AGREEMENT entered into by and between

BROOME COMMUNITY COLLEGE and COUNTY OF BROOME (hereinafter collectively referred to as Employer, County, or College),

and

BROOME COMMUNITY COLLEGE EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION (hereinafter referred to as BCC ESPA and/or Association).

RECOGNITION

The Employer recognizes BCC ESPA as the sole and exclusive representative of all full-time 10 and 12 month Broome Community College employees in titles set forth in Schedule C.

ARTICLE 1 - Purpose

The general purpose of this agreement is to set forth terms and conditions of employment, and to promote orderly, harmonious and cooperative labor relations for the mutual benefit of the Employer and BCC ESPA.

ARTICLE 2 - Applicable Law

1. If any provision of this agreement is or shall at any time hereafter be held contrary to law by a court of competent jurisdiction, then such a provision shall not be applicable, performed, or enforced, except to the extent permitted by law; all remaining provisions of this agreement shall continue in effect, and the parties shall reconvene and attempt to negotiate a satisfactory replacement.
2. The waiver of any breach or condition of this agreement by either party shall not constitute a precedent in the future enforcement of the terms and conditions herein.
3. The provisions of this agreement shall be applied equally to all employees eligible for membership in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, disability or handicapping condition. The parties shall share equally in the responsibility of implementing this provision of this agreement.

ARTICLE 3 - Reciprocal Rights

1. The Employer recognizes the rights of employees to be represented by BCC ESPA for the purpose of negotiating collectively with the Employer in the determination of terms and conditions of employment and the administration of grievances arising thereunder.
2. BCC ESPA recognizes the right of the Employer to retain and reserve unto itself all rights, powers, authority, duties, and responsibilities conferred upon and vested in it by the Laws and Constitution of the State of New York and/or the United States of America. The exercise of these rights, powers, authority, duties and responsibilities by the Employer and the adoption of such rules, regulations and policies as it may deem necessary, as they apply to the employees covered by this agreement and represented by BCC ESPA, will be limited only by the specific and expressed terms of this agreement. The right to select, retain, transfer, or discharge employees is exclusively that of the Employer, providing it is not used for the purpose of discrimination because of membership in the BCC ESPA and is in accordance with the other provisions of this agreement.

3. The BCC ESPA shall have the sole and exclusive right with respect to other employee organizations to represent all employees in the hereinafter defined negotiating unit in any and all proceedings under the Public Employees Fair Employment Act; under any other applicable law, rule, regulations, or statute, under the terms and conditions of this agreement; to designate its own representatives and to appear before any appropriate official of the Employer to effect such representation; to direct, manage, and govern its own affairs; to determine those matters which the membership wishes to negotiate and to pursue all such objectives free from any interference, restraint, coercion, or discrimination by the Employer or any of its agents. The BCC ESPA shall have the sole and exclusive right to pursue any matter or issue, including but not limited to, the grievance and appeal procedure in this agreement and to pursue any matter or issue to any court of competent jurisdiction, whichever is appropriate; and shall not be held liable to give any non-member any of its professional, legal, technical, or specialized services.
4. On or about October 1 of each year the Employer shall furnish to the President of BCC ESPA a list of the employees covered by this agreement, showing title, salary, and date of employment of each employee, and stating whether the employee is a member of BCC ESPA.
5.
 - a. Any employee covered by the provisions of this agreement shall be free to join and to take an active role in the activities of BCC ESPA or to refrain from joining the BCC ESPA without fear of coercion, reprisal, or penalty from the BCC ESPA or the Employer.
 - b. An employee may bring matters of personal concern to the attention of the appropriate Employer representatives and officials in accordance with applicable laws and rules, and may choose his own representative or may appear alone. In any matter involving a grievance or an interpretation of this agreement resulting in a decision contrary to present practice, the BCC ESPA shall be notified of such decision.
 - c. Adhering to the principle that duties and obligations come with rights and privileges, the BCC ESPA agrees to do its utmost to see that its members perform their respective duties loyally, efficiently, and continuously under the terms of this agreement. The BCC ESPA and its members will endeavor to protect the interests of the Employer and the community, to conserve its property, and to give service of the highest quality at all times.

