ARTICLE I - RECOGNITION CLAUSE

The Board of Education of Canton Central School hereby recognizes the Canton Central School Secretarial Association as the exclusive negotiating agent for all competitive class Civil Service employees of the school district engaged in the performance of clerical, secretarial and stenographic duties.

In accordance with Section 208 of the Civil Service Law of the State of New York, Board recognition entitles the Association to all rights, benefits and protections accorded by law.

ARTICLE II - INSURANCE

- A. Effective October 1, 2008, the District shall provide the St. Lawrence-Lewis Counties School District Employees Medical Plan, as modified by Riders 5 and 6 (see Appendix B), to eligible members who wish to participate. The District shall be responsible for the entire premium cost. The same benefits continue upon retirement, unless changed by a successor agreement.

No later than the 2009-10 school year, a joint committee will review the status of the Rider 5 escalator.

Effective July 1, 2008, unit members who are eligible for health insurance coverage from another source outside the St. Lawrence-Lewis Counties School District Employees Medical Plan may elect not to be covered by the SLL Plan. Unit members who voluntarily elect to drop such coverage shall notify the District by July 1 and will receive the sum of fifteen hundred dollars (\$1500) payable each year thereafter that the member is not covered by the St. Lawrence-Lewis School District Employees Medical Plan. The payment shall be made as follows:

- one lump sum the following June;
- three installments the following November, February, and June; or
- applied to the unit member's Flexible Spending Plan.

Members whose circumstances change only through a qualifying event (e.g., death, layoff or disability of spouse, marital status, etc.) may reapply for coverage at any time. However, the unit member will be responsible for returning a prorated amount of the \$1,500 if coverage is restored during the fiscal year.

- B. A unit member on approved leave of absence may continue his/her health insurance coverage by paying the entire cost of the plan.
- C. The District shall contribute up to \$225 per full-time unit member, and a pro-rata amount per less than full-time member, toward a Dental/Optical and/or prescription drug plan to be selected by the Association and administered by the Association

ARTICLE III - VACATIONS

- A. 1-5 years of service - 12 days
6 years of service - 17 days

One (1) additional day vacation for each two (2) years of service beyond six (6) to a maximum of 20 days.

6 years - 17 days	10 years - 19 days
8 years - 18 days	12 years - 20 days

- B. A newly appointed unit member shall accumulate one (1) vacation day for every month worked between the date of appointment and July 1. Any days accumulated in this manner may be taken between July 1 and the following July 1, hereafter known as the anniversary date. Beginning with the first anniversary date and on each successive anniversary date of continuous service, vacation days will be credited in accordance with the schedule contained in this Contract.
- C. Vacation leave may be accumulated to a maximum of five (5) days in any fiscal year. The unit member may choose one (1) of two (2) options:

1. Accumulated vacation days may be used as vacation the following year, subject to reasonable notice from the employee and advance approval by the District, OR
2. The unit member will receive remuneration equal to one (1) day's pay for each vacation day accumulated at the end of each fiscal year.

ARTICLE IV - WORKING HOURS AND CONDITIONS

- A. Twelve-month unit members will work the school calendar, with all the same holidays and vacations as the teaching staff. The working day will be eight (8) hours including one hour per day for lunch and break time. Any unit member who works more than forty (40) hours in any one week shall receive, at the unit member's option, either: one and one-half times his/her present hourly rate of pay for all hours over forty (40); OR, compensatory time off at the rate of one and one-half times all hours worked over forty (40). Lunch breaks shall be duty free at a location of the unit member's choice. Twelve-month unit members will also work a five (5) hour day from school closing in June to school opening in September. During the summer, any unit member who works beyond the standard 25-hour work week at the request of a supervisor will be compensated at the employee's hourly rate for up to 40 hours, and at one and one-half times the hourly rate for all requested hours over 40, OR compensatory time off at one hour for each hour worked between 25 and 40 hours and one and one-half times all hours worked over 40. The unit member shall choose one or the other.
- B. Ten-month unit members will work the school calendar, with all the same holidays and vacations as the teaching staff. The working day will be eight (8) hours including one hour per day for lunch and break time. Any unit member who works more than forty (40) hours in any one week shall receive, at the unit member's option, either: one and one-half times his/her present hourly rate of pay for all hours over forty (40); OR, compensatory time off at the rate of one and one-half times all hours worked over forty (40). Lunch breaks shall be duty free at a location of the unit member's choice. Ten-month unit members will also work a five (5) hour day from school closing to June 30th and September 1st to school opening.

