ARTICLE I

Recognition

1:01 The Board recognizes the Utica Administrators Association (hereinafter referred to as the UAA) for the purpose of collective negotiations pursuant to the Public Employee's Fair Employment Act as the exclusive representative of a negotiating unit consisting of all members of the Administrative Staff of the Utica City School District during the regular school year on tenure or probationary appointment, except the Superintendent of Schools, confidential employees, and any administrator whose remuneration is based on less than half of the annual salary for that position.

1:02 Agency Fee

The UAA affirms that it has adopted procedures for refund of Agency Fee deductions as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of the State of New York. The provision for Agency Fee deduction will continue in effect as long as the UAA maintains such procedure. The Agency Fee deduction shall be made following the same procedures as the deduction of Association dues.

It is specifically agreed that the Utica City School District and the Board of Education will assume no obligations, financial or otherwise, arising out of the provisions of this section and the UAA agrees that it will indemnify and hold the District and the Board safe and harmless from any and all claims of access, demands, suits, or proceedings by any employee or any other party arising from deductions made by the District or Board in remitting to the UAA dues and any other fees specified in this section.

1:03 Bargaining Unit Definition

The term administrator, for the purpose of this Agreement, shall include all employees who are responsible for supervising professional employees and whose job titles are specifically designated as of an administrative nature.

1:04 In the event that a representative of the UAA has to be absent from his/her responsibilities on authorized official school business, subject to approval by the Superintendent of Schools; such absence shall be without loss of compensation or personal leave day.

ARTICLE II

Negotiation Procedure

- 2:01 The parties agree that no earlier than December 1, but no later than February 1 of the year in which the contract expires, they will enter into collective negotiations in accordance with the procedures set forth immediately below.
- 2:02 The parties agree that a good faith effort will be employed in an effort to reach agreement on all matters raised by either party concerning the terms and conditions of administrators' employment. In the spirit of good faith negotiations, each party will mutually pledge in writing that their representatives (negotiators) are clothed with all necessary power and authority to make and consider proposals and counter-proposals, and to reach compromises in the course of negotiations.
- 2:03 The Board agrees that it will provide the Association with copies of the Tentative Budget and such other public information as is required for the Administration and/or negotiation of this or any successor Agreement.
- 2:04 It is understood and agreed that the Agreement reached by the representative negotiating teams is subject to ratification by the Board of Education and by the Utica Administrators Association.
- 2:05 Negotiations may be deemed by either party to have reached an impasse one hundred twenty (120) days prior to July 1, and either party may then request the State Public Employment Relations Board to assist the parties in reaching an agreement through the assignment of a mediator. If, as a result of such mediation assistance, the parties are still unable to reach agreement, the Fact-Finding process may be invoked.
- 2:06 Before the Board of Education adopts any changes in policy which affect salary, hours or any other term or condition of employment which is covered by terms of this Agreement, the Board of Education will notify the Association in writing that it considers such a change. The Association will have the right to negotiate such items with the Board of Education. (Note: This restricts negotiations exclusively to those items to which the Utica Administrators Association is entitled under the Taylor Law.)

ARTICLE II (continued)

- 2:07 The provisions of this Agreement will be incorporated into and be considered part of the established policies of the Board. All existing policies affecting salaries, hours and other terms and conditions of employment will remain in force and effect unless they are inconsistent with the terms of this Agreement, in which case the terms of this Agreement shall prevail. Any individual arrangement, agreement or contract between the Board and an individual administrator hereafter executed will be subject to and consistent with the terms and conditions of this or subsequent Agreements to be executed by the parties. If any individual arrangement, agreement or contract contains any language inconsistent with this Agreement, this Agreement, during its duration, will be controlling.
- 2:08 If any provisions of this Agreement or any application of the Agreement shall be found contrary to law, then such provision or application will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- 2:09 If joint meetings between the negotiating committees of the Utica Administrators Association and the Board of Education are scheduled during the school day, members of the Association's committee shall be released from their regular duties without loss of salary.

