### ***Rights of the Association***

1. Upon reasonable notice, the Association shall be permitted reasonable use of school facilities for meetings related to Association business, which shall take place outside of school hours.
2. The Association shall have the right to post notices of its activities and matters of Association concern on a school bulletin board in each school building which shall be designated by the administration for such purpose. The Association may make use of the interschool mail service for communication to members of the unit. Without limiting the generality of the foregoing, it is expressly understood that such service may not be used for partisan political purposes in the aid of any candidate for public office.
3. The Association shall be provided copies of all mailings to the District residents which are relevant to the health services.
4. When an individual is hired by the District as a school nurse, the president of the Association shall be notified in writing, which shall state the name, address, position, step and assignment of the individual. Said president may examine salary records of such employee upon request.
5. The Association shall advise the District of the names of its authorized representatives and their alternates, if designated, and any change of such authorized representatives.

## **ARTICLE III**

### ***Individual Employee Rights***

1. All actual or expected openings in professional position or vacancies in existing or newly created positions, including but not limited to, elementary and secondary schools, and summer school, shall be filled in the following manner:

The job position or vacancy shall be posted on each bulletin board in each building in the district and shall be advertised in any other manner for at least five (5) days.

When vacancies occur during the summer, it shall be the responsibility of the administration to notify each member of the nurses' association unit. All applications from the nurses' association unit members received within ten (10) days of the time of such notice shall be considered by the administration.

In the filling of the position(s) involved, the administration should give primary consideration to presently employed nurses over those applicants from outside the district.

2. In the interest of staff and pupil health, a physical examination by a New York State licensed medical doctor is required of any person newly employed by the District as a school nurse.

The school physician shall prepare forms needed to properly evaluate the physical condition of employees for the tasks they perform.

The District will require, at employee expense, a chest x-ray of any school nurse having a positive skin test for tuberculosis.

#### **ARTICLE IV**

##### ***Leave Policies***

##### **Sick Leave and Personal Leave**

Nurses shall be allowed a maximum of 14 sick leave days per year without loss of pay, three of which may be used for personal leave days. Sick leave shall be interpreted to mean absence due to personal illness, illness of spouse, significant other, parents, dependent children or dependent stepchildren, and religious beliefs. A maximum of two days annually may be used for religious observance. [Personal leave shall include compelling personal business that cannot be transacted at any time except during school hours. It is understood that personal leave does not include recreational activities, vacation, marriage, honeymoon, etc. Unused personal leave days shall be added to unused sick days, accumulating to a total of 200 days of sick leave. A job-incurred injury shall not be charged against sick leave. Each nurse shall receive a written notification of accumulated sick leave days within the first month of each school year.]

##### **Absence for Death in the Immediate Family**

Each nurse shall be entitled to a maximum of five days for death in the immediate family. "Immediate family" shall be understood to mean: husband, wife, son, daughter, father, mother, mother-in-law, father-in-law, son-in-law, daughter-in-law, sister, brother, stepchild, significant other or any dependent living within the immediate household. These days shall be exclusive of sick leave and non-cumulative.

### **Absence to Attend Funeral of Close Relative**

Each nurse shall be entitled to one day to attend the funeral of a close relative. "Close relatives" are to include either the nurse's or spouse's aunt, uncle, niece, nephew or grandparents. This day shall be exclusive of sick leave and non-cumulative.

### **Extended Illness**

In the event a nurse has used all his/her accumulated sick leave, he/she shall receive a special sick leave compensation, based on the difference of his/her daily salary rate and the District's daily rate for substitutes, for five (5) days of each year of service to the District. Credit for years of service in computing special sick leave will only be granted once for each year of service. Any further request for sick leave compensation shall be referred to the Board.

### **Court Attendance**

Each nurse who serves as a juror during the school year shall continue to receive his/her school district salary. Jury duty pay, in turn, shall be given to the school district. However, nurses should give consideration to postponing their jury duty to such times when school is not in session.

In cases where court attendance is required, a nurse shall receive his/her salary to a maximum of five (5) days per school year. However, if such absences shall exceed this limitation, the matter shall be referred by the superintendent to the Board for special consideration.

### **Maternity and Child Rearing Leave**

1. Upon written request, a nurse shall be granted a leave of absence for the duration of the school year in which the request is made up to one (1) year for the purposes of child care and child rearing. Upon further request by the nurse, said leave will be extended for an additional school year for each pregnancy. In no event shall this leave of absence exceed two (2) years. Said leave shall be without pay. The nurse shall have the option of applying to have the leave commence prior to the birth of the child.
2. Except where an emergency prevents the giving of such notice, the nurse's written request for a child care and/or child rearing leave shall be made to the Superintendent or his/her designee at least thirty (30) days prior to the effective date on which the nurse's leave is to begin.
3. A nurse who is adopting a child (i.e. three (3) years of age or less) shall be entitled, upon ninety (90) days prior written notice, to a leave of absence without pay for a period not to exceed two years to commence at any time during the first year after receiving de facto or de jure custody of said infant child or prior to said custody, if necessary, in order to fulfill legal requirements for adoption. Such 90 days prior notice may be waived in part or in

whole under unusual circumstances in the sole discretion of the Superintendent.

4. Provided sixty (60) days written notice be given to the Superintendent, a nurse returning from leave of absence pursuant to paragraphs "1" - "3" inclusive, shall have the right to be restored to the same position which such nurse held at the time said leave commenced. In the discretion of the Board, the date of restoration to service shall be the date of commencement of the semester following such sixty (60) days notice. A condition of such restoration, in the case of a nurse who exercised his/her leave rights pursuant to paragraphs "1" - "4" shall be his/her ability to perform the normal duties of nurse. In the event a position to which a nurse would otherwise have the right to be restored shall have been abolished, the Board of Education shall make every reasonable effort to place the excessed nurse in an appropriate position in the District.

**Absence-by-Request:**

Absence-by-Request means absence beyond the leave policy which has been approved in advance by the Superintendent as justifiable because of urgently extenuating circumstances. Absence-by-request shall not exceed a maximum of five (5) days in a given school year and shall not be granted for vacation or recreation. Salary deduction for absence-by-request shall be made at the rate of 1/200 of the nurse's annual salary.

**ARTICLE V**

***Conditions of Employment***

1. The nurses' work year shall consist of 184 days, including two additional seven hour work days which do not have to be consecutive seven hours within a given day. Scheduling of such days will be done by the Principal after consultation with the nurse. Said days will be for the purpose of attending Superintendent's conferences, attending in-service education, school physicals and/or preparation of the building for the opening and closing of school. If any nurse works more than 184 days, they shall be paid for the additional days at the per diem rate of 1/200 of their annual salary. The high school nurse will work up to five additional days at the per diem rate of 1/200. Said days are to be approved by the high school principal.
2. The length of the nurse's work day shall not exceed seven and one quarter (7 1/4) consecutive hours, with the exception of attendance at Association meetings, meetings with parents, school athletic physicals for children in the building to which the nurse is assigned and such other obligations as are required by this Agreement. building for lunch after notifying the Principal.

4. Any nurse assigned to St. Raymond's School shall work the St. Raymond's calendar.
5. If the need arises and the administration requests that a nurse work extra hours, that nurse will be paid time and one-half for time worked over and above the normal 7 ¼ hour school nurse contractual day. Said hourly rate will be calculated on a per diem rate of 1/200 of said nurse's annual salary.
