ARTICLE 2 CUNY-PSC RELATIONSHIPS

2.1 The parties agree to maintain the academic character of the University as an institution of higher education.

2.2 The entire Agreement between the parties consists of the terms herein stated, and this Agreement terminates all prior Agreements and understandings. All Bylaws, policies and resolutions of the Board, and all Governance plans and practices of the Colleges and of the departments, as currently in effect, or as the same may be hereafter adopted, supplemented or amended, shall be subject to the said stated terms of this Agreement.

2.3 Nothing contained in this Agreement shall be construed to diminish the rights granted under the Bylaws of the Board to the entities and bodies within the internal structure of CUNY so long as such rights are not in conflict with a stated term of this Agreement.

2.4 The rights, functions and powers of the Board and its officers and agents, and of the officers of CUNY, under the applicable law of the State and the Bylaws of the Board, including the Board's right to alter or waive existing Bylaws or policies in accordance with the procedures specified in the Bylaws shall remain vested in the Board and in said officers and agents, subject to the following:

(a) The Board shall supply the PSC with three copies of the Board's Bylaws and written policies. If there is an inconsistency or conflict between an existing Bylaw or policy of the Board and a stated term of this Agreement, the said term of this Agreement shall govern, and the Board shall promptly cause its Bylaws to be amended or repealed to conform therewith.

(b) The Board shall not adopt any new or amended Bylaws, policy or resolution which conflicts with a stated term of this Agreement. In the event any such Bylaw, policy or resolution is adopted by the Board, the said term of this Agreement shall nevertheless govern.

(c) In the event it is proposed that a Bylaw, procedure or policy respecting a term or condition of employment of all or some of the employees covered by this Agreement be adopted, amended or rescinded by resolution of the Board, the PSC shall be given notice and an opportunity to consult in respect of said action prior to said action being taken or becoming effective, in the manner specified below:

(i) The Board or its agent shall furnish the PSC with three copies of all proposed resolutions to adopt, amend or rescind a Bylaw at such time as a standing Committee of the Board or, in the event a committee does not consider the resolution in advance, as soon as the Board as a whole receives

a copy of the text of such resolutions or as soon thereafter as practicable, but in no event later than the time the Board's Committee delivers notice of proposed Bylaw changes to the Board.

(ii) The Board or its agent shall furnish the PSC two copies of the agenda of each regular or special meeting of the Board at the time said agendas are made available to members of the Board, and two copies of the minutes of Board meetings at the time said minutes are made available to members of the Board.

(iii) If a standing Board Committee has scheduled hearings on any proposed Board action respecting a term or condition of employment of employees covered by this Agreement, the PSC shall, on request, be permitted to participate in such hearing on such terms as the appropriate Committee shall determine.

(iv) The PSC may request to be heard by the Board at a regularly scheduled or special meeting in order to speak to any item of the Board's agenda, provided that such request is made known to the Board Chairman not less than three (3) days prior to the meeting.

(v) Upon the delivery to a standing Committee of the Board of any proposal for a Board resolution respecting a term or condition of employment of employees covered by this Agreement, or upon the appearance on the Board's agenda of any such resolution, the PSC may request consultation with the Chancellor or the Chancellor's designee in respect of such proposed Board action, in advance of its being taken, and such opportunity for such advance consultation shall be provided unless manifestly impracticable, and the Chancellor or the Chancellor's designee, prior to the Board's action, shall report to the Board the substance of such advance consultation, it being understood that the PSC's consent to the Board's action shall not be required prior to such action being taken or becoming effective, unless the Board action shall be inconsistent with a stated term of this Agreement.

2.5 The Chancellor shall meet with the President of the PSC and a reasonable number of other officers of the PSC twice each semester for the purpose of consultation in respect of the terms and conditions of employment of employees covered by this Agreement, and of matters necessary to the implementation of this Agreement which are University-wide in nature. Other matters may be placed on the agenda by the Chancellor or the PSC by mutual agreement. In emergencies which prevent the Chancellor's attendance, the Chancellor's designee shall meet with the PSC. Each party shall submit to the other a list of particular matters to be discussed not less than five (5) days before the scheduled date of meeting.

2.6 Each College President shall meet with the PSC chapter chairperson and a reasonable number of other officers of the PSC, which may, at the discretion of the PSC, include cross campus representation, twice each semester for the purpose of consultation in respect of matters directly affecting the terms and conditions of employment of employees of said College covered by this Agreement, and matters necessary to the implementation of this Agreement which are local in nature. Other matters may be placed on the agenda by the President or the PSC by mutual agreement. In emergencies which prevent the President's attendance, the President's designee shall meet with the PSC. Each party shall submit to the other a list of particular matters to be discussed not less than five (5) days before the scheduled date of meeting.

2.7 Nothing contained herein shall prevent the PSC from consulting with the Chancellor and the College Presidents, as described above, at times other than those set forth if matters within the area of collective negotiation arise of an urgent or emergency nature.

ARTICLE 3 UNIT STABILITY

Any group of employees in the present collective negotiation unit whose group classification is changed during the life of this Agreement will remain in the unit for the duration of this Agreement.

ARTICLE 4 CHECK-OFF AND AGENCY SHOP

4.1 Check-Off:

The University agrees to the principle of exclusive check-off of annual PSC dues in amounts to be determined by the PSC in accordance with the forms and procedures approved by the Comptroller's Office of the City of New York or State of New York. Withholding authorizations will be submitted to the appropriate University authorities. The University, together with the PSC, shall develop procedures in conjunction with the Comptroller's Office to expedite the deduction of dues and the prompt remission of same to the PSC. When a member on dues deduction is transferred from one unit of the University to another, authorization to withhold dues shall be forwarded to the new payroll office.

4.2 Agency Shop:

The University and the PSC agree that employees covered by this Collective Bargaining Agreement shall be subject to an agency shop fee deduction to the extent permitted by Article Fourteen of the Civil Service Law in accordance with procedures agreed on by the parties.

ARTICLE 5 INFORMATION AND DATA

5.1 The University, through the Office of the Vice Chancellor for Faculty and Staff Relations, shall make available to the PSC, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiation unit and in possession of the University as are necessary for the implementation of this Agreement and for negotiation of a successor agreement. It is understood that this provision shall not be construed to require the University to compile information and statistics in the form requested if not already compiled in that form, unless mutually agreeable.

5.2 The University shall make available to the PSC:

(a) Two copies of the proposed Annual University Budget immediately upon its receipt by the Board.

(b) The name, title, salary, college, department and tenure status of each member of the negotiation unit. Such data shall be made available once during each Fall and Spring semester.

ARTICLE 6 REASSIGNED TIME

6.1 Reassigned time for the handling of grievances and implementation of this Agreement shall be granted:

(a) to designees of PSC to a maximum aggregate for all campuses (including the Central Office) of 123 classroom contact hours for each semester. 120 hours shall be apportioned amongst the various colleges of The City University of New York with a minimum of 3 hours to be apportioned to each college.

(b) to an officer of the PSC, full time.

6.2 Any designee under 6.1(a), who is a non-teaching member of the Instructional Staff, may be granted a maximum of one day reassigned time each week from August 30 until the day after the Spring commencement of the academic year. The reassigned time granted to such designee(s) of the PSC during the Spring semester may be continued during the period from the day subsequent to the Spring commencement of the college through August 29 up to a maximum aggregate for all colleges (including the Central Office) of two days of reassigned time each week without further charge. Reassigned time for additional designees during the period from the day subsequent to the Spring commencement until August 29 may be purchased by the PSC in accordance with Section 6.5 below. For purposes of this article, a day of reassigned time shall be the equivalent of six classroom contact hours.

6.3 The names of such PSC designees shall be supplied in writing to the President of each college, with a copy to the Vice Chancellor for Faculty and Staff Relations, no later than prior to the Spring commencement preceding the beginning of the fall semester and no later than two months preceding the beginning of the spring semester for which such reassigned time is sought. No member of the Instructional Staff who is not a full-time employee in this unit may be eligible for such reassigned time.

6.4 Such reassigned time may not be used to solicit PSC membership.

6.5 Consistent with the proper staffing of college and university programs and services, the University will permit the PSC to purchase reassigned time for additional designees. Such reassigned time shall be purchased at the adjunct rate appropriate to the designee. The amount of reassigned time under this paragraph shall be subject to agreement between the parties.

**ARTICLE 7
ORGANIZATIONAL USE OF FACILITIES**

7.1 Upon request to the President or his or her designee, the college chapter of the PSC shall be permitted to meet at the college if appropriate facilities are available. All requests must be in writing at least three days prior to the requested meeting.

7.2 The PSC shall be permitted to use college mailroom facilities for the distribution of PSC communications.

7.3 At each college campus, the President or his or her designee shall assign two (2) bulletin boards for the exclusive use of the PSC for the purpose of posting PSC notices. The number of bulletin boards at each college campus shall not exceed eight (8). However, the PSC shall be entitled to post notices on existing college bulletin boards customarily used for general notices to Instructional Staff, such as in the Faculty Lounge and in the Faculty Dining Room.

**ARTICLE 8
NON-DISCRIMINATION**

8.1 Neither the University nor the Union will interfere with, restrain or coerce the employees covered by this Agreement because of membership in or non-membership in or lawful activity on behalf of the Union. Neither the University nor the Union will discriminate in respect to hire, tenure of employment or any terms or conditions of employment of any employee covered by this Agreement because of sex, race, national origin, religion, sexual orientation, political belief or membership in, or lawful activity on behalf of the Union. The University and the Union shall comply with applicable provisions of federal, state and municipal laws and ordinances regarding discrimination in employment because of age or because of disability.

The City University and the PSC recognize that sexual harassment is illegal under Federal, State, and City law. They jointly resolve that sexual harassment will not be tolerated within the University. The City University will make copies of its policy against sexual harassment available at each College, including the Central Office.

8.2 The Union agrees that it will admit to membership and represent equally all members in the bargaining unit.

**ARTICLE 9
APPOINTMENT AND REAPPOINTMENT**

9.1 When reasonably practicable, initial full-time appointment to the Instructional Staff shall be made, in writing, by the President or his or her designee and approved by the Board prior to the effective date of appointment. Where such written appointment in advance of the effective date is not practicable, appointment shall be made by the President or his or her designee, subject to final action by the Board; in such instances, the President or his or her designee shall advise the appointee, in writing, that the appointment is subject to Board approval.

When a non-tenured or non-certificated member of the instructional staff does not appear at the college to perform his/her duties and fails to receive an authorized leave of absence, the individual shall be considered to have abandoned his/her position, and the college shall have no further obligation to that individual under the following circumstances: for a full-time member of the instructional staff, such abandonment shall be deemed to have occurred after 10 consecutive days of absence, other than Saturdays, Sundays or legal holidays. For an adjunct, such abandonment shall be deemed to have occurred after unauthorized absence from the first week of scheduled classes or other assigned duties. In either case the college shall notify the staff member in writing by certified mail that abandonment of his/her position has occurred.

In any grievance filed pursuant to abandonment of a position based upon the above, the burden of proof shall be upon the grievant to show:

1. He/She taught assigned classes or performed his/her duties on the days at issue, or
2. He/She applied for and received a prior approved leave for the days at issue, or
3. He/She was unable to report for work or give notice because of an emergency which made it impossible to report for work or give notice.

9.2 In the event that the Board does not approve of the appointment, and the appointee has already commenced work, the appointee shall have the option of receiving compensation pro rata for time worked or accepting a college appointment for the duration of that single semester. When, however, the Board does not approve the appointment for cause involving matters such as falsified credentials or inaccurate vita, the University shall be under no obligation other than payment for work performed to that point.

9.3 All initial full-time appointments to the Instructional Staff (except for those of substitutes and distinguished professors) shall be for one year or to the end of the academic year in which the appointment takes effect. For appointments to the HEO series which are made on the basis of the fiscal year, the fiscal year shall obtain.

9.4 All full-time reappointments to the Instructional Staff shall be for no less than one year, except for substitutes and for retirement leave. Employees, other than those who announce their bona fide intent to retire and meet applicable conditions contained in section 3107 of the Education Law, shall be compensated in a lump sum for all annual leave or compensatory time owed on the final date of the appointment or in the case of resignation as of the final work day.

9.5 Part-time appointments may be for less than one year, except as provided in Article 10.1(a)3.

9.6 Appointments to the title of Graduate Assistant shall be in accordance with the provisions of 11.2 of this Agreement.

9.7 Substitutes are temporary employees appointed to fill vacancies caused by leaves and/or emergencies; such persons shall have no presumption of retention.

9.8 Instructors and non-certificated Lecturers with four or more years of continuous full-time service in those titles immediately preceding appointment to the rank of Assistant Professor shall receive two years of service credit toward the achievement of tenure in the title Assistant Professor.

