### 1. Management of the Business

The right to manage the business and to direct the working forces and operations of the business, subject to the limitations imposed by this Agreement, is vested in, and retained by, the COMPANY.

In the event that any provision of this Agreement should be modified or deleted to conform to any federal or state law or regulation, or any order, determination, ruling or regulation of a federal or state executive or administrative agency or court, the COMPANY shall notify the UNION in writing. Negotiations shall then take place if requested by the UNION. ### 3. Nondiscrimination

- (a) There shall be no discrimination on the part of the COMPANY or the UNION, or its officers, members, representatives or agents, against any employee because of membership or non-membership in the UNION.

- (d) Neither the COMPANY nor the UNION shall discriminate against any employee because of such employee's race, color, creed, religion, national origin, citizenship, sex, sexual preference or orientation, marital status, age, physical or mental disability or status as a disabled veteran or a veteran of the Vietnam era, or any other characteristic protected by law.

All such written communications from the Union shall be signed by the President of the Union or his or her designated representative.
- (b) Neither the COMPANY nor the UNION shall be represented ordinarily in collective bargaining meetings by more than five (5) persons.
- (c) Collective bargaining meetings shall be held at times and places mutually convenient at the request of either party. The party requesting the meeting shall inform the other reasonably in advance of the subjects to be discussed. Except in urgent cases, such notification shall be in writing.

- 2) Obtains certification of the time the REPRESENTATIVE leaves his or her COMPANY duties;
- 3) Makes the necessary arrangements with the supervisor with whom the REPRESENTATIVE wishes to confer or with the supervisor in charge of the area where the observation of a work operation or condition is necessary.

- 5) Complies at all times with the COMPANY'S time recording and pass routines; and,
- 6) Carries out the UNION duties involved in such manner that there is the least interference with COMPANY activities.

(b) A REPRESENTATIVE shall be paid at his or her base rate plus applicable shift differential for time lost from assigned COMPANY duty when conferring with Management during such REPRESENTATIVE'S SCHEDULED DAILY SHIFT; however, the following limitations shall ordinarily apply:

<u>Meetings With</u>	<u>Number of REPRESENTATIVES to be paid</u>

Where the Union represents employees of Lucent Technologies at the Columbus, Ohio facility and a designated Representative of the Union for purpose of the AGREEMENT is also a designated Representative of the Union under the terms of the collective bargaining agreement between Lucent Technologies and the Union, the following condition shall apply to such Representative when the Representative seeks time off to perform Union duties under the terms and condition set forth in the collective bargaining agreement between the Union and Lucent Technologies. The Representative shall comply with the routines set forth in paragraph 3 (a) (1)-(6), except subpart (3) shall mean the supervisor within Lucent Technologies. In such case, the Representative shall not be paid under the terms of this AGREEMENT.

- 1) A REPRESENTATIVE shall not be paid for time spent in collective bargaining meetings.

- 2) A REPRESENTATIVE shall be paid at his or her base rate plus applicable shift differential for time lost from assigned COMPANY duty for such time while attending a meeting between a supervisor and an employee in which discipline is to be announced.
- 3) The COMPANY and the UNION agree that the UNION will have the opportunity to meet with newly hired employees as part of the overall orientation process for the purpose of furnishing them with information about the UNION. The UNION'S segment of this process will be limited to a maximum of sixty (60) minutes. Time spent during the REPRESENTATIVE'S SCHEDULED DAILY SHIFT for such purpose will be paid as time worked.
- 4) In addition, the COMPANY also agrees to introduce employees transferring into a different work group to the local UNION REPRESENTATIVES assigned to that area.

4. **Limitations on Non-Paid Time Off**

(a) A REPRESENTATIVE may be excused from his or her COMPANY duties to perform UNION duties for purposes other than those covered in Paragraphs 3(b), 3(b)(2) and 3(b)(3). Such time off shall not be paid for by the COMPANY. A REPRESENTATIVE shall be limited to a maximum of one thousand (1000) hours of such non-paid excused time off during such REPRESENTATIVE'S SCHEDULED DAILY SHIFT in a calendar year.