ARTICLE 4 - No Strike Pledge

BCC ESPA affirms that it does not assert any right to engage in a strike against the Employer or to cause, instigate, encourage, or condone a strike or to impose any obligation upon its members to cause, instigate, encourage, or condone a strike.

ARTICLE 5 - Dues Deductions

1. Any full-time employee who is an Association member must maintain membership in the BCC ESPA or have an agency shop fee deducted from his/her wages or salary in an amount set by the Association.
2. Pursuant to plans certified by the Association and as any member thereof shall individually and voluntarily authorize in writing on forms prescribed by the Association, the Employer shall, on a twice monthly pay period basis, deduct from the wages of the employee in the bargaining unit the regular Association membership dues and remit the same to such location as the Association may designate. Dues deductions shall occur bi-weekly year round. Dues deductions may only be canceled by instrument in writing. The Employer shall promptly notify the Association of the receipt of any such revocation notice.
3. The College agrees to deduct from the wages of all employees in the negotiating unit who are not members of the Association, an agency fee in the amount equivalent to the unified dues of the Association and to

promptly transmit the sums so deducted to the Association along with the dues from its members, on a bi-weekly basis.

4. It is understood and agreed the provisions of this article shall be subject to the requirements of applicable law. The Association agrees to indemnify and save the College/Employer harmless from any and all claims, suits, judgments, attachments, and from any other form of liability arising out of or resulting from any deduction from wages made in accordance with this article.

ARTICLE 6 - Grievance Procedure

Declaration of Principle. The Employer and the Association acknowledge the necessity for a grievance procedure to handle the administration of grievances as defined hereunder.

Subject Matter. The term "grievance" shall mean any claimed violation, misinterpretation, or inequitable application of the terms and conditions of employment specifically covered by one or more of the provisions of this agreement; provided, however, that such terms shall not include the creation of new positions, discontinuance of existing positions, retirement benefits, disciplinary action, or assignment of personnel.  - d. An employee shall not be coerced or intimidated or suffer any reprisals either directly or indirectly that may adversely affect his hours, wages, or working conditions as the result of the exercise of his rights under this article.
3. In lieu of the procedures and rights contained in Section 75 and Section 76 of the Civil Service Law, an employee may elect to proceed under the following provisions:

Any other matter which will be alleged by the Employer to be relevant to the questions of the penalty or punishment to be recommended must be introduced at the hearing in order to be considered. Upon written demand therefor, made within ten (10) work days after the charges have been served, the employee shall be entitled to copies of all written reports and records in the custody of the Employer which will be relied upon at the hearing. Such reports and records shall be furnished within ten (10) work days before a hearing is scheduled.
- d. An employee who elects to proceed pursuant to the procedure provided for herein shall do so in writing at least seven (7) working days after service of charges upon such employee. - e. The method of selection and the selection of the panel referred to above and the method of designation of the hearing officer for a particular case shall be agreed upon by the Employer and BCC ESPA; provided, however, that it is presently contemplated that the essential method of selection of the hearing officer for a particular case shall be by agreement and, failing such agreement, then by lot from the panel established under subdivision 3(a).
- f. This section shall in no way apply to any employee terminated for any other reason than reduction in the work force.

College Administration may implement evening hours one night per week in the following offices during the Fall and Spring semesters: Admissions, Financial Aid, Registrar's Office, Student Accounts and Academic Advisement Center. Should the scheduling of evening hours become necessary in other areas the administration shall bargain the impact of such scheduling.

Staffing will be provided following the procedures outlined below:

- A list of all department personnel by seniority shall be established and mutually agreed upon by the parties involved. Said list shall be posted each month in a conspicuous place in the department.
- Said work hours shall be offered to the individual(s) starting at the top of the list and progressing downward for each new assignment.
- Acceptance or rejection of the assignment moves the individual(s) to the bottom of the list.
- Should there be no volunteers, the established procedure will be:
 - i. A list of all department employees by inverse order of seniority shall be established and mutually agreed upon by the parties involved. Said list shall be posted each month in a conspicuous place in the department.
 - ii. Each employee will work the evening hours for the department in the order stated above. Upon working said hours the individual(s) will be moved to the bottom of the list.
 - iii. All employees are expected to perform their share of evening hours. Should special conditions prevail where an employee cannot work the specified assignment, a mutual agreement must be struck between BCC ESPA, the supervisor, and the employee.
- When the aforementioned work hours are determined, the department head shall file a complete schedule of employees' working hours with the Human Resources Office and the Security Office.
- In all departments with employee's working past 5:00 p.m. it is the department head's responsibility to file with the Human Resources Office and the Association the supervisory system to be used.
- b. The basic work year for all employees shall be either a 10 or 12 month basis. Employees appointed to 10 month positions shall be affected by the following provisions:
 - i. The work year for any employee presently covered by this agreement as of the signing date of this contract shall be on a 12 month basis, unless the employee volunteers otherwise.
 - ii. The work year for all 10 month employees will be from August 1 to May 31.

- iii. Vacation and sick time will accrue based upon the number of months worked in accordance with rates specified elsewhere in this contract.
 - iv. The employee will be granted those holidays, according to Article 20, which fall within the year worked.
 - v. Salary will be determined as discussed in Schedule A.
- c. Maintenance Department employees, Couriers, Laboratory Assistants, Campus Safety and Campus Peace Officers, shall work forty (40) hours per week.
 - d. Establishment of working hours shall be within the discretion of the department heads, who shall file a complete schedule of employees' working hours with the Human Resources Officer.
 - e. The Employer is specifically authorized to develop and implement a voluntary "flex-time" program.
 - f. Breaks, which shall in no event exceed ten (10) minutes each, will be allowed in the morning and the afternoon. The breaks shall in no way be used to shorten the work day, extend the lunch hour, or interfere with the operation of an office or department.
 - g. Employees covered by this agreement shall have the privilege of free parking as long as the facilities are available.
- 2. Each department shall maintain a daily record of the attendance and punctuality of each employee. Department heads are required to furnish the Human Resources Office a record of all time when an employee is absent from his position for any reason whatsoever.
 - 3. Each department may establish reasonable rules, schedules, and penalties governing tardiness. Any penalties provided in such rules shall not preclude disciplinary action in cases of excessive tardiness.
 - 4. In the event of public transportation difficulties, strikes, severe storms, or floods, or similar uncontrollable conditions directly affecting an employee, tardiness may be excused by the President. The President may, at his/her discretion, dismiss employees prior to the closing hours.
 - 5.
 - a. Employees shall be paid their straight time rate of pay for all work performed up to forty (40) hours per week. Employees shall be paid time and one-half their regular straight time rate of pay for all work performed in excess of forty (40) hours per week. The rate from which authorized overtime shall be computed shall be determined by dividing the base salary plus longevity of a given employee by the number of work hours in a calendar year as determined by the basic work week. When computing overtime, sick leave, vacations, holidays, and all other approved paid leave time shall be counted as time worked.

Work performed Saturday, which is beyond the normal work week, shall be compensated for at one and one-half times the normal hourly rate. Payment for overtime shall be in accordance with the Fair Labor Standards Act.

For Campus Peace and Campus Safety Officers - the normal work week shall be Sunday through Saturday. During the Spring and Fall semester the typical work week shall be Monday through Friday. However, work week schedules for these employees may be modified at the discretion of the Director of Campus Safety & Security to fill open shifts on weekends and provide coverage for weekends between the Fall and Spring Semesters. When modification of the typical work week is required for Campus Peace and Safety Officers the Director shall attempt to fill shifts on a voluntary basis. When the shifts cannot be filled on a voluntary basis, assignments shall be made based on inverse seniority.

Campus officers are expected to report for duty and be in uniform so that they are available to respond to a situation at their starting hour and required to maintain availability throughout the day with radios on regardless of lunches and breaks. Their work day shall be as follows:

The regular work day or work shift for Campus Peace Officers and Campus Safety Officers shall consist of eight (8) consecutive hours including a paid lunch period of one-half (1/2) hour. The regular starting and quitting time shall be within the shift hours identified in the current contract to be assigned at the discretion of the Director of Campus Safety.

