COLLECTIVE BARGAINING CONTRACT
between
SEATTLE SCHOOL DISTRICT NO. 1
and
SEATTLE TEACHERS ASSOCIATION
1983-85

PURPOSE

This Contract is entered into this 1st day of September, 1983, by and between the Seattle School District No. 1, hereinafter called the "District," and the Seattle Teachers Association, hereinafter called the "Association."

WITNESSETH:

WHEREAS, the District and the Association share the goal of providing optimal educational opportunities for the children of this District, and

WHEREAS, the achievement of that purpose can only be realized through the employment of qualified and dedicated employees who earnestly accept their responsibilities and whose rights and needs are acknowledged by the District, and

WHEREAS, the achievement of that purpose can only be realized when employees contribute their particular professional experiences and skills in a meaningful way to the program-building processes, and

WHEREAS, the District and the Association, as the exclusive representative of the certificated non-supervisory educational employees, have a mutual responsibility to bargain in good faith in an effort to reach agreement in accordance with Chapter 41.59 RCW, and

WHEREAS, the District and the Association have reached certain understandings which they desire to confirm in this Contract,

It is hereby agreed as follows:

**COLLECTIVE BARGAINING CONTRACT between
SEATTLE SCHOOL DISTRICT NO. 1 and SEATTLE TEACHERS ASSOCIATION
1983-85**

ARTICLE I: RECOGNITION AND AGREEMENTS

SECTION A: Status of the Agreements

1. The District recognizes the Association as the exclusive representative of certificated non-supervisory educational employees as defined in Chapter 41.59 RCW under the following titles: teacher; substitute teacher; counselor; librarian; social worker; psychologist; nurse; occupational therapist; physical therapist; speech hearing therapist; vocational instructor; certificated classroom traffic education instructor; and excluding the chief administrative officers of the District, confidential employees and supervisory employees as defined in Chapter 41.59 RCW. Any other certificated non-supervisory educational employees with position titles not listed above but paid on the Certificated Non-Supervisory Employee Salary Schedule shall be in the Seattle Teachers Association unit. All duties of the kind customarily performed by such certificated non-supervisory educational employees operating under the direction/supervision of District personnel shall be performed only by STA bargaining unit personnel, except by mutual agreement of the District and the Association. Persons rendering non-compensated voluntary service and/or short-term staff consultants are excluded from the bargaining unit.
2. When used herein the term "employee" shall refer to a certificated non-supervisory educational employee represented by the Association as defined in item 1 above.
3. Throughout this Contract certain rights are accorded to and certain functions are ascribed to the Association. These rights and functions shall be considered inherent in recognition of the Association as the legal representative of employees, and not rights and functions common to all organizations of certificated employees. The Association shall have the exclusive privileges and rights for members of its bargaining unit including the right to have payroll deduction of organization dues and fees and other deductions as mutually agreed in this Contract and the right of representation in formal grievance hearings of employees pursuant to the provisions of the Grievance Procedure. The rights granted herein to the Association in accordance with law shall not be granted to any competing employee organization.
4. Individual contracts for employees shall be in conformance with 28A.67.070, 28A.67.074, and 28A.67.900 RCW, and other applicable laws. The personnel rules, regulations and procedures contained in the individual contracts for employees shall not be in conflict with the provisions of this Contract.
5. The District will appropriately maintain and/or modify District policies, rules, regulations, procedures and/or practices in order to implement the provisions of this Contract.
6. If any provisions or any applications of this Contract to any employee or group of employees shall be found contrary to law, then such provisions or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect for the term of this Contract. Adjustment or modification of any provisions of this Contract found to be contrary to law will be subject to bargaining provisions of Chapter 41.59 RCW. This Contract may be altered, changed, added to, deleted from, or modified only in writing following the voluntary, mutual consent of the District and the Association. Neither party shall be required to negotiate or bargain on any issue during the term of this Contract, except as otherwise provided in this Contract.
7. Policies, rules, regulations, procedures and practices of the District in effect on the effective date of this Contract dealing with matters of wages, hours, and terms and conditions of employment, published by the District in the form such as the *Handbook for Certificated Personnel*, and not in conflict with the provisions of this Contract shall remain in full force during the term of this Contract, unless modified by mutual agreement of the District and the Association. The District reserves the right to make, adopt, and implement other policies, rules, regulations and procedures not in conflict with this Contract.
8. The term of this Contract shall be for two (2) years, effective 09/01/83, and shall continue in force through 08/31/85, provided that the parties may each identify three (3) issues for renegotiation commencing 04/15/84. There is no automatic renewal or continuation of this Contract nor any part thereof, except as may be mutually agreed and ratified by the parties in accordance with Washington law and Administrative Code Regulations.
9. Copies of this Contract entitled "Collective Bargaining Contract between Seattle School District No. 1 and the Seattle Teachers Association for 1983-85" shall be printed by the District after the Contract has been ratified and signed and shall be distributed, by the Association, to all certificated non-supervisory employees represented by the Association.
 - a. The first draft of the Contract shall be submitted to the Association for proof reading within thirty (30) working days after the final tentative agreements have been ratified by the members of the Association and the District's Board of Directors. The Association will complete proof reading(s) of the Contract drafts within ten (10) working days of receipt.
 - b. Contracts shall be printed and distributed to employees within thirty (30) working days following

ARTICLE I: Recognition and Agreements

completion of the final proofing by the Association.