1. For a maximum of five (5) such REPRESENTATIVES in the Bargaining Unit, such limitation shall be sixteen hundred (1600) hours each in a calendar year.

(b) Upon written request by the Local President and subject to the routines prescribed in Paragraph 3(a), a reasonable number of employees who have been selected by the UNION to perform UNION duties shall be excused from their assigned COMPANY duty for a reasonable length of time (not to exceed

one (1) month), without pay. Each absence shall be for a stated period, but can be terminated before the expiration of said period by the return of the employee to assigned COMPANY duty. However, the COMPANY may refuse to excuse an employee at a time when such absence from work will seriously interfere with the operation of the business, and may limit such excused absences for employees other than those designated as REPRESENTATIVES to a cumulative period of one (1) month in a calendar year.

(1) A REPRESENTATIVE or other employee shall be paid at his or her BASE RATE plus applicable SHIFT DIFFERENTIAL for time lost from assigned COMPANY duties during his or her STANDARD DAILY SHIFT to participate in joint UNION-Management activities.

In such case, the REPRESENTATIVE shall not be paid under the terms of this AGREEMENT.

#### 5. Leaves of Absence for UNION Business

(a) Upon request of the Local President, a reasonable number of employees who have been selected by the UNION to perform UNION duties which will take them from their assigned COMPANY duty for a continuous period of more than one (1) month shall be granted Leaves of Absence. However, the COMPANY may refuse to excuse an employee at a time when such absence

from assigned COMPANY duty will seriously interfere with the operation of the business.

- (1) All absences of more than one (1) month shall be covered by a formal Leave of Absence stating the purpose for which the Leave of Absence shall be granted and the conditions pertaining thereto. TERM OF EMPLOYMENT will be broken and such Leave of Absence will automatically terminate if and when an employee ceases to engage in the activities for which the Leave of Absence was granted.
- (2) Such a Leave of Absence shall be granted for a stated period in excess of one (1) month but not in excess of one (1) year, and extensions shall be granted for periods, not in excess of one (1) year each at the sole discretion of the Company.

- (5) An employee's TERM OF EMPLOYMENT will be broken if the employee fails to return to work on or before the day following the expiration date of such a Leave of Absence or when said leave of absence is terminated pursuant to 5(a)(1) except when prior arrangements for extension have been completed.

- (6) Such a Leave of Absence may be terminated prior to the expiration date, if the employee gives the COMPANY'S Bargaining Agent ten (10) days prior written notice of intention to return to work and returns to work on the date specified.
- (7) Upon reinstatement from a Leave of Absence, an employee shall, subject to the provisions of ARTICLE 8, MOVEMENT OF PERSONNEL, be reinstated at work generally similar to that in which last engaged prior to the Leave of Absence and for which the employee is qualified.
- (8) Upon reinstatement, the employee shall be placed on the payroll at the BASE RATE received when such Leave of Absence began, adjusted for any changes in wage level made during the period of absence. Adjustments shall also be made for any changes in Job Classification in accordance with existing practices.
- (9) No physical or other examinations shall be required as a requisite of reinstatement except when the COMPANY determines that an obvious physical or mental condition exists which requires medical advice regarding job placement or fitness for work.
- (10) Upon reinstatement, the employee shall be placed on the payroll at the STANDARD RATE he or she received when such Leave of Absence began, adjusted for any changes in wage level made during the period of absence. Adjustments shall also be made for any changes in Occupational Job Classification in accordance with existing practices.
- (11) No physical or other examinations shall be required as a requisite of reinstatement except when the COMPANY finds that an obvious physical or mental condition exists which requires medical advice regarding job placement of fitness for work.