ARTICLE III

Grievance Procedure

3:01 Intent - It is the primary purpose of the Grievance Procedure to secure, at the earliest possible stage, equitable resolutions to alleged grievances. Except as it is necessary for the purpose of implementing this section, the parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any stage of the Procedure. Nothing contained herein shall be construed as limiting the right of any member having a grievance to discuss the matter informally with any appropriate member of the Administration.

3:02 Definition

- (a) Grievance: A grievance shall mean any claimed violation, misinterpretation of the express provisions of this Agreement or a dispute with respect to its meaning or application as well as administrative orders or work rules of the School District affecting the working conditions of the administrators.
- (b) Supervisor: The term supervisor shall mean the individual having direct line responsibility over the administrator or group of administrators filing the grievance.
- (c) Aggrieved Party: An aggrieved party may be an individual administrator, a group of administrators, the Utica Administrators Association and the Board of Education or Superintendent of the Utica City School District.

3:03 General Conditions

- (a) The Association may file a general grievance directly with the Superintendent; if, in the opinion of the Association, the grievance affects a group of administrators or the alleged violation of the Agreement has system-wide implications.
- (b) Any grievant may be represented at all meetings and hearings at all stages of the Grievance Procedure. In the event the grievant is not represented by the Association, the Association shall have the right to be present and to state its views at all steps, except where the grievance involves only questions of fact peculiar to the individual grievant.
- (c) All meetings involving grievances will be held during unassigned time of the school day or after school hours and shall be considered as confidential.

ARTICLE III (continued)

- (d) All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
- (e) The grievant shall have the right to present his/her grievance free from interference, coercion, restraint, discrimination or reprisal.
- (f) If the provision of this Grievance Procedure or any application thereof to any administrator or group of administrators in the Bargaining Unit shall be finally determined by any court to be contrary to law, such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- (g) The existence of the Procedure hereby established shall not be deemed to require any administrator to pursue the remedies hereby provided and shall not, in any manner, impair or limit the right of any administrator to pursue any other remedies available in any other form.
- (h) No written grievance will be entertained by the Association and will be deemed waived unless the written grievance is processed at the proper step within fifteen (15) working days after the administrator knew or should have known the grievance existed.

3:04 Time Limits

Time limits are hereby established in the Grievance Procedure to insure that the alleged grievance will be handled with dispatch. If either party to the Agreement fails to answer or appeal the grievance within the time limits specified, unless extended by mutual consent, the grievance shall automatically be appealed to the next step or be considered to have been answered satisfactorily, whichever the case may be. It is understood that when the time limit extends into one of the school recess or vacation periods, the parties will agree upon a mutually satisfactory date for an answer to be forthcoming.

ARTICLE III (continued)

3:05 Procedure

- (a) Step 1. Any administrator having a grievance or any one (1) designated member of a group having a grievance will discuss the grievance with that administrator having the immediate authority to resolve the grievance, either individually or with a representative designated by the UAA. The administrator with whom the grievance is discussed, as outlined above, shall render a decision to the grievant within three (3) school days of the date the complaint was first orally discussed with him/her by the grievant. In the event the complaint is not resolved to the satisfaction of the grievant, he/she shall reduce the complaint to writing on the grievance form provided, sign the grievance and present it to the administrator who shall render a written decision within two (2) school days after the written grievance is presented to him/her.
- (b) Step 2. If the written answer in Step 1 does not resolve the grievance, it may be appealed to Step 2 of the Procedure within ten (10) school days of the receipt of the written answer in Step 1. The Superintendent or his designated representative shall, within five (5) school days of the date of the appeal, meet with the parties and attempt to arrive at a resolution of the grievance. The Superintendent or his designated representative shall render a decision within five (5) school days of the date of the hearing. - (b) Within five (5) days after a grievance has been appealed to arbitration, a representative of the Association and a representative of the Superintendent will meet to select an arbitrator to whom the case will then be submitted.

