PREAMBLE

THIS AGREEMENT is entered into this _____, 2002, by and between the SHERIFF OF BROWARD COUNTY, FLORIDA, located within the County of Broward, State of Florida (hereinafter referred to as "sheriff or "BSO"), and the BROWARD COUNTY POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the "PBA" or the "Association"), as the sole and exclusive bargaining representative of the employees within the certified bargaining unit.

WITNESSETH

WHEREAS, the PBA has been determined to be the certified bargaining representative of the employees within the certified unit by the Public Employees Relations Commission based upon the Special Act of the Florida Legislature, House Bill 93-865, which inter alia, provides for rights of collective bargaining for specified deputy sheriffs employed by the Sheriff of Broward County;

WHEREAS, the Sheriff's obligation to bargain and to enter into this Agreement, which in any way alters the Sheriff's rights under the Florida Constitution or at common law, is solely based upon the Special Act referred to hereinabove;

WHEREAS, the Sheriff and the PBA have negotiated in good faith, with the PBA acting as the exclusive agent for personnel included in the certified bargaining unit with respect to wages, hours, and terms and conditions of employment; and

WHEREAS, the parties, following extended and deliberate negotiations, and having had an opportunity to freely discuss any and all issues, have reached certain understandings which they desire to confirm in this Agreement.

IN CONSIDERATION of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1

RECOGNITION

The Sheriff recognizes the PBA as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission, Certification #93-13, with respect to the working conditions, rates of pay and other conditions of employment for those employees of the Sheriff working within the certified unit, to-wit;

INCLUDED:

All regular, full-time sworn law enforcement officers employed by the Broward County Sheriff's Office in the position of Deputy Sheriff with a rank of Sergeant and below, herein referred to as bargaining unit member(s).

EXCLUDED:

All other employees of the Broward County Sheriff's Office including all other sworn law enforcement personnel and employees who are managerial, confidential, temporary, reserve, part-time and probationary as provided for in Chapter 93-370, Laws of Florida.

ARTICLE 2

NON-DISCRIMINATION

- 2.1: No employee covered by this Agreement will be discriminated against by the Sheriff because of membership in the PBA, or authorized activity as required in this Agreement on behalf of the PBA.
- 2.2: The PBA will not discriminate against employees covered by this Agreement on the basis of their refusal to become a PBA member.
- 2.3: Both the Sheriff and the PBA oppose discrimination on the basis of age, race, creed, color, national origin, sex, handicap/disability, marital status or religion. However, the parties also recognize that the Sheriff has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

ARTICLE 3

- H. To determine internal security practices.
- I. The exercise of the above-defined rights by the Sheriff shall not preclude employees or the PBA from raising grievances should decisions on the above matters have the practical consequences of violating the terms of this Agreement and/or affecting any other existing conditions of employment.
- J. The PBA acknowledges that BSO may make amendments, revisions, additions, deletions and/or changes to the BSO Policy and Procedures Manual. Any changes to the Manual shall be provided to the PBA ten (10) days prior to issuance (when practicable) of such changes. - 7.1: Seniority, as used herein, is defined as the right accruing to bargaining unit members through continuous time in grade and classification, while employed by either BSO or a contract city, which entitles them to certain considerations and preferences as provided for in this Agreement with the exception of approved leaves of absences as provided in the BSO Policy and Procedures Manual.
- (a) If two (2) or more bargaining unit members have the same classification date, for the purpose of breaking the tie, seniority will be determined by the bargaining unit members "CCN" number. The lowest number constitutes the senior bargaining unit member.
- 7.2: Seniority shall be one of the factors to be considered (along with other factors), in the sole discretion of the Sheriff, when any bidding is conducted consistent with this Agreement to determine shift assignments and days off within the respective work units. A bargaining unit member shall not be denied shift assignment or days off based on seniority for more than two (2) bids during the period covered by this Agreement. (i.e., the bid process takes place every six (6) months. If a bargaining unit member is denied his/her request on the first bid, he/she will not be denied his/her request the next bid. During the length of this agreement a bargaining unit member may be denied his/her bid selection a maximum of two (2) times). Denial of bids shall not be used as a disciplinary measure.