- (a) Each employee who is a member of the UNION or who is obligated to tender to the UNION amounts equal to periodic dues on the effective date of this Agreement, or who later becomes a member and all employees entering into the bargaining unit on or after the effective date of this Agreement, shall as a condition of employment, pay or tender to the UNION amounts equal to the periodic dues applicable to members, for the period from such effective date or, in the case of employees entering into the bargaining unit after the effective date, on or after the thirtieth (30<sup>th</sup>) day after such entrance, whichever of these dates is later, until the termination of this Agreement.

- (b) Each employee who is a member of the bargaining unit on or before the effective date of this Agreement and who on the effective date of this Agreement was not required as a condition of employment to pay or tender to the UNION amounts equal to the periodic dues applicable to members, shall, as a condition of employment, pay or tender to the UNION amounts equal to the periodic dues applicable to members for the period beginning thirty (30) days after the effective date of this Agreement, until the termination of this Agreement.
- (c) The condition of employment specified above shall not apply during periods of formal separation from the bargaining unit (transfers out of the Bargaining Unit, removal from the payroll of the COMPANY and Leaves of Absence for more than one (1) month duration) by any such employee but shall reapply to such employee on the thirtieth (30<sup>th</sup>) day following his or her return to the bargaining unit.

## ARTICLE 4 – UNION-MANAGEMENT RELATIONS

In such case, the UNION shall be advised forthwith.

(c) In order to afford the UNION an opportunity to arrange for such replacements as may be necessitated by the transfer of UNION REPRESENTATIVES, the COMPANY agrees to notify the UNION in writing of the transfer of any UNION REPRESENTATIVE outside the recognized bargaining unit. Such notice shall be given as far in advance as possible, but not less than one (1) week prior to the effective date of the transfer.

#### 4. Payroll Dues Deduction Procedures

(b) Biweekly deductions of 24 installments shall be made from the employee's paycheck for wages, sickness or disability payments, or other benefit payments or vacation payments.

(c) Deductions shall begin during the first (1<sup>st</sup>) payroll period in the month following receipt of a newly executed "Payroll Deduction Authorization" by the COMPANY, and provided there is sufficient pay available to cover the amount authorized after the following deductions have been made:

(1) Those required by law, and,

(f) Except as provided in Paragraph 4(d), "Payroll Deduction Authorizations" shall remain in effect when an individual is employed by the COMPANY unless canceled by such employee. Such cancellation must be individually sent to the COMPANY'S Payroll Office and to the UNION Local by Certified Mail during the fourteen (14) day period prior to the anniversary date or termination date of the current or subsequent collective bargaining agreement.

(g) In the event an employee who cancels a "Payroll Deduction Authorization," in accordance with the above paragraph, wishes to resume deductions for amounts equal to UNION Dues, such employee shall be obligated to complete a new "Payroll Deduction Authorization."

(i) Certifications which change the amounts equal to UNION dues will be accepted by the COMPANY no more than three (3) times in any calendar year.

(j) Amounts deducted in accordance with the above provisions shall be remitted to the UNION no later than the end of the second (2<sup>nd</sup>) week following the months during which the deductions were made; the COMPANY shall deliver to the Financial Secretary of the UNION a check for the amount due, payable to the UNION, accompanied by a list showing the names of employees from whose pay:

However, no notice shall be posted unless advance approval by the COMPANY'S Bargaining Agent or such Bargaining Agent's delegate is first obtained. The COMPANY may give blanket advance approval for the posting of routine notices. Nothing inflammatory, derogatory, controversial or disruptive to good relations shall be contained in material posted on bulletin boards.
- (e) The UNION assumes responsibility for complete compliance with the provisions of Paragraph 5(d) and in the event of violation, the COMPANY may withdraw the privilege as to any or all bulletin boards and may remove the same, at any time on one (1) week's written notice to the UNION.

