The research that has culminated in this paper was sponsored by the National Center for Research in Vocational Education, Research for Better Schools, Inc. and the National Assessment of Vocational Education all funded in one way or another by the Office of Educational Research and Improvement and the Department of Education. I would like to thank William Firestone, John Gary, Paul Campbell, Larry Hotchkiss, Robert Meyer, David Goodwin, Morgan Lewis and Mac MacCaslin for helpful comments on earlier versions of the paper. Points of view and opinions expressed are personal and do not necessarily represent the position of Cornell University or the National Center for Research in Vocational Education.
