### NOTICE TO ALL EMPLOYEES

This notice is being posted pursuant to a agreement between American Seafoods Company, the Equal Employment Opportunity Commission, and Juan Valdespino, Benjamin Valdespino, and Mario Smith entered as the result of a settlement of a lawsuit pending in the federal district court for the western district of Washington, NO. C99-1570L.

Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, the Equal Pay Act of 1963, and the Americans with Disabilities Act of 1990 are enforced by the EEOC and require the following:

That there be no discrimination against any employee or applicant for employment because of the employee's race, sex, color, religion, national origin, age (over age 40), or disability with respect to hiring, firing, compensation, or other terms, conditions or privileges of employment.

It is an unlawful employment practice for an employer to retaliate against any employees or applicants for employment because they have opposed a practice or because they have made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under these statutes.

American Seafoods Company will institute a training program to train its managers regarding the requirements of the above statutes, with particular emphasis on national origin discrimination.

This notice is being posted because American Seafoods Company supports and will comply with these federal laws in all respects and will not take any retaliatory action against employees because they have exercised their rights under the law.