Shift Switching Policy – Campus Peace and Campus Safety Officers may switch shifts or pass days if both officers involved agree. The Director’s approval must be obtained prior to the switch. No switch will be approved that will cause overtime to be incurred by either officer.

b. Employees may be granted compensatory time at straight time in lieu of work performed in excess of their basic work week and less than forty (40) hours a week. Employees working over forty (40) hours a week shall receive compensatory time of one and one-half (1-1/2) hours for each hour worked in excess of forty (40) hours a week. All compensatory time shall be utilized within ninety (90) days of its accrual, except as may be otherwise authorized. Compensatory time accruals shall be in accordance with the Fair Labor Standards Act.

c. The following policy is to be followed in the Maintenance Department for awarding overtime assignments:

- i. In principle, all overtime assignments offered to Maintenance personnel will be made as follows:
 - a. A list of all Maintenance Department personnel by seniority shall be established and mutually agreed upon by the parties involved. Said list shall be posted each month at a conspicuous place in the Maintenance Building.
 - b. Overtime shall be offered to the individual(s) starting at the top of the list and progressing downward in order for each new assignment.
 - c. Acceptance or rejection of the assignment moves the individual(s) to the bottom of the list. This will facilitate sequential offers of overtime.
 - d. Any employee who accepts or is scheduled for overtime work and who does not show for that work shall be removed from the list for a period not to exceed one (1) month.
 - e. When an individual has been scheduled for overtime and does not call one-half (1/2) hour before scheduled or does not show up, the supervisor shall be allowed to replace that individual with whomever he/she may find available.
- ii. The initial list will be made up according to seniority at Broome Community College. The most recent appointee is at the bottom, the first appointee is at the top. Should two individuals be appointed on the same day, alphabetical order of last name shall prevail. All new appointees automatically shall be listed at the bottom of the list.
- iii. The list shall be updated by the Maintenance Supervisor after each overtime assignment at the locations where said lists have mutually been agreed will be placed.

- iv. Should a particular overtime assignment require the expertise of a skilled nature (e.g., plumber, electrician, carpenter, motor equipment operator, snow plow operator), it is not required to contact the person on the seniority list. In no way should any other special assignments be used to circumvent the concept of the overtime agreement.
 - v. All employees are expected to perform their share of overtime work. Should special conditions prevail where an employee does not desire to be called on overtime assignments, a mutual agreement must be struck between the BCC ESPA, the supervisor, and the employee. Employees approved for non-overtime assignments must signify so in writing. Such statement will automatically remove the employee's name from the overtime list for thirty (30) days at which time he/she will automatically be reinstated on the list.
6. When an employee is absent without authorized leave for a period of five (5) working days, such absence shall be deemed to constitute a resignation, effective on the date of the commencement of such absence. The failure of the employee to return to his/her position within five (5) work days following the expiration of a leave of absence, or an extension thereof, shall constitute a resignation which, for purposes of determining eligibility for reinstatement, shall be deemed to be effective as of the date of the commencement of such leave of absence. Nothing herein shall be deemed to excuse the unauthorized absence of an employee or his/her failure to return to his/her position upon the expiration of an authorized leave of absence, and any such failure may be regarded as misconduct in an appropriate disciplinary proceeding.
 7. When an employee is called to work other than his/her regular schedule, he/she shall be entitled to his/her pay computed at time and one-half or a minimum pay for four (4) hours of work computed at his/her regular rate, whichever is greater.

ARTICLE 20 - Holidays

1. Employees shall have thirteen (13) holidays each College year (9/1-8/31) with no loss in salary. The holidays will be determined by the College's academic and administrative calendars.

The thirteen days are as follows:

New Year's Day	Columbus Day
Dr. Martin Luther King, Jr., Birthday	Election Day
Washington's Birthday	Veteran's Day
Lincoln's Birthday	Thanksgiving Day
Memorial Day	The day after Thanksgiving
Independence Day	Christmas Day
Labor Day	

Holiday pay and/or compensatory time shall be awarded for any holiday on which employees are required to work.

When compensatory time is granted for holidays which conflict with academic calendar, the employee must use such time during the College fiscal year in which it was earned (9/1-8/31).

2. Any full-time employee covered by this agreement appointed as of September 1 to a regular budget line shall be eligible for holiday pay from the first day worked following the date of appointment, unless otherwise specified in the letter of appointment.

