ARTICLES OF AGREEMENT

THIS AGREEMENT, mutually entered into this 10th day of December 1962, by and between the Pharmacists and Retail Drug Store Employees Union, Local #330, R.C.I.A. of Seattle and vicinity, hereinafter called the Union and Seattle-King County Pharmaceutical Society and the Seattle Retail Drug Distributors Association, for and on behalf of the individual employer members of each.

WITNESSETH: That for the mutual benefit of the parties hereto it is hereby expressly understood that the following shall be the scale of wages, the limitation of hours and the rules and working conditions to be observed by both parties of this Agreement.

RECOGNITION OF THE UNION

The Employer agrees to recognize and hereby does recognize the Union as the sole and exclusive collective bargaining agent for, and this agreement shall apply to, all persons employed who are engaged in selling or handling merchandise including employees of concessionaires, and all other employees not upon the effective date of this agreement under a signed contract with any other Union.

The Employer further agrees to not recognize, deal with, or enter into contractual relations either oral or written, with any other labor organization, agent individual or group concerning rates of pay, hours, or other terms and conditions of employment for any employees included in the bargaining unit hereinabove described.

or Snohomish

Hereafter, every store opened by the Employer, in King/County, which handles drugs, drug sundries and other merchandise presently handled by the Employer under this agreement, shall be considered an extension of the employer's operations and shall automatically be covered by this agreement. The fact that the employer creates a separate corporation or other business entity for the purpose of operating the new store shall not avoid the application of the foregoing clause.

No employer shall enter into any contract or arrangement with an employee or establish any rule or regulation which is contrary to or inconsistent with the provisions or purposes of this Agreement. In the event an arrangement, differing from but not contrary or inconsistent to this Agreement is made, it must be in writing and signed by the Employer and employee and approved by the Union.

Both the Employer and the Union agree to consider and not to raise unreasonable objections to requests for such arrangements by either Employer or the Union. In the event such an arrangement is desired and if no agreement is reached in ten (10) days, it may be settled by arbitration as provided for in Section 18 of this contract.

SECTION 1 - UNION SECURITY CLAUSE

a. All persons employed, who are engaged in selling or handling merchandise shall be members of the Retail Clerks Union, Local #330, including employees of concessionaires, and all other employees not upon the effective date of this agreement under a signed contract with any other union, except the owner, non-selling executives, and those managers exempted by Section 9.

b. It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the union in good standing on the effective date of this Agreement, shall remain members in good standing, and those who are not members on the effective date of this Agreement shall, on the thirtieth (30th) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the thirtieth (30th) day following the beginning of such employment, become and remain members in good standing in the Union.

For the purpose of this Section, the execution date of this Agreement shall be considered as its effective date.

c. The Employer agrees not to keep in his employ, in the classifications listed herein anyone whose membership in the Union has terminated because of the failure to tender periodic

dues or initiation fees uniformly required as a condition of acquiring or retaining membership in the Union.

d. Any new employee failing or refusing to secure membership in the Union as provided above shall, upon demand of the Union, be released from the employ of the Employer.

e. The Employer agrees to deliver to each new employee a notification kit from the Union outlining the provisions of this agreement and to send attached postcard properly filled out to the Union. These notification kits, including self-addressed, postage-paid postcard, shall be supplied by the Union to the Employers.

f. The Employer shall judge as to the competency of his employees and continuity of employment shall be based upon the employer's judgment of the merit and ability of the individual employee, provided that such judgment shall be fairly and reasonably exercised and provided however, that no employee shall be discharged or discriminated against for any Union activity or for performing service on a Union committee outside of business hours, or for reporting to the Union the violation of any provision of this Agreement.

g. The Employer agrees upon request to make available to the Union quarterly a copy of the list of employees from which his quarterly unemployment compensation report is compiled and their respective wage rates of preceding months. Upon request, this list shall be furnished within 10 days.

h. The Employer agrees to make available to the Union representative upon request payroll records of hours worked and wages paid as required by law.

i. All work and services connected with, or incidental to the operation of the employer's retail establishment, including the handling and selling of merchandise offered for sale to the public, shall be performed only by employees within the appropriate unit as defined in this agreement.

j. Access for Union Representative. Representatives of the Union shall continue to be permitted to contact the employees on the job to make proper investigation for the purpose of determining that this Agreement is being complied with by the Employer and for the presentation and handling of grievances, provided the union shall not interfere with a clerk waiting on a customer and shall not unreasonably interfere with the conduct of business.

