a small Hut, but thanked the Govr & Commiss for their Advise & promised they would recall the Liberty they had given, And in token thereof they gave a Belt of Wampum—

But Laur. Classe who returned into the Senneca’s Country after M’ Schuyler had left it, reports, that he found the Sennecas had entirely fallen off from their Promises to M’ Schuyler & that Jean Coeur was going on with the Settlement at Irondequat, upon wch he convened the Sachems & asked them how they came so soon to forget their Promises to M’ Schuyler for that he was informed the French Interpreter was gone to Niagara to fetch Pouder & to furnish a Trading House at Irondequat, & that in order to convince him it was not by their Consent, Laur Claasse desired the Sachems would speak with Jean Coeur in his presence return his belt of Wampum & make void their Agreement with him, but to this the Sachems would not consent. And that (p. 179) he was further informed at Onondaga that the Sachems of the Sennecas had received a large Belt of Wampum from the Govr of Canada to join him in a War against a Nation of Indians called the Foxes. —

That after he had condoled with them on the Death of their Principal Sachem called the Doctor, they had consented to come down with him to Albany to meet & speak with the Lieut Govr in conjunction with the other 5 Nations.

Albany 27. June 1737. Lieut Govr Clarke meets the 6 Nations at this Place, to whom before he enters upon any other Buisness he makes a very Pathetic & well drawn Remonstrance upon their consenting to let the French Interpreter settle at Irondequat. In wch he tells them, “You know well that about 36 — Winters ago you gave those Lands to the Great King of Engd y’ Father to hold & protect

1 The [Deed of S] Act of Surrender & the Deed in consequence of it An° 1701.
them for you, & you know that about 11 ¹ Winters ago you that you acknowledged & confirmed that Gift, now having in that solemn Manner put it into the hands of our King your Father you cannot without his Consent suffer a French man or any other but the Subjects of the Great King of England to build on it unless you resolve to throw off his Protection & our Friendship."

He tells them that before he proceeds to renew & brighten the Gov't Chain with them he must have their Answer & Resolution upon the Above Affair.

The same day the 6 Nations made Answer to the above Speech of the Lieuent Govrn.

They begin thus.

Brethren Indians that belong to the French, You are here to listen to what we shall speak to our Bro' Corlaer.

You may hear it & we doubt not you will tell it to the Gov'r of Canada wch you may do, but we desire you will tell him nothing but the Truth.⁵ (P. 180.) They then proceed & repeat the Gov'n Accusation of their Infidelity & the Gen¹ heads of his Speech to them. They say Bro' Corlaer You spoke very fierce & roughly to us & we hope you'l give us the same Liberty.

Brother

At the time when the French built the House at Niagara the Gov'r asked us in a public Meeting why we suffered it & did not Demolish it, we answered that we were not able to do it but desired the Gov'r to write to the King about it wch he promised to do, but we have never heard more about it, so we think they who write are as forgetful as we who cannot write, for this we can remember & think the Gov'r should at least have acquainted us with what Answer he had. —

¹ In their Conference with Gov'r Burnet in July 1727. —
² I suppose they must mean those Indian among themselves whom the French had bribed & cajolled into their Interest, for surely a Man of M' Clarke's Sagacity would never have suffered Canada Indians to have been Auditors at this Conference. that ye Albanians might have harboured them would be to me no wonder.
Bro, You have told us that probably we have forgot what passed in former times but our Ancestors have handed down to us from Father to Son what has happened both in the Dutch & English times. There has been a Book but perhaps that Book has been destroyed.

Bro, We have come to a full Resolution of all the 6 Nations not with false Lips but from the bottom of our Hearts that the French shall not settle on any of our Lands & this you may believe we speak with Sincerity.

We again say as before & we speak with a sincere Heart & shall perform our Promise there shall not one French man settle on our Land.

We want to ask one Question tho it does not belong to the present Subject. how comes it that the French have settled so near in the Neighbourhood even at the Craw Point? have they won it by the Sword, We think it is our Land?

Thus ends this Days Conference.

(P. 181.) Albany 28 June 1737. Govr Clarke makes a Second Speech to the 6 Nations, the Stile of which is so elegant & the Sentiments so just & Excellent that if it consisted with the Intentions of these Papers I would transcribe at length for the Entertainment of those into whose hands they may fall, but I must keep up to my Plan, & proceed to take notice of such Matters as in my Judgment seem to be of necessary importance.

he expresses his Satisfaction in the Solemn Promises they have made to him on the Subject of permitting the French to settle on their Lands & depending on their sincerity & exact performance, renews the Covr with them in his Majesties name in the most ample Manner.

1 this a kind of Sarcastic Question of the Indians & meant as a reproach to our Indolence & weakness to suffer them to build a Fort within the Limits of this Province. I believe the true Answer would be this. It was suffered in lieu of the Canada Trade & agreeable to the constant Policy of the French with the Albanian Administrators, to feed their impatient Avarice at the Expense of the future Honour & safety of this Province.
he represents in very lively Colours the pernicious Designs & Artifices of the French who have no other Intentions but to extirpate & Destroy them in order to favour & compass their own Ambitions Designs, and as one Instance, he gives their Endeavours to prevail on the Young Warriors of the 6 Nations to join them in their War upon the Nation of the Foxes, by which the 6 Nations can attain Nothing but false Glory & real Loss. he exhorts them rather to Cultivate the profitable Arts of Peace & the practice of Justice & Temperance by which they will introduce Riches amongst themselves & inspire their Neighbours with a veneration & Esteem for them.

he points out to them the advantage of the Trading House at Oswego & that the more they can succeed in their Influence among the far Nations to bring them thither to Trade, the greater will be the plenty & cheapness of Goods that we shall always be able to sell Cheaper than the French who are obliged to purchase many of their Goods at Albany.

he tells them he is informed the Sennecas & Cayouges have sold to Mr. Pen those Lands of theirs on the Susquehanna River where the Shawawanas & other Indians are settled by which means those Indians are drove to the Intention of taking an Assylum at Tuchsakrondie among the Settlements of the French, which he tells them will tend to weaken the power of the 6 Nations & add strength to the French & therefore recommends it to them as a piece of good Policy worthy of their Prudence to invite those Indians to settle on some of their remaining Lands. (P. 182.) he concludes his Speech or rather Oration by telling them he has some Presents for them from their Loving Father King George. which he will give them when the Conference is finished that they may not be cheated out of them for Rum as they have often been

Albany 30 June 1737. The 6 Nations return their Answer to Govr Clarke's most excellent Speech. They say they promise in the Name of the 6 Nations to keep the Cov
Chain inviolable on their parts & to make it clearer & brighter & stronger than ever.

As to the Govr of Canadas invitation to join him in the War against the Foxes they say it is true he did send them a Message to that purpose but he sent them no Belt of Wampum & it is a Maxim amongst them, that if any body speaks to them he must give a Belt as the Govr of Canada gave none so they take no Notice of his Message.

They say they think there is some Poison at Oswego for many have died there (meaning that it is an Unhealthy place).

That they dont conceive the Truth of what the Govr tells them that the more Furrs wch come to Oswego the Cheaper Goods will be, for they must now pay 3 Bever Skins for a woman Petticoat, & they desire Goods may be sold cheaper & then all the far Nations will come & trade there.

The Govr answered. that whoever made them pay 3 Bevers for a Petticoat imposed on them & desired them to mark those Traders & not deal with them, for an honest Trader will give them 2 Petticoats for 3 Good Bevers.

The say the Land they are about selling to Mr Penn is a great Distance from where the Shawanas are settled

They say the Shawanas are disgusted at Mr Penn & that they beleive it is his fault that they design to remove themselves, (for they say,) ¹ it is a Custom amongst the Christians when they buy Land of the [Christians] Indians to take in more than they agree for & they believe Mr Pen has encroached on the Lands of the Shawanas. & they desire the Govr will write to him about that Matter & be a Mediator between Mr Pen & those Indians to prevent (p. 183) their going to the French Settlements.

They say, "before there was an House in Albany & every Body lodged under the Leaves of the Trees the

¹ this Accusation is notoriously true & has been one among many other Causes of weakening our Influence over the Indians. the Inhabitants of this Colony, New Jersey & Pensilvania are so Land Mad that they are ready to destroy each other about their Boundaries & Titles & forever at Law.
Christians & we entered into a Cov't of Friendship & the Indians loved the Christians on Acc't that they sold them the Goods Cheap

"We shall not repeat a long Story of what happened between our Forefathers. We shall break off here. But we shall say in few words that our forefathers dealt uprightly & in simplicity, when they first began to trade they had Goods much cheaper than we have now. You said we had no Memories but it is written in our foreheads." ¹

The Lieu't Gov'r made a short reply in w'h he said

"I am very sorry there has been any misunderstanding between Mr Penn & the Shawana Indians. I shall do my Endeavours to get a good Understanding betwixt them. but as no man can Answer for the Success of what he undertakes I recommend to you to keep the Shawanas among your selves as you have done the Tuscarores to prevent their going to the French."

Albany 2d July 1737. The Speaker of the 6 Nations waited on the Lieu't Gov'r & said. "You told us that the Shawana Indians intended to remove from their habitations on the Susquahanna River to Tuchsagrondie & settle among the French Indians & you recommended to the Sachems of

¹ The Complaints of the Indians upon the dearness of Goods & the unfair treatment they meet with from the Traders, are so very frequent thro-ought the whole Records that tho I have several times noted 'em in these Abstracts I have more frequently omitted them. The Indians have often laid it down as a fundamental Maxim that their Connexions with us arose from & depended upon Trade, & even a superficial knowledge of Indian Affairs will point out that Truth. In the Indian Trade we have many natural & constitutional advantages over the French, & it is this w'h has obliged the French to have recourse to so many Base & Artful Measures to carry on their Influence & Views with regard to the Indians, but more honesty & Generosity on our side would have in a great measure defeated the whole System of French Policy, but — but on the contrary we have aided their Views by our Dishonesty & Opression with regard to our Trade with the Indians & their Lands. by this means we have lost all that Dignity of Moral Character, w'h let Politicians Act & say as they Please, is the true Foundation of National Grandeur & Influence. By our fruitless & ill conducted Expeditions against Canada we have given the Indians a contemptible Idea of our Martial prowess & Genius. On the contrary the French who have been more Active & Successful are more revered by them.
the 6 Nations that they should prevent their removal. I am come in their name to tell you that they will do all in their Power to prevent their removal & give them other Land among us in case it be sold to Govr Penn.”

(P. 184.) Lieut Govr Clarke having referred to the Commissr of Indian Affairs to consider of & give their Opinion upon the Subject of the French getting leave from the Sennecas to build at Irondequat.

They give it as their Opinion, that some proper Persons be sent to reside amongst the Sennecas for the ensuing year & that they be furnished with presents to the value of £60 or £70. to distribute properly amongst the leading Sachems in order to keep them to the performance of the solemn promises they have made in the foregoing Conference not to suffer the French to build on any part of their Land.

They give it further as their Opinion that for the Security of the Indians & Fur Trade that a Fort be erected at Irondequat & a Garrison posted in it.

Mr Clarke being desirous of purchasing in His Majesties Name all the Indian Lands on the South side of Lake Cadaraqui or Lake Ontario from Oswego to the Falls of Niagara [in order] in order to erect a Fort at Irondequat, from the Onondaga Cayouge & Senneca Indians, he gave orders to the Interpreter to summons the Sachems of those Nations before him, but the Interpreter Laur Claasse (who afterwards confessed he mistook the Order) summon’d them to meet at the House of One Blicker & there made them his honours proposals for the aforesaid purchase. The Sachems made Answer, that the Two Cheif Proprietors of s’d Lands were in the Sennecas Country & that the Sachems there present had no right to dispose of the same.

