## **ARTICLE II - RESERVATION OF RIGHTS**

### **ARTICLE III -CONDITIONS REGARDING AGREEMENT**

1. It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds thereof, shall not become effective until the appropriate legislative body has given approval.
2. The provisions hereof shall be effective as of July 1, 2004, and remain in effect until June 30, 2008, and from year to year thereafter, unless either party hereto shall notify the other, in writing, on or before February 1, 2008 or February 1 of a subsequent year of their desire to amend or modify same.
3. Should either party timely notify the other of a desire to amend or modify this Agreement as hereinbefore provided, negotiations for a subsequent Agreement shall commence and proceed pursuant to Article IV hereof.

### **ARTICLE IV - NEGOTIATIONS**

1. Designated representative(s) of the District shall meet at such mutually agreed upon places and times with the representatives of the Association for the purpose of effecting a free exchange of facts, opinions, proposals and counterproposals in an effort to reach mutual understanding and agreement. Both parties agree to conduct such negotiations in good faith and to deal openly and fairly with each other on all matters. Following the initial meetings as described above, such additional meetings shall be held as the parties may require to reach an understanding on the issue(s) or until an impasse is reached. Meetings preferably shall not exceed two (2) hours and shall be held at a time other than during the regular school day. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and reach compromises in the course of negotiations.
2. Both parties shall furnish each other, in good faith, available information, except confidential information, which shall enhance the negotiating process.

The parties agree that during the period beginning with the first meeting after the preliminary exchange of proposals, and prior to reaching agreement or the declaration of an impasse, the specific details of the negotiations shall not be released to the general public, except with the approval of both parties. If one of the parties should violate this provision, the other party is free to make public details of the negotiations.

5. When agreement is not reached concerning a specific issue or area, all parties will commit their positions to writing. If agreement still cannot be reached following the exchange of these statements, the issues will be set aside for discussion at a later date.

6. By mutual consent, mediators provided by the Public Employees Relation Board may be used at any time during the negotiation procedure. However, unless waived by mutual agreement, if comprehensive agreement is not concluded by March 1, the parties shall, within two working days, request the Public Employees Relation Board to appoint a mediator or a fact-finder. Such mediation and fact-findings will be governed by the provisions of Article 14, Section 209 of the Civil Service Law.

## **ARTICLE V - ASSOCIATION RIGHTS AND PRIVILEGES**

The employee(s) entitled to such release time will be selected by the Association provided that no more than ten (10) full days of release time will be provided for the entire unit per year of the contract.
12. In addition to the release time provided hereinabove, the District agrees to provide up to two (2) hours per week of release time for the Association President. The Parties agree that there shall be no substitute cost to the District and that such release time shall be non-cumulative and subject to a maximum of 40 hours per year. When possible, the Association will provide 24 hours notice to the district.

2. Seniority. A seniority list shall be maintained by the District and be provided to the Association upon request.

a. Seniority shall remain in effect for each employee until:

a(1). The resignation of the employee or termination of services.

a(2). The employee is discharged and the discharge is upheld, or the non-compliance with a recall to work following an employment release due to a reduction in the work force.

b. Seniority Accrual

Except as may otherwise be provided by the Civil Service Law covering reduction of work force in the competitive class, seniority shall accrue as follows:

As of July 1, 1977, employees hired who work less than one-half of the regular work hours per week for a given job title, as defined in Article VII.1 and Appendix 4, shall accrue no seniority.

c. Seniority by Classification

Seniority shall commence from an employee's first date of regular employment with the District. Such seniority shall be based upon continuous service in a classification with no lapse in service exceeding one year.

All non-paid leave time in excess of thirty days and all layoff time in excess of thirty days shall not be counted for seniority purposes.

3. Provisional Appointments.

Unit members may be provisionally appointed to Competitive Class bargaining unit positions in the Classified Service in accordance with New York State Civil Service Law.

4. Probationary Appointments

Each employee appointed to a permanent position in a competitive, non-competitive or labor class position under NYS Civil Service Law shall serve a six (6) month probationary period.

The District may extend the probationary period for up to an additional six (6) months, providing one (1) month notice of such extension to any such employee together with specific reasons for such extension and specific performance expectations.

Regular represented employees reassigned through the process of promotion to a higher class, to a newly-established position, or to a vacancy in another class, shall be subject to a ninety (90) working day probationary period on the new assignment. At the completion of the ninety (90) working day probationary period, the reassigned employee shall be appropriately appointed to the new classification if they have satisfactorily demonstrated to the District their ability to perform the duties of the new assignment, and they are qualified under the Civil Service Regulations. Should the employee fail to prove their ability to perform the duties of the new assignment, then the employee shall be returned to their former position without loss of rights.