The Sheriff or his designee will determine the amount of available vacation slots. Each bargaining unit member will have a

reasonable time to select his/her vacation slot (up to four (4) consecutive weeks) by seniority. Each bargaining unit member will be allowed to select his/her first pick and once all members have selected his/her first pick then a bargaining unit member will (by seniority) select his/her second pick. If a bargaining unit member voluntarily changes his/her shift, BSO has the right to disapprove the bargaining unit member's vacation pick. If a bargaining unit member's shift is changed involuntary then the original vacation selection will be adhered to.

- 7.4: All other annual leave requests (individual requests) shall be approved/disapproved within five (5) calendar days of the request. Such requests must be made within thirty (30) days prior to the requested time off. ARTICLE 9

PBA REPRESENTATIVES/UNION BUSINESS

- 9.1: The Sheriff recognizes the right of the PBA to designate PBA representatives as it deems appropriate, with the understanding that representatives will be appointed based on location and shift not to exceed more than ten (10) representatives per shift and not more than one (1) representative from any one (1) District and/or from any one (1) specialty unit.
- 9.2: The Sheriff agrees to establish a PBA time pool bank of up to one thousand (1,000) hours per fiscal year to be used in accordance with the provisions as set forth in Section 9.4 of this Article. Unused hours will not be carried over to the following year.
- 9.3 For each bargaining unit member who is authorized to use time from the time pool bank, the PBA President shall fill out the appropriate form as provided by BSO. This form shall be processed through the command of the bargaining unit member who is to use the time pool bank. Command personnel shall determine if the bargaining unit member's absence will create a staffing shortage and will have the option to approve or disapprove this request.
- 9.4: PBA members may donate additional time to the PBA time pool bank of up to one thousand (1,000) hours per year. Such time shall be utilized by PBA representatives, if necessary, for union business as set forth in the following section. Donated bargaining unit members' time can be carried over to the following year.
- 9.5: Hours from the PBA time pool bank may be utilized by designated PBA representatives when they are required to represent bargaining unit members as part of grievance procedures, when they attend monthly PBA Board of Directors meetings, negotiation sessions and meetings and other mutually agreed meetings, subject to available manpower and staffing needs. Bargaining unit members attending such functions will submit a pool time form to the

Sheriff or his designee a minimum of seventy-two (72) hours prior to the time the employee is requesting to use the time pool bank. It is understood that on rare occasions the seventy-two (72) hour time limit may not be met. Failure to file a completed pool time usage form seventy-two (72) hours prior to the bargaining unit members request for use of pool time may result in the bargaining unit member not being paid for the time requested.

- 9.6: The PBA time pool bank will be used on an hour for hour basis, regardless of the hourly rate of the bargaining unit member using time from the bank. In reporting a bargaining unit member's absence as a result of utilizing the time pool bank, the daily attendance record shall reflect: "Deputy John Doe on PBA" (PBA Time Pool bank)
- 9.7: All applicable rules, regulations, and orders of the BSO Policy and Procedures Manual shall apply to any bargaining unit member on time pool release. - 10.2: Other than those situations in which the response of the PBA is specifically requested by the Sheriff, it shall be within the discretion of the PBA as to whether an actual physical response is necessary.
- 10.3: In those cases in which a bargaining unit member requests a PBA representative to respond or to be contacted and the affected party is unable to make such notification, the Communications Division, upon request, will attempt such contact.
- 10.4: The PBA will provide BSO with the necessary information to facilitate compliance with this Article.

There shall be no charge made by the Sheriff for these deductions. The exact amount of monies to be deducted for each bargaining unit member shall be provided by the PBA to the Sheriff. Any changes in the amounts to be deducted shall be given to the Sheriff thirty (30) days in advance. These monies shall be transmitted to the PBA on a biweekly basis after the deductions are taken from biweekly payroll.

The PBA shall indemnify the Sheriff and hold the Sheriff harmless against any and all suits, claims, demands, and liabilities, which arise out of or by reason of any action taken by the Sheriff to comply or attempt to comply with the provisions of this Article.

This assignment, authorization and direction shall be revocable at any time upon thirty (30) days written notification by the bargaining unit member, to the Sheriff and the PBA.

ARTICLE 12

Briefing will be conducted during the course of normal work hours. Bargaining unit members are entitled to one thirty (30) minute meal break per eight (8) hour shift to be taken at the discretion of their immediate supervisor.