And that it had been formerly agreed on by the primitive Owners of said Lands that they should remain for the use of their Childrens Children forever & not be sold to any Christians nor any settlements made on it, because on those Lands they get their Cheif support in Hunting & Fishing.

Govr Clarke was very angry the Interpreter should make this Proposal to them by himself & not bring the Sachems to him the
Interpreter excused himself as above but I suspect the Interpreter was influenced by some Albanian Politics in this affair.

(P. 185.) Albany 1 July 1737. Lieut Gov Clarke renews the Covt with the Schaahkook Indians & exhorts them not to separate but live together & endeavour to bring back the deserted Indians to their Native Country.

They in return renew the Covt chain on their side & promise to use their Endeavours to keep together in a Body & to prevail on those who have deserted to return.

23 July The Gov having appointed Laur Claasse & 5 other Persons to reside in the Sennecas Country for the Year unsuing, they are dispatched thither by the Commiss with proper Instructions

2d Janry 1737/38 The Commiss receive a Letter from Laur Claasse from the Sennecas Country wherein he writes. That there are Three Frenchmen there who have used all their Endeavours to get leave from the Indians to settle at Ierondequat, but that he has defeated all their Schemes & that they rather loose than gain ground. he writes that he believes he could now purchase the sd Land from the Indians were he properly furnished, but that he dos not choose to lay out his own Money. he writes that the Sennecas are in a bad state by reason of the great Quantity of Rum wch is brot amongst them.

The Commiss transmit a Copy of this Letter to the Lieut Gov & recommend the furnishing Laur Claasse with Money to make the aforesaid purchase wch they say will not in their Opinion cost much

Albany 26 Janry 1737/8. Lieut Gov Clarke having referred the Four following Queries to the Commiss viz
1. What number of Indians are within the Boundaries & immediate Influence of this Gov?
2. What is the Strength of the Neighbouring Indians?
3. What is the Strength of our European Neighbours French & Spanjards?
4. What Effect have the French or Spanish Settlements on the Continent of America upon his Majesties Plantations especially this Colony?

The Commiss* answer the aforesaid Queries in the following Manner.

To the 1st The Six Nations of Indians including the River & Schaahkook Indians are about 1500 Fighting Men 1 of wch Number (p. 186) about $\frac{1}{3}$ part incline to the French Interest, being partly overawed by Fear, the French having their Interpreter continualy among the Senecas who has a great Influence over them, & they often send Messengers with presents among the Six Nations. To the 2d Quere.

The Indians living near the Neighbourhood of Montreal & Quebec are about 1000 fighting Men besides a vast number of other Forreign Indians where the French have 16 Fortifications amongst them.

To the 3d Quere

The French Europeans settled on the River St Lawrence in Canada consisting of ye Three Governments of Quebec, Montreal & Trois Rivieres computed at about 10,000 fighting Men including 32 Companies of Regular Forces.

Of Spanish Settlements none within the Boundaries of this Province.

To the 4th Quere

The Metropolis of New France is Quebec a Strong Fortified Town being inclosed in a very good Wall & has a strong Fort sittuated on a Rock, being the Sea Port on the North side of the River St Laurence; about 60 Leagues S. W. thereof is Montreal on the same side of the River, it is regularly Fortified & surrounded with a Strong Stone Wall, having Bastions & a large Trench round the N. E. & West sides thereof & to the South the River.

About 7 Leagus South from Montreal is a Village called Chambly sittuated on the River runing out of Corlaers Lake wch

1 in the year 1711. 814 fighting Men of the Indians being then but5 Nations besides Schaahkook River & High Land Indians joined our Army in the Exped* against Canada of the 6 Nations in are reckoned fighting Men
by the French is called Lake Champlain & emptys itself into the River St Lawrence at Soriel. there is a good strong Stone Fort at the side of the River at the upper end of a Bason.

They have also a very strong Fort to the West of Crown Point called by the French La Pointe au la Chevleares, at the side & South end of Corlaers Lake before mentioned about 70 Miles to the Northward of our farthest Settlements built in the Year 1736. for a Retreat when the French should at any time come to disturb or Anoy our Frontiers either in this Province or New England. They likewise by that means have extended their Limits having encroached upon Lands belonging to His Majesty.

They have likewise a Strong Fort at Cadaraqui at the N. E. end of the Lake Ontario which empties itself in the River St Laurence, made there not only in order to entice the 6 Nations of Indians into their Interest & to have an awe over them,¹ but also (p. 187) for a retreat for the French when at any time they may Attack or Annoy the 6 Nations & likewise to hinder the irruption of the 6 Nations upon Canada in time of War.

They have also a Strong Fort at Niagara lying at the S. W. end of Cadaraqui Lake below the Falls of that name 3 Leagues, where there is a carrying Place, it borders near the 6 Nations & in a great Measure commands the Indian Trade from the Westward & overaws the Sennekas.²

They have the several Settlements as above observed, & Forts of Less Note among the upper Nations of Indians upon the Chief Passes where those Indians must come from their Hunting in order to intercept the Fur Trade & to keep an Awe & Command over them.

Albany 6 March 1737/8. The Commiss⁸ send an Express to Laurence Claasse to the Sennecas Country to acquaint him that Deputies are Expected at Albany this Spring from the Cherokees & Cattabaws to make a firm Peace

¹ And upon Land belonging to the 6 Nations & contrary to their Consent as may be seen in the former part of these Abstracts.
² this Fort is also settled on Land belonging to the 6 Nations & surrendered & subjected to the Crown by a solemn Deed in 1701. that surrender acknowledged & in effect renewed in 1726.
between them & the 6 Nations & direct him to publish this News amongst the Senecas & the rest of the 6 Nations & use his best Endeavours to prevent any of them from going out a fighting against those Nations.

27 May 1738. In a Letter of the Commissâ to the Gov'r Clarke they refer him to theirs of the 2d Jan'r last about enabling Laur Claasse to purchase the Land at Irondequat from the Indians, they say they continue to think he may yet do it on easy Terms & that if he dos not the French will, & that some Sachems have declared themselves of the same Opinion.

1 June the Commissâ write Laur Claasse to purchase as much Land about Irondequat from the Indians in His Majesties Name as he can & they doubt not the Assembly will make the purchase Money good to him.

(P. 188.) Albany 26 July 1738. Laur. Claasse the Interpreter being returned from the Senncas Country where he had resided for near a year past makes the following report to the Commissâ —

That upon several Indians going out to fight against the Cherokees & Cattabaws he had endeavoured in conjunction with several Sachems to stop them, but they made answer that he was certainly jesting with them for if Corlaer wanted them not to go he ought according to Custom to have sent a Belt of Wampum, but as Laur. Claasse spoke without one they should not lay aside their Expedition.

That after much Enquiry & with some Difficulty some of the Chief Sachems & Warriors did confess they had given Jean Coeur leave to build a House at Irondequat. who had made them many fair Promises & that upon Laur. Claasse representing to them the many fatal Consequences wch would ensue to them & all the British Subjects in North America by giving the French Possession of that Post, & putting them in Mind under what artful Pretences & with how many fair & false Promises the French
had deceived them into the Building at Niagara &c. The Sachems met the day after & told Laur Claasse that they had expressly forbid Jean Coeur to build at Irondequat & that they would never suffer a Frenchman to settle there.

That upon his Departure he had convened the Sachems & told them his time of Residence was now expired & desired to know if they had anything to say to the Govr or the Commissrs — They said they had staid at home from Hunting in expectation of the Deputies of the Cherokees & Cattabaws coming to Albany according to the Message they had received from Corlaer. but they found now those Nations had cheated them for they had lately murdered a Caouge Indian.

They further desired a Smith might be sent them. That he parted from the Sennecas Country with Jean Coeur who went to Canada in Comp'y with 14 Indians & 6 Squaas.

25 Aug't 1738. The Commissrs write a Letter to the Lieut Govr & acquaint him that some Deputies from the Mohawks have been with them & proposed to send Ambassadors from the 6 Nations by Sea to Virginia in order to treat of Peace with the Southward Indians as the time for their coming hither is elapsed. but the Commissrs say they think this is all Sham as numbers of their Warriors are going out a fighting & the War seems to be carried on with (p. 189) Additional Vigor. The Commissrs recommend to his hon'r his Endeavrs to bring about a Peace between our Indians & those to the S.ward as an Event wch will be very beneficial to all his Majes'y Colonies in N. America.

They earnestly recommend that Irondequat may be taken into our Possession at the Charge of the Province wch will prevent the French making a Settlement there wch if they do will be a very great prejudice to the Fur Trade & Security of this Colony.

1 Irondequat is about 40 Miles West of Oswego on the S. side of Lake Ontario.
Albany 7. of October 1738. Gov'r Clarke Issues a New Commiss' for Indian Affairs, w'ch sets forth that whereas the Gen' Assembly of this Province in an Address to him had given it as their Opinion that the Commiss' for Indian Affairs had generally been too Numerous by w'ch the public Expence hath been increased, and that they thought Nine in Number were suff' Three of whom to be a Quorum. The Lieut' Gov'r accordingly in this Commiss' nominates Nine Persons as Commiss' for Indian Affairs.

6 Jan'ry 1738/9. I find an Oath of Fidelity Administred to the Interpreter. — And this is the first I find recorded throughout the whole Indian Records. — It surely does not require any detail of Reasoning to evince how very important the Capacity & Integrity of an Interpreter is to the public. how well Qualified former Interpreters have been I cannot judge. but as to the Capacity of the present One, it is well known & I dare venture to pronounce it very unequal to his office. he may understand the Indian Language, but I am confident he is a very indiff' Judge either of the Eng'lish or Dutch, I have tried him in both & can scarce make Sense [out of him] when he translates out of Indian into either. As to his honesty I know nothing about it. The Salary is £6o. p' An'm this Curr'y tis [much] too little for any Man of Genius & Character. They have always been Indian Traders they never ought to be any ways concerned for manefest Reasons. by residing in or about Albany they will be subject to a partial Influence. however as One must be there, I think there ought to be Two, & One to reside at New York under the Gov'n imediate Comm'd —

(P. 190.) Albany 7. June 1739. The Commiss' receive Advice that the French were preparing to settle some Families along the Wood Creek w'ch is between Albany & Crown Point & a place the Lieut Gov'r had appointed to settle some Scotch Highlanders who were expected over & many Miles within the undoubted Boundaries of this Province.
Upon which by his honours Directions the Commiss'rs write to the Rev'd Mr. Barclay Missionary amongst the Mohawks to dispatch some Sachems of that Nation to the Wood Creek to see if thee French are there if not to go to the Crown Point to tell them that the said Land belongs to the Crown of Great Britain & forbid them to settle there.¹

11 July. Sundry Mohawk Sachems come to Albany in order to confer with the Commiss'rs upon the Intelligence that the French intend to make a Settlement at the Wood Creek, they own themselves sensible of the Injustice & bad Consequences of such an Encroachment of the French & are ready & willing to go & warn them not to Attempt such a settlement. They say in their Conference. "That the Lands at the Wood Creek, Crown Point & as far North as Ochjarego belong all to us, & all the Lands on both sides the Lake ² as far as Ochjarego ³ & all the Lands on the carrying place to the Southward of Crown Point belong all to the 6 Nations"

7. Aug. The Mohawk Deputies return from Crown Point where the French Officer received them very kindly heard their Message but said he could give no Answer to it, but would send it to the Gov'r from whom they should hear.

