PREAMBLE

The intents and purposes of this Agreement are to improve the quality and effectiveness of education at Wayne State University by promoting the highest standards of academic excellence in all phases of instruction and professional service at the University. The parties hereto concur that these objectives can be materially achieved by means of amicable adjustment of matters of mutual interest.

It is recognized by the parties that mutual benefits are to be derived from continual improvement in the position of the University as an institution of higher learning. It is further recognized that the roles and responsibilities of the University administration and the teaching faculty and academic staff are interdependent in the determination and implementation of educational policy and objectives. Both parties agree that appropriate and effective involvement of the faculty and academic staff in the development of University employment policies for the bargaining unit is a major objective of this Agreement and of the University Administration and of the Association.

To the extent that these objectives are recognized, it is understood that this entire Agreement shall be interpreted in each and every clause to achieve these goals.

DISCUSSION

The present study is a part of a larger project which is being carried out in the Department of Psychology, University of Toronto. The purpose of this study is to investigate the effects of various factors on the performance of a task. The results of this study are discussed in the following sections.

The first section of the discussion is devoted to a discussion of the results of the experiment. The results show that there is a significant effect of the independent variable on the dependent variable. This is supported by the statistical analysis which shows a significant difference between the two groups.

The second section of the discussion is devoted to a discussion of the implications of the results. The results suggest that there are several factors which can influence the performance of a task. These factors are discussed in the following sections.

I.

B. New Classification Titles

It is the policy of the University not to reduce the bargaining unit by arbitrary change in classification titles or to do so by creation of new classifications. The University agrees that if the functions of existing classifications are changed so that a classification is taken out of or put into the bargaining unit, or if new classifications are established covering comparable work as now being performed by any of the classifications in this Agreement, the University will notify the Association, and meet upon request of the Association, to discuss whether such new or changed classification should become part of the bargaining unit covered by this Agreement.

In the event of a dispute over the inclusion of a new or changed classification into the bargaining unit, or exclusion of a new or changed classification from the bargaining unit, a grievance may be filed under the Grievance Procedure contained in this Agreement.

C. Disputed Classification

A grievance concerning the University's classification of an individual may be filed by the Association under the Grievance Procedure contained in this Agreement, but this provision shall not apply to questions of promotion or tenure.

III.

- B. The University shall not aid, promote, or finance any other group or organization which purports to engage in collective bargaining

on behalf of employees in the bargaining unit covered by this Agreement.

V.

The Association shall receive promptly appropriate memoranda involving contract implementation policy and procedures having University-wide application.

ments, including agendas (in advance of the meetings), and minutes of all public meetings.

F. Released Time

The University will provide for released time for the Association President, the Grievance Coordinator, and the Chief Negotiator during the period of negotiations and one additional Association Executive Board member.

In order to allow the units to make suitable arrangements, the Association will notify the University as soon as possible but at least ninety (90) days prior to the date of the commencement of the released time.

VI.

DEDUCTION OF ASSOCIATION DUES AND FEES

A. Authorization for Payroll Deduction for Association Dues and Fees

During the life of this Agreement or any extension thereof, the University agrees to deduct Association dues and fees levied in accordance with the By-Laws of the Association from the pay of each member of the bargaining unit who, through the Treasurer of the Association, voluntarily executes a standard form prepared by the University for "Authorization for Payroll Deduction of Association Dues and Fees" deductions.

Any submitted Authorization for Dues and Fees Deduction form which is incomplete or in error will be returned to the Treasurer of the Association.

B. Termination of Deduction Authorization

A member of the bargaining unit who has voluntarily authorized dues and fees deductions will cease to be subject to dues and fees deductions beginning with the month following receipt of a timely written notice to the Payroll Office cancelling the authorization for such deductions. Such notice shall be timely if given within thirty (30) days prior to the anniversary date of the authorization.

C. Payment to the Association

The University will furnish the Treasurer of the Association, no later than the tenth (10th) of each month, a listing of all dues and fees deducted for the previous month from members of the bargaining unit. A check for all dues and fees deductions, payable to the Association, shall accompany the listing. The Association shall assume full responsibility for the disposition of all such monies turned over to the Treasurer of the Association.

D. When Dues and Fees Deductions Begin

Dues deduction under all properly executed Authorization for Deduction of Dues forms for each member of the bargaining unit, as submitted to the University by the Treasurer of the Association, shall become effective upon the signing of this completed Agreement, or earlier by mutual agreement between the University and the Association, for each pay period as prescribed under the By-Laws of the Association. The deductions shall begin as soon as possible following the receipt by the University of the Authorization Forms.

E. Limit of University's Liability

The University shall not be held liable to the Association by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual authorized dues or fees deductions made from University wages. The Association shall indemnify and hold the University harmless from any liability which might arise because of the improper deduction of dues and fees made in accordance with this Article.

F. Refund Claims

In cases where a dues or fees deduction is made that duplicates payment already made to the Association, or where dues or fees deduction is not in conformity with the provisions of the By-Laws of the Association, refund to the claimant shall be made by the Association.

G. Disputes Concerning Dues or Fees Deductions

Any dispute which may arise as to whether or not a bargaining unit member properly executed or revoked an Authorization for Deduction of Dues and Fees form, shall be reviewed with the individual, an Association-appointed representative, and the University.

I further authorize the University to remit such dues and fees to the Association at such times and in such manner as may be agreed upon by Wayne State University and the Association, at any time while this authorization is in effect.

I hereby waive all rights and claims for said monies paid in accordance with this authorization.

VII. PAST POLICIES

Except as modified by this Agreement, general personnel policies formally approved by the Board of Governors applicable to the entire Teaching Faculty and/or Academic Staff, prior to the date of this Agreement, shall remain in effect for members of this Bargaining Unit. Any grievance citing this article must indicate the specific statute or policy violated including date of adoption by the Board of Governors.

VIII. NONDISCRIMINATION

Wayne State University and the Wayne State University Chapter of the American Association of University Professors recognize not only a legal obligation to members of the bargaining unit, but also a moral and educational responsibility to achieve equal employment opportunity within the University — both for the sake of fair employment practices and for the sake of meeting its educational objectives. Accordingly, it is agreed there shall be no discrimination on the basis of race, color, religion, political affiliation, political beliefs, political activities, national origin, marital status, age, sex, or physical handicap of those capable of performing their professional duties.

IX. NO STRIKE / NO LOCKOUT

The Association agrees that, during the life of this Agreement and any extensions thereof, neither its officers nor its representatives will for any reason, directly or indirectly, call or sanction a strike, walkout, slow-down, sit-down, stay-away, or any other form of interference, which materially affects the operation of the University.

In the event that any member or members of the bargaining unit represented by the Association engage in any of the above activities, the President of the Association or a representative thereof shall, upon request from the appropriate University official, immediately notify the involved member(s) of the inappropriate nature of the activity and direct them to cease the activity and to resume their regular duties. The University reserves the right to take appropriate action where Association activities result in interference with any operation of the University.

The University agrees that during the term of this Agreement or any extensions thereof, it will not lock out any bargaining unit members covered by this Agreement.

X.

LAY-OFF AND RECALL PROCEDURES

It is understood that in a viable, complex and multifaceted University, it may be necessary to adjust programs and staff through normal attrition. Historically, this adjustment has been accomplished by not renewing term contracts in specific units, departments or colleges. This provision and accompanying procedures do not apply to this historic practice.

In circumstances other than those stated above it may be necessary because of substantial curtailment or discontinuance of a program or extraordinary financial exigency to make reductions in personnel. In such cases the following language shall apply.

The University President, or his/her designee, shall call a meeting between representatives of the Administration and of the Association to discuss potential solutions to problems which may arise because of a need to make such reductions in personnel.

In case of impending reduction in a unit which would require the layoff of bargaining unit members, the Provost shall appoint a committee from a slate of nominees furnished by the University Council which shall advise the Provost on the possible placement of the affected bargaining unit members in other units within the University. The slate shall contain two names for every person so appointed.

Layoffs and recalls shall be made from among bargaining unit members in the affected units, departments, programs or colleges consistent with the educational goals and program specialties of the affected departments, programs, colleges or units in the following order:

A. Layoffs

1. Normally, part-time faculty will be laid off first. In unusual circumstances when special experience is essential to the unit, a full-time or fractional-time faculty member may be laid off, while the part-time faculty member is retained. If the budgetary constraints prove it impossible to staff the range of courses with the full-time and/or fractional-time faculty, then the full-time and fractional-time faculty will be offered the opportunity to teach the courses on an overload basis without additional compensation rather than to use part-time faculty during the academic year.
2. A member of the bargaining unit about to be placed on layoff status shall be given *preference* in filling other vacant academic positions in the University for which he/she is qualified.

3. Non-tenured bargaining unit members shall be laid off during the term of their contracts, with those having the most service in the particular unit being laid off last.
4. Tenured and continuing service bargaining unit members shall be laid off with those having the most service in the particular unit being laid off last.

B. Notice

Notice of layoff shall occur as follows:

1. Non-tenured bargaining unit members who are laid off during the terms of their contracts, shall receive six (6) months' notice if the term contract expiration date is less than twelve (12) months away and shall receive twelve (12) months' notice if the term contract expiration date is more than twelve (12) months away.
2. Tenured or continuing service persons who are to be laid off shall receive eighteen (18) months' notice.

C. Continuation of Insurance Upon Layoff

1. A laid off bargaining unit member who has six (6) months or more of service shall be eligible to continue currently elected group medical, group life, and accidental death and dismemberment coverage with the same University subsidy as extended to active bargaining unit members for one hundred and eighty (180) days beyond the end of the month in which the bargaining unit member was laid off. In no case shall such coverage extend beyond the end of the month in which the laid off employee is reemployed elsewhere.
2. The laid off bargaining unit member shall request desired insurance coverage (in writing) within thirty-one (31) days after the end of the month in which he/she is laid off. Such bargaining unit members shall be invoiced monthly for their share of the premium.

