PREAMBLE

Agreement effective July 1, 2004 by and between the Marlboro Central School District (hereinafter "District") and the SAANYS/Marlboro Educational Administrators Association (hereinafter "Association") governing the terms and conditions of employment of administrators in the bargaining unit.

ARTICLE I - GENERAL PROVISIONS

A. Recognition

1. The District recognizes the Association as the exclusive representative under Article XIV of the Civil Service Law, the Public Employees Fair Employment Act (Taylor Law) for all building level administrative personnel in the District, including, but not limited to principals and assistant principals, and the Director of Technology.

2. The Association hereby affirms that it does not assert the right to strike, nor to assist or to participate in any strike, or to impose an obligation on its members to conduct, assist or participate in such strike.

3. Recognition shall extend to the maximum period provided by law.

B. Dues Deduction

1. The District agrees to deduct from the salary of each Administrator who so authorizes in writing, on an agreed form, dues for membership in the SAANYS/Marlboro Educational Administrators Association, and shall promptly transmit the deductions to SAANYS/MEAA.

2. Deduction authorization shall continue in full force and effect until the Administrator notifies the District and Association in writing of his/her desire to withdraw his/her authorization. This will take effect the second paycheck after being received by the business office.

C. Grievance Procedure

1. A grievance is a dispute involving an interpretation or application of any of the provisions of this Agreement. The term "grievance," however, shall not apply to any matter for which a method of review is prescribed by law or by rule or regulation of the State Commissioner of Education, having the force and effect of law or in any matter which the District is without authority to act, or for failure to recommend probationary Administrators to permanent appointments or the implementation of matters left by this Agreement to the discretion of the Board.

2. A grievance may only be filed by the Association or by a member of a unit defined in the recognition clause.

3. All grievances shall be in writing and shall include the name and position of the aggrieved party, the identity of the provision of this Agreement on which the said grievance is based, a statement of the underlying facts including the dates and alleged events or conditions which constitute the grievance, the identity of the party alleged to be responsible for causing the said events or conditions, if known to the aggrieved party, and a general statement of the nature of the grievance and redress sought by the aggrieved party.

4. No written grievance will be entertained as described below, and such grievance will be deemed waived unless filed at the first step within twenty (20) school days after the occurrence of the act or condition on which the grievance is based.

5. No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board or by any member of the administration against the aggrieved party, any party in interest, or representative, any member of the grievance committee or any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.

STEPS OF GRIEVANCE PROCEDURES

STEP ONE

1. All grievances must be filed with the Superintendent within twenty (20) school days of the complained of act or disputed application of the terms of this Agreement. All Step One grievances must be signed either by the grievant or the Association. Grievances that directly affect more than one Administrator, or the Association as a whole, may be filed at Step Two.

2. Each grievance shall be acted upon by the Superintendent within seven (7) school days of filing.

3. A hearing shall be granted in all cases by the Superintendent within five (5) days after the date upon which the grievance is filed. All parties named in the grievance shall participate. Failure of any party to participate shall not delay the disposition of any grievance. Any disposition of a first step grievance shall be in writing and a copy thereof shall be forwarded to the person filing the grievance. If the grievance was filed by an individual rather than the Association, copies of the disposition shall be forwarded to the Association.

4. Any Administrator may have Association representation at this step if he so desires.

STEP TWO

In the event that the preceding step has failed to resolve the dispute to the satisfaction of the Association, the grievance may be advanced to the Board provided a notice is filed within ten (10) working days. In the event that a Board review is requested, a meeting with the Board or a subcommittee thereof shall be held within three (3) days of the next immediate regularly scheduled board meeting. The Board shall submit its response to the grievance in writing, to the Association, within ten (10) school days after the hearing. No grievance may be brought to this second step except

by the Association.

1. All grievances shall be confidential in nature and no publicity shall be given to any grievance or the use of this process, except by the signed written consent of the grievants, the Association and the District.

