The United Federation of Teachers and New York City Board of Education (Teachers) Agreement

Enhanced student achievement based upon high standards and expectations must be the driving force behind every activity of New York City public schools. To accomplish this, we must reinvent schools so that decision making is shared by those closest to students, including parents, teachers, administrators and other stakeholders. Layers of bureaucratic impediments must be peeled away so that flexibility, creativity, entrepreneurship, trust and risk-taking become the new reality of our schools. The factory model schools of the 1900s must make way for the child-centered schools of this century.

To this end, the Union and the Board mutually agree to join together with other partners in the redesign and improvement of our schools, including closing those that have failed and supporting their restructuring. We must challenge ourselves each day to improve student learning, based upon academic rigor, newfound flexibility, meaningful assessments and true accountability. Roles and responsibilities of parents, staff and other partners must be defined. The standards to which we hold our students must never be lower than those we hold for our own children. To accomplish this, we must focus on both the depth and breadth of each proposed instructional and operational change, each designed to support the children and their teachers, whom we expect to meet these rigorous standards.

Change must be service-oriented, supportive and sufficiently flexible so that each school's educational vision can become a reality. It must be practical, possible, efficient and timely. Respect for each other and for every student must be unconditional if we are to accomplish what we must.

To reach these goals, we commit to working together along with other stakeholders to develop specific recommendations in areas requiring immediate attention. These will include, but not be limited to:

- School Based Budgeting
- Early Intervention and Prevention of Inappropriate Referrals to Special Education
- Professional Development
- Parent Outreach and Support
- Workload Standards.

This commitment is our pledge to the children of the City of New York, not just to a promise but to a reality of educational excellence.

AGREEMENT MADE AND ENTERED INTO on the _____ day of _____, by and between THE BOARD OF EDUCATION OF THE CITY SCHOOL DISTRICT OF THE CITY OF NEW YORK (hereinafter referred to as the "Board") and UNITED FEDERATION OF

TEACHERS, Local 2, American Federation of Teachers, AFL-CIO (hereinafter referred to as the "Union").

WHEREAS, the Board has voluntarily endorsed the practices and procedures of collective bargaining as a peaceful, fair and orderly way of conducting its relations with its employees insofar as such practices and procedures are appropriate to the special functions and obligations of the Board, are permitted by law and are consonant with the paramount interests of the school children, the school system and the public; and

WHEREAS, pursuant to the operation of Article One of this Agreement, certain education officers, education analysts, associate education officers and associate education analysts, other than managerial or confidential employees, are accreted to the bargaining unit; and

WHEREAS, other than occasional per diem substitutes were accreted to the bargaining unit pursuant to a determination by the Public Employment Relations Board; and

WHEREAS, the Union has shown by satisfactory evidence that a majority of substitute vocational assistants wish to be represented by the Union for purposes of collective bargaining, and the Union was designated as the exclusive collective bargaining representative for all such employees; and

WHEREAS, the Union has shown by satisfactory evidence that a majority of teacher's assistants wish to be represented by the Union for purposes of collective bargaining, and the Union was designated as the exclusive collective bargaining representative for all such employees; and

WHEREAS, the parties entered into a Memorandum of Agreement on June 10, 2002 effective November 16, 2000; and

WHEREAS, the parties entered into an Agreement effective November 16, 2000 until May 31, 2003; and

WHEREAS, the parties entered into a Memorandum of Agreement on October 3, 2005, effective from June 1, 2003 through October 12, 2007; and

WHEREAS, the Board and its designated representatives have met with representatives of the Union and fully considered and discussed with them, in behalf of the employees in the bargaining unit, changes in salary schedules, improvements in working conditions, and machinery for the presentation and adjustment of certain types of complaints, it is agreed as follows:

The labor-management health committee which includes Union and City representatives may modify these contribution levels, based on experience of the plan.

H. Reimbursement for Medical Expenses

Teachers shall be reimbursed by the Board for reasonable medical expenses, not exceeding \$750, incurred because of injuries in the line of duty, to the extent that such expenses are not covered by insurance.

In accordance with existing regulations, as they may be modified by the parties, this limit is waived for employees injured as a result of an unprovoked assault while on duty or while on school premises.

I. Damage or Destruction of Property

1. Teachers shall not be held responsible for loss within the school of school property or children's property when such loss is not the fault of the teacher.

This does not exonerate the teacher from responsibility for school property in his/her charge.

2. The Board of Education will reimburse teachers, in an amount not to exceed a total of \$100 in any school year, for loss or damage or destruction, while on duty in the school or while on duty on a field trip, of personal property of a kind normally worn to or brought into

school, or on a field trip, when the teacher has not been negligent, to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "loss," "damage" and "destruction" shall not cover the effects of normal wear and tear and use.

3. Teachers of the homebound shall be reimbursed for loss or damage or destruction, while on official duty on field assignments, of personal property of a kind normally worn or carried on duty when such loss results from force or violence reported to the police. Employees who are authorized to use their personal cars on official business shall be reimbursed in accordance with the allowance established by the City Comptroller.

2. Transportation Benefit Program

Employees are eligible to participate in the NYC Transit Chek program.

L. Salary Payment

1. The parties agree that a biweekly payroll gives employees a date certain for receipt of their pay. Therefore, the Board will convert the pedagogical payroll to a biweekly payroll from the existing semi-monthly payroll as soon as practicable. The parties will make whatever contractual changes are technically necessary to accomplish this goal.

2. On the last day of the school year, employees shall receive five (5) paychecks which are not to be cashed until the date appearing on the paychecks dated on or about June 30, July 15, July 30, August 15 and August 31.

The Board and the Union agree that any employee who attempts to cash or cashes any of these five paychecks prior to the date on the paycheck(s) shall thereafter reimburse the Board and/or the City of New York for any costs resulting from such action by deduction of such costs from the payments due to said employee.

The early distribution of these five paychecks shall end if five (5) percent of the paychecks in any one summer are prematurely cashed and the practice in existence prior to this Agreement shall resume.

3. The Board will recommend to the Comptroller of the City of New York that he/she itemize more fully employee pay checks and that he/she provide accompanying explanations when lump sum payments are made.

4. The Board has in place an electronic funds transfer ('EFT') program without resort to a payroll lag for those bargaining unit members who are regularly scheduled employees in titles paid on the Q Bank and who elect the receipt of their paychecks by electronic funds transfer. Annual enrollments will take place each March.

M. Performance Incentives Committee

A committee co-chaired by the Chancellor, the President of the UFT and the New York City Commissioner of Labor Relations, or his or her high-ranking designee, shall be established to investigate the viability and desirability of merit pay and to address other compensation issues such as comparability, skills and responsibility, shortage and hard to staff areas and potential career ladder opportunities.

PENSION AND RETIREMENT PROGRAM

A. Annuity Fund

The Board shall contribute at the rate of \$400 per year to the Teachers' Retirement System to be credited monthly to the annuity account of each teacher who is at the maximum step of his/her salary schedule.

A Labor-Management Pension Committee will be established to investigate legislation allowing all current and future members of the TRS Tier II, III and IV to retire without a reduction of benefits due to early retirement upon age 55 with at least 25 years of service, as well as other relevant pension issues.
2. The Committee will analyze the actual costs and additional contribution rates required to provide this benefit (including any additional health insurance benefit costs) without any cost to the City.
3. Upon mutual acceptance of the Committee's recommendations, including plan design and costs, the parties agree to jointly support the legislation necessary to implement the benefit changes.

D. Tax Deferred Annuity Plan

The parties agree to jointly support legislation and to obtain any other necessary regulatory approval, to enroll newly-hired employees who do not enroll in a retirement or pension system maintained by the City or New York in the Board's 403(b) Annuity Plan at the time the employee is hired. It is further agreed that such employees will be provided with the option to withdraw from enrollment in the Board's 403(b) Annuity Plan.

E. Pension Benefits Agreement and Deferred Compensation Plan

1. The Pension Benefits Agreement dated June 6, 2000, is deemed to be a part of this Agreement.
2. The Board and the City shall promptly make available to the employees covered by this Agreement an eligible deferred compensation plan under Section 457 of the Internal Revenue Code in accordance with all applicable laws, rules and regulations.

LICENSURE, ASSIGNMENT AND APPOINTMENT

A. Substitute Teacher Position

2. No examination for any other substitute teaching license will be conducted at any time after February 1, 1969, and no license will be issued after June 30, 1969.

The Board agrees that, in the event that the steps described in 1 and 2 above are not taken, it will pay to regular substitute teachers an additional sum calculated on the basis of the percentage of their annual salary which is equal to the percentage paid by the City of New York as increased take-home pay for its provisional employees but not to exceed the percentage paid to regular teachers. The Board will also treat regular substitute teachers for salary schedule placement and increment purposes in the same way as teachers who are appointed as regular teachers.

B. Regularized Licensure

The Board of Education shall provide for the regular licensure of classroom teaching personnel consistent with the needs of the instructional program and subject to applicable law and the by-laws of the Board of Education. The Board will take the following actions:

The Board has established regular licenses valid for classroom teaching service under regular appointment, or for day-to-day per diem service, or for full-term assignment, or for other teaching service, including bi-lingual teaching. All teaching positions will be filled by persons holding such regular licenses except under the following circumstances:

1. Where a position must be filled to cover a class for which no person holding such regular license is immediately available after all efforts have been made to fill the position by a person holding such regular license;
2. Where the position covers a subject not normally taught in the public schools and is temporary in nature.

C. Provisional Teachers

1. A Certified Provisional Teacher (CPT) is a person who has not yet been appointed, who holds a New York State provisional or permanent certificate, a New York City regular license or a New York City substitute license issued on or before June 30, 1969. CPT's do not require annual renomination.

2. A Preparatory Provisional Teacher (PPT) is a person who has not yet completed all the requirements for New York State provisional certification, but who holds a New York State temporary license. Pursuant to Commissioner's regulations, a PPT will be eligible for annual renomination for a state temporary license for a period of three years provided that for each

year of service the PPT has been rated satisfactory and has shown progress toward state provisional certification. For any PPT who satisfies these conditions the Chancellor will seek state renomination.

3. Appointments and assignments to teaching positions shall be made in accordance with state education law, Commissioner's regulations and applicable Board of Education regulations and provisions of this Agreement. Appointments shall be made from eligible lists of persons holding regular licenses. After all available persons with regular licenses have been appointed and where positions still remain vacant or arise during the course of the school term, certified provisional teachers shall have priority for any assignment. Where no certified provisional teacher is available for assignment, preparatory provisional teachers will be eligible for such assignment.

Except in cases of emergency, any CPT or PPT employed to fill a full term or balance of term assignment will be retained for at least the duration of that term.

D. Assignment During First Fifteen Days

A teacher who is assigned during the first fifteen (15) days of the school term to a position which is expected to be vacant for that term shall serve under the terms and conditions of this agreement which would be applicable if a regular substitute teacher were serving in that position.

E. Withdrawal of Resignation and Subsequent Reappointment

1. Requests for withdrawal of resignation on the part of teachers who attained permanent tenure prior to their resignation shall be effectuated, subject only to medical examination and the approval of the Chancellor, provided that application for such withdrawal of resignation is made on or before the opening of school in September next following five years after the effective date of resignation. In all other cases of withdrawal of resignation, the requirements of former Section 255 of the Board of Education by-laws shall continue in effect.

2. Teachers who resign and subsequently are reappointed shall be placed in the salary step at which they were at the time of resignation and shall be given the sick leave "bank" and sabbatical leave rights which they held at the time of resignation.

F. Absence Without Notice

Teachers who are absent for 20 consecutive school days without notice shall be deemed to have resigned unless they have reasonable cause for failure to notify. The issue of the reasonableness of the cause and the penalty, if any, shall be subject to the grievance procedure, including binding arbitration, set forth in Article Twenty-Two.

G. Return to Former License of Appointment

To open more opportunities to serve in the New York City public schools, and to encourage the use of shortage area licenses, the parties have agreed to the following system for license reversion, which supplements the existing procedure. This new system requires application

and approval to revert to a former license and appointment. Except in unusual cases, approval will not be given to change from a shortage to a non-shortage license area. However, pedagogues serving in agreed-upon shortage areas may apply under Section 248 of the Chancellor's Regulations to revert to a former license and appointment.

Except for pedagogues serving in agreed-upon shortage areas, pedagogues who have been previously appointed under different license(s) may apply to serve under any such license(s) according to the following guidelines:

1. The former license was validated by serving one year satisfactorily under that license and is still valid, and
2. The most recent three years of active service have been rated satisfactory, and
3. A vacancy in the school, district or city exists in the former license.

A pedagogue whose application to return to a former license is approved will be placed at the next reorganization in a vacant position in the same school or program in which he/she is serving. If no such vacancy exists he/she will be placed in a vacancy in the same community school district or superintendency. If no vacancy exists in the community school district or superintendency, the Division of Human Resources will place the pedagogue in a vacancy in the city.

For the purpose of this provision, a vacancy is defined as an unencumbered position, an anticipated vacancy, or a position currently held by a substitute.

A pedagogue who returns to a former license must serve a minimum of two school years in the license before being eligible to apply again under this provision.

A pedagogue who reverts to a license in an agreed-upon shortage area pursuant to this provision has the right to return to the license from which he/she reverted after at least two years of service in the shortage area.

H. New Arts Licenses

In consequence of the creation of pre-kindergarten - grade 12 licenses for art, dance, vocal music and orchestral music ("the new arts licenses") the following is agreed upon with respect to contractual implementation for teachers impacted by the new arts licenses:

1. Teachers who have completed probation in any license and are also state certified in a specific arts area and have taught for three years satisfactorily in the specific arts area will be grandfathered into the new license for all contractual purposes; however, for completion of probation in the new arts licenses, a teacher must serve one year under the new arts license.
2. Appointed teachers who have taught satisfactorily for three years in a specific arts area but who do not currently hold state certification in the specific arts area and who commit to an education plan to achieve state certification by September 1, 2005 will be considered for seniority purposes with licensed probationary teachers in the specific arts area. However, for

completion of probation in the new arts licenses, the teacher must serve one year under the new arts license.

3. Teachers serving under any of the four new arts licenses may transfer pursuant to Article 18A only within the level (elementary, middle/junior high school or high school) in which they completed probation in the new arts license.

4. Upon their request, Article 17C (Appointment to New Program, Licenses or Title) shall apply to teachers who are displaced by the establishment of the new licenses.

HOURS

A. School Day

1. The school day for teachers serving in the schools shall be six hours and 20 minutes and such additional time as provided for below and in the by-laws. The gross annual salary of employees covered by this agreement will be increased in accordance with the salary schedules herein.

2. The parties agree, effective February, 2006, to extend the teacher work day in "non Extended Time Schools" by an additional 37 ½ minutes per day, Monday through Thursday following student dismissal. Friday's work schedule will be 6 hours and 20 minutes. The 37 ½ minutes of the extended four (4) days per week shall be used for tutorials, test preparation and/or small group instruction and will have a teacher student ratio of no more than one to ten. In single session schools, the day will start no earlier than 8:00 am and end no later than 3:45 pm.

3. Multi-session schools that cannot utilize the additional time in this manner due to space or scheduling limitations will have a 6 hour 50 minute day.

4. In District 75 buildings and District 75 self-contained classes in other school sites, the school day will be 6 hours and 50 minutes unless the principal and chapter leader agree to schedule the time as set forth in paragraph 2 above; however, in this event the teacher to student ratio will be no more than 1 to 5. Non-District 75 self contained classrooms shall have either a 6 hour and 50 minute day, a 6 hour and 57 ½ minute day Monday through Thursday and 6 hour and 20 minute day on Friday, or if the time is utilized as set forth in paragraph 2 above the teacher to student ratio should be no more than one to five.

5. Existing faculty and grade conference time should be used for professional development.

6. On professional development days, the school day shall be 6 hours and 50 minutes.

B. Expedited Appeal Regarding Group Size

In order to ensure that the maximum number of students is not exceeded there will be an expedited arbitration procedure to allow the UFT to seek both a cease and desist order as

well as monetary penalties for exceeding the small group instruction size limit. The procedure is set forth in Article 22B6 and 22G.

C. Work Year

All teachers shall report to their schools to begin work on the Thursday preceding Labor Day for a professional day, and will also have a professional day on the Friday preceding Labor Day and on Brooklyn-Queens day. Part of the time on the days before Labor Day will be allotted to classroom preparation. The Tuesday following Labor Day shall be an instructional day. Teachers shall be in attendance on duty thereafter on all days of the school year except for the last two weekdays of the month of June. The official school year calendar shall provide a one week February mid-winter recess which includes Washington's Birthday, without reducing the number of instructional days for students. In no event, however, shall the number of days worked in any school year under this work calendar be fewer than the number of days teachers would have worked had they reported, as before, on the Friday after Labor Day and worked through the last weekday in June.

- b. The number of different rooms in which assignments occur should be held to the absolute minimum administratively possible.
- c. The number of lesson preparations should be kept at the minimum consistent with the nature of the subject, the size of the department, the special offerings of the department, and special requests of teachers. Honor classes and modified classes should be considered as separate preparations. It is understood, however, that requests by teachers of industrial arts/technology education, home economics/home and career skills, and trade subjects to retain their shop subjects and rooms should be honored when not inconsistent with the needs of the school. The following procedures will apply to shop openings:

c. Each spring the principal and UFT chapter committee shall meet to review the compensatory time positions in the school with the goal of agreeing upon the number of, responsibilities, qualifications, basis for selection and term for compensatory time positions in their school. If no agreement is reached at the school level, the UFT district representative and superintendent shall assist the principal and chapter committee in their goal of reaching such an agreement.

When an agreement is reached and ratified by the chapter, the principal shall establish and fill the positions in accordance with the agreement. Only the chapter, not individuals, shall have the right to grieve an alleged violation or misapplication of the ratified agreement.

If no agreement is reached and ratified, the selection process shall be governed by the following:

(1) A list of vacancies for all such non-teaching assignments shall be made available to all teachers in the school in sufficient time to permit written applications for such assignments.

(2) Except for compensatory time positions filled as set forth in paragraph (3) or (4) below, seniority in the school shall be the basis for selection among applicants.

(4) The position of programmer shall be filled from among applicants who meet the job-related qualifications for that position, promulgated by the Board after consultation with the Union.

(5) The term of years for the duration of each non-teaching assignment shall not exceed six years.

(6) A teacher who has not had a non-teaching assignment for which there is a list of applicants shall have priority over any other teacher who had such assignment, except that the programmer position in the school is exempt from all contractual rotation requirements. In the case of applicants for positions covered by paragraphs (3) and (4) the job-related qualifications must be met by the applicant.

(7) The term of a non-teaching assignment which is made to fill a vacancy occurring before the end of the school year will be considered as beginning as of the first day of the next school year.

(8) A teacher may relinquish any non-teaching assignment after a minimum period of one year.

d. Teachers who are relieved of administrative assignments shall not be assigned to teaching duties in lieu of such administrative assignments.

f. Teachers in vocational, comprehensive and academic high schools shall not be required to do any other than minor maintenance and repair work on equipment.

6. Professional Activity Options

a. Teachers at all levels must select a professional or administrative activity in accordance with this section and the provisions of Article 7 U (Professional Activity Assignment Procedures). Except as described in paragraph (d) below, this provision shall not create an additional teaching period, as that term is defined in the collective bargaining agreement.

The menu of activities to be offered to each teacher shall be from among the following:

c. Such compensatory time positions as dean, programmer and grade advisor may be recreated. All contractual provisions dealing with compensatory time shall remain in place.

d. Provided that these periods are used to supplement, not supplant the current school program, and subject to the specific provisions regarding it, secondary teachers may use this time for a sixth teaching period compensated in accordance with article 7-0 of the Agreement (Shortage License Areas). The chapter's concurrence to ensure that this is truly supplemental is necessary.

e. To strengthen school tone and to ensure student safety and discipline, the Union and Board agree that the following compensatory time positions may be established:

(1) In each school the principal shall have the discretion to establish and fill one compensatory time position of lunchroom coordinator to supervise school aides in each lunchroom for each lunch period;

The above compensatory time positions shall be established and filled without following the procedural requirements that are applicable to other compensatory time positions, such as consultation, approval or voting. Contractual provisions regarding notification and selection of applicants for compensatory time positions shall be followed. This provision shall not result in any teacher being required to work beyond the maximum number of teaching periods provided for in this agreement. No teacher shall be involuntarily assigned to any of the above compensatory time positions. Resources available to the school shall be maintained at the same level which would be required if the proposal were not in effect.

7. Alternative High School Programs

The senior qualified volunteer, based on excessing seniority, shall be selected. If no qualified volunteer exists, the Board will transfer the junior teacher, based on excessing seniority, who qualifies for the position. The teacher so transferred is entitled to return to his/her former site at the next reorganization in accordance with his/her excessing seniority.

(2) If demonstrated needs require the Board to transfer a teacher to another site, the Board will inform the teacher of the reason for the transfer. The teacher may grieve to determine whether the transfer was based on justifiable reasons.

(3) The Board will place the teacher reassigned pursuant to (1) or (2) above in an appropriate vacancy within the same Program in the same borough. - b. At that time, teachers should be given an opportunity to fill out "preference sheets" indicating three preferences in order of priority of grade level and type of class on that level or, in the case of special education teachers, the age range of special education classes and education program designation (e.g. staffing ratio, collaborative team teaching, SETSS, etc.) with the understanding that, where advisable and possible, such preferences will be honored. Teachers should be given an opportunity to discuss their assignment requests with their principal.
- c. Effective for the Spring 2006 semester and subsequent school years, teachers in schools with eight period days shall indicate their professional activity preferences pursuant to Article

7C4g (Professional Activity Options) and Article 7U (Professional Activity Assignment Procedures).

d. With regard to requests as to grade level or special assignment (such as IGC), or, in the case of special education teachers, requests as to age range of special education classes, teachers with the highest seniority in the school should be given preference if qualifications for the position are the same.

e. Effective May, 2002, grievances hereunder may be lodged if:

(1) In any year an elementary school teacher fails to be granted one of his/her stated program preferences; or

(2) For two years in succession the elementary school teacher has been denied his/her first priority of program preference.

Any assignment that is grievable shall be reviewed in accordance with the standards applicable to Articles 7C1b and c.

f. Vacancies in special teaching assignments occurring at any time during the year which will extend through the year shall be filled in the same way as vacancies occurring at the beginning of the year, except that this provision shall not apply to vacancies occurring one month before the end of the school year.

g. The Board will prepare and make available in every school, in time for teachers to apply for assignments, an official circular setting forth the uniform system-wide qualifications required for assignment as a teacher of an IGC class.

h. In order to make certain that teachers are not frozen into positions which are relatively easy or difficult, the following procedures should be adopted in making class assignments (other than special assignments, such as IGC) on a particular grade level:

(1) On each grade level, classes should be divided into two categories, difficult and less difficult, in terms of reading achievement. In general, a teacher who has been assigned to a class in the one category for a period of one year should be assigned to the other category for the next year. Teachers who have served in a school for one year or longer should receive assignments for the next school year before June 15.

(2) In the case of IGC classes the policy of rotation every three years of qualified teachers should be followed.

(3) The policy of rotation within the grade should be followed in the assignment of teachers to portable classrooms, annexes, and other out-of-building facilities except for unusual circumstances.

i. A continuous record of teacher assignments should be kept at the school and be made available to chapter leaders.

2. Assignment as OTP

Each spring the principal and UFT chapter committee shall meet to review the types and numbers of OTP positions in the school with the goal of agreeing upon the responsibilities, qualifications, basis for selection and term. If no agreement is reached at the school level, the UFT district representatives and the superintendent shall assist the principal and chapter committee in their goal of reaching such an agreement.

When agreement is reached and ratified by the chapter, the principal shall establish and fill the positions in accordance with the agreement. Only the chapter, not individuals, shall have the right to grieve an alleged violation or misapplication of the ratified agreement.

