If, after all part-time and probationary employees have been laid off and other reductions in force are necessary, the employer shall lay off in accordance with the principles of seniority, provided the retained employee can efficiently perform the required work as determined by management. For the purpose of reduction in force, seniority shall be classification wide, provided no employee shall have less seniority in classification in which he was originally hired than his total district-wide seniority.

When recalls occur, employees will be recalled in the inverse order in which they were laid off by the Board sending a written notice to the employee by registered or certified mail, return receipt requested, or telegram requesting him to return to work, unless management determines that the employee with the most seniority does not have the requisite skills for the job being recalled. Any employee shall not be deemed to have waived his right to return to work unless he fails to give notice of his intent to return within three (3) work days and report for work within two (2) weeks.

- B. Transfers

Except for emergencies, a permanent employee shall not be transferred to another shift or from one building to another or from one department to another without prior notice to the employee and discussion with the Union, if requested. No transfers of any kind will be made for punitive purposes.

C. Promotions

All job and shift openings and promotions shall be posted, and all employees in the unit shall have the opportunity to bid on same. Criteria for promotion shall include but not be limited to qualifications, ability, seniority, overall staffing requirements and prior performance evaluations. Promotions shall be in accordance with Civil Service Law.

XVIII. SECURITY

No permanent employee shall be discharged except for just cause. The Union reserves the right to dispute any such discharge. If the parties fail to agree, the matter shall be submitted through the regular channels of Grievance Procedure as provided in this Agreement.

XIX. POSITIVE EVALUATION

- A. The parties agree to meet and confer to develop a new performance evaluation form, and to modify the due process provision to provide for an appeals process for unit members to contest an unsatisfactory performance evaluation.
- B. Any employee receiving in any contract year two or more unsatisfactory evaluations shall not be entitled to the next regularly scheduled wage increase.
- C. Any employee who receives a negative evaluation and who feels that such evaluation does not properly reflect his job performance shall be entitled to challenge the evaluation through a due process procedure to be developed pursuant to paragraph "A" of this article.

This contract and all of the terms and conditions and appendices set forth herein shall remain in effect for the period of July 1, 2000 through June 30, 2003.
