Dear Mr. Wohlford:

During the recent negotiations between the State of New York and The Police Benevolent Association of the New York State Troopers, Inc. (PBA), for the Units consisting of Majors, Captains, Lieutenants, Non-Commissioned Officers and Troopers in the Division of State Police, an agreement was reached to provide for certain procedural items relating to operational matters affecting members of Units. This letter confirms these matters.

1. Article 16 (Members Rights)

With the concurrence of the Governor's Office of Employee Relations (GOER), Article 16 shall be amended as set forth in [Exhibit A](#).

2. Rule 3

The Division agrees to amend Rule 3 (Disciplinary Action), as set forth at 9 NYCRR Section 479, by adding the following language at an appropriate location in Section 479:

The members of the hearing board shall have no ex parte communications regarding the subject of the hearing with Division Counsel, Division Counsel staff, the accused member's attorney, or the member's union representative during the hearing. If the presiding officer wishes to consult with Division Counsel during the hearing, the communication shall be made in the presence of the assigned Division attorney, the accused member's attorney, and the member's union representative. The assigned Division attorney, the member's attorney, and the member's union representative may not participate in any discussion between the presiding officer and the Division Counsel.

3. Personal Leave

Division agrees to revise the New York State Police Administrative Manual to provide the following:

(See [Exhibit B](#)).

4. Split Weekends

Division agrees to revise the New York State Police Administrative Manual to provide the following:

For the purpose of this section, the term Station Sergeants shall be used when referring to Station Commanders and Line Sergeants, while the term Zone Sergeants shall remain self-explanatory.

Station Sergeants shall be scheduled in accordance with split weekends (Friday-Saturday or Sunday-Monday), provided that adequate coverage is maintained and an equal number of Station Sergeants are scheduled during the split weekend period.

Zone Sergeants shall be scheduled in accordance with split weekends (Friday-Saturday and Sunday-Monday), for the purpose of providing Zone supervision in the absence of the Zone Commander. The scheduling of Zone Sergeants will include the A, B and C Tour, and must not reduce the number of Station Sergeants scheduled during the split weekend period.

The Division of State Police maintains the right to alter the scheduling of split weekends, when necessary, to fulfill its obligation to public safety.

5. Scheduling — 12-hour Work Day

Pilot Program

As soon as practicable after the execution of the Memorandum of Understanding between the State of New York and the PBA, Division and PBA shall meet to discuss the implementation of a pilot program to evaluate a 12-hour workday schedule for certain members of the Trooper Unit. A written agreement governing the terms of such pilot program will be developed.

6. Extreme Emergency Overtime

PBA will be provided with a copy of a letter sent by the Governor's Office of Employee Relations (GOER) to the Division of the Budget (DOB) regarding the processing of applications for G-140 Overtime Requests.

7. Vacation Selection Year

Effective April 1, 2000, the "vacation year" shall for members of the Trooper Unit and Supervisors Unit begin on April 1 instead of September 1. The Division and the PBA will hold labor management meetings as necessary to develop procedures for transitioning to the new vacation year. Exhibit A

§16.1 D. Occasions will arise when there is a need for inquiry into a member's official actions or activities either as a principal or as a witness so that there will be a recording of facts, for the protection of the member or of the Division, or to rebut, explain or clarify any allegations, criticism or complaints made against a member of the Division. Under such circumstances members must, when questioned by a superior officer conducting an inquiry, properly respond, and if requested, provide memoranda concerning their official activities that detail the facts regarding the incident. Such memoranda will not be considered as admissions against self-interest in evidence submitted in a disciplinary proceeding under Rule 3 of the Rules, unless the member was offered the representation to which the member is entitled in an interrogation pursuant to paragraph 16.2A(8) below. In those instances where such inquiry has been completed, members clearly identified as principals shall be entitled to consult with a PBA representative before submitting any additional written memoranda or statements.

§16.2 A. 8 New Last Sentence

If during an interview of a witness in a complaint against personnel investigation, information is developed which could be used against the witness in a disciplinary action, that witness shall not be further questioned about that specific information without first offering that member a reasonable opportunity to contact and consult with an attorney and/or a PBA troop representative.

§16.2 A. 13 Resignation. A member who is advised that he or she is alleged to have been guilty of misconduct or incompetency, and who is, as a result, given the option of resigning, shall be provided a resignation form stating that:

- a. he or she is submitting the resignation voluntarily.
 - b. he or she may decline to resign and instead demand that Division formally serve the member with any charges of alleged misconduct.
 - c. he or she may request a hearing pursuant to Rule 3 of the New York State Police Rules and Regulations.
 - d. he or she was not denied an opportunity to consult with a PBA troop representative.
1. Grievances hereunder will be filed at Step three of the grievance procedure outlined in Article 15. Such grievances are not arbitrable.
-

Exhibit B

8F2 Scheduling Guidelines

- b. All work schedules should be prepared sufficiently in advance to allow them to be approved and posted on the bulletin boards at least two weeks before the previous work schedule expires. Members seeking to gain preapproval for personal or unscheduled annual leave should submit their request thirty days prior to the effective date of the new schedule.
 - 1. Supervisors should incorporate requested leave during the preparation of the proposed schedule to balance and provide necessary coverage for each duty tour.
 - 2. In cases where the member can not be granted preapproved leave due to operational requirements, he or she shall be notified prior to the affected schedule posting.
