THIS AGREEMENT, effective the first day of January, 2008 through the 31st day of December, 2010, negotiated as a contract between the Board of Trustees of the Village of Ilion, New York, (known by reference as the "Village Board"); and the Village of Ilion Unit of the Teamsters Local 182 (known by reference as the "Union")

ARTICLE 1 - RECOGNITION

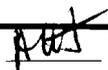

The parties recognize that under this agreement each of them has responsibilities for the welfare and security of the employees.

A. The Village of Ilion, hereinafter referred to as the "Village", recognized the Village of Ilion Unit of the Teamsters Local 182, hereinafter referred to as the "Union" as the sole and exclusive representative for all employees in the unit described in Section 7, (excluding the DPW Supervisor, temporary, casual, and seasonal employees.) The Village agrees that the Village of Ilion Unit of Teamsters Local 182 shall be sole and exclusive representative for all employees described in Section 7 for the purpose of collective bargaining and grievances during the term of this agreement.

B. Dues. Upon receipt of proper written authorization, the Village shall deduct monthly dues on a pro rata basis and shall remit the monies collected to the union no later than the 15th of each month. The Union agrees to indemnify and hold harmless the Village from any cause of action, claims, loss or damages incurred as a result of this clause. All deductions under the article shall be subject to revocation under Section 93-b of the General Municipal Law, as amended, by the employees who executed such assignments, upon giving written notice to that effect. Such notices shall be given to the Village Clerk. The Village Clerk shall thereafter cease withholding any monies whatever under check off authorization. Assignees shall have no right or interest whatsoever in any money authorized until such money is actually paid over to them. The Village or any of its officers and employees shall not be liable for any delay in carrying out such deduction, and upon forwarding a check in payment of such deductions by mail to the assignee; the Village and its officers and employees shall be released from all liability to the employee-assignors and to the assignees under such assignments.

ARTICLE 2 – CONDITIONS OF WORK

It is recognized that the need for continued and uninterrupted operation of the Village's departments and agencies is of paramount importance to the citizens of the community and there should be no interference with such operations. Adequate procedures having been provided for the equitable settlement of grievances arising out of this agreement,

parties hereto agree that there will not be, and the Union, its officers, members, agents, or principals will not engage in, encourage, sanction, or suggest strikes, slowdowns, lockdowns, mass resignations, mass absenteeism, or other similar action which would involve suspension of, or interference with the normal work performance.

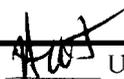

The Village recognizes that it is the responsibility of the Union to represent the employees effectively and fairly.

It is recognized that the management of the Department, the control of its properties, and the maintenance of order and efficiency, is solely a responsibility of the Village. Accordingly, the Village retains the rights, including but not limited, to select and direct the working forces, including the right to hire, suspend or discharge for just cause, assign, promote or transfer, to determine the amount of overtime to be worked, decide the number and locale of its facilities, stations, etc., determine the work to be performed within the union, maintenance and repair, amount of supervision necessary, machinery and tool equipment, methods, schedules of work, together with the selection, procurement, designing, engineering and the control of equipment and materials, purchase services of others, contract or otherwise, except as they can be otherwise specifically limited in this agreement, and to make reasonable and binding rules which shall not be inconsistent with this agreement.

It is also recognized by the parties that the continued existence of the so-called Sanitation Department of the Department of Public Works as it exists today, is not assured. If conditions require the Village to contract out some, or all of the work of the so-called Sanitation Department, the Village will in good faith, endeavor to assist in securing suitable employment for DPW employees whose services are no longer needed; but no guarantees of employment are made by the Village.

ARTICLE 3 - NO RIGHT TO STRIKE

The Union hereby affirms that it does not assert the right to strike against the Village either directly or indirectly, or to impose an obligation to conduct, assist or participate directly or indirectly in such a strike in compliance with Section 207, subdivision 3 of the Taylor Law, Article 14 of the Civil Service Law of the State of New York.

ARTICLE 4 - VILLAGE AFFAIRS

The Union understands the importance of the normal and orderly conduct of the Village's business and operations and the Union and its members will cooperate and assist the Village in the performance of its duties and obligations to the citizens thereof. The provisions of this Agreement will be expressly limited to salaries, benefits, and other conditions of employment of the covered employees of the Village of Ilion Department of Public Works as specifically identified in this agreement. This Agreement shall not in any way be construed to restrain or limit the Village in the full and absolute management of its affairs.

ARTICLE 5 - NEW POSITIONS. POSTING AND JOB BIDDING, PROBATIONARY EMPLOYEES

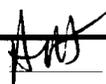

(a) Newly created and vacant positions shall be filled according to Civil Service requirements. Assignments to promotional positions shall be filled by current members of the Department of Public Works in accordance with the Civil Service Law.

(b) If the Village determines to fill a permanent vacancy (not caused by vacation, illness, leave or similar reason), a written notice of the opening indicating the job duties and rate shall be posted on the bulletin board(s) for a period of not-to-exceed two (2) working weeks. Any employee may signify to the Village, in writing, during that period, an interest in being considered for the opening.

The Village shall make a selection on the basis of its judgment of the qualifications, skill and ability of those bidding, giving preference to the senior bidder where practicable considering the overall effect on operations. If no employee has bid, or the Village determines that no bidder has the appropriate qualifications, the vacancy may be filled by outside hiring. The job vacated by successful bidder need not be posted, but shall be filled at the discretion of the Village.