If no agreement is reached and ratified, the selection process shall be governed by the following:

- a. Each year a list of vacancies and the job-related qualifications required for OTP assignments shall be made available to all teachers in the school in sufficient time to permit written application for such assignments.
- b. The selection of OTPs will be made from among qualified applicants within the school. Where applicants within the school are equally qualified, the selection will be made on the basis of seniority in the school.
- c. Where no applicants within a school are qualified, the selection will be made from among qualified applicants outside the school. Where applicants from outside the school are equally qualified, the selection will be made on the basis of the number of years of teaching service on regular appointment in the school system.

Where feasible, newly created speech improvement teaching positions will be announced in sufficient time to permit written applications for such positions. Such positions will be posted first in the community school district, District 75 program or high school superintendency, as appropriate. If no qualified teacher applies, the position will be posted on a city-wide basis. Criteria for assignment to the positions will be prepared. Where qualifications of applicants for a position are the same, the selection will be made on a basis of seniority of applicants in the Speech Improvement license.

2. Certificate of Clinical Competence

The Board and the Union established a task force to explore the feasibility of accommodating the needs of candidates for the certificate of clinical competence (CCC) to work with a holder of the CCC. The task force reported its findings and recommendations which provide the basis for the Board's program.

3. Selection and Retention of Assignments

a. A list of anticipated school sites in the district with a description of the programs (e.g., staffing ratio, collaborative team teaching, SETSS, etc.) anticipated to be served at those sites shall be made available by April 15. This should include full time equivalent positions (FTE) filled by contract agency personnel. By May 1, speech improvement teachers should be given the opportunity to fill out "preference sheets" indicating three preferences in order of priority for the school sites. Where advisable and possible, such preferences will be honored. The speech improvement teacher's seniority should be one of the factors considered in determining the assignment of the speech improvement teacher to a school site. Program preferences are subordinate to the exercise of retention rights to an assignment in a school.

b. A CPT or appointed speech improvement teacher's request to be retained in his/her school will not be unreasonably denied unless the appropriate Board of Education official can demonstrate there are compelling reasons for the denial.

Where there are more than two speech improvement teachers in a school, the senior teacher will be given preference unless the appropriate Board of Education official can demonstrate there are compelling reasons for the denial. Teachers returning from sabbaticals or leaves of absence of less than two years will be returned to the schools where they were assigned in accordance with their seniority. All reasons for denial of the teacher of speech improvement's preference will be done in writing.

c. Unfilled positions, and positions filled by contract agency staff and uncertified teachers of speech improvement (PPTs) which are full time speech improvement teacher positions (whether the assignment is to a single school or more than one school) are to be advertised for transfer. Although the number of vacancies and the anticipated locations shall be posted, and the speech improvement teacher may choose specific positions, the transfer is to the district, not to a particular position.

[1] The parties disagree as to the applicability of Section 9 of the October 2005

M. Class Size Limitations

1. Pre-Kindergarten and Kindergarten

a. The size of pre-kindergarten classes shall be determined on the basis of a maximum absolute cap of 18 pupils with a teacher and paraprofessional.

b. The size of kindergarten classes shall be determined on the basis of a maximum of 25 pupils for each teacher, except as specified in 3 below.

2. Elementary, Junior High, and High Schools

a. No subject class in elementary school shall exceed 32 pupils, except as specified in 3 below.

b. No subject class in a non-special service junior high school shall exceed 33 pupils, except as specified in 3 below.

c. No subject class in a Title I junior high school shall exceed 30 pupils, except as specified in 3 below.

d. No homeroom or official or subject class in senior high school shall exceed 34 pupils, except as specified in 3 below. This shall not be accomplished by an increase in the size of classes for the non-college bound students.

e. No class in trade shop subjects in the high schools shall exceed 28 pupils, except as specified in 3 below.

f. The size of physical education classes in the junior and senior high schools shall be determined on the basis of a maximum of 50 pupils for each teacher, except as specified in 3 below.

g. The size of required music classes in the high schools shall be determined on the basis of a maximum of 50 pupils for each teacher, except as specified in 3 below.

h. The size of ninth grade classes in any high school where more than half of the pupils in the ninth grade have been admitted from reorganized junior high schools shall not exceed the maximum provided above for the junior high schools.

i. Wherever administratively possible, teacher programs in high schools should follow these guidelines: In rooms with specific stations (e.g. typing rooms, shops and laboratories) the number of pupils assigned to such rooms should not exceed the number of stations available. In the programming of such classes, an extra number of pupils equal to the anticipated attrition rate may be included.

j. In Title I schools in the junior high school division, classes in industrial arts/technology education and home economics/home and career skills should not exceed 22 students. In regular schools in the junior high school division, classes in industrial arts/technology education and home economics/home and career skills should not exceed 24 students.

The class size limits set forth herein apply to classes conducted in shop or laboratory settings.

3. Exceptions

An acceptable reason for exceeding the maximum class size limitations listed in paragraphs 1b through 2g above may be any of the following:

a. There is no space available to permit scheduling of any additional class or classes in order to reduce class size.

b. Conformity to the class size objective would result in placing additional classes on short time schedule.

c. Conformity to the class size objective would result in the organization of half-classes.

d. A class larger than the maximum is necessary or desirable in order to provide for specialized or experimental instruction, or for IGC instruction, or for placement of pupils in a subject class of which there is only one on a grade.

In the event that it is necessary to assign a teacher to a class which exceeds the maximum size listed above, the principal shall stipulate the reason in writing to the teacher and to the Chancellor. Such statement of reasons may be available for examination by the Union in the Office of the Chancellor.

4. Students with Disabilities in a General Education Class

Effective September, 2002, there shall be no more than three emotionally disturbed or autistic students, out of the total number of students with IEPs, whose management needs are severe and chronic requiring intensive constant supervision, a significant degree of individualized attention, intervention and intensive behavior management, in a general education class with one teacher.

N. Coverage of Classes

1. Teachers having an instructional program who are called for a full-day professional conference to the office of a Board official outside the school shall be relieved by a per diem substitute.
2. Substitutes will be hired to allow an average of four teachers per school per year to visit other schools and to attend educational conferences.
3. The Board and the Union agree that the classes of absent elementary school teachers should be covered by employment of per diem substitute teachers as a matter of first priority or by other appropriate coverage by teachers in the school if necessary. The practice of breaking up classes of absent elementary school teachers and assigning the students to other classes in the school is strongly discouraged. The Board and the Union will jointly monitor compliance with this provision.
4. The unavailability of a teacher to cover a class constitutes an emergency. It is recognized that, in such emergency, the principal has the responsibility to assign a teacher in the school to the class without regard to the program of the teacher so assigned. Assignment of teachers to cover classes in such emergency shall be made on a rotation basis to the extent possible.
5. Before involuntarily assigning any teacher, except a teacher who has had no coverage during the term, to cover a class, teachers will be assigned on an equitable basis from among all applicants who volunteer to cover the class during their preparation periods or professional activity periods. Licensure shall be taken into consideration in making coverage assignments. Implementation of this provision shall be in accordance with plans developed at the school level.
6. In secondary schools teachers who are assigned to cover classes during their preparation period or their professional activity period will be paid for such time at the rate set forth in paragraph 10 below for each such period in excess of one in any term during the applicable school year.

To the extent possible, the assignment of teachers to cover subject classes during their preparation period or professional activity periods shall be made on a rotation basis among teachers in license.

In elementary schools preparation periods shall not be taken away from classroom teachers except when an emergency arises. The unavailability of a teacher to cover a class constitutes an emergency. Teachers who lose preparation periods because of emergency

will be paid for such time at the rate set forth in paragraph 10 below for each such period in excess of one in any term during the applicable school year.

When the normal school schedule is changed for a parent-teacher conference day when the teacher's pupils are not in school, a clerical half-day, a staff development program mandated by the community school district or central board when the teacher's pupils are not in school, or a standardized testing day, a teacher who performs such duties during the time he/she is scheduled to have a preparation period shall lose his/her preparation period and no compensation shall be due him/her under this provision except that in elementary schools a preparation period which was lost due to administering a standardized test shall be rescheduled within five school days.

7. Resource room teachers and speech improvement teachers will be treated equitably when involuntary assignments to emergency coverages are required to be made in the school.

8. A per diem substitute who is hired to cover the class of an absent teacher will be assigned to teach such teacher's class.

9. Any teacher removed from his/her professional assignment to cover a class will be entitled to be paid at the applicable coverage rate.

10. The coverage rate per period shall be:

Current.....	\$30.69
Effective December 1, 2003.....	\$31.30
Effective December 1, 2004.....	\$31.91
Effective October 1, 2006.....	\$32.95

O. Shortage License Areas

The Board has informed the Union of the steps it has taken and is continuing to take to minimize or eliminate teacher shortages in particular license areas. Notwithstanding these steps, the parties agree that city-wide shortages of regularly licensed teachers exist in particular licenses (shortage license areas). Therefore, the parties have adopted the following provisions in a mutual effort to address shortages of teachers in shortage license areas:

1. In accordance with applicable regulations, at each reorganization the Chancellor may authorize a particular school, where a vacancy exists in a shortage license area which the Division of Human Resources has been unable to fill, to fill the position pursuant to these provisions.

2. If the school is so authorized to fill the position hereunder, teachers in the school who are regularly licensed and appointed in the shortage license area may apply for a program in which they teach up to five regularly scheduled periods per week beyond the applicable

contractual maximum teaching load in lieu of preparation time to which they would otherwise be entitled. For purposes of implementing these provisions, the “applicable contractual maximum” teaching loads shall be those specifically set forth in this Agreement. The applications of such teachers shall be granted in order of their seniority.

3. If, at any reorganization period, no teacher regularly licensed and appointed in the shortage license area applies to fill a position authorized hereunder, the position may be offered to other teachers in the school in the following order:

- (1) Regularly appointed with certification in the license area;
- (2) Provisional with certification in the license area;
- (3) Regularly appointed with experience teaching in the license area;
- (4) Provisional with experience teaching in the license area.

Within each category listed above, the applications of such teachers shall be granted in order of their seniority.

4. At the next reorganization, the available assignments hereunder, if any, shall be rotated (within each category) by following the same procedure. Accordingly, it is the intent of the parties that coverages will be equitably distributed over successive reorganizations and implementation of these provisions shall not modify any of the provisions of Article 7N.

5. Teachers scheduled to teach in lieu of preparation time as set forth above shall be paid at the rates set forth below per semester as a “special per session payment” if they are scheduled to teach five periods per week in lieu of preparation time:

Current.....	\$4,595
Effective December 1, 2003.....	\$4,687
Effective December 1, 2004.....	\$4,851
Effective November 1, 2005.....	\$5,118
Effective October 1, 2006.....	\$5,284

Teachers who are scheduled to teach fewer than five periods per week in lieu of preparation time or who are scheduled to teach less than a full term shall receive a pro-rata “special per session payment” hereunder.

6. These provisions shall not be implemented in any school where an excessing situation would be caused by their implementation.

7. The decision of the Chancellor not to authorize implementation of these provisions in a shortage license area in a particular school shall be final and not subject to grievance.

However, all other aspects of these provisions shall be subject to the grievance and arbitration provisions of this Agreement.

8. Should salary credit regulations be revised in order to recruit personnel in shortage license areas, incumbent employees will be treated equitably.

P. Regular Part-Time Assignments for Appointed Teachers

1. A limited number of regularly appointed teachers (including teachers on unpaid leaves) may be assigned to less than full-time positions where such an assignment meets a particular need of the school system, including, but not limited to, filling a vacancy where no full-time teacher is available, alleviating a shortage area, serving in the Mentor/Intern Program or sharing a full-time position with another teacher on unpaid leave. The number of these positions in any school year will be decided jointly by the Board and the Union and awarded on the basis of agreed-upon criteria.

2. Teachers in these positions will be entitled to full health and welfare benefits and pro rata salary (including vacation pay) and pro rata sick leave.

3. Service performed in this program shall be considered for all seniority and salary credit consistent with current Board policy.

4. The Board and the Union shall seek appropriate legislation, where necessary to secure pension rights.

5. Teachers in these positions will be treated equitably in the assignment of preparation periods and other program requirements.

6. The following provisions shall apply: Article One, Two, Three, Four, Five, Seven, Eight, Nine, Ten, Sixteen, Seventeen, Eighteen, Nineteen, Twenty, Twenty-One, Twenty-Two, Twenty-Three, Twenty-Four, Twenty-Five, Twenty-Six, Twenty-Seven, Twenty-Eight, Twenty-Nine, Thirty, Thirty-One, and Thirty-Two.

Q. Conferences

1. School conferences held in September and June shall be held on school time.

2. No more than one city-wide conference on school time for the entire faculty of teachers of the homebound will be held during the school year.

3. In any one borough, no more than two borough-wide conferences for teachers of CRMD will be held after school hours during any school year.

4. During any school year, no more than three borough-wide conferences for teachers of health conservation will be held after school hours in any borough.

5. Regular monthly conferences of teachers of speech improvement will be held on school time in September and June. Other regular conferences will begin at 3:00 p. m.

6. Faculty conference agendas shall be set in consultation with the UFT chapter committee.

R. Basic Instructional Supplies

The Board and the Union agree that schools should provide appropriate and sufficient basic instructional supplies and books to deliver an effective educational program. Basic instructional supplies and books are those that must be provided for use by students without which classroom instruction will be impaired.

In the event a member or members of the faculty believe that such supplies and books are not available to students and faculty, the chapter may request a meeting with the principal. Upon the request of the chapter leader, the principal shall meet with the UFT chapter committee to resolve the issue. If no resolution is achieved at the school level, the district representative and the appropriate superintendent will meet within five (5) school days to attempt to resolve it. If they are unable to do so, the dispute will be forwarded by the Union to the Chancellor for his/her prompt review and response.

S. Additional Facilities

1. Adequate supplies will be made available in teacher washrooms in schools.
2. Pay telephone facilities in schools will be made available to teachers for their reasonable use.
3. In schools where continuous cafeteria service for teachers is not available, a vending machine for beverages shall be installed at the request of the particular school staff.
4. Teaching materials and workbooks shall be made available to teachers of the homebound at a central stock room on an emergency basis.
5. The Board shall issue parking display cards to identify automobiles of teachers of the homebound visiting homebound children.
6. The Board will make every effort to obtain parking privileges for special education teachers.

T. Teleconferencing

The required participation of special education teachers and/or related service providers in EPCs and CSE reviews may be accomplished via teleconferencing at the discretion of the appropriate Superintendent. If the teleconference occurs during a teacher's preparation period, or during an administrative period in which he or she is relieved, compensation will be paid at the coverage rate. If the teleconference occurs on other than school time, compensation at the applicable per session rate will be paid.

U. Professional Activity Assignment Procedures

1. The number of available positions for each professional activity and the qualifications and responsibilities required for each activity shall be set by the principal in consultation with the Chapter Leader. Each spring, but no later than April 15th, the principal shall meet to consult with the Chapter Leader on the number of positions for each menu item. Should the Union believe the number of positions for administrative activities set by the principal is inappropriate, or should a teacher believe a selection decision is in violation of the agreement, the Union may appeal to the Chancellor. The Chancellor or his/her designee will consult with the Union President, or his/her designee, prior to issuing a decision on the appeal. The Union may appeal the decision of the Chancellor or his/her designee within 15 days to the NYC Office of Labor Relations, which will issue a final and binding decision.

2. Teachers shall select each spring (following the timeframe for program preferences listed under Articles 7 A, 7B, 7C, and 7K in this Agreement) in priority order, three (3) activities from the menu they want to participate in for the following school year. The principal shall make assignments based on qualifications and availability of positions. If more teachers seek particular activities than positions are available, the principal shall select the most qualified teacher(s); and if the candidates are equally qualified the candidate with the most school seniority will be selected. To the extent possible each teacher shall receive one of the three (3) activities for the following school year. If this is not possible, the teacher will be given the opportunity to select three (3) additional choices, one of which will be granted, subject to qualifications, and unless sufficient teachers do not choose a particular activity. If sufficient teachers do not choose a particular activity with any of their six (6) choices, the Principal will assign teachers to these activities on a rotational basis in inverse seniority order with no teacher being involuntarily assigned to an administrative activity for consecutive years.

3. For the 2005-2006 school year, the principal shall meet to consult with the Chapter Leader on the number of positions for each menu item for the spring 2006, and the menu will be issued for teachers to select preferences by December 23, 2005. Teachers shall be notified of their assignments by January 13, 2006 and begin their assignments on the first day of the Spring Semester.

4. Teachers new to the school system and those teachers in danger of receiving an unsatisfactory rating may be assigned by the principal to professional development or common planning as their professional activity, regardless of their preferences, to further enhance their teaching skills. A teacher in danger of receiving an unsatisfactory rating who is assigned to AM or PM bus duty may be assigned by the principal to professional development or common planning as their professional activity in lieu of AM or PM bus duty. Teachers hired in the fall will be offered three choices by the principal from the menu.

5. Each teacher shall be notified in writing by the principal prior to the end of the school year, pursuant to Articles 7A, 7B, 7C, and 7K of the activity they have been assigned for the following school year and it will be incorporated as part of his/her program.

6. Teachers serving in compensatory time positions, pursuant to the SBO process (defined in Articles 7A, 7B, 7C and 7K and Circular 6) shall continue to do the work of their position during their professional periods (except to the extent the SBO specifically states otherwise) and must at the beginning of each term submit to the principal for approval a plan for the use of their professional periods.

7. Teachers serving as athletic coaches, pursuant to Article 15 of this Agreement, and receiving per session pay for such activity, shall be permitted to use their professional periods to further the work of their activity, and must at the beginning of each term, submit to the principal for approval a plan for the use of their professional periods.

8. Any teacher may grieve the failure to follow the terms of this provision pursuant to the regular grievance and arbitration provision of this Agreement. However the assignment of particular activities hereunder shall not be grievable. The Union may challenge the assignment of a particular activity by appealing, within 15 days, to the Chancellor/designee, who will consult with the Union prior to rendering a decision. The Union may appeal the decision of the Chancellor/designee to the New York City Office of Labor Relations, which will issue a final and binding decision.

EDUCATION REFORM

A. School-Based Management/Shared Decision-Making (SBM / SDM)

The Union and the Board agree that SBM / SDM is a process in which all members of the school community collaborate in identifying issues, defining goals, formulating policy and implementing programs. The uniqueness of each school community requires that the SBM / SDM process and the organizational and instructional issues discussed are determined by the staff, parents, administration and students (where appropriate) at individual schools through the SBM / SDM team. The Union and the Board agree that in order to achieve SBM / SDM at the school level significant restructuring of instruction must occur, and the parties agree to work cooperatively in an effort to bring about these changes.

1. Eligibility and Involvement

a. All schools are eligible to apply for participation in SBM / SDM. School participation shall be voluntary and subject to approval by fifty-five (55) percent of the voting, non-supervisory school based staff (e.g., teachers, paraprofessionals, support staff and others) and agreement of the principal, the appropriate superintendent and parents. Similarly, schools involved in SBM / SDM may choose to opt out of the program at any time. The decision to opt out shall be voluntary and subject to approval by at least fifty-five (55) percent of the voting, non-supervisory school based staff.

b. All votes of non-supervisory school based staff concerning participating in SBM / SDM shall be conducted by the UFT chapter.

c. Schools involved in SBM / SDM shall conduct ongoing self-evaluation and modify the program as needed.

2. SBM / SDM Teams

a. Based upon a peer selection process, participating schools shall establish an SBM / SDM team. For schools that come into the program after September 1993, the composition will be

determined at the local level. Any schools with a team in place as of September 1993 will have an opportunity each October to revisit the composition of its team.

b. The UFT chapter leader shall be a member of the SBM / SDM team.

c. Each SBM / SDM team shall determine the range of issues it will address and the decision-making process it will use.

3. Staff Development

The Board shall be responsible for making available appropriate staff development, technical assistance and support requested by schools involved in SBM / SDM, as well as schools expressing an interest in future involvement in the program. The content and design of centrally offered staff development and technical assistance programs shall be developed in consultation with the Union.

4. Waivers

a. Requests for waivers of existing provisions of this Agreement or Board regulations must be approved in accordance with the procedure set forth in Article Eight B (School Based Options) of this Agreement i.e. approval of fifty-five (55) percent of those UFT chapter members voting and agreement of the school principal, UFT district representative, appropriate superintendent, the President of the Union and the Chancellor.

b. Waivers or modifications of existing provisions of this Agreement or Board regulations applied for by schools participating in SBM / SDM are not limited to those areas set forth in Article Eight B (School-Based Options) of this Agreement.

c. Existing provisions of this Agreement and Board regulations not specifically modified or waived, as provided above, shall continue in full force and effect in all SBM / SDM schools.

d. In schools that vote to opt out of SBM / SDM, continuation of waivers shall be determined jointly by the President of the Union and the Chancellor.

e. All School-Based Option votes covered by this Agreement, including those in Circular 6R, shall require an affirmative vote of fifty-five percent (55%) of those voting.

B. School-Based Options

The Union chapter in a school and the principal may agree to modify the existing provisions of this Agreement or Board regulations concerning class size, rotation of assignments/classes, teacher schedules and/or rotation of paid coverages for the entire school year. By the May preceding the year in which the proposal will be in effect, the proposal will be submitted for ratification in the school in accordance with Union procedures which will require approval of fifty-five (55) percent of those voting. Resources available to the school shall be maintained at the same level which would be required if the proposal were not in effect. The Union District Representative, the President of the Union, the appropriate Superintendent and the Chancellor must approve the proposal and should be

kept informed as the proposal is developed. The proposal will be in effect for one school year.

Should problems arise in the implementation of the proposal and no resolution is achieved at the school level, the District Representative and the Superintendent will attempt to resolve the problem. If they are unable to do so, it will be resolved by the Chancellor and the Union President. Issues arising under this provision are not subject to the grievance and arbitration procedures of the Agreement.

C. School Allocations

Before the end of June and by the opening of school in September, to involve faculties and foster openness about the use of resources, the principal shall meet with the chapter leader and UFT chapter committee to discuss, explain and seek input on the use of the school allocations. As soon as they are available, copies of the school allocations will be provided to the chapter leader and UFT chapter committee.

Any budgetary modifications regarding the use of the school allocations shall be discussed by the principal and chapter committee.

D. Students' Grades

The teacher's judgment in grading students is to be respected; therefore if the principal changes a student's grade in any subject for a grading period, the principal shall notify the teacher of the reason for the change in writing.

E. Lesson Plan Format

The development of lesson plans by and for the use of the teacher is a professional responsibility vital to effective teaching. The organization, format, notation and other physical aspects of the lesson plan are appropriately within the discretion of each teacher. A principal or supervisor may suggest, but not require, a particular format or organization, except as part of a program to improve deficiencies of teachers who receive U-ratings or formal warnings.

F. Joint Efforts

The Board of Education and the Union recognize that a sound educational program requires not only the efficient use of existing resources but also constant experimentation with new methods and organization. The Union agrees that experimentation presupposes flexibility in assigning and programming pedagogical and other professional personnel. Hence, the Union will facilitate its members' voluntary participation in new ventures that may depart from usual procedures. The Board agrees that educational experimentation will be consistent with the standards of working conditions prescribed in this Agreement. The Board and the Union will continue to participate in joint efforts to promote staff integration.

The parties will meet with a view toward drafting their collective bargaining agreements to reflect and embody provisions appropriate to the new and/or nontraditional school program

organizational structures that have developed in the last several years, including as a result of this Agreement.

G. Professional Support for New Teachers

The Union and the Board agree that all teachers new to the New York City Public Schools are entitled to collegial support as soon as they commence service. The New Teacher Staff Development Program and Mentor Teacher-Intern Program provide this support, enabling new teachers to expand their range of instructional skills and strategies, and to become actively involved in the life of their school.