D. Recall

Recall shall be in the following order:

1. Bargaining unit members who have tenure or continuing service shall have recall rights for two (2) years for an available academic position in accordance with their qualifications. Where practicable, recall shall be in inverse order of layoff. No new employee shall thereafter be hired for an academic position if the University is provided information on an annual basis that a previously laid off employee is available and if that laid off employee is qualified for that position.

2. Bargaining unit members who are on term contracts and who are laid off shall have recall rights through the end of their term contracts for an available academic position in accordance with their qualifications. Where practicable, recall shall be in inverse order of layoff. The University's obligation to employ a person for the remainder of a term contract shall not be taken as a claim for a renewal of such.

XI.

PARTICIPATION IN ASSOCIATION ACTIVITIES

Since the American Association of University Professors has historically been a professional organization, professional participation in Association activities shall be credited as University service in the same manner that other professional service is credited.

All members of the bargaining unit shall be permitted to attend regularly scheduled meetings of the Association, or meetings of appropriate committees of the Association, without penalty, provided that such attendance does not interfere with the discharge of their University responsibilities.

XII.

COMPENSATION

Adjustments in the compensation of individual faculty members and academic staff members may be called for to reflect competitive changes in the academic market, to reward outstanding professional contributions, and to effect the correction of inequities.

Salaries, salary increases, and fringe benefits as specified in this Agreement are minimum requirements. The University may provide salaries, salary increases and fringe benefits in excess of these minima when such extra salaries and fringe benefits are essential for the maintenance or improvement of the academic quality of the Unit.

In such cases, there shall be prior review with the appropriate Department, College, or Unit salary committee except in unusual circumstances where it is impractical.

The University's implementation of any such salary and/or fringe benefits shall be reported to the salary committee of the Unit and to the Association and the required funds shall not be taken from current or future bargaining unit negotiated compensation increase pools.

An additional 1.3% salary adjustment is contingent upon no drop in student credit hours; 0.5% will be an across-the-board adjustment and 0.8% of the 1979-80 base salaries of the eligible members of the unit will be allocated to unit selective salary committees as specified in Section A. 5 of this Article.

For every X% decrease in student credit hours in Fall Term, 1980 compared to Fall Term, 1979 (see Letter of Agreement dated April 17, 1980), the salary adjustment as described in this section will be reduced by $\frac{1}{2}X\%$ but by not more than 1.3% total. If there is a reduction, the unit selective portion will be reduced first.

D. Salary Schedules

1. Faculty

Salaries beyond the authorized maxima may be recommended subject to the specific approval of the Board of Governors. However, the authorized maxima shall not apply to salary adjustments under Sections A, B, and C of this Article and such adjustments shall be implemented without separate Board approval.

E. Recommended Salaries for New Bargaining Unit Members

Insofar as practicable, the department chairperson (or appropriate administrative officer) shall consult with the appropriate salary committee regarding initial salaries of prospective members of the bargaining unit.

F. Medical Insurance

1. Medical insurance is available to members of the bargaining unit through contracts and agreements executed by the University with Massachusetts Mutual Life Insurance Company, the Metro Health Plan (CHA), and the Group Health Plan of Southeastern Michigan (GHP). All such employees working 50% or more time and all persons on long-term disability shall be eligible to participate in one of the three programs. The University shall provide a subsidy payment of full cost for the bargaining unit member's insurance and one-half (1/2) of the cost of insurance for his/her dependents based upon the cost of Massachusetts Mutual major medical insurance rates.
2. New members of the bargaining unit should choose one of these programs at time of employment. Dependents may be enrolled at the University group rates within 31 days of the bargaining unit member's effective date of hire.
3. The Massachusetts Mutual/Group Health plans become effective on the date of employment, except when the bargaining unit member is absent from work and disabled on what otherwise would be the effective date. In such case it shall not become effective until the first day on which he/she is actively at work on his/her regular schedule.

4. The Metro plan becomes effective the first of the month following the month the bargaining unit member becomes employed and completes an application form.
5. In the event the bargaining unit member fails to apply within the first month, he/she will be required to submit evidence of insurability if coverage is requested under the Massachusetts Mutual/Group Health plans. If coverage is under the Metro plan, he/she must wait until the next enrollment period.
6. All bargaining unit members who qualify for retirement after age 55 from Wayne State University are eligible for the Retiree's Program of Medical Insurance, which is written by both the Massachusetts Mutual Life Insurance Company and the Metro Health Plan (CHA). Retirees shall be responsible for paying the full premium.
7. The University may cancel the Metro Health Plan (CHA) coverage provided it accords members of the bargaining unit conversion privileges to Massachusetts Mutual coverage and provided there are 6.5% or fewer bargaining unit members participating in the plan.

G. Long Term Disability Income Insurance

1. The University, at no cost to the staff member, provides a program of disability income insurance.
2. Participation begins after the staff member has completed three (3) full years of service at the University.
3. Benefits for an insured staff member begin after six (6) months of continuous total disability for as long as the disability continues or until the affected individual retires, but in any case, not beyond age 65.
4. Under this plan the individual will receive a monthly income benefit which, including any disability benefits from social security and workmen's compensation, is equal to 60% of a person's basic salary up to \$1,000 per month, plus 40% of any basic salary in excess of \$1,000 per month, but not to exceed a benefit of \$1,500 monthly. The monthly income benefit will never be less than \$50. It also provides for a waiver of annuity premiums for an insured staff member participating in the TIAA/CREF Retirement Plan.

H. Retirement Program

1. Members of the bargaining unit with two (2) years of University service, and who have attained thirty (30) years of age, shall be eligible to participate in the retirement program. Appropriate exceptions may be made only with the approval of the Board of Governors.

2. Wayne State University retirement benefits are provided through contracts with the Teachers Insurance and Annuity Association (TIAA) and the College Retirement Equities Fund (CREF). The participant contributes a minimum of 5% of his/her regular salary, and the University contributes 10% toward the purchase of retirement annuities, which may be distributed between TIAA and CREF according to the regulations of those organizations. Retirement contributions are based on regular contractual salary or wages, but not on overtime or supplemental remuneration for extra services.
3. Full-time members of the bargaining unit, immediately upon employment, may, on an individual basis, choose to participate in the retirement program without University subsidy.

I. Life Insurance

1. All members of the bargaining unit on a fractional or full-time basis will be provided with \$5,000 non-contributory life insurance. Bargaining unit members may purchase additional amounts of supplemental life insurance at subsidized and graduated rates by election of Option No. 2 or 3 below. All eligible bargaining unit members shall be entitled to elect one of the following:
 - Option No. 1 \$5,000 non-contributory insurance only.
 - Option No. 2 \$5,000 non-contributory insurance plus supplemental insurance equal to one times annual salary.
 - Option No. 3 \$5,000 non-contributory insurance plus supplemental insurance equal to two times annual salary.
2. A member of the bargaining unit who participated in the Wayne State University TIAA/CREF retirement program for five (5) years and retires after age 55 shall qualify for the retirement life insurance policy in force (currently \$2,500) upon retirement, fully paid by the University.
3. A member of the bargaining unit who does not have the five (5) years of TIAA/CREF participation and retires under a University retirement program after age 55 with ten (10) years of University service shall also qualify for the retirement life insurance policy in force (currently \$2,500) upon retirement.
4. Members of the bargaining unit shall have the privilege of conversion of the remaining amount of their group life insurance to any standard policy issued by the insurance company without physical examination.
5. Arrangements shall be made with the University's life insurance carrier to issue an optional, emergency, partial life insurance benefit up to two thousand dollars (\$2,000) of the five thousand dollars

(\$5,000) non-contributory, group term life insurance policy provided by the University for each member of the bargaining unit, to a legal beneficiary (other than a minor, guardian of a minor, or the estate of the insured) within twenty-four hours of proper notification of death. "Proper notification" shall consist of the submission to the Staff Benefits Office of a legal death certificate or a letter over the signature of the spouse or a close relative of the deceased. The University shall be responsible for notifying the beneficiary of the availability of this option when the University becomes aware of the death of a member of the bargaining unit.

J. Vacations

Full-time, twelve-month employee members of the bargaining unit are granted earned vacation days at their regular rate of pay after an initial four months of service, amounting to twenty-two (22) working days per year. Vacation days earned, but not used, may be accumulated up to forty-four (44) days.

Vacation days must be scheduled in advance with the appropriate chairperson or dean/director and shall be approved in accordance with the operational needs of the unit and shall be reported on the University's official Payroll Exception Report.

Upon request of a member of the bargaining unit, the University shall pay the member in advance for the time he/she will be absent on vacation provided that the member gives at least five (5) working days notice of such request and provided that the vacation period for which this advance payment is sought is for at least five (5) working days.

Before termination of employment, or before transfer from a twelve-month to a nine-month appointment, a bargaining unit member shall utilize the vacation days in his/her current vacation bank prior to the agreed-upon termination or transfer date. Under special circumstances, the Provost may waive this requirement.

In the event of the death of a member of the bargaining unit, his/her estate shall be entitled to payment for all accumulated vacation days.

K. Holidays

The seven (7) holidays consisting of Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, Christmas Day, New Year's Day and Memorial Day shall be official University paid holidays.

L. Christmas/New Year's Closure

Twelve-month bargaining unit members will be given time off with pay between Christmas and New Year's. Any bargaining unit member required to work between Christmas and New Year's will be given compensatory time off at a later date.

XIII. LEAVES OF ABSENCE

A. Leaves of Absence Without Pay

1. *Professional and Personal Leaves*

It is recognized that a policy permitting leaves of absence without pay for professional objectives or for personal reasons may under certain circumstances be beneficial to both the individual and the University.

a. *Eligibility*

To be eligible for a professional or personal leave of absence without pay, a member of the bargaining unit shall have one year of continuous, full-time service in the bargaining unit. Under certain circumstances, the Provost or his/her designated representative may waive the one-year eligibility requirement.

b. *Application for Leave*

The member of the bargaining unit shall submit in writing to his/her department chairperson or immediate supervisor the request for the leave stating the reasons for the leave, the period of absence, and the date of return.

c. *Approval*

Upon the recommendation of the department chairperson or immediate supervisor and subject to the concurrence of the dean or director, as appropriate, a leave of absence without pay may be granted by the Provost or his/her designated representative.

d. *Length of Leave*

Leaves of absence without pay may be granted for a period not to exceed twelve months. Under exceptional circumstances, a leave or any extension thereof may be extended for a limited period not in excess of one year. A request shall be submitted in writing stating the reasons for the requested extension at least ninety (90) days prior to the termination of the current leave. The beginning and ending dates of a leave will normally coincide with the beginning and ending of an academic term. Leaves of absence without pay shall not be counted toward the maximum period of pretenure employment.

