Recognition

- A. The Board hereby recognizes the LSEA as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, for those employees included in the unit for bargaining as set forth in the paragraph below. The term "teacher" when used hereinafter in this Agreement shall refer to all employees within the unit. The term "Board" when used hereinafter shall refer to the Board of Education of the Lansing School District, its administrative agents and supervisory personnel.
- B. The following teacher personnel who hold valid contracts with the Lansing School District comprise this bargaining unit: preschool-12 classroom teachers, guidance counselors, librarians, School Psychologists or Diagnosticians, social workers, school social workers, physical therapists, occupational therapists, audiologists, program specialists, special education teachers, speech and hearing therapists, remedial reading teachers, advanced instruction teachers, Instructional Development team teachers, teacher consultants, teachers of the homebound or hospitalized, attendance officers, school nurses, coordinators, and all other personnel placed on the Teachers Salary Schedule but excluding: all ABE and High School completion teachers; per diem substitutes; E.I.P. intern teachers; supervisory and executive personnel, as well as any other certified and non-certified personnel employed by the Board.
- C. Bargaining unit personnel shall not hire, transfer, suspend, layoff, recall, promote, discharge, assign or discipline other bargaining unit personnel. Any direction of personnel shall be initiated by the administrator in charge.
- D. The Board agrees not to negotiate with any teachers' organization other than LSEA for the duration of this Agreement. Nothing herein is intended to prohibit the right of free communication between the Board or its representatives and the personnel included in the bargaining unit.

ARTICLE II

Association and Teacher Rights

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every teacher employed by the Board shall have the right freely to join and support the LSEA for the purpose of engaging in collective bargaining or negotiations. The Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379, or other laws of Michigan or the Constitutions of Michigan and the United States.
- B. Nothing contained herein shall be construed to restrict or deny to any teacher rights they may have under any other laws.
- C. LSEA announcements during duty hours shall be permitted only at the close of building faculty meetings. Association activities will in no way interfere with classroom or preparation time.
- D. The Board recognizes and respects the right of citizens to make suggestions for the improvements of public schools, but maintains that no group can deny academic freedom to educators. The Board recognizes that the education profession has both the right and the responsibility to insist that children must be free to learn and teachers free to teach broad areas of knowledge, including those considered controversial. Thus, no special limitations shall be placed upon study, investigation, presentation and interpretation of facts and ideas, except that:
 1. The teacher must exercise responsibility and prudence, and must realize that teaching in an elementary or a secondary school places special responsibility upon the teacher to carefully consider the maturity level of the student and the special circumstances that surround the teacher/learning relationship.
 2. The teacher shall have the responsibility of keeping the principal informed of all controversial issues to be taught outside the accepted course of study.

If any group or individual brings charges against the teacher designed to impede the teacher's freedom to teach, and the teacher's position concurs with Board of Education Policy #6122, Study of Controversial Issues, and number 1 and 2 above, the Board shall provide without cost to the teacher, the necessary and sufficient leave of absence, legal assistance, and other support for the protection of academic freedom. Any amendment to Policy #6122 will be distributed by the Board to each teacher.

- E. 1. The LSEA shall have the right to use building facilities at reasonable times and hours for teacher meetings outside their working day when an operating staff is on duty, provided this shall not interfere with or interrupt normal school procedures. Such use will be scheduled through the building administrator. When special custodial service is required, the Board will charge the LSEA for the actual charge involved.

