A. HEALTH INSURANCE

The District shall contribute one hundred percent (100%) of the cost of individual coverage and Ninety-five percent (95%) towards the cost of family coverage in the District's health insurance plan or health maintenance organization.

The District will establish a Section 125 Internal Revenue Code Cafeteria Plan which will provide unit members with the opportunity to have employee health insurance premium contributions paid for through a salary reduction program.

The District and the Association may mutually agree to purchase equivalent to superior insurance from another carrier such as Empire Plan/Blue Cross of Albany. The Hyde Park Administrators' Association agrees that it shall not unreasonably withhold its consent regarding such change in carrier; provided, however, that any dispute regarding the withholding of such consent shall be subject to expedited arbitration pursuant to the voluntary rules of the American Arbitration Association Labor Arbitration Panel.

In the event that the Empire Blue Cross/Blue Shield Matrix plan becomes unavailable through the Dutchess Educational Health Insurance Consortium (DEHIC) during the term of this agreement, the parties shall meet to determine a replacement health insurance program. Should the parties fail to agree in a timely manner, the District shall implement the DEHIC P.P.O. plan.

Notwithstanding the provision above, all unit members who become 55 years of age or older during the 1997-98 school year and who give notice to retire within thirty (30) days of the ratification of this contract shall be eligible to receive this incentive to retire, and shall be entitled to District paid health insurance premium contributions of 100% towards individual or 95% towards family monthly premium costs during their retirement. Effective with the 1997-98 school year, entitlement to the health premium contributions referenced above shall be conditional upon the unit member retiring to receive T.R.S. payments, effective June 30 of the school year in which the unit member is first eligible to receive retirement benefits without penalty, or at age fifty-five (55) at the administrator's discretion.

Unit members who delay their retirement beyond that point of initial eligibility as described above shall receive health insurance payments as follows. If at the time of retirement the unit member has accumulated sick leave of at least one hundred (100) days and up to one hundred fifty-nine (159) days, the District shall pay 60% of the individual premium cost of the District's health insurance plan for individual coverage and 40% of the family cost for family coverage under the District's health insurance plan. Those unit members who at the time of retirement have at least one hundred sixty (160)-days of accumulated sick leave shall be entitled to District contributions of 65% of the individual premium cost of the District's health insurance plan for individual coverage and 50% of the family premium cost for family coverage under the District's health insurance plan.

B. HEALTH INSURANCE BUY-OUT OPTION

Unit members who are otherwise health insured may voluntarily opt out of the District's health insurance program and receive a payment of \$1750.00 effective July 1, 1997 per annum, for opting out. The employee must give written notice of opting-out at the dates specified below and must also produce proof of other health insurance at the time of making application for the buy-out.

Written notice shall be given to the Business Office on or before May 31st for each period commencing July 1st of the following school year.

Re-entry into the District's health insurance program shall be allowed at any time, subject only to the waiting period, if any, of the health insurance program's rules and regulations. Upon re-entry, the unit member must refund the pro-rated amount of the buy-out paid for the remaining months of the applicable year. New hires may opt out and receive this benefit on a pro-rated basis where applicable, at the time of hire, provided that proof of other health insurance is furnished to the Business Office at the time of making written application.

In the event that a unit member leaves the employ of the District after receiving a buy-out payment, but before the end of the applicable time period covered by such payment, such unit member shall be obligated to repay the District on a pro-rated basis the amount of buy-out payment for the remaining part of the period of the buy-out. The District is also expressly authorized to deduct that amount from the remaining paycheck(s) of said employee in the event that repayment is not otherwise made.

C. WELFARE BENEFIT TRUST

The District shall contribute the funds required to provide for participation in the Hyde Park Teachers' Association Welfare Fund for members of this bargaining unit, provided however, that the per capita contribution for this bargaining unit shall not exceed the per capita District contribution for members of the Hyde Park Teachers' Association. In the event that participation in the Hyde Park Teachers' Association Welfare Fund is not allowed, the parties will immediately reopen negotiations for the purpose of selecting alternative dental insurance and other insurance plans which may be mutually agreeable.

D. COMPARABLE HEALTH BENEFITS

In the event that the District negotiates more favorable health or dental insurance provisions with the Hyde Park Teachers' Association, absent any objection by that Association, the same terms negotiated shall apply to members of this bargaining unit as soon as they become effective for members of the HPTA bargaining unit.

If the HPTA objects to the application of more favorable benefits to members of this bargaining unit, then, upon reaching such agreement with the HPTA, negotiations shall immediately be reopened with the bargaining representative of the Hyde Park Administrators' Association for the purpose of negotiating the subject(s) upon which more favorable terms were reached with the HPTA.