C. Reimbursement for Education & Training Expenses

A unit member who wishes to be reimbursed for the cost of coursework or training programs must apply for and receive prior approval from his/her immediate supervisor and the Superintendent before enrolling in a course or program. Such coursework or training must offer the potential for benefiting him/her in the performance of his/her duties in the District. The decision to approve a course or training program for reimbursement is an administrative prerogative and is not subject to the Grievance Procedure.

Reimbursement shall be provided only for the cost of tuition or registration fees. Such payments will be issued in October and February upon receipt of a completed form to be provided by the District documenting the expenses for which reimbursement is being claimed and verifying successful completion of the course or program.

ARTICLE V - NEW OR VACATED POSITIONS

The Secretarial Association President will be notified in writing before the position is filled of any new support staff position created by the Board of Education or of any support staff position that becomes vacant.

ARTICLE VI - SICK LEAVE

- A. All unit members shall accumulate sick leave at the rate of one and one-half (1½) days for each month of service up to a limit of 200 days.
- B. Effective July 1st each year, each unit member will receive credit for the total sick leave he/she will earn during the coming year.
- C. This sick leave may include personal illness or sickness in the immediate family. The unit member shall determine what constitutes "immediate family." However, paid family sick leave

shall not exceed twenty (20) days a year and shall be in conformance with the remainder of this section. (Additional unpaid leave may be available under the Family and Medical Leave Act.)

The intent of this provision is to permit unit members to care for ill or injured family members where such personal care and attention may be required or advisable from the standpoint of the family member's recovery.

This provision may also be utilized to accompany a family member(s) for rest or recuperation:

- where the family member resides outside of the state;
- where the family member(s) would be traveling outside of the state;
- only when all of the following criteria are met:
 1. a written statement is provided from the doctor who has been caring for the family member, specifying:
 - a. that it is necessary for the patient's recovery that he/she travel to the new location (in situations that apply);
 - b. that it is necessary for the patient to have someone present:
 2. a written statement from the unit member giving justification why he/she must be the one to be present with family member. (The District is entitled to receive this written justification; not to judge its validity.)

If 1 and 2 (above) are complied with, then this provision may be utilized for a unit member to accompany a family member(s) for rest or recuperation where the family member would be traveling to a location outside of the state.

If it can be substantiated that any of the information supplied by the unit member when requesting this leave was supplied with the unit member's knowledge that it was false or incomplete in any meaningful way, then the District shall:

1. place a letter of reprimand in the unit member's file;
2. deduct from the unit member's salary the amount of money paid the unit member for those days under this provision relative to the falsified or incomplete request;
3. be permitted to deny future requests for this type of leave for a period of two (2) years (even in situations where the criteria for taking such leave have in all other respects been met).

This does not require the District to deny such requests; it does allow it.

