WITNESSETH; Whereas, the parties hereto desire to make and arrange terms and conditions under which laborers, heavy equipment operator and working foremen of the HIGHWAY AND PUBLIC WORKS DEPARTMENT OF THE Village of Quogue shall work and perform their duties, and

WHEREAS, the Civil Service Employees Association, Local 1000, AFSCME, AFL-CIO is recognized as the bargaining representative by the Village of Quogue for all members of such Association, consisting of all full time employees of Quogue Village Highway and Public Works Department, and

WHEREAS, the parties desire to enter into a collective bargaining agreement (hereinafter referred to as "This Agreement"), setting forth the amount of wages to be paid to such employees of said department and the conditions and terms of their employment,

NOW THEREFORE, for and in consideration of the premises and mutual covenants and promises as herein contained, the parties agree as follows:

SECTION 1. The Agreement shall encompass the rate of wages and the conditions of employment of all full time employees of the Quogue Village Highway and Public Works Department who have the designation of Laborer, Heavy Equipment Operator and Working Foreman.

SECTION 2. The Association represents that it has authority to negotiate, bargain and agree for and on behalf of its members who are all such employees of the Quogue Village Highway Department and the Association hereby agrees on behalf of itself and all such members and employees that it and each of them will faithfully perform all of the terms and conditions of this Agreement on their respective parts to be performed.

SECTION 3. The Employer recognizes the Association as the sole and exclusive bargaining agent and representative for all Laborers, Heavy Equipment Operator and Working Foremen employed full time in the Quogue Village Highway and Public Works Department.

SECTION 4. The Association agrees in consideration of the recognition granted to it as the exclusive bargaining representation of the members of the Department, that it will not during the term of this Agreement engage in or assist or participate in any strike, slow down, job action or any other or similar form of work stoppage or encourage or impose an obligation on members of the Department to conduct, assist or participate in any strike and that any dispute or grievance arising out of or under the terms of the Agreement or involving the application and interpretation of any provision of this Agreement shall be resolved by the parties hereto, or if they are unable to resolve the same, by invoking the procedures provided under the Public Employment Relations Act of the State of New York.

SECTION 5. The regular hours or work shall be eight (8) hours in any one day and not more than forty (40) hours a week. The regular work day shall commence at 7:30 A.M. and conclude at 4:00 P.M. The lunch period shall be from 12:00 Noon to 12:30 P.M., unless otherwise scheduled by the Village Trustee charged with the supervision of the Department.

SECTION 6. The annual rate of salary (which shall be payable bi-weekly) for the duration of this Agreement for all members of the Quogue Highway and Public Works Department covered by this Agreement shall be set forth in Schedule "A" annexed hereto and made a part thereof, with the same force and effect as if herein set forth at length. Such regular hourly rate shall be computed by dividing the bi-weekly salary of such member by 80 hours, such payment to be made within two weeks of such overtime.

If an employee elects to have overtime pay as compensatory time the following shall be applied: Compensatory time off for overtime hours worked (in lieu of overtime pay) shall be at the rate of one and one-half (1 1/2) hours of compensatory time off for each overtime hour worked. Employees shall be able to accumulate a maximum of forty (40) hours of compensatory time.

The parties shall meet no later than May 31, 2001, to discuss whether compensatory time will remain in effect for the duration of the contract. If the parties fail to meet prior to May 31, 2001, such provision will remain in effect for the duration of the contract.

If such overtime is completely separated from the employee's regular shift hours as a result of being called back to work in a situation where he then is released from duty before his next tour of duty begins, then the employee shall be paid overtime for not less than four hours, even if he works less than four hours.

Whenever a member of the Department is required to work on a day off, a paid holiday, as listed in Section 8 (excluding Thanksgiving Day, Christmas, and New Year's Day), or during his vacation period, then and in that event, he shall be paid for his overtime at a rate of pay equal to one and one half times his regular hourly wage as heretofore defined.