## ARTICLE 5 – GRIEVANCE PROCEDURE

### 1. General

- (a) To provide for the expeditious and mutually satisfactory settlement of grievances arising with respect to the interpretation or application of this Agreement or other terms and conditions of employment, the following procedures shall apply.
- (b) Any individual employee or group of employees shall have the right at any time to present matters in their own interest to the COMPANY and to have such matters adjusted, without the intervention of the UNION, as long as the adjustment is not inconsistent with this Agreement and provided the UNION has been given an opportunity to be present at such adjustment.
- (c) When an employee or group of employees wishes to have a grievance presented for settlement by the UNION, such grievance shall, except as otherwise provided in this or any other written agreement between the COMPANY and the UNION, be presented as outlined below and settlement sought at any one of the steps indicated.
- (d) After a REPRESENTATIVE has referred a grievance to the COMPANY for adjustment, the COMPANY will not discuss the matter with the employee involved nor adjust the grievance pending settlement with the UNION.

### 2. Disciplinary Matters

- (a) Any grievance involving the suspension or DISMISSAL of an individual employee shall be submitted in writing to the COMPANY'S Bargaining Agent within fifteen (15) standard working days after the UNION receives notice of the suspension or DISMISSAL. If such grievance is not submitted within the fifteen (15) day period, the matter shall be considered closed.
- (b) The COMPANY shall submit a written answer to the grievance within ten (10) standard working days of the receipt of the grievance. If the grievance is rejected in a timely manner or, if such an answer is not submitted within the ten (10) day period, the grievance shall be considered rejected and the grievance procedure shall be exhausted.
- (c) In the event the COMPANY determines that circumstances warrant, it may issue a "paper suspension" in lieu of an actual suspension. In such case, the COMPANY will specify the amount of time off that would have applied but the employee shall lose no time or pay as the result of such action.
  - (1) The COMPANY and the UNION agree that a "paper suspension" shall carry precisely the same impact as an actual suspension. The parties also agree that the imposition or failure to impose a "paper suspension" in lieu of an actual suspension shall not constitute a precedent with regard to any other case.

- (2) In the event the UNION wishes to challenge the imposition of a paper suspension it may do so by filing a written grievance. The action shall not be subject to arbitration, however, unless and until the employee is later DISMISSED by the COMPANY. Should that occur, and the case is otherwise arbitrable, the UNION, in contesting the DISMISSAL in arbitration, may also contest the "paper" suspension" but only on the grounds raised in its written grievance.

- (d) At any meeting between a REPRESENTATIVE of the COMPANY and an employee in which discipline warnings are to be announced, a REPRESENTATIVE shall be present. If the employee requests not to have a REPRESENTATIVE present, the employer shall notify the REPRESENTATIVE.

### 3. Interim Status

- (a) Any grievance involving the INTERIM STATUS suspension of an individual employee shall be submitted in writing to the COMPANY Local Bargaining Agent within fifteen (15) standard working days after the UNION receives notice of the suspension. If such a grievance is not submitted within the fifteen (15) day period, the matter shall be considered closed.
- (b) The COMPANY shall submit a written answer to the grievance within ten (10) standard working days of the receipt of the grievance. IF the grievance is rejected in a timely manner or, if such an answer is not submitted within the ten (10) day period, the grievance shall be considered rejected and the grievance procedure shall be exhausted.

### 4. Contract Interpretation Issues

- (a) It is the desire of the parties that grievances involving contract interpretation issues be settled promptly between the REPRESENTATIVE and a First Level Supervisor (Step 1) or between not more than two REPRESENTATIVES and a Second Level Supervisor (Step 2). Grievances so presented shall be answered within five (5) standard working days at Step 1-2, following the date of presentation by the UNION.