11 Aug. Mr. Myndertse who was Commissioned as Resident amongst the Sennecas returns & reports that during his abode there several French Emissarys have been amongst them to prevail on them to join the French Army who are marching against the Chickasaws a Nation bounding on Virginia & Georgia, but that by his Influence & Management not one Seneca would (p. 191) consent to go with them which was a great Disappointment to the French.

That Jean Coeur is labouring & using every Artifice in his power to get leave to build himself a House at Irondequat, but Mr. Myndertse defeated his Intrigues &

¹ There is a note on Mr. Barclay in N. Y. Col. Docs., vi, p. 88. — En.
² Lake Sacrament
³ I take to be Otters Creek
to prevent any such Settlement a Senneca Sachem is gone to settle there himself & desires the Commiss\* would send up some Neighbours for him at least to stay this Winter. —

Albany 10 Sep\* 1739. A Deputation from the Mohawks to the Commiss\* They say they have not yet received the Gov\* of Canadas Answer about the Settlement at Wood Creek but expect it speedily.

They say the Gov\* Chain with the upper & Western Nations is not kept so bright as formerly, & that the French on the contrary have so great an Influence over them that they direct them as they please.\(^1\)

That they hear the Sennecas are going in conjunction with other Western Indians to join the French Army against the Chickasaws, & that proper Persons should be sent to reside amongst the Sennecas to support the Interest & Influence of this Gov\*\(^2\)

That they think the French should by no Means be suffered to settle Irondequat & that the only effectual Prevention will be for us to make a Settlement there \(w^e\) they are assured the Sennecas will consent to.

The above Intimations from the Mohawks were communicated (p. 192) to the Lieu\* Gov\* in a Letter from the Commiss\* who say they hope the Assembly will enable his honour to settle Irondequat & that the Sennecas make us the Offer to do it & are desirous

\(^1\) this Observation of the Mohawks seems to be well grounded, for I have not met with any conference or Negotiation in the Records for several years past with the Western Indians. Whether the Trade being opened again between Albany & Canada prevented it I cant be possitive, but it seems likely, for \(y^t\) other ceased from \(y^t\) time. Trade with them there was at Oswego, but no Negotiations.

\(^2\) this also was prudent Advice & when a good Choice has been made always turned out to our Advantage, tis there the French chiefly push their Politics & tis there we should be prepared to resist them. I make no doubt from M\* Clarke's great Capacity this would have been done & Irondequat put under the Marks of Possession. but he was distressed by Faction, & what has been often & I fear will be long the Fate of this Colony the public good & many salitary measures sacrificed to that Personal Animosity \(w^e\) takes the lead amongst People of the chief Capacity in this Country \(w^e\) is aided by the Ignorance & mean subserviency of a Body of Men who are led in strings like Calves. Gov\* also have wanted Spirit, Integrity or Capacity to over awe these Factious Leaders.
we should that otherwise the French certainly will do, we must very much distress our Fur Trade & encrease their Influence over the Western Indians & the Sennecas. (Vide the note.) 1

Albany 24 Sep' 1739. Four Persons are Commissioned by the Lieut Gov' to be residents among the Sennecas in behalf of this Gov't for the Space of One year who receive proper Instructions to support the British Interest & Influence amongst the 6 Nations & the far Indians in Opposition to the French Intrigues & Designs. And to tell the Sennecas [the] we expect shortly that a small Party of Men will be sent to settle at Irondequat.

8 Oct'o. In a Letter from the Commiss' to the Lieut Gov' is the following Paragraph.

"We have been in expectation that the assembly would have raised a fund to have enabled us to send four Men to take possession in a formal Manner of Irondequat in his Majesties Name & keep it till they be relieved by others — We shall use our Endeavours to get People to go on Credit of the Gov't but doubt much whether we shall be able to get proper Persons to go, while for 2 Three years past no Manner of Provision has been made 3 for those who resided in the Sennecas Country.

(P. 193.) Albany 26 October 1739. The Gov' of Canada's Answer to the Message sent to him in July last by four Mohawk Indians in the Name of that Nation about settling at the Wood Creek. viz.

"That the King of France claims all the Land South, North, West & East lying on all the Rivers & Creeks that empty

1 Apparently note 2 on page 214 is meant. — Ed.
2 [Whether] what Light this places the Assembly in, let those who peruse these Abstracts judge, & if they will attend to & recollect [to] those Reflect'ns wh' are put down in the manner of Notes to these Papers they may enter into & be tolerable Judges of the Merits of the Cause, Discretion will not admit my being so explicit as I [could be] might on this Subject. 1 by the Assembly. Gov' Clarke had been at this time in the Chair of Gov't about three years. he was kept in a state of Warfare. his Abilities & knowledge of the various Interests of this Cont'l in general & this Colony in Pticular (as I have heard from good Judges) were never exceeded by any man. —
themselves towards Canada even to the Carrying Place & Lake of St. Sacrament & that he will not suffer the English to make any Settlements upon any of these Lands — but notwithstanding he would give all his right to the forementioned Land from the Crown Point to the Carrying Place to our Mohawks & his Indians as a deed of Gift to make use of it for a hunting Place for them & their Posterity at ye same time assured them no French should settle there."

17 December 1739. I find a new Commission for Indian Affairs Issued by Lieu't Govr Clarke in w'ch 16 Persons living at Albany are nominated besides the Gent'n of His Majesties Council

19 March 1739/40 An [Oneida] Onondaga Indian is sent down by his Castle to the Commiss're with 7. hands of Wampum to acquaint them that the Sachems of their Castle intend as soon as the Waters are open to go to Canada to condole the Death of Jean Coeur & to invite the other Sachems of the 5 Nations to join them in this Ceremony. — Upon this Laur. Claasse is sent to the Mohawks & to the Oneidas to influence them to prevent this Embassy & that no Belt of Wampum be sent by the other 5 Nat's to acquaint them that the Lieu't Gov'r intends to meet them in the Spring & that he would take it extreamly ill to have them absent in Canada condoling the Death of a Man who had ever been an inveterate Enemy to this Colony. tm inform them also that open war was declared between the English & the Spanjards but not yet with the French & when that happened they should know —

31 March 1740 — Laur Claasse returns from the Above Journey & reports that the Mohawks would not join in the Embassy or sending a Belt of Wampum to Canada until they had spoken with the Lieu't Gov'r The Oneidas said they did not intend to go to Canada & the reason was that no Conference had been held with them by the Gov'r for so long a time. They add,
You may say that Love & Affection may be as strong in Absence as when present but we say not, (P. 194.) Nothing more revives & enlivens affection than frequent Conferences. ¹

Albany 11 April 1740. [a] Messages are dispatched thro the 6 Nations to acquaint them that Govr Clarke cannot meet them so early this Summer as he intended because he is ordered by the King to stay at New York to forward the Levies raising for the West Indies, but that he will meet them as soon as possible. And to tell them not to go out against the Southern Indians because he has a power from them to make a Peace with the 6 Nations.

16 Augt 1740. Lieut Govr Clarke meets the 6 Nations at Albany & opens the Conference with a very Eloquent & pathetic Speechh—

He tells them the reason he did not meet them last year was upon Account of the small Pox then at New York & was afraid lest the Infection of that Disorder so fatal to them might be brought up there. he represents to them the Arts of the French in deluding their Warriors to join in their Parties against the Forreign Indians & exposes to them their own Weakness in being seduced to go out to War against the Nations who have never offended them, that it is both unmanly & impolitic. that they are thereby weakening themselves & aiding the Ambitious & insidious Designs of the French who when they have by these Means weakened & diminished their Numbers & strengthened their own Interest & Allies will root out & destroy the 6 Nations. he places before them in an opposite View, the pacific Dispositions the Benevolent & Friendly Conduct of the English towards the Forreign Indians & themselves & tells them they may hence see

¹ this Observation of Oneida Sachems is I believe very just with regard to the Indians, as far as the public can bear the Expence they should provide for them as frequently as possible. for the French are ever watchful to improve their Interest on our Neglect. Unless the Assembly make a Provision a Govr cannot go up to Albany. this they generally do every other Year, unless want of Confidence or the Machinations of Faction prevents. It was now 3 years almost since Mr Clarke met them, prevented [because] by the Small Pox.
[the different conduct] how much more amiable & trustworthy the Conduct of the English is who breathe the Spirit of Liberty & independance than of the French who thirsting for Arbitrary Power would make Slaves of all Mankind. he concludes this part of his Speech by telling them that he now renews & brightens the Cov't Chain, & expects they will do the same.

he reproaches the Onondaga Sachems with going to speak to the Gov'r of Canada before he had this Conference with y' 6 Nations.

he commends them for not suffering the French to make (p. 195) any Settlement at Irondequat, & lays before them the ill Consequences if ever they suffer it.

he tells them he has Orders from the Great King their Father to conclude a general Peace between them & all the Indians to the Southward & Westward of them & that those Indians have desired him to negotiate the same who would have sent their Deputies but the present War with Spain prevents it, however he Solemnly engages on their Behalf. he tells them that it is him Majesties Royal Pleasure that all the Nations of Indians to the Westward & Southward even as far as the River Mississippi shall live together in a Strict union as Bretheren of the same Family, & that they communicate to each other any Attempts wch may be formed against any of them by their & our Enemies whenever it comes to their knowledge this he faithfully promises shall be done on the part of Southward & Westward Indians. That this Strict Union & Friendship is a Matter determind on & Com­manded by his Majesty & that he doth now admit the aforesaid Indians into the Cov't Chain to all intents & purposes as fully as if they had been born in the Castles of the 6 Nations or in our own houses, And as a Memorial of this Peace & Union he gives them a Belt of Wampum to be preserved & kept by them forever — Albany 19 Aug't 1740. The 6 Nations Answer the foregoing Speech of Lieu't Gov'r Clarke.

They renew on their side the Antient Cov't Chain, & promise on their parts that it shall endure to the End of the World.

They beg the Gov'r to excuse the Onondaga Sachems who are gone to Canada & say they are gone there to do good for the whole Community.
They say as to Irondequat they are fully resolved neither we nor the French shall settle there, they say there is a Jealousy between us & the Gov't of Canada & therefore if they should suffer either of us to settle there it would breed Mischeif, that Oswego & Niagara are near enough & that Trading houses too near generally Quarrel about Trade. (P. 196.) They say that in conformity to His Majesties their Fathers Commands they Accept all the Indians under His protection as Bretheren that they may be united as One Body, One Heart & One Flesh according to the Kings Commandment. But they desire that some Sachems of the Southward Indians may come to Albany to Strengthen & Confirm this Union, & they will give them Two years time to come.

They say formerly they were but 5 Nations but now so many to the Northward & Southward are entered into the Gov't Chain that they are innumerable, that they must acquaint them all with this Union to keep them at home from going a fighting. —

They accept the Belt in token of the aforesaid Union to be kept at Onondaga & that when the Southward Indians come here they will give them a Belt in Answer to it.

The Gov't replied

That as to the Southward Indians coming hither it was not possible, that he stood in their stead & by his Majesties Command was to make a firm Union between them & that unless they gave a Belt in return for that he gave them to send to the Gov't of Virginia as a proof that they consented to this Union he could not give them the presents from the Gov't of Virginia.