3. Full-time employees must work or be covered by vacation, sick leave credits, or educational leave on the work days immediately preceding and following holidays in order to receive pay for the holiday.
4. Temporary employees employed on a full-time basis for four (4) consecutive months shall become eligible for holiday pay.
5. Employees required to work holidays when school is closed by virtue of regularly scheduled classes not being held shall receive additional compensation. The minimum compensation for such work will be the equivalent of the sum paid for four (4) working hours at regular rate of pay. If an employee shall work a holiday when school is not in session, as above, he/she shall be entitled to his/her pay computed at double time or a minimum pay for four (4) hours of work computed at his/her regular rate, whichever is greater. The compensation shall be in addition to the holiday pay to which the employee would normally be entitled.
6. Employees who are scheduled to and who do work holidays shall receive compensatory time off.
7. On the day before the Thanksgiving holiday, the third shift shall report to work at 5:00 p.m. and will work a normal eight (8) hour shift.
8. Holiday Curtailment (December) - Effective beginning December 2007 when the College closes between Christmas and New Years, (also known as holiday curtailment) no vacation time will be charged for the curtailment period as approved by the College. If a unit member is assigned to work a day during the holiday curtailment period by their supervisor, they will be granted a compensatory day in lieu of the curtailment day worked. Compensatory days must be used no later than August 31 of the academic year in which they are earned.

ARTICLE 21 - Vacation

1. Vacation time shall be accrued on a monthly basis and determined as follows:

<u>Years of Full-Time Continuous Service</u>	<u>Days Accrued</u>	<u>Monthly Accrual in Hrs./Mo.</u>	
		<u>37.5</u>	<u>40 hr.</u>
Start to 5 years	14	8.75	9.33
After 5 years	18	11.25	12.
After 15 years	21	13.13	14.

2. Years of service for the purpose of calculating vacation accrual shall be full-time continuous service. In no event shall leave of absence time in excess of six months be used in the computation of years of continuous service.
3. The vacation year shall be defined as September 1 to August 31 of each year. Vacation accrued during the vacation year shall be used during that vacation year except as provided in Section 12 below.
4. The employee shall be entitled to additional vacation time upon completion of the continuous service requirement. The level of an employee's additional vacation entitlement shall be determined and become available on the employee's employment anniversary date.

As of September 1, 1993, any employee whose level of vacation entitlement is greater than 21 days will continue at the same level.

5. Vacations will be granted, so far as practicable, at times most desired by employees. If conflicts arise between employees as to vacation preference, the first tie breaker shall be seniority in title and the second shall be seniority in that department, and the third shall be seniority on campus. The final right to allot vacation period and to change such allotments is exclusively reserved to the employee's Department Head, taking into consideration the timeliness of conflicting requests and other circumstances in order to insure the orderly operation of the College.
6. Vacation shall be granted only at such time as work of the department will permit. Vacation schedule for each department will be arranged by department heads in June, July, or August, if possible.
7. So far as practicable, all earned vacation and compensatory time shall be taken prior to transfer but, where not taken, the employee shall receive any earned vacation and compensatory time due him/her in the department to which he/she is transferred.
8. Vacation days and compensatory time which are to be deducted are to be only those days which the employee would have normally had to work.
9. No vacation time or compensatory time is accumulative for any period when the employee is absent without pay.
10. Money for any accrued vacation or compensatory time due an employee who resigns or retires will be paid to the employee. Similarly, the estate or beneficiary of a deceased employee will be paid for any accrued vacation or compensatory time.
11. Any employee discharged for cause shall be entitled to one (1) day's vacation for each consecutive month worked in the current calendar year only, plus any carry-over from the previous year as set forth in this agreement. Such accumulation per month is limited to the maximum vacation allowed for the employee's continuous years of service.
12. An employee may carry over up to twenty-one (21) days of accrued vacation.
13. No credit for vacation leave shall be allowed unless the employee shall have worked at least fifty percent (50%) of the working days of the calendar month.

