- 1.1 The Worcester Central School District recognizes the Worcester Central Non-Teaching Personnel as the exclusive negotiating agent for all non-teaching personnel, including, but not limited to, custodians, cleaners, mechanics, mechanic helpers/drivers, registered nurses, food service workers, food service helpers, secretaries, aides, bus drivers, bus monitors, receptionists, bus attendants, teacher aides, school monitors and excluding the Superintendent of Schools, the building principal(s), head custodian, the cafeteria manager, transportation supervisor, and all other District employees.
- 1.2 Long Term Substitutes appointed by the District to serve ninety (90) or more consecutive days in a unit position shall be added to the unit effective upon ratification of the 2002-2006 agreement.
- 1.3 The Worcester Central School District agrees not to negotiate with any other organization for the duration of this agreement.

Article 2 GRIEVANCE PROCEDURE

2.1 Declaration of Purpose:

2.1.1 WHEREAS, the establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its non-teaching employees is essential to the operation of the School, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of these employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the Board of Education (hereinafter sometimes referred to as the Board) and its non-teaching employees are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

2.2 Definitions

- 2.2.1 A Grievance shall mean any violation of this agreement or any dispute with respect to its meaning or application; and which is in compliance with this grievance procedure.
- 2.2.2 The term Supervisor shall mean any supervisory officer responsible for the area in which an alleged grievance arises, except for the Chief Executive Officer.
- 2.2.3 The Chief Executive Officer is the Superintendent of Schools.
- 2.2.4 Association shall mean the Worcester Central School Non-Teaching Personnel.

- 2.2.5 Aggrieved Party shall mean any person, group of persons in the negotiating unit, or the Worcester Non-Teaching Personnel Association filing a grievance.
- 2.2.6 Party in Interest shall mean any party named in a grievance who is not the aggrieved party.
- 2.2.7 Hearing Officer shall mean any individual or board charged with the duty of rendering decisions at any stage on grievances hereunder.
- 2.2.8 Days shall mean days school is in session except that between July 1 and August 31 it shall mean days other than Saturday, Sunday, or a legal holiday.

2.3 Time Limits:

- 2.3.1 Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.
- 2.3.2 No written grievance will be entertained as described below, and such grievance will be deemed waived unless the written grievance is forwarded at the first available stage within thirty (30) days after the unit member knew or should have known of the act or condition on which the grievance is based.
- 2.3.3 If a decision of one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement shall be barred.
- 2.3.4 Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, his/her representative and the Association within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated on the final day.
- 2.3.5 Under no circumstances will an alleged grievance occurring within the last thirty (30) days of the school year be set aside until the following year, except by mutual consent.

2.4 Stage 1: Supervisor

- 2.4.1 A non-teaching employee having a grievance will discuss it with his supervisor, either directly or through a representative, with the objective of resolving the matter informally. The supervisor will confer with all parties in interest but, in arriving at his decision, will not consider any material or statements offered by or on behalf of any such party in interest with whom consultation has been had without the aggrieved party or his

representatives present. If the employee submits the grievance through a representative, the employee may be present during the discussion of the grievance.

2.4.2 If the grievance is not resolved informally, it shall be reduced to writing and presented to the supervisor. Within five (5) school days after the written grievance is presented to him, the supervisor shall, without any further consultation with aggrieved party or any party in interest, render a decision thereon, in writing, and present it to the employee, his representative and the Association.

2.5 Stage 2: Chief Executive Officer (Superintendent)

2.5.1 If the employee initiating the grievance is not satisfied with the written decision at the conclusion of Stage 1 and wishes to proceed further under this grievance procedure, the employee shall, within five (5) school days, present the grievance to the Association Grievance Committee for its consideration.

2.5.2 If the Grievance Committee determines that the employee has a meritorious grievance, then it will file a written appeal of the decision at Stage 1 with the Chief Executive Officer within ten (10) school days after the employee has received such written decision. Copies of the written decision at Stage 1 shall be submitted with the appeal.

2.5.3 Within ten (10) school days after the receipt of the appeal, the Chief Executive Officer, or his duly authorized representative, shall hold a hearing with the employee and the Grievance Committee or its representative and all other parties in interest.

2.5.4 The Chief Executive Officer shall render a decision in writing to the employee, the Grievance Committee and its representative within five (5) days after the conclusion of the meeting.

2.6 Stage 3: Board of Education

2.6.1 If the employee and the Association are not satisfied with the decision at Stage 2, the Grievance Committee will file an appeal in writing with the Board of Education within fifteen (15) school days after receiving the decision at Stage 2. The Official Grievance record maintained by the Chief Executive shall be available for the use of the Board of Education.

2.6.2 Within fifteen (15) days after the receipt of an appeal, the Board of Education shall hold a hearing on the grievance. The hearing shall be conducted in executive session.

2.6.3 Within ten (10) school days after the conclusion of the hearing, the Board of Education shall render a decision, in writing, on the grievance.