5. Vacancies, New Jobs, Promotions and Temporary Assignments.

When a vacancy occurs in a particular classification, location or work shift, or an opportunity for promotion occurs, notice shall be delivered to the President of the Association. Notices shall also be posted by the District in each job location.

Represented employees desiring to be considered for the posted position shall file written request with the contact person listed on the vacancy posting within ten (10) work days of the posting date.

Merit and ability shall be the criterion for appointment to such position. Other factors being substantially equal, applicants from within the school district will be given first consideration and be given an interview upon request.

Represented employees deemed appropriate by the employer may be assigned to fill vacancies or be temporarily assigned to perform the duties of an employee on leave, or absent for another cause.

When a vacancy occurs, the vacated job may be temporarily filled by a member or members of the unit. However, in the event that a permanent assignment to the vacancy has not been made within ten (10) workdays, the unit member filling the vacancy shall receive the contractual compensation for that job title. At no time will they receive a rate less than their current rate, excluding school monitors (noon hour aides). After such temporary out-of-title job assignment is made, the District agrees to continue such temporary appointment, with the employee receiving the contractual compensation for that job title after the ten workdays, until the vacancy is filled.

In the event an incumbent represented employee is absent from his position for a period exceeding ninety (90) calendar days, the replacement employee may become a permanent employee in the position, if they qualify under Civil Service Regulations and if mutually agreed by the absent incumbent employee and the employer. In the event no agreement is reached at the end of the ninety (90) calendar days, the incumbent employee remains on permanent status, and the entire process may be repeated at the conclusion of the next ninety (90) calendar day period. If no agreement is reached at this point, the employer will resolve the matter.

The posting and bidding provisions of this contract will be used in the filling of vacancies, except that the employer shall have the right to fill non-competitive positions and competitive positions where no Civil Service list is available with persons not currently in the employ of the school District.

6. Reduction, Bumping, Retreat, and Recall

a. Competitive.

In the event of a reduction of work force, provisions of N.Y.S. Civil Service Law regarding bumping and retreat shall apply to the competitive class employees.

Employees shall be laid off in the inverse order of their seniority and be placed on a Civil Service preferred recall list, such list to remain in effect for four years, unless otherwise provided by the Civil Service Law. Once an employee is placed on a recall list, during the month of June each year, they shall notify the Assistant Superintendent for Business in writing of their intention to remain on said list. If the employee fails to so notify the Assistant Superintendent for Business, their name shall be deleted from the recall list and they shall be declared to have terminated their employment with the school district.

When an employee is required to move to another job title in a lower pay grade, in accordance with the procedures herein set forth, credit shall be given for the years of service in the grade from which they are being relocated and their former grades to ascertain their appropriate compensation on the compensation grade scale. In no case, however, shall the rate of pay be greater than that being paid in the displaced grade.

b. Non-Competitive.

Non-competitive employees in job titles to which there is a direct line of promotion who are displaced, may displace employees in the same or next lower occupied title in the same line of promotion who have the least seniority, but only if the displacing employees have greater seniority. Where displacement involves more than one position in a title, the order of displacement will be in the inverse of the original displacement. That is, the most senior employee shall be the first to displace, etc. If an employee refuses to displace the junior employee, they must be laid off. When the next lower title has been occupied by means of displacement, regardless of when displacement into the title occurred, the position is considered occupied for further displacement purposes by another displaced employee with requisite seniority.

Where no lower occupied position in direct line of promotion is available, a non-competitive employee may retreat back to the last permanently held civil service title and displace the most junior employee, if the employee who is retreating has greater seniority. If an employee refuses to displace a junior employee, they must be laid off.

If no position by bumping or retreat is available, an employee may be assigned any available position, which the Assistant Superintendent for Business deems the employee able to perform.

When an employee is required to move to another job title in a lower pay grade, in accordance with the procedures herein set forth, credit shall be given for the years of service in the grade from which they are being relocated and their former grades, to ascertain their appropriate compensation on the compensation grade scale. In no case, however, shall the rate of pay be greater than that being paid in the displaced grade.

