2.1.1 The Employer will not aid, promote or finance any group or organization which may be contrary to the purposes or objectives of the Association.

### 2.2 Check-Off of Association Dues

2.2.2 The Association shall indemnify and save the Employer harmless from any and all manner of claims, demands, suits, actions or other forms of liability which may arise against the Employer out of or by reason of the deductions provided for hereunder, the payment of the same to the Association, or any other action taken by the Employer, including any liability relating to previously signed cards which vary from the terms of the following form.

2.2.3 In accordance with the terms of the form of Authorization of Check-Off of Dues hereinafter set forth, the Employer agrees to deduct Association membership dues levied in accordance with the Constitution and By-Laws of the Association from the pay of each employee who executes and delivers to the Employer the following Authorization for Check-Off of Dues Form:

2.2.6 Any changes in the amount of Association dues to be deducted must be certified by the Local Association in writing and forwarded to the County Treasurer. Implementation of any such change shall be accomplished within thirty (30) days thereafter.

2.3 Association Rights

2.3.1 The Employer recognizes the right of the Association to have access to the Employer's premises on an exclusive basis and therefore agrees to permit representatives of the Association to enter the premises to discuss Association matters with its employees or other officers of the Association during working hours, provided such meeting does not unduly interfere with the performance of duties, assigned to the employees. Such representative shall provide one day's notice to the sheriff or his representative prior to the scheduled meeting. There shall be a time limit of one-half (½) hour for any such conference.

2.3.2 The Employer recognizes the right of the Association to designate certain employees to act as the Association's local representatives, whose names and Association titles shall be submitted to the Sheriff in writing by the Local Association. Such employees shall be permitted to process grievances during regular working hours for reasonable periods of time without loss of pay. Investigation of a grievance shall not unduly interfere with the performance of duties of the individuals involved.

2.3.3 The Employer recognizes the right of the Association to designate certain of its employees to participate in contract negotiations and therefore agrees to give time off with no loss of pay if the proposed negotiation meeting is scheduled when any one of the designated employees is on duty, provided, however,

that there shall be no more than five (5) employees off at any one time. It is further agreed that no more than one (1) employee employed in the same division (Road Patrol, Investigations, and Supervisory) shall be granted release time for these purposes. The last-stated restriction shall not apply to the Union President or vice-president. Notice of planned attendance in contract negotiations by such employees shall be given to the Sheriff or the Sheriff's designee, in writing, at least three (3) days before a scheduled meeting.

2.3.4 The Association President and/or his designee shall be allowed release time with pay in an aggregate of one hundred (100) hours per year without loss of pay or leave benefits for the purpose of discussing wages, working conditions, grievances and disputes with the employer's representatives, to appear at appropriate public hearings before the County Legislature, and to investigate and process grievances, improper labor practices, as well as general contract administrations, in addition to attending functions of the Union, its affiliates, subdivisions or organizations to which it is affiliated. In order to take time off under this provision the Association President shall notify the appropriate Supervisor that he or she or designee shall be taking time off under this provision. Notice of planned attendance by such employees shall be given to the Sheriff or the Sheriff's designee, in writing, at least three (3) days before a scheduled meeting. Additional days pursuant to this provision may be granted upon request to the Sheriff, and are solely dependent upon the approval of the Sheriff.

2.3.5 The Employer agrees to provide a 3' X 4' bulletin board for the exclusive use of the Association to post notices and other Association information at the Sheriff's Department Headquarters.

### ARTICLE 3 MANAGEMENT RIGHTS

3.1 The Association recognizes that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its work force which the Employer has not specifically abridged, deleted, delegated, granted or modified by this Agreement are and shall remain exclusively those of the Employer.

3.2 Not by way of limitation of the foregoing clause, the Employer retains the right and responsibility, subject always to the terms of this Agreement to (1) hire, discharge, transfer, suspend and discipline employees; (2) to determine the number of men required to be employed, laid off or discharged; (3) to determine the qualification of employees; (4) to determine the starting and quitting time and the number of hours to be worked by its employees; (5) make any and all reasonable rules and regulations; (6) determine the work assignments of its employees; (7) determine the basis for selection, retention and promotion of employees to or for occupations not within the Bargaining Unit established by this Agreement; (8) determine the type of equipment and the sequence of work processes; (9) determine to make technological alternations by revising either processes or equipment or both; (10) determine work standards and the quality and quantity of work; (11) select and locate facilities; (12) establish, expand, transfer and/or consolidate work and facilities; (13) consolidate, merge or otherwise transfer any or all of its facilities, property, with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes or work; (14) terminate or eliminate any part of its work or facilities.

