PREAMBLE

AGREEMENT MADE AS OF December 3, 2007, between the Board of Education of Fallsburg Central School District ("District") and the Civil Service Employees Association, Inc., Local 1000, AFSCME, AFL-CIO, Fallsburg School Cafeteria Unit, Sullivan County Local #853 ("Union").

ARTICLE 1 **RECOGNITION**

- A. The District recognizes the Union as the sole and exclusive bargaining representative for all non-teaching, food service personnel. The Food Service Manager will be excluded from the bargaining unit.
- B. The District shall deduct from the wages of bargaining unit employees and remit to the Civil Service Employees Association, Inc., 143 Washington Avenue, Albany, New York 12210, or its designated agents, regular membership dues, or agency shop fees and other authorized deductions (i.e., CSEA insurance programs, and CSEA P.E.O.P.L.E. Fund) for those employees who have signed the appropriate payroll deductions authorization(s) permitting such deductions. Agency shop fees shall be remitted in a check separate from the check for deductions from members.
- C. All masculine pronouns appearing herein are used in their generic sense, and are intended to mean and shall be construed as referring to either or both sexes, as appropriate in context.
- D. The CSEA will indemnify and save the District harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the District in reliance upon dues deductions authorization cards furnished by the employees and/or CSEA, and agency fee deductions.

ARTICLE 2 **MANAGEMENT RIGHTS**

The Union recognizes and acknowledges that the District has exclusive rights with regard to all wages, benefits, and working conditions, including but not limited to hire, assignment, duties, work schedules, overtime, promotions, transfers, leaves, and termination of

employees' services, except as otherwise abridged, terminated, or modified by the Agreement.

ARTICLE 3

WORK SCHEDULE

- A. The workweek for bargaining unit employees shall be Monday through Friday.
- B. Each bargaining unit employee shall be scheduled to work either 6.5 hours, 4.5 hours, or 3.5 hours per day on a regular basis. The District shall not change an employee's regular work schedule without providing the Union with notice of the planned change and an opportunity to comment. Such notice shall not be required for temporary assignment.
- C. The work year shall be that period which employees are scheduled to work between September 1 and June 30. If the State requires the school year to begin prior to September 1, cafeteria staff will be available to work those days. Employees will be scheduled at least 180 workdays.
- D. Bargaining unit employees are considered ten-month employees.
- E. Bargaining unit employees who report to work (because they have not been notified that classes are cancelled) on a day when classes are canceled, will be paid for the hours they were scheduled to work. District notice of cancellation of classes shall be made by telephone as soon as closing has been determined. Appropriate current telephone numbers and current address where the employee may be notified must be supplied by the employee to the Cafeteria Manager at the beginning of the work year. The Cafeteria Manager must be notified immediately of any changes in phone number or address.

ARTICLE 4

OVERTIME

- A. Overtime pay shall be provided for hours worked in excess of forty (40) in a week. The District shall use its best efforts to distribute the availability of overtime work equitably among all qualified bargaining unit employees.
- B. There shall be no discrimination against any bargaining unit employee for declining to work overtime.

- C. Overtime shall be paid at the rate of time and one-half per hour.
- D. Effective July 1, 1998, employees required to work special events which occur outside of their normal work hours will receive a minimum of 4 hours pay.

ARTICLE 5
VACANCIES AND PROMOTIONS

- A. All vacancies in bargaining unit positions shall be posted in every school building, clearly setting forth a description of and the qualifications for the position and salary range. Additionally, the unit president will be given a copy of the postings. The postings will be displayed no later than one week prior to the fill date of the vacancies.
- B. Bargaining unit employees who desire to apply for such vacancies shall submit their applications in writing to the Superintendent or his designated administrator, with a copy to the appropriate building administrator.
- C. All appointments to the aforesaid vacancies and openings shall be based on qualifications and relevant experience. When in the good faith judgment of the District, qualifications and relevant experience are equal, seniority shall be the determining factor.

ARTICLE 6
DISCIPLINE AND EVALUATION

- A. Any non-probationary bargaining unit employee subject to disciplinary action for misconduct or incompetence shall receive written notice of such action. Such notice shall contain a description of the acts and conduct for which discipline is to be imposed. If a bargaining unit employee thinks he has been disciplined without just cause, or if the penalty is inappropriate, he may file a grievance in accordance with Article 7.
- B. Each school year the Food Service Manager shall conduct at least one written evaluation of the job performance of each bargaining unit employee.