- (i) The number of professional personnel on leave for study in one school year will be limited to a number not greater than two (2%) percent of the total professional staff, subject to the terms of the Agreement.
- (ii) Professional personnel on leave will sign a written agreement to return to the Utica School System for a period of two (2) years following the expiration date of the Sabbatical Leave. It is further understood and agreed that if the Administrator, having been granted Sabbatical Leave, does not return to his/her administrative position in the System (except in the case of death of the individual or where the Board waives the requirement by reason of unusual circumstances) he/she shall be liable to repay the School District all the monies paid him/her by the District while on such Leave. If, having returned from Leave, the administrator leaves the employment of the District of his/her own volition, he/she shall repay the District, on a pro-rata basis, for each day of the unfilled two (2) year period.

ARTICLE XI (continued)

- (iii) An administrator granted a Sabbatical Leave will retain seniority, retirement and all other rights afforded by the Utica School District and will automatically acquire any additional benefits granted by the Board.
- (iv) Every effort will be made to return the individual to the assignment held prior to the granting of the Sabbatical Leave.
- (v) Individuals granted Sabbatical Leave will not be eligible for consideration of an additional leave until he/she has served (7) additional years in the employment of the School District.
- (vi) While final approval of a Sabbatical Leave is the function of the Board, no such leave will be presented to the Board for approval unless it has been recommended by the Selection Committee.

11:08 Exchange Administrator Leave

- (a) Upon the recommendation of the Superintendent of Schools, leave for exchange administrative positions under either national or international programs may be granted by the Board to administrators who have successfully completed the entire probationary period in the Utica City School District.
- (b) The Board shall compensate any administrator granted exchange teacher leave on the basis of said administrator's regular salary status. Any period served as an exchange administrator shall be applied to the salary schedule annexed hereto as if such period had been served by the Administrator in the Utica City School District.

ARTICLE XI (continued)

11:09 General Conditions Governing Leaves of Absence

Unless explicitly stated otherwise in the particular section covering an extended leave of absence, the following regulations will govern all leaves of absence.

- (a) All benefits to which an administrator would be entitled were he/she not on leave will be suspended for the duration of such leave, including accumulation of sick leave.
- (b) A non-tenured administrator on leave of absence does not accumulate service for the purpose of tenure. Upon return from such leave, the administrator's probationary period will be extended for a period which will equal the difference between the service rendered the School District and the length of the probationary period.
- (c) An administrator on an unpaid leave of absence may continue his/her health insurance program provided he/she pays the full cost of such an insurance program.
- (d) An administrator returning from leave will be placed on the same level of the salary schedule he/she was on when the leave commenced.
- (e) All benefits to which a tenured administrator was entitled at the time his/her leave of absence commenced, including unused accumulated sick leave, will be restored to him/her upon return, and he/she will be assigned to the same position which he/she held at the time of such leave or to an equivalent position.
- (f) All requests for leave, extensions, or renewals will be applied for in writing. Confirmation of the approval or denial of the leave, extension or renewal will also be in writing within thirty (30) calendar days following final action by the Superintendent of Schools and the Board of Education on the request for leave.
- (g) It will be the responsibility of the administrator on leave of absence for a school year or more to notify the Director of Personnel, in writing, of his/her intention to return from leave of absence at least sixty (60) calendar days prior to the expiration date of such leave. Unless such written notice is received within sixty (60) calendar days of the expiration date of the leave, the administrator will be considered to have voluntarily resigned.

ARTICLE XII

Temporary Absence

12:01 A temporary absence is defined as absence on an individual day for any reason whatsoever, excluding sick days.