3.3 The Association agrees, in recognition of Management's rights, not to request the Employer to bargain with respect to the foregoing during the term of this Agreement except as otherwise specifically provided for herein, either as to the basic decision or as to the effect of that decision upon wages, hours and other terms and conditions of employment.

### ARTICLE 4 NO-STRIKE PLEDGE

4.1 Pursuant to Section 207 (3) (b) of Article 14 of the New York State Civil Service Law, the Association affirms that it does not assert the right to strike against any government, to assist or participate in any such strike, or to impose an obligation to conduct, assist or participate in such a strike.

## ARTICLE 5 GRIEVANCE PROCEDURE AND ARBITRATION

### 5.1 General

5.1.1 It is the intent of this Article to provide an orderly and expeditious procedure for the processing of any grievance that may arise concerning any alleged violation, misinterpretation, or misapplication of any provision of this Agreement.

5.1.2 The foregoing procedure shall not apply to disciplinary actions of the Employer or matters which are reviewable under administrative procedures established by law, including the New York State Civil Service Law, or pursuant to rules having the force and effect of Law (that are held to supersede any provisions of this Agreement).

5.1.3 The Association and the Employer can if mutually agreed upon waive or bypass any step in the grievance procedure.

### 5.2 Matters Relevant to the Grievance Procedure

5.2.1 Time limits set forth herein for the presentation of grievances in all steps may be waived or extended only by mutual agreement of the parties in writing.

5.2.2 It is understood and agreed that the Genesee County Sheriff's Department is a semi-military organization and that the failure of any employee to obey a lawful order or command, orally or in writing may result in a breakdown of discipline, resulting in serious consequences. Orders will be obeyed and any disagreements arising there from will be processed as grievances later. The failure of an employee to carry out lawful orders or comply with rules and regulations may result in disciplinary action.

5.2.3 An aggrieved employee shall be allowed time off his regular duties as may be necessary and reasonable, without loss of time, pay, or other leave credits, to meet with his Association representative and to process a grievance. The processing of such grievance shall not unduly interfere with the performance of duties of the individual involved.

### 5.3 Procedural Steps

5.3.1 The following procedure shall be the only manner by which grievances may be processed:

Step 1: The grievance shall be presented orally by the employee or the Association Steward, or other authorized representative of the Association, to the employee's immediate superior, who shall make every effort to resolve the matter. Such grievance shall be presented within fourteen (14) calendar days of the occurrence giving rise to the grievance, or within ten (10) calendar days such occurrence shall reasonably have been known to the employee or the Association, whichever is later.

Step 2: If the matter is not resolved at the first step within three (3) work days of the presentation of the grievance, or no decision has been forthcoming by that time, the employee or the Association Steward, or other authorized representative of the Association, shall reduce the grievance to writing (on a form provided by the Association), setting forth the relevant facts and requested remedy, sign it and submit it to the next in

command. Such grievance must be submitted within five (5) workdays of the date of receipt of the first step decision, or the date such decision would have been due. The officer next in command receiving the grievance will attempt to resolve the matter at his level and render his decision in writing to both the employee and the Association within five (5) workdays of the receipt of the grievance.

Step 3: If the matter is not resolved at the second step within five (5) workdays of the presentation of the grievance, or no decision has been forthcoming by that time the Association President, or his designee, may submit the grievance to the Sheriff. Such grievance must be submitted within five (5) workdays of the date of receipt of the second step decision or the date such decision would have been due. The Sheriff or his designee, shall, within five (5) workdays of receipt of the grievance, hold an informal meeting with the Association President or his designee, and the employee, if the employee desires to attend. The Sheriff, or his designee, shall render a written decision to the Association within five (5) workdays of the date that such meeting was held.

Step 4: If the decision of the Sheriff is not satisfactory and the grievance has not been resolved or no decision is forthcoming by the date such decision would have been due, the Association President or his designee may submit the grievance to the Genesee County Legislature. Such grievance must be submitted within five (5) work days of the receipt of the third step decision of the Sheriff or his designee, or the date that such decision would have been due. The Genesee County Legislature or its committee shall, within ten (10) work days of receipt of the grievance, hold a formal meeting with the Association. The Genesee County Legislature or its Committee shall render a written decision within five (5) work days of the date such meeting was held.