ARTICLE 7
FORMAL GRIEVANCE PROCEDURE

For the purpose of this Article "school days" shall mean those days when school is actually in session.

Stage 1: Food Service Manager

- A. A bargaining unit employee having a grievance will discuss it with the Food Service Manager, either directly or through a representative, with the objective of resolving the matter informally, within twenty (20) school days of when the bargaining unit employee knew or should have known that the issue was a matter covered by the grievance procedure. The Food Service Manager will confer with all parties in interest. If the grievant submits the grievance through a representative, the grievant may be present during the discussion of the grievance.

- B. If the grievance is not resolved informally, it shall be, within ten (10) school days from the attempt to resolve it informally, reduced to writing and presented to the Business Official and/or District Treasurer who shall render a decision thereon, in writing, and present it to the grievant or his representative.

Stage 2: Chief School Officer:

- A. If the grievant is not satisfied with the written decision rendered pursuant to Stage 1 and wishes to proceed further under the grievance procedure, he shall, within five (5) school days, present the grievance to the Union's Grievance Committee for its consideration.

- B. If the Grievance Committee determines that the grievant has a meritorious grievance, may file a written appeal of the decision at Stage 1 with the Superintendent of Schools within ten (10) school days after the grievant has received such written decision. Copies of the written decision at Stage 1 shall be submitted with the appeal.

ARTICLE 8
COMPATIBILITY WITH LAW

- A. The Union and the District recognize that strike and all other forms of work stoppage by bargaining unit employees are contrary to law and public policy. The Union and the District subscribe to the principle that differences shall be mutually resolved by peaceful, professional, and appropriate means without interruption of the school program. The Union, each of its members, and all members of the bargaining unit therefore agree that there shall be no strike, work stoppage, or any other refusal to perform work by bargaining unit employees, nor shall the Union in any way encourage, instigate, or condone such action.

- B. If any provision or term of the Agreement shall be finally deemed by a court of competent jurisdiction to be contrary to law, then such provision or term shall not be applicable, except to the extent permitted by law. All other provisions and applications shall continue in full force and effect.

ARTICLE 9
UNION RIGHTS

- A. The Union shall have the right to post information and notices on a designated bulletin board in the kitchen work area.

- B. The offices and agents of the Union shall have the right to visit the District's facilities for the purpose of adjusting grievances and administering the terms and conditions of this Agreement.

- C. Any bargaining unit employee who is designated or elected for the purpose of adjusting grievances or assisting in the administration of this Agreement and who is identified to the District by the Union as having been designated or elected for that purpose shall be permitted a reasonable amount of time free from his regular duties to fulfill these obligations. No more than one bargaining unit employee may be designated for this purpose at any one time.

ARTICLE 10
LEAVE PROVISIONS

A. Sick Leave

1. Each bargaining unit employee shall be granted fifteen (15) days each year for personal illness. "Personal illness" shall include the illness of a child, parent, or spouse. Routine local health and dental examination of the bargaining unit employee which can be scheduled in advance shall not be deemed a "personal illness." Sick leave may be extended with the permission of the Superintendent of Schools for prolonged illness, but without pay. Sick leave shall be cumulative up to 180 days.
2. The District may require a medical certificate for any sick leave taken of more than three (3) consecutive days.
3. Effective July 1, 2007, the District shall pay employees, upon retirement, \$23.00 for each day of their accrued sick leave. Effective July 1, 2008, \$27.00 and effective July 1, 2009, \$30.00 for each day of their accrued sick leave.

B. Personal Leave

1. All bargaining unit employees are entitled to two (2) personal days per year. Unused personal days shall be added to the employee's accumulated sick leave, subject to the maximum sick leave for 180 days.
2. Personal leave may be taken only for personal business that cannot be transacted except during the employee's working day. Such leave shall be granted provided the employee notifies the School Lunch Manager in writing three (3) days in advance, or as soon as the employee knows of his need for such leave.
3. Personal leave may not be taken on the last school day before or the first school day following holidays or vacation periods without the approval of the Superintendent of Schools.