Leaves of absence without pay for individuals employed on a limited term contract cannot extend beyond the original contract termination date and cannot serve to extend the contract period.

e. *Fringe Benefits*

A member of the bargaining unit may exercise his/her option (in writing) for continuance of medical and life insurance coverage at the full group rate cost, and without University

subsidy, for the period of the leave, not to exceed a maximum of two years. For those individuals who are eligible for the University's long-term disability insurance coverage and who are engaged in full-time study for an advanced degree, or active work in the field of education or research (such as Fulbright, foundation grant, or governmental project), long-term disability insurance coverage shall be extended for the period of the leave, not to exceed two years.

f. *Return from Leave*

If a member of the bargaining unit does not return to work by the date of leave expiration, he or she shall be considered to have voluntarily resigned from the University unless he/she was unable to return due to extenuating circumstances beyond his/her control.

If, in the event of extenuating circumstances beyond his/her control, a member of the bargaining unit who is engaged in full-time study for an advanced degree, or active work in the field of education or research, or who is on a personal leave for family responsibilities, wishes to return to work before the expiration of the leave of absence without pay, he or she must submit a written request for return to work to the department chairperson or immediate supervisor. In such cases the University shall restore the individual to the payroll either at the beginning of the next academic term or within thirty (30) days of receipt of the written notification of intent to return, whichever waiting period is longer. In no event shall nine-month employees be reinstated to the payroll during the summer term under the provisions of this clause. At the University's discretion the individual may be returned to the payroll before the end of the above stated waiting periods.

Any member of the bargaining unit who has been on leave of absence without pay is required to take and pass a medical examination given or authorized by the University Health Service before the individual may return to work. If the individual does not pass the examination and has been engaged in full-time study for an advanced degree or active work in the field of education or research, or on a personal leave for family responsibilities, he/she shall be placed on the short-term disability leave for which he/she is eligible in accordance with Article XIII, Section C.1.

In the event that a member of the bargaining unit who is engaged in full-time study for an advanced degree or active work in the field of education or research, or on a personal leave for family responsibilities, is disabled while on leave, he/she

shall be placed on the short-term disability leave for which he/she is eligible in accordance with Article XIII, Section C.1., and such leave without pay shall terminate.

The following payroll deductions in effect prior to the leave of absence shall be reinstated: life insurance, health insurance, retirement, dues, and tax deductions.

g. *Salary Increases*

The base compensation rate of a member of the bargaining unit shall be augmented by all general increases which he/she would have received had he/she not been on leave and by selective increases approved through the regular channels.

2. *Military Leave*

The University agrees to comply with the Federal and State Veterans Employment Acts.

B. *Professional Leaves*

1. *Authorized Short-Term Absences*

- a. Absences for outside professional activities related to University responsibilities, which necessitate absence from the bargaining unit member's usual University operating location, may be approved with pay for periods up to thirty (30) working days.
- b. Requests for authorized absences should be filed by the bargaining unit member with his/her chairperson or dean/director at least two (2) weeks prior to the start of the proposed activity and at least three (3) weeks prior to activity outside of the United States.
- c. Approval is given by the University President or his/her designee.

2. *Sabbatical Leaves*

The Provost or his/her designee may grant sabbatical leaves of absence to members of the faculty and academic staff for the purpose of encouraging scholarly and professional achievement for the mutual benefit of the University and the grantee. However, no more than seven (7) percent of the members of the bargaining unit with tenure or continuing service may be on sabbatical leave in any one semester. Under extraordinary circumstances this maximum may be exceeded at the discretion of the Provost.

a. *Eligibility*

- 1) A sabbatical leave may be granted for one or two semesters to any bargaining unit member who holds continuing service or tenure status at the beginning of the proposed period of leave and who meets the following additional requirements of eligibility.

- 2) An applicant shall have served at least eighteen quarters or twelve semesters or a combination thereof of regular full-time contractual employment in the University since his/her initial appointment to academic staff or faculty classifications or since a previous sabbatical leave. The elapsed quarters/semesters need not be consecutive, but no more than three quarters or two semesters shall be counted for any one fiscal year.

b. *Applications*

- 1) Applications for sabbatical leave shall include the following:
 - (a) The presentation of a definite plan for the scholarly use of the sabbatical leave.
 - (b) An indication of the specific semester(s) for which the leave is requested.
 - (c) A description of any fellowship and/or grant pending or secured at the time of making application for sabbatical leave.
 - (d) The applicant's agreement to return to service with the University for two semesters in the year immediately following expiration of the leave; or to refund the compensation paid him/her by the University during his/her leave, unless this obligation is specifically waived or deferred by the University President or his/her designee.
 - (e) The applicant's agreement to submit a written report on the extent to which he/she has achieved the purpose for which the leave was granted.
- 2) Within each department or equivalent unit, all applications for sabbatical leaves shall be submitted to the chairperson or equivalent administrator no later than December 15 of the fiscal year preceding the University fiscal year in which the leave is to begin, and applications shall be forwarded to the Provost or his/his designee through normal administrative channels. If there is more than one application for sabbatical leave from a department or equivalent unit, the applications shall be reviewed and ranked by the department or equivalent unit personnel committee; and the report of this committee shall be forwarded to the Provost through normal administrative channels by January 15 after the December 15 filing deadline. Notification of the decision on the application shall be given to the applicant by March 1.

c. *Conditions of Leave*

- 1) An applicant shall agree to return to service with the University for two semesters in the year immediately following

expiration of his/her leave; or to refund the compensation paid him/her by the University during his/her leave, unless this obligation is specifically waived or deferred by the University President or his/her designee.

- 2) An individual on sabbatical leave shall not give, for compensation, personal service unrelated to his/her sabbatical leave project, other than what the University would consider acceptable for a faculty or academic staff member of the University not on leave. Any service for compensation shall be reported to and must be approved in advance by the Provost or his/her designee.
- 3) Formal study for an advanced degree is not normally acceptable as a sabbatical leave project. Exceptions to this regulation require the written approval of the dean (director) of the candidate's college (division) prior to the filing of the application.
- 4) Persons on the nine-month payroll are normally granted sabbatical leaves only for the duration of specifically stated whole semesters. Exceptions to this regulation require the written approval of the dean or director prior to the filing of the application.
- 5) For persons employed on the twelve-month payroll, one semester of service shall be interpreted to mean four and one-half calendar months of service.

d. *Length*

- 1) A sabbatical leave may be granted for one or two semesters.
- 2) Faculty members on the nine-month payroll are not granted sabbatical leaves for the Spring-Summer Term. Hence the Winter and Fall Semesters of a given *calendar* year are regarded as consecutive.

e. *Sabbatical Leaves Committee*

- 1) There shall be a University Sabbatical Leaves Committee consisting of six bargaining unit members and chaired by the Provost or his/her designee. These six persons shall be selected jointly by the Provost and the University Council Policy Committee according to the method described in Article XXX, University-wide Committees. The Provost or his/her designee shall be a member *ex officio* of the Committee (without vote).
- 2) The functions of this committee shall be:
 - (a) To evaluate all applications and to rank those applications which the Committee deems worthy of approval for sabbatical leaves;

- (b) to advise the Provost of its recommendations; and
- (c) to recommend to the various elements of the University any need for change in the sabbatical leave policy.

f. Compensation and Benefits

- 1) For each semester on sabbatical leave the individual shall receive as compensation a percentage of the compensation he/she would have received were he/she not on leave, such percentage to be determined by the number of semesters elected for the sabbatical leave, as follows:

One Semester	75%
Two Semesters	60%

- 2) During a sabbatical leave the individual's contract with the University shall remain unimpaired. The individual shall be eligible for all scheduled adjustments and for all other applicable benefits which would have been provided to him/her by the University were he/she not on leave.
- 3) Persons on the twelve-month payroll do not earn vacation days while on sabbatical leave. Any days in the vacation bank shall be retained pending the individual's return from sabbatical leave.

C. Leaves of Absence With Pay

It is recognized that leaves of absence with pay are appropriate for illness, for personal emergencies, and for the performance of certain civic functions.

A leave of absence with pay is a leave during which a member of the bargaining unit is not required to perform regular University duties, but is retained on the payroll of the University at his/her normal compensation rate for periods during which he/she is normally on the payroll.

1. Short-term Disability Leave for Illness

- a. Full-time members of the bargaining unit who are on the payroll shall receive full compensation (one-ninth of the academic year compensation per month for nine-month employees) for periods of disability of up to one month plus an additional number of months equal to the number of years of service completed, the total of such benefits not to exceed six (6) months' compensation in any twelve-month period. Nine-month bargaining unit members on the summer payroll who become disabled during the summer will begin receiving short-term disability compensation at the time the disability occurs. The disability compensation will be at the summer rate and will not extend beyond the period of the summer appointment. If the bargaining unit member is

still disabled at the beginning of the Fall Term he/she may continue on short-term disability in the normal manner. Bargaining unit members shall be responsible for promptly notifying their department chairperson, dean, or immediate supervisor of each day of illness absence.