Non-Competitive employees shall be laid off in the inverse order of their seniority and placed on a preferred recall list, such list to remain in effect for four years. Employees will be recalled in order of their seniority to the position formerly held, or to another position for which they may be qualified if the position held at the time of layoff is not available. Once an employee is placed on the recall list, during the month of June each year, they shall notify the Assistant Superintendent for Business in writing of their intention to remain on said list and current mailing address. If the employee fails to so notify the Assistant Superintendent for Business, their name shall be deleted from the recall list and they shall be declared to have terminated their employment with the school district.

c. Recall.

Employees who are affected by reduction, bumping, retreat or relocation, shall receive at least fourteen (14) calendar days' notice, or earlier notice when the District knows the employee will be affected, and such notice can be given.

Recall of listed employees laid off by a reduction of work force shall be in order of their seniority from the seniority recall list. Notice of recall shall be by certified mail, return receipt requested, to the last known address.

An employee shall be dropped from the recall list and declared to have terminated their employment with the school district, if they do not respond to the employer within five (5) days after receipt of notice of recall or five (5) days of proof of non-delivery.

Any employee who refuses to return to work to a position for which they are qualified and which position pays at least 80% of their salary at the time of layoff, shall be declared to have terminated their employment with the school district.

d. Return to Rank

Any employee who is reduced in rank and compensation by the procedures herein set forth shall be placed on a promotion preferred list. Employees on this list shall have absolute priority for return to the prior rank and compensation without regard to the posting and bidding provisions for job openings set forth elsewhere in this Agreement.

e. Relocation --Work Site and Shift

Any employee who is displaced from his regular work site and/or shift, in complying with the procedures herein set forth, shall have one opportunity to be relocated to their former work site and/or shift should a vacancy occur and the employee has requisite seniority. Any employee so displaced shall have one opportunity to be reinstated to the regular work site and/or shift from which they were displaced when a vacancy reoccurs. An employee shall have either, but not both of the above opportunities.

f. Ten month employees who are not going to be offered a position for the following September will be so notified by June 30<sup>th</sup>.

7. Resignations.

All non-instructional employees shall be required to give at least two (2) weeks' notice of their intention to terminate their employment with the school district.

8. Use of Part-Time Help.

Subject to the limitations above, the employer may utilize part-time help as substitute for regular full-time employees, who may be absent, or to perform required services of an unanticipated nature, or to augment the regular working staff during peak demand periods.

9. Protection.

It is agreed that in the event a represented employee pursuing his employment with the school district is involved in an occurrence which results in property damage or personal injury, the employee involved will, unless disabled, give immediate notice to his supervisor and thereafter file a written narrative report with the School District Clerk within five (5) calendar days of the occurrence, and provide such other information as is thereafter deemed appropriate by the school district.

10. Bomb Scares, Disasters and Emergencies

It is agreed that in the event of a bomb threat, disaster or emergency, represented employees shall not be required to remain in any area evacuated, in the interest of safety, unless agreed between an affected represented employee and the appropriate supervisor.

In the event particular premises of the school district are evacuated, represented employees shall remain available for reassignment to such other work as is deemed appropriate by the employer for the duration of the emergency situation.

The emergency preparedness plan, available in each facility, delineates procedures to be followed in the event of a bomb scare, disaster or other emergency situation.

11. Uniforms.

When uniforms are required by the school district, they will be provided at school district expense.

In such instance, uniforms and work clothes will be furnished and required to be worn by, all cafeteria, transportation and plant personnel on all days while on duty and schools are in session. Maintenance and laundry of the uniforms will be the responsibility of the employees. The plant maintenance mechanics will be furnished one pair of coveralls per year. Uniforms are not to be worn on days when employees do not render service.

## 12. School Calendar

The Superintendent will meet annually, prior to March 1, with a Committee, including two (2) members appointed by the Association, to study and review the existing school calendar and to make suggestions for the following year. Having received suggestions of the Committee, the Superintendent will confer with the Administrative staff, surrounding districts, BOCES and area private and parochial schools and will meet again with the Committee for further recommendations before preparing such recommendations to be submitted to the Board of Education for adoption.

## 13. Medical Examinations

Any unit member required to have a medical examination and/or chest x-ray as a requirement of their employment will have such examination performed by a school physician without charge. The dates and places of such examinations are to be made at the discretion of the school district, but if such examinations are held during working hours, employees will not suffer any loss of time.

### 1. Personal Illness and Family Illness

Any such extensions or additional time shall be deducted from sick leave and shall be conditioned on satisfactory performance of the employee.