- D. If any sick leave provision in any of the district's other non-instructional bargaining units changes during the term of this agreement and exceeds the sick leave benefits contained in this Agreement, negotiations will be re-opened on this sick leave provision.
- E. If a unit member loses time due to an accident on the job, he/she shall not lose accumulated sick leave for the first sixty (60) school days. He/She shall be permitted to "buy back" days of charged sick leave in excess of sixty (60) days to the District. Compensation insurance payments for the initial sixty (60) days' period shall be returned to the District.
- F. A unit member who becomes ill and unable to work, and has used up all accumulated sick leave, shall be deleted from the payroll, but the school will continue to meet any obligations imposed by the Family and Medical Leave Act regarding payment of health insurance premiums. While off the payroll, the unit member cannot accumulate sick or vacation leave.
- G. Child Rearing
1. The mother or father of a newly adopted child may take up to twenty (20) days from accumulated sick leave.
 2. Upon the request of a unit member, a child rearing leave shall be granted for up to two years and shall be extended upon request provided this total leave time for one birth or adoption does not exceed two years.

Such leaves shall be without pay or benefits, except as provided for in the Family and Medical Leave Act of 1993; however, the unit member shall return to the same or a similar position and shall retain the seniority and leave accumulation and other benefits at the levels in effect when the leave began.

ARTICLES VII - DEATH IN FAMILY

The Superintendent will grant up to three (3) days leave for a death in the immediate family for members of the unit. The unit member will determine which relations are members of the immediate family.

ARTICLE VIII - PERSONAL LEAVE

Unit members shall be granted two days of personal leave per year, cumulative, to four. Unused personal leave in excess of four days shall accumulate as sick leave. Requests shall be submitted at least two days in advance, except in emergency.

ARTICLE IX - ABSENCE WITHOUT PAY

With the prior approval of the Superintendent of Schools, a unit member may be allowed to be absent without pay if an emergency exists that is not covered by other absence regulations. Leave without pay for vacation purposes cannot be considered to be of an emergency nature and will not be approved by the Superintendent of Schools.

ARTICLE X - UNEXCUSED ABSENCE

Unit member absences not covered by the leave policy will result in a deduction of pay for each day's absence based on the daily rate earned by the individual.

ARTICLE XI - LEAVE OF ABSENCE

The Board of Education may grant a leave of absence without pay for a period of one full school year to a unit member upon advance written request. Such request shall be made as early as possible, but in no case later than June 1st preceding the school year for which leave is to be taken.

Such leave may be extended for an additional full school year if requested in writing at least by June 1st in advance of expiration of leave.

Leaves may be terminated only by written resignation or return to employment. Failure of a unit member to begin employment at the expiration of a leave shall be construed as abandonment of position.

Unit members requesting less than a full year leave may be granted such leave at the discretion of the Superintendent.

ARTICLE XII - SICK LEAVE BANK

A. Preface

1. The Canton Central School Secretarial Association will develop a sick leave bank plan which shall consist solely of donations of sick leave days from those accumulated by members of the bargaining unit.
2. C.C.S.S.A. shall be solely and totally responsible for the operation, enforcement, policing of the bank, and maintenance of all records pertaining to the bank.

- a. Bank will be available to all qualified unit members, regardless of whether members of C.C.S.S.A. or not (C.C.S.S.A. retains right to establish uniform minimal qualifications for eligibility).
 - b. C.C.S.S.A. shall transmit accurate, up-to-date records to the District on a monthly basis of all sick leave bank activity. C.C.S.S.A. will immediately inform the District of any change in unit members' accumulated leave as a result of donations to the bank.
 - c. All donated days must come from current accumulated leaves.
 - d. Leave from the bank will not be available for family illness, nor should it be made available to an individual who has used the maximum allowable sick leave for family illness in the year preceding application for leave from the bank.
3. Current regulations concerning the sick leave bank will be transmitted to the District, and the C.C.S.S.A. will promptly inform the District of any changes or update in regulations.
 4. Any dispute concerning operation of the sick leave bank shall be the sole responsibility of the C.C.S.S.A. and shall not be subject to the grievance procedure.

B. Procedure

1. Any bargaining unit member wishing to join the sick leave pool shall submit the appropriate application form to the Association Secretary by the second pay period in September or within thirty (30) days of being hired.
2. Any bargaining unit member who joins the sick leave pool will remain a member until such time as he/she notifies the Association Secretary in writing that he/she no longer wishes to participate in the pool. Any member resigning shall not be able to withdraw any days donated to the sick leave bank.