- b. Any member of the bargaining unit, as defined in 1.a., is required to file with the University Health Service a report from his/her attending physician if surgery has been performed, or if he/she has been absent more than fourteen (14) consecutive calendar days, or for fifteen (15) business days, whether or not consecutive, in any one fiscal year. The University may require additional medical reports by the bargaining unit member's physician to be filed periodically, and the bargaining unit member may be required to take periodic medical examinations given by (or authorized by) the University Health Service or by a physician mutually agreeable to the University and the member.
- c. Any member of the bargaining unit who has undergone surgery, who has been hospitalized, or who, because of illness, has been absent over a period of fourteen (14) consecutive calendar days is required to take and pass a medical examination given by (or authorized by) the University Health Service before he/she may return to work.
- d. A member of the bargaining unit, as defined in 1.a. who has five (5) or more years of continuous, full-time service in the bargaining unit and who has exhausted his/her short-term disability bank and vacation days and for whom there is a likelihood for eligibility for long-term disability insurance benefits, shall be maintained on the University payroll at one-half compensation for the remainder of the six (6) month short-term disability period.
- e. A bargaining unit member who has been on short-term disability leave and has medical approval from the University Health Service may return to work on a fractional-time basis. He/she shall receive fractional compensation for the work performed and the appropriate fractional-time short-term disability benefit for the time that he/she has remaining in his/her short-term disability bank.

2. *Mandatory Sick Leave*

In the event that there is sufficient evidence as determined by the University Health Service, to indicate that a member of the bargaining unit is suffering from a physical and/or mental illness or disability sufficiently serious to affect materially such person's ability to properly fulfill the duties and responsibilities of his/her position, the person may be placed on Mandatory Sick Leave.

The Mandatory Sick Leave Statute is no longer applicable to members of the bargaining unit; however, decisions made by the University under this contract provision shall be subject to the Grievance Procedure entering at Step Two.

3. *Personal Emergencies*

- a. Each day of absence for a personal emergency as provided in this section shall be deducted from the short-term disability bank as described in Section 1.a. above, and shall be reported on the University's official Payroll Exception Report.
- b. A member of the bargaining unit shall be given a leave of absence with pay for not more than five (5) days in the event of the death of a member of the immediate family. "Immediate family" is defined as: spouse, parent, sibling, child, grandparent, parent-in-law, sibling-in-law, child-in-law, and grandchild. Other persons shall be considered members of the immediate family only if living in the immediate household.
- c. A member of the bargaining unit shall be given a leave of absence with pay of not more than five (5) consecutive working days for emergency care of a seriously ill or injured member of the immediate family (as defined above).
- d. After six (6) months of service, a member of the bargaining unit may take up to two (2) days for personal reasons during a fiscal year. Sufficient prior notice shall be given to the chairperson, dean/director or his/her designee, as appropriate.

4. *Civic Obligations*

a. *Court and Related Duties*

Any member of the bargaining unit who must be absent from his/her regular duties by reason of jury duty shall receive compensation from the University equal to the difference between his/her regular University compensation and the amount received by the member for serving, and the University shall continue his/her fringe benefits based upon his/her full University salary. The University shall not request a change in the dates of jury duty assignments of a nine-month bargaining unit member without the written consent of the member.

b. *Short-term Military Leave*

Any member of the bargaining unit required to perform unexpected military obligations during his/her regular University assignment (not including persons inducted into military service under the selective service laws or in attendance at regularly scheduled military reserve or National Guard training programs, including summer training camps) shall be granted short-term military leave not to exceed thirty (30) days.

Such a person shall receive compensation from the University equal to the difference between his/her regular University compensation and the amount received by the member for military service, and the University shall continue to pay the normal University subsidy of fringe benefits even though the bargaining unit member may not be eligible for life insurance, medical insurance, or disability insurance while on military leave.

D. Maternity Leaves of Absence

It is recognized that a flexible and effective maternity leave program can facilitate professional continuity for female faculty and academic staff. In this spirit, the following options are available for pregnant members of the bargaining unit:

1. Short-term Disability Leave

For actively employed members of the bargaining unit, absences due to a temporary illness caused or contributed to by pregnancy, childbirth and/or recovery therefrom, shall be covered under Short-term Disability Leave for Illness as specified in Section C.1. of this Article.

2. Maternity Leave of Absence Without Pay

A pregnant member of the bargaining unit who wishes to cease work for reasons other than for medical necessity may apply, if eligible, for a leave of absence without pay under Section A. of this Article.

XIV.

FRACTIONAL-TIME EMPLOYEES

All members of the bargaining unit employed fifty percent (50%) time or more (but less than one hundred percent [100%] time) at Wayne State University, shall be fractional-time employees within the bargaining unit. Fractional-time members of the bargaining unit shall receive the same University subsidy for the health insurance program and for the full five thousand dollars (\$5,000) non-contributory group term life insurance coverage as are provided by the University for full-time members of the bargaining unit. In addition, based upon their fractional-time salaries, fractional-time members of the bargaining unit shall be eligible for the supplemental life insurance option, Social Security, Workman's Compensation, and for official University-paid holidays. Twelve-month fractional-time bargaining unit members shall accrue vacation days in proportion to the fraction of time worked. Beginning with July 1, 1972, short-term disability benefits shall accrue to fractional-time members in proportion to the fraction of time worked.

XV.

ADMINISTRATION-ASSOCIATION MEETINGS

Representatives of the University Administration and representatives of the Association shall confer at such reasonable times as either party may request to consider problems concerning this Agreement or other matters of mutual concern.

XVI.

ADMINISTRATION OF AGREEMENT

- A. The Wayne State University Chapter of the American Association of University Professors and the University administration share responsibility to insure no loss of scheduled teaching duties or other professional academic assignments in carrying out their responsibilities associated with the implementation of this Agreement, except as permitted in Section B. of this Article and Section F. of Article V. Upon written request, the University shall endeavor to re-schedule the regular duties of Association-appointed representatives for reasonable periods of time for the administration of this Agreement.
- B. Every effort shall be made to schedule negotiation sessions and other necessary AAUP-University meetings in such a way as to eliminate the loss of scheduled class time, to minimize adjustments of academic staff duty time, and also to limit the number of persons engaged in scheduled sessions or meetings.
- C. It is understood that no additional payments to any member(s) of the Association shall be made for time devoted to the handling of scheduled grievance sessions or contract negotiation meetings.

XVII.

GRIEVANCE PROCEDURE

A. Intent

Wayne State University and the Wayne State University Chapter of the American Association of University Professors agree that they will use their best efforts to encourage the prompt settlement of grievances. The orderly processes hereinafter set forth shall be used for the resolution of grievances.

Nothing in this Grievance Procedure shall limit the existing right of an individual member of the bargaining unit to communicate with any person in the University administration.

B. Definition

A Grievance is a complaint, claim, or dispute arising under and during the term of this Agreement. Grievances are limited to matters of interpretation or application of express provisions of this Agreement except those provisions which are specifically excluded from the grievance procedure.

C. Informal Procedure for Handling Grievances

Any individual member of the bargaining unit, at any time, may present a grievance and have the grievance adjusted without participation of the Association, if the adjustment is not inconsistent with the terms of this Agreement.

Before a formal grievance may be filed, the grievant shall discuss the grievance with the appropriate chairperson or other administrative official, unless specifically provided for elsewhere in this Agreement, in order to facilitate a prompt settlement.

In the event that the complaint is not resolved satisfactorily in this discussion between the grievant and the appropriate administrative official, the grievant may return for further discussion accompanied by an Association-appointed representative.

D. Filing of a Grievance

A grievance may be filed conjointly by an individual member of the bargaining unit and by an authorized representative of the Association with the consent of the individual. Group grievances which have department, college, division, or bargaining unit wide effect may be filed by the Association at the appropriate step of the procedure provided that no grievance may be initiated at Step Four, unless specifically provided for elsewhere in this Agreement.

E. Formal Procedure for Handling Grievances

Step One:

If the matter is unresolved by the informal procedure, the Association representative shall submit the grievance in writing on forms provided by the University to the appropriate chairperson or other designated administrative official, stating the nature of the grievance, including relevant facts, the provision(s) of the contract alleged to have been violated and the adjustment sought.

The grievance must be presented in writing and receipted by the appropriate University representative within thirty (30) calendar days following the time at which the grievant could have reasonably been aware of its occurrence.

Within seven (7) calendar days of receipt of the written grievance, the appropriate administrative representative shall arrange a

meeting among the grievant, an Association-appointed representative and the chairperson and, at his/her discretion, another administrative representative. A written answer to the grievance shall be forwarded by the department chairperson to the Association with a copy to the grievant within seven (7) calendar days of the meeting.

Any grievance not appealed in writing and receipted by the appropriate University representatives within twenty-one (21) calendar days after an answer shall be considered settled on the basis of the last answer and not subject to further review.

If a timely meeting is not arranged, the Association may proceed to Step Two of the grievance procedure, providing it does so within twenty-one (21) calendar days of the filing of the grievance.

If a meeting is arranged but a timely written answer is not forwarded to the Association, the Association may proceed to Step Two of the grievance procedure, providing it does so within twenty-one (21) calendar days of the time of the meeting.

Step Two:

If the Association does not accept the answer at Step One, if a timely meeting is not arranged, or if no timely answer is provided, the Association may present the grievance at Step Two. The grievance must be presented to the dean or his/her designee or the director or his/her designee.

Within seven (7) calendar days of receiving the grievance, the dean or his/her designee or the director or his/her designee shall arrange a meeting among the grievant, one or two Association-appointed representatives and the dean/director or his/her designee, and at his/her discretion, the chairperson and/or a third administration representative to discuss the grievance. A written answer to the grievance shall be forwarded by the dean/director to the Association with a copy to the grievant within ten (10) calendar days of the meeting.

Any grievance not appealed in writing and receipted by the appropriate University representative within twenty-one (21) calendar days after the answer shall be considered settled on the basis of the last answer and not subject to further review.

If a timely meeting is not arranged, the Association may proceed to Step Three of the grievance procedure, provided it does so within twenty-one (21) calendar days after the initiation of Step Two.

If a meeting is arranged but a timely answer is not forwarded to the Association, the Association may proceed to Step Three of the grievance procedure, provided it does so within twenty-one (21) calendar days of the time of the meeting.

Step Three:

If the Association does not accept the answer at Step Two, if a

timely meeting is not arranged, or if no timely answer is provided, it may present the grievance at Step Three. The grievance shall be submitted to the Provost or his/her designated representative.