Step 5: If the decision rendered by the County Legislature, or its Committee, is not satisfactory and the grievance has not been resolved, or no decision is forthcoming by the date such decision would have been due, the Association, not later than fifteen (15) calendar days following the decision of the County Legislature, or its Committee, or the date such decision would have been due, may submit the grievance to arbitration.

5.3.2 The request for arbitration shall be made to the New York State Public Employment Relations Board on a form provided for such requests by the Association, a copy of which shall be furnished to the Genesee County Personnel Officer. The arbitrator shall be chosen from a panel of seven persons provided by PERB. Either party shall have the right to reject one such panel within ten (10) calendar days of receipt thereof, upon notice within that time to the other party. Failing such notice, or upon receipt of the alternative panel(s) the parties shall, within ten (10) calendar days, select an arbitrator from such panel by alternately striking one name until one name remains and such person shall be designated the arbitrator for the grievance in question.

5.3.3 The arbitrator, upon hearing all testimony and evidence, shall be requested to issue his decision within thirty (30) calendar days of the date of hearing. He shall have no power to add to, subtract from, or modify any provisions of this Agreement in making an award, and such award shall only consider occurrences within fourteen (14) days prior to the date on which the grievance is presented under Step 1, except in those instances that the employee was not aware of the circumstances until the filing of the grievance, in which case the arbitrator shall consider the occurrences from the date of the incident that gave rise to the grievance. The decision of the arbitrator shall be final and binding upon both parties.

5.3.4 The fees and expenses of the arbitrator and the New York State Public Employment Relations Board, if any, shall be shared equally by the Employer and the Association.

## ARTICLE 6 DISCIPLINE

### 6.1 Rights and Procedures

6.1.1 Employees who have satisfactorily completed the probationary period provided in Paragraph 9.1.1 may be removed or otherwise subjected to any disciplinary penalty only for just cause. Such employees shall be disciplined only by the procedures set forth in this Article, which shall apply in lieu of the procedure prescribed by Sections 75 and 76 of the New York State Civil Service Law, which shall not apply to employees covered by this Agreement.

6.1.2 When the Sheriff or his designee determines that an employee's misconduct or incompetence warrants disciplinary action, a Written Notice of Discipline will be simultaneously served upon the employee and an appropriate DSA representative. After such employee receives a written Notice of Discipline, the employee shall have the right to seek review of the discipline, including the penalty involved, by submitting a written appeal in accordance with the procedure set forth in this Article. The employee shall be entitled to representation by the DSA at each step of the discipline procedure.

6.1.3 The appeal must be requested within ten (10) calendar days from the date upon which the Notice of Discipline was served upon such employee. Upon receipt of the appeal, the Sheriff or his designee shall conduct such a hearing within five (5) calendar days thereafter, and shall render a written decision within five (5) work days of the date such hearing is held.

6.1.4 An employee who continues to feel, following the decision of the Sheriff or his designee under 6.1.3 that there was not just cause for the discipline imposed against him may request, within fifteen (15) calendar days from the date the written hearing decision was rendered, arbitration of the question whether the employee was properly disciplined. The request shall be served upon the Sheriff and the County Personnel Officer in person or by certified mail, return receipt requested.

6.1.5 The arbitrator shall be chosen from a panel of five persons provided by the New York State Public Employment Relations Board upon the request of the parties. Either party shall have the right to reject one such panel within ten (10) calendar days of receipt thereof, upon notice within that time to the other party. Failing such notice, or upon receipt of the alternative panel(s), the parties shall, within ten (10) calendar days, select an arbitrator from such panel by alternately striking one name until one name remains, and such person shall be designated the arbitrator for the discipline in question. The discipline shall be conducted in accordance with Part 207 of the Rules and Regulations of the Public Employment Relations Board. The arbitrator shall have no power to add to, subtract from, or modify any provisions of this Agreement in making his award. The decision of the arbitrator shall be final and binding upon both parties.

6.1.6 When an employee is represented by the Association, all fees and expenses of the arbitrator and the Public Employment Relations Board shall be shared equally by the Association and the Employer. When an employee chooses to be represented by his own attorney, all fees and expenses of the arbitrator and the Public Employment Relations Board shall be shared equally between the employee and the Employer.