## ARTICLE 6 – ARBITRATION

### 1. General

- (a) Any dispute arising between the UNION and the COMPANY with respect to the interpretation of any provision of this Agreement or the performance of any obligation hereunder may be referred, during the life of this Agreement, to an Arbitrator in accordance with the procedures hereinafter set forth, provided:
- (1) The procedure for the settlement of grievances, ARTICLE 5, GRIEVANCE PROCEDURE, has been exhausted, and
  - (2) Such dispute does not involve a provision of this Agreement which specifies that it is not subject to arbitration and,
  - (3) Such dispute does not involve a case in which the determination of the matter in dispute is within the judgment or discretion of the COMPANY.
- (b) Each referral to arbitration shall embrace but one (1) such matter in dispute unless otherwise stipulated to by agreement between the UNION and the COMPANY. Upon mutual agreement, in disciplinary cases, two (2) similar grievances may be presented, so long as the facts of the grievance are the same, and so long as the grievances are arbitrable and the grievance process has been exhausted as to each grievance to be submitted to arbitration.
- (c) The Arbitrator shall have no authority to:
- (1) Add to, or subtract from, or in any way modify the provisions of this Agreement.
  - (2) Include in the award an obligation for the COMPANY to make any retroactive adjustment in pay, except as provided in ARTICLE 7 – PAY GRADES JOB DESCRIPTIONS, between the parties, for any period beyond six (6) months prior to the date the arbitration proceedings were instituted in accordance with this Article.
- (d) The decision of the Arbitrator made in compliance with this Article shall be final; shall be in writing; and, unless a shorter period is specified herein, shall be rendered within thirty (30) days following the date of the last hearing conducted by the Arbitrator unless an extension to such period is agreed to by the COMPANY and the UNION. The COMPANY and the UNION agree to abide by the Arbitrator's decision.
- (e) Each party shall pay its own expenses incurred in the arbitration, including payment for the time and expenses of their witnesses. All other direct expense, including but not limited to the fees and expenses of the Arbitrator, shall be borne equally by the COMPANY and the UNION.

**2. The Arbitration Procedures Shall Be As Follows:**

**(a) Disciplinary DISMISSAL, Suspension and INTERIM STATUS**

- (1) The parties will select a panel of Arbitrators to hear and decide cases in which the UNION contests the disciplinary DISMISSAL, suspension or INTERIM STATUS of an employee in accordance with the provisions of this Article. If such a case also involves an issue of arbitrability, contract interpretation, strike activity or is the subject of an administrative charge or court action and it is otherwise arbitrable, it shall not be handled under this paragraph but may be processed in accordance with Paragraph 2(b)(1) below.
- (2) Arbitrators may be removed from a panel at the request of either party and replacements shall be selected by mutual agreement. The Arbitrators shall be assigned cases on a rotating basis as agreed to by the parties. If the Arbitrator assigned a case is not available to hear and decide the case within the time limits set forth herein, the case shall be passed to the next available Arbitrator.
- (3) If settlement is not reached in the grievance procedure, the UNION may arbitrate the disciplinary DISMISSAL, suspension or INTERIM STATUS of an employee provided the employee had a TERM OF EMPLOYMENT of more than six (6) months on the date of the disciplinary DISMISSAL, suspension or placement on INTERIM STATUS. The UNION'S demand for Arbitration must be in writing and must be submitted within thirty (30) calendar days after receiving the COMPANY'S reply to the grievance. Otherwise, the matter shall be considered closed.
- (4) Within ten (10) calendar days of the UNION'S arbitration demand, the parties shall notify the Arbitrator. The Arbitrator shall notify the parties of the hearing date, which shall be within twenty (20) calendar days of the notice to the Arbitrator.
- (5) The parties may submit to the Arbitrator, prior to the hearing, a written stipulation of all facts not in dispute.
- (6) The hearing shall be informal without attorneys, without formal rules of evidence, without a transcript and without briefs. The Arbitrator, however, shall satisfy himself/herself that the evidence submitted is of a type on which he/she can rely, that the hearing is in all respects a fair one and that all the facts necessary to a fair settlement and which are reasonably obtainable are brought before the Arbitrator.
- (7) The Arbitrator's authority shall be confined to a determination of whether or not the COMPANY had just cause to DISMISS, suspend or place the grievant on INTERIM STATUS. If the Arbitrator should determine that the COMPANY lacked just cause, the employee shall be reinstated (if not previously reinstated) and shall be entitled to