SECTION 2 - WORK WEEK

a. The Basic Straight Time Work Week shall consist of forty (40) hours, to be worked in five (5) eight (8) hour days within the calendar week. Work schedules shall be arranged so that employees will not be required to work more than six (6) consecutive days without a day off except as provided in paragraph d-2 of this section. It is the purpose of this Agreement to establish a five (5) day, forty (40) hour work period in the calendar week.

b. The Basic Straight Time Workday shall consist of eight (8) hours, to be worked within nine (9) consecutive hours, with a scheduled uninterrupted meal period not less than one half nor more than one hour at approximately the middle of the workday. (Exception see Section 9, Paragraph f.)

c. Overtime is defined as: All work (including inventory work) in excess of the hours heretofore specified. Overtime on normal week days shall begin after fifteen (15) minutes past end of the shift. All time worked in excess of fifteen (15) minutes and less than thirty (30) minutes shall be counted as thirty (30) minutes. Over one-half (1/2) hour shall be computed as a full hour. It is the intention of the parties hereto that the fifteen (15) minutes period is not to be used for scheduling of specific duties, including but not limited to order and report writing, cleaning up, etc., but is for the purpose of permitting employees to serve customers in the store and to complete the work in progress necessary to closing the store. Any employee whose hourly shift has been completed before the closing time of the store shall discontinue doing any further work at the completion of his hourly shift, unless the manager or Employer requests further services of said employee. Then the employee shall be entitled to overtime.

Overtime pay shall be at the rate of one and one-half (1-1/2) times the employee's regular rate of pay, except when daily overtime work is performed on premium hours or on Holidays. The overtime pay therefore shall be one and one-half (1-1/2) times the applicable

premium hour or holiday rate of pay as specified in this Agreement.

d. Premium Hours. (1) All work performed before 7:00 A. M. or after 10:00 P. M. shall be premium time, and shall be paid for at the rate of one and one-half (1-1/2) times the employee's regular rate of pay.

(2.) All work performed on an employee's seventh (7th) consecutive workday and any consecutive day thereafter shall be premium time and shall be paid for at the rate of 10% extra the 7th day, 20% the 8th, 30% the 9th, etc. This may be waived for pharmacists and male clerks, ~~regularly scheduled to work six days if agreeable to both parties and approved by the Union.~~

(3) Sunday. No employee shall suffer loss of pay because of work on Sunday.

e. Work Schedule (1) It is agreed that the Employer will make work schedules available to employees forty-eight (48) hours before the start of the work week. It is understood and agreed that the established work schedule may be changed as required by unexpected emergencies in the store. The work schedule will designate the employee's day off.

(2) All employees shall be guaranteed work as scheduled or pay at applicable rates in lieu thereof, on each day that they report to and remain available for work as scheduled by the Employer, unless proper notice as herein defined is given.

f. There shall be no split shifts worked by any employee.

g. Part-time shifts shall be assigned for periods of not less than four (4) consecutive hours and shall be compensated for at the rates listed.

h. Pre-designated Day Off Guarantee. Any employee called for work on his pre-designated day off, as established in the work schedule provisions, shall be guaranteed eight hours work at the overtime rate of pay if the employee is available for eight hours, with the exception that this clause shall not apply if, in order to cover the store, the employee is required to work in the event of emergency and no regular relief help is available.

i. Rotation of Work, Pharmacists & Salespersons. The Employer shall rotate five (5) day full-time pharmacists and salespersons on night and Sunday work, except where such rotation adversely affects the Employer's operation.

SECTION 3 - HOLIDAYS

New Year's Day, Washington's Birthday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day shall be observed as holidays. In the event a holiday falls on Sunday, it shall be observed on the following Monday, with the exception of Christmas which shall always be observed on December 25th. All work performed on holidays shall be paid for at the rate of time and one-half except for Christmas which shall be paid for at the rate of double time.

a. Holiday - Full Time Employees. If an employee does not work the holiday, he shall receive a full day's pay at his regular rate of pay. If an employee works on a holiday, in addition to the above pay he shall receive for all hours worked on the holiday (except Christmas) pay at the rate of one and one-half (1-1/2) times his regular rate of pay. For all work performed on Christmas he shall be paid at the rate of twice his regular rate of pay in addition to the Holiday pay granted above.