- c. The District shall make Contracts available to applicants and shall distribute Contracts to all newly employed certificated non-supervisory employees.
 - d. The cost of printing the Contract shall be borne by the District.
 - e. The cost of distributing Contracts to current employees shall be borne by the Association.
 - f. The timelines set forth above may be extended by the mutual agreement of the District and the Association.
10. Unless otherwise provided herein, this Contract shall not be interpreted and/or applied so as to eliminate, reduce, or otherwise detract from individual salaries or employee benefits.
 11. No later than 04/15/85, the Association shall present to the District all written contract proposals for collective bargaining on a successor contract. Collective bargaining shall be conducted at the times mutually agreeable to the bargaining team named by each party, provided, however, that the first meeting shall be held within fifteen (15) working days of receipt of written contract proposals from the Association. Representatives of the Association and the District shall meet at reasonable times and shall bargain in good faith in an effort to reach agreement with respect to the wages, hours, and terms and conditions of employment as provided in Chapter 41.59 RCW.
 12. Except as otherwise provided in this Contract, this Contract is complete in and of itself and sets forth all terms and conditions of all the agreements between the District and the Association pursuant to Chapter 41.59 RCW.

SECTION B: Payroll Deductions

1. It shall be an exclusive right of employees who are members of the Association and who are covered by this Contract pursuant to item I-A-1 of this Contract, within thirty (30) days of employment and/or actively going to work, to sign and deliver to the Association an assignment authorizing payroll deduction of membership dues and/or fees in the Association and to state and national organizations with which it is affiliated. Such authorization shall then be submitted to the District Payroll Office by the Association. The District Payroll Office shall process the authorization to make it effective at the earliest payroll period, and no later than forty five (45) days after submission of the authorization by the Association to the District Payroll Office. This authorization shall be on a continuing basis. A table of prorated annual dues and/or fees shall be supplied by the Association to the District Payroll Office for use with new employees who join the corps during the year.
2. Authorization by employees for dues and/or fees to the Association shall continue in effect unless such authorization is revoked by formal notice in writing which is delivered to the District Payroll Office by the certificated employee who will also deliver or mail a

copy of the formal written revocation to the Association. Such revocations of dues deductions may be made at the end of the Association's dues period on 10/01 of each year and/or at the end of the Contract, 08/31/85.

- a. The Association's authorization of payroll deduction form shall clearly state that it shall be understood by the employee signing the authorization that continuation of dues and/or fees deductions and maintenance of membership is a binding condition for authorizing payroll deduction and that exceptions during the year will be based on hardship or emergency and shall be adjudicated by the Association.
 - b. The Association shall be responsible for notice to state and national organizations with which it is affiliated and who have also been receiving dues and/or fees under the authorization of payroll deduction which is being revoked.
3. The deduction of membership dues and/or fees shall be made monthly for regular warrants. The District agrees to remit monthly all monies so deducted to the Association accompanied by a list of employees from whose pay the deductions have been made. The Association shall be responsible for remitting a portion of dues and/or fees to the state and national organizations with which it is affiliated when such dues have been authorized by the employee on an assignment of payroll deduction. The District shall be absolved by the Association of all responsibility for accuracy and accounting of state or national professional organization dues and/or fees.
 4. Employees who are members of the Washington School Employees Credit Union may authorize payroll deduction for Credit Union activities by presenting an authorization for such deductions to the Credit Union.
 5. The Association agrees to indemnify and save the District harmless against any liability which may arise by reason of any action taken by the District to comply with the provisions of this Section I-B, including reimbursement for any legal fees or expenses incurred in connection therewith. The District agrees to notify the Association promptly, in writing, of any claim, demand, suit or other form of liability in regard to this Section and, if the Association so requests in writing, to surrender claims, demands, suits or other forms of liability.

SECTION C: Association Security

1. It is recognized that the negotiations and administration of this Contract entail expenses which appropriately are shared by all employees who are beneficiaries of this Contract. The terms and conditions of this Contract in regard to Association membership or the payment of an agency shop fee or alternatives as provided in accordance with Chapter 41.59.100 RCW are set forth below.
2. New employees (i.e., hired after 07/01/76) may elect to become members of the Association or may pay an agency shop fee equivalent to the dues of the Association. New employees who fail to authorize payroll deductions will have the agency shop fee deducted from their salary and paid to the Association, pursuant to

ARTICLE I: Recognition and Agreements

Chapter 41.59 RCW. Employees who were nonrenewed in 04/76, due to lack of funds will be considered continuing employees for the purpose of this Section.