ARTICLE 22 - Sick Leave

1. After completion of one (1) month of continuous service, employees who occupy a permanent line item shall be entitled to accumulated sick leave as hereinafter provided from the time of their employment.
2. A credit of sick leave shall be allowed at the rate of one (1) working day per month for each month of service. No credit for sick leave shall be allowed unless the employee shall have been on full pay status at least fifty percent (50%) of the working days of the calendar month.

Sick Leave Accumulation:

Sick leave credits may accumulate to one hundred ninety (190) days.

3. Sick leave with pay may be granted by a department head to an employee when incapacitated or unable to perform the duties of his/her position by reason of:
 - a. Sickness or injury.

- b. Serious illness in the employee's immediate family, requiring care and attendance of employee, not to exceed ten (10) days in any one (1) year. In extenuating circumstances ten (10) additional days may be utilized for this purpose.
- c. Quarantine regulations.
- d. Medical or dental visits.

The term "immediate family" as used herein shall include spouse, child who lives at home, mother, or father who are actual members of the employee's household, or any relative who is an actual member of the employee's household.

Where the employee's mother or father is not an actual member of the employee's household, the employee may use accrued sick leave to attend to the illness of such mother or father. Such sick leave shall not exceed five (5) days per year.

- 4. When absence is required, the employee shall report same to the department head within one-half (1/2) hour of the stated working hours. In departments and in positions requiring replacement in case of absence, the time for reporting absence shall be at the discretion of the department head filed with the Human Resources Office. In case of failure to report within the stated time limit, unless for reasons satisfactory to the department, the absence shall not be deductible from sick leave but shall be considered as time off without pay.
- 5. Before absence for personal illness may be charged against accumulated sick leave credits, after five (5) consecutive days of such absence the Employer shall require proof of illness as may be satisfactory to it or may require the employee to be examined at Employer's expense by a physician designated by Employer. In the event of failure to submit proof of illness upon request or in the event that upon such proof as is submitted, or upon report of medical examination, the Employer finds that there is not satisfactory evidence of illness sufficient to justify the employee's absence from the performance of his/her duties, such absence may be considered as unauthorized leave and shall not be charged against accumulated sick leave credits.
- 6. Each department will maintain an accurate record of the attendance and sick leave status of each employee. The department head shall give to any employee upon request a record of the accumulated sick leave credits.
- 7. In case of transfer to a department of Broome County, accumulated sick leave shall be transferred with the employee.
- 8. Absence for less than one-half (1/2) day shall be chargeable to sick leave unless the Supervisor approves an equivalent amount of make-up time.
- 9. An employee injured in the course of employment may elect to use his/her sick leave in lieu of benefits under the Workers' Compensation Law provided he/she is entitled to sick leave credit. In such a case, the Employer shall submit a written request to the Workers' Compensation Board requesting that the College be reimbursed at the compensation rate for the period of sick leave used by the employee out of any award that may be made by the Workers' Compensation Board.

Sick leave time used by an employee for an absence occasioned by any injury incurred during the course of his/her employment and covered by or under the Workers' Compensation Law will be reinstated to the degree the Employer is reimbursed by the Compensation Board only when the Workers' Compensation Board has determined and made an award indicating benefits are due for the period of absence in question. It is further understood and agreed that a condition for such reinstatement in full of sick leave time shall be

that the employee shall not again use such accumulated sick leave time for any future or subsequent absence in any way occasioned by or related to such work incurred injury. Unusual cases shall be subject to review and consideration of the County Department of Risk & Insurance and of the College Human Resources Office.

10. Abuse of sick leave privileges shall be grounds for disciplinary action.
11. Compensation in cases where employees return from sick leave and work less than full time under physician's orders shall be compensated at a rate apportioned to the time they work based upon their annual salary as established in the budget. The employees shall file with the Human Resources Office a copy of the physician's order requiring part-time employment. The part-time employment shall not exceed a period of three (3) months after return from sick leave.
12. There shall be established a mandatory Sick Bank Program to be administered by a five (5) member Administrative Committee. Two (2) members shall be selected by the President or designee and three (3) shall be selected by the BCC ESPA President or designee.

A unit member must join the Sick Bank Program by donating two (2) sick days from his/her accumulation to the Program upon the start of his/her second year of employment and each year until the employee has been in the program for five (5) years.