It is agreed by the parties that meal breaks will not represent compensable time. Nonetheless, bargaining unit members shall continue to receive pay for forty (40) hours of work per regularly scheduled workweek.

Such meal break time will commence for bargaining unit employees when they advise "10-40" prior to entering the location of the meal break. Bargaining unit members assigned radios will remain in communication at all times during their meal break. Bargaining unit members can be recalled from authorized meal breaks without incurring any added compensable time, unless a unit member accrues actual work time in excess of forty (40) hours for their regularly scheduled workweek.

Bargaining unit members will call out for their meal break and log it on their Daily Activity Sheets. Bargaining unit members will not take a meal break during the first or last hour of their assigned shift unless authorized by a supervisor.

- 12.3: All authorized and approved work performed in excess of forty (40) hours in any one workweek shall be considered as overtime and shall be paid (unless the bargaining unit member at his option requests compensatory time off) at the overtime rate of one and one-half times the bargaining unit member's straight time rate of pay.

However, hours worked pursuant to an assignment under Article 27.2 of this Agreement shall not be combined with the hours worked during the basic workweek

in the bargaining unit member's regular capacity for the purpose of determining overtime.

- 12.4: Compensatory time is time earned at one and one half times the overtime hours worked by a bargaining unit member. The choice of compensatory time off or overtime pay shall be at the bargaining unit member's option. Accrued unused compensatory time off may not exceed eighty (80) hours, except when in the best interest of Broward Sheriff's Office and when approved by the Sheriff or his designee. Upon separation from the Broward Sheriff's Office, the bargaining unit member shall be paid for all approved accrued, unused compensatory time at the bargaining unit member's then existing rate. Once the eighty (80) hours compensatory time maximum accrual has been reached, bargaining unit members required to work in excess of forty (40) hours in a designated workweek shall be paid overtime at the rate of one and one-half times their straight time rate of pay.
- 12.5: For the purpose of overtime computation, holidays, vacation leave or any paid leave of absence shall be considered as time worked. Sick time taken during the workweek shall not be considered as time worked for the purpose of overtime computation.
- 12.6: Bargaining unit members may be required to work overtime as scheduled and, in some instances, unscheduled. To the extent reasonable and appropriate, under the circumstances as determined by the Sheriff or his designee, overtime will be distributed equitably among bargaining unit members in their particular job classification, in their organizational units, as far as the character of the work permits. The Sheriff's Office will maintain overtime records and will make such information available upon request.

ARTICLE 13

LAYOFF / RECALL

The Sheriff retains the exclusive right to determine the need for personnel reduction.

- 13.1: In the event of personnel reduction, bargaining unit members shall be laid off in the inverse order of their seniority in their classification; provided, however, that where two (2) or more bargaining unit members have seniority standing within thirty (30) days of each other, the Sheriff shall determine the order of layoff based on education and performance. Upon reverting to a lower classification, a bargaining unit member's seniority shall be determined by the date of his/her original permanent appointment to that classification. All probationary bargaining unit members shall be laid off before any permanent bargaining unit member is laid off.
- 13.2: Bargaining unit members shall be recalled from layoff in accordance with their seniority in the classification from which they were laid off. No new bargaining unit member shall be hired in any classification until all non-probationary bargaining unit members on layoff status in that classification have had an opportunity to return to work. The Sheriff reserves the right in his sole discretion to require said recalled bargaining unit members to submit to any such existing entry level test(s), (e.g. physical, psychological, polygraph, toxicology testing), in order to determine that they are physically and mentally capable of performing the work available at the time of recall. Further, all such recalled bargaining unit members must meet all of the established standards set by the Sheriff in effect at the time of the recall. No laid off bargaining unit member shall retain recall rights beyond eighteen (18) months from the date of layoff.
- 13.3: The Sheriff may deviate from the above-described procedure in order to maintain (or recall) personnel deemed necessary by the Sheriff and/or as necessary to comply with federal or state court orders, decrees, judgments, statutes, regulations, public safety purposes and/or requirements.

- b) The decision of said arbitrator shall be final and binding upon both parties. The arbitrator shall not be empowered to alter, amend, add to, or eliminate any provisions of this Collective Bargaining Agreement. Bargaining unit member(s) or the PBA having selected the procedure contained herein to process a grievance shall be estopped from and waive the right to use any other available procedure for processing grievances or claims.