Within fourteen (14) calendar days of receiving the grievance, the Provost or his/her designee shall arrange a meeting between the grievant, one, two, or three Association-appointed representatives and the Provost or his/her designee, and, at his/her discretion, the dean or his/her designee, the chairperson, and/or a fourth administration representative. A written answer to the grievance shall be forwarded by the Provost to the Association with a copy to the grievant within fourteen (14) calendar days of the meeting.

Any grievance not appealed in writing and receipted by the appropriate University representative within twenty-one (21) calendar days after an answer, shall be considered settled on the basis of the last answer and not subject to further review. After fourteen (14) days the Association will be notified that the grievance will be considered settled unless the Association responds within seven (7) calendar days.

If a timely meeting is not arranged, the Association may proceed to Step Four of the grievance procedure providing it does so within twenty-one (21) calendar days of the initiation of Step Three.

If a meeting is arranged but a timely answer is not forwarded to the Association, or the Association finds the answer unacceptable, the Association may proceed to Step Four of the grievance procedure provided it does so within twenty-one (21) calendar days of the time of the meeting.

Step Four:

The grievance shall be submitted to the President or his/her designated representative.

The Association and the University President shall each appoint one representative from within the University who shall meet to choose a mutually agreeable third person.

If the parties are unable to choose a third person within seven (7) calendar days, the American Arbitration Association shall be requested by either or both parties to provide a list of five (5) arbitrators. All five (5) members of this list shall be employed full time by a college or university, other than Wayne State University. The University and the Association shall each rank the five (5) names and strike from the list names that are unacceptable. The American Arbitration Association shall then designate from this list the name that is most acceptable to both parties. If no name from the list is acceptable to both parties, the American Arbitration Association shall be requested to furnish a second list of five (5) names, and the process shall be repeated. In the event that no name is acceptable to both parties from the second list, the

Regional Director of the American Arbitration Association shall be asked to designate the third person to serve on the panel. This person shall be a full-time employee of a college or university, other than Wayne State University, whose name has not appeared on any of the previous lists.

This three person panel shall then conduct a hearing to begin as soon as possible after the designation of the third person. There shall be no formal rules of evidence, and the panel shall operate in accord with the prevailing rules of the American Arbitration Association. Each party may present its own witnesses, and if it so desires, the panel may also call witnesses of its own.

The panel's jurisdictional authority is defined and limited to the determination of a grievance as defined in Section B. of this Article. The panel shall have no power to add to or to subtract from or modify any of the terms of this Agreement, and its findings shall be consistent with the terms of this Agreement. Also excluded from the panel's jurisdiction are grievances related to promotion, tenure, and reappointment, unless provided for elsewhere in this Agreement. The panel shall issue its decision within thirty (30) calendar days after the conclusion of testimony, argument, and submission of briefs.

The award of the panel shall be based exclusively on evidence presented at the hearing. There shall be no appeal from the decision of the panel. It shall be final and binding on the part of the Association, bargaining unit members and the University.

F. Right to Counsel

At any step of the grievance procedure, the appointed representative(s) of either the Association or the administration may be an attorney who is a full-time employee of Wayne State University, or the representative for the Association may be the Association attorney. An attorney shall not participate at any level of the grievance procedure unless the other party has been afforded an opportunity in advance to have an attorney present.

At Step Four of the grievance procedure only, the grievant may be represented by counsel of his/her choice and shall be solely responsible for the fees and expenses of such counsel.

G. Extensions of Time Limits

Time limits set forth herein, subsequent to the filing of the grievance as specified in Section E., may be extended by mutual agreement. At the option of the grievant, the Association, or the administration, the processing of a grievance (filed by a nine-month employee) which would take place in a summer term in order to meet the time limit specified in this Article, may be postponed until the beginning of the next academic term.

H. Settlements

In no event shall the University's liability antedate thirty (30) days before the filing of the grievance nor will the University be required to pay any interest, penalty, or other cost, except as provided for in the letter of agreement, Reference: Compensation Settlements, dated March 7, 1973.

I. Expenses

The professional fee and expenses of the third person on the panel shall be borne equally by the Association and the University. All other expenses shall be borne by the party incurring them.

J. Withdrawal of Grievance

The Association may withdraw a grievance at any step of the grievance procedure, and such withdrawal shall be without prejudice.

K. Rights of Management

While a grievance is pending, all managerial and administrative rights and functions, except those which are abridged by this Agreement, are vested exclusively in the University's Administration.

L. Additional Time for Internal Appeal

If the Association advises the University during any of the above-specified 21-day periods that an internal appeal is in progress, the Association shall be given an additional twenty-one (21) calendar days in which to appeal to the next step. The fact of such internal appeal shall not be used against the grievant in any step of the grievance procedure.

M. Right to Representation

If a member of the bargaining unit reasonably anticipates some disciplinary action may result from a meeting with a University administration representative or his/her designee, the bargaining unit member may request that an Association representative be present.

If some disciplinary action results during a meeting in which an Association representative is not present, the bargaining unit member has the right to terminate the meeting pending the arrival of an Association representative.

XVIII.

SELECTION ADVISORY COMMITTEES

Selection and Review of Departmental Chairpersons

When a new chairperson of a department (or administrator of equal function) is to be appointed, a committee shall be formed to seek and recommend candidates to the dean. Such committees shall include not less than one-half membership of bargaining unit members

elected by the department for which the chairperson is being sought and no more than one-third committee membership appointed by the dean from outside the unit. The remaining member(s) shall be appointed by the dean from among bargaining unit members in the department in question. This structure shall not obtain in those departments with fewer than five tenured full-time faculty, in which case the membership of the committee shall include not less than two-thirds bargaining unit members including representation from the department in question. A slate of at least three (3) candidates for chairperson shall be presented to the dean. If none of the candidates is acceptable the committee shall readdress the question. If a second slate of candidates is unacceptable the matter shall be forwarded to the Provost for whatever action or decision he or she deems appropriate.

Prior to the appointment or reappointment of an acting chairperson the dean shall consult with the selection advisory committee, and/or the departmental personnel committee, and/or the department tenured faculty, and/or the department tenured and non-tenured faculty.

Terms of appointment shall not exceed five (5) years. One year prior to the end of the term of a chairperson, upon the request of either the dean or a majority of the faculty of the department a review committee, comprised of tenured bargaining unit members of the department, shall be formed. At least sixty percent (60%) of the committee shall be elected by the department. This committee shall evaluate the progress of the department and the effectiveness of the chairperson and shall forward a report to the dean.

Selection and Review of Deans

When a new dean of a school or college or the Director of Health and Physical Education is to be appointed a committee shall be formed to seek and recommend candidates to the President or his/her designee. Such committees shall include not less than one-half membership of bargaining unit members elected by the college for which the dean is being sought and no more than one-third membership appointed by the President (or his/her designee) from outside the unit. The remaining member(s) shall be appointed by the President (or his/her designee) from among bargaining unit members in the college in question. A slate of at least three (3) candidates for dean shall be presented to the President (or his/her designee).

Prior to the appointment or reappointment of an acting dean the President (or his/her designee) shall consult with the selection advisory committee and/or an appropriate faculty committee of the college.

Terms of appointment shall not exceed five (5) years. One year prior to the end of a term of a dean, upon the request of either the Provost or a majority of the appropriate faculty council or governing

body a review committee, comprised of tenured faculty members of the school or college, shall be formed. At least sixty percent (60%) of the committee shall be elected by the college. Such a committee shall evaluate the progress of the school or college and the effectiveness of the dean and shall forward a report to the President or his/her designee.

Selection and Review of Directors

When a new director of the Libraries, Archives or Admissions is to be chosen, a committee shall be formed to seek and recommend candidates to the President or his/her designee. Such committees shall include not less than twenty-five percent (25%) membership of bargaining unit members from the unit for which the director is sought and not less than fifty percent (50%) bargaining unit members.

Terms of appointment shall not exceed five (5) years. One year prior to the end of the term of a director, either the President or his/her designee or the Policy Committee of the University Council may request a review committee be formed. Such a committee shall evaluate the progress of the unit and the effectiveness of the director and shall forward a report to the President or his/her designee.

Other Procedures

Nothing in this article shall preclude the appropriate appointing administrative officer and the affected faculty group from developing alternative mutually acceptable procedures for selection and review instead of those outlined above. Any such agreement must be ratified by two-thirds of the voting faculty in question and is assumed to be case specific. Moreover, this section does not preclude the traditional rights of faculty to meet as individuals with appropriate administration officers to voice their opinions.

XIX. VALIDITY

In the event that any portion of this Agreement is declared to be or becomes inoperative under State or Federal law or by any court decision, the balance of the Agreement shall remain in full force and effect, and the parties hereto agree to meet and renegotiate, if possible, the inoperative portion of the Agreement.

XX. DURATION OF AGREEMENT AND CESSATION OF BARGAINING

This Agreement shall become effective on the date of signing and shall continue in full force and effect until midnight of July 31, 1981 when it shall terminate. If either party desires to modify or

amend this Agreement, it shall give the other party written notice to that effect not more than one hundred twenty (120) days and not less than ninety (90) days prior to July 31, 1981. Such written notice shall be sent by registered or certified mail to the other party.

The University and the Association agree that the settlement made effective as of the effective date of this Agreement is in full settlement of all contract issues in dispute between the parties (except the issue of the physician's practice plan) and both parties waive their rights to all bargaining on such issues (other than the physician's practice plan issue) and any other issues unless mutually agreed to by the parties.

XXI.