3. An employee who was a member of the Association on 07/01/76, shall thereafter maintain his/her membership in good standing in the Association during the life of this Contract or pay an agency shop fee equivalent to the dues of the Association, pursuant to Chapter 41.59 RCW.
4. Individuals who were employees of the District but not members of the Association on 07/01/76, shall be exempted from the maintenance of membership and agency shop provisions of this Section. Such exemptions shall continue as long as such employees remain employees of the District.
5. In order to safeguard the right of employees based on a bona fide religious objection, the teachings or tenets of a church or religious body of which such employee is a member, said employee may pay an amount of money equivalent to the agency shop fee to a non-religious charity designated by the Association, pursuant to Chapter 41.59.100 RCW.
6. The Association agrees to indemnify and save the District harmless against any liability which may arise by reason of any action taken by the District to comply with the provisions of the Section above, including reimbursement for any legal fees or expenses incurred in connection therewith. The District agrees to notify the Association promptly in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement the provisions of this item and, if the Association so requests in writing, to surrender claims, demands, suits or other forms of liability.
7. Membership in the Association, the legally recognized organization authorized to negotiate with the District, shall be in compliance with Chapter 41.59 RCW and membership shall be nondiscriminatory with regard to race, creed, religion, sex, marital status, age, handicap, or national origin.
8. The District shall furnish the Association a listing by name of all employees employed by the District and their school location by September of each year. A list of corrections and changes to this list shall be furnished to the Association at monthly or other agreed-upon periods thereafter.

SECTION D: Leave Provisions for STA Officers

1. The District shall make appropriate leave provisions for officers of the Association to carry out activities necessary for the organization to fulfill its legal responsibility of bargaining representative of employees. The District and the Association recognize that these leave provisions for Association officers are provided to meet the organization's representation responsibilities. Financial arrangements for this leave shall be consistent with the provisions of Chapter 41.59 RCW. The Association shall provide legal defense including attorneys and agrees to indemnify and to defend the District and its representatives and hold each and all of them harmless from any and all claims, liabilities or costs which arise out of entering into or enforcement of this section. The District agrees not to bring suit to invali-

date this section.

2. Leave Provisions for Officers
 - a. The President and Executive Vice-President of the Association shall be provided leave for the school year for which he/she is elected, without loss of salary, stipend, or fringe benefits, subject to full monthly reimbursement to the District.
 - b. A specific substitute will be provided for the Executive Vice President of the Association when he/she has not been placed on leave for the school year.
 - 1) The Association may specify the substitute to be provided and shall reimburse the District, on a monthly basis, for all associated costs;
 - 2) The substitute specified by the Association must meet with the approval of the direct administrative supervisor; and,
 - 3) Such substitute will be provided in accordance with the provisions of Section III-E of this Contract.
 - c. At a mutually agreed-upon date following election to office, the incoming President-elect for the ensuing school year shall be provided leave for the remainder of the school year, without loss of salary, stipend, or fringe benefits, subject to full monthly reimbursement to the District.
3. Special Requests for Released Time
 - a. Requests by the Association for District staff members to be released for a period not to exceed five (5) consecutive days as special consultants to participate directly in a collective bargaining session on a specific proposal or issue, when the consultant's particular expertise would contribute to the development of a full consideration of the matter being discussed, shall be in writing to the District. Copies of written requests for released time shall be presented to the Staff Relations & Compensation Department, Personnel Department, and administrative supervisors as soon as possible, but not less than three (3) working days prior to the date of release. Such requests will be reviewed by the District, and when released time is provided it shall be subject to reimbursement to the District for the cost of any necessary substitute.
 - b. Requests by the Association for alternate or additional individual District staff members to be released during the school year for a sustained time to participate directly in collective bargaining sessions shall be in writing to the District. Written requests for released time shall be presented to the Staff Relations & Compensation Department, Personnel Department and administrative supervisor as soon as possible, but not less than three (3) working days prior to the date of release. Such request will be reviewed by the District, and when approved the District shall provide leave, subject to reimbursement to the District for the full cost of the substitute, when necessary.
4. The cost of daily rate substitutes for District staff members released for short terms to serve as consultants to or representatives for the Association shall be reimbursed to the District by the Association.

ARTICLE I: Recognition and Agreements

5. Conditions for Released Time

The officers of the Association who have been provided leave pursuant to Chapter 41.59 RCW shall resume duties with the District at the conclusion of the term of office, unless re-elected to the same or another office. Upon return to duty, the officers who have been released shall be entitled to a position comparable to his/her previous position with the District. The officers shall retain the same position on the salary schedule and receive an increment if eligible and not already at the maximum in the salary lane. The District agrees to maintain accumulated sick leave, retirement, and seniority rights for the officers during the period of the leave.