They Answer

That since the Gov't is as fully impowered to fix this Peace & Union as if the Southward Indians were themselves present they do consent to the same, join them in the Gov't

1 to preserve the Ballance between us & the French is the great ruling Principle of the Modern Indian Politics. I believe their Affections are in our Favour, but their Fears are on the French side. Our Conduct has & I fear still continues to weaken the Former while the French apply themselves to increase the latter principle. Thus while the Indians promise us fair & even mean it, the French over-awe them from acting up to their Inclinations.
Chain & shall ever look upon them as their Bretheren & as they have never yet violated any Treaties so they will keep this Inviolable to the End of the World & they give a Belt to be sent to the Gov'r of Virginia as an everlasting Token of this Peace.

The Gov'r then gave them the Presents.

After this Conference Mr Clarke renewed the Cov't & spoke to the Scaachkook Indians & gave them some Presents. but in this Conference I find nothing Material enough to find place in these Abstracts.

Albany 24 Sep'r 1740. The Lieut Gov' having appointed some Persons with a Smith to reside in the Sennecas Country the Commiss' give them the proper Instructions upon their going thither.

17 Feb'y 1740/41. The Commiss' in their Letter to the Lieut Gov' write that it is very necessary to enlarge & Strengthen the House at Oswego by some Fortifications & a reinforcement by some Indians of the 6 Nations & they hope the Assembly will raise Money for that purpose, or it will if Attacked fall an easy prey to the French & they think would be the means of loosing the Attachment of the 6 Nations & turn them upon us.

(P. 197.) Some of the Onondaga Sachems having been at Canada last Summer & having had a Conference with the Gov'r there, the Commiss' were informed that they had consented to the French destroying our Trading House at Oswego. Whereupon the Interpreter was sent to Onondaga to know the Truth of this Information — And the 4 March 1740/41 Laurence Claasse returned with a Deputation of Sachems from the 6 Nations who acquaint the Commiss' & assure them that such a Report was Malicious, False & Groundless & wonder the Commiss' would give Credit to so ungenerous an Imputation. that they were sensible of the Benefit & Advantage of the House at Oswego to themselves as well as the Foreign Indians. that they had agreeable to the several repeated Exhortations given them endeavoured & bro't into our Cov't Chain several Nations of Indians Children to the Gov'r of Canada. That their chief
Errand to Canada was to treat with the Gov'r & the Cacknawaga Indians about a Neutrality in Case of a War between the French & us & w'h the say both the Gov'r & the Indians seem inclined to.¹

Albany 18 June 1741. The Indians of the 6 Nations particularly the Sennecas, the Cayouges, the Onondagas & Oneidas being in great want of Provisions in their country a considerable Quantity of Indian Corn is ordered for them & a Message dispatched to them for each Nation to send for the Quantity alloted them

12 Augt a Deputation of Onondaga & Cayouge Sachems acquaint the Commiss'n that there has been a general Meeting of the 6 Nations at Onondaga wherein it was unanimously resolved to defend Oswego against any attempts of the French & a Deputation was dispatched to the Gov'r of Canada to acquaint him with their Resolutions.

They say further that formerly the French & their Nations had War together but that a Gov'r of Canada having sent Deputies to Onondaga to make (p. 198) Peace & that accordingly a Peace was concluded, & the 5 Nations engaged never more to make War upon the French unless they should shed the Blood of their People & that if any difference arose between the English & French the 5 Nations were to be Mediators between them.

Their Deputies therefore who are gone to Canada are to tell the Gov'r that they desire their allies the French & English shall not make War upon each other & that they are resolved to defend the House at Oswego against any Body that shall annoy the same. Upon w'h they are to deliver a large Black Belt of Wampum.

¹ It hath been the Antient Albany Policy in the times of a French War by the Interest & Influence of the 5 Nations over their Bretheren the Cacknawaga Indians of Canada to fix a Neutrality in favour of this Colony, by w'h means their Trade flourished & their Lives & properties were secure, while the French & their Indians plundered & destroyed the Inhabitants of the other British Colonies. this may be good Policy if this Colony is to be considered as an Indep't People but as a joint Interest with the rest of the British Colonies appears to me to be only reconcilable to Dutch Generosity & Patriotism. the New Eng'd People have taxed the Albanians with the selling the French Ammunition to destroy them, & say they have seen their own Goods purchased from the French Indians at Albany.
In reciting the Message their Deputies were to deliver to the Govr. of Canada they mentioned that they had given the French leave to build the House at Niagara as they had to us to build one at Oswego & desired no Molestation might be on either side. Upon which the Commissrs. in their Answer say thus. "You tell us that you have given privilege to the French to settle Niagara & to us to settle Oswego & it seems you reckon their right to the former as good as ours to the latter; In which we think is a great difference, for Oswego was settled by consent of the Six Nations & Niagara was built against their Inclinations & without their Orders. You say the Land at Niagara belongs to you, we know it does, but at the same time you very well know that all the Lands belonging to the Six Nations have long ago been given under the Protection of the King of Great Britain with the French very well know & have owned in the Articles of Peace made over Sea. Wherefore we think there is a great difference between the Settlement we have made at Oswego & the French at Niagara."

Albany 16 Augt 1741. A Sennica Indian who was sent down to [desire] acquaint the Commissrs. that they are in want of Provisions & to desire some (p. 199) Poudre & Lead may be given them to go Hunting, informed the Comissrs. that the upper Castles of the Sennecas to whom the Land at Irondequat belongs, [that the Indians of said Castle] are willing & desirous that their Bretheren the English should

1 the Commissrs State of the Case is just. And from the various parts of these Abstracts it may be collected as a Fact, that the French have no just Title to any Lands on the South side of St. Laurence River as far North as Lake Champlain, nor to the South sides of Lake Ontario & Erie, nor to the Lands between the 3 Lakes, Hurons Erie & Ontario as described is Popples Map; & in some Maps published by Jefferies last year he I believe justly extends the Lands of the 6 Nations as far West as the South end of Lake Illinois. Thus Crown Point Fort — Fort Frontenacs — Fort Niagara & one or two other Forts to the Westward of Niagara now in the Possession of the French are Encroachments upon the 6 Nations built against their Consent, & they having by a Voluntary & solemn Act & frequently repeated put themselves & their Lands under the protection of the Crown of Great Britain those Lands are within its proper Jurisdiction & to be Esteemed part of the Dominions of Great Britain by the Laws of Nature & of Nations & the French can hold their 3d Forts by no other Tenure than Louis 14ths Ultima Ratio Regum
make a Settlement there. — this Information was transmitted by the Commiss* to the Lieu* Gov*

Albany 30 Aug* 1741. The Commiss* having sent a Message to the Cacknawaga Indians of Canada to desire to Speak with them (in order to agree with them upon a Neutrality in Case of a French War) Some of their Sachems come to Albany & tell the Commiss* that the rest of the Sachems were abroad upon Buisness & that they are too few to do Buisness, but come to let them know their Message was kept in remembrance.

By the Commiss* Answer I find they looked upon this Embassy to be evasive & that these Indians were not yet agreed whether they should stand Neuter in case of a War.

The Scaahkook & River Indians having been to Negotiate a Treaty with several Tribes of Northern & Eastern Indians return to Albany with several Deputies of the said Indians the 1 Sep* 1741. & Accquaint the Commiss* that they have entered into a Cov* of Peace & Friendship with the aforesaid Indians & have included therein all his Majesties Subjects in America. This the said Indians also Confirm & tell the Commiss* that they propose to be here in the Spring to confirm the Cov* with this Gov* upon which they presented the Calumet of Peace to be kept at Albany as a Solemn Memorial of their Union with all his Majesties Subjects in America.

The Commiss* accede to the Peace & Accept the Calumet.

3 October 1741. Two Mohawk Sachems complain to the Commiss* that whereas in former Days the Indians lived near each other in their several Tribes but that now they are become a Scattered People & that great Numbers are removed to Canada & elsewhere & that they fear those who are left will soon be gone. They therefore (p. 200) desire some Persons may be sent thro the 6 Nations to inspect into this Matter.

The Interpreter & another Person are accordingly sent, & they are instructed [to] earnestly to exhort the Indians not to seperate but to live in their Castles &
represent to them the ill consequences of this separate way of Life.

5 October 1741. The Commissrs write to the Lieu Govr on the foregoing Subject & what they have done. They propose that 100 lb of Poudre & Lead in portion should be lodged at each of their Castles in order to keep them from settling at a Distance as scarcity of Provisions is partly the reason & also that the French endeavour to draw them towards Cadaraqui Lake. But the Commissrs say the Allowance of the Assembly for Indian Affairs is neither suff to execute this Scheme nor many others wch would be of great Advantage & Security to the public. — & beg his Honr will make a proper Representation of this Matter to the Assembly.

11 Janr 1741/2 The Commissrs acquaint the Lieu Govr that the French have sent great Presents to Niagara to be distributed amongst the 6 Nations in order to prevail on them to join a French Armament wch is going on an Expedition against the Southward Indians, but as they were sending the Token wch the said Indians had sent to His honr that they would observe the Treaty of Peace wch he made last year between them & the 6 Nations through the sd 6 Nations the Commissrs were in hopes by the means of this Token & the remonstrances wch would be made to them to prevent the 6 Nations from joining the French in the sd Expedition.

They also Accquaint the Govr that Laurence Claasse the Interpreter is Dead & that they shall in their next recommend another in his Room.

26 Janr A Deputation of the Cayougés, Oneidas & Tuscarooses come to Albany & acquaint the Commissrs that it is the Unanimous Resolution of the 6 Nations that none of their People shall go out a fighting to the Southward for these 2 years & in token of their Sincerity they give a Belt in behalf of their Nations.
They say also that according to the desire of the Commiss\* they will live nearer to their Castles. & endeavour to bring the Sennecas to build their Castle where the Commiss\* have recommended.

They desire a Smith may be posted for one year in Cayouge & say they cannot do without one. (P. 201.) The Commiss\* Answer, that they are pleased at their resolution of observing the Treaty with the Southward Indians, but this is to be done not only for Two years but forever.

That they shall have a Smith according to their Desire

Albany 3d April 1742. Jacobus Bleeker is appointed Interpreter in the room of Laurence Claasse deceased & swor into the office

3 May. The Commiss\* write the Govr & complain of the Assemblys not making suff\* Provision for their carrying on the Managment of Indian Affairs. They say they hear His honr dos not intend to meet the Indians at the time he formerly designed upon Acch that Govr Clinton is expected over but they hope if Mr Clinton doth not arrive timely is honr will come up as the Indians expect him & stay at home to be ready when called upon. They say in yr Letter "We are sorry your Honour is to be superseeded, seeing you have always had the Interest of this Govr so much at Heart but since it is his Majesties Pleasure we must be satisfied."

14 May Mr Van Slyck returned from the Sennecas Country & brought with him a String of Wampum from the chief Sachem of that Nation & with the consent of the other Sachems, whereby they send word to the Lieuh Govr & the Commiss\* that they consent to sell a certain Tract of Land lying at Irondequat & desire a House may be immediately built thereon & they engage that it shall meet with no Molestation or Opposition & they desire some fit Person or Persons may be sent up to survey the Land. —

14 June. The Lieuh Govr having called the 6 Nations together at Albany they accordingly came & their Sachems waited
upon his Hon' & informed him that a Southern Indian had been amongst them he was sent by his Countrymen to acquaint the 6 Nations that they were disposed to a Peace & Union with them & that next Spring some of their Sachems would come & bring some Prisoners of the 6 Nations with them in order firmly to fix & establish the Peace between them, & to intreat them to join the s'd Southern Indians in extirpating the Cattabaws their Enemies.