Up to the first thirty (30) days on the new job shall be considered a trial period. If the Village determines that the job is not being satisfactorily performed, the employee shall be returned to his former job and the position filled at the discretion of the Village. A successful bidder may not bid again until a minimum of twelve (12) months have passed.

(c) All new employees shall be regarded as probationary for the first one hundred eighty (180) calendar days of their employment by the Village. The retention of a probationary employee is entirely within the discretion of the Village.

A probationary employee will be given a written evaluation every forty-five (45) days so as to inform said individual of his progress. If after his third evaluation it is agreed that this employee's performance is acceptable by management, then the remaining forty-five (45) days of probation will be waived.

ARTICLE 6 – SENIORITY

Seniority shall be defined as the total length of continuous service with the Village of Ilion. The accumulated length of continuous service with the Village computed from the last date of hire.

An employee's length of service shall not be reduced by time lost due to authorized leave of absence or absence for a bona-fide illness or injury certified by a physician not in excess of one (1) year. Seniority shall be lost and employment terminated if any of the following occur:

- A. Discharge

ARTICLE 22 – SICK LEAVE

The Village, in its recognition of sound employee relations and practice of granting earned sick leave, grants the following sick leave plan to the members of DPW:

- Until 12/31/96, members will be eligible for one and one half (1 1/2) days sick leave per month after three months service with the Village. Sick leave will accumulate at the rate of one and one-half (1 1/2) days per month for a total of one hundred and forty-five days (145).
- For employees hired after 6/1/94, the accumulation shall be limited to 120 days rather than the 145 days.
- Effective 1/01/97, all members of the DPW will be eligible for one (1) day of sick leave per month after three (3) months service with the DPW. Unused sick leave will accumulate at the rate of one (1) day per month until the employee has attained his maximum accumulation. Sick leave shall not be paid in excess of individual accrual, except when authorized by the Village Board.
- The Village and the Union have agreed to continue the past practice of, for every three (3) months an employee doesn't miss a day of work, he/she shall receive one (1) sick day. This is in addition to the regular sick leave policy in place.
 - An employee who has attained his maximum accumulated sick leave will cease to be granted the one and one-half (1 1/2) days per month if prior to 1/01/97 or one (1) day if after 1/01/97, as the case may be.
 - Should sickness or injury consume the employee's maximum accumulation, the employee will be eligible for one and one-half (1 1/2) sick leave days if prior to 1/1/97, one (1) day if after 1/1/97, the following month and every month thereafter the maximum number of days have been accumulated.

- Should an employee use thirty (30) days or any part more or less, of the accumulated sick leave in one contract year, they will continue to accumulate sick leave at the one and one-half (1 1/2) days a month if prior to 1/01/97, one (1) day if after 1/01/97, until the maximum number of days have been accumulated.
- Should an employee completely exhaust sick leave and still require absence from work, he will not receive the leave of one and one-half (1 1/2) days if prior to 1/10/97, or one (1) day if after 1/01/97, until returning to work.
- In the event an employee has been absent from a compensation injury, he may elect to use accumulated sick leave to "make up" the difference between weekly compensation pay and the regular or standard hourly pay. The accumulated sick days in this instance will be treated as used sick leave.

ARTICLE 22A- UNUSED SICK LEAVE BONUS

Any employee who doesn't use sick time for six (6) consecutive months shall be entitled to a bonus of \$200, paid at the end of the six (6) month period.

ARTICLE 23 - RULES GOVERNING SICK LEAVE

Sick leave will be used only for sickness or injury as described in these paragraphs.

- A. When the need to use sick leave occurs, a member shall call the DPW Supervisor and report his sickness with as much advance notice as possible.
- B. Any misuse or attempted misuse of sick leave will be cause for immediate suspension without pay to the employee and filing of "charges" for dismissal.
- C. When three (3) days sick leave has been used in one month, a doctor's certification of illness will be required.
- D. The Village reserves the right to visit the employee's home on the initial day of sick leave or any day thereafter. The person or persons visiting an employee reporting sick will be the Department Head, his designee, or Village Designee.

- E. Any employee off duty for five (5) days or more on sick leave must present evidence of physical capability from a physician prior to reporting back to work.

ARTICLE 24 - UNUSED SICK LEAVE ON DEATH OR RETIREMENT

In the event of death or retirement, the member (or his heirs) will be awarded an amount equal to the employee's accrued sick leave, computed at the employee's straight time hourly rate.

Employees may opt, rather than taking payment for accumulated sick leave upon retirement, to have the payments applied to the premiums for the continuation of their health insurance on a dollar-for-dollar basis.

If the employee is entitled to retirement at a reduced benefit, unused sick leave will be prorated accordingly.

And

The retiree may elect to have the Village make payments on health insurance on behalf of the retiree until his/hers sick bank is exhausted.

Or

The retiree may elect to receive cash payments over a mutually agreed period until his/hers sick bank is exhausted.

Or

The *Sick Leave Bank Committee* shall consist of two members of the Village (Clerk/Treasurer and Mayor or Trustee) and two members of the Union who shall be appointed by the membership of the Union. The Committee shall maintain a current inventory of available sick bank days and make determinations regarding all applications to use said available days. In no event shall any decision of the Committee be considered a proper subject to be processed under a grievance proceeding; hence, all said decisions of the Committee shall be expressly excluded from any such proceeding.