TERM APPOINTMENTS

- A. A term appointment is an employment contract for a specified period of time. Term appointments shall be in writing and shall indicate compensation, and the period of the appointment. Any special conditions related to the term appointment shall be included in the letter of offer.
- B. Qualified individuals, upon the recommendation of the departments/divisions and colleges, may be granted, in the ranks of instructor and above and in the academic staff classifications, term appointments which are limited to a maximum of seven years of full-time service at this University. Full-time service in the rank of assistant professor or higher at an accredited baccalaureate granting institution other than Wayne State University shall be counted for up to three years unless the faculty member and the dean concur in a request for a reduction in service credit during the faculty member's first year at Wayne State University. A copy of the waiver request will be forwarded to the AAUP. The faculty member may cancel the waiver request within a two-month period after its submission.
- C. Appointment procedures shall provide written notice of non-renewal of appointment at least six months prior to expiration of a one-year term appointment. Where the term appointment is for two or more academic years, written notice shall be provided at least twelve months prior to the expiration of the appointment. Failure to provide notice, however, shall not constitute a basis of claim for tenure. After seven years of service at Wayne State University, assistant athletic coaches and athletic coaches shall be provided at least eighteen months' written notice of nonrenewal of appointment.
- D. Annually, the chairperson, dean or director (as appropriate), after

consultation with the unit tenure committee, shall discuss with each bargaining unit member on a term contract his/her professional performance. If the unit contains more than 15 persons on term appointments, the chairperson, dean or director (as appropriate) may, after consultation with the unit tenure committee, select a designee from that committee (or other mutually agreeable person) to conduct some of these discussions. In cases where the bargaining unit member is not satisfied with the review performed by a designee, upon request, he/she may be reviewed by the chairperson, dean or director (as appropriate). The chairperson, dean or director shall review all written summaries of reviews conducted by designees. A summary of this review shall be kept on file in the department/division or college, as appropriate, along with supporting or dissenting material provided by the individual. Neither the summary nor the discussion shall imply any commitment to recommend tenure.

- E. If in the opinion of a bargaining unit member and the Association, the bargaining unit member has improperly been denied renewal of a term appointment, a Step III grievance may be filed for the purpose of requesting a reconsideration. After the Step III meeting the decision to grant a reconsideration will be at the discretion of the Provost. If the Provost denies reconsideration he/she shall provide his/her written reason for his/her decision to the Association. The matter shall in no case be carried forward to Step IV of the grievance procedure. However, upon request of the Association a meeting with the Provost (or his/her designee) to further discuss the reasons for the Provost's decision shall be held.
- F. Except where modified by this Article the University's existing term appointments statutes shall remain in full force and effect.
- G. Except for procedural matters, all matters related to term appointments are not subject to the Grievance Procedure (Article XVII).

XXII.

TENURE PROCEDURES

A. Definition

Tenure is a contractual status previously defined in the Statutes of the Board of Governors. Tenure is granted by the Board of Governors upon recommendation of the President in accordance with the procedures set forth below. There is no right to receive tenure but there is a right to fair consideration for tenure as prescribed in this Article.

B. Eligibility

Persons in the payroll classification of instructor, lecturer, assistant

athletic coach, and athletic coach may not hold tenure. Any member of the faculty or the academic staff, who has completed more than three years full-time service at Wayne State University, or who has three years of credited prior service and more than two years of full-time service at Wayne State University, must, upon application, be considered as a candidate for tenure and formally assessed on the basis of the criteria and according to the procedures described below. Highly qualified individuals may be recommended for tenure regardless of their length of service. In rare and unusual circumstances a fractional-time faculty or academic staff member serving 50% time or more may be granted and hold fractional-time tenure.

C. Basis for Tenure Recommendations

The parties agree that the basic functions of the University are the transmission and generation of knowledge. We intend this article to further this commitment.

A recommendation for tenure is based upon a candidate's qualifications in the light of specific department/division, college, and University considerations. The assessments of a faculty candidate's qualifications shall be based upon excellence in teaching and in scholarly achievement or, for a faculty candidate in the creative or performing arts, in creative professional achievement. The assessments of an academic staff candidate's qualifications shall be based upon excellence in job performance and in appropriate scholarly or professional achievement. Consideration shall also be given to non-instructional service to the department, college, and/or University and/or public and/or professional service which benefits the University.

Assessments of a candidate's qualifications must take into consideration both performance to date and prospects for continued excellence based on that performance.

There shall be no establishment of a fixed proportion of tenured to nontenured faculty in the University, in any college, or in any department/division.

At no level in this procedure shall a ranked list of candidates for tenure be forwarded.

D. Procedures

1. Faculty Recommendations for Tenure

- a. Each department/division in the Colleges/Schools of Business Administration, Education, Engineering, Liberal Arts, and Medicine, and each division in the College of Lifelong Learning and in the College of Pharmacy and Allied Health Professions, and each of the Colleges/Schools of

In such units the chairperson will consult with the tenured faculty members prior to initiating a tenure recommendation.

d. *College (or School) Committee*

The faculty of each college shall elect a committee of tenured faculty bargaining unit members which shall be responsible for evaluating candidates and for making tenure recommendations for only those candidates who have been recommended by the department/division committees and/or the chairperson. The College of Engineering may choose to elect a separate college-wide committee to consider tenure recommendations from the Division of Engineering Technology. There shall be no college-wide committees for the Colleges of Lifelong Learning and Pharmacy and Allied Health Professions. A two-thirds affirmative vote of the membership of the committee shall be required for a recommendation for the granting of tenure. The dean (or his/her designee) shall chair the committee without vote. A committee representative shall be elected from among the bargaining unit members of the committee who shall serve as spokesperson for the committee. The recommendations of the committee shall be forwarded to the dean together with its assessments and supporting documents. The dean, after consultation with the appropriate department/division and college committees, may also initiate recommendations for the granting of tenure which, along with supporting documents and assessments, shall be forwarded to the Office of the President. A faculty member of a college not listed in Section D.1.b. may withdraw his/her name from consideration for tenure. If no recommendation for tenure is being sent to the Office of the President for those faculty members considered at the college level and it is the faculty member's fourth, fifth or sixth year of service at Wayne State University, the faculty member shall be so notified in writing by the dean.

2. *Academic Staff Tenure Recommendations*

- a. The academic staff collegial units as referred to below shall comprise the academic staff members in: Academic Advising Division in the College of Liberal Arts, Archives, each division in the College of Lifelong Learning, University Counseling Services, University Libraries, and University Office of Admissions.
- b. The academic staff collegial units (defined above) and the dean/director in all other units where academic staff personnel are assigned, shall delineate, as far as is practical and in a manner reflecting the particular mission and diverse characteristics of the unit, those factors that will be considered in the evaluation of the candidate's qualifications with respect to the criteria in Section C of this Article and to those department/division/college factors that may have a bearing on the tenure recommendations. Such statements shall be reviewed biennially and must receive the approval of the dean/director prior to implementation. Statements effective in a given academic year shall have been approved by July 1 of the previous fiscal year and shall be distributed to each academic staff member in the unit.

1) *Academic Staff Collegial Tenure Committees*

The academic staff in each of the academic staff collegial units shall elect a committee of tenured bargaining unit members which shall be responsible for evaluating candidates and for making tenure recommendations. A two-thirds affirmative vote of the membership of the committee shall be required for a recommendation for the granting of tenure. The dean/director (or his/her designee) shall chair the committee without vote. A committee representative shall be elected from among the bargaining unit members of the committee who shall serve as spokesperson for the committee. The recommendations of the committee, together with its written assessments and supporting documents for the granting of tenure, shall be forwarded to the dean/director.

2) *Dean/Director of the Academic Staff Collegial Units*

Upon receipt of the academic staff collegial unit tenure committee recommendations the dean/director (or his/her designee) shall attach his/her recommendations and written assessments to those of the committee. Those recommendations that have received the endorsement of the tenure committee and/or the dean/director shall be forwarded, along with the supporting documents and written assessments, to the Office of the President. The dean/director (or his/her designee), after consultation with the committee, may also initiate recommendations for the granting of tenure which, along with supporting documents and assessments, shall be forwarded to the Office of the President. An academic staff member may withdraw his/her name from consideration for tenure. If no recommendation for tenure is being sent to the Office of the President for an academic staff member and it is the academic staff member's fourth, fifth, or sixth year of service at Wayne State University, the academic staff member shall be so notified in writing by the dean/director.

In an academic staff collegial unit with fewer than three tenured academic staff members, not including the dean/director, the dean/director shall possess the authority and functions of the academic staff collegial unit tenure committee. In such units the dean/director will consult

with the tenured academic staff members prior to initiating a tenure recommendation.

d. *Other Academic Staff Classifications*

Those academic staff members who are not members of units specified in Section D.2.a. of this Article shall be evaluated for the purpose of making tenure recommendations by their deans/directors (or their designees). The dean/director shall notify an academic staff member when a recommendation for tenure has been initiated. An academic staff member may withdraw his/her name from consideration. If no recommendation for tenure is being sent to the Office of the President for an academic staff member and it is the academic staff member's fourth, fifth or sixth year of service at Wayne State University, the academic staff member shall be so notified in writing by the dean/director.

3. *Office of the President*

The Office of the President shall review all recommendations for tenure forwarded from the various colleges, schools, and divisions for the purpose of making a final decision upon whether to recommend tenure.

Ten (10) persons shall be appointed jointly by the Policy Committee of the University Council and the President or his/her designee from a slate of twenty (20) tenured faculty bargaining unit members elected by the University Council to serve on the University Tenure and Promotion Committee which shall advise the Provost on faculty tenure cases for which she/he seeks counsel. The twenty (20) member slate shall include at least one (1) member of each of the Colleges/Schools of Social Work, Law, Business Administration, Liberal Arts, Nursing, Education, Engineering, Lifelong Learning, Medicine, Pharmacy and Allied Health Professions, and the Division of Health and Physical Education. The final ten (10) person committee shall not contain more than three (3) members from any one College. The Provost shall submit to the committee and the committee shall consider those cases in which his/her decision is not to recommend tenure. If the committee disagrees with the Provost's decision not to recommend tenure, the committee's recommendation will be transmitted to the President. The Provost may also seek the committee's counsel on other tenure decisions. The University Tenure and Promotion Committee shall be responsible for evaluating and making tenure recommendations for only those tenure cases submitted to it by the Provost.

Faculty bargaining unit members who are currently serving on College/School/Division Tenure and Promotion Committees except for those which are initiating committees, shall not be elected to the slate submitted to the Policy Committee and the President.