That the 6 Nations had accepted the s'd Proposals of Peace & given the Messenger a Large Belt of Wampum as a token of their Sincerity. But as to the Cattabaws they had made no Answer on that head. for wch His hon' commended them as they were Indians subject to the Crown of Great Britain —

(P. 202.) Albany 15 June 1742. The Lieut' Gov' Speaks in public to the 6 Nations — He puts them in mind that in his last public Conference with them he had proposed a Union between them & all the Indians under his Majesties Protection as far as the River Missisipi, that they had approved of this Proposal & united all the said Indians in the Gov't Chain with them. That he had transmitted to the Gov'rs of the Southern Provinces an Account of this Engagement into wch the 6 Nations had entered & had in return received the Tokens wth he now lays before them from the s'd Indians whereby they desire the Gov't Chain into which the 6 Nations have taken them may be kept inviolable. he then proceeds to exhort the 6 Nations to be faithful & punctual to the Engagements they have entered into & tells them it is the only Method to secure them against the Ambitious Views & pernicious Designs of the French, who have engaged & cajolled them into War against those Indians in order to waste them & destroy those Nations who are Enemies to the Tyranny & Arbitrary Measures of the French —

The Lieut' Gov' renews the Gov't Chain between them & us. He tells them that it is with great concern that he understands most of the 6 Nations have of late years dispersed themselves
forgetting their Antient Custom of dwelling together in Castles. he exhorts them to return to their Primitive Way of Living as it will add to their Strength & enlarge their Influence, he tells them the Sennecas & Cayouges have promised to do this.

he tells them that as Oswego is a place of great Security & Advantage to them & as he doubts not they are from Experience sensible of it, so he proposes to build a Wall round the Trading House there that it may be in a capacity to resist the Attacks of an Enemy, And that if the French should become Masters of that important place they would have the Trade in their own power, put what prices they please upon their Goods, by that means impoverish them & reduce them to Slavery their great Aim, he therefore exhorts them to beware of the French Intrigues & not suffer any of their Emissaries to reside Amongst them.

16 June. The 6 Nations Answer.

They give a String of Wampum in token of their Acceptance & Approbations of the Peace between them & the Southern Indians, & desire they may see One of each Nation at Albany in order fully & firmly to cement the same. They renew the Gov't Chain & give (p. 203) A Belt of Wampum in token thereof. They approve of the Gov't Exhortation to live in their Castles as formerly & say they are Glad the Sennecas & Cayouges have promised to do so on their parts.

They approve of the Building a Wall round Oswego.

They promise their Warriors shall no more assist the French in their Hostilities against the Forreign Indians & that for the future they will not suffer the French Emissaries to reside amongst them. as token whereof they give a Belt of Wampum. As to the Southward Indians coming to Albany the Lieut. Gov't told them as the Great King our Father was engaged in a War against the Spaniards & those Indians lived near their Settlements he could not undertake for their coming here till that War was ended. —

He then gave them the presents.

Gov't Clarke spoke also to the Schaahkook Indians exhorted them to live in Peace with the Christians who were settled round about them. that he was glad to hear they had made a Peace with the
Assehicantecook Indians who he was informed were expected here & that he should leave directions with the Commiss' concerning them. That he was glad to hear they had got some of their Bretheren back who had deserted from them & encouraged them to try to get as many more as they could.

he renewed the Cov't with them & gave them some Presents.

Albany 18 June 1742. The Senneca Sachems appeared before the Board & acknowledged to the Commiss' that they have sold the Land at Irondequat to Arent Steevens in behalf & for the use of this Gov't Whereupon the Commiss' ordered these Three Sachems presents in return for the Purchase & Presents for another Owner of the said Land who did not come with them.

They confirm the sale in the Presence of the Commiss'.

14 Sep't 1742. Mr Andris Brat appointed Commissary at Oswego returns to Albany & reports.

That the Ottawawa Indians have this Summer been to Canada at the desire of the Gov't there. They told the s'd Brat that they were surprized our Gov't had not sent to speak with them & renew the Cov't between Our Gov't & them as they bring all their Goods (p. 204) to Oswego & think they ought to have been invited down as well as the 6 Nations.

he also Informed the Board that a French Smith is now at Onondaga with his Wife & Family, & that the Onondagas had given the s'd Brat 7 hands of Wampum to desire the French may not be disturbed in their Passage by Oswego.

1 See page 230. — Ed.

2 the Reception of this French Smith after their late promises to the contrary is a Strong Proof how little dependance is to be made upon the Promises of the Indians. whose Modern Character is certainly want of sincerity. I very much suspect that we have debauched them in this particular, as I am positive we have in many others. a Smith is so necessary a Person amongst the Indians & they are so frequently begging & praying to be supplied with them, that I wonder such a Disposition has not been made that they may never want. the difficulty of getting Smiths to live among the Indians has been mentioned in the Records but I believe a larger Allowance would remove it & as they have always an Influence upon the Indians, care should be taken to prevent the French from sending any.
Albany 28 Sep° 1742. A Deputation from the Cacknawaga, Schawendes & Orondax Indians 1 living in & about Canada arrive & told the Commiss° that as they had often been desired to come & renew the Treaty between them say they were now come to do it.

The Commiss° repeated the Substance of the Treaty w°ch was made with them 7 years ago, w°ch was that in case a War should break out between the Kings of England & France the said Indians should keep a Neutrality towards all his Majesties Subjects in N. America. That they in return should have free Access & Ingress to this Place with Liberty of Trade & all the Privelidges of such as are in a Cov° with us. And they say the reason [the reason] they were desired to come hither was to put them in Mind of & to renew this Cov° —

The Indians express their great Satisfaction at the good Dispositions of this Gov° to renew & preserve this Treaty aforesaid & say they do in the presence of the 5 Nations (some Mohawk Sachems were present) give a Belt of Wampum as a Token that they will ever observe this Treaty & Cov° inviolable. —

1 Dec° 1742. The Commiss° write the Lieut Gov° that having sent some Persons with a Smith to reside in the Sennecas Country they had on their Arrival found the House in w°ch our People used to live demolished by the French & that by distributing large Presents among the s°d Indians the French had prevailed upon 50 of the Sennecas (p. 205) to go out with their Parties to fight against the Flat heads of S. Carolina, & that it was very necessary our Residents should be supplied with Presents to counter ballance those of the French, but that the Allowance from the Assembly for Indian Affairs was so small that it was already Exhaused & they had no money to lay out for the aforesaid Purpose.m—

1 The Schawendes or Scawendadayes were according to Colden Indians of the Lake of the Two Mountains in Canada.

Orondax = Adirondacks, living in Canada. — Ed.
Gov. Clarke I find Answers this Letter wh. is not recorded, but in the Commiss' Answer to it they say. "We are convinced your Honour has done your utmost Endeavour to induce the Assembly to Augment our Allowance."

I find the French Interest among our 6 Nations so prevailing that some of every Nation but the Mohawks joined the French in their Parties against the Southern Indians. And the Sachems say they could not hinder some of their Young Men from going out. An Engagement had happened in the Province of Virginia between these Parties in wh. some of the 6 Nations were killed & some of the White Inhabitants of Virginia.

Several Messages passed between the Commiss' & the 6 Nations relating to the above Skirmish in Virginia; the People of Virginia accuse the Indians as the first Aggressors & the Indians themh. however the 6 Nations say they are well inclined to make up this Breach & to live in Peace & Friendship & they desire the Gov. of Virginia may meet them at Albany in order to accomodate all Matters.

Albany 14 June 1743. Two Asschicantecook or Eastern Sachems come to Albany in the Name of their Nation & say they are detirmined to keep the Neutrality wh. had been agreed on between them & this Govh in case of a War between the French & us & that they will come to & from Albany to Trade&c.

The Commiss' receive their Message kindly & promise them Security & protection from us.

30 July. Three Janondadee Sachems arrive at Albany & say there had been formerly a Cov. made between their Nation & us & that they are sent by their Sachems to know the particulars of the Antient Treaty between us. They at the same time present a Belt of Wampum wh. had been given to their Nation by the Commiss' —

The Commiss' Answer them, that the Belt of Wampum they now present was given them above 40 years ago by the Commiss' of Indian Affairs to be kept by them in confirmation of the

1 Indians who are settled about the Western parts of Lake Erie.
Cov't made with their forefathers & ours wh was to be reciprocally observed to the End of the World. the purport of wh Cov't was, that there should be an Everlasting Peace between this Gov't the 5 Nations & their Nation & that the Road should be kept open & Secure between their Country & this City with Free Liberty of Trade & all other rights of Hospitality — And that these conditions of the Treaty were signified on that great Belt of Wampum wh they now show. That this Antient Cov't was renewed about 38 years ago & again renewed about 22 years ago.

The Indians answer that they are extreamly joyful to hear this Explication of their Belt, & they present a Belt of Wampum in token of their now solemn & Joyful renewal of the s'd Cov't.

The Commiss'rs renew the Cov't with them & give them a fresh Belt of Wampum in token of the same.

Albany 14 Aug't 1743. Two Oneida Sachems acquaint the Commiss'rs that Two Persons from Philadelphia & One from Virginia with an Interpr had been amongst the 6 Nations to wipe off the Blood wh had been shed in Virginia (as mentioned on the other side) & to restore Peace & Friendship between the 6 Nations & the People of Virginia & that this Affair was amicably settled on both sides. —

30 Sep't 1743. The Commiss'rs write a Letter to the Honble George Clinton congratulating him on his arrival to this Gov't.

24 Octo'r. The Commiss'rs write a Long Letter to Gov'r Clinton in wh they [say it is] lay before him a general State of the Forts &c relating to the 6 Nations. They say

The Fort at Oswego is the Key of the 6 Nations & that their Fidelity & Allegiance to His Majesty chiefly depends on our supporting the said Fort. that at present it is Garrisoned only with an officer & 20 Men wh tho suff in Time of Peace is not so in a time of War. They say, should this place fall into the hands of the French all the Indian Trade of this Colony would go with it, by wh means the French would gain over the 6 Nations & all the other Indians wholly to their Interest.
They say, the Sennecas who are the most numerous (p. 207) of the 6 Nations were formerly the most firmly Attached to the British Interest, are of late by the Intrigues & Managment of the French become the most waverling, & without proper care be taken on our side for the time to come, they fear the French will get the greatest part of them over to their Interest. The Commiss* propose that a Fort should be built in their Country & garrisoned with an Officer & 20 Men. Also that proper measures be fallen on to remove the French who reside in the Sennecas Country & who are constantly debauching their Affections from us. If (say the Commiss*) the Assembly dont judge proper to support some such Measures as these, they think the 6 Nations will be lost to us, & of what fatal Consequence that would be not only to this but to all the Northern Colonies, those who have experienced what Havock a few Indians can make in time of war can well judge.

The Fort at Saragtoga remains ungarisoned. The Fort at Albany out of Repair. Fort William & Fort Cosby are without an ounce of Poudre. —

These things they hope the Govr will recommend to the consideration of the Assembly & that they will think of making the necessary provisions.

17 May 1744. I find the Assembly resolved that in case the Govr & Council thought proper to reinforce the Garrison at Oswego with another Detachment from the Indep^ Company's that they would make a Provision for their Transportation & [subsisting] victualing. —

Albany 13 June 1744. The Commiss* write to the Govr that as War is now declared between the French & English, they think it absolutely necessary that an outscout of 40 Men should be sent at the charge of the Province [should be sent] to the Carrying Place (a Pass between Albany & Crown Point) to observe the Motions of the Enemy & that a Fort or Place of Strength should be built at the said Carrying Place as a Rendevous or retreat for our Out scouts & Partys w^th it will be necessary in War time to be continually sending out.
They again recommend a Fort to be built in the Senecas Country.