## 2. Bereavement Leave

Regularly employed personnel will be granted an annual leave of five (5) days to be used in the event of death in the immediate family. Such leave is not to be deducted from sick leave and is not to be cumulative. In the event any employee has used all five (5) days of this leave and other deaths occur in the immediate family, additional leave may be granted at the discretion of the Assistant Superintendent for Business. a. Regularly-employed personnel shall be granted time necessary to serve as required on Jury Duty with payment of their regular salary for such service not to include money received as payment for jury duty for up to 10 days per contract year. Any additional time off shall be with payment of their regular salary, less the amount of money received as payment for jury duty, except in the case of unit personnel who receive a salary less than the compensation provided by jury duty. In such cases, when compensation for jury duty is received, the employee shall reimburse the School District for salary received during the period of jury duty which shall be verified by the jury duty voucher.

b. Regularly-employed personnel subpoenaed to appear before a court or any agency with the power of subpoena shall be granted leave with pay for the necessary time. The subpoena, or its copy, must be presented to the Assistant Superintendent for Business. If the employee is a party to the proceeding, they may have leave without pay, in the event they have no available personal leave time remaining.

c. If jury duty or court appearance is cancelled, adjourned, postponed or not required for any reason for the full or partial day, the employee will telephone the department supervisor as soon as the employee knows of the change and arrange to report to work at the earliest time.

## 4. Personal Leave.

Each employee at his/her own discretion, without submitting a reason to the employer, will be granted three (3) days of personal leave annually. Except in the case of emergency, the employee shall notify his/her supervisor five (5) days in advance of the leave date. Personal leave will not be used for the first or the last day of the school year, or the day immediately preceding or following a holiday or holiday period, except in the case of an emergency, as determined by the Assistant Superintendent for Business. No personal leave may be used in combination with unpaid leave to extend a recess period. No more than two personal leave days may be used consecutively except as allowed by the Assistant Superintendent for Business. Personal leave days will not be cumulative, will not be deducted from the employee's sick leave, and will be granted without salary deduction. Personal leave shall be taken in not less than one hour multiples.

One day of unused personal leave may be utilized, at the option of the employee, to participate in the sick leave bank in accordance with Section 13. Any unused personal leave not designated for the sick leave bank will be added to the employee's cumulative sick leave.

5. Maternity Leave

Maternity Leave shall be granted without pay for a period not to exceed one year from the commencement of leave.

6. Other Leaves.

An employee shall be granted an extended leave of absence without loss of position for a period not to exceed six months for reasons of personal illness upon receipt of a written statement of a physician stating the need for same. In the discretion of the employer, additional leave may be granted for personal illness. The leave referred to in this paragraph shall be without pay.

7. Return From Leave of Absence

Any employee on approved leave of absence in excess of one month shall notify their immediate supervisor of the date they intend to return to service 15 days before the termination of the leave, unless such leave of absence is a period exceeding four (4) months, in which case the employee shall notify their supervisor of their intention to return to service thirty (30) days before the expiration of leave.

8. Restoration of Benefits

All benefits to which the employee was entitled at the time their approved leave of absence commenced, including unused cumulative sick leave, shall be restored to the employee at the time of their return to employment.

9. Use of Paid Leave

In the event any employee uses paid leave for any purpose other than as defined in this contract, they will be subject to discipline, which may include loss of leave pay and suspension for an equivalent period of time, but not less than one day.

The immediate supervisor or the School District Assistant Superintendent for Business or his assistant shall confer with an employee where a claimed violation of the above paragraph occurs or where the use of leave appears excessive or abused. A report of the conference shall be filed with the Assistant Superintendent for Business for the employee's personnel file. The employee has the right to respond in writing. After said conference whenever a regular employee is absent from work for reason of illness on the day immediately preceding or following a holiday or holiday period, or for three (3) consecutive days or for frequent illnesses, the employee may be required to furnish a doctor's statement certifying as to the illness, whether their own or in their family, and any expenses for said doctor's statement will be paid by the employer, and the employee will provide any necessary authorization.

10. Emergency Days

When schools are closed due to inclement weather, clerical, custodial maintenance personnel and garage mechanics are expected to report to work. Cafeteria employees and bus drivers are not expected to report to work.

Full recognition exists that conditions severe enough to close schools will create hardships and danger for personnel coming to work. It is not the intention of the Board of Education or administration that the employees should jeopardize their personal safety. Efforts to report to work should be governed by good judgment and if the decision is made not to report to work, and such absence is not charged against any available personal leave day, there will be a loss of pay by the employee unless, at the discretion of the department supervisor, the time the employee was absent from work is made up during the current pay period or the pay period immediately following.