By August 31, preceding the first full-year appointment to the title Assistant Professor, the employee shall state, in writing, his/her preference regarding whether or not he/she wishes to waive the service credit toward tenure provided in the previous paragraph. In the event the employee wishes the service credit waived and the President or the President's designee approves, the service credit shall be waived irrevocably. In the event that the employee wishes to have the service credit applied or does not state a preference, the service credit shall apply. Approval or denial of the request shall not be subject to the provisions of Article 20.

9.9 When a College President determines not to make a recommendation to the Board for reappointment of a full-time member of the instructional staff or promotion of a full-time member of the instructional staff recommended to him/her by a College P&B Committee or other appropriate body, the individual affected by that decision shall be notified of the Committee's favorable recommendation and of the President's decision. The notice shall not state the reasons for the President's action.

Within ten (10) calendar days, excluding Saturdays, Sundays and legal holidays, after receipt of said notice, the affected individual may submit to the President a signed request for a statement of the reasons for the President's action. Within ten (10) calendar days, excluding Saturdays, Sundays and legal holidays, after receipt of the request, the President shall furnish a written statement of his or her reasons to the affected employee.

The President shall not be required thereafter to justify his or her decision or his or her reasons.

It is recognized that the President has an independent duty to recommend to the Board for appointment, reappointment, tenure or promotion only those persons he/she is reasonably certain will contribute to the improvement of academic excellence at the college and to consider institutional factors.

9.10 In the event that a full-time member of the instructional staff appeals through academic channels a negative decision regarding reappointment, tenure, a Certificate of Continuous Employment, or promotion, and the appeal is not successful, the individual shall be so notified by the President or his/her designee in writing.

Within 10 calendar days, excluding Saturdays, Sundays and legal holidays, after receipt of said notice the affected individual may submit to the President a signed request for a statement of reasons for the denial of the appeal. Within ten (10) calendar days, excluding Saturdays, Sundays and legal holidays, after receipt of the request, the President shall furnish a written statement of the reason(s) for denial to the affected employee.

It is recognized that the President has an independent duty to recommend to the Board for appointment, reappointment, tenure or promotion only those persons he/she is reasonably certain will contribute to the improvement of academic excellence at the college and to consider institutional factors.

Consistent with Section 20.5 of this Agreement the President's academic judgment shall not be reviewable by an arbitrator.

9.11 An individual who has received a statement of reasons pursuant to section 9.9 may not, upon appeal to the President, receive a second statement of reasons pursuant to section 9.10.

9.12 The reasons referred to in Section 9.10 of Article 9 (Appointment and Reappointment) are understood to be the reasons of the President. Further, where no academic appeals procedure is in existence or where such currently existing procedures do not culminate in an appeal to the President there shall be a direct appeal to the President, and the academic channels in the first paragraph of Section 9.10 may be limited to a direct appeal to the President.

If a Graduate Assistant B also holds an adjunct or other hourly position, his or her total combined assignment may not exceed 240 contact teaching hours or 450 hours of non-teaching assignment during the work year.

Graduate Assistant C

Graduate students holding the title Graduate Assistant C shall have an assignment of a maximum of 180 classroom teaching hours during the work year. If a Graduate Assistant C also holds an Adjunct teaching position, his or her total combined assignment may not exceed 270 contact teaching hours during the work year.

15.4 Workload for non-classroom members of the Instructional Staff, including members of the Instructional Staff assigned to the libraries, Student Personnel Staff, Counselors, HEOs, Registrars, College Laboratory Technicians and Research Assistants:

The work year shall be September 1 through August 31, including periods of annual leave as provided in Article 14. (Except for periods of annual leave as provided in Article 14, student personnel staff, counselors and library staff, in academic titles, shall be available for assignment.)

(a) Members of the Instructional Staff assigned as Counselors or to other student personnel assignments prior to September 1, 1998, except those in the Higher Education Officer series, shall have a work week of thirty (30) hours as assigned.

(b) All other members of the non-classroom instructional staff, including members of the instructional staff assigned as counselors or to other student personnel assignment on or after September 1, 1998, shall have a week of thirty-five (35) hours per week as assigned.

This work week is to be scheduled in not more than five days in any week for employees in the College Laboratory Technician series.

Employees assigned to a non-air-conditioned facility shall end their work day one hour earlier than scheduled commencing on the Monday following the Spring commencement through August 29 of that year.

(c) Employees on the non-classroom Instructional Staff of the City University of New York shall not be required to work an excessive number of hours, or be assigned an unreasonable schedule, it being recognized by the parties that members of the staff have the obligation to perform their responsibilities in keeping with the proper staffing of the day session, evening session, summer session, extension divisions and special programs of the University.

(d) It is understood that split schedules do not meet the definition of a reasonable schedule. A split schedule is a schedule in which the hours assigned are not consecutive except for meal periods.

(e) There shall be a labor management committee on each campus with two members designated by the President and two members designated by the PSC Chair to convene as needed to review complaints from instructional staff in College Laboratory Technician series titles concerning their workload and to make non-binding recommendations concerning these complaints to the President.

(f) There will be a labor management committee on each campus composed of two members designated by the President of the College and two members designated by the PSC to hear concerns from individual employees in the Higher Education Officer series concerning workload. The Committee, as appropriate, may make non-binding recommendations to the President. The Committee also may consider requests from an individual member of the Higher Education Officer series for a reclassification of his/her position. If the Committee deems such a request to have merit, it will refer the matter for consideration to the HEO Screening Committee.

15.5 Multiple Positions

Each faculty member must comply with the Board's rules and regulations pertaining to multiple positions or additional occupations or employment either within the University or outside of the University whether or not the faculty member receives any compensation in such additional occupation or employment.

ARTICLE 16
TEMPORARY DISABILITY OR PARENTAL LEAVE

16.1 The term "temporary disability" for purposes of this Article shall be defined as any temporary physical or mental incapacity including pregnancy, complications of pregnancy and childbirth.

16.2 Employees covered by this Agreement shall be granted temporary disability leave of twenty (20) calendar days, exclusive of Saturdays, Sundays and authorized holidays and recesses during each year of service. The unused portions of such temporary disability leave shall be cumulative to a maximum of one hundred and sixty (160) calendar days during which the college is in regular session.

16.3 Any absences in excess of the cumulative temporary disability leave accrued to the absentee shall be taken without pay, except that the Board may, in cases of protracted disability or unusual hardship, hear recommendations from the President that this provision be waived in exceptional instances, without thereby establishing a precedent.

(a) For the purpose of computing the number of days of cumulative temporary disability leave this Article shall be deemed effective as of the date of the employee's appointment.

(b) Temporary disability leave shall be computed commencing from the date of first absence from the assigned duties and shall include all additional calendar days, exclusive of Saturdays, Sundays and authorized holidays and recesses until such person's return.

(c) Persons employed on fractional schedules shall have their temporary disability leave and accumulated temporary disability leave prorated.

(d) Temporary disability leave shall be earned only after a full calendar month of service and no accruals or partial accruals shall be granted for service of less than a full calendar month. A full calendar month of service shall represent service from the first working day through the last working day of a given month.

(e) Any employee who is absent from duty because of a temporary disability shall promptly inform his or her department chairperson, who in turn shall inform the appropriate dean of the nature of the temporary disability and of the probable duration of the absence.

(f) When any absence because of a temporary disability exceeds thirty (30) consecutive working days, the absentee shall present a statement from his or her physician explaining the nature of his or her temporary disability and certifying that he or she is fully capable of returning to work. In the case of any such absence because of a temporary disability in excess of thirty (30) consecutive working days, the college may also require an examination by a physician in its employ or appointed by it, who shall certify his or her belief that the absentee is fully capable of returning to work. In cases in which there is a conflict of opinion, a third physician, acceptable to the absentee and to the President of the College, shall be called in and his or her judgment shall be accepted as conclusive. In the event that it is found that the condition of such person is such that he or she is incapable of resuming his or her normal duties, such person shall apply for such additional period of leave of absence as

may be necessary. Failure to make such application for an additional period of leave of absence shall be deemed neglect of duty.

16.4 Persons who are members of a public retirement system and who meet the eligibility requirements for service retirement, and persons who are members of the optional retirement program and who meet similar eligibility requirements to those of the public retirement system, who announce their bona fide intention to retire and file the appropriate application to retire shall be granted a retirement leave of absence with full pay consisting of one-half of their accumulated unused temporary disability leave up to a maximum of one semester, or the equivalent number of school days. The terms and conditions relating to the counting of such days, intervening vacation periods, cancellation of such leave, reinstatement to active service, etc., shall be governed by Section 3107 of the State Education Law.

16.5 In addition to the provisions of this Article, employees entitled to disability insurance benefits shall receive paid temporary disability leave from the date of the commencement of their temporary disability up to the commencement of disability insurance benefit payments, only upon presentation to the Personnel Director of satisfactory evidence, provided by a duly-licensed physician, of illness and a prognosis that such illness is reasonably certain to result in a long-term disability that will last more than six consecutive months.

Upon the return of the employee to duty such advanced temporary disability leave that had been provided must be repaid through assignment of future accruals. In the event the employee resigns or voluntarily leaves the University, the remaining value of the advanced temporary disability leave shall be deducted from remaining paychecks or otherwise reimbursed to the University.

16.6 Leaves of absence without pay for temporary disability for periods of less than one (1) year may be recommended by the Board to the appropriate retirement system for credit as service for retirement. Increments may be recommended by the Board for the period during which an employee is on leave of absence without pay for temporary disability for periods less than one (1) year.

16.7 Employees who on September 1, 1969 were entitled to cumulative unused temporary disability leave in excess of one hundred sixty (160) calendar days shall retain the excess accumulation. However, thereafter, no temporary disability leave can be accumulated in excess of one hundred sixty (160) calendar days.

16.8 Special Leaves for Child Care

Special leaves for the purpose of caring for a newborn infant shall be granted to a member of the Instructional Staff upon notification to the President and application for such leave, provided the applicant has legal responsibility for the care and/or support of said child. Such leave shall, insofar as it is practicable, begin on February 1 or September 1 unless the date of the birth of the child is such as to render these times inappropriate. The duration of the leave shall ordinarily be for one full semester. In exceptional cases, the President may terminate such leave during the college term, provided there is an appropriate opening in which the applicant's service may be utilized. An extension of such leave shall be permitted on request for a period not in excess of one year from the end of the original leave. No further extension shall be permitted. Leaves for the purpose of caring for a newborn infant shall be granted without pay during the period of the leave, including the

vacation period concomitant to the leave. If the leave is for one semester only, the loss of paid vacation shall be for one month only. If the leave is for two semesters, both months of vacation shall be without pay. If the duration of the leave is less than one calendar year, it shall be credited toward salary increments; if it is one calendar year or more, it shall not be credited toward salary increments.

16.9 When the service of a member of the Instructional Staff is interrupted by reason of absence on a leave for the purpose of caring for a newborn infant, the period of creditable service immediately preceding such absence shall be counted in computing the years of service required for the granting of tenure, a certificate of continuous employment, or for a certificate of continual administrative service in a Higher Education Officer series title.

ARTICLE 17 JURY DUTY

Employees who are required to serve on a jury, or are required to report to Court in person in response to a jury duty summons, or are required to report for jury examination, or to qualify for jury duty, shall receive their regular salary during such absences provided that they remit to the University an amount equal to the compensation received by them, if any, for jury duty.

ARTICLE 18 PROFESSIONAL EVALUATION

18.1 The evaluation of the professional activities of all employees in a public institution of higher education is essential to the maintenance of academic and professional standards of excellence. The purpose of professional evaluations shall be to encourage the improvement of individual professional performance and to provide a basis for decisions on reappointment, tenure and promotions. An evaluation of professional activities shall be based on total professional performance. Written evaluation shall be on file for all employees.

18.2 (a) Evaluation of a member of the teaching faculty shall be based on total academic performance, with special attention to teaching effectiveness, including, but not limited to, such elements as:

1. Classroom instruction and related activities;
2. Administrative assignments;
3. Research;*
4. Scholarly writing;
5. Departmental, college and university assignments;
6. Student guidance;
7. Course and curricula development;
8. Creative works in individual's discipline;
9. Public and professional activities in field of specialty.

(b) Teaching observation, as described below, is one factor in total evaluation of academic performance of the teaching staff.

1. At least once during each academic semester, non-tenured and non-certificated members of the teaching staff shall be observed for a full classroom period. One observation shall take place during any scheduled class during the first ten weeks of a semester. The employee shall be given no less than 24 hours of prior notice of observation.

Tenured and certificated members of the teaching staff may be observed once each semester.