14 June. The Cacknawaga Indians of Canada send a Messenger to the Commiss* to acquaint them, that as there is now a (p. 208) War declared between Great Britain & France, the said Cacknawaga Indians were Inclined to keep the Cov† of Neutrality formerly agreed on between them this Gov‡ & the 6 Nations & that the same friendly intercourse might be kept up between them as in time of Peace.

That they would either come to Onondaga or to Albany to renew the s^d Cov‡

They were asked whether this Neutrality was intended to include all the French Indians living in & about Canada They s^d Yes. Whither they intended it or not only with this Colony but with all the British Subjects of North America. they Ans^d yes.

Whether if the English should Attack the French they would keep Neuter‡? They answered yes.

I dont find any Answer from the Commiss* recorded to this Message.

Albany 18 June 1744.

Gov‡ Clinton meets the 6 Nations at Albany. His Speech to them contains in Substance.

His Majesties orders to him to renew Strengthen & Brighten the Cov‡ Chain w^th hath so long united the 6 Nations & his Majes^r Subjects together in Union & Friendship & w^th he now dos.

he acquaints them that after several Instances of Treachery the French had declared War against the English & the latter against the French, he therefore recommends them to keep their Warriors at home in readiness to withstand any Attacks or Hostilities from the French.

he promises in the Kings Name to assist & protect them from all assaults of the French & that [the] Commiss* are present from the Colonies of Massachusetts & Conneticut to enter into the same Engagements & to renew the Cov‡ Chain with them.

In return he tells them he expects they shall at all times be ready & willing to assist his Majesties Subjects in the just prosecution of this War & to act offensively & Defencesively against
the French & all their Adherents whenever they shall be called upon so to do.

After recounting in general terms the great Advantage (p. 209) And Security of Oswego to them & us he acquaints them that he has Strengthened that Garrison with some Cannon & reinforced it with more Soldiers & expects that they will at all times be ready to defend it against all assaults & attacks from the French.

he exhorts them to live compact together in their Castles wch is absolutely necessary for their own Security in this time of War.h—

he puts them in Mind of their former Promises not to suffer the French to live amongst them or to settle on any of their Lands & expects they will at this time of War punctually fulfill those Promises. —

20 June The 6 Nations return their Answer.

They solemnly renew the Govt Chain & say they will not put it in the Power of the Devil himself to break or injure it.

In answer to the present War between us & the French, they promise they will keep all their People at home & that they will be ready to do all the Govt expects or desires from them. But they say they desire to live in Peace until the French begin an Attack upon any of his Majesties Subjects when they will be ready to join in our Defence against them.

Concerning the House at Oswego & their defending the same They say the first Two years after that Trading House was settled Goods were sold Cheap & it was a Pleasure to Trade there, but they have since been sold so dear that they do not now think that Place any Advantage to them. however they are thankful the Govt has taken Measures to strengthen & defend the Fort. They take Notice that the Govt has not exorted them to endeavour to cultivate & extend a Correspondance amongst the Far Indians according to the Custom of all former Govts but say, they shall however do all they can to keep Friendship with those Nations who are united with them & then they can overcome any Enemy
They say they are now busy in collecting themselves together in order to live in Compact Bodies.

As to their driving the French from amongst them, they say they have just now declared their desire of living in Peace & should they deliver up the French who live amongst them they would be deemed the first Aggressors & act contrary to their avowed Principles, & therefore they will leave it to us to do with the French who come in their Country as we think proper.

Albany 20 June 1744. The Commiss³ for Massachusetts Bay & Connecticut Speak to the 6 Nations. They desire to renew & brighten the Cov⁺ Chain & that we may all act as Bretheren of One Common Family against any Attempts or Hostilities of the French.

The 6 Nations Answer & renew & brighten the Cov⁺ Chain & promise the same Brotherly assistance & Fidelity to these Colonies as to New York.

Gov⁺ Clinton & the Above Commiss³ Spoke severally to the Schaahkook Indians renewed the Cov⁺ with them put them upon their Guard against the French & expected they should hold themselves ready to assist us in any Attempts from the Enemy.

The sᵈ Indians Answered & promised in our favour

20 June 1744. The Commiss³ Answer the Messenger from the Cacknawaga Indians whose Message is [record] mentioned pag. 207.m-

They say, if the several Tribes of Indians living in & about Canada are inclined to preserve a Neutrality with all the British Colonies in America, they desire they will send some Sachems of each Nation in 40 days to Albany in order to confirm this Neutrality.

By this Indian they also sent a Message to the Gov⁺ of Canada importing that if contrary to the Custom among civilized Nations

1 I cant think this Article an Omission of the Gov⁺ because no Notice is afterwards recorded of it. If it was left out of this Speech as a Political Measure It appears to me at this Juncture [particularly] a false peice of Policy, — the extending our Trade & Alliance with the Western Indians & animating the 6 Nations to join us therein, seems to me one of the most Salutary Measures this Gov⁺ can pursue & the most effectual Method to distress & oppose the French.
the said Govr should make War upon these Colonies by sending out scalping Parties upon defenceless Families & murder in Cold Blood the Colonies would be under Necessity to take Revenge by the same Methods.¹

(P. 211.) Albany 22 June 1744. Seven Onondaga Sachems applied to the Commissr & say that when they agreed to let this Govt build at Oswego they were promised payment for the Land wch has never been fulfilled & desire it may be now done.

The Commissr say they ought to have mentioned this Affair to Govr Clinton, that they can give no Answer to it & desire they will refer it to the next Meeting with the Govr

N. B. the French Computation of Fighting Men in Canada at this time including the Regular Troops was 20,000 Men —

6 July 1744. The Commissr transmit to the Govr in order to be laid before the General Assembly a Memorial of what is Necess to be done in order to put the Frontiers in that part of the Colony in a proper State of defence. It consists of 10 Articles Viz.

1. that the Fort at Oswego be repaired & Strengthened & reinforced with Men & Stores.
2. To employ 30 Men as Outscouts to watch the Motions of the Enemy —
3. Ten Men more as outscouts from Schenectady to range by another Route & meet the Albany out Scouts at a destined place.
4. That a Fort be built at the Carrying Place leading from Hudsons River to the Wood creek & Garrisoned with an Officer & 30 Men.
5. A Fort to be built in the Sennecas Country & Garrisoned

¹ tho this Cacknawaga Indian must have been at Albany during the public Conference (wch dos not seem to have been a right measure) I dont find by the Records that Govr Clinton was made acquainted with his Message or his being there or that he gave the Commissr an Authority to return the above Answer & send the Message to the Govr of Canada, but as I can hardly suppose the Commissr would have been so presumptuous to conceal this Transaction from the Govr I imagine the Silence of the Records an Omission —
with an Officer & 50 Men with a Smith, Armourer & Interpreter.

6. That 3 Companies of the Militia be detached from the Lower Counties to the City of Albany to defend the same.

7. To Augment the Allowance to the Commissioners of Indian Affairs for carrying on the same.

8. To supply the City of Albany with its Quota of Powder raised for the defence of the Province.

9. To supply his Majesty's Fort at Albany with powder & Balls.

10. That a Field Officer of the Militia may constantly reside in Albany.

10 July 1744. Mr. Bradt who has resided at Oswego as Commissary there returns & makes a Report to the Commissioners of sundry Matters during his Residence there, the only one I judge necessary to take Notice of is, that the Uttawawa Indians (p. 212) who had been Trading at Oswego told him that if they were sent for in form to come to Albany to treat they would readily come.1

I find from several Informations the Commissioners have received, that they were of Opinion that the Influence of the French is so strong over the Indians living in & about Canada that they are of Opinion the French will prevail on those Indians to break the Neutrality they agreed to with regard to the British Colonies & they communicate this their Opinion to the Govr of Boston that they may be upon their Guard.

I find by the Commissioners Letters to the Govr that the Assembly had refused to raise Money for building Forts at the Carrying

1 this is the 2d Time these Indians who are a considerable Nation & live to the Westward of Lake Erie have mentioned their willingness to be invited to Albany, but without effect. I have so often mentioned the good Policy & great Importance of improving & extending our Alliances with the Western Indians & from the whole Tenor of these Abstracts the Utility is so apparent that a repetition or further reasoning thereon seems needless. It cannot escape the observation of those who may read these Papers with a Judicious Attention; that when a Prohibition of the French Trade between Albany & Canada took place, a Communication & Alliance with the Western Indians was diligently & successfully pursued, but since that prohibited Trade revived, the contrary is very remarkable.
Place or in the Sennecas Country. the Commiss' write that as a Fort in the Sennecas Country will be the only means to prevent the French gaing an Influence over our Indians & frustrate all their Measures they hope the next time the Assembly meet they may be brought to consent. — The French at this time were supplying the Sennecas with Smiths & pushing their Scheems in the Senneca's Country & at Onondaga to gain a Party among the 6 Nations w'ch they so far succeeded in that Numbers among the 6 Nations were well inclined to the French. We were securing Oswego & endeavouring to Counterplot the French by keeping the Indians steady to our Intrest. But the French distributed such considerable Presents amongst the Indians & so well applied that they greatly strengthened their Interest amongst them. Our Commiss' complain that the Allowance from the Assembly will not enable them to give the necessary presents. In all their Letters they repeat & press the Building a Fort in the Sennecas Country as the best & only effectual Method to secure our Indians from being debauched by the French. — (P. 213.) The French Interpreter Jean Coeur who resided among the Sennecas found means to spread an Alarm among the 6 Nations that this Province were determined to cut them off. this gained such ground amongst them that they were gathering together & very near begining to commit hostilities upon some of our Settlements however upon 8 of the Commissioners going up amongst the Mohawks all Matters were restored upon a Friendly footing, but the Commiss' write the Gov' nothing will effectually prevent these Artifices of the French but our building & Garrisoning a Fort in the Sennecas Country.

Albany 17 May 1745. I find by the Commiss' Letters that Mr Clinton had dissolved the late Assembly upon w'ch the s'd Commiss' write viz.

"It seems the late Assembly have not had the regard to Your Excell'y repeated Representations of the Necessity of fortifying the Frontiers as they justly & evidently merited, We hope the next Assembly will consist of such Members as have a hearty & sincere Desire to serve their Country."

The French having by their Intrigues & Emissaries raised a
great deal of Uneasiness & Jealousy of the English amongst the 6
Nations the 26 June 1745. The Commiss\* receive Intelligence
that the Gov\* of Canada had sent a Message to the Mohawk
Indians that if any of them were inclined to come & live in Canada
he [had a] was very ready to receive them.

