ARTICLE I

GENERAL

SECTION 1.1—*Scope of Contract.* It is agreed that this Contract shall govern the hours, wages and other conditions of employment of Employer's meat department employees in Self-Service Meat Markets only within the geographical jurisdiction of Local 546, and that the hours, wages and other conditions of employment of Employer's meat department employees in Service Markets are covered by a separate Contract. It is further agreed that the Employer shall have the sole discretion of determining from time to time which system of merchandising, service or self-service, shall be utilized in each of the Employer's markets; provided that the Employer shall comply with the wages, hours and other contractual conditions of employment pertaining to the system of merchandising used in that market.

SECTION 1.2—*Definitions:*

(a) *Apprentice:* An apprentice is an employee who is in training to become a Jour-

neyman Meat Cutter. Apprentices must be at least sixteen (16) years of age.

Apprentices may be employed at a ratio of not exceeding three (3) for each seven (7) Journeymen employed by the Employer within the jurisdiction of the Local. A quarterly report covering the number of Apprentices employed in relationship to the number of Journeymen shall be furnished the Union. The Employer agrees to rotate all Apprentices in his markets so as to give them sufficient, well-rounded experience to qualify them as Journeymen at the end of the three (3) year apprenticeship period. Apprentices shall not work part time or as extra men on Saturdays or the day preceding holidays.

(b) *Journeyman*: After serving three years of apprenticeship (two and one-half (2½) years if the apprentice furnishes the Employer with a Certificate issued by the Washburne Trade School that he has satisfactorily completed the full meat training course of said school), an employee shall be classified as a Journeyman Meat Cutter and shall be paid the Journeyman rate of pay.

(c) *Head Meat Cutter*: The term "Head Meat Cutter" means a Journeyman meat cutter who is responsible for the efficient management of the market.

(d) *Wrappers*: Full-time wrappers may be employed and their duties shall be confined to slicing luncheon meats and sausage; clean-up work in the market; stocking cases;

and wrapping, scaling, and pricing. Wrappers may be employed at a ratio of one wrapper for every four meat cutters (journeymen and apprentices) under a formulation of using the total complement of meat cutters in the local union to determine the number of wrappers an employer may employ. Wrappers shall not use knives, saws, grinders, cube machines or other mechanical equipment used in the preparation or processing of fresh meats or poultry other than as specified above. Present market personnel will not be reclassified or laid off due to the hiring of wrappers. A quarterly report covering the number of wrappers employed in relationship to the number of meat cutters (apprentices and journeymen) shall be furnished the Union.

(e) *Clean-up Personnel:* The employer may employ personnel in the market who will not be subject to the collective bargaining agreement to do clean-up work only, provided such clean-up personnel do not commence work prior to 5:00 p.m. on the days the market is in operation.

(f) *Self-Service and Service:* A self-service market is one in which fresh beef, veal, lamb, mutton or pork are available for sale on a pre-package self-service basis. It is agreed that any market which is operated on a partially service and partially self-service basis shall be classified as a self-service market if any fresh beef, veal, lamb, mutton or pork are made available for sale on a pre-package self-service basis, even though there is also

a service counter offering custom cutting for those who prefer it. Such semi-self-service market shall be considered a self-service market subject to the terms and conditions and wage scale contained in this Self-Service Contract.

If no fresh beef, veal, lamb, mutton or pork are sold on a self-service basis, then the market is a Service market and shall be operated in accordance with the Service Contract. It is further expressly understood and agreed that if all fresh beef, veal, lamb, mutton and pork sold by a market are handled and sold on a service basis only, the fact that a market handles and sells, on a self-service basis, delicatessen and other meat products now excepted from the jurisdiction of the Union under the Service Contract shall not operate to classify such market as a self-service market; but such semi-self-service market shall nevertheless be considered a service market subject only to the wage scales, hours and other conditions provided in the Service Contract.

In the event of any dispute as to whether a meat market shall be classed as a service market subject to the terms and conditions of the Service Contract or a self-service market subject to the terms and conditions of this Contract, the decision of the Union shall be binding unless and until said decision has been set aside by any arbitration proceedings had pursuant to the terms of this Contract; provided, however, that either party may

require that such dispute be submitted to arbitration forthwith.

SECTION 1.3—*Notices*. All notices required under this Contract shall be deemed to be properly served if delivered in writing personally or sent by certified or registered mail to the offices of the Union at 130 N. Wells St., Chicago, Illinois 60606, or to the Employer at the address designated below, or to an employee at his home or residence address, or to any subsequent address which the Union, the employee, or the Employer may designate in writing for such purpose. Date of service of a notice served by mail shall be the date on which such notice is postmarked by a post office of the United States Post Office Department.

SECTION 1.4—*Partial Invalidity*. Nothing contained in this agreement is intended to violate any Law, Rule, or Regulation made pursuant thereto. If any part of this Agreement is construed by a court or board of competent jurisdiction to be in such violation, then that part shall be made null and void, the remainder of the Contract shall continue in full force and the parties will immediately begin negotiations to replace the void part with a valid provision.

SECTION 1.5—*Authority of Signing Parties*. The parties hereto certify that they are empowered and duly authorized to sign this Agreement.

SECTION 1.6—*Successors and Assigns.* This Agreement and the conditions and covenants contained herein shall be binding upon the successors and assigns of the parties hereto and none of the provisions, terms, conditions, covenants, or obligations herein contained shall be affected, modified, altered or changed in any respect whatsoever.

SECTION 1.7—*Effective Date.* Unless the context of a provision indicates otherwise, all provisions of the contract become effective upon the date of execution of the contract.

ARTICLE II

RECOGNITION AND JURISDICTION

SECTION 2.1—*Recognition.* The Employer recognizes and agrees that said Union is and shall be the sole and exclusive collective bargaining agency for and on behalf of all employees in the meat department of said Employer who process, pack, wrap, handle, price and sell frozen and fresh meats on Employer's premises, and that it will not negotiate with any but the duly elected officers of the Union nor contract with anyone not affiliated with the Union.

SECTION 2.2—*Processing.* In Self-Service markets employees covered by this Contract shall perform all cutting, preparing, fabricating handling, pricing and packaging into retail cuts of all fresh fish and rabbits and

all fresh or frozen beef, veal, pork, lamb and mutton, said work to be done only on the premises or immediately adjacent thereto; provided, however, that frozen specialty meat items such as the items enumerated in Section 2.3—Item 5 below, frozen, fresh or iced poultry cut up or whole, salt pork, vacuum or comparably tight-wrapped ham slices, shanks and butts, and skinned, deveined sliced liver may be fabricated and prepared into retail packages and pork loins may be boned by the packer, supplier or employer off the premises.

SECTION 2.3—*Sale.* In self-service markets, employees covered by this Contract shall have the exclusive jurisdiction over the sale of all fish, poultry, rabbits and meat, whether frozen fresh or fresh, and delicatessen meats, except sliced packaged bacon, sliced packaged Canadian bacon, canned and glassed meats of all kinds and all meats not for human consumption. The following meats subject to the Union's jurisdiction over sale may nevertheless be sold from self-service cases outside the market hours set out in Article V provided that employees covered by this Contract stock the cases:

- (1) All delicatessen meats including:
 - (a) Ready to eat prepared meats, poultry and fish;
 - (b) Sliced boiled, baked or barbecued ham;