## 6.2 Matters Relevant to Discipline Procedure

6.2.1 Nothing contained in this Article shall be construed to preclude a settlement of the disciplinary matter following service of a notification of charges. The terms of the settlement shall be reduced to writing with copies provided to both the employee and the Association, with a copy also placed in the employee's personnel file.

6.2.2 Association representatives, and/or their Counsel shall have the right to be present in any disciplinary hearing and to act as the employee's Counsel.

6.2.3 All disciplinary hearings shall be conducted in private.

6.2.4 No employee shall be required to sign any statement of an admission of guilt to be used in a disciplinary proceeding without having Association representation.

6.2.5 The local Association President or his designee, as well as the charged employee, shall suffer no loss of time or pay or be required to charge their accrued leave credits for time during their regular work hours spent attending disciplinary hearings or directly and necessarily spent in preparing for the disciplinary action.

## ARTICLE 7 EMPLOYEE ALCOHOL AND DRUG TESTING

7.1 Statement of Policy. It is the policy of Genesee County that the public has the absolute right to expect persons employed by the County Sheriff's Department to be free from the effects of drugs and alcohol. The County, as the Employer, has the right to expect its employees to report for work fit and able for duty and to set a positive example for the community. The purposes of this policy shall be achieved in such manner as not to violate any established constitutional rights of the employees of the Sheriff's Department.

7.2 Prohibitions. Employees shall be prohibited from:

- a) Consuming or possessing alcohol at any time during or just prior to the beginning of the work day or anywhere on any County premises or job sites, including County buildings, properties, vehicles and the employees personal vehicle while engaged in County business;
- b) Possessing, using, selling, purchasing or delivering any illegal drug at any time and at any place except as may be necessary in the performance of duty;
- c) Failing to report to the employee's supervisor any known adverse side effects of medication or prescription drugs which the employee may be taking.

7.3 Drug and Alcohol Testing Permitted. Where the County has reasonable suspicion to believe that:

- a) an employee is being affected by the use of alcohol; or
- b) has abused prescribed drugs; or
- c) has used illegal drugs, the Sheriff or his designee shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. The foregoing shall not limit the right of the County to conduct any tests it may deem appropriate for persons seeking employment prior to their date of hire.

### 7.3.1 Random Drug Testing

7.3.1a Random Testing. The employer may periodically conduct testing which will involve the random selection of employees for drug testing.

7.3.1b Substances. Employees may be tested for cocaine, marijuana, opiates, amphetamines, phencyclidine and steroids.

7.3.1c Post Accident. If an on-duty employee has an accident while operating a motorized vehicle or motorized equipment which causes an injury or property damage, the employer may send the employee for drug testing.

7.3.1d Follow Up. If an employee returns to work after a positive substance test, follow up testing may be performed in accordance with a schedule established by a Substance Abuse Professional.

7.3.1e Testing Procedures. The following testing procedures shall be followed:

1. Notice of Requirement to Submit to Testing. The employee will instruct the employee to report for testing, and the employer will provide transportation to the testing location. Employees will not be called in for random testing during non-working hours of the employee. This does not preclude reasonable suspicion or post accident testing of an employee when not on duty.
2. Employee Submits to Testing. The employee will submit to testing as required by the employer. Employees who are sent for testing must complete all necessary forms and releases. An employee who refuses to cooperate with any aspect of testing will be subject to disciplinary action which may include termination of employment.
3. Testing Agent. The testing agent shall be selected by the County but shall not be Genesee County.
4. Employee Discloses Medications. The employee shall disclose his/her medications to the testing agent as directed.
5. Testing. Drug tests will be performed by urinalysis. Split samples will be taken for drug tests. The urinalysis shall be performed by a Department of Health certified laboratory.
6. Results. The testing agent will notify the employer of the results. The employer will notify the employee of the results promptly. In the case of negative test results, the employer will notify the employee, in writing, mailed by first class mail to the employee's last known home address. In the case of positive test results, the employer shall notify the employee, in writing, which shall be either hand delivered to the employee or mailed by certified mail, return receipt requested, to the employee's last known home address. All results will be confidential, and information regarding the results will be disseminated on a need to know basis only. A positive test result will be the detection of a substance.
7. Challenging Test Result. If an employee wishes to challenge a positive drug test result, he/she must request a second analysis within 72 hours of his/her receipt of notice of the positive test result. The second half of the split sample will be analyzed by a different certified laboratory. If the employee is suspended pending the results of the second analysis and the second analysis does not confirm the first, the employee shall be made whole for any pay or benefits lost as a result of the suspension.
8. Cost of Test. The cost of all testing shall be paid by the employer.
9. Payment of Employee. Employees shall be paid for testing time, including travel time to and from the test or collection site. This time shall be treated as time worked.