2. a) Each department P & B committee shall designate a panel, the size to be specified by the chairperson, of department observers (which shall include members of the P & B committee). The department chairperson shall schedule the members of this panel to conduct observations as necessary. Each observer shall submit, through the department chairperson, a written observation report to the department P & B committee within one week of the observation. These observation reports shall be considered by the committee in its total evaluation of the employee.

b) The department chairperson shall schedule the post-observation conference for the employee within two weeks after receipt of the written observation report. The post-observation conference shall include the employee and the observer. Either a member of the P & B committee or a member of the department with the rank of tenured Associate Professor or tenured Professor may be

* It is understood that Lecturers and teachers in the Hunter College Campus School shall not be required to have a research commitment.

assigned by the chairperson to attend the post-observation conference at the request of the employee or the observer.

c) Following the post-observation conference, the assigned P & B representative or the assigned senior faculty member shall prepare a record of the discussion in memorandum form for submission to the chairperson. If the post-observation conference includes only the observer and the employee, then the observer shall prepare the record of the discussion in memorandum form. The original conference memorandum shall be placed in the employee's personal file. The employee may have a copy of this document provided a signed receipt is tendered. The observation report shall be placed in the personal file.

d) In the event that the observation or post-observation conference is not held within the time stipulated herein, the employee shall, within ten (10) working days thereafter, file a request for an observation and/or conference with the chairperson. A copy of the request shall be sent to the appropriate dean and the Office of the President. Failure of the employee to file the request within the stipulated time shall bar the employee from subsequent complaint regarding such non-compliance with Article 18.2(b), 2b) or c). Upon the receipt of the request, the college shall cause appropriate remedial action to be taken, including, if necessary, scheduling of an observation and/or observation conference by the dean or President or their designee.

e) After ten (10) semesters of service teaching observation for adjunct personnel shall be held at the request of the chairperson or the adjunct.

18.3 Annual Evaluations:

(a) Members of the teaching faculty: At least once each year, each employee other than tenured full professors shall have an evaluation conference with the department chairperson or a member of the departmental P & B committee to be assigned by the chairperson. Tenured full professors may be evaluated. At the conference, the employee's total academic performance and professional progress for that year and cumulatively to date shall be reviewed. Following this conference, the chairperson or the assigned member of the P & B shall prepare a record of the discussion in memorandum form for inclusion in the employee's personal file. Within ten (10) working days after the conference, a copy of the memorandum shall be given to the employee. If the overall evaluation is unsatisfactory, the memorandum shall so state. The employee in such case shall have the right to endorse on the memorandum a request to appear in person before the department P&B.

(b) Members of the non-teaching staff, including Librarians, CLTs, Counselors, Student Personnel Services staff, Registrar series, HEO series and other non-teaching members of the Instructional Staff covered by this Agreement: Preferably once each semester, but at least once each year, each employee shall have an evaluation conference with the chairperson or supervisor to be designated by the appropriate dean or President. At the conference, the employee's total performance and professional progress shall be reviewed. Following this conference, the designated official shall prepare a record of the evaluation discussion in memorandum form for inclusion in the employee's personal file. A copy of the report shall be given to the employee within ten (10) working days following the conference.

(c) After four (4) semesters of service annual evaluation for adjunct personnel shall be held at the request of the chairperson or the adjunct, provided, however, that if such evaluations are conducted at the request of the adjunct, such evaluations may not be conducted more than once every four semesters.

(d) In the event that a date for yearly evaluation is not scheduled by March 1, the employee shall, within ten (10) working days thereafter, file a request for an observation and/or conference with the chairperson or supervisor. A copy of the request shall be sent to the appropriate dean and the Office of the President. Failure of the employee to file the request shall bar the employee from subsequent complaint regarding such non-compliance with the above-stated scheduling requirement. Upon receipt of the request, the dean or President shall cause appropriate remedial action to be taken to insure compliance with this provision.

18.4 In those institutions that operate on a basis other than semester (such as trimester or quarter system) the observation and evaluation provisions of this Article, where applicable, shall apply only to two of the three trimesters or two of the four quarters.

18.5 In the Hunter College Campus Schools, the respective Principals of the Elementary School and High School may, in addition to the teaching observation set forth in Article 18.2(b), conduct unscheduled observations of members of the instructional staff. If, following the observation, the principal wishes to prepare a record of the unscheduled observation, he/she shall within ten (10) days, excluding Saturdays, Sundays, and legal holidays, from the date of the observation, conduct a post-observation conference with the employee. Following the post-observation conference, the principal shall within ten (10) days, excluding Saturdays, Sundays or legal holidays, prepare a record of the discussion in memorandum form for inclusion in the employee's personal personnel file.

ARTICLE 19 PERSONNEL FILES

19.1 Each unit within The City University shall maintain two personnel files for each employee.

19.2 There shall be a personal file which shall include but not be limited to the following:

- (a) Personnel information;
- (b) Information relating to the employee's academic and professional accomplishments submitted by the employee or placed in the file at his or her request;
- (c) Records generated by the college;
- (d) Memoranda of discussions with the employee relating to evaluations of the employee's professional performance;
- (e) Observation reports of the employee's academic and professional performance.

No materials shall be placed in the employee's file until the employee has been given the opportunity to read the contents and attach any comments he or she may so desire. Each such document shall be initialed by the employee before being placed in his or her file as evidence of his or her having read such document. This initialing shall not be deemed to constitute approval by the employee of the contents of such document. If the employee refuses to initial any document after having been given an opportunity to read the same, a statement to that effect shall be affixed to the document.

(f) Each non-tenured and non-certificated full-time member of the instructional staff should examine and initial his/her personal file prior to the end of each academic year. Such member should promptly report to the individual keeping the files any documents which he/she wishes to be included in the file and should furnish any such document not in the possession of the college.

Each year, each tenured and certificated full-time member of the instructional staff should examine and initial his/her personal file prior to the end of the fall semester. Such member should promptly report to the individual keeping the files any documents which he/she wishes to be included in the file and should furnish any such document not in the possession of the college.

The employee's personal file shall be available for examination by the employee at his or her request.

19.3 There shall be a separate administration file which shall contain only such materials requested by the unit of The City University or supplied by the employee in connection with the employee's employment, promotion or tenure.

The administration file shall be available only to the committee and individuals responsible for the review and recommendation of the employee with respect to appointment, reappointment, promotion or tenure.

ARTICLE 20 COMPLAINT, GRIEVANCE AND ARBITRATION PROCEDURE

20.1 Intent:

The parties agree to use their best efforts to encourage the informal and prompt settlement of complaints and grievances which may arise between the PSC, the employees, and the University. The orderly processes hereinafter set forth will be the sole method used for the resolution of all complaints and grievances.

20.2 Definitions:

A complaint is an informal claim by an employee in the bargaining unit or by the PSC of improper, unfair, arbitrary or discriminatory treatment.

A complaint may, but need not, constitute a grievance. Complaints shall be processed through the informal procedure herein set forth.

A grievance is an allegation by an employee or the PSC that there has been:

- (1) a breach, misinterpretation or improper application of a term of this Agreement; or
- (2) an arbitrary or discriminatory application of, or a failure to act pursuant to the Bylaws and written policies of the Board related to the terms and conditions of employment.

20.3 Informal Procedure for Handling Complaints:

Any employee in the bargaining unit may present and discuss his or her complaint either with or without a representative of the PSC. Similarly, a representative of the PSC may present and discuss a complaint on behalf of any employee or group of employees with the head of the department involved. This presentation and discussion shall be entirely informal. Any settlement, withdrawal or disposition of a complaint at this informal stage shall not constitute a binding precedent in the settlement of similar complaints or grievances.

20.4 Formal Procedure for Handling Grievances:

Grievances may be filed by an employee in the bargaining unit on his or her behalf, by the PSC on its behalf, or by the PSC on behalf of any employee or group of employees in the bargaining unit. Grievances involving employees in more than one College of the University may be filed by the PSC initially at Step 2 of the grievance procedure.

Except in the case of a grievance or arbitration brought by the PSC on its own behalf or on behalf of an employee or a group of employees, no member of this unit may represent another member of this unit at any level of the grievance or arbitration procedure.

A grievance must be filed by an employee or the PSC within thirty (30) days, excluding Saturdays, Sundays and legal holidays, after the PSC or the employee on whose behalf the grievance is filed became aware of the action complained of, except that grievances relating to reappointment or to appointment with a certificate of continuous employment shall be filed within thirty (30) days excluding Saturdays, Sundays, or legal holidays of the individual's scheduled date of notification as specified by Articles 10 and 13 of the Agreement. Any grievance or informal complaint not processed in accordance with the time limits specified herein shall be deemed waived by the grievant.

A grievance must be stated in writing setting forth the basis therefor with reasonable particularity, including a designation of the Article of the Agreement, the Section of the Bylaws, or the written policy of the Board relied upon, and the remedy requested.

Step 1. Grievances shall be filed with the President of the College affected or the President's designee. The President or the designee shall, within fifteen (15) days excluding Saturdays, Sundays, or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. The President or the designee shall, within fifteen (15) days, excluding Saturdays, Sundays, or legal holidays, after the grievance meeting, issue a decision with reasons in writing to the grievant and the PSC.

Step 2. If the grievance has not been settled at Step 1, then within twenty (20) days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of the written decision of the President of the

College or the President's designee, or the expiration of the time limits for making such decision, the grievant or the PSC may submit the grievance in writing to the Chancellor or the Chancellor's designee, together with a copy of the decision of the President of the College affected, or the designee. The Chancellor or the Chancellor's designee shall, within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. In the event the Step 1 decision was not received by the PSC at least fifteen (15) calendar days prior to the scheduled Step 2 meeting, the Chancellor or his/her designee shall, upon request by the PSC, direct the College to present its arguments first at the Step 2 meeting and shall grant the PSC, upon its request, an adjournment of no greater than fifteen (15) calendar days for the presentation of the grievance at Step 2. It is understood that nothing herein shifts the burden of proof with respect to the allegations contained in the grievance. The Chancellor or the designee shall, within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, after the grievance meeting, mail the disposition with reasons in writing to the PSC and to the grievant or grievants affected by certified mail, return receipt requested.

Step 3. If the grievance has not earlier been settled, or if the Chancellor's disposition has not been issued within the time limits above set forth, the person or persons who submitted the grievance at Step 2 may appeal the Step 2 decision to arbitration by serving written notice to that effect by certified mail, return receipt requested, directed to the Chancellor or the Chancellor's designee and to the American Arbitration Association (hereinafter "AAA") within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, after mailing of the Step 2 decision, or the last date for the mailing thereof. Arbitration shall be conducted in accordance with the rules of the American Arbitration Association and the laws of the State of New York, subject to the provisions of paragraph 20.5 hereof. Legal holidays referred to above shall be those holidays so designated by the State of New York.

20.5 Special Arbitration Provisions:

(a) The parties hereby designate _____ and/or such other arbitrators as shall be mutually agreed upon by the parties during the life of this Agreement, as Members of the Arbitration Tribunal Panel under the Agreement. The American Arbitration Association shall designate individual Arbitrators, who are Members of the Arbitration Tribunal Panel, to serve in particular cases submitted to arbitration in accordance with this Section. The designation and initial scheduling of such cases shall be in accordance with the following procedure:

_____ shall be the Administrative Chairperson of the Arbitration Tribunal Panel. The Chairperson shall review all requests for arbitration, together with the grievances in Step 1 and Step 2 and the responses related thereto, and shall, in his or her discretion, determine and direct the American Arbitration Association in respect of the assignment and initial scheduling of particular cases for hearing before himself or herself or any other single Member of the Panel. The Member of the Panel so designated shall be the sole Arbitrator for such case. In connection with said scheduling and assignment, the Chairperson may require consultation with parties' representatives as to the nature of the issues and relief sought and as to other matters related to the assignment or initial scheduling of cases for hearing. The Chairperson may issue a Memorandum of such consultation for the guidance of the parties, the American Arbitration Association, and the designated Arbitrator, it being understood that the Chairperson shall make no determination as to any

issue of arbitrability or as to any other issue in the case, unless and until he or she is the assigned Arbitrator, and that the said Memorandum shall not constitute an Award nor be binding upon the designated Arbitrator or the parties. The Arbitrator shall be authorized at any time during the course of the proceedings, on the basis of the proceedings to date, to issue preliminary or interim awards, including awards as to arbitrability, which shall determine the further course of the proceedings.

(b) For purposes of this sub-paragraph, "academic judgment" shall mean the judgment of academic authorities including faculty, as defined by the Bylaws, and the Board (1) as to the procedures, criteria and information to be used in making determinations as to appointment, reappointment, promotions, and tenure and (2) as to whether to recommend or grant appointment, reappointment, promotions and tenure to a particular individual on the basis of such procedures, criteria and information. In the arbitration of any grievance or action based in whole or in part upon such academic judgment, the Arbitrator shall not review the merits of the academic judgment or substitute his or her own judgment therefor, provided that the Arbitrator may determine (i) that the action violates a term of this agreement or (ii) that it is not in accordance with the Bylaws or written policies of the Board, or (iii) that the claimed academic judgment in respect of the appointment, reappointment, promotion or tenure of a particular individual in fact constituted an arbitrary or discriminatory application of the Bylaws or written policies of the Board.