2. All matters not covered in the agreement shall be discussed and adjusted through the use of the first two steps of the grievance procedure.

D. Future Negotiations

1. In the event that either party wishes to amend this agreement, proposals shall be submitted no earlier than January 10th and no later than January 25th, unless a later time is agreed to. In any event, the opposite party shall have thirty (30) days therefrom to respond to such demands if it so deems fit.

2. This article shall control the procedure to be followed in the course of negotiating any successor agreement to this Agreement. It shall not come into operation until this contract has expired or the time for negotiating a successor agreement has been commenced by operation of law.

3. The designated representatives of the Board shall meet with the designated representatives of the Association at mutually agreed upon places and times for the purpose of bargaining to reach a mutual understanding and agreement on a contract.

4. All proposals to be negotiated shall be presented in writing by the Association and the Board prior to the commencement of negotiations. There shall be no new proposals after the second session, unless they are the result of prior discussions emanating from the initial exchange.

5. During the course of negotiations, all proposals shall be considered for their substantive nature. Once agreement has been reached that material shall be included or excluded from the contract, the agreement shall then be reduced to writing.

6. The parties may call upon consultants to assist and prepare negotiations and to advise them during negotiating sessions. The expense of such consultants shall be borne by the party requesting them.

7. Both parties shall furnish each other, upon reasonable request, with all available public information pertinent to the issues under consideration.

8. Either party has the unlimited right of caucus any time during the negotiating session.

9. The contract shall be reduced to writing within two (2) weeks of the completion of negotiations.

10. No impasse shall be declared by the District or the Association until all items of the proposal have been considered at the negotiating sessions. Only after consideration of all proposals may either side declare an impasse by notifying the other side in writing that an impasse exists, citing in writing each and every item or proposal over which the impasse exists.

11. The Board shall make available to the Association upon request all available public information, statistics and records, which the Association may deem relevant to negotiations or necessary for the proper administration or enforcement of this contract.

E. Work Year/Summer Vacation

All administrators are 12 month employees who are to work twenty-two (22) days between July 1 and the start of the new school year (day teachers report). Administrators shall report five business days before the start of the new school year. Additionally, administrators shall work two

(2) days, which shall be a minimum of seven (7) hours, either during a school recess or a weekend. The scheduling of the two work days shall be upon the approval of the Superintendent. Each administrator shall be permitted to buy back up to five (5) unused vacation days per year based on 1/240th of the annual salary which shall include any stipends, longevity or other additional earnings of the administrator. Such cash payment shall not be added to the administrator's base salary.

F. Required Meetings

Elementary Administrators shall attend team leader meetings throughout the school year and secondary administrators shall attend coordinator meetings throughout the school year.

ARTICLE II - EVALUATION PROCESS AND ADMINISTRATOR'S RIGHTS

A. All evaluations shall be discussed with the Administrator being evaluated, who shall receive a written copy of the evaluation. The Administrator shall acknowledge that such material has been read by affixing his or her signature on the copy to be filed with the understanding that such signature merely signifies that the evaluation has been read and does not necessarily indicate agreement with its contents.

All such material will be kept in files located with the Superintendent or his designee. An Administrator will be entitled to have a representative of the Association accompany him or her during such review. Only those who have an official right and reason for doing so may inspect an Administrator's file, and said file shall not be open to public inspection except under specific consent by the Administrator and the Association.
- D. Response to Derogatory Material: No material derogatory to an Administrator's conduct, service, character or personality will be placed in his or her personnel file unless the Administrator has had an opportunity to review the material. The Administrator will acknowledge that he or she has had the opportunity to review such material by affixing his or her signature and the date to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The Administrator will also have the right to submit a written answer to

such materials, and his or her answer will be reviewed by the Superintendent and attached to the file copy.

E. Administrators shall be consulted by the Superintendent or his/her designee prior to actions affecting personnel in programs within the building.