7.3.1f Effect of Positive Test Result. The effect of an employee's positive test result shall be as follows:

1. First Offense. After the first positive test, the employee will be referred to a Substance Abuse Professional ("SAP") selected by the employer. The SAP will evaluate the employee and recommend appropriate treatment. If the employee wishes to use a specified treatment professional/facility, he/she must inform the SAP of his/her preference. If the SAP determines that the suggested professional/facility is properly qualified to carry out the recommended treatment, the SAP shall approve the professional/facility. If the SAP determines that the suggested professional/facility is not properly qualified to carry out the recommended treatment, the SAP shall designate one or more professional(s)/ facility(s) that the employee may use. Any professional/ facility which is approved for treatment must: (1) provide recommended treatment, and (2) make regular reports to the SAP regarding the employee's compliance with the treatment program and his/her progress. If the professional/facility fails to do either or both of these things, the SAP may require the employee to seek treatment from another source. The employee must follow the treatment recommendations of the SAP. Otherwise, the employee may be discharged by the employer. If the employee complies with these requirements and is fit to return to work within one year from the date of the positive test, then the employee may return to duty, subject to any follow up testing requirements established by the SAP after consultation with the treatment professional. An employee may use leave accruals to receive pay while seeking treatment. Otherwise, this period of time will be a leave without pay.

2. Other Offense. For subsequent offenses, the employer may discharge the employee immediately.

7.3.1g Notice to Employees. The employer shall post a copy of the testing policy and procedure in the Department.

7.4 Procedures. If a Supervisor feels that reasonable suspicion warrants immediate alcohol or drug testing, he shall notify, and receive authorization to proceed, from the Sheriff, Undersheriff, or Chief Deputy.

- a) if any drug/alcohol is found in the possession of the employee, it shall be confiscated and secured as evidence in the Evidence Room.
- b) Upon receiving the authorization, the supervisor shall:

1. Notify the employee of the test requirement, and proceed with the test.
2. Immediately inform a Union representative. If the Union Representative cannot respond within a reasonable amount of time, the test will commence.
3. Direct the employee to an appropriate testing area within the Sheriff's Department or medical facility where appropriate steps shall be taken to insure privacy while the procedure is completed.
4. Instruct the employee of the proper procedure for the test.
5. Record results of any tests performed within the department per departmental procedures, and/or secure the evidence and insure delivery to the testing laboratory as soon as possible.

7.5 Order to Submit to Testing. Within forty-eight (48) hours of the time the employee is ordered to testing authorized by this Agreement, the County shall provide the employee with a written notice setting forth the

facts and inferences which form the basis of the order to test. Refusal to submit to such test may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or rights that he or she may possess.

7.6 Test to be conducted. In conducting drug testing authorized by this Agreement, the County shall:

a) Use only a clinical laboratory or hospital facility which is certified by the State of New York to perform drug testing.

b) Establish a chain of custody procedure for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result.

c) Collect a sufficient sample of the same bodily fluid or material from an employee to allow for initial screening, a confirmatory test, and a sufficient amount to be set aside reserved for later testing if requested by the employee.

d) Collect samples in such a manner as to preserve the individual employee's right to privacy while insuring a high degree of security for the sample and its freedom from adulteration. Employees shall not be witnessed by anyone while submitting a sample except in circumstances where the laboratory or facility does not have a "clean room" for submitting samples or where there is a reasonable suspicion that the employee may attempt to compromise the accuracy of the testing procedure.

e) Confirm any sample that tests positive in initial screening for drugs by testing the second portion of the same sample by gas chromatography/mass spectrometry (GS/MS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites.

f) Provide the employee tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the employee's choosing, at the employee's own expense, provided the employee notifies the County within seventy-two (72) hours of receiving the results of the test.

g) Require that the laboratory or hospital facility report to the County that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the County inconsistent with the understandings expressed therein (e.g., billings for testing that reveal the nature or number of tests administered), the County will not use such information in any manner or form adverse to the employee's interest.

h) Provide each employee tested, and, with the employee's approval, the Genesee County Deputy Sheriff's Association, a copy of all information and reports generated and/or received by the County in connection with the testing and the results.

i) Insure that no employee is the subject of any adverse employment action except emergency temporary reassignment or relief of duty during the pendency of any testing procedure.

