Dear Mr. Gallagher:

Thursday September 8th works for Tom Bruce and myself so long as we can set the meeting time after my Thursday classes are done. I have a morning class and an afternoon session that is done at 3 p.m. Would a starting time of 3:30 p.m. be convenient for the NYLaw/Net Committee? That should give us a good chunk of meeting time before dinner as well as the dinner hour to pursue issues less formally, if the members wish.

As soon as we are able to confirm the time, I'll proceed to arrange for a suitable meeting room. How many committee members might there be?

Sincerely,

cc: Joseph Bermingham, Jr., Esq.
Chair, NYLaw/Net Committee