C. Bereavement Leave

In the event of a death in the bargaining unit employee's immediate family, on each occurrence, he shall be afforded two

(2) days leave, which shall be non-cumulative. This leave for death in the immediate family may be extended an additional three (3) days, but in the event any additional leave is taken, it shall be deducted from any unused sick leave accumulated pursuant to paragraph A above, and may not be taken unless such unused sick leave time is available. The term immediate family shall include father, mother, brother, sister, husband, wife, child, father-in-law, mother-in-law, grandparent and grandchild.

D. Jury Duty

A bargaining unit employee who is required to serve on a jury shall be paid for each day of jury duty; provided however, that he shall: (1) notify the School Lunch Manager within 48 hours of receiving notice to serve (exclusive of Saturdays, Sundays, and holidays) and submit, if requested by the District, a written request to the appropriate clerk of the court to be excused from jury duty until such time as school is not in session; (2) consult the appropriate clerk of the court each night preceding day of scheduled duty to determine if attendance is required and, if not required, promptly advise the School Lunch Manager and report to work on such day; (3) report to work if dismissed prior to 12:00 p.m. on any day on which he was required to serve; and (4) remit to the District all statutory payments (excluding mileage) received for jury service.

E. Childcare Leave

1. A bargaining unit employee who wants to take childcare leave shall make a written request to the Superintendent, as far in advance as practical but in no event less than three (3) months prior to the expected date of birth of the child or three (3) months prior to the expected date of adoption. This time limit may be waived by the Superintendent in unusual circumstances in which proper notice was impractical. Childcare leave will be granted on the basis of whole school terms for up to two terms beyond the term in which the employee commences childcare leave. Once childcare leave is granted, the applicant is required to take the leave for the minimum period requested in the application and granted by the District. At the discretion of the District, upon application by the employee, this leave may be extended for up to an additional one school year. The first twelve (12) weeks of any childcare leave will be designated as leave

pursuant to the federal Family and Medical Leave Act and will run concurrently with said childcare leave.

2. The employee on childcare leave will notify the Superintendent in writing two (2) months prior to the termination of said leave of the employee's intention to either resume work or resign from employment with the District. No such employee may terminate childcare leave and resume working for the District except at the commencement of the school term unless the District shall expressly permit otherwise. If the employee does not return to their position at the conclusion of the scheduled leave and the employee has failed to contact the Superintendent of Schools requesting an extension of the leave, such action will be determined to be a resignation from the District.
3. The District shall attempt, insofar as it is practicable, to reassign the employee returning from childcare leave to the same position the employee held prior to commencing the leave.
4. A pregnant employee may continue to work as long as she is physically able to do so and may return as soon as she is physically able to do so, subject to the condition that she shall provide such medical certification of her condition as the District may require.
5. Neither salary nor benefits shall be paid to any employee on childcare leave, nor shall an employee accumulate sick leave or use accumulated sick leave while on childcare leave. Sick leave accumulated prior to the commencement of childcare leave shall be retained, however, and shall be reactivated upon return to employment with the District. Health insurance shall continue to be provided during the first twelve (12) weeks of any childcare leave, under the same terms and conditions as it would have been provided if the employee was working.
6. Employees on childcare leave for longer than twelve (12) weeks continue their participation in the District's health insurance program upon payment to the District of 100% of the District's cost of continuing such participation.

F. Workers' Compensation Leave

Employees in the bargaining unit who are receiving a workers' compensation benefit may utilize leave credits to make up the difference between the workers' compensation benefits and full salary.

ARTICLE 11
HEALTH INSURANCE

The District will provide health insurance to bargaining unit employees regularly scheduled to work 4.5 or more hours per day. Effective January 1, 2004, or as soon as practicable, all employees eligible to receive health insurance under this Agreement shall be covered by the Dutchess Educational Health Insurance Consortium (DEHIC) Alternate PPO Plan.

Effective July 1, 2007, the District shall pay 94% of the individual or family health insurance premiums under the DEHIC Alternate PPO Plan, and employees will contribute 6%.

Effective July 1, 2008, the District will contribute 93% of the plan premium, and employees will contribute 7% of the plan premium.

Effective July 1, 2009, the District will contribute 92% of the plan premium and employees will contribute 8% of the plan premium.

Effective July 1, 2010, the District will contribute 91% of the plan premium and employees will contribute 9% of the plan premium.

Effective July 1, 2011, the District will contribute 90% of the plan premium and employees will contribute 10% of the plan premium.

The District will establish an IRC Section 125 plan. Bargaining unit employees with twenty (20) years or more of service with the District shall be entitled to 100% medical insurance coverage paid by the District after retirement.