If the Board declares a non-used snow day to be a day off, members of the bargaining unit who were required to be at work in accordance with the first paragraph of this provision, shall be given this day off with pay.

11. Absence Notification

If a regular employee fails to report to work at the beginning of the work period and fails to notify the employer that they will be absent or late, and if a substitute has been engaged to do their work, the regular employee will not work that day and will lose the day's pay. If the employee presents an acceptable reason, the time lost may be charged against any available personal leave, or if absence qualifies for any other type of leave, such leave will be granted if substantiated.

12. Absent Without Leave

An employee absent from work without authorization pursuant to the provisions herein contained or notification by the employee to the District for ten (10) or more consecutive work days shall be deemed to have resigned from their position if they have not provided a satisfactory explanation for such absence on or before the eleventh (11th) work day following the commencement of such unauthorized absence. This procedure shall be in lieu of the disciplinary procedures prescribed under this contract or by Civil Service Law. Any action taken pursuant to the provisions herein contained shall require notice to the employee by the District. Such notice shall be in the form of a registered letter to the last known address of the employee on file with the business office. This provision shall not apply to any employee on an authorized, unpaid leave.

13. Sick Leave Bank

A sick leave bank is hereby established for full-time employees who are physically disabled for an extended period during the school year.

Such bank shall be made up of personal leave days provided under Article VIII, paragraph 5, that remain unused by employees at the close of each school year.

In order to participate in the bank, employees must have at least one personal leave day remaining at the end of such school year. The bank shall thereafter be replenished by sick leave days as it may be diminished through use, up to the prescribed maximum of 200 days. Effective July 1, 2005 a compulsory lottery list of all participating members will be created in a random fashion as mutually determined by the Association and the District. As new members enter the program, their name will be added to the bottom of the list. On a routine basis (month of December) the number of hours needed to maintain the bank at the 1500 hours will be charged to members, at the rate of one day per member, on a rotating basis, using this list. Part-time employees may join the plan with an equivalent contribution of not less than four (4) hours to the bank.

The granting of such extended leave benefit shall be subject to the following conditions:

- a. The employee's accumulated sick leave is exhausted.
- b. The employee satisfies a five (5) unpaid working day waiting period after exhaustion of the accumulated sick leave.
- c. The employee provides medical evidence acceptable to the District of the extended nature of the disability. The District may require an examination by another physician.
- d. Individual withdrawals shall be limited to the equivalent number of accumulated sick leave days in the employee's account at the beginning of the school year during which the onset of the disability occurs.

The District reserves the right to withhold such extended leave benefit when:

- e. The employee cannot continue to provide medical evidence acceptable to the District of the continuation of the disability when requested to do so by the District.
- f. The employee may qualify for disability retirement under either any public retirement system or social security.

14. Any ten-month employee, who is employed during the summer, can charge up to 2 days of leave for any valid reason currently provided in the contract. Said charge shall be against any accrued sick leave.

## ARTICLE XI - RESOLUTION OF DIFFERENCES

### 1. Grievance Procedure

The following is the grievance procedure established by the Board of Education and the Bethlehem Central United Employees Association of the Bethlehem Central School District:

It is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to grievances of employees through procedures by which the Board of Education and its non-instructional employees are afforded adequate opportunity to dispose of their differences without the necessity of time-consuming and costly proceedings before administrative agencies or in the courts.

Except for disciplinary action, due process under Article V.2, where a represented employee elects to resolve a grievable issue by judicial or administrative proceedings other than the grievance procedure herein provided, then grievance proceedings, other than initiation of same shall be suspended pending the conclusion or termination of such other action or proceeding. Where a binding judicial or administrative determination on a grievable issue is made in such judicial or administrative proceeding other than the grievance procedure herein, the grievance procedure shall be deemed waived and concluded in accordance with the judicial or administrative determination made. Otherwise, nothing shall be deemed a waiver of the rights of grievance, should a represented employee elect to so proceed.

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

It is agreed that if the school district receives a complaint that could negatively affect evaluation of job performance or the opportunity for advancement of an employee, the employee involved shall be advised of the complaint by the School District and be given an opportunity to confer with appropriate supervisory personnel about the complaint and make such response as the employee deems appropriate to protect their employee record.