12:02 During the course of employment, administrators may find it necessary, for various reasons, to be absent from their assigned positions for temporary and brief periods of time. To regulate such absences the Board of Education and the UAA agree to the following provisions for temporary absences:

In case of individual temporary absences, the administrator must submit a Leave Form to his/her Supervisor as soon as possible after the need for such absence is known. Such notification may be made orally but must be confirmed in writing within five (5) school days of the oral notice. The Supervisor will note receipt of the form with signature and forward said form to the Director of Personnel for approval of payment.

A special form is provided for requesting payment for temporary absence.

12:03 The following temporary or personal days of absence with pay shall be effective during the life of this Agreement:

(a) Three (3) personal days to conduct compelling personal business which cannot be conducted outside of normal school hours.

b) Unused personal leave days will automatically accumulate as additional sick leave days at the close of each school year. Administrators not using any personal leave will accumulate four (4) sick leave days for the year.

12:04 Personal leave may not be taken the day immediately before or after a holiday or recess period without prior approval by the Superintendent of Schools.

12:05 Absence due to death in the immediate family

(a) Each full-time administrator will be entitled to be absent because of a death in the administrator's immediate family for a maximum of five (5) school days which fall within a bereavement period of seven (7) consecutive calendar days commencing with the date of death. This bereavement period shall not be extended by a weekend, a holiday, a school recess or any other school closing.

ARTICLE XII (continued)

- (b) The immediate family, for purposes of this section, is defined as husband, wife, mother, father, brother, sister, child, mother-in-law, father-in-law, of the administrator and members of the family not defined above who reside with the administrator.

12:05 Absence due to death other than the immediate family

- (a) In the event of the death of a member of the family other than those listed in 12:05 (b) above, an administrator will be entitled to one (1) day with pay to attend the funeral.
- (b) For purposes of this section the word "family" is confined to direct blood relationship but limited to aunt, uncle, grandmother, grandfather, niece or nephew or through marriage but limited to brother-in-law, sister-in-law, grandmother-in-law and grandfather-in-law.

12:06 Absence because of required legal proceedings

- (a) Any administrator required to be absent because of an appearance in any legal proceeding connected with his/her employment or with the school system, for the performance of jury duty, or because he/she has been subpoenaed in a legal matter in which he/she is not personally involved, will be excused from his/her scheduled assignment and paid for such absence under the following conditions:
 - (i) He/she notifies his/her immediate supervisor as early as possible prior to his/her required attendance at court.
 - (ii) He/she reimburses the School District for any fees he/she may receive as a juror or witness, exclusive of travel allowance.
 - (iii) He/she supplies his/her immediate supervisor with evidence of having appeared in court for the reason or reasons outlined in Section (a) immediately above.

ARTICLE XII (continued)

12:07 An administrator is entitled (1) day of absence, with pay, at the time of the birth of a child.

12:08 General Conditions

It is understood and agreed that such absence with pay as described in this Article are non-accumulative and are not charged to sick leave.

12:09 The Board may, at its discretion, require medical proof of illness for any period of absence due to sickness or disability which extends beyond a ten (10) day period.

ARTICLE XIII

Professional Development

- 13:01 The Board will give consideration to the development of programs for the professional improvement of administrators.
- 13:02 As funds become available, money will be set aside for implementing such professional development proposals emanating from the administrative staff and dealing with professional growth and inservice training.
- 13:03 This program shall ultimately encourage the development of professional improvement through legitimate, individual and original research directly related to the actual problems of the Utica School District.
- 13:04
- (a) Recognizing that professional growth is an on-going process, administrators may be allowed, with the approval of the Superintendent of Schools, to take up to two (2) visitation days per year to visit other schools in the Utica District, or educational facilities outside of Utica.
 - (b) When visiting schools outside of the Utica District, administrators may draw upon their conference attendance allowance to finance such activities. Such visits are subject to prior approval by the Superintendent of Schools and the Board of Education.
- 13:05 In order that members of the Bargaining Unit maintain professional competence, excused absences with pay will be granted to any member of the Unit to attend professional meetings, conferences and workshops when approved by the Superintendent and the Board of Education.