(c) (1) In cases involving the failure to appoint, promote or reappoint an employee in which the Arbitrator sustains the grievance, except as specifically provided by sub-paragraph (d) below, the Arbitrator shall not, in any case, direct that a promotion, appointment or reappointment with or without tenure be made, but upon his or her finding that there is a likelihood that a fair academic judgment may not be made on remand if normal academic procedures are followed, the Arbitrator shall remand the matter to a select faculty committee of three tenured full or associate professors of The City University of New York, to be selected from a panel jointly chosen by the Chancellor and the President of the PSC of, when possible, 100 tenured full or associate professors, or in a case involving members of the non-classroom instructional staff, from a panel of, when possible, 40 Higher Education Officers, Higher Education Associates, Registrars, Associate Registrars, Chief CLT's and Senior CLT's. The composition of the said panel shall be subject to review and/or replacement annually.

The selection of the members of a select faculty committee shall be made in the following manner: The Chancellor shall submit to the PSC the names of 4 persons from the panel established pursuant to paragraph 20.5.c.1 to serve on the committee. The PSC may reject one name. In the event the PSC does not reject one name the Chancellor shall select the 3 persons to serve on the committee.

The committee to whom such remand is made for the making of the academic judgment shall (1) have access to the same materials to which the College President had access with respect to the action from which the grievance arose, except as modified by the arbitrator's award, (2) shall meet to deliberate on the assigned case, (3) be subject to the regular rules of confidentiality of faculty proceedings, and (4) shall be constituted within a reasonable time after the Arbitrator's Award is rendered and shall render its decision within twenty (20) days thereafter. The authority of the committee is limited to rendering the academic judgment on the action from which the grievance arose. The committee recommendation shall be in conformity with the Bylaws and policies of the Board and with the Agreement. The recommendation of the committee shall be in the form:

"The committee recommends (does not recommend)
(a) appointment, (b) reappointment or (c) promotion"

The committee shall not make recommendations as to any other matter, including but not limited to period of employment or compensation or other benefit of employment.

On receipt of a positive decision which conforms with this Agreement, the Chancellor shall recommend approval of the select committee decision to the Board of Trustees. In the event that the committee decision does not conform with the Agreement, the committee shall be disbanded and a new committee established. The deliberations and decision of the select committee shall not be grievable.

(2) In cases which arise from actions on reappointment with tenure or a CCE or promotion, the grievant who has been awarded retroactive tenure, CCE or promotion as a result of the recommendation of a select faculty committee adopted by The Board shall receive the salary exclusive of fringe benefits which would have been payable from the effective date of the tenure, CCE or promotion less any amounts earned and other legal offsets attributable to the period between the date of tenure, CCE or promotion and the effective date of the implementation of the remedy.

In cases which arise from actions on reappointment for a prescribed period of time, and the grievant is reappointed as a result of the recommendation of a select faculty committee adopted by The Board, the sole remedy shall consist of reappointment for a prospective equivalent period of time.

Grievances which arise from action on reappointments with tenure, CCE, Certificate of Continual Administrative Service or promotion shall be given priority in processing in the grievance procedure including scheduling for arbitration.

(d) (1) In cases involving the failure to reappoint an employee in which the arbitrator sustains the grievance upon a finding of a failure to comply with, or an arbitrary or discriminatory application of, procedures such that no academic judgment could have been made with respect to the reappointment of such employee, and a further period of service is necessary to correct the failure to comply with, or the arbitrary or discriminatory use of, procedure, the arbitrator may recommend the prospective reappointment of such employee for a period not to exceed one academic year. The Board shall appoint the employee in accordance with the arbitrator's recommendation. In no event shall such reappointment confer or result in the granting of tenure, a certificate of continuous employment, or a multiple-year appointment.

(2) If an employee who has been appointed upon an arbitrator's recommendation is thereafter reappointed pursuant to established procedures for the next academic year in a tenure or certificate-bearing title, or in a multiple-year reappointment situation, the service pursuant to the appointment recommended by the arbitrator shall be counted as service toward tenure or a certificate of continuous employment, or a multiple-year appointment, as the case may be.

20.6 In no event shall the Arbitrator have authority to add to, subtract from, modify or amend the provisions of this Agreement or the Bylaws of the Board. Such decision or award shall be binding upon the PSC, the University and the employees affected thereby. The costs of arbitration shall be borne equally by the parties. When arbitrations are not initiated by the PSC, the American Arbitration

Association shall require the employee or employees submitting the same to file with the Association adequate security to pay the cost of arbitration. Expenses for witnesses, however, shall be borne by the party who calls them.

20.7 The University and the PSC will establish a PSC/management committee to study ways to make the grievance procedure more efficient. The committee will make recommendations to the Chancellor and to the President of the PSC by December 31, 1999. The recommendations shall be advisory. Any recommendations with which both the Chancellor and the President of the PSC agree, may be implemented during the term of this agreement.

20.8 A grievance filed by the PSC pursuant to this article may be resolved by settlement only if agreed to in writing by the Office of Faculty and Staff Relations and by the PSC Central Office.

ARTICLE 21 DISCIPLINARY ACTIONS

21.1 Members of the Instructional Staff may be disciplined by removal, suspension with or without pay, or any lesser form of discipline for one or more of the following reasons, except that staff in HEO series titles shall be subject to discharge as provided in Article 21.9, and Adjuncts shall be subject to discharge as provided in Article 21.11:

- (a) Incompetent or inefficient service;
- (b) Neglect of duty;
- (c) Physical or mental incapacity;
- (d) Conduct unbecoming a member of the staff. This provision shall not be interpreted so as to constitute interference with academic freedom.

21.2 Disciplinary proceedings shall be initiated by the President of the college by the service of a written notice of intent to prefer charges upon the employee, which shall set forth:

- (a) the proposed charges against the employee, and
- (b) the proposed penalty.

21.3 Within seven (7) calendar days of service of the written notice of intent to prefer charges, a meeting shall be conducted by the President or his or her designee with the employee, who may be accompanied by an attorney or representative of the Professional Staff Congress, to discuss the notice, the proposed charges, the proposed penalty, and the basis of the charges.

21.4 Within fourteen (14) calendar days of the meeting described in Section 21.3, the President shall either:

- (a) Withdraw the notice of intent to prefer charges, or

- (b) Prefer charges, including a recommended penalty.

21.5 Within fourteen (14) calendar days of service of the President's written statement of charges and recommended penalty, the employee may:

- (a) Acquiesce to the charges and accept the recommended penalty by written notification to the President

or

- (b) Request a hearing before the Chancellor's Designee.

If no acquiescence to the charges and acceptance of the penalty is received and if no request for a hearing is made by the employee, the matter shall proceed in accordance with Section 21.6 below.

21.6 Within fourteen (14) calendar days of receipt of the President's statement of charges, unless the penalty has been accepted by the employee, the Chancellor's Designee shall schedule a hearing and within fourteen (14) calendar days of the hearing investigate the matter and render a decision including the determination of penalty.

21.7 The penalty recommended by the Chancellor's Designee shall be implemented after fourteen (14) calendar days, unless within fourteen (14) calendar days of the receipt of the decision of the Chancellor's Designee the employee elects to appeal by proceeding to disciplinary arbitration in accordance with Section 21.8 below.

21.8 Disciplinary Arbitration

a) The City University and the PSC shall jointly agree on a panel of disciplinary arbitrators. Each member of the panel shall be assigned a number in rotation and, in the event of disciplinary arbitration, the first arbitrator in order who is available to conduct a hearing within ten (10) calendar days shall serve as the arbitrator.

b) The procedure for disciplinary arbitration is as follows:

(1) Notice of appeal to disciplinary arbitration shall be filed by service upon the Vice Chancellor for Legal Affairs. A copy of the appeal shall be sent simultaneously to the College President.

(2) The case shall be assigned to an arbitrator to be selected in accordance with Section 21.8 a above.

(3) The disciplinary arbitrator shall hold a disciplinary arbitration hearing within ten (10) calendar days of designation, or on such other date as may be mutually agreed upon by the parties. The disciplinary arbitrator shall render a decision within five (5) calendar days of the close of the hearing. The arbitrator shall follow AAA procedures.

(4) The disciplinary arbitrator shall be limited to determinations of guilt or innocence and the sufficiency of grounds for the penalty. The arbitrator shall not consider alleged violations of any other provision or article of this Agreement, or of the University Bylaws or written policies, which shall be subject, as applicable, only to the provisions of Article 20 of this Agreement. The disciplinary arbitrator shall not add to, subtract from, or modify the provisions of this Agreement. The disciplinary arbitrator's decision regarding guilt or innocence and the sufficiency of grounds for the penalty shall be final and binding upon the parties. The disciplinary arbitrator may approve or disapprove the penalty or impose other penalties warranted under the circumstances.

21.9 Employees in titles in the Higher Education Officer Series shall be subject to immediate discharge for just cause.

- (a) Disciplinary proceedings shall be initiated by the President of the college by service, personally or by certified mail, of a written Notice of Intent for Immediate Discharge upon the employee, which set forth:
 - (1) the charges against the employee, and
 - (2) the proposed penalty of immediate discharge.
- (b) Within three (3) days, exclusive of Saturdays, Sundays, and legal holidays, of service of the written notice of Intent for Immediate Discharge, a meeting shall be conducted by the President or his or her designee with the employee, who may be accompanied by an attorney or a representative of the Professional Staff Congress, to discuss the notice, the basis of the charge, and the proposed penalty.
- (c) If the employee fails to appear at the meeting, the President may issue a Notice of Immediate Discharge which shall be effective immediately.
- (d) Within twenty-four (24) hours of the meeting described in Section 21.9(b), the President shall either:
 - (1) Withdraw the Notice of Intent for Immediate Discharge;
 - (2) Issue a Notice of Immediate Discharge which shall be effective immediately;
 - or
 - (3) Issue a Notice of Intent to Prefer Charges under Section 21.2 seeking a lesser penalty than dismissal.
- (e) Within fourteen (14) calendar days of service of the Notice of Immediate Discharge, the employee may appeal the immediate discharge to the Chancellor's Designee.
- (f) Within fourteen (14) calendar days of receipt of the appeal, the Chancellor's Designee shall schedule a hearing and within fourteen (14) calendar days of the hearing review the matter and render a decision sustaining, modifying, or overturning the immediate discharge.

- (g) Within fourteen calendar days of the receipt of the decision of the Chancellor's Designee, the employee may appeal by proceeding to disciplinary arbitration in accordance with Section 21.8.

21.10 Any person against whom charges have been made may, at any time during the pendency of the charges, be suspended by the president of the college. Such suspension shall be without loss of pay.

A person suspended with pay shall be available for all procedures mandated by Article 21. Upon suspension with pay, notwithstanding any other provision of this Agreement, any request to be absent from any aspect of these procedures must be approved in advance by the Vice Chancellor for Faculty and Staff Relations upon the recommendation of the President. Failure to be available for any Article 21 proceeding without said approval of a request to be absent for the period specified in the approval of the request shall result in loss of pay status for a period of three weeks. Such period of non-pay status shall be discontinued as of the date of the proceeding if a proceeding under this article is scheduled and held within that three-week period. If, however, the person continues to be unavailable, the person shall be subject to further removal from pay status for successive three-week periods until such time as the proceeding is scheduled and held. Said loss of pay status cannot be charged to annual leave, temporary disability leave, or other paid leave.

21.11 Adjuncts shall be subject to discharge for just cause, subject to the Grievance and Arbitration article and not to Article 21 of this Agreement.

21.12 The procedures provided by this Article 21 are modified and expedited as follows for disciplinary charges brought against instructional staff members who have been convicted of a felony:

- a) Disciplinary proceedings shall be initiated by the President of the College by preferment of charges, rather than service of a notice of intent to prefer charges upon the employee. Charges will be preferred via overnight mail. The recommended penalty will be discharge.

- b) Within three (3) calendar days of receipt of the President's statement of charges, unless the penalty has been accepted by the employee, notice of appeal to disciplinary arbitration shall be filed by service upon the Vice Chancellor for Legal Affairs. A copy shall be sent simultaneously to the College President.

- c) The case shall be assigned to an arbitrator to be selected in accordance with Section 21.8.a. These cases will be given priority for assignment.

- d) The disciplinary arbitrator shall hold a disciplinary arbitration hearing within ten (10) calendar days of designation. The disciplinary arbitrator shall render a decision within five (5) calendar days of the close of the hearing.

- e) If, for any reason, an arbitrator's decision is not received within 60 calendar days of the date on which the President preferred charges, the employee shall thereafter be suspended without pay pending an arbitrator's decision. In no event shall an employee convicted of a felony remain in pay status more than 60 days beyond the President's preferment of charges.

f) Conviction of a felony shall create a presumption of conduct unbecoming a member of the staff. The employee may argue to the arbitrator that there were extenuating circumstances that would permit the arbitrator to conclude that a less severe penalty is warranted.

g) Should a court of final jurisdiction overturn the conviction, there shall be a right to a hearing before an arbitrator upon application for restoration to service. The issue in the hearing will be whether grounds for discharge pursuant to Article 21.1 existed, notwithstanding the reversal of the conviction.

h) The parties recognize that an employee may be convicted of a felony after charges have been preferred and that the disciplinary procedures in Article 21 may have commenced prior to the conviction. In such a case, the procedures outlined above will replace Article 21 procedures at the appropriate stage to which the charges had progressed immediately prior to the conviction.