2. Duly authorized officials of the LSEA shall be permitted to transact official LSEA business on school property at all reasonable times, provided it does not interfere with or interrupt or affect normal school operations or assigned duties. It is the responsibility of the above mentioned officials to report their presence to the office of the building principal before their conference with any teacher.
 3. The LSEA, by its representatives, may, for LSEA purposes, enjoy the use of Board typewriters, calculating machines, duplicating equipment, audio visual and amplifying equipment at an annual rental fee of \$135 per annum plus the cost of materials and supplies: provided, however, all such use shall be only when such equipment is not in use, for educational or instructional purposes as determined by the building administrator. LSEA agrees to indemnify and hold harmless the Board of and from any damage or cost of repair arising out of LSEA use.
 4. The Board shall provide a bulletin board in each building, part or all of which shall be designated in writing by the building administrator for LSEA use.
 5. The courier service may be used by the LSEA at its option. Service shall include a regular daily stop at the LSEA office, subject to the charge of one cent per posted unit picked up at the LSEA office. The LSEA shall also be entitled to utilize teacher mailboxes.
 6. All of the foregoing are granted solely to the LSEA and shall not be utilized by any other teacher organization as contemplated by P.A. 379. The LSEA agrees to indemnify and hold harmless the Board against and from any and all costs, expenses or money judgments and agrees to pay the same in behalf of the Board to the extent that any costs, expense or judgment shall arise out of, or be incurred in any lawsuit or other action wherein any party claims to have been aggrieved as the result of any of the privileges in this Article being granted solely to the LSEA to the exclusion of any other teacher association.
- F. The Board agrees to provide in the form in which it is available in the records of the District, upon written request of the LSEA President or Executive Directors, all financial and non-confidential personnel information relative to the District, excluding, however, any and all financial information or data which may be held not accessible to teacher bargaining units by any statute, state administrative or judicial body.
- G. Teachers shall be entitled to the full rights of citizenship. Such rights of citizenship include the right to a personal and private life provided that said personal or private life does not have a negative impact on the Teacher's effectiveness.
- H. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the United Profession either on or off the school premises. However, teachers may not attach or glue any types of membership insignia to any part of the building structure.
- I. The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or membership in, or association with, any organization.

- J. Upon appointment with the Personnel Office which may be made anonymously, teachers shall have access to their personnel files once each semester to review any document prepared by the teacher, college transcripts, progress evaluation forms prepared by the principal or supervisor, and other miscellaneous documents and information which are not received as privileged or confidential. Such records will be made available at the Personnel Office and will not be removed from said office.
- K. Nothing herein shall require any teacher to be a member of, or participate in the activities of any organization.
- L. The LSEA shall be entitled to a total of fifty (50) school days with pay per year to be utilized by the LSEA as needed (subject to cancellation due to emergency) provided, however, such time is to be utilized only for the necessary business purposes of the LSEA and is specifically denied for arbitration use.

The LSEA Executive Director must give notice for this request as early as possible but in any event no less than three (3) days prior to the leave to the Director of Personnel and the immediate supervisor of the affected teacher. No more than two (2) teachers may be absent under this provision at one time except as approved by the Director of Personnel.

- M. The Board and the LSEA recognizes the significance and priority of the goal established in the policy on Recruitment and Selection of Certificated Personnel, and acknowledges the charge to the Superintendent and Director of Personnel to recommend appointments for staff positions on merit with increased racial and ethnic integration to approximate the racial and ethnic composition of the student population served by the Lansing School District. The Board and the LSEA shall promote an aggressive effort to recruit members of minority groups for employment in the schools. The Board shall deliver to the LSEA copies of State and Federally funded proposals including statements of assurances of compliance with State and Federal Civil Rights guidelines.
- N. A teacher may not be required to disclose communications received in confidence by the teacher from a student unless said disclosure has been determined to be required by law.
- O. The Board shall support those teacher rights expressed in the Board Policy #5114, Code of Student Conduct for Elementary and Secondary Pupils as amended October 2, 1975.