A Considerable Deputation of the 6 Nations are going to meet
the Gov\* of Canada at [Alba] Montreal. They say they are only
going to acquaint him that he must not attack Oswego & that if
he dos they will defend it. but there appears reason to think the
Managment of the French has drawn them thither in order to
cultivate their Influence over & their Interest with them. ¹ —

(P. 214.) Albany 17 July 1745 — I find by a Letter from the
Commiss\* to Gov\* Clinton that the Orondax Indians had
cruely murdered & Scalped Two Men in the Gov\* of Con-
necticut. In the same Letter the Commiss\* say, "the
People of our Country are daily exposed to & must expect
the same Barbarous Cruelties, to prevent w\*h the general
Assembly have not taken any one step that we know of;
a Fort at the Carrying place ought to have been agreed
upon at their last Meeting & provision made for a Garri-
son there & for outscouts." ²

12 Aug\* 1745. a considerable Deputation from each of the 6
Nations having been to Canada to treat with the Gov\*

¹ Since the Declaration of the War between the French & English, the 6 Nations
appear very desirous of preserving themselves Neuter, & endeavour to keep up a
friendly Correspondance with both Nations. The French set every Engine at
work to gain an ascendency over the 6 Nations & there is reason to believe from the
Records that the French had at this time a greater Influence over them than we
had. The Indians certainly stood in more Awe of the French than of us; They
likewise bribed higher than we. But the Vicinity of the Indians to our Settle-
ments, their Trade with us, & the Antient uinterupted Harmony between them &
us, were considerations w\*h nearly Ballanced all the French Politics.

² a Fort at the Carrying Place & one in the Senecas country proposed & so
earnestly pressed by the Commiss\* appears to me to have been a very necessary
& prudent Measure & I apprehend its not taking Effect with the Assembly must
have been from reasons of Frugality. Whether they were consistent with real
Patriotisim & sound Policy, is a Question too complex to be here determined.
there; by means of a Mohawk Indian who was at the s'd Conference the Commiss'm are informed —

That the Gov'r of Canada denied to them that he had sent out the Onondax Indians to commit any Murder. —

That the Onondaga Sachems had several private Conferences with the Gov'r of Canada.

That whilst they were there the News of the taking Cape Breton had arrived & occasioned a general Consternation And that the French had lately taken an English Ship aboard of w'h were Two Letters importing that the English intended to Attempt the Taking of Canada & afterwards to root out & destroy the 6 Nations. Upon w'h the Gov'r of Canada had in their presence given the Hatchet to all his Indians & w'h they accepted. he also offered the Hatchet to all the 6 Nations that they might join the French in a mutual defence against the English & invited them to come & shelter themselves in Canada against the Designs of the English. that the 6 Nations had taken with them a large War Belt from the Gov'r of Canada in order to consider what measures they should take in a general Council at Onondaga.

(P. 215.) The 12 Aug't 1745 — The Commiss'm drew up a Memorial to the Representatives of their City & County the pur­port of w'h was that as the French had given the Hatchet of War into the hands of their Indians & offered it to the 6 Nations against the English who had promised to consider of it in a general Council at Onondaga by w'h & from many other Circumstances it appeared the 6 Nations were very wavering in their Attachment to the British Interest.

That for these Reasons the said Representatives should move & use their Interest with the Assembly to raise Money for Gov'r Clinton to have a speedy Meeting with the 6 Nations & to have a Fort built at the Carrying Place.

In this Memorial they say.

"The French have so great a number of Indians in their Interest who have taken up the Hatchet for them, & they give our Indians Annualy so many presents that our 6 Nations both out of self preservation & self Interest must naturally lean to the French side, the Occasion of
wch is that this Province dos not in any manner assure the Indians of protection against the French in case they engage in a War against them by building Fortifications in their Country, and do not give them any considerable Presents in Comparison with the French.1

13 Sep' 1745. Arent Steevens the Interpreter is dispatched to the 6 Nations to Accquaint them that the Govr of Boston has declared War against the Canada Indians as they have violated the Treaty of Neutrality wch they had solemnly engaged to keep. the said Interpreter is instructed to endeavour to prevail on the 6 Nations as they are party to the said Treaty of Neutrality, to endeavour to bring the Canada Indians into the proper Measures for healing up this Breach & again to establish the Treaty of Neutrality. The Interpreter returns & brings for Answer that as the Govr was daily expected up to speak with them they would refer their Answer upon this Message to the said Meeting.

(P. 216.) Sometime in October 1745. Govr Clinton & Commissrs from the Govr of Massachusetts Bay & Connecut met the 6 Nations at Albany & Govr Clinton spoke to them to the following purpose.

That he came to renew & Brighten the Covr Chain wch had so long united the 6 Nations & the Subjects of his Britanic Majesty. that it shall be ever kept inviolable by us & we expect the same from them.

he mentions that false Alarm wch had been spread amongst the 6 Nations of a Design in the English to destroy them & of wch they had afterwards acknowledged the Falsity. he admonishes them

1 If to these observations we add, the Neglect of extending & improving Trade & Alliances with the Western Indians, The Cheats & Oppressions practised by the Traders upon the Indians — the Scandalous Methods of buying & taking up Lands, the unrestrained Sale of Rum, the not duly supplying them with [Rum] Smiths & keeping proper Residents in their Countrys together with Securing some Leading Sachem or Sachems of each Nation to our Interest by Annual or occasional Presents. These several Points joined to the Above Observations will point out what have been the wrong & what are the right Measures to increase, to extend & to Establish the British Influence over the Indians in N. America.
for the future not to listen to any such Idle Tales or suffer their Affections for us to be shook thereby.

he mentions their going to Canada & having a Conference with the Govr there & recites to them the particulars of that Interview which were come to our knowledge & expects from them a full, clear & Candid Account of all their Transactions there.

he Accquaints them with the Seige & Surrender of Cape Breton. He tells them that we in these parts have lain still & Quiet being unwilling to carry on the War otherwise than in a Manly & Christian Manner. And puts them in Mind that they had sent Delegates to the Canada Indians to tell them that if they should begin to Attack the [Christians] English the 6 Nations would rise up in Defence of their Bretheren. he then proceeds to Accquaint them with the several Murders & Hostilities committed by the said Indians on the English of Boston & Conneticut & Govr Shirley finding there was no longer Faith to be kept with them had declared war against the said Canada Indians.

The Govr then tells them what an Insult it is to Them who were Partys to the Treaty of Neutrality & says that we are now called upon to rise up in our own Defence & to revenge the Blood which hath been so perfidiously shed. he puts them in Mind of their promises given to him to assist us if the French or their Indians should begin the War upon us, he calls upon them now to fulfill their Engagements & join us in our Defence & Revenge & presents the Large War Belt to them.

he concludes His Speech with an earnest Exhortation to them to preserve their Allegiance to His Majesty & their Fidelity to all their Bretheren his Subjects & to rise up to their Aid & assistance in Opposition to the Treachery & Bloody Attempts of the French & their Indians. —

(P. 217.) There is no Answer from the Indians nor anything further relating to this Conference to be met with in the Records.

I find altho the French had destroyed our Fort at Saragtogah & killed several of our People & repeated Endeavours were used to prevail on the 6 Nations to send a Detachment from each Nation down to Albany in order to be employed as outscouts & for other Services they made various Excuses & would not come saying
they were fortifying their own Castles & that every one must take Care of himself. At this time Jean Coeur the French Interpreter resided amongst & under the protection of the Senecas, distributed presents amongst our Indians & had a very great Influence on their proceedings & they said we should not hurt or molest him that he was one of them & had Children amongst them.

In a Letter from the Commiss to Govr Clinton [I find] bearing date 4 Jan\textsuperscript{y} 1745/6 I find they are of Opinion that in order to cover & Secure our Frontiers from the incursions & Ravages of the Enemy towards Canada, that a Stone Fort be built at the Carrying Place & as there will then be 120 Miles extent open to the Enemy they propose that the Line of Forts on the back of New England should be continued thro those 120 Miles at 12 Miles distance from each other & to put an Officer & 30 Men in each One half of w\textsuperscript{e}h Number should patrole from each Fort to the other. By this Scheme the whole Country would be covered & defended.\textsuperscript{1} —

They say there are about 2000 Men in the City & County capable of bearing Arms. In the City of Albany there are scarce 400. —

\textsuperscript{1} This Scheme might I believe Answer the End proposed, but neither is this Colony Populous or rich enough to put it in Execution & in its present state I believe tis a certain Truth that in time of War its produce is not suff\textsuperscript{t} to support its Defence. But would the Crown Reg\textsuperscript{t} the Indep\textsuperscript{4} Companies & Augment them to 600 Effective Men, \& the Colony perfect the above Line of Communication \& build a Fort at the Carrying Place I believe this Colony New England \& Boston Gov\textsuperscript{t} would be put into a pretty secure Condition to the Northward \& Eastw\textsuperscript{d}s— a proper Quantity of Land round each Fort might be given for the Cultivation \& towards the Subsistance of the Troops As to the Westward Frontiers Oswego \& another Fort to be built in the Senecas or Onondagas Country would secure us on that side. Besides this Miletary Security would keep the Indians in Awe \& inspire them with that respect for the English as would probably take off their Attachment from the French, remotely influence all the other Indians besides the 6 Nations, \& at length [perhaps]probably give to the British Colonies in N. America that superior Ascendancy over the French in regard to the Indians \& I am persuaded neither presents nor any Tempor'y Expedients will ever Effect. To this Scheme must be added the throwing Inhabitants into this Colony in particular, where the[immense]immense Patents obtained by the Avarice of particular people from Iniquitous Gov\textsuperscript{r} is the Bane of its Prosperity. Whither a Land Tax [by the Crown] settled by Act of Parliam\textsuperscript{t} would not effect this whole Plan, I leave to Reflection —
(P. 218.) Albany 6 Jan\textsuperscript{\textsc{r}} 1745/6. The Mohawk Sachems of the Two Castles come & renew the Cov\textsuperscript{t} with the Commiss\textsuperscript{m} & offer some of their People to Lye this Winter at the rebuilt Fort at Seragtogha & to go on the outscout w\textsuperscript{h} is thankfully accepted by the Commiss\textsuperscript{m}

The next day the said Indians acquainted the Commiss\textsuperscript{m} that they had made Peace & an Alliance offensive & defen­sive with the Flat heads or Cattabaw Indians & left in the Commiss\textsuperscript{m} hand the Solemn Calumet or Pipe of Peace from the Cattawbaws.

22 Jan\textsuperscript{\textsc{r}} Arent Stevens the Interpreter is dispatched thro the 6 Nations to acquaint them that the Attack upon & the Hostilities committed at Seragtoga by the French & their Indians has put an End to all our hopes of Neutrality & that our Gov\textsuperscript{t} therefore has taken up the Hatchet against the French & their Indians & expects the 6 Nations as our Bretheren & fellow Subjects will join in the War & for their Encouragment the Gov\textsuperscript{t} have appointed £20m— to be paid for every Male Prisoner taken from the French & £10 — for every Scalp. —

25 Feb\textsuperscript{\textsc{r}} Arent Stevens the Interpreter returns from his Emb­assy & reports that he delivered his Message to the Sachems of the 6 Nations convened in a grand Meeting at Onondaga & that they had flatly refused to take up the Hatchet & assist us against the French & their Indians. They said they & the Cacknawaga Indians in Canada were One Family & one Nation that they intermarried amongst one Another & would not therefore make War upon each other, that when Indians went to War with each other they could not make Peace with that Facility white People did. They desired we should not think the Cov\textsuperscript{t} Chain broken by this Refusal as they should not if we refused to assist them in their Wars. The Interp\textsuperscript{r} reproached them with the Breach of their late & constant Engagments to our Gov\textsuperscript{m} but all was to no purpose they persisted in their Refusal.
Upon this News by the Interpreter the Commiss\* dispatched an Express to the Gov\* and advise him immediately to summon the 6 Nations to meet him at Albany & there try to bring them to join in the War. They complain heavily of want of money to carry on the Indian Affairs & of the scanty provision made by the Assembly.