1. New Teacher Staff Development Program

a. For uncertified teachers without prior teaching experience there will be ten (10) mandatory days of staff development. Five (5) of these days will take place in the summer prior to the new teacher's employment and the remaining five (5) will take place during the teacher's first year of service.

b. For certified teachers without prior teaching experience there will be five (5) mandatory days of staff development. Three (3) of these days will take place in the summer prior to the new teacher's employment and the remaining two (2) will take place during the first year of teaching.

c. For teachers who have three (3) or more years of approved outside teaching experience there will be three (3) mandatory days of staff development in the summer prior to the new teacher's employment.

d. Uncertified teachers without prior teaching experience hired after the beginning of the school year will be provided with three (3) days of mandatory staff development before they begin their actual teaching assignment and will be required to complete one (1) day for each remaining two (2) months of the school year.

e. Certified teachers without prior teaching experience hired after the beginning of the school year will be provided with three (3) days of mandatory staff development before they begin their actual teaching assignment and will be required to complete one (1) day for each remaining two (2) months of the school year up to a maximum of two (2) days.

f. Teachers who have three (3) or more years of approved outside teaching experience hired after the beginning of the school year will be provided with three (3) days of mandatory staff development before they begin their actual teaching assignment.

g. The content and design of this professional development program for new teachers shall be developed collaboratively by the Union and the Board and will take into account varying needs of new teachers based upon their educational and professional backgrounds. As an additional option the Union and the Board agree to develop criteria for college courses that can be credited toward fulfillment of the first year professional development requirement in order to coordinate services and requirements for new teachers.

h. There shall be an expense stipend for each day of mandatory professional development for new teachers paid at the rate per day set forth below:

Current.....	\$33.15
Effective December 1, 2003.....	\$33.81
Effective December 1, 2004.....	\$34.47
Effective October 1, 2006.....	\$35.59

Provisions for payment of this stipend shall not apply to persons opting for the above mentioned college courses.

2. Mentor Teacher Intern Program

a. The Mentor Teacher Intern Program is designed to improve instruction for children in the New York City Public Schools by supporting the development of beginning teachers. At the core of the program is the relationship that develops between the skilled, experienced teacher (mentor) and the uncertified colleague (intern). This relationship provides a forum for the uncertified teacher to identify issues that form the basis of his or her professional development. For the mentor, it provides the opportunity to share years of accumulated skills and experience.

b. In accordance with state law and regulations: time will be provided for mentor-intern interaction; information shared between the mentor and the intern must remain confidential; and the building principal/supervisor does not rate teachers in their role as mentor or intern. Specific details will be jointly agreed upon by the Union and the Board.

c. All mentors are required to teach a minimum of one (1) period daily. Mentors are selected and matched to one (1) or more intern(s) by the Mentor Advisory Selection Committee. Full-time mentors serving in more than one building shall maintain seniority and the right of return to the site in which they previously served.

d. The Mentor Advisory Selection Committee is a 12 member committee with a majority of teachers who are selected by the Union. Its responsibilities include setting policy with regard to the Mentor Teacher-Intern Program, selecting mentors for recommendation to the appropriate superintendent, matching mentor-intern teams, requesting variances and coordinating district staff development for mentors and interns. The committee selects its chairperson through consensus. Operating procedures for the Mentor Advisory Selection Committee shall be jointly determined by the Union and the Board.

e. The assignment of a mentor to an intern shall be made at the commencement of service but no later than the 20th day of service to the maximum extent possible. Exceptions will be made for those whose service commences after agreed upon dates, annually determined by the Union and the Board.

f. All newly hired, uncertified teachers who do not possess the minimum number of education credits and student teaching/required experience necessary for a regular license shall participate in the Mentor Teacher-Intern Program for one (1) year. This program shall be provided by a mentor.

The parties will jointly request on an annual basis a waiver of State Education Commissioner's Regulation 80.18 to offer in satisfaction of the State Mentoring requirement for uncertified teachers a cost effective, substantive, high quality, professional development program as provided in Special Circular No. 14, 1992-93 dated September 30, 1992.

g. A mentor is a skilled, experienced colleague who has chosen to share his or her expertise by assisting the intern. A mentor has five (5) or more years experience and possesses permanent certification in the same or related license area as the intern. Preference in selecting mentors may be given to teachers who have served three (3) of the last five (5) years in their present school. Teachers who have transferred through the UFT Transfer Plan or teachers who have been excessed into the school may use previous school experience to qualify for three (3) years in the current school.

h. The Union and the Board agree to collaboratively develop a professional development program for mentors.

3. Professional Support Periods and Assignments

a. Guidelines for the use of professional support periods for new teachers will be established. Under the direction of the principal, their use will include but not be limited to activities supportive of upgrading instruction such as: observation of classes conducted by experienced teachers, consultation with others familiar with such areas as instructional strategies in the classroom, planning, curriculum and behavior management.

b. During the first year of employment of a teacher who has not had previous professional employment as a teacher, two preparation periods per week shall be designated as professional support periods.

c. For uncertified teachers being mentored during their second year of employment, two preparation periods per week shall continue to be designated as professional support periods exclusively for the purpose of mentoring.

d. During the first year of employment, a new teacher will be exempt from the generally applicable policy of rotation of teaching assignments. If the number of new teachers makes it impractical to apply this provision, an alternative to this approach may be implemented if jointly approved by the Board and the Union. Guidelines for this purpose will be issued by the Chancellor after consultation with the Union. New teachers may not volunteer or be assigned to coverages during their professional activity periods.

H. Professional Development and Second Differential

As one aspect of the parties' interest in professional development, a joint Board-Union committee comprised of three (3) designees of the UFT President and three (3) designees of

the Chancellor was established to expand and professionalize available staff development opportunities. As a priority, the joint committee focused on new professional development opportunities for teachers seeking their second differential, and for other pedagogues seeking a comparable differential, and made its initial recommendations to the Chancellor. It is the intention of the parties to make such opportunities available to staff at no or modest cost, and with no additional cost to the employer. The Chancellor may establish limits on the number of these credits which can be earned per term toward the second differential via this professional development initiative (the P-credit program). It is understood that the Chancellor's decisions about all aspects of the Committee's recommendations, the design of the P-credit program and regulations for implementation of the P-credit program shall be final and binding on the parties and not subject to the grievance process. Any claim concerning the arbitrary, capricious and/or discriminatory application of such regulations to individuals will be grievable and arbitrable.

I. Reduction of Paperwork

Committees composed equally of representatives of the Board and the Union shall be established at the central, district and division levels to review and reduce unnecessary paperwork required of employees.

Any proposed additional paperwork shall be reviewed by the appropriate level committee and such committee may make recommendations to the Chancellor, community superintendent or division head as appropriate. The Board shall not act unreasonably on the committee's recommendations.

J. Evaluation and Observation System

1. The UFT and the Board of Education are committed to attracting and retaining the most competent staff. To this end the Union and the Board established a joint committee which undertook a study to develop and design a high quality prescriptive evaluation and professional growth system that would give each staff member choices and a role in his/her professional growth.

Following the study, the Union and the Board agreed upon such a system. The parties' full agreement is embodied in the document entitled "Teaching for the 21st Century" and the attachments thereto, which is the definitive document regarding the evaluation/observation plan. Under that plan, performance reviews are based on assessment/evaluation procedures which identify and recognize the range of abilities and experiences of teachers and link a teacher's performance, a school's educational goals and related professional development activities. The reviews must be based on the agreed upon characteristics of good teaching, including consideration of positive student learning outcomes and parent involvement.

2. The plan also provides the following:

a. Where appropriate, the performance review must include clear and specific recommendations for professional growth.

b. Annual performance reviews may be based on either of two models:

The first model, known as Annual Performance Options (Component A), offers an individual teacher, in consultation with his/her supervisor, the opportunity to set yearly goals and objectives and to choose the methods for demonstrating professional growth. The annual performance options will be supported with appropriate follow-up professional development activities, as noted below.

The second model, known as Formal Observations (Component B), is the traditional classroom observation by a principal or supervisor which includes pre- and post-observation conferences and written feedback/comments.

c. In an individual decision between the teacher and the supervisor, satisfactory, tenured teachers may choose either Component A or B or both as the basis for the annual performance review. A process has been agreed upon to facilitate agreement in instances where a teacher and a supervisor have differences in professional judgment concerning the annual performance review option.

d. New and probationary teachers who are new to a school, tenured teachers in danger of receiving an unsatisfactory rating, and tenured teachers who received an unsatisfactory rating the prior year must use Component B as the basis of their annual performance review, although, with the principal's concurrence, Component A may be utilized as a part of their performance review.

e. Each component, or combination, should be implemented in a way that promotes the agreed upon characteristics of good teaching.

f. The principal has final responsibility for rating a teacher's performance.

g. The Board must inform parents of the agreed upon characteristics of good teaching and the principal must inform parents of the school's procedures for evaluation of teachers.

h. Implementation of the plan has two phases. Phase I introduced and defined the new performance review model to all teachers, supervisors, superintendents, parents and other members of the school community. Phase II's focus is on specific professional development activities and opportunities for individual teachers as they identify specific goals and objectives and/or areas for improvement. Any activities that require new and/or additional resources will be dependent on the Board and the Union jointly identifying, seeking and obtaining specific revenue sources.

i. The President of the Union and the Chancellor may agree to make adjustments to the plan as necessary, but in any event the parties commit to a formal review of all aspects of this article.

3. The provisions set forth in this Section I shall be subject to the grievance procedure and to arbitration only for the purpose of determining whether there has been a failure to comply with the procedural requirements contained in the plan. In the event that a teacher appeals a rating, the appropriate forum for claiming a failure to comply with procedures is the rating appeal process and not the grievance/arbitration procedure.

K. Referral of Students for Evaluations

Educators shall exercise proper discretion prior to referring students for evaluations, either for the provision of or decertification of special education services. To that end, the Board will maintain a work environment free from reprisals based upon the proper and professional exercise of responsibilities related to the identification of students who have or are suspected of having disabilities.

L. Labor/Management Committee On Long Term Reforms

With regard to the long term recommendations the 2005 Fact Finders made subject to adequate CFE funding, the parties shall establish a Labor Management Committee to discuss the following issues: a) bonuses, including housing bonuses, for shortage license areas; b) a pilot project for school-wide based performance bonuses for sustained growth in student achievement; c) salary differentials at the MA-5 through MA-7 levels; and d) a program for the reduction of class size in all grades and divisions. If the parties agree on the terms of any or all of these issues, they may be implemented by the Board using whatever funds may be identified.

PROCEDURES FOR HANDLING SPECIAL BEHAVIOR PROBLEMS

The Board agrees that the procedures and policies concerning the problem of disruptive children, embodied in the Special Circular which is reproduced in Appendix B following this Agreement, will not be changed during the term of this Agreement, except that the Chancellor may modify the circular, provided that the Union finds such modification acceptable.

The provisions of the circular shall be subject to the grievance procedure and to arbitration only for the purpose of determining whether there has been a failure to comply with the procedural steps prescribed in the circular.

SAFETY AND HEALTH

A. Assistance in Assault Cases

1. The principal shall report as soon as possible but within 24 hours to the Office of Legal Services, to the Chief Executive of School Safety and Planning and to the Victim Support Program that an assault upon a teacher has been reported to him/her. The principal shall investigate and file a complete report as soon as possible to the Office of Legal Services and to the Chief Executive of School Safety and Planning. The full report shall be signed by the teacher to acknowledge that he/she has seen the report and he/she may append a statement to such report.
2. The Office of Legal Services shall inform the teacher immediately of his/her rights under the law and shall provide such information in a written document.
3. The Office of Legal Services shall notify the teacher of its readiness to assist the teacher.

This assistance is intended solely to apply to the criminal aspect of any case arising from such assault.

4. Should the Office of Legal Services fail to provide an attorney to appear with the teacher in Family Court, the Board will reimburse the teacher if he/she retains his/her own attorney for only one such appearance in an amount up to \$40.00.

5. An assaulted employee who presses charges against his/her assailant shall have his/her days of court appearance designated as non-attendance days with pay.

6. The provisions of the 1982-83 Chancellor's Memorandum entitled "Assistance to Staff in Matters Concerning Assaults" shall apply.

B. School Safety

The principal is charged with the responsibility of maintaining security, safety and discipline in the school. To meet this responsibility he/she shall develop in collaboration with the Union chapter committee and the parents association of the school a comprehensive safety plan, subject to the approval of the Chief Executive of School Safety and Planning.

The safety plan will be updated annually using the same collaborative process, and reports of any incidents shall be shared with the chapter leader.

A complaint by a teacher or the chapter leader that there has been a violation of the safety plan may be made to the principal as promptly as possible. He/she will attempt to resolve the complaint within 24 hours, after receiving the complaint. If the teacher or chapter is not satisfied, an appeal may be made to the Chief Executive of School Safety and Planning who will arrange for a mediation session within 48 hours. If the teacher/chapter is not satisfied with the results of the mediation, an appeal may be made by an expedited arbitration process, to be developed by the parties.

C. Citywide Security and Discipline Committee

1. The Union and the Board shall establish a joint committee which shall meet on a regular basis to discuss and consider appropriate means of resolving safety and discipline issues. Other city agencies will be invited to participate when the Union and Board deem it appropriate.

2. The joint committee or joint designees and any experts the Union and/or Board may designate will have access to all schools and other Board workplaces in which staff represented by the Union are assigned for the purpose of investigating and assessing allegedly unsafe working conditions. If possible, such visits shall be made on reasonable notice to the school, and in a manner that minimizes disruption to the school or other workplace.

3. The joint committee, from time to time, may establish sub-committees to deal with special safety/discipline issues. It shall establish a sub-committee to deal with the issues of safety and discipline in special education schools and programs.

D. Environmental Health and Safety Joint Committee

1. The Union and the Board shall establish a joint committee which shall meet on a regular basis to discuss and consider appropriate means of resolving health and safety issues. The School Construction Authority will be invited to participate on issues raised by school capital modernization projects.

2. The joint committee or joint designees, and any experts the Union and/or the Board may designate, will have access to all schools and other Board workplaces in which staff represented by the UFT are assigned for the purpose of investigating and assessing allegedly hazardous working conditions. Such visits will be made upon reasonable notice to the Board's office of occupational safety and health and in a manner that minimizes disruption to the school or other workplace.

E. Safe Environment

1. In recognition of the importance of employee safety and health, the Board agrees to provide the appropriate recognized standards of workplace sanitation, cleanliness, light, and noise control, adequate heating and ventilation. The Board of Education agrees to eliminate recognized hazards that are likely to cause serious physical harm.

2. If the Union believes a situation has arisen that is likely to cause serious physical harm, it may bring it to the attention of the Chancellor or designee who shall immediately assess the situation, including onsite inspection where appropriate, and take such action as the Chancellor deems appropriate. In the event the Union seeks to contest the Chancellor's determination, it may exercise its statutory rights under New York State Labor Law Section 27a (PESH) or other legal authority.

3. The Board will issue a circular advising staff of their rights under PESH and other applicable law and post the notices required by law.

F. Renovation and Modernization

The Union and the Board believe that modernization and renovation projects are vital to enable children to receive the educational services to which they are entitled. However, in order to limit any educational disruption that a modernization project can create, and to protect the health and safety of the staff and students that use a school setting undergoing modernization, the Board and Union have agreed to standard procedures to help to ensure that health, safety and educational standards are maintained during school capital modernization projects. These standard procedures will be applied in school capital modernization projects undertaken by the School Construction Authority and will be posted and reviewed with all staff in any school undergoing modernization. Where conditions require it, the standard procedures may be modified after consultation with the Union.

G. Science Experiment Review Panel

The Board and the Union have established a panel that considers disputes raised by staff members concerning the safety and efficacy of scientific experiments and procedures in

schools. The panel consists of three laboratory specialists and three science teachers selected by the Union and three science supervisors selected by the Board. The chair will rotate annually between persons designated by the Board and the Union.

The panel will consider any dispute brought to its attention in writing and will expeditiously issue a written opinion as to whether and how the disputed experiment or procedure should be conducted. Any use of the disputed experiment or procedure will be governed by the panel's opinion, and at least one supervisor, lab specialist and science teacher must concur before the issuance of any opinion.

The panel's opinions will be widely disseminated to appropriate divisions and schools, and will serve as guidelines for similar experiments or procedures. Administrative procedures governing the panel's operations will be issued by the Chancellor after consultation with the Union.

H. Identification Cards

The Board will institute on an experimental basis in several high schools the use of identification cards for both staff and students to determine their value as a device for maintaining security in the school.

In special instances, sick leave with pay may be further extended, with the approval of the Executive Director of the Division of Human Resources. The Executive Director shall base the determination in this matter on the nature and extent of illness and the length and character of service. Such extension, if granted, may not exceed nine months.

3. In calculating years of continuous service for purposes of annual leave allowance under this provision, credit shall be given for all active City service, including pedagogical and nonpedagogical service in the Board of Education and service in City agencies. Continuity of service shall not be deemed to be interrupted except by separation from service for a continuous period of more than thirty-one days.

4. Up to two years' annual leave allowance may be accumulated by an Education Officer or Analyst and carried over from one workyear to another.

5. For good reason, Education Officers and Analysts may request and the appropriate community or assistant superintendent may permit the use of up to ten days of annual leave allowance before it is earned.

6. Use of accrued annual leave shall be scheduled by mutual agreement of the Education Officer or Analyst and his/her superior. The employee's preference shall not be unreasonably denied.

If an Education Officer's or Analyst's request to use annual leave is denied, he/she shall be entitled to carry over that portion of his/her annual leave allowance so denied for one additional vacation year, notwithstanding that his/her accrual of annual leave may thereby exceed two years' entitlement.

7. The minimum unit of charge against annual leave allowance shall be one hour.

8. For the earning of annual leave allowance hereunder, a full month's allowance shall be earned by an employee who had been in full pay status for at least 15 calendar days during that month, provided that: (a) where an employee had been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, the employee shall lose the annual leave allowance earnable in one month for each 30 days of such accumulated absence, even though in full pay status for at least 15 calendar days in each month during this period; and (b) if an employee loses annual leave under this rule for several months in the vacation year because the employee had been in full pay status for fewer than 15 days in each month, but accumulated during said months a total of 30 or more calendar days in full pay status, such employee shall be credited with annual leave earnable in one month for each 30 days of such full pay status.

9. The vacation year shall begin on May 1 and end the following April 30.

H. Leaves Without Pay

1. Leaves of absence without pay may be granted to Education Officers and Education Analysts on the same basis as apply to other administrative employees.

2. No Education Officer or Analyst upon return to actual service shall be placed at a salary lower than his/her salary immediately prior to the initial date of the leave.

3. Through at least July 31, 1995 the Board will implement a liberal policy concerning the granting of leaves of absence without pay to UFT bargaining unit members who meet the stated criteria for such leaves. Bargaining unit members who are denied such a leave at the school or district level may appeal to the Executive Director of Human Resources for review and final determination.

I. Vested Benefits

All annual leave, sick leave, sabbatical leave, compensatory and cumulative absence reserve time balances to the credit of an Education Officer or Analyst as of March 31, 1979 shall remain to the employee's credit. Such balances may be used in accordance with leave regulations and to the extent not used are applicable toward terminal leave, leave in lieu of sabbatical and/or separation or termination from employment.

J. Posting Vacancies

Vacancies in Education Officer and Education Analyst positions shall be posted in places accessible to employees, and incumbents shall be invited to apply before a new employee is hired. Appointed employees shall have preference over provisionals.

K. Reduction of Positions

If there is a reduction of positions in any office or other organizational unit, the junior Education Analyst or Education Officer, as appropriate shall be excessed to a vacancy or, if there is no vacancy, to the position held by a junior employee in the Board of Education. Provisionals shall be excessed before probationers, and probationers shall be excessed before permanent employees. Where a layoff situation exists in the Board of Education, the applicable provisions of law will be followed and those Education Officers or Education Analysts who are laid off without fault or delinquency will be placed on a preferred list for reinstatement to their positions.

L. Seniority

Except where otherwise applicable for layoff or for benefit entitlements, the seniority of Education Analysts and Education Officers shall be computed as the length of service as an Education Analyst or an Education Officer in the Board of Education.

IV. Professional Development Assignments and Positions

Lead Teachers, Mentors and Math and Literacy Coaches are covered by all provisions of this Agreement not inconsistent with this Part IV of Article 11.[2]

A. Lead Teachers

The CC9 Lead Teacher Pilot Program will be expanded as follows:

1. The Chancellor will determine the number and location of lead teacher positions.

2. Lead teachers will receive \$10,000 per year as a salary, differential in addition to the applicable salary otherwise provided in this Agreement. Such salary differential shall be included in the gross annual salary of teachers to whom it is paid.

3. In the elementary schools, each pair of lead teachers will have responsibility for one regular class. Each lead teacher will be programmed for a duty-free lunch period and a preparation period that will be scheduled at the same time as the preparation period of the lead teacher with whom they are sharing a class. Half of the remainder of the day will be spent teaching their class and half providing professional support to teaching staff.

Middle School and High School lead teachers will be programmed for a duty free lunch and a preparation period each day. Lead teachers will teach three regular classes per day and will provide professional support to teaching staff three periods per day.

4. Lead teachers will work as a group the five weekdays prior to the start of the work year for other teachers according to a plan set and approved by the applicable Regional Superintendent. Lead teachers will work 4 hours per month outside of the normal workday, according to a schedule and plan set and approved by the applicable Regional Superintendent at the start of the school year. Lead teachers shall not receive additional compensation for the work time specified in this paragraph. Lead teachers from extended time schools, in lieu of working the five days during the summer provided for in Article 12 II A1 of this Agreement, shall have the choice of either having the monetary value of that workweek, as determined by the Board in consultation with UFT, deducted from their compensation as a teacher in an extended time school, or making up that work time during the school year, subject to the approval of the school principal.

5. Lead Teachers will be selected and assigned in the following manner. Positions will be advertised through a city-wide posting and assigned to individual schools. Selection will be done in a two-stage process: first, a regional personnel committee, made up of four representatives of the Regional Superintendent, two representatives of the Union and two parent representatives (chosen from among volunteers of the relevant Community Education Councils and/or presidents of the Parent Associations) shall select a pool of applicants with the best qualifications according to criteria established by the committee, other than in District 9 where the current selection committee will be maintained. Selections, to the extent possible, shall be made by consensus. Second, each participating school will establish its own personnel committee, made up of the principal, administration representatives, staff representatives and parent representatives, with a majority of teachers, to make selections from the pool selected by the regional personnel committee. Selections, to the extent possible, shall be made by consensus and the principal shall have the ability to veto any selections of such school committee.

6. Lead teachers leaving the assignment at the end of their first year as a lead teacher may return to a vacancy in the last school where they served before becoming a lead teacher and take their rightful place in seniority order, and if there is no vacancy in such school, to a vacancy in the district. In the alternative, the lead teacher may choose to be placed in a vacancy in the district where they served as a lead teacher.

7. If a lead teacher is involuntarily removed in the middle of the year by the principal, the lead teacher will be placed in a vacancy in the district s/he is working in as a lead teacher or in a vacancy in the district s/he worked in immediately prior to becoming a lead teacher (at the lead teacher's option). If no such vacancies exist, the lead teacher will be placed in the substitute pool in the district s/he served in as a lead teacher. At the end of the school year, the lead teacher shall be placed in a school pursuant to paragraph 6 above.

8. Notwithstanding the foregoing, any lead teacher may be placed in a teaching vacancy in the school in which he or she is serving as lead teacher, with the consent of the lead teacher and such school's principal.

9. A lead teacher's school seniority is determined in accordance with Article 28C of this Agreement.

10. Grievances regarding this provision, except the selection of lead teachers, shall be governed by Article 22B1 except that applicants rejected by the regional personnel committee may challenge that committee's decision through the process set forth in Article 22E and if successful, will be included in the pool of applicants considered for selection. The Union may challenge the selection of a lead teacher at the school level by appealing to the Chancellor/designee, who will consult with the Union prior to rendering a decision. The Union may appeal the decision of the Chancellor/designee to the New York City Office of Labor Relations, which will issue a final and binding decision.

B. Mentors

1. The Mentor position will be selected pursuant to a City-wide posting. Each region will establish a Regional Selection Committee, which will select the mentors for such region. Fifty percent of the membership of the Regional Selection Committee will be selected by the President of the UFT. The committee will attempt to make all decisions by consensus. If no consensus can be reached, the Regional Superintendent or his or her designee will make the final decision. The selection process set forth in this paragraph will apply to the selection of Mentors for all new teachers.