ARTICLE MI

Association and Teacher Responsibilities

- A. Teachers shall be at their work station for the days contracted. Any unexcused absence will result in an entry to that effect in the teacher's personnel file, with notice thereof to the teacher and it, or a combination of these, may be cause for disciplinary action up to and including dismissal.
- B. No teacher on continuing tenure shall discontinue service with the Board except by mutual consent, without giving a written notice to said Board at least sixty days before September 1st of the ensuing school year. Any teacher discontinuing services in any other manner than as provided in this Section shall forfeit in accordance with the Act the rights to continuing tenure previously acquired under the Tenure Act.
- C. Teachers are expected to indicate to the Board as soon as possible if they do not intend to return for the coming school year. Any teachers knowing on or before February 15 that they will not return the following school year shall file a notice of such intent with the Director of Personnel on or before such date. Teachers determining after such date that they will not return the following school year will immediately upon knowing file a notice of such intent with the Director of Personnel. Recognizing the assistance such notice will be to teachers desiring transfers, the LSEA will send notices to each building encouraging compliance with the provision of this paragraph by its membership.
- D. All teachers in the Lansing School District shall furnish, on a triannual basis, evidence of freedom from communicable tuberculosis.

Department of Health form K-7-8 or other official evidence, shall be presented to the Personnel Office and placed in the teacher's personnel file no later than 14 days after the first day of regular school sessions. This form shall be available for examination by Public Health Department personnel. Failure to provide such statement to the Personnel Department shall result in automatic disqualification and suspension without pay.

Acceptable statements of evidence may date back no further than December 1 of the preceding year.

- E. All Association materials intended for distribution or display in any property under the management of the Board shall be identified as Association material before display or distribution.
- F. Teachers are responsible for maintaining a continuous high level of professional service to the welfare and benefit of the student body. Teachers, therefore, are responsible to discharge their teaching assignment with professional proficiency, to plan adequately and make conscientious efforts to meet, if necessary, with children, parents, and/or administrators.

ARTICLE IV

Grievance Procedure

- A. A claim by a teacher, group of teachers or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement and/or written teacher personnel policies directly applicable to wages, hours or conditions of employment adopted by the Board may be processed as a grievance as hereinafter provided.
- B. The LSEA shall maintain a grievance Committee for the purpose stipulated in Section F of this Article. In the event that members of the Grievance Committee are a party in interest to any grievance they shall disqualify themselves.
- C. The number of days indicated at each step of the Grievance Procedure are calendar days, excluding weekends and holidays, should be considered as maximum, and every effort should be made to expedite the grievance process. Any time limit may be extended by mutual consent.
- D. The failure of an aggrieved person to proceed from one step of the Grievance Procedure to the next step within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.
- E. The failure of an Administrator to communicate the decision to the teacher within the specified time limits shall permit the teacher and/or Association to proceed to the next step in the Grievance Procedure.
- F. In the handling and processing of a grievance the following procedure shall apply:
 1. Step One

Within fourteen (14) days of the date a grievance occurs, the teacher shall discuss the grievance with their immediate supervisor individually, together with the LSEA Building Association Representative and/or through another official LSEA Representative with the objective of resolving the matter informally. Within five (5) days after discussion of the grievance, the administrator or a designee shall give the disposition orally to the teacher.
 2. Step Two

If the grievance is not resolved informally, the teacher shall, within five (5) days of receipt of the administrator's disposition, submit to the administrator a signed written "Statement of Grievance." The "Statement of Grievance" shall name the teacher involved, shall state the facts giving rise to the grievance, shall identify all the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the Association with respect to these provisions, shall indicate the relief requested and shall be signed by the teacher involved.

The administrator or a designee shall give the teacher an answer in writing no later than five (5) days after receipt of the written grievance.

3. Step Three

If the grievance is not resolved at Step Two, the teacher shall immediately transmit the grievance to the Association's Grievance Committee. Within twelve (12) days of the date of disposition at Step Two, the Grievance Committee shall consider the merit of the grievance and in the event it is considered meritorious shall process the claim with the Director of Employee Relations. If the Grievance Committee determines the grievance to be without merit it shall so notify the claimant and the claimant may continue to process the claim without Association support within the same twelve (12) day time period.

Within twelve (12) days of receipt of the grievance, the Director of Employee Relations or a designee shall meet with the committee chairman or the grievant, whichever party is pursuing the grievance. If the committee pursues the grievance, the aggrieved may be present and shall be present at the request of either the Director of Employee Relations or the Association. A written answer shall be given within five (5) days after such meeting. Association grievances shall commence at this level and shall be filed within fifteen (15) days of the alleged occurrence of such grievance.