The District may change health insurance plans to a comparable plan upon 90 days notice to CSEA. "Comparable" shall mean that the new plan shall not provide for a reduction in total benefits. If the Union disagrees with the District's determination regarding "comparable," it may grieve the matter to binding arbitration by filing a demand for arbitration with the Public Employment Relations Board.

ARTICLE 12
HEALTH INSURANCE BUYOUT

Unit members may elect to decline, and require the District to buyout, their entitlement to medical coverage. The amount the District shall pay to buyout such coverage will be 50% of the cost of the insurance premium that the District would have had to pay for such coverage if the unit member did not elect to have his coverage bought out. The District, in its sole discretion, may determine some other amount as the consideration for buying out a unit member's medical coverage. In such event, the District will provide the CSEA with 30 days' notice of the change, and any unit member electing during such notice period to require the District to buy out his medical coverage will have the option of doing so at either the rate prevailing prior to the effective date of the change or the new rate.

Unit members electing to require the District to buy out their entitlement to medical coverage may do so only if the (1) notify the superintendent, in such form and manner specified by him, of such election on or before June 1 preceding the start of the school year for which the buyout election is made, and (2) submit proof on or before said date of alternative insurance coverage.

The buyout payment shall be equally distributed in the unit member's paycheck during the course of the school year and shall be subject to normal deductions.

Re-entry to the District's medical coverage plan will be subject to : (a) the plan's guidelines, (b) submission of proof that alternative insurance is no longer available, and (c) repayment of any buyout money already paid by the District.

Unit members must complete an election form for each year in which they elect a buyout.

Newly hired employees may decline medical coverage upon proof of alternative coverage and submission of the election form within ten (10) working days after starting employment. The buyout payment will be pro rated to reflect the portion of the year remaining.

Money paid pursuant to this provision shall be included in payroll for purposes of computing retirement entitlements, unless the District is advised by the administrators of the retirement system that this would be improper.

ARTICLE 13
DENTAL INSURANCE

The District will provide dental insurance to bargaining unit employees regularly scheduled to work 4.5 or more hours per day in the same amounts, in the same form, to the same extent, and through the same carrier as it provides dental insurance coverage to the District's professional staff pursuant to its agreement with the Fallsburg Teachers Association expiring June 30, 1992 and any successor agreement.

ARTICLE 14
RETIREMENT

- A. Bargaining unit employees may become members of the New York State Retirement System.
- B. The retirement plan for the members of the Fallsburg Central School District who belong to the New York State Retirement System shall be that plan known as the 75I Plan.
- C. Two thousand dollars (\$2,000.00) shall be added to the compensation of any employee with ten (10) consecutive years of service to the District, who retires and gives notice thereof prior to May 31st of the school year. This amount is not available in addition to any similar amount included in the District-offered retirement incentive package.

The above wage increases represent a five percent (5%) increase each of the five (5) years of this Agreement.

Employees who have completed five (5) years' service in the District shall be paid \$.50 per hour more than the foregoing wage rates; employees who have completed ten (10) years' service in the District shall be paid \$1.70 per hour more than the foregoing wage rates; employees who have completed fifteen (15) years' service in the District shall be paid \$2.26 per hour more than the foregoing wage rates; and employees who have completed twenty (20) years of service in the District shall be paid \$2.50 more than the foregoing wages.

ARTICLE 17

- A. The Employer and Union will mutually appoint an Arbitrator who shall have the authority to receive testimony and evidence, issue subpoenas and issue an Opinion and Award. If the parties are not able to agree on an Arbitrator, PERB will be contacted and, in all cases, the rules of PERB shall apply.

- B. This Article shall not apply to administrative matters, including, but not limited to grievances and arbitrators.
- C. Labor/Management Committee

A Labor-Management Committee shall be established for the purpose of reviewing matters of mutual concern, including health and safety issues, to the parties, and will meet at the written request of either party. It shall consist of no more than three (3) representatives of the Union and the District. The Committee shall have no binding powers on the parties hereto. However, recommendations jointly submitted to the District will be duly considered for possible implementation, only if such is needed.

ARTICLE 18 **DISABILITY INSURANCE**

When and if it becomes legally permissible to do so, the District agrees to provide New York State Disability Insurance at a cost to the District not to exceed \$.60 per week, per member.

ARTICLE 19 **LEGISLATIVE APPROVAL**