ARTICLE XIII (continued)

13:06 The following procedure will be followed by all administrators in requesting approval to attend professional meetings:

- (a) Conference attendance requests must be submitted on the standard conference forms provided.
- (b) Requests for authorization to attend a conference must be submitted to the Superintendent at least three (3) weeks in advance of the Board meeting at which authorization is requested.
- (c) In the event the reservations must be made in advance, the administrator must submit the request at least one (1) month prior to the month during which the conference occurs.
- (d) Under certain circumstances, e.g., invitations to conferences extended to professional personnel where one (1) month notice is not given to the recipients, the Superintendent of Schools is authorized to waive the one (1) month time limit listed in paragraph (c), immediately above.
- (e) The conference form, when approved, will be returned to the administrator together with an expense voucher which will subsequently be submitted to the Business Office after the conference. Each administrator must file a written conference attendance report to the Superintendent of Schools concurrent with the submission of the expense voucher.

13:07 (a) Each Central Office Administrator shall be entitled to receive up to a maximum of \$400 and Building Administrators up to a maximum of \$800.00 for legal expenses as established by law for approved conference attendance and travel.

(b) Of the above amount of \$400 or \$800.00, up to a maximum amount of \$100 may be claimed for legal travel expenses as established by law. All travel expense claims are to be accompanied by descriptive documentation describing the purpose, date and mileage of each trip.

(c) When the District requires that a member of the UAA attend a conference or workshop, any costs incurred shall be borne by the District, and shall not be charged to the Administrator's conference account.

ARTICLE XIII (continued)

13:08 The Board of Education shall provide four (4) Association days in each school year to be used at the discretion of the president of the UAA or his/her designee for the purpose of attending to association administrative professional development. Said days shall not be cumulative from school year to school year.

ARTICLE XIV

Sick Bank

14:01 A sick bank shall be established through contribution of earned sick days by active employees represented by the UAA. The initial and continued funding of the sick bank shall be by contribution from the UAA members. Said contributions by UAA employees will consist of a donation of said employees earned sick days to said bank for the use by UAA members.

A committee appointed by the UAA shall be established to formulate the rules and regulations of said sick bank. The rules and regulations shall be in place by June 30, 1989, in order to allow the sick bank to become operational in the 1989-90 school year and continue for the duration of the contract. The administration of said sick bank shall be the responsibility of the aforementioned committee.

Said sick bank shall only be used for a medically verified extended or terminal illness, and may not be used until an applicant's accrued sick time has been exhausted.

Effective November 25, 2008, upon an administrator's retirement, any unused sick days for which he/she will not receive payment pursuant to the collective bargaining agreement, will be credited to the sick bank.

ARTICLE XV

Protection

- 15:01 Administrators will report all cases of assault and/or personal property damage suffered in connection with their employment as soon as practical. Such reports shall be submitted, in writing, to the Superintendent.
- 15:02 The Superintendent or his designee will act in appropriate ways as a liaison between the administrator, the police and the courts, if the administrator so requests.
- 15:03 The Board will provide legal service, as outlined in Sections 3023 and 3028 of the New York State Education Law, where civil action is brought against an administrator based on disciplinary action against a pupil or any other act performed by an administrator in the discharge of his/her duties and within the scope of his/her employment.

