### GRIEVANCE PROCEDURE

It is the declared objective of the parties involved in this contract to encourage the prompt and informal resolution of employee complaints as they arise and to provide recourse to orderly procedures for the satisfactory adjustment of grievances in accordance with the following procedures.

- A. Definition of Grievance: A grievance shall mean any claimed violation, misinterpretation or inequitable application of the various provisions of this negotiated Agreement.
  
- B. Should a grievance be claimed, there shall be no suspension of work on the part of either party on account of such grievance, but an earnest effort shall be made to settle such differences immediately in the manner described in the following paragraphs.
  - 1. The aggrieved person shall present the grievance, in writing, to the Director of Pupil Services, who shall discuss the matter forthwith. If, after initial discussions, the person wishes to be accompanied by a representative for further discussions, such request shall be granted. The immediate supervisor shall render a determination in writing to the aggrieved person within three (3) school days after the grievance has been discussed by the parties concerned. If such grievance is not satisfactorily resolved at this stage, the aggrieved person may appeal in writing to the Assistant Superintendent for Administration & District Services within five (5) school days of receipt of

the immediate supervisor's decision. The appeal shall set forth the nature of the grievance and alleged violation.

2. The Assistant Superintendent for Administration & District Services shall meet with the aggrieved and his representative within five (5) school days of receipt of the appeal. The Assistant Superintendent for Administration & District Services shall have ten (10) school days from receipt of the appeal to render a written determination of his findings.
3. If the grievance is not satisfactorily resolved at this stage, it may be forwarded for resolution by the Joint Committee on Grievance. The Joint Committee shall consist of two (2) persons each designated by the Assistant Superintendent for Administration & District Services and the Association. The Joint Committee shall, within fifteen (15) days of receipt of the written grievance, render its decision.
4. If the Joint Committee is unable to agree, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association.

The selected arbitrator will hear the matter promptly and will issue his decision not later than fourteen (14) calendar days from the date of the close of the hearing, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues. Such decision shall be advisory only and shall not be binding upon either party.

The arbitrator shall have no power or authority to make any recommendation which suggests the commission of an act prohibited by law or which is violative of the terms of this Agreement.

The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the District and the Association.

5. If the recommendations of the arbitrator are not acceptable to either party, an appeal may be made in writing to the Board of Education within fifteen (15) days after receipt of the advisory arbitrator's decision.

Within thirty (30) days after receipt of an appeal, the Board of Education shall hold a hearing on the grievance. The hearings shall be held in executive session. The grievance record and the decision of the advisory arbitrator shall be available for the use of both parties.

Within fifteen (15) school days after the conclusion of the hearing, the Board of Education shall render a decision, in writing, on the grievance. In reaching its determination, the Board will give careful consideration to the grievance record and recommendations of the arbitrator. Such decision shall be final and binding on all parties.

6. No reprisals of any kind shall be taken by either party or by any member of the Administration against any party in interest or participant in the grievance procedure by reason of such participation.
7. Failure at any step to communicate a decision within the specified time limit shall permit the aggrieved to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.
8. The sole remedy available to any employee for any alleged breach of this Agreement shall be pursuant to the grievance and arbitration procedure, provided, however, that nothing contained herein shall deprive any employee of any legal rights which she presently has.

## ARTICLE 19