2. The Mentor position shall be for one year with option to reapply.

3. The Mentors will be teachers and their work day and year will be governed by Article 6 of this Agreement. In addition to the time prescribed in Article 6, all Mentors will be required to work 18 hours after school during the school year. All Mentors will also be required to attend three days of professional development during the summer preceding the start of the 2004-2005 school year. Thereafter, only first-year Mentors will be required to attend the three days of professional development in the summer preceding the start of their first school year in the Mentor program. For those unable to attend the summer professional development session, a make-up session will be required during the month of September.

4. The Board will compensate the Mentors at the per session rate established by the Agreement for any hours or days worked pursuant to paragraph 3 that are outside of the regular teacher work day or year established by Article 6. Such work will not count as a

per session activity for purposes of any restrictions on a Mentor's ability to apply for other per session work.

5. A mentor who leaves a mentoring assignment at the end of the first year of the assignment shall return to the last school where he or she served before becoming a mentor and take his or her rightful place in seniority order, unless he or she chooses to be placed in a vacancy in either the district(s) he or she served in as a mentor or the district he or she served in prior to becoming a mentor (if different), at his or her option (though the Board retains the right to determine the vacancy in which the mentor will be placed within the district chosen by the mentor).

6. A mentor who leaves the assignment after the first year shall be returned to his or her former district in accordance with his or her seniority, unless he or she chooses to be placed in a vacancy in the school he or she served in prior to becoming a mentor or in a vacancy in the district(s) he or she served in as a mentor (if different), at his or her option (though the Board retains the right to determine the vacancy in which the mentor will be placed within the district chosen by the mentor).

7. If a mentor is involuntarily removed in the middle of the year, the mentor may be placed (a) in a vacancy in the district(s) in which he or she is mentoring, (b) in a vacancy in the district he or she served in prior to becoming a mentor (if different) or, (c) in a vacancy in any other district, at the mentor's option (though the Board retains the right to determine the vacancy in which the mentor will be placed within the district chosen by the mentor). If there is no vacancy, the mentor will be placed in the substitute pool in one of the districts in which he or she served as a mentor. At the end of such school year, the mentor shall be placed in a school pursuant to either paragraph 5 or 6 above, as applicable.

8. The Board agrees to fund 10 UFT Teacher Center positions, who will serve as liaisons to the Regional Directors of mentoring. Such Teacher Center professionals will report to the Regional Superintendent.

9. The Board agrees to evaluate whether it can limit the ratio of teachers to mentors and/or seek additional funding to supplement the support given to mentors, consistent with budgetary restraints.

10. Grievances regarding this Article II IV B, including selection of mentors, shall be governed by Article 22B1 of this Agreement.

C. Math and Literacy Coaches

1. Coaches will be selected for terms of one school year pursuant to annual city-wide postings and assigned to individual schools. Coaches will serve the work day and year set forth in Article 6 of this Agreement.

2. Should a coach selected in one year wish to serve another term as a coach in the same school the following year and should the principal agree, the principal may select such coach for another year term without the need for the coach to reapply.

3. Coaches will teach one regularly scheduled period per day which will be for the purpose of co-teaching and/or providing a demonstration lesson for the regular classroom teacher and/or other staff. Other than such regularly scheduled period, coaches shall not be required to teach or cover other classes. In the event that the principal requires the coach to perform other appropriate duties during this regularly scheduled teaching period, the coach will be relieved of such teaching period. Nothing in this paragraph shall prevent a coach from performing other demonstration lessons as part of his/her coaching duties.

4. Coaches are eligible to apply for per session jobs appropriate to their regular license.

5. A coach who leaves a coaching assignment at the end of the first year of the assignment shall return to the last school where he or she served before becoming a coach and take his or her rightful place in seniority order, unless he or she chooses to be placed in a vacancy in either the district he or she served in as a coach or the district he or she served in prior to becoming a coach (if different), at his or her option (though the Board retains the right to determine the vacancy in which the coach will be placed within the district chosen by the coach).

6. A coach who leaves the assignment after the first year shall be returned to his or her former district in accordance with his or her seniority, unless he or she chooses to be placed in a vacancy in the school he or she served in prior to becoming a coach or in a vacancy in the district he or she served in as a coach (if different), at his or her option (though the Board retains the right to determine the vacancy in which the coach will be placed within the district chosen by the coach).

7. If a coach is involuntarily removed in the middle of the year by the principal, the coach may be placed (a) in a vacancy in the district in which he or she is coaching, (b) in a vacancy in the district he or she served in prior to becoming a coach (if different) or, (c) in a vacancy in any other district, at the coach's option (though the Board retains the right to determine the vacancy in which the coach will be placed within the district chosen by the coach). If there is no vacancy, the coach will be placed in the substitute pool in the district in which he or she served as a coach. At the end of such school year, the coach shall be placed in a school pursuant to either paragraph 5 or 6 above, as applicable.

8. Notwithstanding the number of years served as coach, any coach may be placed in a teaching vacancy in the school in which he or she is serving as a coach, with the consent of the coach and such school's principal.

9. A coach's school seniority is determined in accordance with Article 28C of this Agreement.

10. Grievances regarding this provision, including selection of coaches, shall be governed by Article 22B1 of this Agreement.

11. The Board intends to provide coaches, during the 2004-2005 school year, with laptop computers or other similar computer devices to assist them with their work. Final decisions on this project will be made after the Board considers the results of a pilot project which is being conducted during the spring of 2004.

12. Coaches having to travel outside their regions for mandatory training are eligible for reimbursement for travel expenses under the Board's Standard Operating Procedures.

[2] The parties disagree as to the applicability of Section 9 of the October 2005 MOA to Sections A6, B5, 6 and 7 and C5,6 and 7 of this Part IV of Article 11.

SCHOOLS AND PROGRAMS WITH MODIFIED WORK SCHEDULES

I. Chapter 683 Program

A. Employees who elect to be employed in the Board's program which implements Chapter 683 of the Laws of 1986 ("Program") shall serve under the following terms and conditions of employment during July and August:

1. The gross annual salary rate of each such employee who serves the same student population during the regular work year (September through June) as is eligible to participate in the Program during July and August shall be computed by adding the sum of either:

a. Seventeen and one-half (17½) percent of the applicable gross annual salary rate; or

b. The number of hours served during July and August multiplied by the applicable per session rate; whichever is greater, to the employee's annual salary rate ascertained without consideration of said sum.

2. The pay rate of each such employee who does not serve the same student population during the regular work year (September through June) as is eligible to participate in the Program in July and August shall be the applicable per session pay rate.

3. a. As set forth in the applicable Board Vacancy Circulars advertising the positions available for the 1988 Program, the selection procedure for the Program shall provide a priority to those employees who serve the same student population during their regular work year as is eligible to participate in the Program in July and August.

b. Employees who serve satisfactorily in the Program during July and August for two successive years shall be retained for succeeding years if they apply to serve in the Program during July and August provided they continue to serve the same eligible student population during their regular work year. Retention rights of other employees who serve satisfactorily in the Program during July and August for two successive years shall be subordinate to the rights of those employees who serve the same eligible student population during the regular work year.

c. If there is a reduction of positions in the Program during July and August, employees who are lowest in order of priority for selection will be the first to be retrenched, in inverse seniority order.

4. The work day for employees serving in the Program during July and August shall be five hours and fifty minutes (six hours effective February 2006) exclusive of one-half hour for a duty-free lunch.

5. Employees paid in accordance with Paragraph 1 of this Article will receive two sick days for use during July and August on a self-treated basis. Unused sick days shall be accrued and credited to the employee's cumulative absence reserve for use during the regular school year.

6. Teachers shall have a daily professional resource period. This period is designed to allow for consultation by the teacher with administrators, parents, teachers, related service providers and nurses: to up-date each student's Individual Educational Program (IEP) in order to provide for continuity of instruction, to provide a reporting mechanism (IEP) to each student, daily and cumulative attendance information, related service provision information to administration, and to finalize all student records for delivery to the September school location.

Other employees will have relief time, if any, equivalent to that to which they are entitled during the regular work year.

7. Teachers will be consulted regarding class assignments and their assignment requests will be honored to the extent possible.

8. The sabbatical leave pay of employees paid in accordance with Paragraph 1 of this Article shall be based on their annual salary including the amount computed pursuant to Paragraph 1 of this Article.

The applicable return provision applies to service in the Program with respect to that portion of the sabbatical salary attributable to Program compensation.

9. Teachers, guidance counselors and school secretaries serving in the Program during July and August are restricted from serving in any per session activity unless no other qualified applicants are available.

10. In light of the needs of the student population served by the Program, the Board is committed to providing air-conditioned facilities for as many sites as possible. The Board will keep the Union informed of its progress in achieving the objective of air-conditioning all sites utilized by students.

11. The Board official with responsibility for this Program shall meet and consult at times mutually agreed with representatives of the Union on matters of policy and implementation of this Article.

12. Except as otherwise set forth herein:

a. The working conditions for employees paid in accordance with Paragraph 1 of this Article will be consistent with the standards of working conditions for the regular work year prescribed in the applicable collective bargaining agreements.

b. The working conditions of employees paid in accordance with paragraph 2 of this Article will be those working conditions applicable to per session employees covered by the applicable collective bargaining agreements.

II. Extended Time Schools

In order to raise student performance, the Chancellor has designated certain SURR and low performing schools as "Extended Time Schools" in which there will be an extended school day/year. The parties believe that implementation of this extended school schedule over a two year period will succeed in turning around low performing schools and having them removed from the SURR list. It is the intent of the Chancellor that no school should remain on an extended time schedule for more than three years. The Chancellor may de-designate a school as an Extended Time School.

A. Time and Compensation

1. In such designated Extended Time Schools, teachers shall work a mandated seven hour work day, inclusive of a duty-free lunch period, and an additional five workdays immediately preceding the start date designated at the beginning of the school year. Effective February 2006, teachers in ETS shall report on Brooklyn-Queens Day for professional development.
2. The gross annual salary of teachers who work this additional time in Extended Time Schools shall be in accordance with the salary schedules set forth in Appendix F1.

B. Staffing

1. Employees currently serving in schools which become Extended Time Schools will have the option to be excessed from the school. Those appointed and certified provisional staff who are excessed will be offered the broadest placement choices available within the authority of the Board; and where possible, their wishes will be taken into account when placing them into positions.
2. Nothing herein precludes the right of the Board to close or redesign a school in which case staffing shall be done in accordance with Article 18-D ("Staffing New or Redesigned Schools").
3. No one shall be involuntarily excessed to or involuntarily transferred to an Extended Time School.
4. Employees in Extended Time Schools who are involuntarily excessed from their school will be offered the opportunity to apply to a vacancy in another Extended Time School or to be excessed to a school in the geographic district.

C. Service Commitment

Eligibility for the pro rata salary shall be conditional upon a commitment by the employee to work in the system for a minimum of an additional three years. An employee who does not remain for the full three years will be liable to the Board for the additional salary received

while in the Extended Time School in an amount equal to the lesser of the actual pro-rata addition to the employee's gross salary or the total of the previous 12 months of the pro rata addition to the employee's gross salary. In addition, in the event that an employee who is earning the pro rata salary leaves the system prior to the expiration of the employee's three year service commitment, then such employee's compensation and salary for pension benefits as well as such employee's termination pay for unused cumulative absence reserve shall be calculated as though such employee had not received a pro rata increment on his/her salary. The three year service requirement shall not apply in the event that an employee is laid off or excused or is unable to complete the service requirement due to a medical incapacity approved by the Board's Medical Bureau or upon approval of special circumstances by the Chancellor. Individual employees in Extended Time Schools will be required to sign a document agreeing to the terms and conditions described herein.

In the event that a designated school remains on the extended time schedule for less than three years, then the service commitment shall be reduced commensurately.

D. Miscellaneous

1. In Extended Time Schools, Article 8B (School-Based Options) shall require approval of 55% of those voting.

a. The Special School-Based Option and SBO threshold for approval of the creation or recreation of administrative duties, compensatory time positions and homeroom shall be 55% of those voting.

2. In Extended Time Schools, Circular 6R and related contractual provisions will be modified as follows:

a. The Menu of Professional Activity Options for all Extended Time Schools shall be created centrally by the Chancellor in agreement with the UFT President. From time to time, the Chancellor may direct the use of professional periods for specified professional development. In the event that these periods are directed for such use, any time requirement or expectations associated with the affected teacher's professional activity shall be modified accordingly.

b. Compensatory time positions consistent with a school's instructional plan may be mandated by agreement of the Chancellor and the UFT President. Staffing of such created or re-created positions shall follow regular contractual procedures.

3. In the event that a designated school remains on the extended time schedule for less than three years, then an employee will have the opportunity at the next reorganization to return to the school from which the employee transferred and take the employee's rightful place in seniority order.

4. The Board official(s) with responsibility for this Program shall meet and consult at times mutually agreed with representatives of the Union on matters of policy and implementation of the Extended Time Schools program.

5. In the event the Chancellor terminates the Extended Time Schools program then the terms of this agreement shall expire.

6. Except as otherwise set forth herein, the terms and conditions of this collective bargaining agreement apply to employees serving in the Extended Time Schools program.

III. Second Opportunity Schools (SOS) Program

Teachers who elect to be employed in the Second Opportunity Schools (SOS) Program shall serve in the Program under the following terms and conditions of employment:

1. For the period of September through June (regular school year), the gross annual salary rate of each teacher shall be increased by an amount pro-rated to the additional time such teacher is scheduled to work over and above the work day provided in Article 6A and is set forth in Appendix F2 of this Agreement.
2. For the period of July and August, the gross annual salary rate of each teacher in the SOS Program shall be increased by an amount pro-rated to the additional time such employee is scheduled to work in July and August over and above the work year provided in Article 6B.
3. In the event that it becomes necessary to employ any teacher who did not serve in the SOS Program during the regular school year, his/her pay for any time worked during July and August will be the applicable per session rate for the hours worked, and the other provisions of the contract applicable to per session employment shall also apply. However, retention rights of teachers paid at the per session rate shall be subordinate to the rights of teachers who serve in the SOS Program during the regular school year.
4. During September through June, the contractual school workday required for teachers serving in the Program shall be seven hours, inclusive of a duty-free lunch period of 40 minutes. In addition, the workday required for all teachers serving in the Program during July and August shall be four and one-half hours. No lunch period shall be scheduled during the summer.
5. The work year for teachers shall be in accordance with this collective bargaining agreement during September through June, and in addition, thirty working days during July and August. Effective February 2006 teachers shall report to work on the Thursday and Friday before Labor Day and on Brooklyn-Queens Day for professional development.
6. Employees in the SOS Program will receive twelve self-treated sick days per year, accrued at the rate of one day per month, including one day for the month of August.
7. The sabbatical leave pay of employees in the SOS Program shall be based on their annual salary including the amount computed pursuant to paragraphs 1, 2 and 3 above. The applicable return from sabbatical provision applies to service in the Program with respect to that portion of the sabbatical salary attributable to Program compensation.
8. Employment in the Program is by application on a voluntary basis. Applicants must commit to at least three years of paid service with the Board of Education commencing with

the first day of service in the Program. In the event that an employee who has participated in the Program retires from service prior to the third anniversary of such employee's first date of participation in the Program, then such employee's compensation and salary for pension purposes shall be calculated as though such employee had not participated in the Program. The three year service requirement shall not apply in the event that the employee is terminated or is unable to complete the service requirement due to a medical incapacity approved by the Board's Medical Bureau.

9. For all contractual purposes, the SOS Program shall be considered two schools. The middle school sites shall be considered one school and the high school sites shall be considered one school, except that Article 7A, B, M, N and O of this Agreement shall be applied on a site basis.

10. Employees serving in the SOS Program shall have retention rights at their sites subject to the following:

a. If staffing needs within an SOS Program school requires contracting the staff at one site and expanding staff at another site, the Board will first seek volunteers who wish to transfer from the contracting site to the expanding site. The senior qualified volunteer, based on excessing seniority, shall be selected. If no qualified volunteer exists, the Board will transfer the junior employee, based on excessing seniority, who qualifies for the position. The employee so transferred is entitled to return to his/her former site at the next reorganization in accordance with his/her excessing seniority.

b. If demonstrated needs require the Board to transfer an employee to another site, the Board will inform the employee of the reason for the transfer. The employee may grieve to determine whether the transfer was based on justifiable reasons.

c. The Board will place the employee reassigned pursuant to (a) or (b) above in an appropriate vacancy within the SOS Program school in the same borough. If it is necessary to reassign the employee outside the borough, the preferences of the employee shall be taken into consideration.

d. No later than sixty days before the end of the term, a list of potential vacancies for the following term will be posted at each site, including vacancies anticipated through sabbatical leave, retirements and the opening of new sites. Regularly appointed employees may file preference requests for reassignments to such sites with the principal and will be considered for such reassignments.

11. There shall be one chapter leader for the middle school sites and one for the high school sites in the Program, a total of two. The chapter leader for the middle school sites in the Program and the chapter leader for the high school sites in the Program shall both be relieved of one teaching period per day to perform the duties and responsibilities of their chapter leader positions. The Union shall reimburse the Board for each such chapter leader who is so relieved at the rate of twenty percent of the total employer cost of an entry level teacher, as is the case for chapter leaders in large high schools.

12. In light of the needs of the student population served by the Program, the Board is committed to providing air conditioned facilities for as many sites as possible. The Board will keep the Union informed of its progress in achieving the objective of air conditioning at all sites utilized by students.

13. The Board official with responsibility for this Program shall meet and consult at times mutually agreed with representatives of the Union on matters of planning and implementing the SOS Program.

14. Except as otherwise set forth herein, the terms and conditions of the collective bargaining agreement covering their title apply to employees serving in the SOS Program.

IV. New Beginnings Centers

Employees who are accepted into and elect to be in the New Beginnings Center Program shall serve in the program under the following terms and conditions of employment:

1. A single selection committee, for both teachers and guidance counselors, shall be established for each superintendency in the first year of the program. After the first year, there shall be a single selection committee for the program.
2. Pedagogues selected into the program, including the secretary(ies), shall be automatically released by their superintendent. Pedagogues selected into the program shall be granted a leave of absence for one school year from their prior school. In addition, pedagogues selected into the program shall be granted a leave of absence for one (1) additional school year from their prior superintendency. For purposes of this paragraph, the first year shall run through the 2003-2004 school year and the second through the 2004-2005 school year. Mid-year transfers will not be permitted without consent of the Board.
3. The program calls for a team teaching model consisting of two (2) teachers for a class of approximately 20 students.
4. The workday shall begin at 8:00 a.m. and end at 3:00 p.m.
5. Effective February 2006 employees shall report to work on the Thursday and Friday before Labor Day and on Brooklyn-Queens Day for professional development.

7. Substitute teacher coverage shall be provided from a pool maintained by the principal. Substitutes shall receive the per diem rate and shall have a workday of 6 hours and 40 minutes (6 hours and 50 minutes effective February 2006).
8. In the event of site contraction, teachers may apply for positions within other New Beginnings Centers.

9. The teachers' workday shall include no more than five (5) teaching periods, one (1) professional activities period or its equivalent, one (1) professional development period, one (1) preparation period and one (1) duty free lunch period. The Board retains its right to change the scheduling of the aforementioned periods.

10. The program shall have one (1) Chapter Leader. The Chapter Leader shall be relieved of one period of professional activities or its equivalent per day to fulfill his/her union duties.

11. Adequate security shall be provided for the program.

12. In the event the Chancellor terminates the program, the terms of this Article 12 IV shall expire, except that pedagogues shall have rights in accordance with those enumerated in paragraph 2.

13. The terms of the applicable collective bargaining agreement(s) shall apply unless they are otherwise amended by or inconsistent with the terms of this provision.

RATES OF PAY AND WORKING CONDITIONS OF ADULT EDUCATION TEACHERS

A. Statement of Principles

The parties agree that their mutual objectives are to support the continuation and expansion of the Board's adult education programs and to regularize and stabilize the conditions of employment of employees in these programs by encouraging the use of full-time personnel wherever possible.

The Board and the Union will consult as the need arises for the purpose of facilitating the achievement of these objectives and to resolve problems as they occur. This Article covers adult education teachers who are regularly assigned to work at least fifteen hours per week, and effective February 2006, at least fifteen hours and twenty-five minutes per week.

B. Salary and Workyear

1. Salary

The annual salaries of full-time adult education teachers are set forth in Appendix G which is attached to and made a part of this Agreement.

The annual salary of full-time adult education teachers assigned to work thirty hours per week is based on assignments of six hours per day for 189 ½ days (1137 hours) during the work year; and effective February 2006 six hours and 10 minutes per day for 191 ½ days (1181 hours) per workyear. The salary of individual teachers is pro-rated up or down depending on their regular assignment of hours relative to 1137 or 1181 hours, as applicable.

2. Workyear

The workyear begins on September 1 and ends on August 31. Effective February 2006 full-time adult education teachers shall have 10 minutes of preparation time added to their workday, and they shall report the Thursday and Friday before Labor Day and on Brooklyn-Queens Day for professional development. In most cases there will be a ten month year scheduled to the extent possible between September and June. The Office of Adult and Continuing Education reserves the right, when programs dictate, to create ten month schedules other than between September and June and other than in a consecutive mode. Furthermore, it may be necessary to continue programs into the summer to meet the 189 ½ days.

C. Sick Leave and Non-Attendance

1. Full-time teachers shall accrue and use sick leave pursuant to Article 16A11 of this agreement. Other teachers shall have a pro-rata entitlement.

2. Adult education teachers are covered by the Board's regulations governing non-attendance of teachers.

D. Annuity Payment

Adult education employees who are "eligible teacher contributors" pursuant to Section 13-521, Subdivision 8, of the Administrative Code of the City of New York shall receive the

annual \$400 annuity contributions provided in Article 4, Section A of this Agreement when they reach the maximum step of the salary schedule (i.e. step 8B on the applicable differential lane).

E. Hours[3]

1. Assigned Hours Per Week

Full-time teachers shall be assigned to work at least thirty hours (effective February 2006, thirty hours and fifty minutes) per week.

Adult education teachers shall be assigned during 2003-2004 for not less than the same number of hours per week they were assigned during 2002-2003. In each year thereafter such employees shall be assigned not less than the same number of hours per week they were assigned during the preceding year. It is understood and agreed that the implementation of this provision may require reassignment and reorganization of schedules.

The Office of Adult and Continuing Education shall use its best efforts to schedule such assignments in a manner which takes into account the needs of the program as well as the goal of minimizing the need to travel and the gap in time between teaching assignments.

2. Priority for Assignment to Additional Hours

Teachers shall be assigned to additional hours in their license area as they become available in the following order of priority.

- a. Restore appointed teachers to 30 hours (effective February 2006, thirty hours and fifty minutes).
- b. Increase hours of appointed teachers to 30 hours (effective February 2006, thirty hours and fifty minutes).
- c. Restore hours to other teachers whose hours were reduced during the current workyear.
- d. Increase hours of other teachers to 30 hours (effective February 2006, 30 hours and 50 minutes).

All teachers in a higher priority category shall be offered the additional hours before those in a lower priority category are offered the hours.

Within each priority category the additional hours shall be offered to teachers in order of their seniority.

3. Maintenance of Hours

The number of hours per week for which teachers are assigned pursuant to this Article shall be maintained as follows:

a. If teacher's hours are reduced within the first five percent of a cycle's scheduled number of hours such teacher shall be assigned the additional hours necessary to restore his/her previous level of hours per week by assigning to him/her additional hours which become available or, if no additional hours are available, the hours of a per session teacher. The assignment of such hours shall be made in the following order of priority:

(1) Appointed teachers

(2) Other teachers

If no such hours are available, the excessing rules shall be followed to determine the teacher whose hours will be reduced.

b. Whenever possible, the Board will not reduce the hours of a teacher within the final five percent of a cycle's scheduled number of hours.

c. A teacher whose hours are reduced after the first five percent of a cycle's scheduled number of hours shall be restored to his/her previous level of hours per week in the same order of priority as set forth in paragraph a of this Section 3, (a) when additional new hours become available; or (b) at the start of the next cycle; or (c) when he/she has lost ten percent of his/her scheduled hours in the program, whichever occurs first.

d. A teacher whose hours are restored after he/she has lost ten percent of his/her scheduled hours in the program shall retain his/her full schedule of hours thereafter. Where necessary the excessing rules shall be followed to determine the teacher whose hours will be reduced.