SECTION E: Non-Reprisal Agreement

1. The Board of Directors of Seattle School District No. 1 will take no reprisals against any employee as a result of participation by such employee in the work stop-

page which began on 09/07/76, and ended on 09/21/76, provided that employees will not be paid for two (2) of the work days missed during the work stoppage nor for makeup of those days.

2. The Seattle Teachers Association and its members will take no reprisals against any employee of the Seattle School District No. 1 for non-participation in or non-support of the work stoppage which began on 09/07/76 and ended on 09/21/76.
3. The Board will take no reprisals against any employee as a result of participation by or support of such employee in the strike which occurred from 09/05/78 through 09/27/78; provided that employees will not be paid for any days not worked.
4. The Association and/or its members will take no reprisals against any employee of the Seattle School District No. 1 for non-participation by or non-support of the strike which occurred from 09/05/78 through 09/27/78.

ARTICLE II: GENERAL RIGHTS AND RESPONSIBILITIES

SECTION A: Administrative Responsibility and Authority

The District's Board of Directors and its agents are legally responsible for the management of the District. Reserved to the District, therefore, is the exclusive authority to manage, determine and operate the educational program and staff, subject to this Contract. Except as specifically and expressly covered and controlled by the language of this Contract or Federal or State laws and/or regulations, all matters relating to program, facilities, budget, personnel, and staffing shall be determined and administered by the District through such policies, procedures, and practices as it may select. This statement of District authority shall be deemed the equivalent of a detailed enumeration of all respects in which such authority may properly be exercised.

SECTION B: Responsibilities of Employees

The roles and responsibilities of employees under their basic contracts with the District are designed to meet the established District goals and objectives and the needs of instructional programs for students. They include the following:

1. The exercise of the following kinds of responsibilities: a) teaching, b) counseling, c) supervising, d) disciplining, e) communicating, f) planning, g) self-improving, h) managing, i) reporting, j) record keeping, and k) evaluating.
2. As professional staff members, all employees are expected to perform certain duties that contribute to the activity program, to the guidance program, and to the good climate and efficient operation of the school. In addition to the specific assignment of classroom instruction or other building duties, each teacher is expected to assume his/her fair assigned share of responsibility for the operation of the school, the guidance and counseling of students, and the sponsorship and support of the student activity program.

3. Each employee shall share responsibility with the total building staff, including building administration, for supervision and discipline and for maintenance of order.
4. Teachers are responsible for assigning and evaluating the work of students, based upon specific objectives, and for returning such evaluations to students promptly.
5. Teachers shall make the initial effort for contact with a student's home when, because of continuing attendance and/or discipline problems, or academic achievement, it is determined to be in the best interest of the student. Should the student's problems persist, the building principal/program manager and the teacher will collaborate in an effort to correct the student's deficiencies.
 - a. This contact is not to take the place of the procedural contact made daily by the buildings on student absences.
 - b. Substitutes in short-term assignments shall not be responsible under this item II-B-5.
 - c. Nothing in this item II-B-5 shall be interpreted as to add to/subtract from the rights and/or responsibilities employees have under the remainder of Section II-B or Section II-I of this Contract.
6. Teachers are responsible for the evaluation of each pupil's educational growth and development and for providing periodic reports to parents and/or guardians, appropriate administrators and/or staff.
7. It shall be the responsibility of the teachers to maintain an accurate accounting of student attendance through the established process for the school.

SECTION C: Nondiscrimination Rights

1. There shall be no unlawful discrimination against any employee or applicant for certificated employment by reason of race, creed, religion, color, marital status,

ARTICLE II: General Rights and Responsibilities

sex, age, handicap, national origin, or because of their membership or non-membership in employee organizations or in their exercise of other rights under Chapter 41.59 RCW. Sexual harassment is recognized to be a form of unlawful discrimination.

2. There shall be no discrimination against any employee in respect to assignment, promotion, or condition of work due to high position on the salary schedule, other professional factors being equal.

SECTION D: Representation Rights and Due Process

1. An employee who has received a written communication from his/her supervisor indicating deficiencies requiring improvement, at his/her request shall be entitled to have a representative of the Association or legal counsel present at subsequent meetings with his/her supervisor when the elements of the initial communicate are to be considered. Once representation is requested, the discussion of the matters communicated in writing shall not continue until representation is present, except that the discussions on the matter may continue after ten (10) working days.
2. The Annual Performance Evaluation and evaluation conferences conducted by the building principal/program manager or supervisor in the evaluation process are specifically excluded from these provisions, except that subsequent discussions of the evaluation following the receipt of the written evaluation may involve representation pursuant to these provisions.
3. Any complaint not called to the attention of the employee may not be used as the basis for disciplinary action or adverse evaluation against the employee. Any written record made of a complaint against an employee must be called to the attention of the employee within ten (10) working days of the time the record was made.
4. No employee shall be disciplined or reprimanded without just and sufficient cause. Any such action shall be subject to the grievance procedure including binding arbitration. The specific grounds forming the basis for disciplinary action will be made available to the employee in writing. This section shall not apply to matters covered by statutory due process procedures.

