ARTICLE X. GRIEVANCE PROCEDURE

A. Definition - A "grievance" shall mean a complaint by an employee, as defined in Article I, that there has been a violation of any of the provisions of this Agreement. All stages must have Association support to proceed.

The Association shall be permitted to file a grievance without there being an individual employee grievant only in those grievances alleging violations of provisions of this Agreement directly relating to the Association as such.

B. Procedural Stages

1. Step 1 - Building Level

a. Employees having a grievance shall discuss it with their building principal or immediate supervisor with the objective of resolving the matter informally.

The presentation of such a grievance shall take place within twenty (20) working school days following the act or condition which is the basis

of the grievance. Association grievances shall be subject to the same time limitations but may be raised initially at Step 2.

The aggrieved party and the building principal or the immediate supervisor, within ten (10) working school days of presentation of the grievance, shall confer on the grievance with a view of arriving at a mutually satisfactory resolution of the grievance.

The building principal or the immediate supervisor shall communicate his/her decision regarding the grievance to the aggrieved party within five (5) working school days after the conference.

b. If the grievance is not resolved informally, it shall be reduced to writing on a mutually acceptable form and presented to the building principal or the immediate supervisor, with a copy to the Superintendent, within five (5) working school days of receipt of the informal decision. Within ten (10) working school days after the written grievance is presented to him/her, the building principal or the immediate supervisor shall render a decision thereon in writing, a copy of which shall be sent to the aggrieved party, the Association president and the Superintendent.

2. Step 2 - Superintendent Level

The appeal shall be in writing and shall set forth specifically the act or condition and the grounds on which the grievance is based.

Within fifteen (15) working school days of the receipt of the appeal, the Superintendent, or his/her duly authorized representative, may meet with and confer with the aggrieved party on the grievance with a view to arriving at a mutually satisfactory resolution of the grievance. The aggrieved party and his/her representative, if any, shall be given at least five (5) working

school days' notice of the conference and an opportunity to participate.

3. Step 3 - Advisory Arbitration

A grievance dispute which is not resolved at Step 2 may be submitted by the Association to arbitration by notifying the American Arbitration Association in accordance with the AAA Rules. Both the designation of the proceedings shall be conducted in rules and regulations of the AAA. The decision and/or award of the arbitrator shall be advisory.

The cost of the arbitrator and the filing fees shall be shared equally by both parties.

C. General Principles

1. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits shall permit the lodging of an appeal at the next step of the procedure within the time which would have been allotted had the decision been communicated by the final day.

2. If a decision at one step is not appealed to the next step of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement shall be barred.

3. All grievances shall be processed as quickly as possible, and every attempt shall be made to exhaust all steps before the end of the school year, or continued to conclusion at the beginning of the following school year.

4. The aggrieved party may appear alone or he/she may be represented by the Association at any stage of the procedure.

S. Tax Law); provided that the paraprofessional attends the services, if any, for the deceased.

Unit members who are eligible for the \$175.00 incentive payment in a particular year are not eligible for the \$75.00 payment in that same year.

D. Jury Duty

The District shall pay employees on jury duty the difference between their regular pay and their jury duty compensation. This shall be accomplished by employees returning their jury duty fees to the District, except for travel expenses and mileage fees.

E. Personal Business Leave

Unit members shall be entitled to two (2) days of personal leave per year, for the purpose of transacting or attending to personal business which requires absence during work hours. A list of acceptable reasons for such leaves is contained in Schedule A annexed hereto. Except in emergencies, a unit member desiring personal leave hereunder shall give his/her building principal or immediate supervisor written application at least three (3) school days in advance of the day he/she proposes to be absent. Such leave shall be subject to the Board's approval through the Superintendent. Said application shall include the reasons as set forth in Schedule A. Approval will not be denied except in the event of an emergency. Personal business leave shall be used only for the purpose of handling personal affairs which cannot be transacted on the weekend or after work hours. It is not for casual or indiscriminate use.

For newly hired full-time teaching assistants, the District shall make payment as set forth above, provided that signed applications are on file in the business office by the first day of work, effective on the first day of work. The District shall have no obligation thereafter until proper application has been received by the District, and then only effective on the first day of the month following the receipt of such application.

Employees shall not be eligible for health insurance by the District if they are eligible for coverage under the plan of a spouse, provided the spouse's coverage is comparable to the health insurance plan being provided by the District for other full-time members of the bargaining unit. This shall not preclude the employee from enrolling for coverage at a time when he/she is aware that the spouse's coverage will terminate. The enrollment date shall not allow for dual coverage.

Members of the unit who withdraw from the District's plan during the life of this agreement shall receive \$700 if they were covered by the family plan, and \$500 if they were receiving individual coverage, provided they remain uncovered under such plan for a period of twelve (12) consecutive months. Such payments shall be made at the end of the twelve (12) month period. Thereafter, such employees shall receive \$250 in the first pay period of

December, provided the employee has not received the initial payment within six (6) months. Nothing contained herein shall preclude a member from reentering the plan within the twelve (12) month period provided, however, that in the case of a member who reenters in less than twelve (12) months no payment shall be made. After the twelve (12) month period, such member may only reenter the plan if he/she is no longer covered by the comparable plan of a spouse.

The District may switch carriers to another plan providing comparable coverage to the statewide plan. At least ninety (90) days' notice shall be given to the Association. Such switch may not be made unless the District has switched for at least one other bargaining unit in the District.