F. Excessing

Before excessing an appointed teacher, non-appointed teachers in the license are discontinued, in inverse seniority. Before applying the Rules for involuntary excessing, the senior teacher within license who volunteers will be excessed from the work site to a vacancy within the same region. If no senior teacher volunteers, the following excessing rules shall be applicable to regularly appointed teachers in adult education licenses:

Rule 1. When an excess condition in a license exists at a work site or in a region the appointed teacher in that license with the least seniority shall be excessed, but probationers shall be excessed before those who have completed probation.

Rule 2. Unless a principal denies the placement, an excessed teacher will be placed by the Board into a vacancy within his/her district/superintendency; or if such a vacancy is not available, then in a vacancy within his/her region. The Board will place the excessed teacher who is not so placed in an ATR position in the school from which he/she is excessed, or in another school in the same district or superintendency.

Rule 3. Upon request a teacher who has been excessed to another work site or region shall be afforded the opportunity to return to the work site or region from which he/she was excessed, if within a year a vacancy in his/her license should occur at that work site or

region, before any other teacher is assigned to the vacancy. Such return shall be effectuated at the start of the next cycle.

Rule 4. As used herein, an excess condition exists when a position is eliminated or when the hours are reduced below 15 hours per week.

Rule 5. Teachers identified as being at risk of being excessed at the commencement of the following school year will be informed of this no later than June 15, or as soon as is practicable if identified as being at risk of excess after June 15. The deadlines for excessing teachers will continue to be governed by applicable law.

G. Layoff and Recall

If a city-wide excess condition causes a layoff of staff in any licensed position, the hours of per session teachers shall be reassigned to teachers covered by this Article to the extent possible to prevent layoffs before any adult education teacher in the license is laid off.

Section 2588 of the Education Law shall be the basis for determining the adult education teacher to be laid off, without fault and delinquency with the understanding that said employee is to be placed on a preferred list for reinstatement to his/her former position.

Probationers shall be laid off before any teacher in the license who has completed the probationary period. Teachers on layoff who may be placed on a preferred list in another license other than the one in which they are laid off will be so placed.

Non-appointed teachers shall have recall rights after appointees are recalled.

H. Seniority

Except as otherwise expressly provided in this Article, seniority shall include all prior continuous service as an adult education teacher regularly assigned to at least fifteen hours per week and effective February 2006 fifteen hours and twenty-five minutes per week..

Continuous service shall be defined as uninterrupted service except that leaves of absence without pay granted with the approval of the director, and layoffs because of lack of work shall not be deemed as an interruption of service but shall not be counted in the determination of length of continuous service.

I. Vacant Assignments

When vacant assignments become available for September, adult education teachers will be notified and the wishes of the teachers who request assignment shall be taken into consideration.

J. Other Conditions

The following provisions of this Agreement shall also apply to adult education teachers:

Teachers employed on a regular basis in per session activities will be granted sick leave with pay for absence from duty due to personal illness as follows:

a. One session during each month of service, or two sessions during the month of August, will be granted to those employed in summer day high schools, summer evening high schools, summer junior high schools, summer special day schools, day treatment centers, and institutional settings; summer day elementary schools, summer evening elementary schools for adults, and vacation day camps.

b. One session after each period of 20 sessions of service will be granted to those employed in evening high and trade schools, after school centers, evening community and youth and adult centers, adult education classes, and the special after school instructional help program.

c. Applications for excuse with pay for absence due to personal illness must be accompanied by a certificate of a physician, except that teachers in summer activities shall be granted refunds for illness on application without a statement from a physician for no more than one session per summer.

d. Such sick leave shall not be cumulative from one school year to another school year nor from one per session activity to another per session activity, but shall be transferred to the teacher's regular cumulative absence reserve.

2. Retention

Prior service shall govern in the retention of per session teachers employed on a regular basis in per session activities as follows:

a. Teachers with at least two years of continuous satisfactory service in a particular activity shall have priority for retention in the same activity for the following school year. Teachers with retention rights in an activity will not lose those rights if their service is interrupted for a period of not more than one year because of sick leave without pay or involuntary change of day school session, or sabbatical leave. Such teachers must return to service in the same activity at the first reorganization of the activity following the interruption of their service for the reasons stated above.

b. Teachers who have been granted priority for retention in one per session activity shall not be granted such priority for any other per session activity.

c. Teachers will be permitted to serve in more than one per session activity only if no other qualified applicants are available. The Union shall be given a list of per session positions which are held by teachers who have no retention rights in those positions and who are serving in more than one per session activity. Per session activities of 25 hours or less and certain other activities as mutually agreed between the Board and the Union are not counted when determining the number of per session activities served in.

d. No teacher who had retention rights in a per session activity on September 1, 1969, shall be displaced by reason of the Chancellor's determining that thereafter the position need not be held by a teacher. During the period he/she remains employed in that per session position, the incumbent having retention rights as of September 1, 1969, shall be paid at the teacher compensation rate prescribed in this Agreement.

e. If a per session position occupied by a teacher is terminated and is subsequently restored within the period of six months, the restored position shall be offered to its last teacher incumbent before any other person is employed to fill it.

f. A teacher with retention rights who is promoted to teacher in charge shall not lose his/her retention rights as a teacher in the activity in the event that he/she receives an unsatisfactory rating as teacher in charge.

g. So long as they continue to exercise their retention rights, no per session teachers who had retention rights in an adult education activity on September 8, 1987 shall be displaced by reason of the provisions of Article Fourteen (Rates of Pay and Working Conditions of Adult Education Teachers) of this Agreement unless a layoff or reduction in hours of a primary adult education employee would result. The rights of a per session teacher who acquires retention rights in an adult education activity after September 9, 1987 shall be subordinate to the rights of primary adult education teachers as set forth in Article Fourteen, A, E (Hours), F (Excessing) and G (Layoff and Recall). In addition, the Board agrees to follow a policy of attrition with respect to those per session teachers who had retention rights in an adult education activity on September 8, 1978 so long as they continue to exercise their retention rights in the adult education activity.

c. For junior high school after school study centers (tutorial), selection will be made by the same method except that it will not operate system-wide.

d. For summer day elementary schools and elementary school study centers, selection will be made according to seniority with two exceptions: (i) priority will be given to qualified teachers in Title I schools; (ii) not more than 10 percent of the positions may be filled from applicants who, in the principal's judgment, possess special qualifications, except that this 10 percent limitation shall not apply to teachers who have retention rights in another per session position.

e. For vacation day camps, selection will be made in the following order of priority: (i) classroom teachers with vacation day camp license who have served previously in vacation day camps; (ii) classroom teachers with vacation day camp license who have not served previously in vacation day camps.

In evening high schools, assignments to positions for which there is a compensatory time allowance shall be made in accordance with the same procedures as are provided for such assignments in the day high schools in Article Seven of this Agreement.

6. Reduction in Per Session Positions

If the number of per session positions in an activity is reduced, teachers will be released on the basis of least seniority in the activity. If positions are subsequently restored within a year in the per session activity teachers shall be reemployed on the basis of seniority.

7. Teacher Files

The procedures of Article Twenty-One A entitled "Teacher Files" shall apply to teacher files maintained for their per session employment.

8. Sabbatical Leave

Teachers whose sabbatical leave begins August 1 will complete the per session activity in which they are serving, but may not return to the activity until the summer following completion of the sabbatical.

D. Consultation

The head of each per session activity, or his/her representative, and the Union committee for the activity shall meet once each term in non-working hours to consult on matters of policy involving the professional interests of the per session teachers and on questions relating to the implementation of this Agreement.

4. Teachers on regular appointment called to military duty will be credited upon their return with the same sick leave allowance for the period of their military service as they would have been entitled to in school service.

5. Teachers on regular appointment whose licenses are terminated will be credited with 120/200 of their unused cumulative reserves if they then serve as regular substitutes, or if appointed anew, with their unused cumulative reserves.

6. Employees of the City University of New York who transfer as regularly appointed teachers to the Board shall have their cumulative reserves transferred and credited to them, but not in excess of the maximum number of days creditable in this system.

7. Unused sick leave accumulated as a per diem substitute shall be transferable to the teacher's "bank" as a regular substitute or appointed teacher.

8. Unused leave accumulated as a paraprofessional or substitute vocational assistant or teacher's assistant shall be transferable to the teacher's "bank" as a regular substitute or an appointed teacher.

9. A teacher on regular appointment who has exhausted his/her cumulative sick leave may borrow up to 20 days of additional sick leave. However, in order to assure that borrowed sick leave is repaid, the employee may be required to sign an appropriate document prepared by the Board acknowledging a legal obligation to repay upon the cessation of service. For purposes of this provision "cessation of service" shall mean resignation, retirement, termination for cause or death.

10. Sick leave privileges shall extend to the taking of annual physical checkups or the taking of annual laboratory tests. Such absences shall be limited to one day in each school year.

11. Teachers on regular appointment shall be granted absence refunds for illness on application, without a statement from a physician, for a total of no more than 10 days in any school year. Teachers will be allowed to use three of such 10 days of sick leave for personal business provided that reasonable advance notice is given to the head of the school.

Effective September, 2002, teachers may use two of the three days allowed for personal business in any school year for the care of ill family members. For the purpose of this provision, family member shall be defined as: spouse; natural, foster or step parent; child; brother or sister; father-in-law; mother-in-law; any relative residing in the household; and domestic partner, provided such domestic partner is registered pursuant to the terms set forth in the New York City Administrative Code Section 3-240 et seq. Days off for personal

business are intended to be used only for personal business which cannot be conducted on other than a school day and during other than school hours.

12. Regular substitute teachers shall be granted absence refunds for illness on application, without a statement from a physician, for no more than five days in one school term. However, regular substitute teachers who serve two terms in one school year shall be granted a total of no more than 10 such absence refunds during the two terms, three of which may be used for personal business provided that reasonable advance notice is given to the head of the school. Effective September, 2002, regular substitute teachers may use two of the three days allowed for personal business in any school year for the care of ill family members. For the purpose of this provision, family member shall be defined as: spouse; natural, foster or step parent; child; brother or sister; father-in-law; mother-in-law; any relative residing in the household; and domestic partner, provided such domestic partner is registered pursuant to the terms set forth in the New York City Administrative Code Section 3-240 et seq. Days off for personal business are intended to be used only for personal business which cannot be conducted on other than a school day and during other than school hours.

13. Teachers covered by the Workers' Compensation Law may receive full pay for the first five days of absence resulting from injury which they claim was sustained in the course of their employment. Subject to the limitations of Workers' Compensation Law, such absence may be charged against sick leave reserve if the teacher submits a doctor's certificate as required under the by-laws of the Board.

14. Teachers serving in schools shall not suffer loss of sick bank days for absence due to illness from the following children's diseases: rubeola (measles), epidemic parotitis (mumps), and varicella (chicken pox). It is understood that this paragraph does not apply to rubella (german measles).

15. The Board will approve absences without loss of sick bank days for teachers who contract Hepatitis B as a result of working with children who have been evaluated as presenting a substantial risk of exhibiting acting out behavior.

16. Employees who are absent due to allergic or positive reaction from a skin test shall not suffer loss of sick bank days.

17. Teachers who resign or retire shall, upon application, receive termination pay on a basis of one half of up to 200 days of the unused sick leave accumulated as a regularly appointed or regular substitute teacher. If the resignation or retirement becomes effective at any time other than the end of a school year, sick leave for the period of service during that school year shall be paid at the rate of one day for each two full months of service. Effective upon ratification and adoption of this Agreement termination pay pursuant to this provision shall be paid in three equal cash installments payable two months, fourteen months and twenty six months following his/her termination date.

18. The estate of a teacher who dies during the term of this contract shall receive termination pay calculated on the same basis. This paragraph shall not apply to those

teachers who are presumed to have retired on the day immediately preceding their death pursuant to Section 13-545 of the Administrative Code of the City of New York, as amended.

19. Absence for illness after September 1, 1967, will be charged on a day-for-day basis to any unused sick leave accumulated prior to September 1, 1967.

20. Absence immediately prior to resignation shall be paid on the same basis as termination pay.

21. Employees on sabbatical leaves of absence shall not accrue days in their cumulative absence reserves for the period of the sabbatical leave.

B. Sabbatical Leaves

1. Teachers on regular appointment will be eligible for a sabbatical leave for study or restoration to health after each 14 years of service. The first 14 years of service may include a maximum of three years of substitute service for which salary credit was granted. Courses for study sabbatical shall be job related in accordance with criteria established by the Chancellor.

2. Approval of the school medical director is required for all sabbaticals for restoration to health. Teachers on regular appointment who have less than 14 years of service will be eligible for a "special sabbatical leave for restoration to health" after seven years of service on regular appointment.

A "special sabbatical leave for restoration of health" shall be for a period of six months, beginning on August 1 and ending on January 31 of the following year or beginning on February 1 and ending July 31 of the same year. However, a "special sabbatical leave for restoration of health" may be taken for a period of at least one month but less than six months under the following circumstances:

a. The teacher meets all the eligibility criteria for a six-month "special sabbatical leave for restoration of health."

b. The teacher has exhausted his/her cumulative absence reserve.

c. The school medical director will determine when the teacher is fit to return to duty. The superintendent will return the teacher to his/her assignment in the school as soon as possible, but in no event later than the beginning of the next marking period following the date of return determined by the school medical director, unless there is a valid educational reason for a different assignment in the school.

d. The teacher will be deemed to have exhausted years of service for sabbatical eligibility based upon the formula.

Calendar Days of Leave x 7 years

3. A sabbatical leave shall be for a period of one year, beginning on August 1 and ending on July 31 of the following year.

4. Teachers on regular appointment serving in high schools organized on a semi-annual basis or in junior high or intermediate schools will be eligible for sabbatical leaves for study beginning February 1 and ending July 31 of the same year, after each seven years of service on regular appointment.

5. A teacher on sabbatical leave of absence shall receive compensation at the rate of seventy (70) percent of the teacher's regular salary. The sabbatical leave pay of teachers who receive a bonus shall be based upon their annual salary and the amount of the annual bonus received. The sabbatical leave pay of teachers who receive a license salary differential shall be based upon their annual salary and the amount of the license differential.

6. Teachers on special sabbatical leave for restoration of health (as defined in paragraph 2 above) shall receive compensation at the rate of sixty (60) percent of their regular salary during such leave. The pay for the "special sabbatical leave for restoration of health" (as defined in paragraph 2 above) of teachers who receive a bonus shall be based upon their annual salary and the amount of the annual bonus received. The pay for the "special sabbatical leave for restoration of health" of teachers who receive a license salary differential shall be based upon their annual salary and the amount of the license differential.

7. Teachers serving a probationary period in a second license within the bargaining unit shall be permitted to take a sabbatical leave of absence or a "special sabbatical leave for restoration of health" (as defined in paragraph 2 above) during such period if they are otherwise eligible; however, there shall be no reduction, by reason of such leave, of the total probationary period which they are required to serve.

8. An application for a sabbatical leave of absence or for a "special sabbatical leave for restoration of health" (as defined in paragraph 2 above) will not be denied to an eligible teacher unless the leave would be contrary to applicable regulations. When the number of eligible applicants in any school or organizational unit exceeds the number of sabbatical leaves and "special sabbatical leaves for restoration of health" (as defined in paragraph 2 above) permissible under applicable regulations, applications shall be granted in the school or organizational unit in order of the city-wide seniority of the applicants. For this purpose, in the case of applications for sabbatical leave, seniority shall be determined by the number of years of service usable for eligibility for sabbatical leave, minus the years required for each sabbatical leave or "special sabbatical leave for restoration of health" (as defined in paragraph 2 above) already taken.

9. In accordance with the LOBA determination and award in Case No. IA-1-85, the sabbatical cap shall be 5%. Notwithstanding the 5% sabbatical cap, the taking of a sabbatical shall not cause a hardship in any department or subject area.

10. In accordance with the LOBA determination and award in Case No. IA-1-85, sabbaticals shall be conditional upon the employee remaining in the New York City school system for two (2) years after the employee's return. Sabbaticals of six months or less shall be conditional upon the employee remaining in the New York City school system for one (1)

year after the employee's return. Failure to comply with the applicable return provision shall make the employee liable to the New York City Board of Education for the salary that the employee received during the sabbatical period. If upon return from sabbatical, the services of the employee are terminated during the applicable return period, the requirement for any refund shall be eliminated. If an employee is unable to return from a sabbatical or is unable to complete the applicable service requirement upon return from a sabbatical due to a medical incapacity which has developed since the commencement of the sabbatical, such employee shall receive a hardship exception to this return provision. Such hardships shall be reviewed and approved by the Board's Medical Bureau on a case-by-case basis.

C. Special Study Sabbaticals To Achieve Certification

1. Teachers on regular appointment may apply for a special one year or six month sabbatical leave of absence for study to be granted for the following purposes:

a. Study to meet certification requirements for a license designated by the Board of Education and the Union as a shortage area; and/or

b. Study to become certified in the license appropriate to the teacher's current assignment.

The Board and the Union will meet annually to decide the number of these special sabbatical leaves of absence for study to be granted depending on the funds available for this purpose.

2. These special sabbatical leaves of absence for study will be granted to the senior applicants with priority for those who need 16 credits or less to complete certification.

3. This special sabbatical leave of absence for study may be for a period of one year or for a period of six months. One year special sabbatical leaves of absence for study begin on August 1 and end on July 31 of the following year. Six month special sabbatical leaves of absence for study begin on August 1 and end on January 31 of the following year or begin on February 1 and end on July 31 of the same year.

4. A teacher on special sabbatical leave of absence for study shall receive compensation at the rate of seventy (70) percent of the teacher's regular salary. The sabbatical leave pay of teachers who receive a bonus shall be based upon their annual salary and the amount of the annual bonus received. The sabbatical leave pay of teachers who receive a license salary differential shall be based upon their annual salary and the amount of the license differential.

5. A teacher who receives this special sabbatical leave of absence for study will commit to completing certification and will accept assignment to teach in the license area for a minimum of two years.

6. The Board and the Union will jointly seek funding to provide tuition reimbursement for teachers on these sabbaticals.

7. These special sabbatical leaves of absence for study are not subject to the five percent cap, but shall count as used sabbaticals in determining eligibility for any future sabbatical.

8. The substitute service creditable toward sabbatical leave eligibility pursuant to paragraph 1 of Section B above may be applied to a twelve month special sabbatical leave of absence for study. Furthermore, such substitute service, if otherwise creditable toward sabbatical leave eligibility, shall not be lost or diminished as a result of taking a six-month special sabbatical leave of absence for study.

9. Administrative procedures for the effectuation of these provisions are to be formulated by the Board in consultation with the Union.

D. TB Sabbaticals

Teachers excused from service by the Board of Health of the City of New York because of tuberculosis may be granted up to five terms of sabbatical leave. Approval of the School Medical Director is required. Sabbaticals of this type are granted without reference to other regulations at the rate applicable to special sabbatical leaves for restoration of health.

E. Leaves of Absence Without Pay

1. Purposes for Which Granted

Leaves of absence without pay shall be granted upon application to teachers on regular appointment for the following purposes:

- a. Study related to the teacher's license field;
- b. Study to meet eligibility requirements for a license other than that held by the teacher;
- c. Acceptance of a teaching position in a foreign country for one year, with such leave renewable for an additional year. Such teaching position shall be sponsored or approved by the government of the United States.

The Board will recommend to the Teachers' Retirement Board the granting of retirement credit for the duration of the aforesaid leaves.

Teachers may be granted a leave of absence without pay of up to two years to adjust personal affairs (such as the winding up of a family business on the death or incapacitation of the family member in charge) in accordance with existing rules and regulations. The teacher may consult with the Union with respect to the matter. Teachers who are denied such a leave may refer the matter to the Chief Executive of the Division of Human Resources for review and final determination.

"Urgent needs" of the school to which the teacher is assigned may be asserted by the Board as justifying a temporary denial of any application for leave without pay.

Through at least July 31, 1995, the Board will implement a liberal policy concerning the granting of leaves of absence without pay to UFT bargaining unit members who meet the stated criteria for such leaves. Bargaining unit members who are denied such a leave at the school or district level may appeal to the Chief Executive of the Division of Human Resources, for review and final determination.

2. Per Diem Service While on Leave

Teachers on maternity leave and teachers on leave of absence without pay for study and related professional experience shall be permitted to perform per diem teaching service.

F. Military Service Pay

Teachers called for selective service physical examination shall be excused without loss of pay for such purpose.

2. Pay During Military Service

H. Vocational High School Externship Program

The Board and the Union agree that the following conditions apply to teachers who participate for up to one semester in the Vocational High School Teacher Externship Program ("Program") to upgrade their skills:

1. Participation in the Program shall be on a voluntary basis, by application following posting in the school of the qualifications required, identification of the sites where and the time schedule for the training. A copy of the agreement will also be made available.

2. Priority for selection shall be to the teacher(s) in whose room(s) the equipment is being installed for which skills upgrading is being offered through the Program. Thereafter preference shall be to the qualified teacher with the highest seniority in the school who applies (or intends to apply) for the particular shop, if not inconsistent with the needs of the school.

3. During and after participation in the Program the teacher will continue in his/her position at the High School of Graphic Communication Arts, or other participating vocational high school, subject to the provisions of the collective bargaining agreement.

4. While participating in the Program the teacher will be relieved of classroom and other school based professional responsibilities.

5. All compensation, seniority and benefits applicable to the teacher shall continue to accrue during the time he/she is participating in the Program.

6. Participation in the Program shall be within the work day set forth in Article 6A of the Agreement, Monday through Friday, and in accordance with the Board calendar with respect to holidays, recesses and vacations.

7. Teachers may continue to work in per session programs that do not interfere with their attendance in the Program. If a teacher is unable to continue the per session job due to conflict with the Program's schedule of hours, his/her retention rights in the per session job will be treated as though he/she were on sabbatical leave.

8. Participation in the Program is conditioned upon the teacher remaining in the school system for at least two years after completion of the externship and accepting assignments in his/her school using the upgraded skills. But this provision shall not entitle the Board to involuntarily transfer the teacher except as authorized under the collective bargaining agreement. Similarly, the teacher may not transfer out of the school during the two year period. Failure to comply with this return requirement shall be treated in all respects as provided in Article 16 B10.

9. The Board and the Union strongly recommend that the teacher's professional activity following participation in the Program consist of development of skills and/or materials reflective of the externship.

10. Teachers who wish to earn differential credit based on their participation in the Program shall develop and submit a work/study plan including a final project that reflects what was learned and is applicable to classroom instruction and practice. Three "G" credits will be granted in accordance with Board policy upon successful completion of the work/study plan, including evaluation of the project and payment of a \$100 registration fee.

RETENTION, EXCESSING AND LAYOFF

A. Retention of Assignment-Regular Substitutes

1. A regular substitute who, upon completion of one year of service in a school, has been notified in writing by the principal that he/she will be reassigned in that school for the following school year shall be assigned for the following school year to a regular substitute opening in that school unless the opening has ceased to exist. In the event that the opening has ceased to exist, the substitute shall be given at least fourteen (14) days notice prior to the beginning of the following school year that the opening has ceased to exist and that

he/she will not be reassigned to the school. If such notice is not given and the substitute has not been assigned to another school, the community or assistant superintendent in charge of the school will provide the substitute with the opportunity during the first twenty (20) days of the following school year to perform per diem service available in the district. The opportunity to perform such service will be provided for a number of days, not to exceed ten (10), equal to the difference between fourteen (14) days and the actual number of days notice given to the substitute prior to the beginning of the school year.

2. Regular substitute teachers with more than one year of continuous satisfactory service in a school shall have priority for retention in that school according to their length of service in the school. If it becomes necessary to terminate the services of a regular substitute with more than one year of continuous satisfactory service in a school by reason of appointment, or return from leave or other absence of a regular teacher, or by reason of contraction in the school organization, the regular substitute teacher with the least service in the school will be the first to be released.