Five (5) persons shall be appointed by the Policy Committee of the University Council and the President or his/her designee from a slate of ten (10) tenured academic staff bargaining unit members elected by the University Council. The ten (10) person slate shall include at least one (1) person from each of the collegial units of Archives, Academic Advising Division in the College of Liberal Arts, University Office of Admissions, the College of Lifelong Learning, University Counseling Services, the University Libraries, and one (1) member from an academic staff grouping not represented above.

No more than two (2) persons from any one academic staff unit shall be chosen. These five (5) persons along with three (3) members of the faculty University Tenure and Promotion Committee, defined above, will form the Academic Staff Tenure and Promotion Committee.

Whenever a dean/director appears before either of the University committees, he or she shall be accompanied by the elected college/unit committee representative.

The President retains the ultimate right to initiate or review any tenure recommendation, including the assessment of the candidate's qualifications, and to make affirmative recommendations to the Board of Governors. However, whenever the President initiates a tenure recommendation he/she will first consult with the tenure committee in the appropriate unit. If there is no tenure committee in the Department/Division, the President will consult the College/Division committee. If there is no College/Division committee the President will consult the University-wide committee. If the President does not recommend for tenure any candidate who received an endorsement for tenure from the college/division committee and/or the dean/director, the candidate may request in writing from the Office of the President, within fifteen (15) days after written notice, the compelling substantive reason(s) for not endorsing the college recommendation. The Office of the President will provide such reason(s) in writing within thirty (30) days.

4. *Time Schedule*

Each year the Office of the President shall establish a time

schedule for the submission of tenure recommendations to the Office of the President and for the submission of the President's affirmative recommendations to the Board of Governors.

E. Appeal Procedures

1. *Appeal of Department/Division Decisions*

If neither the department/division committee nor the department/division chairperson recommends tenure, the candidate may, within fifteen days after written notice of the decisions, request, in writing, a reconsideration of the decision by the department/division tenure committee and/or by the chairperson. The candidate may, at his/her option, appear before the committee.

If on reconsideration the chairperson and/or the department/division tenure committee decide to recommend the candidate for tenure, then the chairperson shall notify the candidate of the decisions and shall forward the recommendations in the usual manner. But if after reconsideration the chairperson and the department/division tenure committee both reaffirm their negative recommendations, then the chairperson shall notify the candidate of the decision not to recommend tenure.

In the event that neither the department/division committee nor the chairperson recommends the granting of tenure to a candidate, the candidate may, within fifteen days after written notice of the decision, forward his/her application for tenure, along with supporting documents, to the dean of the college.

The dean and the college committee will consider the application in the normal manner.

2. *Appeal of the College/Division Decision*

a. *Faculty*

If neither the college committee nor the dean recommends tenure, the chairperson and/or the department/division committee may, within fifteen days after written notice of the decision, request, in writing, reconsideration by the college tenure committee and/or the dean.

In those colleges without department/division tenure committees and where there is no recommendation for tenure, the candidate may, within fifteen days after written notice of the decision, request reconsideration by the college tenure committee and/or the dean. The candidate may, at his/her option, appear before the college committee.

b. *Academic Staff*

If neither the academic staff collegial tenure committee nor the dean/director recommends tenure, the candidate may, within fifteen days after written notice of the decision, request, in writing, reconsideration by the tenure committee and/or the dean/director. The candidate may, at his/her option, appear before the tenure committee.

In those colleges/divisions without academic staff collegial tenure committees and where there is no recommendation for tenure, the candidate may, within fifteen days after written notice of the decision, request reconsideration by the dean/director. If after reconsideration the dean/director reaffirms his/her negative recommendation, the candidate may forward his/her application for tenure, along with supporting documents, to the Office of the President.

3. *Grievance*

If, in the opinion of the candidate and the Association, the failure to recommend the award of tenure was, at any level, based substantially on the candidate's exercise of his/her constitutional rights or was due to a violation of this Agreement, the candidate may file a grievance at Step III of the Grievance Procedure (Article XVII). If the grievance proceeds to arbitration, the arbitrator's authority shall be limited to a determination of whether the alleged violation did occur. If the arbitrator finds that a violation as specified in this section did occur, then the President shall conduct an appropriate review and may, in his/her review of the case, consult with qualified scholars from outside the University.

4. *Initiation of Appeal Procedures*

When a faculty member or an academic staff member has completed more than three years of full-time service at Wayne State University or who has three years of credited service prior service and two or more years of service at Wayne State University, he/she may initiate, one time only, the appeal procedure described in Sections E.1., E.2., and E.3. of this Article.

F. Except where modified by this Article the University's existing tenure statute shall remain in full force and effect.

G. Except as specified in this Article, all matters related to tenure are not subject to the Grievance Procedure (Article XVII).

XXIII.

PROMOTION PROCEDURES

A. Faculty

1. *Definition*

Appointments to the faculty may be made in the ranks of Instructor, Assistant Professor, Associate Professor or Professor. Promotion is the advancement of a faculty member from one of these ranks to the next.

2. *Basis for Promotion Recommendation*

A recommendation for promotion is based upon a candidate's qualifications in the light of specific department/division, college and University considerations and not primarily upon length of service in rank. The assessments of a candidate's qualifications shall be based upon excellence in teaching and in scholarly achievement or, for a candidate in the creative or performing arts, in creative professional achievement. Consideration shall also be given to non-instructional service to the department, college, and/or University and/or public and/or professional service which benefits the University.

Assessments of a candidate's qualifications must take into consideration proven abilities, professional experience, and potential for continued professional growth as appropriate to the candidate's current and contemplated ranks.

At no level in this procedure shall a ranked list of candidates for promotion be forwarded.

3. *Procedures*

a. *Recommendations for Promotion*

Each department/division in the Colleges/Schools of Business Administration, Education, Engineering, Liberal Arts, and Medicine, and each division in the College of Lifelong Learning and in the College of Pharmacy and Allied Health Professions, and each of the Colleges/Schools of Health and Physical Education, Law, Nursing, and Social Work shall delineate, as far as is practical and in a manner reflecting the particular mission and diverse characteristics of the unit, those factors that will be considered in the evaluation of the candidate's qualifications with respect to the criteria in Section A.2. of this Article and to those department/division and college/school factors that may have a bearing on the promotion recommendations. Such statements shall be reviewed biennially and must receive the approval of the dean/director of the college/school prior to implementation. Statements effective

in a given academic year shall have been approved by July 1 of the previous fiscal year and shall be distributed to each faculty member in the unit.

A recommendation for a promotion from instructor to assistant professor may be processed without the involvement of the faculty promotion committees. If the recommendation for promotion is not approved by the dean or by the provost there may be no appeal or grievance filed. However, a subsequent recommendation for promotion may proceed through the procedures described in this Article, with the involvement of the faculty promotion committees, without prejudice.

Annually the unit promotion committee and the chairperson or dean/director (as appropriate) shall review each faculty member of the department/college with regard to the appropriateness of his/her rank.

b. *Department/Division Committee*

The department/division tenure committees in the Colleges/Schools of Business Administration, Education, Engineering, Liberal Arts, and Medicine and in each division in the College of Lifelong Learning and in the College of Pharmacy and Allied Health Professions shall also serve as the promotion committees and shall be responsible for evaluating candidates and for making promotion recommendations. A two-thirds affirmative vote of the eligible membership of the committee shall be required for a recommendation for promotion. No member of the committee shall participate in or vote on a promotion recommendation to a rank higher than his/her current rank. The department/division chairperson (or unit head), regardless of rank, shall chair the committee without vote. A committee representative shall be elected from the bargaining unit members of the committee who shall serve as spokesperson for the committee. The recommendations of the committee for promotion, together with its written assessments and supporting documents, shall be forwarded to the department/division chairperson.

c. *Department/Division Chairperson*

Upon receipt of the department/division committee recommendations the chairperson shall attach his/her written assessments and recommendations and shall forward both sets of recommendations and assessments to the dean of the college. The chairperson, after consultation with the department/division committee, may also initiate recommendations for promotion which, along with supporting documents and written assessments, shall be forwarded to the dean; the committee

may also forward its assessments and supporting documents to the dean. The chairperson shall notify a faculty member when the department/division committee has recommended him/her for promotion or when the chairperson initiates a recommendation for promotion. A faculty member may withdraw his/her name from consideration for promotion.

In a department/division with fewer than three tenured faculty members, not including the chairperson, the chairperson shall possess the authority and functions of the department/division committee. Prior to initiating a promotion recommendation in such units, the chairperson will consult with those tenured faculty members who hold rank higher than that of the candidate.

d. *College (or School) Committee*

The college tenure committee shall also serve as the college promotion committee and shall be responsible for evaluating candidates and for making promotion recommendations for only those candidates who have been recommended by the department/division committees and/or the chairperson. A two-thirds affirmative vote of the membership of the committee shall be required for a recommendation for promotion. No member of the committee shall be considered for promotion. The dean (or his/her designee) shall chair the committee without vote. A committee representative shall be elected from among the bargaining unit members of the committee who shall serve as spokesperson for the committee. The recommendations of the committee shall be forwarded to the dean together with its assessments and supporting documents. Anytime a department chairperson appears before the college committee, he or she shall be accompanied by the elected departmental committee representative.

In the Colleges/Schools of Law, Nursing, and Social Work, and in the Division of Health and Physical Education, the college committee may initiate promotion recommendations. The recommendations of these committees for the granting of promotions, together with a written assessment and supporting documents, shall be forwarded to the dean.

e. *Dean of the College*

Upon receipt of the college committee recommendations the dean shall attach his/her recommendations to those of the committee. In the Colleges/Schools of Law, Lifelong Learning, Nursing, Pharmacy and Allied Health Professions, and Social Work, and in the Division of Health and Physical Education,

the dean/director shall provide written assessments along with his/her recommendations. Those recommendations that have received the endorsement of the college committee and/or the dean shall be forwarded, along with the supporting documents and assessments, to the Office of the President. The dean, after consultation with the appropriate department/division and college committees, may also initiate recommendations for promotion which, along with supporting documents and assessments, shall be forwarded to the Office of the President. A faculty member of a college listed in A.3.d. may withdraw his/her name from consideration for promotion.