back pay at the employee's BASE RATE less interim earnings and any unemployment compensation received, and service credit for the period of absence caused by the action of the COMPANY. However, it is understood in calculating interim earnings to be deducted from a back pay award the COMPANY will not include amounts earned by the grievant in other employment to the extent of the average hours per week worked prior to DISMISSAL, suspension or INTERIM STATUS while the grievant was employed by the COMPANY. If there is no balance due the employee, all payments other than wages received from the COMPANY at the time of termination of suspension shall be considered as an advance in pay and shall be repayable through payroll deductions at the rate of ten percent (10%) of the employee's wages.

- (8) The Arbitrator's award shall apply only to the instant grievance, which shall be settled thereby. It shall not constitute a precedent for other cases or grievances and may not be cited or used in any other matters, including but not limited to arbitrations between the parties.
- (9) The Arbitrator's award shall be rendered within seven (7) calendar days after the hearing using the appropriate form attached hereto as Appendix 6-A.

(b) Contract Interpretation Issues

- (1) Either party may institute arbitration proceedings not later than sixty (60) days following the date of receipt of the final answer of either party in accordance with Paragraph 1(a)(1) of this Article by written demand on the other party specifying the nature of such dispute and the reasons therefore, including reference to the specific provision or provisions of this Agreement in dispute. If a timely demand for arbitration is not made, the matter will be considered closed.
- (2) Within thirty (30) days following receipt of such written demand, the UNION and the COMPANY endeavor jointly to select an Arbitrator. If, within such period, the parties are unable to select an Arbitrator, the parties instituting the proceedings may request the Federal Mediation and Conciliation Service or the American Arbitration Association to submit a list of nine (9) Arbitrators who shall be members of the National Academy of Arbitrators from which the parties may jointly make such selection. If the parties fail to agree on the selection of an Arbitrator from the list, each party shall alternately strike one name from each until but one name remains and the person so named shall be the Arbitrator. If the American Arbitration Association is used, the parties shall follow its rules for arbitration for selection and processing of the case.
- (3) A case involving the disciplinary DISMISSAL, SUSPENSION or INTERIM STATUS of an employee that is submitted under this subparagraph 2(b) shall be subject to the limitations that the employee has more than six (6) months TERM OF EMPLOYMENT at the time of the COMPANY action. In such a case, the authority of the Arbitrator shall be further limited to a determination of whether or not

the COMPANY had just cause for its action. In the event the Arbitrator shall determine that the COMPANY lacked just cause, the employee shall be reinstated (if not previously reinstated) and shall be entitled to back pay at the employee's ADJUSTED RATE, less interim earnings and unemployment compensation paid, and service credit for the period of absence caused by the action of the COMPANY. However, it is understood in calculating interim earnings to be deducted from a back pay award the COMPANY will not include amounts earned by the Grievant in other employment to the extent of the average hours per week worked prior to DISMISSAL, SUSPENSION, or INTERIM STATUS While the Grievant was employed by the COMPANY. If there is no balance due, the employee, all payments other than wages received at the time of the termination shall be considered as an advance in pay and shall be repayable by payroll deduction at the rate of ten percent (10%) of the employee's wages.