SECTION E: Employee Personnel Files

1. Materials placed in the employee's District personnel file after the employee's election by the Board to a position with the District are available for review by the employee under the rules, regulations, and procedures of the District.
2. All materials related to an employee's evaluation held at the work location, except for the building copy of the formal evaluation, shall either be transferred to the District personnel file or shall be destroyed at the end of the work year, except that the observation criteria checklists for those employees determined to be unsatisfactory and/or in need of improvement may be retained in the building until such time as the employee's performance has improved as set forth in the observation criteria checklist. However, observation criteria checklists for those employees determined to be in need

of improvement may not be retained beyond twelve (12) months following the completion of the next school year's performance evaluation.

3. College/university credentials that are confidential shall be handled as directed by the college/university after election of the employee to the staff. College/university credentials shall not be retained by the District.
4. Materials reviewed by an employee and judged by the employee to be derogatory to his/her conduct, service, character, or personality may be:
 - a. Answered and/or refuted by the employee in writing. Such written response shall be permanently attached to said materials and shall become a part of his/her written personnel records.
 - b. Pursued by use of the grievance procedure.
5. Material judged through the grievance procedure to need adjustment shall be modified or removed as appropriate.

SECTION F: Communication Rights and Privileges

1. The Association shall have the right to post notices of its activities and matters of organizational concern on a bulletin board to be provided in each school building by the District.
2. The Association may use District mailing privileges for purposes of communicating with employees in connection with the Association's duties as bargaining agent. All materials sent by the Association shall so indicate. Materials received by the mail room which do not comply with these requirements will not be mailed. There shall be no censorship or screening by District representatives of such organization mail prior to distribution. The Association shall have the responsibility to ensure that materials sent through the District mail service by representatives of the Association are accurate, nonslanderous, and conform to legal requirements and necessary District mail priorities. Further, the Association shall indemnify and hold the District harmless against any and all claims, demands, suits, attorneys' fees or other costs as may result from any violation of law that may result from such use of the District mail service by the Association. The District agrees not to bring suit or initiate or cause to have initiated a suit or administrative appeal to invalidate this Section.
3. The Superintendent reserves the right to revoke the Association's use of the District mail service and the Association shall be notified should such right be exercised. The Association upon being informed of the termination of mail privileges shall have the right of appeal through the grievance procedure.
4. The Association may use District school buildings for meetings and to transact official business on school property at all reasonable times when custodians are normally on duty before and after school hours, provided that this shall not interfere with nor interrupt normal school operations as determined in consultation with the building principal/program manager or supervisor.

ARTICLE II: General Rights and Responsibilities

5. Any officer or authorized representative of the Association, so designated by the Association and identified to the Superintendent, shall have the right to visit District buildings, individual employees, or groups of employees represented by the Association, at reasonable times when employees are not on duty, such as before and after work hours and at lunch time or at other times by special arrangement through the principal or his/her designee, provided that this shall not interfere with nor interrupt normal school operations. In all instances, the authorized representative or representatives shall report to the school office and satisfy the principal or his/her designee that they are on official business or are visiting to observe the educational program of the school before they proceed through the building to any room. All such visits must not interfere with any employee's activities while on duty nor disrupt the orderly educational process of the school or program.

SECTION G: Academic Freedom

1. The exercise of full rights of citizenship is guaranteed by the District for employees. Toward that end the employee must be free to think and to express ideas, free from undue pressure of authority, and free to act within his/her professional group. Such freedom must be unrestricted except as it conflicts with the basic responsibility to utilize properly the current District authorized course of study and District rules and regulations which each member of the profession must accept.
2. The principle of academic freedom for employees shall not supersede the basic responsibilities of the employee to the education profession. These responsibilities include:
 - a. A commitment to support the Constitution of the United States;
 - b. A concern for the welfare, growth, and development of children; and,

If there is insufficient capacity to cover increment and lane change increases otherwise due on the salary schedule for the full year, the increment and lane change increases will be payable on a pro rata basis through their implementation effective the first work day during the school year compatible with pro rata delivery. It is understood that in making the calculation on increase capacity, the District will preclude the possibility that the increases will exceed the capacity generated by such employees.
 - d) On or about the 03/01/84 warrant, on the basis of available compliance data and District analysis thereof, the District shall adjust the increment and lane change increases if and to the extent there remains added increase capacity as to such employees.