3. Where a CPT has been released because the position in the school has ceased to exist, that CPT will have priority for assignment to an unencumbered vacancy in the district. If no such position exists in the district, the Board will place the CPT in a position within the district held by a PPT who has less than one year of continuous satisfactory service in any school within the district. If no PPT in the district has less than one year of such service, the CPT will be placed in an available position within the school system.

4. The seniority rules hereby established shall be applied on the basis of license held, except that elementary school teachers of common branches and early childhood will be grouped together and elementary school teachers of common branches (bilingual) and early childhood (bilingual) according to language will be grouped together for these purposes. Effective September, 2002, licensed teachers of CRMD, EH, HC and Special Education will be grouped together and licensed teachers of CRMD (bilingual), EH (bilingual) HC (bilingual) and Special Education (bilingual) according to language shall be grouped together for purposes of excessing.

5. Regular substitutes teaching out-of-license shall be given preference, on the basis of seniority in the school, over outside applicants for any position in license which becomes available in the school at the beginning of the school year or the school term.

6. A regular substitute whose services must be terminated at any time before the last two weeks of the term by reason of appointment, or return from leave or other absence of a regular teacher, or by reason of contraction in the school organization shall be given ten (10) school days notice of the termination and the reason therefor. If such notice is not given, the community or assistant superintendent in charge of the school will provide the substitute with an opportunity to perform per diem service available in the district or in a high school for a number of days equal to the difference between ten (10) days and the actual number of days notice given.

7. Regular substitute teachers who have completed one term or more of service in a school and who will not be rehired in that school for the following term shall be given five (5) days notice before the end of the term that they will not be rehired.

8. Regular substitutes are to be given ten (10) school days notice of discharge, except in cases of emergency.

If no senior teacher volunteers, the following excessing rules shall be adhered to in all levels.

Rule 1. Within the school, district or other organizational unit, the teacher with the least seniority within license will be the first to be excessed, and probationers will be excessed before those who have completed probation; except that elementary school teachers of common branches and early childhood will be grouped together and elementary school teachers of common branches (bilingual) and early childhood (bilingual) according to language will be grouped together for purposes of excessing. Effective September, 2002 licensed teachers of CRMD, EH, HC and Special Education will be grouped together, and licensed teachers of CRMD (bilingual), EH (bilingual), HC (bilingual) and Special Education (bilingual) according to language will be grouped together for purposes of excessing.

For purposes of excessing only: (i). Any one or more F Status positions within a license that equals 1.0 FTE (i.e. positions equaling 5 days a week) will be considered a single position (if in one school) or a single position on split assignment (if in different schools within a district). (ii) Prior to an employee being excessed out of a district s/he will be offered the position described in the preceding sentence. (iii) Notwithstanding the restrictions in this paragraph, a school will be allowed to create or maintain the F status positions described in (i) in order to accommodate a hardship for a previously appointed pedagogogue or because of the particular needs of the program.

Rule 1-A. To minimize excessing in elementary schools, a junior teacher of common branches or early childhood who has a bilingual ancillary certificate may be retained in the school if no senior teacher of common branches or early childhood has the qualifications to teach a bona fide bilingual class. For this purpose, a bilingual class is one where the majority of students are classified as limited English proficient (LEP) in accordance with the Chancellor's regulations.

Rule 1-B. To minimize excessing, a junior teacher serving in a special education program under a non-special education license who has met the qualifications set forth in Chancellor's Regulation C-311 or C-312 may be retained in the school if no senior teacher in the same license who meets the qualifications set forth therein volunteers to serve in the special education program.

Rule 1-C. To minimize excessing, a junior teacher serving in a resource room or SETSS position may be retained in the school if no senior teacher in the same license who meets the city-wide qualifications volunteers to serve in the resource room or SETSS position.

Rule 2. In determining the seniority of a teacher for purpose of excessing, layoff seniority shall apply.

Rule 2-A. A teacher whose seniority just prior to appointment was determined pursuant to Rule 3, 3A, 3B, 3C, 3F or 3G to be in the same license as present regular appointment shall be deemed to have completed probation in the license for purpose of these excessing rules only.

Rule 3. Except as otherwise provided in Rule 3-G, where teachers of common branches are serving in the junior high schools and intermediate schools and have taught most of their time for three years in a subject area, they shall be considered for seniority purposes with licensed probationary teachers of the subject in which they have taught for the most recent three years.

Rule 3-A. Except as otherwise provided in Rule 3-G, where teachers have served under a high school license in the junior high schools and intermediate schools for three years they shall be considered for seniority purposes with licensed probationary junior high school teachers in the subject area of their license.

Rule 3-B. Except as otherwise provided in Rules 3-C and 3-G, where secondary teachers are serving in elementary schools and have served for three years in the school or for five years at the elementary level, they shall be considered for seniority purposes with licensed probationary teachers of common branches and early childhood.

Rule 3-C. Except as otherwise provided in Rule 3-G, where teachers have served for three years in the elementary schools under a secondary school license for which there is an elementary school license in the same subject area, they shall be considered for seniority purposes with licensed probationary elementary school teachers in the subject area of their license.

Rule 3-D. Teachers serving in Resource Rooms or SETSS positions in the school shall be grouped for seniority purposes and the Resource Room or SETSS teacher with the least seniority will be the first to be released from the Resource Room or SETSS in the school; except that Resource Room teachers and SETSS teachers who have served less than three years in Resource Rooms and SETSS will be released before those who have completed three years in Resource Rooms and SETSS.

Rule 3-E. Where teachers are serving in a Special Education program under a Special Education license which is inappropriate for the program, they shall be grouped regardless of program for purposes of excessing, and such out-of-license teachers shall be excessed in reverse seniority order before any appropriately licensed teacher is excessed.

Where teachers are serving in a Special Education program under a non-Special Education license and possess valid New York State certification in Special Education, they shall be grouped together regardless of program and excessed in reverse seniority order before any Special Education licensed teacher is excessed; and teachers serving under non-Special Education licenses, lacking valid New York State certification in Special Education, shall be grouped together regardless of program and excessed in reverse seniority order

before any teacher who possesses a valid New York State certification in Special Education is exceeded.

Rule 3-F. These excessing rules will apply to the excessing of teachers from the non-public school program, except that for purposes of excessing teachers from the corrective mathematics component common branches and junior high school mathematics licenses shall be grouped.

Rule 3-G. After October 1, 1987, teachers whose seniority on September 30, 1987 was determined pursuant to former Rule 5, 5A, 5B or 5C to be in a particular license shall be deemed to have completed probation in that particular license for purposes of excessing hereunder.

Rule 3-H. Teachers serving pursuant to an academic license where few opportunities exist for a full program in the license area will be considered for seniority purposes along with licensed teachers of the subject in which they have taught for the most recent three years. A list of license areas subject to excessing under this Rule will be made jointly by the Board and the Union, who will review the listed licenses every two years. Should the parties agree that opportunities for a full program in any listed license are sufficient, it will be removed from the list, and this excessing Rule will no longer apply to holders of the license.

Rule 3-I. For purposes of excessing from a school or site, teachers serving under the new Pre-K-12 arts licenses will be grouped with teachers serving under secondary licenses in the same specific arts areas, and the least senior teacher in the specific arts area will be exceeded to a vacancy if one exists at the same level within the district/ superintendency. If there is no vacancy at the same level, the teacher will be offered the option to be exceeded to a vacancy at a different level within the district/superintendency if one exists. If no such vacancy exists or if the option is not exercised, the teacher shall be exceeded to a vacancy within the region.

Rule 4. Teachers in excess in a school unit or office under the jurisdiction of a community district must be placed in vacancies within the district to the fullest degree possible. For school units, districts, or other organizational units under the jurisdiction of the central board, teachers in excess must be placed in appropriate vacancies within the district or central office or if no such vacancy exists, within the region.

Rule 5. To minimize movement of personnel, exceeded teachers shall be placed within the district/superintendency in appropriate openings or vacancies. If there are no openings or vacancies in the district/superintendency, the teacher shall be exceeded from the district to a vacancy in the region.

Rule 6. The central board has the responsibility for placing teachers who are exceeded from a school or office and cannot be accommodated by their own district/superintendency, if vacancies exist, within the region. Where possible, the wishes of the teacher will be taken into account in his/her placement by the central board. Should a city-wide excess condition, as defined in Section 2588 3 (a) of the Education Law, occur Section D of this Article shall apply.

Rule 7. When a teaching position in central headquarters is abolished, the occupant of that position is excessed, and he/she shall be granted the same rights for placement as a teacher who is excessed from a community district.

Rule 8. A teacher who has been excessed to another school may request an opportunity to return to the school from which he/she was excessed if within a year a vacancy should occur in that school. Such a request will have priority over any other transfer or appointment to that vacancy, and it shall be effectuated at the next reorganization of the school to which the teacher is returning, except that should the vacancy occur within ten school days after the teacher is excessed, he/she shall be informed of the vacancy and he/she may return to the school immediately. The opportunity to return of a teacher released or excessed from a Resource Room or SETSS position is to a Resource Room or SETSS vacancy in the school from which the teacher was released or excessed.

Rule 9. A teacher under the jurisdiction of the Special Education District Superintendent who is excessed from an elementary or junior high school shall be placed within license in a vacancy under the jurisdiction of the central board located within the community school district. If no such vacancy in his/her license exists in the community school district, the teacher will be placed in an appropriate vacancy within the region. When possible the wishes of the teacher will be taken into account in his/her placement by the central board. Should a city-wide excess condition, as defined in Section 2588 3 (a) of the Education Law, occur Section D of this Article shall apply.

Rule 9-A. If an excessing situation exists in the Resource Room Program in a school or unit other than a high school, the Resource Room teacher in the school or unit with the least seniority, determined pursuant to Rule 3-D will be the first to be excessed to a Resource Room vacancy located within the boundaries of the community school district or at the option of the teacher to a position in license in the school in accordance with seniority.

If an excessing situation exists in the Resource Room Program in a high school, the Resource Room teacher in the high school with the least seniority, determined pursuant to Rule 3-D will be the first to be excessed from the high school to a High School Resource Room vacancy within the superintendency or at the option of the teacher to a position in license in the school in accordance with seniority.

Rule 9-B. Notwithstanding any other Rule except Rule 10 governing excessing, teachers serving in special education programs may remain in a school, where they are subject to excessing provided they are senior (under the applicable Rule) to another teacher in the school.

Rule 10. Teachers at all levels who have served 20 years or longer on regular appointment shall not be excessed except for those in neighboring schools who are excessed to staff a newly organized school.

Rule 11. Unless a principal denies the placement, an excessed teacher will be placed by the Board into a vacancy within his/her district/superintendency; or if such a vacancy is not available, then in a vacancy within his/her region. The Board will place the excessed teacher

who is not so placed in an ATR position in the school from which he/she is excessed, or in another school in the same district or superintendency.

Rule 12. Teachers identified as being at risk of being excessed at the commencement of the following school year will be informed of this no later than June 15, or as soon as is practicable if identified as being at risk of excess after June 15. The deadlines for excessing teachers will continue to be governed by applicable law.

C. Appointment to New Program, License or Title

Teachers who are displaced by the establishment of a new program, license or title shall be given an opportunity to present their qualifications and if found qualified shall be given preference for appointment to such new program, license or title.

D. Layoff

1. If a city-wide excess condition causes a layoff of staff in any licensed position, applicable provisions of law will be followed to determine the staff members to be laid off, without fault and delinquency with the understanding that said member of staff is to be placed on a preferred list for reinstatement to his/her former position.

2. Employees on layoff who may be placed on a preferred list in another license other than the one in which they are laid off will be so placed.

E. Tipping

Beginning the Spring term in 1992 education funds in the Mayor's Safe City/Safe Streets Program will be utilized to eliminate tipping by establishing a dispute resolution program staffed by teachers.

TRANSFERS AND STAFFING

The Board and the Union recognize the need to maintain both staff stability and an equitable balance of experienced and inexperienced teachers in the schools. To meet this need, and to provide opportunities within this framework for teachers to transfer from one school to another, the Board and the Union agree that transfers shall be based upon the following principles:

A. General Transfers

Effective school year 2005-2006, principals will advertise all vacancies. Interviews will be conducted by school-based human resources committees (made up of pedagogues and administration) with the final decision to be made by the principal. Vacancies are defined as positions to which no teacher has been appointed, except where a non-appointed teacher is filling in for an appointed teacher on leave. Vacancies will be posted as early as April 15 of each year and will continue being posted throughout the spring and summer. Candidates (teachers wishing to transfer and excessed teachers) will apply to specifically posted

vacancies and will be considered, for example, through job fairs and/or individual application to the school. Candidates may also apply to schools that have not advertised vacancies in their license areas so that their applications are on file at the school should a vacancy arise.

Selections for candidates may be made at any time; however, transfers after August 7th require the release of the teacher's current principal. Teachers who have repeatedly been unsuccessful in obtaining transfers or obtaining regular teaching positions after being excessed, will, upon request, receive individualized assistance from the Division of Human Resources and/or the Peer Intervention Program on how to maximize their chances of success in being selected for a transfer.

B. Hardship Transfers

In addition to the vacancies available for transfer pursuant to Section A of this Article, transfers on grounds of hardship shall be allowed in accordance with the following:

Transfers of teachers after three years of service on regular appointment may be made on grounds of hardship on the basis of the circumstances of each particular case, except that travel time by public transportation of more than one hour and thirty minutes each way between a teacher's home (or City line in the case of a teacher residing outside the City) and school shall be deemed to constitute a "hardship" entitling the applicant to a transfer to a school to be designated by the Division of Human Resources which shall be within one hour and thirty minutes travel time by public transportation from the teacher's home, or City line in the case of a teacher residing outside the City.

C. Voluntary Teacher Exchange

The Chancellor shall issue a memorandum promoting the exchange of new ideas and methodology and encouraging teachers to share their special skills with students and colleagues in other schools. To facilitate achievement of this goal, the Board and the Union agree to allow teachers to exchange positions for a one year period provided that the principals of both schools agree to the exchange. The exchange may be renewed for an additional one year period. For all purposes other than payroll distribution, the teachers will remain on the organizations of their home schools.

D. Staffing New or Redesigned Schools

The following applies to staffing of new or redesigned schools ("Schools")

1. A Personnel Committee shall be established, consisting of two Union representatives designated by the UFT President, two representatives designated by the community superintendent for community school district schools or by the Chancellor for schools/programs under his/her jurisdiction, a Principal/or Project Director, and where appropriate a School Planning Committee Representative and a parent.

2. For its first year of operation the School's staff shall be selected by the Personnel Committee which should, to the extent possible, make its decisions in a consensual manner.

3. If another school(s) is impacted (i.e., closed or phased out), staff from the impacted school(s) will be guaranteed the right to apply and be considered for positions in the School. If sufficient numbers of displaced staff apply, at least fifty percent of the School's pedagogical positions shall be selected from among the appropriately licensed most senior applicants from the impacted school(s), who meet the School's qualifications.

4. Any remaining vacancies will be filled by the Personnel Committee from among transferees, excesses, and/or new hires. In performing its responsibilities, the Personnel Committee shall adhere to all relevant legal and contractual requirements including the hiring of personnel holding the appropriate credentials.

UNION ACTIVITIES, PRIVILEGES AND RESPONSIBILITIES

A. Restriction on Union Activities

No teacher shall engage in Union activities during the time he/she is assigned to teaching or other duties, except that members of the Union's negotiating committee and its special consultants shall, upon proper application, be excused without loss of pay for working time spent in negotiations with the Board or its representatives.

B. Time for Union Representatives

1. Chapter leaders shall be allowed time per week as follows for investigation of grievances and for other appropriate activities relating to the administration of the agreement and to the duties of their office:

a. In the elementary schools, four additional preparation periods.

b. In the junior high schools, and in the high schools, relief from professional activity periods. In the junior high schools, chapter leaders shall be assigned the same number of teaching periods as homeroom teachers.

c. The Union shall inform the Board each school year of the UFT chapter leaders in large high schools who shall be relieved of one teaching period per day to perform the duties and responsibilities of their chapter leader positions. The Union shall reimburse the Board for each such chapter leader who is so relieved at the rate of twenty percent of the total employer cost of an entry level teacher, as more fully set forth in a separate memorandum between the parties.

In addition to their other responsibilities, the duties and responsibilities referred to herein specifically include those associated with the implementation of contractual provisions and Board policy encouraging greater involvement of UFT-represented staff in various professional initiatives. It is expected that UFT chapter leaders will play a vital role in implementing these initiatives.

d. In those special education schools, buildings or sites formerly known as the special day schools, day treatment centers and institutional settings, two additional preparation periods.

e. The Chapter Leader of the Teachers Assigned, Education Administrators and Education Analysts/Officers Chapter shall be allowed one-day per week for the investigation of grievances of employees covered by this Article, and for other appropriate activities relating to the administration of this Agreement and to the duties of his/her office.

2. Consistent with the needs of the school program, the principal in consultation with the school's chapter leader will arrange to provide appropriate space and facilities (including but not limited to a desk, file and chairs) for the use of the school's chapter leader in carrying out the functions of the office.

3. District representatives and Union officers who are assigned to schools shall teach one period per day and shall be excused after their teaching period. They shall also be relieved of all homeroom and official classes.

The Union will reimburse the Board at the applicable coverage rate per period for the loss of three teaching periods each day for district representatives and Union officers.

C. Leaves of Absence for Union Officers

Employees who are officers of the Union or who are appointed to its staff shall, upon proper application, be given a leave of absence without pay for each school year during the term of this Agreement for the purpose of performing legitimate duties for the Union. Employees given leaves of absence without pay shall receive credit toward annual salary increments on the schedules appropriate to their rank. The Board agrees to recommend to the Teachers' Retirement Board that the time spent on leave of absence pursuant to this section be granted as service credit for retirement purposes and that the employees receiving such leave of absence be permitted to pay regular monthly contributions based upon their earnable salaries as members of the teaching staff for the period of such leave.

No more than 32 leaves of absence without pay shall be granted for each school year.

D. Exclusive Check-Off

The Board will honor, in accordance with their terms, only such written authorizations as are properly executed by employees in the unit covered by this Agreement for the deduction of their dues in behalf of the Union.

The Board will honor individual written authorizations for the deduction of Union dues in accordance with their terms, including authorizations stating that they are irrevocable until the following June 30 and automatically renewable for another year unless written notice is given to the Board between June 15 and June 30.

E. Agency Fee Deduction

The Board shall deduct from the wage or salary of employees in the bargaining unit who are not members of the UFT the amount equivalent to the dues levied by the UFT and shall transmit the sum so deducted to the UFT, in accordance with Section 208(3)(b) of Article 14 of CSL. The UFT affirms it has adopted such procedure for refund of agency shop deduction as required in Section 208(3)(b) of Article 14 of CSL. This provision for agency fee deduction shall continue in effect so long as the UFT establishes and maintains such procedure.

The Union shall refund to the employees any agency shop fees wrongfully deducted and transmitted to the Union.

The Union agrees to hold the Board harmless against claims arising out of the deduction and transmittal of agency shop fees where there is a final adjudication by a court or arbitrator or by PERB that said agency shop fees should not have been deducted and/or transmitted to the Union.

The agency shop fee deductions shall be made following the same procedures as applicable for dues check-off, except as otherwise mandated by law or this Article of the Agreement.

F. Bulletin Boards

1. At least one bulletin board shall be reserved at an accessible place in each school for the exclusive use of the Union for purposes of posting material dealing with proper and legitimate Union business.

2. A bulletin board shall be provided at an accessible place in the bureau office for the exclusive use of the homebound teachers chapter leader for purposes of posting material dealing with proper and legitimate Union business.

G. Chapter Meetings

Upon request to the head of the school, the school chapter shall be permitted to meet within the school under circumstances which will not interfere with the instructional program. Such meetings may be held only during the lunch period or before or after school hours, at a place to be assigned by the head of the school, where other teachers or children are not present. Union officials may attend such meetings.

H. Consultation with the Union

1. The Chancellor or his/her designated representative shall meet and consult once a month during the school year with representatives of the Union on matters of educational policy and development and on other matters of mutual concern.

2. The community or high school superintendent shall meet and consult once a month during the school year with representatives of the Union on matters of educational policy and development and on other matters of mutual concern.

Meetings for teachers of the "400" schools will be with the person designated to supervise such schools.

6. The Board and the Union will consult on the special needs of the multiple handicapped pupils in schools for the deaf.

7. The Board and the Union shall establish a committee to review and consider issues raised by the Union relating to contracting-out of bargaining unit work.

I. Information to the Union

1. Lists of vacancies and any lists which may be established by the community school district or by the central board showing seniority of the teachers for purposes of implementing provisions of this Agreement shall be made available to the Union. In individual cases specific information as to seniority will be made available to the Union upon request.

2. Copies of all official Board circulars and directives shall be sent to the Union.

With respect to matters not covered by this Agreement which are proper subjects for collective bargaining, the Board agrees that it will make no changes without appropriate prior consultation and negotiation with the Union.

The Board will continue its present policy with respect to sick leave, sabbatical leaves, vacations and holidays except insofar as change is commanded by law.

All existing determinations, authorizations, by-laws, regulations, rules, rulings, resolutions, certifications, orders, directives, and other actions, made, issued or entered into by the Board of Education governing or affecting salary and working conditions of the employees in the bargaining unit shall continue in force during the term of this Agreement, except insofar as change is commanded by law.

DUE PROCESS AND REVIEW PROCEDURES

A. Teacher Files

Official teacher files in a school shall be maintained under the following circumstances:

1. No material derogatory to a teacher's conduct, service, character or personality shall be placed in the files unless the teacher has had an opportunity to read the material. The teacher shall acknowledge that he/she has read such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its content. However, an incident which has not been reduced to writing within three months of its occurrence, exclusive of the summer vacation period, may not later be added to the file.

2. The teacher shall have the right to answer any material filed and his/her answer shall be attached to the file copy.

3. Upon appropriate request by the teacher, he/she shall be permitted to examine his/her files.
4. The teacher shall be permitted to reproduce any material in his/her file.
5. Members may not grieve material in file. However, the teacher shall have the right to append a response to any letter. If disciplinary charges do not follow, the letter and response shall be removed from the file three years from the date the original material is placed in the file.
6. The following issues shall not be the basis for discipline of pedagogues: a) the format of bulletin boards; b) the arrangement of classroom furniture; and c) the exact duration of lesson units.

B. Counseling Memos

Effective September, 2002, supervisors may issue counseling memos. Counseling memos are not disciplinary. Counseling memos provide the opportunity for supervisors, in a non-disciplinary setting, to point out to employees areas of work that the supervisor believes need improvement. Counseling memos should include the supervisor's proposals for how such improvement may be achieved. Any employee who receives a counseling memo may request from the supervisor either suggestions for how to improve or requests for the supervisor to model such improvement for the member. Counseling memos are a vehicle for supportive improvement.

1. A counseling memo may only be written to an employee to make him/her aware of a rule, regulation, policy, procedure, practice or expectation. A counseling memo cannot include any disciplinary action or threat of disciplinary action.
 - a. "Counseling Memo" must appear at the top of the memo in bold print and capital letters. At the conclusion of the memo the following must appear in bold print:

"A counseling memo is not disciplinary in any manner and cannot be used in action against an employee except to prove notice if the employee denies notice." If the language required in a) is not included in the memo, it must be added.
 - b. A counseling memo must be presented to an employee within one (1) month of the latest incident recounted in the memo. The memo may only reference similar prior incidents that occurred no more than four (4) months from the date of the latest incident.
2. Counseling memos may not be used in any action or evaluation involving an employee in the bargaining unit ("U" rating, per session job, etc.) except to establish that the employee who denies knowledge of a rule, regulation, policy, procedure, practice or expectation was given prior notice of it, or to impeach factual testimony.
 - a. Counseling memos may not be used in the rating of an employee in the bargaining unit.
 - b. Counseling memos may not be referred to in, or attached to, any other letter sent to an employee for their official school file.

3. Counseling memos may not be grieved.

Any employee who receives a counseling memo shall have the right to answer within one (1) month of receipt of the counseling memo and the answer shall be attached to the file copy of the counseling memo.