7.7 Test to be Conducted. In conducting the alcohol testing authorized by this Agreement, the County shall:

a) Conduct a Breathalyzer test in accordance with Genesee County Sheriff's Departmental Procedures.

b) Require that for the purpose of determining whether the employee is under the influence of alcohol, Breathalyzer test results showing an alcohol concentration over .000 based upon grams of alcohol per 100 milliliters of blood shall be considered positive.

c) Provide the employee tested by Breathalyzer with an opportunity to have a blood sample taken and tested by a local hospital facility of the employee's own choosing, and at the employee's own expense provided the employee notifies the County of the results within seventy-two hours of receiving the results of the test.

d) Provide each employee tested, and, with the employee's approval, the Genesee County Deputy Sheriff's Association, a copy of all information and reports generated and/or received by the County in connection with the testing and the results.

e) Insure that no employee is the subject of any adverse employment action except emergency temporary reassignment or relief of duty during the pendency of any testing procedure.

7.8 Right to Contest. If disciplinary action is not taken against an employee based in whole or in part upon the results of a drug or alcohol test, the Union and/or the employee with or without the Union, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the test, the right to test, the administration of the tests, the significance and accuracy of the test, or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. Further, if disciplinary action is taken against an employee based in part upon the results of a test, then the Union and/or the employee with or without the Union, shall have the right to contest any testing permitted by this Agreement in the disciplinary proceeding. Any evidence concerning test results which is obtained in violation of the standards contained in this Article shall not be admissible in any disciplinary proceeding involving the employee.

7.9 Voluntary Request for Assistance. The County shall take no adverse employment action against any employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the County may require reassignment of the employee with pay if he/she is unfit for duty in his current assignment. The forgoing is conditioned upon:

- a) The employee agreeing to appropriate treatment as determined by the physician(s) involved;
- b) The employee discontinues his/her use of illegal drugs or abuse of alcohol;
- c) The employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve (12) months;
- d) The employee agrees to submit to random testing during hours of work during the period of "after-care".

7.10 Voluntary Request for Assistance in lieu of Disciplinary Action.

a) In the event that a disciplinary action is commenced based solely upon the detection of a drug or alcohol, the employee may defer discipline by submitting to a voluntary treatment program.

b) In such cases, the Employer shall take no adverse employment action against any employee who voluntarily seeks treatment, counseling or other support for a drug or alcohol related problem, providing the employee meets all the following conditions:

1. Is a first time offender

15.3.2 Whenever an employee is demoted for incompetence, he shall be paid at that step in the grade assigned to the lower title which corresponds to his years of service in the department.

Whenever an employee is demoted for misconduct, he shall be paid at that step in the grade assigned to the title which the Sheriff and/or the Arbitrator determines is an appropriate penalty.

15.3.3 A permanent employee reinstated within one (1) year to his former position or to another position, in the same class, shall be paid at the rate within the salary grade which he was receiving at the time of layoff or other separation not reflecting discredit upon the employee.

15.3.5 The effective date of salary increases and decreases shall be the first day of the pay period following the transaction.

15.3.6 Upon amendment of the salary plan, the following adjustments shall be made:

1) An employee occupying a position in a class allocated to a pay grade which is revised upward, shall be moved from the step he is occupying at the time of reallocation to the corresponding step in the new salary grade.

2) A permanent employee occupying a position in a class which has been reallocated downward shall be placed on that step in the new grade which results in the least economic loss for the employee, but shall not result in an economic gain.

## ARTICLE 16 VACATIONS

### 16.1 Choice of Vacation Periods

16.1.1 An employee will be granted the amount of his vacation credits accumulated upon completion of the necessary continuous service time set forth in the schedule appearing below, except that if circumstances make it necessary for the Sheriff to limit the number of employees on vacation at the same time, the employee with the greater seniority shall be given his choice of vacation periods in the event of a conflict.

16.1.2 Vacation schedules shall be posted by the fifteenth (15) of September of each year so that employees may make their vacation selections by no later than the first (1) of December of that year. The resulting vacation schedule shall be posted by Management not later than January fifteenth (15) of the following year. Employees may split their vacation periods into the following segments:

a) Except in exceptional circumstances, a maximum of two (2) weeks, ten (10) vacation days, may be scheduled during the months of June, July, and August. Vacation days during this time shall be approved and taken in five or ten day segments. Less than five (5) day segments during the months of June, July and August may be taken under this provision, only upon approval of the Sheriff or designee.

b) Vacation days during months other than June, July, and August, may also be scheduled in advance. Approval will be granted depending upon the staffing requirements of the Department.