- (a) An employee on Stand-By status must "Stand-By" the telephone and be ready to respond immediately. Stand-By is used only to cover a non-regularly scheduled shift within a 24-hour period. Stand-By status restricts the freedom of the employee and is directed by his/her supervisor or manager. They are required to respond to a call and/or report to the job site within a pre-determined period of time if called. Their telephone number needs to be revealed to those who need to know or they are required to carry a pager so that they may be immediately available to respond to a call. In addition, Stand-By status limits the employees' personal choices, which may affect their ability to work such as family or personal activities and alcohol consumption.
- (b) Stand-By pay applies only to non-regularly scheduled hours outside of the normal shift, which occur within any 24-hour period. Stand-by pay is measured in 24-hour increments, starting with the end of the employee's last shift. Employees placed on Stand-By will be eligible to receive a minimum of two (2) hours of Stand-By pay, not to exceed 24 hours of pay within a 24-hour period (when combined to include all hours actually worked and any minimum hours payable.)
- (c) When an employee on Stand-By is contacted to resolve a problem over the phone, they will be compensated as follows:
  - (1) For the first call, the employee will be paid for actual time worked, with a minimum of one-half hour pay. This time will count towards the weekly overtime threshold.
  - (2) For subsequent calls, the employee will be paid for the actual time worked up to a maximum of 24 hours per day, including the first minimum 1/2 hour of on-call pay.
  - (3) If the employee is required to report to the workplace, they shall be compensated in accordance with Paragraph 4, "Show-Up Pay."

To Columbus and Oklahoma City Facilities**

This will confirm our understanding, wherein the IBEW and Celestica agree to partner in the pursuit of new EMS customers for the former Lucent Technologies factories located in Columbus, Ohio and Oklahoma City, Oklahoma.

The parties further agree to common goals of maximizing workforce skills which will result in a highly trained, innovative, and motivated workforce which coupled with the necessary capital investment in the factories, will result in creating the efficiencies necessary to bring new Business into these facilities.

## EMPLOYMENT OPPORTUNITIES FOR FORMER LUCENT EMPLOYEES

This will confirm our Understanding regarding the issue of former Lucent employees at the Columbus and Oklahoma City facilities that were not hired by Celestica as part of the commercial sales transaction between Celestica and Lucent Technologies.

In the event there is a need to increase the staffing levels within the Production & Maintenance or Clerical bargaining units at the Columbus or Oklahoma City facilities for the duration of this agreement, the Company agrees that former Lucent employees at the above facilities shall be given first order of priority at the location where they were previously employed with respect to any off-the-street hiring into the bargaining units in accordance with the following successive steps and in order of their previous term of employment:

1. Former bargaining unit employees who were involuntarily separated from Lucent Technologies after June 28, 2001.
2. Former bargaining unit employees whose employment with Lucent Technologies ended after June 28, 2001 as a result of their acceptance of the special voluntary separation offer.

Employees who decline employment with Celestica under the terms of this agreement will not be entitled to further consideration.

Note: The provisions of this agreement shall not apply in those situations where there are former Celestica employees on layoff status with recall consideration rights.

Dear Mr. Quinlan,

This is to document our agreement that Lucent employees coming to Celestica's roll on December 1, 2001, will be given the opportunity to take three (3) unpaid days off and the ability to take three (3) PTO days in advance of accruing them. These days must be taken before June 1, 2002.

Days off must be scheduled with the employees' respective supervisors in accordance with local scheduling routines.

Employees must balance their PTO banks by the end of year 2002. Failure to balance the banks by the end of 2002 will result in excess time taken being deducted from the wages of the employees who fall into this category.

Mr. Mike Quinlan,  
IBEW International Representative

Dear Mr. Quinlan:

This will document our discussions on Pattern Bargaining and Medical Self-Insurance.

Pattern Bargaining: Collective Bargaining Agreements between Celestica and the IBEW for Celestica's Denver and Little Rock facilities expire in May of 2006. It is our expectation that the pattern set in bargaining related to these CBAs will be extended to the CBAs for the Columbus and Oklahoma City facilities which expire in 2006.

Medical Self-Insurance: Celestica is currently planning to become self-insured for employee medical benefits. It is our expectation that the self-insurance process will be developed during 2002, and put in place in 2003.