Prior to effectuating the pass-through increase, the District will consult with the Association concerning the amount and mechanics for implementing the increase. If the parties are unable to agree on the amount and mechanics for implementation, the subject of the increase will be treated as a negotiable matter rather than a contractual matter and the District's pass-through commitment will be deemed null and void except as may be agreed in subsequent negotiations.
- 4) Contingent Reopener: The STA may reopen negotiations concerning the 1984-85 salary schedules within thirty (30) days of either of the following events, provided that the District may reopen one (1) additional issue:

The deadline for filing of credits in the Personnel Department for employees currently in the corps, for salary adjustments for the current school year, is the last school day in October. The deadline for earning of such credits is 08/31. Credits earned during the first semester, or later, may not be counted for salary purposes until the following year. No in-service workshop or professional in-service credits earned or reported after 10/01/79, shall be accepted or counted for salary advancement.
 - 1) Employees whose transcripts for credits earned through 08/31 which, for any reason, have not reached the Personnel Department by the October deadline (the last school day in October) may send in their transcripts after the deadline, but for current school year salary adjustment purposes no later than the last school day of the first semester. Late transcripts received after the October deadline will be evaluated for current salary increases, but any earned increase will be granted for the second semester only.
 - 2) No transcripts of credit will be accepted after the last school day of the first semester for current school year salary adjustments. Transcripts of credits received after this time will not apply until the following school year.
 - 3) The deadline for earning credits remains 08/31 for salary adjustments for the current year. The only exception to this regulation would occur on those occasions when the District schedules an employees' workshop during the last week of August, and which may extend into September. Credits earned in this workshop and reported prior to 10/01/79 will be credited toward the 1979-80 salary.
 - 4) An employee who is awarded a master's degree or a doctorate prior to 08/31 must submit evidence of such a degree to the Personnel Department prior to the last teaching day in October to receive appropriate salary based upon the new degree.
 - 5) Salary adjustments for employees currently in the corps are made as soon as possible after credits justifying the change are received. Credits received by 08/01 make possible salary adjustments in October warrants. Credits received after 08/01 and on or before the last teaching day in October make possible salary adjustments by 12/01 but not later than 02/01 retroactive to the beginning of the school year.
 - 6) Employees who have earned additional college credits, whatever the date, and whether or not they would affect salary, are urged to submit these credits as early as possible so that their records may be up to date at all times.

ARTICLE III: Provisions for Compensation and Work Hours

- (7) Transcripts must be official, contain the college registrar's stamp, and may be sent directly to the Personnel Department. If sent or brought in by the employee, they must be enclosed in envelopes sealed by the college. Unsealed transcripts will not be accepted for salary purposes at any time. It is the employee's responsibility to order these; they are never requested from a college by the Seattle Public Schools. Official transcripts for Personnel are required in addition to transcripts sent to the Superintendent of Public Instruction's Office in Olympia by the educator or the college. The Seattle Schools will not forward transcripts to the Superintendent of Public Instruction's office in Olympia for certification purposes.

- a. Employees will be expected, in addition to performing duties during the regularly scheduled on-site hours, to participate in activities and to perform duties related to the functioning of the total school, such as faculty meetings, organizational meetings, the guidance and counseling of students, parent contacts and meetings, and those duties associated with school activities not covered by currently stipended positions.

form (Appendix G) from his/her personnel file after a period of four (4) years from the date of the Step 3 grievance response. An arbitrator shall have the authority to direct appropriate remedies in cases properly subject to arbitration.

ARTICLE IX: STAFF ADJUSTMENTS

SECTION A: Conditions Necessary for Layoff

1. The District has the legal responsibility to establish the educational programs, services and staff in accordance with the District's basic educational goals and program continuity consistent with the financial resources available. The District has the authority to make necessary adjustments in the District's staff to be consistent with financial resources available and the programs and services which it determines to provide, subject to the provisions of this Contract.
2. Adverse developments which can necessitate layoffs include:
 - a. Failure of a special levy election;
 - b. Large insufficiencies in State funding; or
 - c. Large reductions in categorical funds or projects.

In such cases where large-scale layoffs are necessary, the District shall minimize the number of employees to be laid off by reducing cash reserves in a prudent manner to replace depleted revenues and by reducing expenditures in a prudent manner in areas of capital outlay, travel, contractual services, and books and supplies. The District may reduce the levels of employees as necessary to remain within reasonably secure revenues for the following fiscal year, but in so doing shall give priority to those programs and services which relate to instruction and welfare of students.
3. In the event of layoffs determined for other reasons such as declining enrollment, changes in programs and priorities within and among programs, adoption of a different manner of providing services, and non-large funding losses and insufficiencies, the District shall inform the Association no later than 04/15 of the nature and approximate size of the proposed staff adjustments. The District and the Association will immediately meet to review the changes.
4. The performance ratings (evaluation) of employees shall not be a factor in determining the order of layoff under this Section.
5. Vacancies created by retirement, resignations, leaves, and discharges will be taken into consideration in determining the number of available certificated positions prior to the following school year.