4. Step Four

If the grievance remains unresolved at the conclusion of Step Three, it may be submitted for binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Board and the American Arbitration Association within twenty (20) days after the date of decision under Step Three. Following the written notice of request for submission to binding arbitration, the arbitrator will be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing.

The fees and expenses of the arbitrator shall be shared equally by the Association and the Board. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

G. Powers of the Arbitrator

It shall be the function of arbitrators, and they shall be empowered, except as their powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- b. The arbitrator shall have no power to establish or alter salary schedules.
- c. The arbitrator's powers shall be limited to deciding whether the Board has violated the express articles or sections of this Agreement, or policies as defined in paragraph A of this Article, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.

H. Both parties agree to be bound by the decision of the arbitrator and agree that either party may enter judgment thereon in any court of competent jurisdiction.

2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
3. All documents, communications, or records dealing with a grievance shall be filed separately from the personnel files of the participants.
4. The form "Statement of Grievance" can be obtained from an Association Representative or the LSEA office.
5. Access shall be made available to records of all unprivileged information used in the determination and processing of the grievance.
6. No grievance shall be filed for or by any teacher after the effective date of their resignation.
7. Any grievance filed during the life of this Agreement shall be processed through the steps of this procedure regardless of whether such time required may go beyond the expiration date of this document.
8. If any teacher has a grievance regarding any condition of employment covered by the Michigan Tenure Act, such grievance shall be dealt with exclusively through the provisions of said Act and the established procedures thereof.
9. Two or more grievances on the same subject may be handled by the Board as one grievance. When such a situation occurs, the Association shall be notified and the answer directed to the Association representative or the Association.
10. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without the intervention of the LSEA, if the adjustment is not inconsistent with the terms of this Agreement, providing that the LSEA has been given opportunity to be present at such adjustment.

ARTICLE VII

Class Size

Because the pupil-teacher ratio is one important aspect of an effective educational program, the Board shall strive to keep class sizes below maximums. Further, when it becomes clear that within the capabilities of a given building that the movement of children from one classroom to another would balance the class size or the overload without being detrimental to children, the Board will adjust class sizes within the class size maximums.

- A. The school district shall level class sizes within a building to the nearest whole student equivalent count by dividing the number of classes in a specific grade level or subject matter into the actual number of student count equivalent. Should the count exceed the class size maximum, overload relief shall be provided for the affected teacher subject to the conditions listed below.
- B. For purposes of alternate staffing patterns, when a staff agrees to reduce the number of professional staff below the allocated number for a given building or program, the money released shall be determined by multiplying the number of teachers not hired by the district-wide average teacher's salary. The staff involved will determine how this money is to be spent.
- C. In innovative or experimental programs, alternate staffing patterns or other cases where specific class size maximums do not apply, the ratio of students to teacher equivalent positions employed by the district shall not exceed the equivalent ratio of classroom teachers in regular or traditional programs.
- D. Elementary Maximums
 1. K - 26
 2. One and two years out of Kindergarten 26 (Grades 1 and 2).
 3. Three to six years out of Kindergarten 30 (Grades 3 thru 6).
 4. In a situation where the continuous progress concept is in use, the class size shall not exceed those of the respective grade level equivalents.
 5. Teachers having combination grades in the same room shall have class sizes two below the respective grade level equivalents.
 6. If class sizes exceed three pupils over the guidelines without the consent of the teacher or teachers involved, the staff of the building shall meet to review and attempt to resolve the problem.
- E. Elementary Overloads
 1. Teachers shall be paid \$5.00 per week per pupil in classes where there is one pupil over the maximum for elementary classes set forth above. Kindergarten classes shall be considered as separate units.
 2. Overloads shall be determined by actual counts on the fifth Monday and each Monday thereafter of the first semester. During the second semester overloads shall be determined by actual counts on the third Monday and each Monday thereafter. Overloads shall not be paid for the first four weeks of the first semester or the first two weeks of the second semester. Overloads shall be paid at the end of each semester.