ARTICLE XVI

Personal Injury Benefits

- 16:01 Administrators of the Utica City School District are covered by Workers' Compensation Insurance which protects them in case of accidents while on duty. No matter the extent of the accident or injury, each such occurrence must be reported as soon as practical to the Superintendent in accordance with established District policy.
- 16:02 When a regularly employed administrator is absent from his/her employment and unable to perform his/her duties as a result of personal injury caused by an assault occurring in the course of his/her employment or as a result of personal injury influenced or brought about by a student, teacher, colleague or another individual as a result of an assault on such other individual and the administrator has not been personally negligent with reference to the incident, he/she will be paid his/her full salary during his/her absence from his/her employment up to a period of one (1) year. The amount of any weekly Workers' Compensation benefit awarded for temporary disability due to such injury will be paid to the Board in full by the employee and no part of such absence will be charged to his/her annual or accumulated sick leave.
- 16:03 In the event an administrator is injured in the normal course of employment, which injury is not subject to the provisions in Paragraph 16:02 above, and the injury is declared compensable under the Workers' Compensation Act, he/she may elect to substitute at the rate of one (1) day of sick leave for each three (3) full days of compensation reimbursement to the School District made to him/her by the Insurance Carrier. In no instance will the number of days claimed exceed the total number of sick days accrued. If the administrator does not make such election, he/she shall be entitled only to the compensation provided by the Workers' Compensation Law.

ARTICLE XVI (continued)

(Note of Explanation:)

Principal "X" draws an annual salary of \$15,000 for ten (10) month employment or \$75 per day. Compensation maximum payment is \$25 per day while out on the injured list. Therefore, if Principal "X" is out of work for 30 days (beyond original) on compensation and chooses to draw full salary, he/she would:

- (1) In effect, turn over his/her compensation payment to the School District.
- (2) Draw full pay for 30 days but would have deducted only 10 days of accumulated sick leave from his/her total.

Three (3) days of compensation equals \$75 or one (1) day of sick leave (\$75). Thus, three for one - three (3) compensatory days equals one (1) sick leave day.)

16:04 The School District will reimburse administrators for reasonable cost of replacing or repairing dentures, eye glasses, hearing aids, or similar bodily appurtenances not covered by Workers' Compensation which are damaged, destroyed or lost as a result of an injury sustained in the course of the administrator's employment when the administrator has not been personally negligent with reference to the incident.

16:05 The School District will reimburse administrators for the reasonable cost of any clothing or other personal property damaged or destroyed as a result of an assault suffered by an administrator while the administrator was acting in the discharge of his/her duties within the scope of his/her employment when the administrator has not been personally negligent with reference to the incident.

ARTICLE XVII

Health Insurance

17:01

- (a) The District shall provide to UAA members health insurance coverage including Major Medical, Dental, Vision and Prescription Drug Insurance as currently provided by Blue Cross/Blue Shield. Such health insurance coverage as hereinafter outlined shall be subject to any changes which result from future negotiations between the District and the UAA prior to the expiration of the contract. The District and UAA agree to enter into negotiations regarding health benefits based upon the findings of the current Advisory and Review Committee. Effective 09/01/03, the attached Insurance Memorandum of Agreement is placed in force and will remain in force for the life of the memorandum (see attached).
- (b) For personnel hired on or before 12/31/77, premiums on such insurance shall be paid by the District at the rate of 100% for employees and 60% for dependents.
- (c) For personnel hired on or before 12/31/77, the District shall pay the health insurance premiums of the retired personnel at the following rates:

	<u>Retiree</u>	<u>Dependant</u>
Those retired between 9/1/64 and 2/1/70 -	50%	35%
Those retired between 2/1/70 and 2/1/74 -	100%	50%
Those retired after 2/1/74	- 100%	60%

This premium payment shall continue until the death of the person or voluntary withdrawal from the health insurance program, whichever occurs first.

Effective 11/25/08, any bargaining unit member hired after December 31, 1977 and before June 30, 2011 shall pay 10% of the cost of an individual health plan and/or 40% of the cost of the blended rate for dependent or family coverage, pursuant to the conditions herein below.

Any bargaining unit member hired after December 31, 1977 and before June 30, 2011 who retires on or after the ratification of this successor agreement may elect to receive health insurance benefits and shall pay 10% of the cost of an individual health plan and/or 40% of the cost of the blended rate for dependent or family coverage, pursuant to the conditions herein below. In order to qualify for health insurance benefits at retirement, an employee must have provided a total of ten (10) years service to the Utica City School District at the time of retirement.