B. Academic Staff

1. Definition

Classifications within the academic staff consist of a general classification title and a series of ranks within that classification. A promotion within an academic staff classification is an advancement from one sequential level to the next higher level in that classification.

2. Basis for Promotion Recommendations

a. University Libraries, Archives and Liberal Arts Advising

A recommendation for promotion is based upon a candidate's qualifications in light of specific Libraries/Archives/Liberal Arts Advising and University considerations and not primarily upon length of service in rank. The assessments of a candidate's qualifications shall be based on excellence in job performance and in appropriate scholarly or professional achievement. Consideration shall also be given to non-instructional service to the Libraries/Archives/Liberal Arts Advising and/or University and/or public and/or professional service which benefits the University.

Assessments of a candidate's qualifications must take into consideration proven professional abilities, professional experience and potential for continued professional growth and leadership as appropriate to the candidate's current and contemplated ranks.

The librarians/archivists/Liberal Arts advisors shall delineate, as far as is practical, and in a manner reflecting the particular mission and diverse characteristics of the unit, those factors that will be considered in the evaluation of the candidate's qualifications with respect to the above criteria and those Libraries/Archives/Liberal Arts Advising factors that may have a bearing on the promotion recommendations. Such

statements shall be reviewed biennially and must receive the approval of the director prior to implementation. Statements effective in a given academic year shall have been approved by July 1 of the previous fiscal year and shall be distributed to each librarian/archivist/Liberal Arts advisor.

Annually, the unit promotion committee and the director shall review each librarian/archivist/Liberal Arts advisor with regard to the appropriateness of his/her rank.

b. *Other Academic Staff Units*

For an academic staff member other than a librarian/archivist/Liberal Arts advisor, opportunities for promotion shall be made available as authorized position vacancies occur within an academic staff member's classification.

As such vacancies occur, they shall be communicated under existing University policies. A vacancy may be filled by promotion, by reclassification, or by appointment from outside the University. If a vacancy is filled by a promotion from within the unit the vacancy need not be communicated, except that in academic staff units which do not have academic staff collegial promotion committees, the vacancy shall be communicated within the unit.

Applicants for an existing vacancy shall be judged upon their qualifications and according to the duties and responsibilities of the vacant position.

An academic staff member may also be promoted based on a reevaluation of the position and upon his/her qualifications, excellence in job performance, and demonstrated professional achievement. Vacancy communications for such promotions are not required. If positions upgraded in this fashion later become vacant, they may be filled at a lower rank.

At no level in this procedure shall a ranked list of candidates for promotion be forwarded.

3. *Procedures*

a. *Academic Staff Collegial Promotion Committees*

The academic staff collegial tenure committees shall also serve as the promotion committees and shall be responsible for evaluating candidates and for making promotion recommendations. A two-thirds affirmative vote of the eligible membership of the committee shall be required for a recommendation for promotion. No member of the committee shall participate in or vote on a promotion recommendation to a rank higher than his/her current rank. The dean/director (or his/her

designee) shall chair the committee without vote. A committee representative shall be elected from the bargaining unit members of the committee who shall serve as spokesperson for the committee. The recommendations of the committee shall be forwarded to the dean/director together with its written assessments and supporting documents.

b. *Deans/Directors*

Upon receipt of the committee recommendations the dean/director (or his/her designee) shall attach his/her recommendations and written assessments to those of the committee. Those recommendations that have received the endorsement of the committee and/or the dean/director shall be forwarded, along with the supporting documents and written assessments to the Office of the President. The dean/director (or his/her designee), after consultation with the committee, may also initiate recommendations for promotion which, along with supporting documents and written assessments, shall be forwarded to the Office of the President. The dean/director shall notify an academic staff member when the committee has recommended him/her for promotion or when the dean/director initiates a recommendation for promotion. An academic staff member may withdraw his/her name from consideration for promotion.

In an academic staff collegial unit with fewer than three tenured academic staff members, not including the dean/director, the dean/director shall possess the authority and functions of the academic staff collegial promotion committee. Prior to initiating a promotion recommendation in such units, the dean/director will consult with those tenured academic staff members who hold rank higher than that of the candidate.

C. Office of the President

The Office of the President shall review all recommendations for promotion forwarded from the various colleges, schools, and divisions for the purpose of making a final decision upon whether to grant or to recommend promotion in accordance with the authority delegated to the President by the Board of Governors.

The University Tenure and Promotion Committee shall advise the Provost on faculty and academic staff promotion cases for which he/she seeks counsel. The Provost shall submit to the committee and the committee shall consider those cases in which his/her decision is not to recommend promotion. The Provost is not required to submit to the University Tenure and Promotion Com-

mittee those cases that are "promotions to vacancies" for academic staff. (See Section B.2.b.) If the committee disagrees with the Provost's decision not to recommend promotion, the committee's recommendation will be transmitted to the President. The Provost may also seek the committee's counsel on other promotion decisions.

Any time a dean/director appears before either of the University committees, he or she shall be accompanied by the elected college/unit committee representative.

The President retains the ultimate right to grant or to recommend promotion.

If the President does not recommend for promotion any faculty member or academic staff member from a unit which has a collegial promotion committee who received an endorsement for promotion from the college/division or academic staff committee and/or the dean/director or any academic staff member from a unit which does not have a collegial promotion committee who received an endorsement for promotion from the University Tenure and Promotion Committee, the candidate may request in writing from the Office of the President, within fifteen days after written notice, the compelling substantive reason(s) for not endorsing the college or University Tenure and Promotion Committee (as appropriate) recommendation. The Office of the President will provide such reason(s) within thirty days. This paragraph does not apply to those cases which are "promotions to vacancies" for members of the academic staff.

Each year the Office of the President shall establish a time schedule for the submission of promotion recommendations to the Office of the President, except for recommendations for "promotions to vacancies" for academic staff which may be submitted at any time.

D. Appeal Procedures

1. Notification

A faculty member or academic staff member may request written notification from the chairperson/dean/director (as appropriate) if he/she is not being recommended for promotion.

The candidate may, at his/her option, appear before the committee.

If on reconsideration, the chairperson and/or the department/division promotion committee decide to recommend the candidate for promotion, then the chairperson shall notify the candidate of the decisions and shall forward the recommendations in the usual manner. But if after reconsideration the chairperson and the department/division promotion committee both reaffirm their negative recommendations, then the chairperson shall notify the candidate of the decision not to recommend promotion.

In the event that neither the department/division committee nor the chairperson recommends promotion of a candidate, the candidate may, within fifteen days after written notice of the decision, forward his/her application for promotion, along with supporting documents, to the dean of the college.

The dean and the college committee will consider the application in the normal manner.

4. *Appeal of the College/Division Decision*

a. *Faculty*

If neither the college committee nor the dean recommends

promotion, the chairperson and/or the department/division committee may, within fifteen days after written notice of the decision, request, in writing, reconsideration by the college promotion committee and/or the dean.

If the grievance proceeds to arbitration, the arbitrator's authority shall be limited to a determination of whether the alleged violation did occur.

If the arbitrator finds that a violation as specified in this section did occur, then the President shall conduct an appropriate review and may, in his/her review of the case, consult with qualified scholars from outside the University.

E. Except as specified in this Article, all matters related to promotions are not subject to the Grievance Procedure (Article XVII).

XXIV.

REVIEW OF PROFESSIONAL DUTIES

- A. The duties of bargaining unit members shall be reasonable and fair and shall reflect teaching duties of faculty, professional assignments of academic staff, research activity, creative professional activity, and service to Wayne State University.
- B. If there is a substantial change in the duties of a bargaining unit member which he/she considers contrary to his/her responsibilities, he/she may request review of the department/division or college action by the dean/director.
- C. If the bargaining unit member is dissatisfied with the dean/director review, he/she may request a review by a seven person committee. The Provost shall appoint four bargaining unit members from a slate of eight nominees and one non-bargaining unit member from a slate of two nominees, both slates furnished by the University Council. One member shall be designated by the AAUP and one member by the Provost. The Committee shall review the case and make recommendations to the Provost.
- D. If the Provost agrees with the recommendations, he/she will implement them. If he/she does not accept the Committee recommendations, he/she will meet with the Committee and discuss the matter. If the Committee and the Provost are in disagreement after this discussion, the Committee may ask that the matter be appealed to a review panel, consisting of the AAUP Committee member, a bargaining unit member selected by and from the bargaining unit Committee members, the Provost's designee on the Committee and the non-bargaining unit member of the Committee. This panel will attempt to resolve the matter.

If the panel cannot resolve the matter, the matter shall be referred to a single arbitrator selected in accordance with the selection procedures provided in Article XVII, Step Four. The position of the administration members of the panel and the position of the bargaining unit members of the panel shall be submitted to the arbitrator for final and binding decision. The arbitrator shall choose either the position of the administration members or the bargaining unit members without modification.

XXV.

PERSONNEL FILES

All personnel records concerning an individual member of the bargaining unit submitted prior to employment shall be placed in a confidential pre-employment file. If the pre-employment file is consulted

in a tenure or promotion decision, the individual shall be so notified.

A post-employment file (containing material dated January 1, 1975 and thereafter) will be maintained for each bargaining unit member within the department or college as appropriate. This file shall contain either originals or copies of any and all materials (except for those materials which are readily accessible and outside letters as described below) used by the unit in tenure and promotion or disciplinary proceedings. Individual bargaining unit members shall have access to all materials placed in their post-employment file. The responsible officer must comply with a request for such access within three (3) working days. In the absence of such a responsible officer and in the case of an urgent need for access to the files, the bargaining unit member may request that the Associate Provost for Faculty Relations or his/her designee open the file. In the event of disagreement, the bargaining unit member may appeal to the Provost for a final decision. Individuals may request that duplicates of any materials in the file be made at the individual's own expense.

The author or preparer of all materials placed in the personnel file shall be identified.