21.13 A disciplinary proceeding brought pursuant to this article may be resolved by settlement only if agreed to in writing by the Office of Faculty and Staff Relations and by the PSC Central Office.

ARTICLE 22 INCREASED PROMOTIONAL OPPORTUNITIES

22.1 In order to increase promotional opportunities for members of the Instructional Staff in the titles Professor, Associate Professor, Assistant Professor and Instructor, and in an effort to reach goals of 30-30-30-10 expressed in Article XXX of the expired contract between the Board and Legislative Conference, the University agrees that budgetary considerations shall not constitute a ground for withholding promotions of qualified persons recommended for promotion to such titles in accordance with established criteria and procedures.

22.2 (a) In order to increase promotional opportunities for members of the Instructional Staff in the College Laboratory Technician titles, and in an effort to reach goals in each college of 10% in the Chief College Laboratory Technician title, 25% in the Senior College Laboratory Technician title and 65% in the College Laboratory Technician title, the University agrees that budgetary considerations shall not constitute a ground for withholding promotions to qualified persons recommended for promotion to such titles in accordance with established criteria and procedures, up to that percentage.

(b) There shall be a University-wide labor management committee composed of two members designated by the Chancellor and two members designated by the PSC to review the promotion procedures applicable to instructional staff in the College Laboratory Technician series. The committee will conclude its work by issuing a non-binding report to the Chancellor and the President of the PSC no later than October 30, 2002.

22.3 Qualified members of this unit in adjunct titles who are recommended for reappointment and promotional reclassification in accordance with established criteria and procedures shall be so reclassified, subject to Board approval.

22.4 The University agrees that budgetary considerations shall not constitute a ground for withholding appointment to the rank of Assistant Professor of a certificated Lecturer who has earned a doctorate and has been recommended as qualified for such appointment in accordance with established criteria and procedures.

22.5 In recognition of the non-promotional status of the Higher Education Officer series titles the parties agree that upon the recommendation of the appropriate supervisory personnel in recognition of excellence in performance or increased responsibilities a member of the instructional staff in any of such titles may, upon approval of the Board, be granted an additional Movement within Schedule in the same title.

ARTICLE 23 DISTINGUISHED PROFESSORSHIP

23.1 Distinguished Professors shall be nominated by a college in accordance with the procedures in the College P & B Committee and Board Bylaws for appointments. The number of such positions shall not exceed 125.

23.2 Faculty members holding the rank of professor at the college and other distinguished scholars in the academic world shall be eligible for consideration as a Distinguished Professor. A member of the administration holding the rank of professor also may be considered for a Distinguished Professorship provided that he or she returns to his or her non-administrative duties for the acceptance of the Distinguished Professorship.

23.3 The appointment of a Distinguished Professor ordinarily shall be for a specific period. Tenure in the title of Distinguished Professor shall not be granted, but with no prejudice towards tenure of a Distinguished Professor in the title of Professor.

23.4 Compensation for employees in this title shall consist of the salary in the base title plus \$22,726 per annum, effective August 1, 2000, and \$23,635 per annum, effective August 1, 2001.

ARTICLE 24 SALARY SCHEDULES

24.1 Salary Schedules. The "salary schedule" for each title listed in this Article is the appropriate schedule of annual salary rates in effect on the dates indicated. Employees will be placed laterally on the appropriate step of the schedule on the dates indicated.

24.2 Movement within Schedule. "Movement within Schedule" of a person covered by this Article is movement from one schedule step to the next higher step of this same schedule. Except as otherwise specified in this Agreement, Article XII of the Bylaws shall govern movement within schedule.

Except as otherwise noted in this Agreement, for HEO series employees, the movement within schedule shall take place on the January first or July first following completion of at least eleven (11)

full months of service. For all other members of the Instructional Staff the movement within schedule shall take place on the January first of each succeeding year following completion of at least ten (10) full months of service.

The last two steps on the salary schedules for employees in the titles Professor, Associate Professor, Assistant Professor, Instructor II, Lecturer, Lecturer Doctoral Schedule, Higher Education Officer, Higher Education Associate, Higher Education Assistant, Assistant to Higher Education Officer, and Assistant to Higher Education Officer II, in the Registrar title series, and in the CLT title series are an exception to the preceding paragraph. The penultimate step on the salary schedules for these employees, designated in the schedule by bold print and an asterisk, is known as the "five-year step." Employees in the titles listed above shall be eligible to receive the "five-year step" not later than upon completion of five years of service at the preceding step, known as the "last one-year step." Following the "five-year step" in the salary schedules for employees in the titles listed above is the "seven-year step," designated in the salary schedules by bold print and two asterisks. Employees in the titles listed above shall be eligible to receive the "seven-year step" not later than upon completion of two years of service at the five-year step.

In all cases, time served shall be counted in accordance with the established rules applicable to determining movement within schedule.

Lecturers who hold doctoral degrees from an accredited university in a field related to the discipline taught or the job duties performed by the Lecturer shall receive a differential. This differential is included in the salaries listed under the title "Lecturer Doctoral Schedule." Only employees whose titles were converted from Assistant to Business Manager to Assistant to Higher Education Officer II effective January 1, 1988 and tenured Instructors named in the side agreement dated December 22, 1987, as eligible for placement on the Instructor II salary schedule may be paid the rates set forth in this Article for the titles Assistant to Higher Education Officer II and Instructor II. No other employees may be paid on these salary schedules.

An Adjunct in a teaching or non-teaching title who on July 1, shall have served six semesters University-wide over a period of the preceding three years and who has not received a movement within schedule during that period shall receive a movement within schedule to the next higher dollar amount. For the purpose of this paragraph, a semester shall include summer session. Salary schedules for Non-teaching Adjunct I - V have been added to Article 24 which contains rates applicable to employees who are remunerated at a rate of 60% of the adjunct or hourly rate.

24.3 The following provisions of the Agreement provide for the application of the salary schedule changes and salary increases for the period August 1, 2000 through October 31, 2002:

Effective August 1, 2000 and August 1, 2001: each employee shall move to the step of the salary schedule paralleling the step on which the employee was being paid on the day preceding implementation of the appropriate salary schedule.

The salary of each employee who is in a title for which there is no step schedule shall be paid at a salary rate which is 4% more than the July 31, 2000 rate during the period August 1, 2000 through July 31, 2001. Effective August 1, 2001, the July 31, 2001 salary rate of each employee shall be increased by 3%.

An employee who is an incumbent in the title HE Aide as of August 31, 1990, shall receive an annual increase of not less than \$800 on January 1 or July 1, unless the incumbent has received a negative evaluation, until the maximum salary of the title is reached. Incumbents serving as HE Aides as of December 31, 1992 shall be converted to Assistant to Higher Education Officer or Assistant to Higher Education Officer I (see Article 13.4) effective January 1, 1993. Employees whose titles are converted will be eligible for a movement within schedule on the next January 1 or July 1 following completion of eleven (11) full months of service in the Assistant to Higher Education Officer or Assistant to Higher Education Officer I title.

24.4(a) In effect for Summer 2003 only:

The President of the college, after consultation with the Department Chairperson, shall designate each department as having a nine-month, a ten-month, or an eleven-month Department Chairperson. Such designation will be made no later than one month before the election of the Department Chairperson. If mutually agreed between the incumbent Department Chairperson and the President, the designation may be made during the three-year period of the Department Chairperson's tenure. Department Chairpersons will be paid one-ninth (1/9th) of annual salary for every month assigned over their regular academic calendar year assignment. For purposes of this provision, one hundred and twenty (120) hours constitute a one-month summer assignment. The one hundred and twenty (120) hours need not occur in the same calendar month. The designation of a nine-month, a ten-month, or an eleven-month Department Chairperson shall not affect existing agreed-upon practices concerning coverage of the Department Chairperson's duties when he/she is unavailable to perform them.

b) Effective Summer 2004 and every summer thereafter:

1. Effective Summer 2004 and every summer thereafter, Department Chairpersons shall be compensated according to the following formula for any and all hours of work performed as Department Chairpersons during their annual leave period: (annual salary divided by 9) multiplied by (number of hours worked divided by 120 hours).
2. Discussions between the Department Chairperson and the President or the President's designee regarding the number of hours and the amount of work the college is prepared to compensate, if any, will be concluded by April 30 of each year.
3. Department Chairpersons who were compensated for Department Chairperson work during Summer 2003 will be paid the difference between the amounts already received and the pro rata amount of their annual salary for such work performed as Department Chairpersons during Summer 2003. The formula for calculating the amount of money to be paid such Department Chairpersons is: (annual salary divided by 9) multiplied by (number of hours worked divided by 120 hours) minus (the amount of money already paid for work performed as Chairpersons during Summer 2003).

4. This settlement agreement shall not affect existing agreed-upon practices concerning coverage of the Department Chairperson's duties when he/she is unavailable to perform them. Under such circumstances, coverage shall be paid in accordance with the provisions of paragraph 1 above.
5. All other provisions in the Collective Bargaining Agreement regarding annual leave and Department Chairpersons shall remain in full force and effect.
6. The union will withdraw with prejudice the grievance filed to Step 2 by the PSC on or about April 4, 2003 concerning this matter.
7. The union will withdraw with prejudice PERB Case No. U24342.

24.5 a) Hunter College Campus Schools. The provisions of Section 6216 of the New York State Education Law relating to salaries of persons employed in the Hunter College Campus Schools shall be applicable.

b) The Hunter College Campus Schools may hire persons to teach on an hourly basis when full-time teaching service is not warranted. Hourly service may be required for instruction in highly specialized areas or when there is a shortage of regularly licensed teachers in particular licensed areas. Hourly teachers shall be hired for not more than three contact hours per day. A contact hour shall be not less than 45 minutes for purposes of this Article. The hourly rate is .13 of the daily rate. The daily rate is 1/180 of the annual salary rate based upon the Board of Education's salary schedule, C1 through C2 + PD, up to the maximum step, 4A.

Incumbent half-time employees as of September, 1987, shall retain a fractional salary rate for the duration of their employment as long as such employment is continuous.

c) Incumbents in the title Assistant Teacher as of August 31, 1990 shall be paid in accordance with the salary schedule established effective November 1, 1990. Incumbents in this title will be eligible to receive a movement within schedule on January 1, 1995 and the January first of each succeeding year following completion of at least ten (10) full months of service. The salary rates are set forth in the newly established schedule in Article 24.

25.2 PSC-CUNY Research Awards

(a) Eligibility: It is the intention of the parties that the funds for research shall be available without restriction to all full-time members of the instructional staff, and the junior members of the faculty in particular, who are on the regular University payroll processed through the Office of the Comptroller of the City or State of New York. The parties further intend that research funding shall be used to support activities in the creative arts and all academically relevant research in the areas of natural science, social science and humanities, including but not limited to research related to curriculum development, improvement in teaching, adaptation of standard educational techniques to special clientele and the relationship between technical or occupational training and the liberal arts curriculum.

(b) Committee: The Chancellor shall appoint a faculty committee to be composed of representation among the Biological Sciences, the Physical Sciences, the Social Sciences, the Humanities, the professional schools and a representative of the non-classroom professional staffs. Such committee shall be constituted as the University Committee on Research Awards, charged with the responsibility to make, in its discretion, research grants to individual instructional staff members of The City University of New York. The Chancellor may designate such University personnel as required for the financial administration of the research fund.

(c) The Committee shall be responsible for establishing guidelines for the application and approval of research awards and shall communicate these procedures to all members of the instructional staff.

25.3 Fellowship Awards

(a) Eligibility: It is the intention of the parties that the funds for fellowship awards be limited to instructional staff members of the permanent instructional staff. Tenured members of the permanent instructional staff, including those holding the title Lecturer with certificates of continuous employment, who have completed six years of continuous paid full-time service with the University exclusive of non-sabbatical or fellowship leave, shall be eligible for a fellowship award. Individuals in professorial titles who are on leave from the title Lecturer with a certificate of continuous employment shall be eligible for a fellowship award. Service shall include service in a school or college maintained in whole or part with City funds immediately preceding service in a college or institution under the jurisdiction of the Board of Trustees, provided that credit for such prior service shall not exceed three (3) years.

(b) Applications:

1. Applications for a fellowship award may be made for the following purposes:

- (a) Research (including study and related travel)
- (b) Improvement of teaching
- (c) Creative work in literature or the arts

2. Such application shall also state that the applicant will continue to serve for at least one year after expiration of the term of his or her leave unless this provision is expressly waived by the Board of Trustees.