### 2. Right of Grievance

A grievance proceeding may be initiated by a permanent employee or their representative. Every employee has the right to present their grievance personally or through their representative in accordance with the procedures established herein.

### 3. Definition of Grievance

Grievance shall mean a claimed violation, misinterpretation or inequitable application of the terms of this Agreement, or, upon completion of a six (6) month probationary period as provided herein, a claim by a represented employee that they have been reduced in rank, disciplined, discharged, or suffered a loss of compensation without just cause. In the event that such employee's probationary period has been extended as provided herein, the inclusion provided hereinabove shall be extended to coincide with the duration of the probationary period.

#### 4. Procedures

a. All grievances after Step 1 shall be in writing on the standard form, a copy of which is attached hereto, and shall include the name and position of the aggrieved party, a general statement of the nature of the grievance and the redress sought by the aggrieved party. A grievance shall be signed by the aggrieved party or on behalf of the aggrieved party by an Association representative acting under the authority of the Association.

b. Except for informal decision at Step 1, all decisions shall be in writing, dated, and signed at each Step of the grievance procedure. Each decision shall be transmitted to the employee, the Association and the Superintendent within three days of the date of decision.

c. If, in the opinion of the Association, a grievance affects a group of employees and appears to be associated with Department-wide or System-wide policy, it may be submitted by the Association directly at Step 2.

d. If a grievance is related to discharge or suspension, it shall commence at Step 1.

e. The Board of Education and the Association agree to facilitate any investigation which may be required concerning an alleged grievance.

f. An aggrieved party and any other party in interest shall have the right at all formal steps of the grievance procedure to confront, examine and cross-examine all witnesses, to testify, and to call witnesses.

g. Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with a supervisor or any member of the administration and having the grievance informally settled without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement. In the event that a grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, it shall not create a precedent or ruling binding on either of the parties to this Agreement in future proceedings.

h. The Superintendent shall be responsible for accumulating and maintaining an Official Grievance Record, which consists of the written grievance, all exhibits, transcripts, communications, minutes and transcribed notes of testimony, written arguments and briefs and all written decisions. The Official Grievance Record shall be available for inspection by the aggrieved party, the Grievance Committee and the Board, but shall not be deemed a public record.

i. Since it is important to good relationships that grievances be processed as rapidly as possible, every effort shall be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.

j. If a decision at one step is not appealed to the next step of the procedure within the time specified, the grievance will be deemed to be discontinued and further appeal under this Agreement shall be barred.

k. The parties agree to abide in good faith to the final determination under this procedure.

l. A grievance shall be deemed waived unless it is submitted within fifteen days (15) after the aggrieved party knew or should reasonably have known of the events or conditions on which it is based.

## 5. Four-Step Grievance Procedure

### Step 1

An employee must first present their grievance to their department supervisor. The grievance may be stated verbally or given in writing. There should be an informal, comprehensive discussion of the employee's grievance. Every attempt should be made by the employee and their supervisor to settle the grievance. Once a grievance has been received, the supervisor shall provide for a complete review and decision within five (5) days. If the grievance is not satisfactorily determined, the employee may appeal to the general supervisor within five (5) days, as set forth in Step 2.

### Step 2

The aggrieved or their representative shall set forth their grievance fully in writing, signed and filed with the department supervisor and the Assistant Superintendent for Business, as shown on the schedule attached.

The Assistant Superintendent for Business shall investigate all matters relating to the grievance and conduct a hearing within ten (10) days after receipt of the appeal. All parties shall cooperate with the investigation and work for a satisfactory solution. The decision shall be given in writing within fifteen (15) days after the hearing. Signed copies of the decision shall be given to all parties.

### Step 3

If the grievant feels the decision at the conclusion of step 2 is not satisfactory, the grievant may submit the grievance to the Grievance Committee for its consideration for a Step 3 hearing. If the Grievance Committee decides that the employee has a grievance of merit, it shall within 15 days of receiving the decision at Step 2, appeal in writing to the Board of Education. Upon receipt of such appeal, the Board shall conduct a hearing within fifteen (15) days of the regular Board meeting following receipt of the appeal. The decision of the Board of Education shall be written and shall be communicated to the parties within fifteen (15) days from the date of the hearing or the receipt of the transcript of the hearing, if one is taken, and copies of the decision will be filed with the other records of the proceeding.

#### Step 4

If the grievant feels the decision at the conclusion of Step 2 or at the conclusion of Step 3 is not satisfactory, they may submit the grievance to the Grievance Committee for its consideration for arbitration.