b. Holiday Regular Part-Time Employees. Regular part-time employees, not working the holiday, but on duty the employees scheduled working day before and the scheduled working day after the holiday, if scheduled, shall receive holiday pay according to the hours worked in the holiday week as follows:

Hours Worked	Holiday Pay
32 or more	8
28-31	7
24-27	6
20-23	5
16-19	4
12-15	3
Up to 11	2

If a regular part-time employee works on a holiday, in addition to the above pay he shall receive for all work performed on the holiday (except Christmas) pay at the rate of one and one-half (1-1/2) times his regular rate of pay. For all work performed on Christmas he shall be paid at the rate of twice his regular rate of pay in addition to the Holiday pay granted above.

c. It is understood that any week in which a holiday falls shall be a thirty-two (32) hour, four day week. However, the fifth day other than the holiday if worked, will be paid at straight time hourly rates with the exception that this will not apply if a man is regularly working in excess of five days. Then, all work performed in excess of 32 hours or four days during such holiday week shall be paid at the over-time rates.

d. Regular scheduled full or part-time employees shall be given the first opportunity to work the holidays.

e. No employee shall receive less pay in a holiday week because of the application of these holiday provisions.

SECTION 4 - VACATION

a. Employees with one continuous year's service with one employer shall receive a minimum of one (1) continuous week's vacation with full pay: provided, however, that any employee upon termination after ten (10) month's continuous employment shall be entitled to five (5) day's vacation pay. All employees with two year's continuous service with one employer shall receive a minimum of two (2) consecutive week's vacation annually with full pay. Effective December 1, 1962 all employees with ten (10) year's continuous service with one employer shall receive an additional week's vacation, a total of three (3) weeks.

b. The time of vacations will be determined by the Employer. Employees must be informed of the time their vacation is to occur at least two weeks in advance. Also, the sale by the Employer of his business shall not relieve such Employer of the obligation to his employees for accrued vacation period to the date of sale.

c. Accrued Vacation. It is further provided that if a regular employee who has completed one year's continuous employment with the same employer terminates before his next vacation period, vacation pay shall accrue at the rate of one day for each full month worked, not to exceed ten days per year, for which no vacation has yet been granted. For a regular employee after nine (9) years' continuous service, vacation pay shall accrue at 1 1/2 days per month.

d. Accrued Vacation, Part Time. Regular part-time employees shall accrue vacation time as follows: During first year of service and after completion of ten (10) months of continuous service, one (1) hour vacation pay for each fifty (50) hours worked. During the second year's employment and thereafter through the 9th year, two (2) hour's vacation pay for each fifty (50) hours worked. During the 10th year of service and thereafter, three (3) hour's vacation pay for each fifty (50) hours worked.

e. Any temporary lapse in employment, up to forty-five (45) days, because of illness shall not affect the continuity of employment for vacation purposes. After an illness of forty-five days the Employer may reduce the employee's vacation by the ratio which the days off in excess of forty-five (45) bears to the total vacation year. If requested, the employee shall supply to the Employer a certificate from a qualified physician attesting to the employee's illness.

f. Vacation may not be waived by employees nor may extra pay be received for work during that period; provided, however, that by prior mutual agreement between the Employer, the employee and the Union, this provision may be waived.

g. Vacations may not be cumulative from one year to another.

h. If a holiday named under Section 3 of this agreement falls within the vacation period of any employee, he shall be granted an additional day off with full pay.

i. Vacation compensation shall be paid at the beginning of the vacation period.

SECTION 5 - LEAVE OF ABSENCE

a. Emergency Leave. Any employee may take an emergency leave of absence not to exceed two (2) weeks in the event of certified, serious illness or injury of the employee, or serious illness, injury or death in the employee's immediate family without prior notice; provided that the employee makes every reasonable effort to notify the Employer within twenty-four hours of the commencement of said leave.

b. For Pension Administration Purposes. Authorized Leave. To comply with provisions of the Pension Agreement, the Employer may grant leave of absence not to exceed one year. Such leave shall be reported on the pension report turned in by the Employer for the last month the employee worked. There will be no extension of leave without approval of the Pension Board of Trustees.