2.7 Stage 4 Arbitration:

- 2.7.1 In the event the Association is not satisfied with the decision rendered at Stage 3, the Association may file a demand for arbitration with the American Arbitration Association or the New York State Employment Relations board within ten (10) days after receipt of the decision at Stage 3.
- 2.7.2 Within ten (10) days after submission to arbitration, the Association or the Board of Education will notify the American Arbitration Association of the alleged grievance and request the services of an arbitrator. Both the aggrieved party and the Board of Education will be bound by the rules and procedures of the arbitration group selected.
- 2.7.3 The arbitrator will hear the matter promptly and will issue his/her decision, if possible, not later than twenty (20) calendar days from the date of the close of the hearings or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions of the issues.
- 2.7.4 The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have only the power to interpret what the parties to the agreement intended by the specific clause in the agreement which is at issue. Effective July 1, 1999, the decision of the arbitrator shall be final and binding on the parties.
- 2.7.5 The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board of Education and the Association.

In the month of July and August, the Superintendent will inform the President and Vice-President of such postings by the most expedient means. Temporary needs shall not be subject to postings. However, the Board will make the final decision for the best of the school district by appointing the best qualified candidate. Applicants for a job will be notified, in the final interview or at time of job offer, of the starting salary and/or step at which they will be appointed.

Article 16 SALARY INFORMATION

- 16.1 Salary increases for returning bargaining unit members shall be according to the 2006-2010 salary schedules. (See Appendix A)

- 16.3 The District will not count paid vacation, personnel business days, holidays, snow days in calculating hours worked for the purpose of overtime compensation.

17.1.3 The longevity payments for consecutive years of service to Worcester Central School shall be based on the total number of hours of service to the District, not based on the number of hours in a certain position.

Article 18 MISCELLANEOUS

18.1 New employees hired (effective July 1, 1992) will be given full credit for prior service within the district if they return within one (1) year of last employment. If more than a year, they lose seniority rights. Experience with other employers may be considered by the Superintendent, but no one will be hired above step 5, with consultation of the President of the WNTF.

18.2 Any employee covered by this agreement who needs to pass a physical examination to hold his/her position will have a maximum of two (2) weeks use of accumulated sick leave (once per year) until he/she is medically cleared to return to his/her position. Any employee who experiences extenuating circumstances can petition the Superintendent and Board of Education with a physician's report to extend the use of more accumulated sick days.

18.3 Employee break time is allowed but needs to be on school premises unless cleared with supervisor.

- 18.4 Any employee who works 4½ hours per day will be given a paid 15-minute break.
- 18.5 Mechanic Helper/Driver and Mechanic shall be allowed a 6 weeks flex schedule in the summer months of 10-hour days. This schedule will be piloted for the 2002 summer months. If the Superintendent and WNTP President deem it successful, it will continue as a provision in the contract.
- 18.6 The District will provide a tool allowance of \$75 per year for the mechanic as well as the assistant mechanic.
- 18.7 An employee will be allowed to flex the time worked on a called snow day. This does not diminish the length of the workday.

Article 19 ANNUITIES

- 19.1 At the initiation of a member of this unit, the District will enter into an agreement with a company(s), mutually approved by this unit and the District, to purchase a Tax Sheltered Annuity. The District serves only to deduct and forward the amount of money agreed to by the Company and the unit member and will not be responsible for the performance of the annuity. The District is held harmless by the employee from any loss and/or omissions incurred by the unit member. The employee may have more than one annuity, but is limited to have agreements with only the companies approved by this unit and the District. The number of companies approvable is limited to five (5).

Article 20 BUILDING SECURITY ON WEEKENDS

The following points shall be followed:

- 1. Head custodian shall establish and maintain a rotating list of all maintenance staff required to check building security on weekends. The process will be as follows:
 - a. A volunteer list will be exhausted by order of seniority first.
 - b. If the list is not filled with the above process, the remaining positions will be mandated in reverse order of seniority to fill the remaining openings.
 - c. This requirement need not be covered by the maintenance staff member if he/she is able to find a substitute to cover the security check.
- 2. The rotating list shall be comprised as follows: Maintenance Staff
- 3. No person on the rotating list shall be required to work on a Saturday and the following Sunday.
- 4. Persons on the rotating list may elect to receive overtime compensation, if eligible, either in the form of overtime pay or compensatory time off.

5. Compensatory time off is deemed to be one hour of paid off duty time for each hour of overtime. A maximum of 24 hours will be allowed for compensatory time accumulation. Hours accumulated after that must be paid in overtime (one and one half times pay). All compensatory time earned in a school year must be used in the same school year. Employees will be paid overtime compensation for compensatory time earned and not used in the school year.
6. If an emergency arises, or under similar extenuating circumstances, persons on the rotating list may switch assignments with the approval of the Superintendent or his/her designee.
7. The rotating list shall be made available to each person on the list two weeks prior to the first of each month.
8. Each Saturday and each Sunday security inspection shall be considered to be not less than 100 minutes. Total duration for both combined.
9. Additional overtime, if required and approved by the Superintendent and/or his/her designee, shall be compensated as described in stipulation number 4 above.

Article 21 EVALUATION