3. The application in the form of a plan shall be submitted to the appropriate departmental committee and, if approved, to the college committee on faculty personnel and budget. If the latter committee approves, it shall forward the application to the President with its endorsement. Such endorsement must state that the work of the department in which the applicant serves can be so arranged as to be carried forward effectively during the period of the leave, and that the work the applicant intends to do is consonant with the principles of the fellowship leave. The President shall transmit such application to the Board of Trustees, with his or her own recommendation.

4. The Board of Trustees will consider the advantage of the applicant as a scholar and teacher to be expected from such a fellowship award, and the consequent advantage through his or her service to the college. Special consideration shall be given to those applicants who have not had a sabbatical leave or fellowship in fourteen (14) or more years.

5. Application may be for one of three types of fellowship leaves:

- a full year leave at one-half the annual salary
- a one-half year leave at one-quarter the annual salary
- a one-half year leave at full pay

Fellowship leaves received by members of the instructional staff who serve in the libraries will be of the same duration as those of other instructional staff. Members of the instructional staff who serve in libraries will not accrue annual leave during the period of the fellowship leave.

Members of the unit who receive a full-year fellowship leave at one-half pay may, at their option, upon written notice to the President no later than October 30 or March 30, whichever is applicable, terminate the fellowship leave after one-half year.

Where fellowships are terminated upon request under Section 25.3 (b) 5, such termination relieves the University of any obligation to further claims for the second half of the leave, but does not reduce the time period or other qualifications required for consideration for a subsequent fellowship leave.

(c) The University agrees to request the appropriate retirement system to credit the period of the fellowship as service for retirement purposes. The period of the fellowship leave shall be credited for increment purposes.

(d) Nothing contained in this Article shall be construed to diminish or impair the rights of an employee appointed prior to July 1, 1965, of the benefits of the Bylaws of the Board as they existed on July 1, 1965 with respect to sabbatical leaves of absence.

25.4 Professional Reassignments

The parties agree to establish a paid leave not to exceed four weeks during any year commencing September 1 and ending August 31 for the purpose of permitting members of the instructional staff who serve in the libraries to be reassigned for research, scholarly writing, and other recognized professional activities that enhance their contribution to City University. The reassignments shall be subject to approval by the personnel and budget committees of the respective library departments and appropriate college-wide committees. The parties accept as a goal the reassignment of 50 members of the instructional staff in the University libraries during a one-year period.

The parties agree to establish a paid leave not to exceed four weeks during any year commencing September 1 and ending August 31 for the purpose of permitting members of the instructional staff who are appointed or assigned full-time as Counselors or to other student personnel assignments on or after September 1, 1998, except those in the Higher Education Officer series, to be reassigned for research, scholarly writing, and other recognized professional activities that enhance their contribution to the City University. The reassignments shall be subject to approval by the personnel and budget committee of their department and appropriate college-wide committees. The parties accept as a goal the establishment of such reassignment leaves equal to 35% of the members of the instructional staff appointed or assigned full-time as Counselors or to other student personnel assignments on or after September 1, 1998, except those in the Higher Education Officer series, or 50 such leaves, whichever is less.

25.5 Scholar Incentive Awards

Scholar Incentive Awards of not less than one semester nor more than one year shall be established for full-time personnel in the following titles: Professor, Associate Professor, Assistant Professor, Instructor, Lecturer, University Professor, Distinguished Professor and Medical Series. The only purpose of these Awards shall be to facilitate bona fide and documented scholarly research. Other projects or proposals (e.g. meeting of degree requirements, study, service outside the University) or reasons (e.g. professional, career, personal) shall not be considered for these Awards.

The application in the form of a plan shall be submitted to the appropriate departmental committee and, if approved, to the college committee on faculty personnel and budget. If the latter committee approves, it shall forward the application to the President with its endorsement. Such endorsement must state that the work of the department in which the applicant serves can be so arranged as to be carried forward effectively during the period of the leave, and that the work the applicant intends to do is consonant with the principles of the Scholar Incentive Award. Upon positive recommendation of the President, the application shall be forwarded to the Chancellor for review and recommendation.

The following principles for such Scholar Incentive Awards shall apply:

1. A candidate shall be a full-time member of the instructional staff in one of the above titles.
2. A candidate shall have completed not less than one full year of continuous paid full-time service with the University before becoming eligible for a Scholar Incentive Award. A candidate shall be eligible for a subsequent Scholar Incentive Award after six years of creditable service with the University since the completion of the last Scholar Incentive Award. A Scholar Incentive Award may not be held concurrently with a Fellowship Leave.
3. If a Scholar Incentive Award is immediately preceded by full-time continuous service creditable for tenure or a Certificate of Continuous Employment or Fellowship Award and immediately followed by such full-time continuous service, the period of creditable service immediately preceding the Scholar Incentive Award shall be counted in computing the years of service required for the granting of tenure, Certificate of Continuous Employment or Fellowship Award.

4. A candidate may be compensated by the University for up to 25% of annual salary rate. The total amount of money earnable with outside support and the University salary may not exceed 100% of the annual salary rate that the person would have received without the leave. The amount may be less than 25% if the amount of any outside fellowship and grant support received would result in earnings above 100% of salary.

5. The University shall develop guidelines to be utilized in approving applications for Scholar Incentive Awards.

25.6 Complaint Procedure

Award decisions made under this Article shall be subject only to the informal complaint procedure specified in Article 20 hereof.

ARTICLE 26 WELFARE BENEFITS

26.1 The University shall contribute \$1,175 per capita per annum effective February 1, 1995, which contribution shall increase to \$1,375 per capita per annum effective October 31, 2002. The above amount will be paid on a per capita pro-rated monthly basis to the PSC/CUNY Welfare Fund for all full-time eligible members of the instructional staff and such other categories of employees on whose behalf the University has agreed with the PSC to make contributions and who are included in the annual audit referenced in the agreement between the PSC, the Welfare Fund and the University dated May 26, 2004.

26.2 Determination of eligibility and benefits is made by the PSC-CUNY Welfare Fund.

26.3 The parties agree to reorganize the structure of the PSC-CUNY Welfare Fund in accordance with the principles set forth in the document entitled "Structure of the PSC-CUNY Welfare Fund," dated May 21, 1985. The restructured PSC-CUNY Welfare Fund shall for all purposes be considered the successor entity to the former Fund.

26.4 The University shall contribute to the PSC/CUNY Welfare Fund the following annual amounts on a pro-rata basis for instructional staff (a) who have separated from service subsequent to June 30, 1970, who were eligible to receive supplemental welfare benefits at the time of such separation, who remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such program or (b) who have separated from service subsequent to June 30, 1970, who were eligible to receive supplemental welfare benefits and who were covered by a welfare fund at the time of such separation pursuant to a separate agreement between the Board of Higher Education/CUNY and the certified union representing such employees, who were participants in the CUNY Optional Retirement Program (TIAA - CREF), who were employed by CUNY on a full-time basis for at least ten (10) years, who are at least age 55 and who have elected to and are receiving an annuity benefit from the CUNY Optional Retirement Plan (TIAA - CREF) ("eligible individual or employee").

- a. Eligible Employees separated from service from July 1, 1970 through August 31, 1982.

Effective January 1, 1999	\$ 910
Effective October 31, 2002	\$1,110

- b. Eligible Employees separated from service on or after September 1, 1982.

Effective January 1, 1999	\$1,350
Effective October 31, 2002	\$1,550

26.5 Effective August 1, 2002, the University will make a one-time, lump sum cash payment in the amount of \$1,471,000 to the PSC/CUNY Welfare Fund. (See Appendix B.)

26.6 The University and the PSC agree that the health benefit for qualified adjuncts shall be available to those non-teaching adjuncts who are working ten or more hours per week and who have worked ten or more hours for two consecutive semesters and to those teaching adjuncts who are teaching six or more hours (or the equivalent) in the semester and who have taught one or more courses for two consecutive semesters (not including Summer Sessions) provided that said non-teaching and teaching adjuncts are not covered by other primary health care insurance provided by or through another source. Adjuncts who establish eligibility as provided in this paragraph, which is based upon CUNY-wide service, shall be eligible to receive benefits in the third consecutive semester. Such benefit shall be partially contributory by the employee. The amount of the employee's contribution shall depend upon available funding and the number of eligible employees.

An adjunct who has established eligibility for this health benefit shall lose eligibility if in any two out of three academic years the adjunct is employed in only one semester of the year at CUNY.

Effective February 1, 1986, an amount of money equal to one quarter of one percent (.25%) of the aggregate unit salaries shall be paid each year for health insurance benefits to the PSC for this welfare fund health benefit for eligible adjuncts.

The University agrees to work with the PSC in an effort to include adjuncts in the New York City Health Plan. Any additional costs up to a maximum of .25% will be allocated from the funds provided pursuant to Paragraph 3 of the 2000-2002 Memorandum of Economic Agreement. In the event that the adjuncts cannot be included in New York City Health Plan within the funds described herein, the parties agree that these funds will be applied instead to the PSC-CUNY Welfare Fund Adjunct Account to offset account deficits. (See Appendix B.)

ARTICLE 27 RETIREMENT

27.1 At such time as the prohibition against pension negotiations is removed, the PSC and the University agree to meet and negotiate matters of pensions which require legislative action.

The University agrees to make available to participants in the TIAA retirement program "The Retirement Transition Benefit" which permits an individual participant to receive a lump sum payment of up to 10% of his/her TIAA/CREF accumulation if the participant is 55 or older at time of retirement.

The University shall continue to maintain and staff a University pension office for the purpose of providing informational services to the members of this unit.

Determination of pension eligibility and benefits are made by the appropriate retirement plan.

27.2 The parties agree to continue, subject to law, to implement a tax-free exchange of section 403(b) tax-sheltered annuity contracts for members of the New York City Teachers' Retirement System Tax Deferred Annuity Program with a different insurer as qualified under section 1035 of the Internal Revenue Code.

27.3 The University and the PSC agree that CUNY public retirement system retirees shall have the option of changing their previous choice of Health Plans and of providing for coverage of eligible dependents acquired subsequent to retirement, in accordance with the rules and regulations of the New York City Department of Personnel Health Insurance Division.

27.4 Effective September 1, 1985, or as soon thereafter as practicable, members of the Optional Retirement System (which at present is TIAA-CREF) who have separated from CUNY service and are collecting a retirement benefit based on their service at CUNY shall be eligible for coverage in the City Health Insurance Program, if and when the following additional qualifications are met:

- a. For instructional staff initially appointed to a full-time annual position on or before June 30, 1976:
 - (1) Separated from CUNY service at age 55 or over with at least ten (10) years of pensionable, continuous, full-time CUNY service,
or
 - (2) Separated from CUNY service prior to age 55 with at least fifteen (15) years of pensionable, continuous, full-time CUNY service and attained the age of 55.

- b. For instructional staff initially appointed to a full-time annual position between July 1, 1976 and August 31, 1985:
 - (1) Separated from CUNY service with at least fifteen (15) years of pensionable, continuous, full-time CUNY service and attained the age of 62,
or
 - (2) Separated from CUNY service with at least ten (10) years of pensionable, continuous, full-time CUNY service and no subsequent full-time employment in a college, university, or other institution of post-secondary education related to the duties performed while in active service at The City University or to duties normally performed by the instructional staff at the City University and attained the age of 62.

c. For instructional staff initially appointed to a full-time annual position on or after September 1, 1985:

- (1) Separated from CUNY service at age 62 or over with fifteen (15) years of pensionable, continuous, full-time CUNY service,

or
- (2) Separated from CUNY service prior to age 62 with fifteen (15) years of pensionable, continuous, full-time CUNY service and no subsequent full-time employment in a college, university, or other institution of post-secondary education related to the duties performed while in active service at The City University or to duties normally performed by the instructional staff at The City University and attained the age of 62.

d. "Continuous service," as used in this section, shall not be broken by any approved leave of absence without pay. The period of such approved leave without pay shall not count toward the total number of years required for eligibility.

27.5 A member of the full-time instructional staff who participates in the Optional Retirement Program, who becomes disabled, and who is determined by the United States Social Security Administration or by the TIAA/CREF disability program or its successor under this Agreement, to be physically or mentally incapacitated for the performance of duty, shall be eligible to receive paid New York City Employee Benefits Program basic health benefits, provided that he or she had completed at least ten years of full-time service at The University immediately prior to being disabled; he or she is receiving a retirement benefit from the Optional Retirement Program; and he or she receives no basic health coverage from another source.

In the event that the United States Social Security Administration determines that the instructional staff member is not disabled, and the instructional staff member's disability claim has not been reviewed by TIAA/CREF or its successor, at the request of the instructional staff member, the Professional Staff Congress/CUNY and City University of New York shall designate a mutually acceptable physician to review the instructional staff member's claim that he/she is physically or mentally incapacitated for the performance of duty, applying standards and criteria identical to those of the New York City Teachers' Retirement Program. If the instructional staff member is determined by the designated physician to be physically or mentally incapacitated for the performance of duty, he/she shall be eligible for New York City Employee Benefits Program basic health benefits, provided that he/she had completed at least ten years of full-time service at The University immediately prior to being disabled, he/she is receiving a retirement benefit from the Optional Retirement Program, and he/she receives no basic health coverage from another source.