4. All counseling memos will be permanently removed from employee's official school files three (3) years after the latest incident referred to in the memo.

C. Summons

1. A teacher summoned by the principal to a conference which may lead to disciplinary action for reasons of misconduct may be accompanied, at his/her option, by the chapter leader or his/her designated alternate.

2. Teachers summoned to the office of a community or high school superintendent or to the Division of Human Resources shall be given two days notice and a statement of the reason for the summons, except where an emergency is present or where considerations of confidentiality are involved.

Whenever an employee is summoned for an interview for the record which may lead to disciplinary action, he/she shall be entitled to be accompanied by a representative who is employed by the city school system, or by an employee of the Union who is not a lawyer, and he/she shall be informed of this right. However, where the community or high school superintendent or the Division of Human Resources permits an attorney who is not a member of the city school system to represent any participant in the interview, the employee shall be entitled to be represented by an attorney. An interview which is not held in accordance with these conditions shall not be considered a part of the employee's personnel file or record and neither the fact of the interview nor any statements made at the interview may be used in any subsequent Board proceeding involving the employee. It is understood that informal conferences, such as those between a community or assistant superintendent and a teacher, or the Division of Human Resources and a teacher, for professional improvement, may be conducted off the record and shall not be included in the employee's personnel file or record.

3. Incidents investigated by the Chancellor or by a governmental investigatory agency must be reduced to writing by the appropriate supervisor within 6 months and 12 months respectively from the date the incident either occurred or should have been discovered by the appropriate school officials. Employees must receive a complete copy of any such writing and an opportunity to answer in writing and to have such response attached. The writing may not be incorporated into the employee's personnel file or record, unless this procedure is followed, and any such writing will be removed when an employee's claim that it is inaccurate or unfair is sustained.[4]

D. Discontinuance of Probationary Service and Appeals of Unsatisfactory Ratings

1. Regular substitutes and teachers on probation, except as provided in subparagraph 2 below, shall be entitled to the review procedures before the Chancellor as prescribed in Section 4.3.2 of the by-laws of the Board of Education.

By-law 4.3.2 procedures for the review of a recommendation by a superintendent for discontinuance of probationary service of a teacher shall be modified to provide for the following:

- a. The 4.3.2 committee shall be a tripartite committee of professional educators, one selected by the teacher, one by the Board and a third selected by the other two from a list agreed upon by the Board and the Union.
 - b. The committee will make an advisory recommendation to the community school board or the Chancellor for central programs within 20 days after the hearing.
 - c. The costs of the teacher's representative shall be paid by the teacher. The costs of the Board's representative shall be paid by the Board. The costs of the mutually selected member of the committee shall be shared by the Board and the teacher.
2. Teachers on probation who have completed at least three years of service on regular appointment in the school shall be entitled, with respect to the discontinuance of their probationary service, to the same review procedures as are established for tenured teachers under Section 3020-a of the Education Law.
 3. Teachers who receive doubtful or unsatisfactory ratings may appeal under Section 4.3.1 of the by-laws of the Board of Education.

E. Suspension

Any teacher who is suspended pending hearing and determination of charges shall receive full compensation pending such determination and imposition of any penalty except as set forth in Article 21G5 and 21G6.

F. Rating "Not Applicable"

A rating of "Not Applicable (NA)" is to be used only in situations where a pedagogical employee is reassigned out of his/her regular assignment for disciplinary reasons. The "NA" rating will apply only for the period of reassignment, cannot be used in any proceeding as evidence of wrongdoing and will not otherwise affect any other rights afforded in the Agreement where ratings are an issue.

G. 3020-a Procedures

Tenured teachers facing disciplinary charges filed, or in the case of Section 1 "Time and Attendance", discipline pursuant to that Section, will be subject to section 3020-a as modified by paragraphs 1-11 below.

1. Time and Attendance

If the Board seeks to discipline a tenured pedagogue regarding absences and/or lateness but seeks a penalty short of termination, the following expedited procedure will apply:

The Board will notify the employee that it intends to bring disciplinary action against the employee pursuant to this section. The Board will include in this notice the employee's

attendance record and any other documentation it intends to introduce at the hearing and a statement that pursuant to this section the arbitrator may award any penalty, or take other action, short of termination.

Within 15 calendar days following this notice, the employee must notify the Board in writing of the nature of his\her defense and submit any documentation s\he intends to submit into evidence as well as a medical release for any medical documents related to such defense.

If either party believes that it requires additional documents, it may request a telephonic conference with the arbitrator.

The expedited hearing will occur within one month of the Board's notification to the employee mentioned above. The hearing will be informal and the normal rules of trial procedure and evidence shall not apply. The arbitrator will issue an award and short decision within 15 calendar days of the hearing. The arbitrator's award will be final and binding on all parties. The award may be introduced in another 3020-a hearing and any findings shall be binding on the 3020-a arbitrator.

One arbitrator, agreed upon between the parties, will hear all absence and lateness cases hereunder. The parties may expand the number of arbitrators if necessary. The arbitrator will hear 4 cases per hearing date on a staggered schedule, but in no situation will one case take more than ½ a day. The parties may expand the number of cases heard in a day if they deem it practical.

2. Rotational Panel

As discussed and agreed upon, all parties would be served better by the implementation of a permanent arbitration panel. The panel members must be agreeable to both sides, however, if the parties cannot agree to a full complement of 20 panel members, additional impartial arbitrators shall be selected by the parties in accordance with the American Arbitration Association (AAA) procedures (strike and rank method) from list(s) provided by the AAA until the desired number (20) is reached to establish such permanent panel.

Panel members shall serve for a maximum of a one-year term. At the expiration of such term, the parties must agree to have arbitrators continue to serve on the panel, and if not, replacement members will be elected by the method outlined above. Removal prior to the end of the one-year term must be for good and sufficient cause upon mutual agreement of the parties.

Any arbitrator who agrees to serve on the rotational panel must agree to the following terms:

a. Each arbitrator selected to serve on this rotational panel must agree to provide five (5) consecutive hearing dates per month for the months of September through June and two (2) hearing dates for the months of July and August. Consecutive days may be construed to mean five (5) dates within two (2) weeks unless otherwise agreed.

b. Arbitrators must provide three (3) dates, within ten (10) to fifteen (15) calendar days from the date the case was assigned to him or her, for a pre-hearing conference. One of the dates shall be at 9:00 a.m. Advocates must accept one (1) of the three (3) dates offered or it will be assumed that the date or dates offered at 9:00 a.m. is (or are) acceptable. Said dates must be in compliance with Education Law Section 3020-a (within 10 to 15 days from the date selected to serve).

c. At the pre-hearing conference, arbitrators must provide and parties must accept five (5) consecutive hearing dates within the statutory timeframe as delineated in Education Law Section 3020-a. Consecutive days may be construed to mean five (5) dates within two (2) weeks unless mutually agreed.

d. The parties are committed to having these cases heard in an expeditious manner. For this reason, absent extraordinary circumstances, arbitrators are not to adjourn hearing dates. It should be noted that normally attorney or party scheduling conflicts are not extraordinary circumstances.

e. In all cases, as delineated in Education Law Section 3020-a the final hearing shall be completed no later than 60 days from the pre-hearing conference and the written decision must be rendered within 30 days from the final hearing date.

f. There is a presumption that charges against the same employee will be consolidated unless the arbitrator finds that to do so would deny a fair hearing. Additionally, in routine matters, any motions must be made and responded to orally. Thereafter, a decision shall be rendered on the issue the same date the motion was made. Should the arbitrator find that written motion practice is necessary, either party reserves the right to respond orally but in no case shall motion practice take place outside the scope of the timelines as outlined in Education Law, Section 3020-a.

Failure to abide by these rules shall be “good and sufficient” grounds for removal of an arbitrator.

3. Expedited Hearings

Prior to the pre-hearing conference, the Board shall determine whether the nature of the case would permit offering Respondent expedited arbitration rather than regular arbitration of the case. If the Respondent accepts the offer of expedited arbitration, the hearing shall proceed in accordance with the expedited procedure set forth below and the Board may not seek a penalty to exceed six (6) months suspension or the equivalent monetary penalty. Should the Respondent reject the offer of expedited arbitration, the case shall proceed in accordance with the regular arbitration proceeding and the Board may seek any penalty including termination.

Where the offer of expedited arbitration was rejected, the arbitrator (or the arbitration panel) shall not be informed of the offer of expedited arbitration nor that the offer was rejected.

Cases heard under the expedited arbitration procedure shall be completed in three (3) consecutive days. Each advocate shall be provided equal time to present his or her

respective case. Cross-examination usually will not go beyond the scope or duration of the direct examination.

During the course of the hearings, should the evidence reveal more serious misconduct than originally charged, the arbitrator, upon his or her initiative, or upon the Board's motion, is empowered for good cause to end the expedited proceeding and order a new, regular arbitration proceeding before a different arbitrator. At the regular arbitration, the Board may seek any penalty including termination. Upon a showing of unavailability during the regular arbitration, the prior record of a completed witness who testified in the expedited arbitration shall be admissible.

4. Investigations

Where the Board conducts an investigation of an employee and the employee has been reassigned to administrative duties pending the outcome of such investigation, the parties agree that the employee will be restored to service no later than 6 months from the date of his or her removal unless 3020-a charges have been preferred against the employee. Should the employee be restored to service, this event does not preclude the Board from subsequently preferring 3020-a charges against the employee. If charges are preferred, the employee shall remain reassigned, at the Board's discretion, pending the outcome of the disciplinary process. This requirement to restore an employee to service after 6 months does not include investigations conducted by the Special Commissioner of Investigation or investigations that are related to criminal prosecutions.

5. Serious Misconduct

The parties agree that certain types of alleged misconduct are so serious that the employee should be suspended without pay pending the outcome of the disciplinary process. Serious misconduct shall be defined as actions that would constitute:

- the felony sale, possession, or use of marijuana, a controlled substance, or a precursor of a controlled substance or drug paraphernalia as defined in Article 220 or 221 of the Penal Law, or
- any crime involving physical abuse of a minor or student (crimes involving sexual abuse of a minor or student are addressed in paragraph 6 below.), or
- any felony committed either on school property or while in the performance of teaching duties, or
- any felony involving firearms as defined in Article 265 of the Penal Law.

If an employee is accused of committing serious misconduct, the employee shall be removed from payroll for a term not to exceed two (2) months after a finding by the "probable cause arbitrator" that there is probable cause to believe that the actions alleged were committed by the employee and that they constitute "serious misconduct" as defined above. Probable cause exists when evidence or information which appears reliable discloses facts or circumstances making it likely that such conduct occurred and that such person committed the conduct. To establish probable cause, the investigator

assigned to the matter must be present and testify under oath before the arbitrator. The Board may also be required to produce signed statements from the victim or witnesses, if any. Thereafter, the Respondent shall have an opportunity to respond orally to the offer of proof. The arbitrator may ask relevant questions or may make further inquiry at the request of Respondent. The hearing shall not require testimony of witnesses nor shall cross-examination be permitted.

Said probable cause hearing usually shall not exceed one half of a hearing day.

One arbitrator, agreed to by both parties, shall be assigned to hear all probable cause matters for a period of one year. If the parties cannot agree upon one arbitrator, each party shall select one arbitrator who together will select the probable cause arbitrator.

Should the Board meet its burden of establishing probable cause of serious misconduct, the employee shall remain suspended without pay during the pendency of the disciplinary action, but in no event shall such period exceed two months except as set forth herein.

The parties expect that these cases shall be completed within two (2) months. However, where it is not possible to complete the hearing within the two (2) month period despite the best efforts of all parties, and where the arbitrator believes that the evidence already presented tends to support the charges of serious misconduct, the arbitrator may extend the period of suspension without pay for up to thirty (30) days in order to complete the proceedings.

If the Respondent requests not to have the case proceed for a period of thirty (30) days or more and that request is granted, during the period of this adjournment, the Respondent shall remain in non-paid status. As noted above, however, the parties are committed to having these cases heard in an expeditious manner. For this reason, absent extraordinary circumstances, arbitrators are not to adjourn hearing dates.

While suspended without pay pending the arbitration hearing on serious misconduct charges, the Respondent may continue his or her existing health coverage, except that in no event shall the Respondent be entitled to continue his or her existing health coverage for more than six (6) months while on non-paid status except at the absolute discretion of the Chancellor. In the event that the Respondent is exonerated of all serious misconduct charges, the employee shall be restored to his or her position and be entitled to receive back pay and be made whole for the amount of time he or she remained off payroll. In the event that the arbitrator finds the employee guilty of the serious misconduct and imposes a penalty less than termination, the arbitrator shall decide whether and to what extent a reinstated employee shall be entitled to receive any back pay for the time the employee was suspended without pay.

The parties agree that these types of cases shall receive the highest priority, and, upon the Board's request, hearings may be held on such matters during any days previously committed by a rotational panel to other employees, as set forth above. In other words, hearings for serious misconduct take precedence over other disciplinary matters, and the Board may require adjourning other cases previously scheduled before the assigned

arbitrator during that time frame in order for that arbitrator to hear serious misconduct cases within the two-month time frame.

6. Sexual Offenses Involving Students or Minors

A tenured pedagogue who has been charged under the criminal law or under §3020-a of the New York State Education Law with an act or acts constituting sexual misconduct (defined below) shall be suspended without pay upon a finding by a hearing officer of probable cause that sexual misconduct was committed.

A rebuttable presumption of probable cause shall exist where the Special Commissioner of Investigations (“SCI”) substantiates allegations of sexual misconduct, or a tenured pedagogue has been charged with criminal conduct based on act(s) of sexual misconduct.

A report from the Chancellor’s Office of Special Investigations (“OSI”) substantiating allegations of sexual misconduct is relevant evidence of probable cause but does not create a rebuttable presumption of probable cause.

In §3020-a proceedings, a mandatory penalty of discharge shall apply to any tenured pedagogue a) found by a hearing officer to have engaged in sexual misconduct, or b) who has pleaded guilty to or been found guilty of criminal charges for such conduct.

The 3020-a hearing should be completed within two months, but the suspension without pay shall be extended one additional month if the hearing has not been completed, unless the Board has received an adjournment or otherwise delayed the proceeding. The suspension without pay shall also be extended until a criminal action is resolved and any 3020-a proceeding is also completed.

If the 3020-a hearing results in a dismissal of the charges or if the criminal proceeding ends in an acquittal or dismissal (and the Board has decided not to prefer charges), the pedagogue shall be entitled to back pay with interest for the entire period of the suspension without pay.

For purposes of this section, sexual misconduct shall include the following conduct involving a student or a minor who is not a student: sexual touching, serious or repeated verbal abuse (as defined in Chancellor’s Regulations) of a sexual nature, action that could reasonably be interpreted as soliciting a sexual relationship, possession or use of illegal child pornography, and/or actions that would constitute criminal conduct under Article 130 of the Penal Law against a student or minor who is not a student.

A letter of agreement dated October 2, 2005 regarding sexual misconduct is attached as Appendix H.

7. Other Felony Offenses

Tenured pedagogues who have been convicted of, or who have pled guilty to, any felony not addressed in paragraph 5, above shall be suspended without pay pending the final outcome of the 3020-a disciplinary proceeding. The 3020-a hearing should be completed within two months, but the suspension without pay shall be extended one additional

month if the hearing has not been completed, unless the Board has received an adjournment or otherwise delayed the case.

8. Discovery Procedures

To effectuate the purpose of the statute, the parties agree that Education Law Section 3020-a authorizes the following in advance of the hearing:

Both sides will exchange witness lists, witness statements, and physical evidence (e.g., photographs) at least before the presentation of their direct case and earlier upon motion to the arbitrator.

The Respondent shall receive copies of investigatory statements, notes, other exculpatory evidence, and relevant student records after in camera review.

The Board shall receive evidence and documents from the Respondent upon a showing during the hearing that it is relevant.

Additionally, if the case has stemmed from an investigation conducted by the Special Commissioner of Investigation (SCI), the Board will provide the entire SCI file to Respondent, including exculpatory evidence, during the discovery phase of the 3020-a hearing unless such information is privileged. Failure to do so shall form the basis of such evidence being precluded from introduction in the 3020-a proceedings. This provision remains subject to the Family Educational Rights and Privacy Act.

9. Incompetence Cases

The parties agree that in the spirit of progressive discipline, rather than necessarily charge an employee with incompetence, an employee who receives an unsatisfactory rating for the first time may be offered the opportunity to enroll in the Peer Intervention Program (PIP) for a term of one year. Refusal to enter the PIP program is admissible in any future disciplinary proceedings. The parties further agree that during the first school term of the intervention, no formal observations will be made. During the second school term, although the employee will still be in the PIP, the administration is free to conduct observations and to rate the employee accordingly. Since the end-of-year rating will be based on these observations, a minimum of two (2) observations shall be conducted during the second school term. PIP may not be invoked by the employee once the disciplinary process has commenced.

10. Attorney Teams

Each Board attorney will be paired with a union attorney for four (4) consecutive cases. Should one case settle, another case between the same attorneys shall be substituted for the case settled in an effort to utilize the dates set by the parties with the arbitrator.

[4]The parties disagree as to the applicability of Section 10 of the October 2005 MOA to this Article 21C3.

H. False Accusations

Knowingly false accusations of misconduct against employees will not be tolerated.

If an accusation of sexual misconduct or physical abuse against an employee is found by the Board or Special Commissioner of Investigation to have been knowingly false when made, the Board will take the following actions to restore the falsely accused employee's reputation: removing all references to the charges from the employee's personnel file(s) and adding evidence of the unfounded nature of the charge to departmental files that may have to be maintained to satisfy other legal requirements, if any; and restoring any back pay owed with interest and, at the employee's request, confirming to any regulatory agency the finding that the employee was falsely accused. In addition, where the knowingly false accusation was made by a student of the employee, absent compelling and extraordinary circumstances the student will be permanently reassigned from the employee's class.

I. Peer Intervention Program

The Board and the Union recognize that instructional services should be delivered by a highly qualified and motivated staff, accorded the respect and professional treatment to which they are entitled. Towards that end the Board and the Union have agreed to provide resources and peer assistance on a voluntary confidential basis to staff who have completed probation and who believe that their teaching competence will benefit from that assistance in the manner provided below:

1. The Peer Intervention Panel shall be composed of nine members, six of whom shall be selected by the Union and three of whom shall be administrators selected by the Board.

2. This panel will set qualifications and procedures for the selection of intervenors, an alternative careers liaison and a coordinator of the program. The panel shall advertise, as needed, the intervenor, coordinator and alternative careers liaison positions on a citywide basis, posting the qualifications and procedures previously developed. The program's professional staff shall be selected in accordance with the posted procedure.

3. The Panel will also design and continually monitor a professional development program that enables the selected staff to meet the goals set forth above.

4. The intervenors shall serve for four year renewable terms.

5. Any teacher who has a reasonable basis for needing such assistance and/or receives a U-rating or formal warning may request assistance from the peer intervention program, in writing on a form promulgated by the Panel. The Panel will review requests and promptly notify the teacher of its determination as to whether assistance will be provided in that case. Such communications will be kept completely confidential.

6. The intervenor will develop a plan to assist the participating teacher tailored to the specific needs of that teacher and will work with the teacher directly for not more than one year.

7. For three months following the start of the intervention period, supervisors will not evaluate or observe the participating teacher. However, supervisors will otherwise continue to exercise their responsibilities.

8. The Board, the Union, and the participating teacher agree that for any disciplinary action other than an appeal of a previous U-rating, all time limitations within which to bring such actions will be tolled for the three month period in which the supervisor does not evaluate or observe the participating teacher. For such U-rating appeals, the parties agree that the time limitations are tolled for the entire period of intervention.

9. All communications between the intervenor and the participating teacher shall be completely confidential. As a condition of involvement in the program, all participants in the program, including the intervenor and the participating teacher, must consent to the confidentiality provisions set forth in this paragraph. The Board and Union agree that the intervenor, or any other person involved in the peer intervention program shall not be subpoenaed by the Board or the Union or called to testify, produce documents or participate in any other way concerning the intervention in any proceedings under Section

3020-a of the Education Law as modified by Article 21G above (hereinafter “3020-a proceeding”). No arbitrator, in any proceeding under the parties’ control, shall accept evidence regarding such communications. If PIP is used as a remedy in a 3020-a proceeding or if the parties agree to use it as a settlement to such a proceeding, this paragraph continues to apply except that if the intervention was not successful a statement from the program saying “PIP was attempted and was not successful” may be submitted into evidence in any subsequent 3020-a proceeding with respect to charges concerning teaching competence.

10. Except as otherwise herein provided, the Union, the Board or any participating teacher may exercise any constitutional, statutory, regulatory or contractual right otherwise provided by law, regulation or contract.

11. The Board agrees to make available on a best efforts basis alternative career opportunities in the Board and/or the City for teachers who decide to leave the teaching profession in the course of or following intervention through access to other employment alternatives within the system and/or the City; and/or retraining/redeployment through the Board of Education or New York City.

12. Administrative procedures for effectuation of these provisions will be formulated by the Panel in consultation with the Board and the Union and thereafter distributed by the Panel.

13. These procedures relate solely to issues of competency and no other grounds of discipline.

14. The acts of the panel, intervenor, coordinator, Union and Board shall be final.

J. Medical Review Procedures

1. Requests for Medical Examination of Teachers

The report of the immediate supervisor requesting examination of a teacher pursuant to Education Law Section 2568 shall be made in duplicate. A copy of the report shall be forwarded to the teacher.

2. Skin Test

The Board and the Union shall seek legislation to permit employees a choice of skin test or X-Ray. Until such legislation is enacted teachers in this system will be given a skin test. The skin test will be administered by the Department of Health. Where a skin test result proves to be positive, the Board may require an X-Ray test. An enabling resolution to this effect was adopted by the Department of Health on May 6, 1962.

3. Injury In the Line of Duty

In order to provide for an expeditious handling of injury in the line of duty claims, the following is provided:

a. Within five school days of a claim of injury in the line of duty requiring an employee to be absent, the superintendent shall make a determination as to whether the accident occurred in the line of duty.

b. Where the employee is in a non-pay status pending a determination by the Medical Bureau of the duration of absence attributable to injury in the line of duty, the Medical Bureau will make its determination within ten days of the employee's submitting himself or herself for the required physical examination.

4. Medical Report and Review

a. The report of the Medical Bureau on a teacher who was called for medical evaluation shall, upon written request of the teacher, be sent to the teacher's physician within 25 days after the evaluation.

b. Upon the teacher's request to the Medical Bureau, his/her physician shall have the right to examine his/her medical file.

c. A regular teacher shall have the right to an independent evaluation by a medical arbitrator selected from rotating panels of doctors to be selected by mutual agreement of the Board and the Union if the finding of the Medical Bureau to the Chancellor has resulted in:

(1) Placement of the teacher on a leave of absence without pay for more than one month; or

(2) Termination of the teacher's services; or

(3) A recommendation for disability retirement; or

(4) A denial of a leave with or without pay for more than one month.

A request for an independent evaluation of the finding of the Medical Bureau shall be submitted in writing by the teacher to the Division of Human Resources within 10 school

days of receipt of notice from the Division of Human Resources that he/she has been placed on leave of absence without pay for more than one month, or that his/her services have been terminated, or that he/she has been recommended for disability retirement, or that he/she has been denied a leave with or without pay for more than one month. The Board and the Union may agree on a case by case basis to permit, in special circumstances, an independent medical evaluation to teachers who do not otherwise qualify for one under this Agreement.

The medical arbitrator shall examine the teacher and consult with the teacher's physician and the Board's physician. The arbitrator's authority shall be limited to determining the medical aspects of the teacher's claim. The arbitrator's decision shall be rendered within 10 days after he/she has completed the evaluation of the teacher, and if made within his/her authority under this Agreement shall be accepted as final and binding by the Board and the teacher.

The fee of the medical arbitrator shall be shared equally by the Board and the teacher.

SPECIAL COMPLAINTS

It is the declared objective of the parties to encourage the prompt and informal resolution of special complaints not covered by the grievance procedure and to dispose of such complaints as they arise and to provide recourse to orderly procedures for their adjustment.