In the Commiss\* Letter to the Gov\* dated the March 1745/6. They complain of the Assembly's neglect in not raising money to secure the Frontiers & say "they are of opinion that no effectual care being as yet taken to secure our Frontiers is a principal if not the only reason the Indians will not join us in the War."

"Unless there be a very strong Fort built at the Carrying Place & a very considerable Garrison placed in it we have always expected & wished for since the War begun our Frontiers will be still exposed to the Enemy's Depredations — "

Intelligence is received that the Mohawks kept privately amongst them a Belt of Wampum from the Gov\* of Canada who had sent a Message with it to them purporting that he was certain that the English in whose Settlements they live had a Design last Winter to destroy them all & that the same Scheme is now on foot, he therefore tells them that he has opened a Road between their Dwellings & Canada for them to retreat to him or he to come to their Assistance whenever they will send him word.

Measures are taken to get this Belt out of the hands of the Mohawks & to remove from their Minds any Jealousy or Suspicions this lying Artifice of the Gov\* of Canada may have raised.

Albany 5 April 1746. Several Mohawk Sachems apply to the Commiss\* in behalf of their Nation — They complain that as they have sent several of their Warriors to Garrison Seraghtoga they ought to be consulted in all Operations carried on there they say is not done.

They complain that they have frequently applied to have their Castles fortified in order to secure their Wives & Children but it is not done, & therefore they must recall all their Warriors to set about that work themselves.
12 April 1746. I find by a Letter from the Commissrs to the Govr that (p. 220) he was dissatisfied with their Management & having thought some other Persons had more Influence over the Indians than they had, he had employed them in some Negotiations without Accquainting the Commissrs with it, wth they so much resented that they desire their Dismission from their Offices.  

22 April 1746. The Commissrs receive an Acc⁴ & transmit it to the Govr of the Barbarous Murder & Scalping of a principal Farmer at Schaahkook by the French Indians wth they say will drive away all the Settlers from their Farms to the Northward of Albany & the Westward of Schenectady & down the Eastern side of Hudson's River — this shortly after happened & for upwards of 70 Miles along Hudsons River I was a Witness of [a] an almost total Desertion from all the Settlements & wth continued till the conclusion of the War, Nay the Grain within 4 Miles of Albany was left unreaped & the Lands uncultivated; such an universal Terror dos the Barbarity of a few Indians Inspire & as the [Settlements] Houses are generaly at some Distance from each other & that part of the Country but thinly settled, this Desertion (the same Circumstances continuing) will always attend the Scalping by the French Indians — Nothing can so effectually secure & enrich a Colonized Country as diffusion of Property & a numerous People. whereas I am informed there have been patents Granted & I believe now in possession of 25 Miles Square to One single Person. Almost every Person is Land Mad & to accumulate vast Tracts of unsittled Land & either to keep or to job with the same seems to rule the Attention of most. hence the Country is kept unpeopled

¹ this Breach between the Govr & the Commissrs was [the] a principal Source of many intestine Broils & Jarrs between Mr Clinton & the Assembly & other leading Characters in this Province. whither it was a right or a wrong measure, I shall not embroil myself to discuss. nor do I think it a matter wth falls in with the Plan or Design of these Papers. Thus far I will venture my opinion, that [as] if it introduced Co¹ Johnson into the chief Managment of The Indians, it gave Action to a Gent of more Influence & Abilities with regard to Indian Affairs & more respected by them than any other Person in this Province, & the Jealousy & Ingratitude he met with I put down to the Venom of Faction.
produces little or nothing in proportion to its Extent and the Possessors in perpetual Law suits & inveterate Quarrels about their Boundaries & Contest & Hatred transmitted thro their Families. their best Estates pay no Quit Rents to the Crown, & many wch are subjected [never] will not pay. —

(P. 221.) Albany 2d May 1746 The Commiss* write a Second Letter to the Govr* acquainting him with several other Attacks Murthers & Scalpings by the French Indians & say that most of the Farmers along the Eastern side of Hudsons River & to the Northward of Albany [are] have deserted their Farms & are come with their Wives & Families for Protection to Albany whose Inhabitants are kept in such constant Alarms & so wore out with Watching & going on the out Scout & as the Indians sit still & will remain Neuter unless a considerable Force be sent up from the lower Counties to the relief of Albany the whole County will speedily be abandoned & the Inhabitants must leave it —

23 July 1746 — Govr* Clinton comes to Albany in order to meet [wuth] & confer with the 6 Nations & prevail on them to join in the War & intended Expedition against Canadæ—

The Commiss* report to the Govr* that by all that appears to them the 6 Nations are unwilling to join us in the War against the French & other Indians ——

Albany 19 Augt 1746. Govr* Clintons Speech to the 6 Nations & to the River Indians — at wch were present Commiss* from Massachusetts Bay

he renews the Covt with them in behalf of all His Majes* Subjects in N. Americae—

he puts them in Mind of his giving into their hands the Hatchet of War the last time he met them & their Promise to use it against the French if they made any Attacks & committed any Hostilities upon their Bretheren the Englishe—he tells them they are all Witnesses of the Bloody & Treacherous Murders committed by the French & their Indians & he therefore demands from them the imediate fulfilling of their Engagements.
He acquaints them with the intended Expedition against Canada the Levies raised for the same being many of them now in Albany & he invites them to share the honour & Glory of this Expedition & presents to them The Great War Belt.

23 Aug The 6 Nations Answer the Govr's Speech — & Say

"We the 6 Nations are now assembled together as one Man & we take in the Messasagas for a Seventh Nation & what is now to be spoken by one Mouth are the joint & Sincere thoughts of (p. 222) every heart" —

They accept the Hatchet & solemnly promise & Engage themselves to make War upon the French & all the Indians in their Alliance, to obey Such orders as His Excellcy shall think proper to give them & in confirmation thereof they throw down their Great War Belt, wth is the Solemnity of their declaring War. 1 —

The River Indians answer much in the same Manner.

From this Meeting the Milatary Command of the Indians [fell upon] being conferred by Govr Clinton upon Co1 William Johnson it naturally bro with it the whole Managment of Indian Affairs, so that till the year 1748. the Records are Silent.2

1 at this Meeting Co1 Johnson who lives in the Mohawk Country & had the Honour of a Sachem conferred on him, came down to Albany with the Indians habited & painted after their manner — I was at Albany at this Meeting & it was then said that his personal Influence over the Indians was the great means of bringing them into the above Declaration of War, wth the Commissr had vainly tried their utmost Interest to do. And from all that I have been able to learn at that Day & to this Time no Man in this Colony is so much respected by the Indians has so much Influence over them or better deserves it. They looked upon him as their Cheif, their Patron & their Brother they acted under his Command & were almost wholly directed by him.

2 The date of the last meeting of the Indian commissioners as given by Wraxall is not quite correct. The original registers contain minutes of a meeting of the commissioners on November 24, 1746, at which Hendrick and eight other Indians appeared, though they had refused to appear at another meeting earlier in the same day. They give as a reason for their non-appearance the fact that they are responsible to Colonel Johnson. They also mention Lydius, whose employment by Governor Clinton had been the cause of complaints by the commissioners for some time. This seems to be the last meeting mentioned in the records. Apparently the commissioners had already resigned, but probably their resignation had not yet been accepted. Their letter of resignation is given in the records under date of October 27, 1746, but is not mentioned at all by Wraxall. In it the com-
Albany 23 July 1748. Govr Clinton & Govr Shirley met the 6 Nations & their Allies the Tontugkrightroones & Schancaderadygroonness & made their respective Speeches to them. The purport of wch were to brighten & Strengthen the Covr Chain to acquaint them with his Majesties Approbation of their Conduct in joining his other Subjects in the present War & that he had sent Govr Clinton several presents as a mark of his Favour to give to them — To warn them against the Artifices of the French & Animate them to continue in their Attachment & Union with the English, not to harbour the French Amongst them who only came with an Intention to stir up Jealousies & misunderstandings between them & their Bretheren the English.

Govr Shirley told them he had brought with him 14 French Prisoners for them to Exchange for such of their People as had been taken by the French. —

(P. 223.) Albany 26 July 1748 — The 6 Nations Answer Govr Clintons Speech The renew the Covr Chain, they acknowledge his Majesty King George as their Common Father & Protector & that their Duty & Fidelity is due to him. They promise faithfully to act in conformity to the several Exhortations given them by Govr Clinton — This Speech they address to Govr Clinton in the First place to Cov Johnson in the Second & Govr Shirley in the Third — They afterwards make a Separate Speech to Govr Shirley in Answer to one he made them.

missioners complain of the governor's accusations against them made to the Assembly, and after giving a justification of their own conduct, they close as follows: "We hope yr Excellency will excuse us & appoint others in our Room who will act more Agreeable to yr Excellency and we hope do more Service to the publick then it has been in our Power to do under the Disadvantages we ly under." The letter is signed by Myndert Schuyler, Nicholas Bleecker, John Lansingh, Jr., Hendrick Ten Eyck, Dirck Tenbroeck, and John Depeyster. — Ed.

1 Tontugkrightroones = Catawbas.

Schancaderadygroonness, variously spelled, but seldom like this: a tribe formerly living in Maryland, but now united with the Oneidas. — Ed.
The Two Govrs next Speak to the River Indians praising them for & exhorting them to continue in their Fidelity to His Majesty —

To wch they return a Suitable Answer ——

here Ends the Records of Indian Affairs bound up in 4 Volumes Folio.m—

The only remaining Account of the proceedings in Indian Affairs wch I can meet with among the Records & Papers in my Custody is a Meeting of Govr Clinton Commissrs from Massachusetts Bay, Connecticut & Mr Bull with Delegates from the Cattabaw Nation in South Carolina with the 6 Nations at Albany the 1 July 1751. —

The Chief Buisness done at this Meeting was to make a Peace & Union between the 6 Nations & the Cattabaws & other Indians subjects to his Majesty in the Province of South Carolina — wch was accordingly effected. —

I find by the 6 Nations Speech to Govr Clinton that CohJohnsion had declined acting any further in Indian Affairs wch the 6 Nations took Notice of with the warmest Expressions of Sorrow & Concern & desired the Govr would reinstate him & when he arrived in England would apply to His Majesty to have him appointed to Manage the Indian Affairs —

Govr Clinton takes notice to them of a Fort the French are Building at Oniagara¹ he represents to them the Fatal Consequences of their suffering (p. 224) French to environ them with their Forts & directs them to prohibit their going on with any such Buildings. he also mentions the French going to build a Fort near the Ohio —

The 6 Nations in their Answer say they have already dispatched an Embassy to Canada about these Buildings of the French & shall take further measures about them & they add further in their said Speech. —

“We desire your Excellncy will carry a Message [for us] from us & inform the King our Father that the French are endeavouring to take away our Lands & Build Forts on them & beg that the

¹ Between Lake Erie & Lake Ontario to the Southward of Niagara
King will inform the King of France of the Proceedings of his Subjects that he may put a Stop to it for that the Land belongs to the King our Father & the Govr of this Province.¹ —

¹ This Claim of the Indians of the 6 Nations & the consequent right of the Crown of Great Britain by their having repeatedly put themselves & all their Lands both Occupied & Conquered under the Dominion & protection of the Crown of Great Britain, is so well supported by incontestible Proofs in the Indian Records from their earliest Period to this Day & wth I have taken care to mention frequently in these Abstracts. [that unless] hence as I conclude all the French Forts from Crown Point to West end of Lake Erie along the South side of the River S' Laurens & of the Lakes Ontario & Erie, are unjustifiable Encroachments & contrary to the Law of Nature & of Nations.