In the event that the disability is the result of a work-related injury, the length of service requirement is waived.

27.6 Each college will provide, upon request by a retiree, a college-retiree identification card, which will provide the retiree with library privileges at the college.

**ARTICLE 28
TRAVEL ALLOWANCES**

The University shall provide the sum of \$818,157 annually effective August 1, 2000, which shall increase to \$850,883 annually effective August 1, 2001 for use by members of the bargaining unit for attendance at professional meetings and conferences. The allocation of travel funds at each college shall be made by the appropriate college official or college committees.

**ARTICLE 29
WAIVER OF TUITION FEES**

29.1 All full-time members of the instructional staff in this unit shall be granted a waiver of tuition fees for undergraduate credit-bearing courses offered by the University during the fall and spring semesters in accordance with the procedures for the waiver of undergraduate tuition fees for other groups of employees.

29.2 The parties agree to provide six credits per semester during the fall and spring semesters at the graduate level to full-time members of the instructional staff on a space-available, no-cost basis.

29.3 An adjunct who has taught one or more courses in the same department at the same college for ten consecutive semesters (not including summer session) and who is appointed to teach a course of not fewer than three contact hours per week in a Fall or Spring semester shall be granted tuition remission for up to one course in that semester. If the course offered is at the graduate level, it shall be available on a space-available basis. An adjunct who has established eligibility for this tuition waiver shall lose eligibility if in any two out of three academic years the adjunct teaches in only one semester of the year at that college.

29.4 Funds shall be available for the 2002-2003 academic year through a one-time cash payment of \$1,000,000 (one million dollars) to the Graduate School and University Center, for the purpose of providing partial tuition remission to CUNY graduate students who serve as Graduate Assistants or as adjuncts at CUNY. The University agrees to provide matching funds for the purpose of providing partial tuition remission to such graduate students in a one-time cash payment of \$1,000,000 (one million dollars) to the Graduate School and University Center.

**ARTICLE 30
FACILITIES AND SERVICES**

30.1 The parties recognize the importance to the proper functioning of the University of providing adequate space, facilities and services for the instructional staff.

30.2 To the extent that suitable space is available, each full-time member of the instructional staff shall have a desk, a chair, a file cabinet, and a book shelf, and adjunct instructional staff shall have access to desk and file space.

30.3 Subject to appropriate governmental approval of Master Plans providing for the same, design specifications for the construction of new facilities for the use of members of the instructional staff shall provide for:

- (a) A minimum of 120 square feet of office space for the use of each full-time member of the faculty for whose use the facility is designed;
- (b) An office desk, chair, file drawers, a telephone and book shelves for each full-time member of the faculty;
- (c) Dining facilities and an Instructional Staff lounge on each campus; and
- (d) Appropriate facilities for adjuncts.

ARTICLE 31 REHIRING OF PERSONS WHO ARE DISCONTINUED

31.1 Tenured Persons and Lecturers Holding CCEs

The provisions of subdivision eight of section 6212 of the Education Law shall be followed in the case of tenured persons. The provisions of the Board Bylaw Section 6.14 and the provisions of this Agreement shall be followed in the case of certificated persons.

The name of any such person shall be placed on an eligible list to be used in the filling of vacancies which may thereafter arise in the title and retrenchment unit of last employment. Rules and regulations shall be promulgated which include provision for the rehiring of such persons on a last-released first-rehired basis.

31.2 Non-Tenured Persons in the titles Professor, Associate Professor, Assistant Professor, College Laboratory Technician Series, Registrar Series, and Non-Certificated Lecturers

The name of any such person, except a person who received a notice of non-reappointment prior to being discontinued from his or her position, shall be placed on an eligible list to fill vacancies arising prior to the date which, in the absence of being discontinued, would have been the expiration date of the appointment or the expiration date of any reappointment in the title last held in the retrenchment unit of last employment, except that when an individual has received a recommendation for tenure or the CCE and is retrenched prior to the effective date of tenure or the CCE, the name of the individual shall be placed on an eligible list for a period of three years. Any person restored to a position pursuant to this paragraph shall receive notice of reappointment or non-reappointment no later than June 15. The dates provided in Article 18 of this agreement for observations and evaluations shall not apply with respect to any reappointment or non-reappointment of a person restored to service pursuant to this paragraph. When a person is restored to service pursuant to this paragraph, the period of creditable service prior to the discontinuance shall be added to creditable service after such restoration for purposes of computing years of service required for tenure, but an academic year in which such person did not serve a full continuous year shall not be included in computing the years of service required for tenure. Rules and regulations shall be promulgated for the administration of

these lists which include provision for the rehiring of persons on a last-released first-rehired basis except for special educational reasons. Acceptance of a position in the same or in a higher title in another college shall cause a person's name to be removed from the eligible list.

31.3 Staff in Non-Tenure- and Non-Certificate-Bearing Titles

The name of any such person, except a person who has received a notice of non-reappointment prior to being discontinued from his or her position, shall be placed on an eligible list to fill vacancies for a position in his/her title, function, and retrenchment unit which may arise prior to the date which, in the absence of being discontinued, would have been the expiration date of the appointment, or for three years, whichever period is shorter. Should such a position be reestablished, persons on the eligible list shall be restored to service in reverse order of discontinuance, except for special educational reasons, with respect to teaching personnel in these titles.

Any person restored to a position pursuant to this paragraph who would otherwise receive a notice of appointment or non-reappointment during that academic year shall receive such notice no later than June 15.

The dates provided in Article 18 of this agreement for observations and evaluations shall not apply to a reappointment or non-reappointment of a person restored to service pursuant to this paragraph.

31.4 Acceptance of a position in the same or in a higher title in another college shall cause a person's name to be removed from the eligible list.

31.5 CUNY agrees to publicize the functions of the University's Instructional Staff Referral Service and to extend its services to members of the PSC bargaining unit in both full-time and part-time positions.

The Instructional Staff Referral Service shall accept and periodically transmit to the colleges applications for positions from persons who were discontinued in full-time or part-time positions.

ARTICLE 32 DISCONTINUANCES

32.1 The term discontinuance as used in the Agreement means the termination in accordance with retrenchment procedures of an individual's service on dates other than those provided in Articles 9, 10 and 13 of the Agreement and through procedures other than those normally utilized in academic and administrative appointments, reappointments and non-reappointments.

32.2 Any discontinuance of employees in this unit during the term of this Agreement shall be undertaken only after other measures have been explored and implemented to the extent practicable consistent with the Board's responsibilities to govern the University, to carry out the academic programs of the University and to provide a safe and appropriate environment.

**ARTICLE 33
FACULTY AND STAFF DEVELOPMENT**

33.1 The University agrees to develop and implement with the PSC programs of professional development and/or retraining for tenured and certificated members of the instructional staff in the titles Professor, Associate Professor, Assistant Professor, Instructor, and Lecturer. Participation in the programs shall be voluntary.

33.2 The University, through its Office of Faculty and Staff Relations, agrees to develop and implement with the PSC programs of professional development and/or retraining for members of the non-classroom instructional staff. The program shall be voluntary. The University shall have the right to assign staff to the program only during the normally scheduled work day.

33.3 The Chancellor will consult with the President of the PSC regarding general guidelines for the development and implementation of the programs. These programs shall be developed on a no-cost basis.

33.4 Staff successfully completing a faculty or staff development program shall, upon their request, have acknowledgment of this fact placed in their personal personnel files.

33.5 Effective October 31, 2002, an annual sum of \$500,000 University-wide will be proportionately allocated by college to provide opportunities for professional development for employees in Higher Education Officer series and College Laboratory Technician series titles. Guidelines for the implementation of this provision are contained in Appendix C.

33.6 This Article shall not be subject to Article 20.

APPENDIX A
PERTINENT SECTIONS OF THE WORKLOAD SETTLEMENT AGREEMENT

1. This Agreement is applicable to all full-time classroom teaching members of the instructional staff for undergraduate courses.

2.* The annual undergraduate teaching contact hour** workload shall be as follows, it being understood that the term "undergraduate teaching contact hour workload" includes reassigned time assigned to the individual and approved in the college:

Professors, Associate Professors, Assistant Professors in the senior Colleges***	-	21 hours
Professors, Associate Professors, Assistant Professors in the Community Colleges	-	27 hours
Instructors and Lecturers	-	27 hours

In order to avoid the loss of teaching hours due to difficulties in scheduling, the annual undergraduate teaching contact hour workload shall be managed over a three-year period. The intent of this provision is to ensure that classroom contact hours not scheduled in one year because the courses assigned to the faculty member do not permit an exact correspondence with the stated workload may be scheduled in a subsequent year within the three-year period. Calculated over the three-year period, the average annual undergraduate teaching contact hour workload of every faculty member shall equal the hours specified above.

The annual undergraduate teaching contact hour workload of faculty in Substitute titles shall be three hours greater than the annual undergraduate teaching contact hour workload stated herein for the equivalent rank.

* This provision does not apply to instructional situations involving supervision of students in other than organized classes: appropriate multiples in these and related areas shall be determined by the colleges based on past experience and practices.

** For purposes of this Agreement, an undergraduate teaching contact hour is defined as an organized class which meets at a regularly scheduled time during the semester, quarter or session for one fifty-minute period or its approved equivalent period.

*** Effective August 30, 2002, at New York City College of Technology the undergraduate teaching contact hour workload for Professors, Associate Professors, and Assistant Professors shall be 26 hours.

3. A. The concepts of Mode I and Mode II as defined in the opinion and Award in Case No. 1339-0979-76, dated February 3, 1982, are inapplicable.

- B. In those colleges of the University which have a practice of contact hour multiples for specified courses during the 1981-82 academic year, such practice may be continued.
- C. The parties agree that some degree of flexibility in terms of class size and in total student load will be required by the University for the purpose of implementing this Agreement.
- D. Other than as provided in Article 6 of the Collective Bargaining Agreement, determination of the adjustment and assignment of reassigned time shall remain discretionary with the University both as to the amount of reassigned time and as to the identity of the individual member of the Instructional Staff to whom such reassigned time is granted.

Dr. Barbara Bowen
President
Professional Staff Congress/CUNY
25 West 43rd Street
New York, New York 10036

Dear Dr. Bowen:

I write to confirm our agreement on the guidelines that will be used to implement Paragraph 4.f (“Professional Development in the Higher Education Officer Series and College Laboratory Technician Series Titles”) of the “Memorandum of Economic Agreement for a Successor Agreement between The City University of New York and the Professional Staff Congress/CUNY” (hereinafter the “Memorandum of Agreement”), which settled the terms of the 2000-2002 PSC/CUNY collective bargaining agreement. These are the guidelines:

- Effective October 31, 2002, during the first quarter of every fiscal year (July 1 to June 30), The City University of New York will forward to the Professional Staff Congress/CUNY (hereinafter “the PSC”) the funds provided pursuant to Paragraph 4.f of the Memorandum of Agreement. These funds will be maintained by the PSC in a separate, interest-bearing account.
- The PSC will establish a HEO/CLT Professional Development Committee that will be responsible for reviewing applications and making the professional development grants provided for under Paragraph 4.f of the Memorandum of Agreement. The Professional Development Committee will also be responsible for accounting to the PSC for the expenditure of the funds.
- If the funds provided in any fiscal year are not fully expended in the fiscal year, they may be rolled over into the next fiscal year. It is agreed, however, that if the funds available in any fiscal year exceed one million dollars (\$1,000,000), the parties will meet to negotiate a mutually agreeable expenditure of the funds in excess of \$500,000.
- At the end of the fiscal year, the PSC will provide an accounting of the use of the funds to the Vice Chancellor for Faculty and Staff Relations. This accounting will include the following information: 1) the name of each recipient, 2) the amount of the grant, 3) the specific purpose for which the grant was made, 4) an itemized accounting of other (i.e., administrative)

expenditures, 5) the opening balance of the account and 6) the closing balance of the account.