3. In order that payments can be made on the 21st pay check, the 16th Monday of the second semester shall serve as the actual count for the 17th, 18th, and 19th Monday.

F. Secondary Maximums

Class size maximums are set forth in Appendix C.

G. Secondary Overloads

1. Teachers shall be paid \$2.00 per week per pupil in classes where there is one pupil over the maximum for secondary classes set forth in Appendix C. Fractional overloads shall be paid on the first 3/4th and every 1/4th thereafter.
2. Overloads shall be determined and paid each semester by using the average of four count dates. In 1979-80 the dates to be used the first semester shall be November 2, December 7, January 11 and February 8. The dates to be used the second semester shall be March 14, April 18, May 16 and June 13. In 1980-81 the dates to be used the first semester shall be October 3, October 30, November 27 and January 11. The dates to be used the second semester shall be February 13, March 13, April 17, and May 15.
3. Schools on the quarter system will have separate count dates which the parties will determine mutually.

H. Weighting

Elementary students determined to be handicapped by an EPPC (excluding speech and language impaired) shall be weighted in accordance with the following provisions:

1. Weighting shall occur only when it is determined by an EPPC/IEP that a student is to be placed in a regular program for some part of the day, and that the child will require instruction and or support beyond that needed by a regular student and that such instruction/support will be provided by the regular teacher. The weighting shall occur only as long as the additional instruction/support is needed. Reviews of the child's assigned weight shall occur at least annually, or whenever the IEP is reviewed.
2. When special education students presently placed in a regular classroom (excluding speech and language impaired students) are considered by the regular teacher to be eligible for weighting in accordance with Item 1, the student's special education teacher and regular education teacher shall recommend such weighting to the building principal.
3. Upon the principal's decision to assign a weighted factor, the principal or his/her designee shall take the following steps:
 - A. Assure that class sizes are leveled so as to distribute the class loads as evenly as practicable, taking into account the weightedness of handicapped students as determined in Item 2. Consideration will be given to the fact that in some situations, it will be necessary to group handicapped students in one classroom (example - hearing impaired students needing interpreter services); however, the leveling process will not be implemented to the detriment of children. Leveling shall occur by two weeks after fourth Friday.

- B. Inform the teacher of the decision and of the teacher's right to appeal the decision to the Associate Director, and finally to the Special Education Administration. The appeal process shall be expedited, and shall not exceed two school weeks.
4. In any event, the regular teacher and the principal may choose to work out other suitable remedies for the situation in lieu of "weighting" by mutual agreement.

3. No later than October 15, the Board shall provide the LSEA with a list of those employees who have authorized dues deductions. The Board shall provide the LSEA monthly with any additions to or deletions from such lists.
4. So long as a teacher remains on the payroll, the authorized deductions shall be continued.
5. The Board agrees to promptly remit to the Association all monies so deducted, accompanied by a list of the teachers' names from whom such deductions have been made and the amount of the deduction. In the event that a teacher shall not pay such Representation Benefit Fee directly to the Association or authorize payment through payroll deductions, as provided for Professional Dues, the Board shall cause the termination of employment of such teacher.  - a. The Association shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.

- c. The Board, only upon receipt of said charges and request for termination, shall conduct a hearing on said charges, and to the extent that said teacher is protected by the provisions of the Michigan Tenure of Teachers Act, all proceedings shall be in accordance with said Act. 2. Neither the LSEA nor the Board shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership at large of the LSEA who cast votes, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
3. This Agreement incorporates the agreement reached by the parties on all agreed issues which were subjects of negotiation. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in writing and signed by both parties as an amendment to this Agreement.

B. Contract Maintenance

4. Copies of this Agreement shall be printed at the joint expense of the Board and the LSEA and presented to all teachers now employed of hereafter employed by the Board.