33.10: The time limits provided in this Article shall be strictly observed, and may be extended only by written agreement of the parties. On a case by case basis, the parties may mutually agree to bypass any step or steps in the grievance procedure.

The Policy is incorporated herein and made a part of this Agreement. BSO's Policy prohibits illegal use of drugs and alcohol abuse, which might affect bargaining unit members in the performance of their duties. This policy gives BSO the right to test bargaining unit members under certain circumstances and also provides grounds for disciplining bargaining unit members who fail to comply with the Policy. Example:

A bargaining unit member has four hundred (400) hours of annual leave and eighty (80) hours of holiday leave on the accrual report for pay date October 7, 1994. Before December 31 of each calendar year, the bargaining unit member will need to use any excess time over four hundred eighty (480) hours or forfeit the time. This new, lower balance of accrued time becomes the bargaining unit member's new-grand fathered cap.

Example:

A bargaining unit member has a “grand-fathered” cap of four hundred eighty (480) hours, but at the end of the calendar year (December 31), the bargaining unit member’s cumulative annual and holiday leave total is four hundred (400) hours. ARTICLE 40

PROBATION

- 40.1: The probationary period shall be regarded as an integral part of the employment process. It shall be utilized for closely observing the bargaining unit member's work and for securing the most effective adjustment of the new bargaining unit member to his/her position, and for "separating" bargaining unit members whose performance does not meet the required standards.
- 40.2: The standard probationary period for all new bargaining unit members will be twelve (12) months of continuous (not counting worker's compensation time, family and medical leave act time, or time in suspension as a result of discipline) employment from the date that the bargaining unit member obtains certification and is working as a full-time bargaining unit member of BSO. Bargaining unit members will be considered probationary until they have performed the duties of a full-time certified law enforcement deputy for twelve (12) consecutive months. Prior to expiration of this time period, the Sheriff shall either: (1) approve retention of the bargaining unit member, at which time the bargaining unit member shall be granted permanent status; or (2) extend the bargaining unit member's probation for up to an additional six (6) months; or (3) in the event the Sheriff shall fail to approve retention, the bargaining unit member shall automatically be separated from employment, said separation being absolutely final, with no rights of appeal to any authority including either the grievance/arbitration procedure contained herein, or any disciplinary review process established by the Sheriff's policy and procedure.
- 40.3: During a bargaining unit member's probationary period, he/she, serves at the will and pleasure of the Sheriff. Accordingly, a probationary bargaining unit member may not grieve, or otherwise challenge by any other available procedure, any decision involving discipline and/or discharge. A probationary bargaining unit member who has been promoted may not grieve, or otherwise challenge by any other available procedure, any decision involving demotion to his/her former position.
- 40.4: During the initial probationary period, no bargaining unit member may request a voluntary transfer.
- 40.5: The Sheriff may evaluate the performance of bargaining unit members during their initial probationary period. Any such evaluation may be discussed with the bargaining unit member, and he/she will be counseled as to any problems that may reasonably cause him or her not to be granted permanent status.
- 40.6: In the event a bargaining unit member received a promotion from a lower to a higher position, that bargaining unit member shall serve a probationary period of nine (9)

months of continuous employment from the date of promotion. Effective immediately upon promotion, the bargaining unit member will receive no less than the basic rate of pay for the promoted classification. Upon the expiration of said nine (9) month time period, the appropriate official of BSO may recommend retention of the bargaining unit member in the position to which he was promoted. In the event the Sheriff fails to approve retention, the bargaining unit member shall automatically revert to his/her former position, without loss of (previous) rights or benefits unless the bargaining unit member is terminated for disciplinary reasons. Such reversion may not be appealed through the grievance/arbitration procedure.

ARTICLE 41

PROMOTIONAL OPPORTUNITIES

- 41.1: The Sheriff will establish a fair promotion procedure and policy, which will be disseminated to the PBA and be made available to bargaining unit members'. Notices of testing and position availability will be posted at the Districts in accordance with the promotion policy.
- 41.2: Any promotional eligibility list based upon competitive examination shall become invalid within a period of two (2) years from the date of the establishment of the eligibility list.
- 41.3: Announcements of the examinations (and the reading material) will be posted at least ninety (90) days prior to the test being given.