Any bargaining unit member hired on or after June 30, 2011 shall pay 20% of the cost of an individual health plan and/or 50% of the cost of the blended rate for dependent or family coverage pursuant to the conditions herein below.

Any bargaining unit member hired on or after June 30, 2011 who retires may elect to receive health insurance benefits and shall pay 20% of the cost of an individual health plan and/or 50% of the cost of the blended rate for dependent or family coverage, pursuant to the conditions herein below. In order to qualify for health insurance benefits at retirement, an employee must have provided a total of ten (10) years service to the Utica City School District at the time of retirement.

Retiree health coverage will be provided through the District's Health Plan. Eligible unit members who retire during the life of this Agreement or who retire thereafter will have the following modifications made to the District's Health Plan as provided for by Blue Cross/Blue Shield: Co-payments for prescription drug card coverage shall be increased to \$5.00 for generic and \$10.00 for non-generic prescription drugs. Deductibles for unit members covered under the individual plan shall increase to \$100.00 and for unit members covered under the family plan shall increase to \$300.00 annually (effective 09/01/03).

The Utica City School District will only pay the premium paid for a retiree's health insurance coverage for a plan at the same or lower level as the plan utilized by the employee when he/she was an active employee at the time of retirement. For example, if an employee had single coverage while employed at the time of retirement, the District will not pay any additional premium to increase said coverage to include a spouse or other dependents after retirement. Instead, if the retiree wants to increase the coverage to include a spouse or other dependents after retirement, the retiree would be required to pay 100% of the cost of the blended rate for dependent or family coverage.

A retiree and his/her spouse receiving health insurance pursuant to this section must make application for Medicare as the primary insurer, upon thirty (30) days of reaching the eligibility age for Medicare. Upon qualifying for Medicare, the District's health insurance plan shall become secondary coverage.

Any employee hired after December 31, 1977, who retired prior to 11/25/08 and who has maintained district-sponsored health insurance at his/her own cost without a break in coverage shall be provided health insurance at the rates referenced above. In order to qualify for these health insurance benefits, the employee must have provided a total of ten (10) years service to the Utica City School District at the time of retirement.

ARTICLE XVII (continued)

17:02 Advisory Committee

There shall be participation by the UAA by membership on any ad hoc advisory committee formed by the Utica City School District to study the health insurance benefits for District professional employees, which includes other employee organizations.

17:03 Under no conditions shall the provisions of the Health Insurance Program or the share of the premium cost borne by the Board of Education be subject to the Grievance Procedure established in this Agreement.

17:04 The District agrees to comply with the health insurance related provisions of the Federal Consolidated Omnibus Budget Reconciliation Act of 1985, commonly known as COBRA.

 - (ii) The maturity of the learner

 - (iv) The impact on the individual, school and community

 - (i) The protesting party shall meet to discuss the issue with the teacher, the appropriate administrator and, if the teacher so desires, the P.P.R. and R. Committee.

ARTICLE XVIII (continued)

- (ii) If the agreement cannot be reached at the building level and the parent or citizen pursues the issue informally, a conference will be held with the Superintendent of Schools, teacher and parent. The Superintendent will attempt to resolve the differences of opinion in a counseling session. In every case, the Association's P.P.R. and R. Committee or its representative must be present if the teacher so requests.
 - (b) If the teacher feels aggrieved as a result of the action taken under Paragraph (a), immediately above, the teacher and/or the Association may file a grievance under the Grievance Procedure at Stage 2.
 - (c) Ultimately, if an unresolved case reaches the Board of Education, a hearing shall be scheduled at which time the teacher and the protesting party shall be afforded the opportunity to speak.
- 18:03 The Board of Education assures their support of any administrator who has been subjected to undue criticism and biased pressure from individuals and organizations.