SECTION B: Seniority

1. Seniority is the length of regular contract service an employee has with the Seattle School District and includes length of service transferred from other Washington public school districts.
 - a. Service from another Washington public school district will be calculated on the same basis that is used to calculate service for those who have served in Seattle only.
 - b. A year of service is earned by fulfilling the number of days specified in the Contract.
 - c. Seniority for any employees who are contracted following the beginning of the school year will be computed by dividing the number of days worked by the number of days specified in the contract. For purposes of computing seniority, a day consists of working one-half (.5) day or more. For employees working less than one-half (.5) day, seniority will be computed on the basis of full-time equivalency.
 - d. A day of seniority is based upon a day for which pay is received. Therefore, the following are excluded:
 - 1) Absences for other causes; and
 - 2) All unpaid leaves except Military Leave which interrupts an employee's service.
 - e. Seniority includes Washington district service prior to resignation or leave and excludes substitute service.
2. Seniority lists will be established for minorities and for non-minority employees. Proportionate reductions and recall will be made from each list. In determining the assignment of employees remaining after a layoff, an ethnic balance of employees will be maintained. It is the intention of the parties that this Article be consistent with the District affirmative action efforts in hiring.
3. Employment categories: The following employment categories are established to ensure the qualifications of employees assigned to retained positions:
 - a. Elementary teachers (Grades K-3)
 - b. Elementary teachers (Grades 4-6)
 - c. Middle School, Junior High School and High School by subject matter area or department. A

Article IX: Staff Adjustments

subject matter area or department is a category defined but not limited to one (1) of the following: Art, Business Education, Foreign Language, Home Economics, Industrial Arts, Language Arts, Mathematics, Music, Physical Education, Science, and Social Studies. Each subject matter area or department represents a category and the specific subject a teacher is qualified to teach must be listed under each subject matter area or department.

- d. Support service certificated specialists, such as one (1) or more of the following: counselors, librarians, physical education specialists, psychologists, social workers, traffic education, work experience, speech and hearing therapists, music specialists, reading specialists, nurses.
- e. Special categories: A category specifically identified by the District which is unique or essential to maintaining at least a minimum school or function. Examples of programs under this category are Bilingual Education, Special Education, occupational therapists, physical therapists.
- f. Each employee shall select categories for which he/she is qualified, in preference order. Categories granted prior to 09/01/82 shall continue so long as the qualifying criteria in existence prior to that date are met. Any new categories or changes in categories subsequent to 09/01/82 must meet the following criteria:
 - 1) A major in that category; or,
 - 2) A minor in that category within the last six (6) years; or,
 - 3) One (1) year of experience (minimum .8 FTE) in the chosen category within the last six (6) years or two (2) or more years experience (minimum .4 FTE) within the last six years to accumulate to a minimum of .8 FTE.
 - 4) Any category lost because of the expiration of the six (6) year time limit may be updated and regained for an additional six (6) years by completion of three (3) college credit hours or equivalent District-approved in-service.

SECTION C: Staff Adjustment Guidelines

Guidelines for staff adjustment shall be as follows:

1. Layoff and recall shall be by seniority within grades, subject matter areas or department.
2. In compliance with Title VI of the Civil Rights Act of 1964, Title IX of the 1972 amendments, Section 504 of the Rehabilitation Act of 1973, and the Affirmative Action goals of the District, layoff and recall of minority employees will be accomplished at the same percentage rate as is required by the budget cut for all other employees.

SECTION D: Certificated Employee Staff Reduction

1. Retentions and layoffs shall be determined as follows:
 - a. Certification: Possession of any valid Washington State certification which may be required for the

position(s) under consideration shall be a requisite for retention.

- b. Selection Within Employment Categories: Certificated employees shall be considered for retention in available positions within the categories or specialties which they have designated as preferences in accordance with item IX-B-3 of this Contract.
- c. Length of service of certificated employees shall be the basis for retention within the employment categories.
- d. Employees who do not meet the seniority requirements for the first preference listed will be considered, on a seniority basis, for their other listed preferences.

SECTION E: Provisions for Reemployment of Laid Off Employees

1. All employees laid off as a result of program or staff adjustments will be placed in an employment pool from which they will have priority for reemployment.
2. Recall shall be determined as follows:
 - a. Certification: Possession of any valid Washington State certification which may be required for the position(s) under consideration shall be a requisite for retention.
 - b. Each individual shall be considered for reemployment in any of the categories the employee indicated as preferences.
 - c. Reemployment will be made on a seniority basis, within categories.
 - d. The employee shall have the right to refuse the first and second offer of employment. Refusing the third offer shall result in the individual's name being placed on the bottom of the rehire list.
 - e. Employees reemployed to a position in a 30% or more ethnic minority populated school shall have training and/or experience with multi-ethnic or multi-cultural situations. If such employees are not available within the pool and no person will or can take the training and/or experience prior to the opening of school, other persons will be selected with consideration of appropriate inservice training and/or orientation.
 - f. In compliance with Title VI of the Civil Rights Act of 1964, Title IX of the 1972 amendments, Section 504 of the Rehabilitation Act of 1973, and the Affirmative Action goals of the District, layoff and recall of minority employees will be accomplished at the same percentage rate as is required by the budget cut for all other employees.
3. It shall be the responsibility of each individual placed in the reemployment pool to notify the Personnel Department in writing between 06/01 and 06/30 if such individual wishes to remain in the employment pool for the second year. If such notification is not received, the name of any such individual shall be dropped from the employment pool.
4. Individuals not reemployed before the start of the fall school term, upon application, shall be placed on the substitute teacher roster. Laid off employees may