3. The Association Secretary shall prepare the official list of the individuals in the sick leave pool by the third pay period of the first semester.
4. Each individual electing to join the sick leave pool shall donate two (2) days accumulated sick leave to the pool each September for three (3) years.
5. Subsequent to September 30, 1992, if the total number of days remaining in the sick leave pool falls below ten (10) days, each member shall have one day deducted from his/her accumulated sick leave to reimburse the pool. The Secretary shall notify members when this happens.
6. A Review Committee comprised of all sick leave pool members shall administer the sick leave pool. This committee shall determine eligibility based on need: prolonged illness or a series of illnesses, or some unforeseen emergency. All decisions of this committee shall be final.
7. Decisions of the Review Committee shall be in writing with rationale for the decision. Such rationale shall then become part of the criteria for future decisions.
8. Application for sick leave pool benefits shall be made in writing to the Review Committee. Whenever possible, application shall be made when the applicant has five (5) or more sick leave days remaining. The bargaining unit member making a request for sick leave pool benefits shall submit such additional information as the Review Committee might request as necessary in making its decision.
9. If application is approved, the Review Committee will grant sick leave benefits in amount(s) not to exceed ten (10) days at one time. After these days are exhausted, if more days are requested, the Review Committee will consider the extension of additional days on an individual case-by-case basis.
10. Any current unit member or new hire not electing to join the bank within thirty (30) days of eligibility shall not be eligible again to join until the following September.

11. Any member of the sick leave pool who borrows four (4) or more days within any one (1) year, shall re-donate to the sick leave pool two (2) days of sick leave each September of the next two (2) consecutive years.
12. The foregoing may only be changed by a 2/3 vote of the Association membership by written ballot.

ARTICLE XIII - JURY DUTY

Time to be granted without loss of pay and not to be considered personal leave time. All monies received for jury duty to be returned to the District with the exception of mileage reimbursement.

ARTICLE XIV - JUST CAUSE

No member of the unit may be dismissed, disciplined, reduced in rank or compensation or deprived of any professional advantage without just cause.

ARTICLE XV - ATTRITION

The District will make every effort to reduce staff, when necessary, by attrition. Should a layoff be necessary, the least senior member of this unit shall be laid off, with at least 60 days notice. Any unit member on layoff shall retain the right of first recall for seven years. Seniority shall be from date of initial employment and shall include all paid working days.

ARTICLE XVI - DUES DEDUCTION

The unit member may have the option of choosing to have dues withheld in equal, or nearly equal, payments beginning in September and ending in December or in June from his/her bi-weekly pay.

ARTICLE XVII - AGENCY FEE

Effective July 1, 1987, the Canton Central School District shall deduct from the wage or salary of each employee in the bargaining unit, the amount equivalent to the dues levied by the Canton Secretarial Association and shall transmit the sum so deducted to the Canton Secretarial Association in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The Canton Secretarial Association affirms that it has adopted such procedure for refund of agency shop fee deduction as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of the State of New York. This provision for agency shop fee deduction shall continue in effect so long as the Canton Secretarial Association maintains such procedure.

7. In function of these procedures is to assure equitable and proper treatment under the existing laws, rules, regulations, and policies which relate to or affect the unit member in the performance of his/her assignment. They are not to be used for changing such rules or establishing new ones.

E. Procedures

1. Informal Stage

The aggrieved unit member shall orally present the grievance to the appropriate administrator who shall orally and informally discuss the grievance with the aggrieved member. A grievance must be filed within sixty (60) days of the event giving rise to grievance or the date upon which grievant could reasonably be expected to have known of the grievance, whichever is later. The administrator shall render a determination to the aggrieved member within five (5) days after the grievance has been presented.