- Professional development grants will be made three times during the fiscal year. The deadlines for submitting applications are July 15 (for Fall semester activities), January 3 (for Spring semester activities), and May 1 (for Summer activities). Applications may be made at any time prior to these deadlines. For Fall 2003, the deadline will be adjusted to accommodate the start of the program.
- Full-time employees in Higher Education Officer Series and College Laboratory Technician Series titles will be eligible to apply for professional development grants pursuant to Paragraph 4.f. Employees in adjunct College Laboratory Technician titles will also be eligible to apply, provided that they are working at least 10 hours per week during the semester in which application is made and have worked 10 or more hours per week for four consecutive semesters (not including summer sessions) immediately preceding the semester in which application is made. Eligible employees will apply by using the standard application form, which is attached to this letter. The application will explain how the professional development activity is related to the employee's position at the University and to the employee's own professional development.
- Applications must have the supervisor's approval before being submitted to the HEO/CLT Professional Development Committee. If the supervisor does not approve the application, the supervisor must provide an explanation for the disapproval.
- Applications must be approved by the HEO/CLT Professional Development Committee before the professional development activity commences. The only exception is that applications for retroactive grants may be submitted for activities between November 1, 2002 and August 31, 2003. Such retroactive grants require the approval of the Vice Chancellor for Faculty and Staff Relations.
- Funds will be disbursed to the employee only upon submission of documentation acceptable to the HEO/CLT Professional Development Committee.
- The maximum award for professional development activities in any academic year is \$2000. Preference will be given to employees who have not previously received professional development funds pursuant to Paragraph 4.f.

Please sign on the line provided below, if you agree that these are the guidelines for the implementation of Paragraph 4.f of the Memorandum of Agreement. Thank you for your cooperation.

Sincerely,
/s/

Brenda R. Malone
Vice Chancellor

SETTLEMENT AGREEMENT

Agreement made this 25 day of June, 2002 between The City University of New York and The Professional Staff Congress/CUNY.

The parties hereby agree as follows:

1. CUNY may pay base salaries in excess of the base salary schedules contained in the CUNY-PSC collective bargaining agreement to members of the PSC bargaining unit for purposes of recruitment and retention, up to 165% of the last step of the applicable base salary schedule (hereinafter referred to as the 7-year step), for the titles Professor, Associate Professor, Assistant Professor, Higher Education Officer, Higher Education Associate and Higher Education Assistant, which excess base salary shall become a part of base salary.
2. The base salary flexibility described in Paragraph 1 above refers to additions to the base salary contained in the schedules. All other applicable provisions of the CUNY-PSC collective bargaining agreement, the multiple position policy, Board Bylaws and other University policies and procedures continue to apply.
3. When a college President intends to make a base salary offer to recruit or retain a bargaining unit member in excess of the base salary schedules contained in the CUNY-PSC collective bargaining agreement, he/she shall convene an *ad hoc* committee of faculty members, if the offeree is being hired or retained in a faculty title, or an *ad hoc* committee of individuals in Higher Education Officer series titles, if the offeree is being hired or retained in a Higher Education Officer series title. The *ad hoc* committee, based on its academic judgment regarding the qualifications and duties of the individual to whom an offer is being contemplated by the President, shall make a non-binding recommendation to the President that the proposed base salary should be within the range of one of the following tiers:

Tier I: 101% - 115% of the 7-year step for the title

Tier II: 116% - 140% of the 7-year step for the title

Tier III: 141% - 165% of the 7-year step for the title

The President will then forward his/her recommendation to the Chancellor. If the Chancellor approves, the recommended salary will be submitted for approval to the Board of Trustees via the Chancellor's or University Report.

4. The PSC hereby withdraws or discontinues with prejudice the following:
 - The grievance concerning the recruitment/retention initiative that it filed by letter dated July 2, 2001;
 - PERB Charge No. U-22891;

- The grievance filed on behalf of “all bargaining unit members” alleging “improper payment of salary increases beyond those contractually stipulated. Failure to negotiate proposed salary increases with the Professional Staff Congress/CUNY,” filed by letter dated December 28, 2001;
- PERB Charge No. U- (Re: Zicklin School memo); and
- Barbara Bowen as President of PSC-CUNY v. City University of New York, Index No. 104015/2002, New York County Supreme Court.

5. CUNY will advise the colleges that all increases to base salary shall be granted in accordance with the CUNY-PSC collective bargaining agreement and with this letter.

The person may respond to the Academic Report and if such response is received it should be attached to the report.

4 COMPLAINT AND GRIEVANCE MACHINERY

(a) Intent:

The parties agree to use their best efforts to encourage the informal and prompt settlement of complaints and grievances which may arise between the PSC, the employees, and the University. The orderly processes hereinafter set forth will be the sole method used for the resolution of all complaints and grievances.

(b) Definitions:

(1) A complaint is an informal claim by an employee covered by this Agreement or by the PSC of improper, unfair, arbitrary or discriminatory treatment. A complaint may, but need not, constitute a grievance. Complaints shall be processed through the informal procedure herein set forth.

(2) A grievance is an allegation that there has been a violation of the stated terms of this Agreement.

(c) Informal Procedure for Complaints:

An employee covered by this Agreement may present and discuss his or her complaint either with or without a representative of the PSC with the Continuing Education Director of the unit involved. Similarly, a representative of the PSC may present and discuss a complaint on behalf of any employee or group of employees with the Continuing Education Director of the unit involved and such discussion shall be entirely informal. Any settlement, withdrawal or disposition of a complaint at this informal stage shall not constitute a binding precedent in the settlement of similar complaints or grievances.

(d) Formal Procedure for Grievances

Grievances may be filed by an employee in the bargaining unit, on his or her behalf, or by the Professional Staff Congress on its behalf, or by the Professional Staff Congress on behalf of any employee or group of employees in the bargaining unit. Grievances involving employees in more than one College of the University may be filed by the PSC initially at Step 2 of the grievance procedure.

A grievance must be filed by an employee or the PSC within thirty (30) days, excluding Saturdays, Sundays and legal holidays, after the PSC or the employee on whose behalf the grievance is filed became aware of the action complained of. Any grievance or informal complaint not processed in accordance with the time limits specified herein shall be deemed waived by the grievant.

A grievance must be stated in writing setting forth the basis therefor with reasonable particularity, including a designation of the section of this Agreement relied upon, and the remedy requested.

Step 1. Grievances shall be filed at the college with the President's designee. The President or the designee shall, within fifteen (15) days, excluding Saturdays, Sundays or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. The designee shall within fifteen (15) days, excluding Saturdays, Sundays, or legal holidays, after the grievance meeting, issue a decision in writing to the grievant and the PSC.

Step 2. If the grievance has not been settled at Step 1, then within fifteen (15) days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of the written decision of the President's designee, or the expiration of the time limits for making such decision, the grievant or PSC may submit the grievance in writing simultaneously to the Senior University Director of University Labor Relations and the Executive Director of the PSC/CUNY, together with a copy of the decision of the President's designee of the College affected and with a copy of any statement and exhibits to be considered. The College affected shall then be asked to submit any statement and exhibits to be considered.

The Executive Director of the PSC/CUNY and the Senior University Director of University Labor Relations shall confer in an attempt to dispose of the grievance.

Step 3. If the grievance has not earlier been resolved the person or persons who submitted the grievance at Step 2 may appeal the grievance to Step 3 by serving notice to that effect by certified mail, return receipt requested to the Vice Chancellor for Faculty and Staff Relations.

(e) As the need arises, the University and the PSC shall select an individual to review Step 3 grievances under this Agreement, and to issue a decision orally, or in writing as to the disposition of the grievance.

In no event shall such individual have authority to add to, subtract from, modify or amend the provisions of this Agreement or to appoint or direct an appointment of any person. Such decision or award shall be binding upon the PSC, the University and the employees affected thereby. The cost of this procedure shall be borne equally by the parties. Expenses for witnesses if utilized, however, shall be borne by the party who calls them. On issues of appointment such individual may make a financial award in an amount not to exceed the salary otherwise attributable to the appointment at issue.

5 BENEFITS

The University and the PSC agree that qualified employees in the title Continuing Education Teacher who are appointed to a position that will continue for more than six (6) months and that requires them to teach a minimum of 20 hours per week shall be entitled to the following benefits:

a) coverage under the New York City Health Benefits Program, provided they meet all other eligibility requirements contained in the Summary Plan Description of the New York City Health Benefits Program; this benefit will be available only so long as such employees meet all the requirements specified above;

b) fourteen (14) days of sick leave per year or a pro-rata portion thereof (one day of sick leave for every 64 hours of service), which may be accrued up to a maximum of 28 days; accrual of this benefit will be available only so long as such employees meet all the eligibility requirements specified above.

6 NON-CREDIT-BEARING REMEDIAL AND ESL PROGRAMS

Notwithstanding paragraph 1 above, the Continuing Education Teacher title may be used to offer non-credit-bearing remedial and ESL instructional programs provided that

1) No full-time instructional staff member employed as of September 1, 1998 and having taught in non-credit-bearing remedial and ESL instructional programs shall be non-reappointed or retrenched to effect the transfer of the teaching of such courses to Continuing Education Teachers; and

2) Adjuncts teaching non-credit-bearing remedial or ESL instructional programs at a College in either of the two semesters immediately prior to the implementation of the decision to offer such courses by Continuing Education Teachers will be given priority consideration for appointment as Continuing Education Teachers to teach such courses at that College.

Nothing herein should be construed to alter existing college governance plans or University Bylaws, including faculty participation in curriculum matters.

7 APPLICABLE PROVISIONS

Persons and matters covered by this Agreement shall not be covered by any other articles of the Agreement with the PSC except Article 1 (Recognition), Article 3 (Unit Stability), Article 4 (Check-Off and Agency Shop), Article 5 (Information and Data), Article 7 (Organizational Use of Facilities), Article 8 (Non-Discrimination), Article 17 (Jury Duty), Article 38 (Workers' Compensation), Article 39 (Occupational Safety and Health), Article 40 (No Strike Pledge), Article 41 (Legislative Action), and Article 43 (Duration).

Effective October 31, 2002, the amount of \$6,131, University-wide, will be allocated annually to provide opportunities for professional development that will enhance the contribution of employees in the EOC Higher Education Officer (HEO) series and the EOC College Laboratory Technician (CLT) series to the mission of the Educational Opportunity Centers. The funds will be allocated annually as follows: \$1,533 to each of the EOCs. It is understood that in distributing the funds the Director will make every effort to support equitably the professional development of the EOC HEOs and EOC CLTs. The disposition of the funds will be reported annually to the Director of the State University Center for Academic and Workforce Development, the Vice Chancellor for Faculty and Staff Relations of The City University of New York, and the President of the Professional Staff Congress/CUNY.

6. TENURE PROVISIONS

An employee who meets the qualifications shall be awarded tenure in a respective EOC upon recommendation to and approval by the Board of Trustees. Such tenure or service toward tenure is not transferable to any other EOC or unit of The City University.

7. WORKLOAD IN THE EOC LECTURER SERIES

EOC Lecturers and EOC Lecturers on the Ph.D. schedule may be assigned one additional contact teaching hour during the third trimester of the 2002-2003 academic year. Thereafter, EOC Lecturers and EOC Lecturers on the Ph.D. schedule may be assigned three additional contact teaching hours per academic year. It is understood that, after consultation with the Lecturer, and as near to the beginning of the academic year as is feasible, the additional three teaching hours may be assigned as one contact hour in each trimester, as two contact hours in one trimester and one contact hour in another trimester, or as three contact hours in one trimester. In the event an EOC operates on a semester basis, rather than a trimester basis, in any given academic year, the three additional contact hours may be assigned as two in one semester and one in the other semester, or as three in one semester. In no event shall EOC Lecturers or EOC Lecturers on the Ph.D. schedule be assigned more than three (3) additional contact hours per academic year or more than 18 contact hours in any one trimester or semester as a result of this provision. In no event shall the increase in teaching contact hours extend the overall work week beyond thirty hours.

The Committee may also consider requests from an individual member of the Higher Education Officer series for a reclassification of his/her position. If the Committee deems such a request to have merit, it will refer the matter for consideration to the Director of the respective Educational Opportunity Center.

b) There will be a labor management committee for the four Educational Opportunity Centers, composed of five members designated by the PSC and five members designated by the University to develop non-binding proposals on further enhancements to the professional lives of the EOC instructional staff, including but not limited to a consideration of a promotional series and sabbaticals.

- a) For PSC-represented employees of the EOCs who retire on or after January 31, 1998, an annual per capita contribution to the PSC/CUNY Welfare Fund will be made in the amount of \$3,618, which includes the current per capita amount the State contributes to the State University of New York (hereinafter "SUNY") employees' health program (\$3,439), and a five (5) percent administrative fee. Thereafter, the cost will be part of the contract between the State University of New York and The City University of New York that funds the operation of the EOCs.

Thereafter, the cost will be part of the contract between SUNY and CUNY that funds the operation of the EOCs.
- c) The parties recognize that the contributions specified in paragraphs a) and b) above represent the entire amount that will be contributed to provide these benefits and that such benefits are subject to the same eligibility requirements as are in effect for other PSC-represented employees.
- d) On a quarterly basis, the EOCs will certify to the Director of the University Center for Academic Workforce and Development of SUNY and to the Office of Faculty and Staff Relations of CUNY the

The Director of the University Center for Academic Workforce and Development of SUNY will provide to the EOCs the necessary amount of money, consistent with the terms of paragraphs a), b), and c), to fund the health insurance benefit provided under this agreement.