For pension administration purposes, the Employer shall, when an employee leaves his employ, note on the pension report forms one of the following as reasons therefore:

- (1.) Terminated
- (2.) Approved leave of absence.
- (3.) Disability absence
- (4.) Military Duty
- (5.) War time relocation law or regulation
- (6.) Pregnancy
- (7.) Employment in the Seattle-King County drug store industry as an employer, or in a position not covered by the Collective Bargaining Agreement.
- (8.) Service as an elected Union official.
- (9.) Death

SECTION 6 - HEALTH & WELFARE.

It is agreed that a medical, hospital and insurance program shall be provided for all employees covered by this agreement as follows:

a. The coverage provided is contracted for by the Seattle-King County Retail Drug Employees Trust Fund and shall consist of:

(1) The King County Medical Service Corporation specially negotiated plan, Contract #70 (as improved in negotiations) or it's equivalent to be known as the Pharmacists and Retail Drug Store Employees' Health Care Plan. Said contract shall be considered an appendix to this agreement and by this reference is made a part thereof. Pamphlets describing the plan will be made available by King County Medical Service Corporation.

(2) An insurance program consisting of at least the following:
(a) \$1,000.00 life insurance.
(b) \$1,000.00 accidental death and dismemberment coverage.
(c) Time loss coverage commencing with the first day of disability due to accident and the eighth day of disability due to illness payable for a maximum of twenty-six (26) weeks as follows: \$45.00 per week for pharmacists and all non-registered male employees except utility clerks and store helpers, \$30.00 per week for all other classifications, including utility clerks and store helpers.

All benefits thereunder shall be received directly from the King County Medical Service Corporation or insurance carrier and neither the Union nor the Employer shall be liable for the payment of the benefits therein provided.

b. The employers shall continue to pay the premiums as directed by the trustees. Not later than June 1, 1963, the trustees shall make effective a premium payment program whereby the employers will pay a designated amount for each compensable hour worked by the eligible employees. This will be paid to the Trust Fund as directed by the Trustees.

c. Coverage to be provided for each employee who works 80 hours or more each month. Eligibility requirement shall be as directed by the trustees.

d. Under the plan, coverage for dependents is available from King County Medical Service Corporation at a monthly cost to the employees of \$3.00 for the employee's spouse, \$2.00 for all dependent children from thirty days of age through eighteen years, and \$5.90 for each dependent child nineteen years of age or over. The employer agrees to accept the premium for such coverage from the employee should the employee so desire and to forward the premium to the King County Medical Service Corporation. Should an employee regularly covered fail to work 80 hours or more in any month for any reason other than paid vacation, such employee shall have the option of paying the premium for the following unqualified month from his or her own funds as directed by the trustees.

e. Damages for non-payment. Insofar as payments by the individual employer into this Fund are concerned, time is of the essence. The parties recognize and acknowledge that the regular and prompt payment of amounts due by individual employers to this Fund is essential to the operation of the Trust and the provision of benefits under the Health & Welfare plan, and that it would be extremely difficult, if not impracticable, to fix the actual expense and damage to this Fund and to the covered employee which will result from the failure of an individual employer to make such monthly payments in full within the time provided. Therefore, it is agreed that the amount of damage resulting from such failure to make contributions hereunder before the twenty-fifth (25th) day of the month in which they are due shall be, by way of liquidated damages and not as a penalty, the sum of Ten Dollars (\$10.00) for each such failure to pay in full within the time provided or ten per cent (10%) of the amount due and unpaid, whichever is the greater, which amount shall become due and payable to this Fund at the principal office of this Fund upon the day following the twenty-fifth (25th) day of the month in which such delinquency occurred, and shall be added to and become a part of said amount due and unpaid and the whole thereof shall bear interest at the rate of seven percent (7%) per annum until paid. If any individual employer defaults in whole or in part in the payment of any payments due this Fund, in addition to the amount due and the liquidated damages provided for in this section, there shall be added to the obligation of the defaulter all reasonable expenses incurred by this Fund in the collection of the same, including but not limited to reasonable attorneys and accountant fees, costs of attachment bond and court costs.

It shall be the duty of the trustees of the fund to enforce collection of payments due the fund from individual employers and in the event of legal action, the venue shall be laid in King County, Washington.

In addition to the foregoing, it shall not be a violation of this collective bargaining agreement, for the Union to take economic, or other appropriate action, against a delinquent individual employer.