A Definition

A "special complaint" is a complaint by an employee in the bargaining unit that persons or groups are engaging in a course of harassing conduct, or in acts of intimidation, which are being directed against him/her in the course of his/her employment and that the school principal or community or assistant superintendent has not afforded the employee adequate relief against such course of conduct or acts of intimidation.

B. Filing and Priority Handling

A special complaint shall be promptly filed with the Chancellor by the Union. Such complaint shall receive expedited handling pursuant to this Article.

C. Joint Investigation and Informal Resolution

Within twenty-four (24) hours after the special complaint is filed with the Chancellor, a joint investigating committee consisting of one representative designated by the Chancellor and one representative designated by the Union shall investigate the complaint at the school level to ascertain the facts and bring about a prompt resolution of the problem without resort to formal procedures. In the course of its investigation, the joint committee shall confer with the principal of the school, the community or assistant superintendent and other persons involved in the controversy.

D. Administrative Hearing and Continued Attempt at Informal Resolution

If the complaint is not resolved by the joint investigating committee the Union shall request a hearing before the Chancellor. Within forty-eight (48) hours after receipt of the request for hearing, the Chancellor, or a representative designated by him/her, shall hold a hearing at which the joint investigating committee shall report its findings and all persons involved, including the affected employee, shall have an opportunity to be heard. The complaining employee shall be represented by the Union.

At the hearing the Chancellor or his/her representative shall make every effort to resolve the complaint informally and all persons involved shall cooperate toward this end.

E. Decision of the Chancellor

Within seventy-two (72) hours following the close of the hearing, the Chancellor shall notify all parties of his/her decision and the manner in which it shall be effectuated.

F. Fact Finding and Recommendations

If the complaint is not resolved by the Chancellor, the Union shall submit it for hearing and fact finding before an arbitrator selected in accordance with Article 22C of this Agreement. The submission shall be made within ten (10) school days after the issuance of the Chancellor's decision.

The voluntary labor arbitration rules of the American Arbitration Association shall apply to the proceeding insofar as they relate to the hearing, fees and expenses.

The fact finder shall render findings not later than seventy-two (72) hours from the date of the close of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the fact finder. The findings of fact shall be in writing. The fact finder shall limit his/her findings strictly to the question whether the employee's complaint has been substantiated by the evidence. If the fact finder finds the complaint to be substantiated and unremedied, he/she shall recommend an appropriate remedy.

The fact finder shall not interpret or apply the provisions of this Agreement or exercise any of the other functions specified in Article 22 of this contract, nor shall he/she exercise any of the powers conferred pursuant to Section 3020-a of the Education Law.

G. Board Consideration

Within ten (10) days after receipt of the fact finder's report, the Board shall make a determination.

H. Expansion of Special Complaint Procedure to Include Supervisors

Complaints against supervisors may be considered in an expeditious manner in accordance with the provisions of this article.

PROFESSIONAL CONCILIATION

The Board and the Union agree that professional involvement of teachers in educational issues should be encouraged. However, it is recognized that there may be differences in professional judgment.

A. School Level

1. Where differences related to school-based decisions in one of the following areas cannot be resolved, a conciliation process will be available to facilitate the resolution of these differences:

- a. Curriculum mandates
- b. Textbook selection
- c. Program offerings and scheduling
- d. Student testing procedures and appraisal methodology
- e. Pedagogical and instructional strategy, technique and methodology.

In order to utilize the conciliation process, the UFT chapter may request, through the Union, the service of (a) person(s) identified as expert in conciliation. Selections of such person(s) will be made by the Board and the Union from a list of conciliators mutually agreed upon by the Board and the Union.

2. Within five school days, the Board Coordinator will contact the appropriate superintendent who will promptly advise the Board Coordinator as to whether he/she will directly address the issue.

a. If the issue is addressed by the superintendent, he/she should resolve it within ten school days. If not resolved, the Board Coordinator will assign a conciliator at the end of that period.

b. If the superintendent does not respond to the Board Coordinator or advises that he/she is not addressing the issue, the Board Coordinator will assign a Conciliator within five school days.

3. The Conciliator will initiate the conciliation process within ten days. This stage of the process is expected to be completed within a month unless the participants, including the Conciliator, believe it beneficial to continue the process.

4. At the conclusion of the conciliation:

a. If a resolution is reached, the Conciliator will prepare an agreement for both parties to confirm and sign. It is expected that both parties will adhere in good faith to the agreement.

Where one of the parties believes that a good faith effort is not being made to adhere to the agreement, the party will contact the superintendent and district representative who will assess the situation and take actions as necessary to assure implementation of the agreement. If the superintendent and district representative cannot resolve it, the issue will be forwarded to the Chancellor and Union President for resolution.

b. If there is no resolution, the Conciliator will send letters to the parties confirming termination of the conciliation process. In addition, the Conciliator will send letters to the Board and Union Coordinators advising them of the same.

B. District Level

1. A teacher(s) who wishes to conciliate a professional difference regarding a community school district, high school or Citywide special education superintendency policy/procedure shall forward it to the UFT school chapter for review. If appropriate, the chapter will forward it to the district representative who will present the issue to the superintendent.

a. If the issue is addressed by the superintendent, he/she should resolve it within ten school days.

b. If the issue is not addressed at the end of that period, or, if the superintendent elects not to address the issue in this fashion, the district representative may refer the issue for conciliation to the UFT Coordinator.

2. After a decision to proceed with conciliation has been made the Board Coordinator will assign a Conciliator within five school days. The Conciliator will initiate the conciliation process within ten school days with the district representative and the superintendent. This stage of the conciliation process is expected to be completed within a month unless the participants, including the Conciliator, believe it beneficial to continue the process.

3. At the conclusion of the conciliation:

a. If a resolution is reached, the Conciliator will prepare an agreement for both parties to confirm and sign. It is understood that for any agreement that requires a waiver of a policy adopted by a community school board, the superintendent would be expected to seek the waiver. It is expected that both parties will adhere in good faith to the agreement.

b. If there is no resolution, the Conciliator will send letters to the parties and the Board and Union Coordinators confirming termination of the conciliation process.

CHARTER SCHOOLS

A. Conversion Charter Schools

Pursuant to Article 56 of the New York State Education Law (the "Charter Schools Law") an existing public school may be converted to a charter school. As modified below, teachers of a Conversion Charter School shall be subject to this collective bargaining agreement, in

accordance with the Charter Schools Law, including but not limited to salary, medical, pension and welfare benefits and applicable due process procedures. The provisions regarding the right of return which follow apply to teachers in such Board schools that are converted to charter schools (“Conversion Charter Schools”).

1. At the point of conversion of a Board school to a Conversion Charter School, incumbent employees who choose not to remain as employees in the school as a charter school will have the placement rights contained in Article 18G5 of this Agreement.

2. The Board agrees to extend leaves beyond the statutory two year period to the full term of their employment in the charter school for Board employees who become Conversion Charter School employees. Such employees shall have a right to return to their former geographic district or superintendency in accordance with their seniority. For such employees, service in a Conversion Charter School and Board service shall be combined for all contractual purposes where length of service is a factor.

3. Conversion Charter School pedagogical employees placed at the Board shall be eligible for up to a total of two years credit toward tenure based upon satisfactory service at a Conversion Charter School and any applicable prior Board service.

4. The contractual salary limitations for Conversion Charter School employees placed at the Board shall not apply to certified pedagogical employees.

5. If a Conversion Charter School closes or if the employee is laid off due to economic necessity beyond their control, certified pedagogical Conversion Charter School employees who were not Board employees when hired by the Conversion Charter School shall have placement rights in the Board equal to a certified provisional teacher with no seniority.

6. If a Conversion Charter School closes or if the employee is laid off due to economic necessity beyond their control, uncertified pedagogical Conversion Charter School employees shall have no placement rights in the Board, but the Board will use its best efforts to place such employees in available vacancies.

7. Conversion Charter Schools shall be required to maintain the same medical, pension and welfare benefits as apply to Board employees covered by these agreements.

Except as otherwise set forth herein, pursuant to and in accordance with the Charter Schools Law, the terms and conditions of this collective bargaining agreement apply to teachers serving in the Converted Charter Schools. However, nothing shall limit the Board of Trustees of the converted Charter School from exercising their rights to modify the collective bargaining agreement for the purposes of employment in the charter school, in accordance with and pursuant to the provisions of Section 2854 3(b) of the Charter Schools Law.

While the Charter Schools Law, as written, provides that the decision to apply for conversion of an existing school resides in the parents of the student body, the Board believes the participation of the UFT and its members is critical in this process. The successful conversion of schools to the Charter model necessitates the involvement of the faculty at these schools. Because of this, the Board fully intends to consult with the UFT in

the conversion process, and will seek a collaborative atmosphere in moving forward. Towards that end, in Board schools that are under consideration for conversion to Charter School status, if 50% or more of the staff chooses to stay at the Board of Education, the Board and the Union shall undertake a joint review of the impact of conferring charter status on the school.

Also, for Board schools that convert to charter status, the Memorandum of Understanding between the Board and the Charter School shall provide that the grievance procedure for UFT employees, unless and until modified in accordance with the Charter School Law, shall be the contractual grievance procedure modified to provide that Step 1 shall be at the level of the head of the school, Step 2 shall be to the Board of Directors of the school and Step 3 shall be to binding arbitration.

B. New Charter Schools

It is agreed that UFT-represented employees who leave the Board to serve in a new charter school shall have the following rights:

1. Employees shall be granted a two year leave of absence;
2. Employees returning from a leave of absence shall be credited for time served at the charter school toward their placement on the salary schedule; and
3. Employees shall have a right to return to their former geographic district or superintendency in accordance with their seniority.

CONFORMITY TO LAW-SAVING CLAUSE

A. If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law and any substitute action shall be subject to appropriate consultation and negotiation with the Union.

B. In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

NO-STRIKE PLEDGE

The Union and the Board recognize that strikes and other forms of work stoppages by teachers are contrary to law and public policy. The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Union therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work, by the employees covered by this Agreement, nor any instigation thereof.

DEFINITIONS

A. Wherever the term "Board" is used in the Agreement it shall mean the City Board, it being understood, nevertheless, that this contract is binding on all community school districts in accordance with Section 2590 of the Education Law.

B. Wherever the term "community school board" or "community board" is used in the Agreement it shall mean the Board of Education of a community district.

C. Where applicable herein "seniority in the school" shall be determined by the number of years of continuous service in the school as a regularly appointed teacher and as a regular substitute teacher. In the case of teachers who were excessed into the school, continuous service in the school shall include in addition the number of years of continuous regular and regular substitute service in the previous school. Continuity of service shall not be deemed to be interrupted by absence determined to be due to illness, accident or injury suffered in line of duty or by time spent in military service, the Peace Corps or VISTA, or by layoff or leave without pay.

NOTICE-LEGISLATIVE ACTION

The following article is required by the Public Employee's Fair Employment Act, as amended by Section 204a, approved March 10, 1969.

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefor, shall not become effective until the appropriate legislative body has given approval.

COPY OF AGREEMENT

The parties will have available copies of this Agreement upon request.

INCORPORATION OF DETERMINATION

The determination and award of the arbitration panel in Case No. IA-1-85 is incorporated into this Agreement and made a part hereof.

DURATION

This Agreement and each of its provisions shall be effective as of June 1, 2003, and shall continue in full force and effect through October 12, 2007. Negotiations for a subsequent Agreement will commence no sooner than April 12, 2006 upon request of either party filed two weeks in advance or as otherwise mutually agreed.

SALARY SCHEDULES OF DAY SCHOOL TEACHERS

I

In any and all schedules hereinafter set forth advancement by increments shall be conditioned upon regulations adopted by the Board of Education upon recommendation of the Chancellor.

Whenever, in the schedules which follow, provision is made for the payment of a salary differential based upon the completion of additional approved study, the certificate issued by the Chancellor shall provide that the effective date thereof shall be determined in accordance with appropriate regulations issued by the Chancellor with the approval of the Board of Education.

II

A. Salaries and Differentials

1. Salary Schedules and Differential Eligibility

The specified increases in salaries and rates of pay set forth in Appendix A (or elsewhere in this Agreement or in any Appendix) for day school teachers or for any other employees covered by this Agreement shall apply only to incumbents on payroll on September 12, 2005 or after, except that they shall also apply to individuals who retired during the term of the Agreement.

2. Special Education Differential

All special education teachers currently receiving the additional compensation set forth in Appendix A 11 F c or g of the 1975-78 Agreement shall continue to receive such additional compensation at the rate in effect on September 8, 1978 so long as they serve in any special education assignment. A teacher serving in a high school who is receiving the additional compensation hereunder and who is involuntarily assigned to a program which would disqualify him/her from continuing to receive such additional compensation shall have the opportunity to transfer to a vacancy for which he/she is qualified and which would enable him/her to continue to receive the additional compensation. Teachers newly assigned or employed in special education assignments after September 8, 1978 shall not be eligible for the additional compensation set forth therein.

B. Salary Schedules

The approximate qualifications which appear at the head of each column marked "Descriptive Designation" are for general descriptive purposes only. In order to be placed on a particular schedule, the teacher must meet, in full, the qualifications hereinafter described.

All regularly appointed teachers will advance to the next step in the salary schedule on the anniversary date of their appointment and on March 1 of each year until they have advanced to the last step of the salary schedule.

Regular substitute teachers will advance to the next step in the salary schedule upon completion of each full year of regular substitute service and on March 1 of each such year but not beyond Step 4A of the salary schedule.

Full-term and other-than-occasional per diem substitutes serving in full-time vacancies shall be compensated at the first salary step in Schedule C1, or at such salary step and rate as may be payable pursuant to a certificate of salary fixation issued by the Chancellor. Such per diem substitute teachers will advance to the next step in the salary schedule upon completion of 170 school days of service and on March 1, following the completion of each such unit of 170 school days of service but not beyond Step 4A of the salary schedule.

Full-term and other-than-occasional per diem substitutes serving in regularly scheduled part time positions shall be compensated for each full day of service at the rate of one two-hundredth of the first salary step of Schedule C1, or at the rate of one two-hundredth of such salary step and rate as may be payable pursuant to a certificate of salary fixation issued by the Chancellor. Such per diem substitute teachers will advance to the next step in the salary schedule upon completion of 170 school days of service and on March 1, following the completion of each such unit of 170 school days of service but not beyond Step 4A of the salary schedule.

C. Longevity Increments

1. Effective September 16, 1998 or on such date thereafter as the requirements shall be met, additional compensation shall be paid to those teachers eligible therefor pursuant to the conditions and at the rates set forth below. Such additional compensation shall be known as the “longevity increment” and the gross annual salary rates of teachers to whom said longevity increment is payable shall be computed by adding the sum provided per annum to the rates ascertained without consideration of said longevity increment. Longevity increments shall be payable as follows to appointed teachers with the requisite years of pedagogical service in the New York City public schools:

D. Payment Under Schedule C1

Rates under Schedule C1 shall be paid to teachers who do not qualify as provided hereinafter in this Section for payment under any other Schedule.

E. Qualification for Schedule C2-First Differential

1. Rates under Schedule C2 shall be paid to teachers covered by this Agreement when they qualify for a salary differential by reason of having completed (1) 30 semester hours of approved study beyond the baccalaureate or (2) 30 semester hours of approved study beyond such courses offered for and accepted by the Board as the equivalent of a baccalaureate for eligibility for the license under which the teacher is serving at the time of filing application for the salary differential or (3) holding an approved master's degree issued by a recognized college or university. In any of the above cases, qualification for the differential shall be evidenced by a certificate issued by the Chancellor.

2. Effective January 1, 1958, rates under Schedule C2 shall be paid to teachers covered by this Agreement who, at the time of licensing, were not required to be holders of a baccalaureate or its equivalent as an exclusive prerequisite to said licensing; with the proviso that such teachers qualify for a salary differential, as evidenced by a certificate issued by the Chancellor, by reason of having completed 30 semester hours of approved study beyond the academic qualifications submitted and accepted for said licensing; except that the additional 30 semester hours of approved study shall be waived (for purposes of placement under this paragraph only) in the case of any teacher holding a baccalaureate or who was graduated from an approved four year normal school course, if such teacher was licensed as a result of an examination wherein the academic qualifications for the license were not restricted to holders of a baccalaureate or its equivalent.

Provided, however, that a teacher regularly employed by the Board of Education on June 30, 1967, who had satisfied the conditions of eligibility then existing or who satisfied those conditions not later than June 30, 1970, shall not be affected by this alteration of the conditions of entitlement;

Teachers who qualify in this manner shall be eligible for the promotional differential upon submitting, with their applications, a waiver of the additional compensation of \$200 per annum currently payable. However, if and when teachers in special education areas shall qualify for the promotional differential, upon filing separate applications therefor under paragraph 2, 3, 4 or 5 above, such additional compensation of \$200 per annum shall nevertheless be paid to those teachers during assignment to special education areas if they otherwise are eligible to receive the additional compensation under the terms of this Agreement.
7. Effective July 1, 1965, teachers of special classes as covered by Section 312 of these by-laws, teachers of speech improvement, and teachers of homebound children who were

SPECIAL CIRCULAR

1. A child who threatens or engages in physical violence to himself, his/her fellow students, or a teacher may be directed by the teacher to report immediately to the principal or other designated supervisor under such escort as is prescribed by the school. Such pupil shall not be returned to the classroom without consultation between the principal and the teacher.
2. Pupils who so seriously disrupt the classroom work as to impede effective instruction may be reported by the teacher to the principal or other designated supervisor. Such report shall be in writing and shall contain substantiating data on the behavior of the child.
3. Upon receiving a report of violent or disruptive behavior the principal or his/her designated representative shall make a suitable investigation and shall promptly initiate a course of action that will best serve the needs of the school and the child.
4. If the problem is not solved in this manner after available courses of action have been taken and the decision has been reached by the principal that the child still so seriously disrupts the classroom work as to impede effective instruction, the child should be referred to other facilities within the school. If no such facilities exist within the school the principal shall refer the case to the community or assistant superintendent under existing procedures.

5. Each plan of action should involve the parent, the teacher, the child and other appropriate personnel. No final decision on placement or care should be arrived at without such participation.

6. If action by the principal is unduly delayed or if the child is repeatedly returned to the same teacher's classroom or if a series of actions by the principal does not resolve the issue, the teacher may appeal to the community or assistant superintendent. The community or assistant superintendent shall set up an appropriate procedure for review and disposition of such cases. If the community or assistant superintendent finds that the continued presence of that child in a regular classroom so interferes with instruction as to be seriously detrimental to the interests of all the children (including the particular child), he/she shall, if consistent with applicable law, direct that the child not be returned to a regular class and follow appropriate procedures for the proper placement of the child.

7. There shall be established in each district a panel to hear appeals from the decision of the community or assistant superintendent. The panel shall consist of a teacher selected by the Union, a parent selected by the local school board from a list of three names submitted to it by the district parents' council, and a third member selected by the community or assistant superintendent who shall be employed by the school system in the field of psychology or social work or guidance. The panel shall have the power to make recommendations in writing to the Chancellor who shall make the final decision on the appeal in accordance with applicable law. During the first year of this circular the Chancellor will render his/her decision within 30 days following receipt of the panel recommendations and thereafter within 15 days.

MENTOR TEACHER INTERNSHIP

On June 10, 2002, the following understanding was reached regarding the Mentor Teacher Internship Program:

The Mentor Advisory Selection Committee, subject to selection criteria, recommends teachers and retirees to Superintendents for approval to act as mentors. Under existing guidelines, applicants who are current teachers have a preference for referral to Superintendents before retirees or teachers on unpaid leave.

The parties agree that the Board's memo to the field on the Mentor Teacher Internship Program will be amended to establish preferences for referrals to Superintendents in the following order of priority from among applicants who are recommended by the committee: school based staff developers, teachers in the school, district based staff developers, full time mentors, retirees and teachers on unpaid leave. During the school year, staff developers will not be assigned to mentor more than two teachers. It is understood that participation in the Mentor Teacher Intern Program will continue to be voluntary.

HEALTH INSURANCE AND WELFARE FUND

In accordance with the LOBA determination and award in Case No. IA-1-85 and subsequent agreements, the following shall apply:

1. Effective July 1, 1983 and thereafter, the Employer's cost for each contract for each Employee under age 65 and for each retiree under age 65 who selects either HIP/HMO or Blue Cross/GHI-CBP coverage (or a replacement plan) shall be equalized at the community rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family, e.g. the Blue Cross/GHI-CBP payment for family coverage shall be equal to the HIP/HMO payment for family coverage.
2. If a replacement plan is offered to employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided for in Section 1, the City shall not bear the additional costs.
3. The Employers shall contribute on a City employee benefits program-wide basis the additional annual amount of \$30 million to provide a health insurance stabilization reserve fund which shall be used to continue equalization and protect the integrity of health insurance benefits.
4. The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the Blue Cross/GHI-CBP plan; and, if sufficient funds are available, to fund new benefits.
5. The health insurance stabilization reserve fund shall be credited with the dividends or reduced by the losses attributable to the Blue Cross/GHI-CBP plan.

Adult Education teachers shall be placed on the salary schedules above in accordance with the following:

1. Teachers who meet the requirements for the salary differentials set forth above pursuant to applicable Board regulations, shall be placed on the appropriate salary lane.

2. Teachers who do not qualify for salary differentials shall be placed on the base salary schedule.
3. All teachers shall be placed on a salary step in accordance with their years of adult education service except as otherwise set forth in 4 and 5 below.
4. Only teachers who are both appointed and are also assigned to work full-time, and those appointed pursuant to Chapter 201 of the Laws of 1979, may be paid a salary greater than Step 4a except as provided in paragraph 5 below. Teachers appointed pursuant to the closed exam mandated by Chapter 201 of the Laws of 1979 may be paid a salary greater than Step 4A provided that they continue to meet the requirements for appointment under that license exam.
5. Non-appointed incumbents whose adult education service exceeds three years on April 1, 1995 will be paid the greater of either (a) the salary on Step 4a of the appropriate salary lane; or (b) the base (B.A. lane) salary reflecting their years of adult education service on April 1, 1995.

Teachers paid pursuant to (b) shall thereafter receive only the general increases received by teachers on Step 4a, and they shall not advance further on the steps of the base (BA) salary schedule. However, should such a teacher later become eligible for a salary differential, he or she will be paid the greater of either the April 1, 1995 base salary as adjusted in accordance with this provision, or the Step 4a salary of the then appropriate salary lane.

6. Appointed teachers who are assigned to work full-time and who have at least an earned MA or equivalent shall advance on the salary schedule on their anniversary date and on March 1 of each year. All other teachers shall advance on the salary schedule only from one "A" step to the next higher "A" step (for example from Step 1A to Step 2A, etc.) on their anniversary date.
7. Longevity increments are based on years of adult education service and are effective on the applicable anniversary date.
8. The salary of individual teachers is pro-rated up or down depending on their regular assignment relative to 1,137 hours per year or effective February 2006, 1,181 hours per year.
9. "Full-time" assignment for adult education teachers shall mean regular assignment to work thirty hours (thirty hours and fifty minutes effective February 2006) per week for a total of 1,137 hours (1,181 hours effective February 2006) during the workyear. Teachers may be in full-time status for all or part of the workyear. The typical workyear is 189 ½ 6-hour days (191½ 6-hour and 10 minute days effective February 2006). Nothing herein shall be construed to alter the contractual workyear of 191 ½ workdays set forth in Article 14B2.

PROCEDURES FOR PROBABLE CAUSE HEARINGS

On October 2, 2005 the following understanding was reached regarding probable cause hearings:

The UFT will conduct a meeting of lawyers who represent UFT members at 3020-a proceedings to inform them about the new procedures regarding offenses involving sexual misconduct with a student or a minor not a student. During that meeting there will be a discussion of what could constitute probable cause, including that we agree that in a probable cause hearing the hearing officer may accept hearsay as evidence of probable cause, and that a criminal complaint and corroborating affidavit or the SCI report is sufficient evidence to create a rebuttable presumption of probable cause.