Article IX: Staff Adjustments

renew annually their position within the substitute teacher roster.

5. It is recognized that certificated employees of the District holding administrative or supervisory positions and not included in the bargaining unit covered by this Contract may be eligible, under applicable Board policy and administrative procedures, for retention in one or more of the employment categories.
6. Any laid off individual shall upon reemployment retain full seniority rights and all other rights as though his/her employment relationship with the District had not been broken.

SECTION F: Employment Notification

1. All laid-off employees shall be responsible for notify-

ing the Personnel Office of a telephone number through which they can be reached.

2. Any laid-off employee may assign his/her power of attorney to the Association who will thereby be authorized to accept or reject an assignment on the employee's behalf.
3. Laid-off employees will be contacted by telephone to be offered reemployment and shall respond within twenty-four (24) hours following receipt of the offer.
4. Employees may notify the Personnel Department authorizing acceptance or rejection of an assignment on their own behalf.

ARTICLE X: NO-STRIKE CLAUSE

1. The District will not lock out its employees and the Association will not cause or encourage its members to engage in any strike or other work stoppage.
2. The Association will not cause or encourage its members to refuse to cross any picket line established by any labor organization at any location unless there is a

mutual agreement between the District and the Association that there is danger to the safety and well-being of the employees. A written agreement shall be reached between the Association and the District regarding such a situation.

**STATEMENT OF INTENT REGARDING
DISTRICT GROUP INSURANCE CONTRIBUTION
FOR CERTIFICATED EMPLOYEES OF THE DISTRICT
1983-84 and 1984-85**

It is the intent of Seattle School District No. 1 as per agreement with the Seattle Teachers Association to provide the District's contribution to the Group Insurance Fund Pool for certificated employees of the District, as described in item V-A-1 of the 1983-85 Collective Bargaining Contract between the Seattle School District No. 1 and Seattle Teachers Association to the fullest extent allowed by the salary and benefit limitation laws. The District recognizes that the total amount contributed to the pool for any individual may not be fully utilized due to some employees selecting less coverage than would be paid by the District. Therefore, the District will identify any unutilized portion of the contributed amount for group insurance and distribute such amount, if any, to enrollees whose coverage exceeds the full share rate.

1. Beginning with the 10/01/83 warrants the full share rate shall be one hundred and fifty dollars (\$150.00).
2. Any unutilized portion of the Group Insurance Fund Pool for certificated employees of the District shall be computed by the District based on the 12/01/83 payroll, with adjustments made for projected changes in certificated employees' participation in group insurance programs.
3. Figures used by the District to compute the cost of projected premium increases and projected changes in employee participation in insurance programs shall be developed by the District in consultation with the Association, utilizing the same procedure used during the 1982-83 school year.
4. The unutilized amount so determined will be divided among individual enrollees whose participation in District insurance programs as of 12/01/83 exceeds the 1983-84 maximum average enrollee share on an equitable basis as determined by the District, after consultation with the Seattle Teachers Association, in accordance with paragraph 5, below. The resulting figure will be effective for the pay periods beginning 01/01/84 through 08/31/84, provided that in no case shall any individual receive more than the amount necessary to pay for District insurance programs selected by the individual. In the event the calculations as of 12/01/83, reflect overutilization of benefits vis-a-vis the legal limitations, benefits will be adjusted downward for the pay periods beginning 01/01/84 through 08/31/84. The post 12/01/83 benefit payment figure will not therefore be adjusted except as may be required for legal compliance purposes.
5. The maximum utilization of benefits by any employee shall be such that the average full-time equivalent utilization among basic and nonbasic education certificated staff of the District, respectively, and separately, does not exceed one hundred and fifty-nine dollars (\$159) or an amount certified for such purpose by the SPI, whichever is greater.
6. The total District contributions for each group of employees identified in paragraph 5, above, will not exceed the amount which can be provided for each under the limitations of State laws, appropriations acts and implementing regulations as they relate to employee benefits.
7. Beginning with the 10/01/84 warrants, the full share rate shall be one-hundred and fifty dollars (\$150.00). The procedures of items 2 through 6, above, shall then be implemented with respect to the 84-85 work year.