SECTION 7 - RETIREMENT

a. Payments Required. Continuing through the life of this agreement the Employer agrees to pay into the Seattle & King County Pharmacists and Retail Drugstore Employees Retirement Trust Fund the sum of seven and one-half cents (7 1/2¢) for each hour any employee within the bargaining unit is compensated for, including holiday and vacation hours. Said payments shall be made by the tenth day of each following month and failure to make such payments in the time and manner described shall constitute a breach of this labor agreement.

b. Administration. The Retirement Fund is administered by a Board of Trustees, three of whom are selected by the Seattle-King County Pharmaceutical Society and the Seattle Retail Drug Distributors Association representing the Employer and three selected by the Union. The Retirement Plan and Declaration of Trust of this Retirement Fund is known as Appendix A of this agreement, and is a part of this agreement.

c. All provisions of the Trust Fund are approved by the Internal Revenue Bureau. The Trust Fund is administered in a manner prescribed by the Trustees.

d. The Employer agrees to furnish such data as may be required by the trustees in administering and carrying out the provisions of the plan.

e. Damages for non-payment. Insofar as payments by the individual employer into this Fund are concerned, time is of the essence. The parties recognize and acknowledge that the regular and prompt payment of amounts due by individual employers to this Fund is essential to the operation of the Trust and the provision of benefits under the Pension Plan and that it would be extremely difficult, if not impracticable, to fix the actual expense and damage to this Fund and to the covered employee which will result from the failure of an individual employer to make such monthly payments in full within the time provided. Therefore, it is agreed that the amount of damage resulting from such failure to make contributions hereunder before the twenty-fifth (25th) day of the month in which they are due shall be, by way of liquidated damages and not as a penalty, the sum of Ten Dollars (\$10.00) for each such failure to pay in full within the time provided or ten percent (10%) of the amount due and unpaid, whichever is the greater, which amount shall become due and payable to this Fund at the principal office of this Fund upon the day following the twenty-fifth (25th) day of the month in which such delinquency occurred, and shall be added to and become a part of said

amount due and unpaid and the whole thereof shall bear interest at the rate of seven percent (7%) per annum until paid. If any individual employer defaults in whole or in part in the payment of any payments due this Fund, in addition to the amount due and the liquidated damages provided for in this section, there shall be added to the obligation of the defaulter all reasonable expenses incurred by this Fund in the collection of the same, including but not limited to reasonable attorneys and accountant fees, costs of attachment bond and court costs.

It shall be the duty of the trustees of the fund to enforce collection of payments due the fund from individual employers and in the event of legal action, the venue shall be laid in King County, Washington.

In addition to the foregoing, it shall not be a violation of this collective bargaining agreement for the Union to take economic, or other appropriate action, against a delinquent individual employer.

SECTION 8 - JURY DUTY PAY

After their first year of employment, employees who are regularly employed 80 hours or more per month who are called for service on a superior court or federal district court jury shall be excused from work for the days on which they serve, and shall be paid the difference between the fee they receive for such service and the amount of straight-time earnings lost by reason of such service up to a limit of eight (8) hours per day and forty (40) hours per week; provided, however, an employee called for jury duty who is temporarily excused from attendance at court must report for work if sufficient time remains after such excuse to permit him to report to his place of work and work at least one-half (1/2) of his normal work day. In order to be eligible for such payments, the employee must furnish a written statement from the appropriate public official showing the date and time served and the amount of jury pay received.

SECTION 9 - GENERAL CONDITIONS AND DEFINITIONS

d. For Head Salespersons, the Employer may negotiate with the Union for payment on a monthly basis, but this does not give the Employer the right to institute a monthly rate for any employee without first arriving at a contract with the Union.

e. A Photo Equipment Salesperson shall be a salesperson selling cameras, kodaks, lenses, photographic attachments and equipment and who is familiar with the various kinds of photographic equipment.

f. There shall be not more than one (1) apprentice for each five (5) full time employees (exclusive of delivery boys) or major fraction thereof in each store; provided, however, that this clause shall not prevent a store from employing one apprentice clerk only. UKR

p. Injury on the Job. When an employee is physically injured on the job, there shall be no deduction from the employee's pay for the day in which the employee was injured and reported for medical care; provided, however, that if after medical care the doctor releases the employee to return to work, the employee will be required to return and complete his scheduled shift. When such employee returns to work following the injury, and is certified as ready and able to perform all regular duties, but requires medical treatment as a result of the same injury, the Employer shall adjust the work schedules without penalty to the Employer, to provided both the time for medical care and the number of hours of work for which the employee is regularly scheduled.