16.1.3 Additional vacation, not scheduled per 16.1.2, must be requested by November 1<sup>st</sup>. Vacation not requested by November 1<sup>st</sup> will be forfeited. Employees must request additional vacation days seven days in advance and will be given a seven day notice of approval or denial. Any exceptions to the seven day lead time will be made solely at the discretion of the Sheriff or designee. Vacation will be approved based upon the date of the receipt of the vacation request. In the event of a conflict and the Supervisor is unable to determine which employee submitted his/her request first, approval will be based upon

seniority. An employee will be allowed to use his allotted vacation time in a one hour increment, only upon approval of the Sheriff or designee.

16.1.4 Each employee covered under this contract may carry over up to a maximum of five unused vacation days from the prior calendar year if he/she is required to work during a previously scheduled vacation time, or he/she is out on extended sick leave, and is actually unable to reschedule vacation within the current fiscal year. The request to carry over vacation under this sub paragraph should be presented, in writing, to the Sheriff not later than December 1. Any vacation leave credits carried over will be forfeited unless used by the end of the first quarter of the subsequent year.

16.1.4a An employee off work on 207-c may carry over up to a maximum of ten (10) days of unused vacation leave from the prior calendar year only if the employee is out on 207-c for an extended period of time, and the employee is actually unable to reschedule vacation within the current fiscal year. The request to carry over vacation leave under this sub-paragraph should be presented, in writing, to the Sheriff no later than December 1. However, if the injury occurs after December 1, the employee must notify the Sheriff immediately, and no later than midnight December 31. Failure of the employee to notify the Sheriff in a timely fashion will result in the loss of the unused vacation leave. If the employee is unable to use any or all of the carried over days before the end of the calendar year, the remaining days will be cashed out at the employees current rate of pay up to but not exceeding the maximum number of days carried over. The payment will be made in a separate check after December 1. The unused days may not be carried over into the next calendar year.

16.1.5 Any employee who, because of an emergency situation, is required to work during his scheduled vacation period previously selected, shall be paid at the rate of time and one-half (1-1/2) his regular rate of pay for any part of his scheduled vacation period that he would have taken in no less than one (1) day segments. Such employee shall then be permitted to reschedule that portion of his vacation period with full pay to any future period he may request, mutually agreed to by the Employer and the Employee.

## 16.2 Computation of Time and Pay

16.2.1 Vacation pay shall be calculated as the employee's regular pay in effect for the position the employee holds at the time he takes his vacation, which shall also include any longevity service pay.

16.2.2 All paid leave, including sick leave, personal leave and other leaves of absence where employees receive full pay, shall be considered as time worked in determining vacation credit entitlement. Leaves of absence without pay shall not be counted for vacation credit purposes. Vacation credit shall be earned during necessary absence for injury covered by Workmen's Compensation payments where such absence is less than six (6) months, but shall not be earned for any portion of such absence where the absence is six (6) months or more.

16.2.3 An employee shall not be eligible to earn vacation credits towards the accrual of vacation for any month in which he does not receive compensation from the Employer for at least twenty (20) days. In the event that an employee fails to give the (10) working days notice of termination, he shall forfeit the cash equivalent of one day's vacation pay for each day that the notice falls short of the 10-day requirement. This provision may be waived at the discretion of the Sheriff.

18.1.2 Sick leave may be taken only in the event of sickness which may be defined as illness, bodily injury or quarantine. The first three (3) days of sick leave taken upon any sickness may be compensated without proof of sickness by a physician's certificate. However, consistent with Article 3 (Management Rights) regarding rules and regulations, the Employer shall require the employee's supervisor to confirm authenticity of the illness through home visits, observation and other normal supervisory techniques. In excess of three (3) consecutive work days of paid sick leave, a physician's certificate shall be required. Note: Pass days do not interrupt the calculation of consecutive work days. In the case of protracted sickness, such certificates must be presented at the end of each calendar month of absence. Without regard to the above, a physician's certificate will not be routinely required for absences three (3) days or less due to illness or injury. However, when the Sheriff or designee determines that the employee shall be required to provide medical documentation solely as a result of a review of the employee's attendance record, such requirement shall follow counseling, written notice to the employee and shall commence subsequent to such notice. Furthermore, the Sheriff or his designee may request a physician's certificate when paid sick leave is taken on any day/s which were previously requested and disapproved or when sick leave is taken on a holiday which the employee is scheduled and required to work.

18.1.3 Paid sick leave, from accrued sick leave credits shall also be granted to any female employee while she is actually disabled from performing her job duties as the result of pregnancy and child birth.

18.1.5 In the event the Employer has reason to believe that an employee is no longer able to continue in his regular duties, the Employer may require an examination by a physician selected by the Employer and at its expense. Should a disagreement arise between the Employer's physician and the employee's physician over the fitness of the employee to continue in his job duties, a third physician, mutually agreed upon and selected by the two physicians, shall make the final determination. The full cost of the services of the third physician shall be borne equally by the Employer and the employee.

18.1.6 An employee shall not be eligible to earn sick leave credits toward the accrual of sick leave for any month in which he does not receive compensation from the Employer for at least twenty (20) days. Any loss of leave accruals pursuant to this Article are waived during suspension resulting from a disciplinary action.

18.1.7 Members of this department who repeatedly take sick time will be subject to request by the Sheriff for explanations and physical examinations by the member's physician or a physician designated by the County. 18.1.8 When on sick leave, employees shall not leave his/her home, or place of confinement of official record, except:

1. For the purpose of reporting to, or visiting, a physician for diagnosis, treatment or to a facility specifically designated by the physician for therapy or other services, connected with the employee's illness/injury.

At least forty-eight (48) hours advance notice shall be given of personal leave to the Employer if possible, except that a request to use personal leave in conjunction with consecutive days off shall be made at least seven (7) calendar days in advance and responded to by the Employer at least five (5) days prior to the requested day off. Personal Leave Days not used will be put into the employee's sick leave bank at the end of each contract year.

18.2.3 Personal leave days may be used either the day before or the day succeeding a scheduled vacation for any reasons set forth in Paragraph 18.2.1, but not for the purpose of extending a vacation. For these days, the Sheriff may require evidence that the day is in fact required for the reasons set forth in Paragraph 18.2.1.

MEMORANDUM OF AGREEMENT  
BETWEEN  
THE COUNTY OF GENESEE  
AND  
THE GENESEE COUNTY DEPUTY SHERIFF'S ASSOCIATION

Pursuant to discussions between Genesee County and the Genesee County Deputy Sheriff's Association, regarding the deletion of the titles of Chief Deputy-Criminal, Chief Deputy-Jail, Chief Deputy-Road patrol from the Genesee County Deputy Sheriff's Association Collective Bargaining Unit, mutual agreement has been reached on the following:

When a vacancy occurs within these aforementioned Competitive Class titles, the selection of candidates shall be made in accordance with the Civil Service Laws of New York State from an appropriate Civil Service Eligible List.

Such vacancies shall be filled through appointment from within the Genesee County Sheriff's Department by candidates whose names appear on an established Promotional List. This means an Eligible List established as a result of a Departmental Promotion Exam that contains at least three eligibles willing to take the appointment.

Upon legal exhaustion of the names appearing on the Promotional List a Provisional appointment shall be made from among other departmental employees who have indicated a desire to be considered for the Chief Deputy positions in accordance with the procedures set forth below:

When no Civil Service Eligible List is in existence for the titles of Chief Deputy-Criminal, Chief Deputy-Jail, or Chief Deputy-Road Patrol, an employee of the Genesee County Sheriff's Department shall be selected to fill such position on a Provisional basis. Whenever such job opportunity occurs, a notice shall be posted on the departmental bulletin board for seven (7) calendar days. During such period, employees shall indicate their interest in writing. Seniority shall be considered a factor in the selection of the employee, provided, he/she has the capability to perform the job. Such employee shall undergo a trail period of a minimum of thirty (30) calendar days. If during this period, it is determined that such employee is unable to carry out the responsibilities of the position for which he/she was selected, or the employee voluntarily relinquishes such position, then such employee shall be restored to his former position. Upon the signing of this Memorandum of Agreement, the Deputy Sheriff's Association agrees that effective January 1, 1992, the titles of Chief Deputy-Criminal, Chief Deputy-Jail and Chief Deputy-Road patrol shall be deleted from the DSA Collective Bargaining Unit.