If the sick bank has seven hundred and fifty days (750) and the unit member has donated for five (5) years, no additional days shall be deducted from a member's sick time until such time that the bank drops below five hundred (500) days at which time all unit members shall donate two (2) days per year until the bank is at seven hundred fifty (750) days.

Once a unit member has started in the Sick Bank Program, the annual deduction of sick days shall occur on September 1 of each year. No more than two (2) sick days shall be deducted during any academic year to maintain membership in the Sick Bank Program. Those having no sick days shall be advanced two (2) sick days.

When an employee, due to prolonged illness, has exhausted his/her sick leave, he/she may apply to the Sick Bank Administrative Committee. Applications shall be approved by the Administrative Committee if they meet all the following qualifications:

- a. Adequate justification.
- b. Verification by a physician.
- c. At least one (1) year of continuous full-time service.
- d. The employee has been out of work for at least twenty (20) continuous days. This twenty day waiting period may be satisfied by any combination of paid or unpaid time off. The waiting period shall be applicable to each occurrence.
- e. The employee has utilized all available sick leave time.

If the above qualifications are met then the applicant may be granted up to fifty (50) days per year from the Sick Bank. Any unpaid time off that is a result of the waiting period shall not constitute a break in service.

Employees whose sick leave absence is covered by Workers' Compensation and who have been granted days by the Sick Bank shall have the Sick Bank days replenished to the extent that Workers' Compensation reimburses the Employer for payment of said days.

Any balance in the Sick Bank remaining on August 31 of each year shall be carried over to the Sick Bank for the following year.

Employees who transfer to the College from another County unit shall be allowed to participate in the Sick Bank in effect at the College. This participation is premised in the employee's being eligible pursuant to the rules of the Sick Bank. Waiting periods shall be construed to mean continuous County employment.

ARTICLE 23 - Bereavement Leave

1. Employees covered by this agreement shall be granted three (3) working days off with full pay either immediately following the death of a member of the employee's immediate family or to be concurrent with the funeral ceremony. Provided, however, that in the event that an excessive amount of travel is involved, the employee may request an additional day of bereavement; such request shall be made by the employee to the President who may grant or deny such request in his/her absolute discretion. Denial of such leave shall not be subject to the grievance procedure.
2. The members of the immediate family are as follows: Spouse, children, stepchildren, mother, father, stepmother, stepfather, brother, sister, grandparent, grandchildren, mother-in-law, father-in-law, son-in-law, daughter-in-law, or any person who is an actual member of the employee's household.
3. Employees may also apply to the President for permission for one (1) day bereavement leave for relatives of the employee or the employee's spouse not listed above.

ARTICLE 24 - Leave of Absence Without Pay

1. Application for leave without pay shall be filed by the employee, on prescribed form, with the department head. The application shall state the reason for the requested leave and the duration thereof. A leave of absence request must be submitted for any absence over three (3) work days not covered by paid time off. Any unpaid time for three (3) days or less may be approved by the President or his/her designee. If approved by the department head, the application shall be submitted to the President. All leaves in excess of ninety (90) days (except medical) shall be submitted to the B.C.C. Board of Trustees for final approval.
2. When an employee has exhausted all of his/her sick leave credits and thereafter, in order, available vacation time, compensatory time, and sick bank time, and is still incapacitated and unable to perform the duties of his/her position, or if the attending physician has recommended a period of rest and convalescence, the President may grant leave of absence without pay for a period not to exceed one (1) year. Medical documentation must be provided before a medical leave will be approved. Documentation is to be supplied on the forms provided by the College.
3. Full-time employees (on a permanent budget line) may be granted leave of absence without pay for the period of one (1) year for the purpose of acquiring additional education, training, or employment experience that will increase the usefulness and efficiency of the employee in his/her position.
4. Leave of absence without pay not to exceed one (1) year may be granted to a permanent employee in the competitive class to enable such employee to serve temporarily in another position in the competitive class. Leave of absence without pay not to exceed one (1) year must be granted to permanent employees to serve provisionally in another position in the competitive class. Leave of absence shall not be granted to enable

an employee to accept appointment to a position in a non-competitive or exempt class except with the approval of the President. Only leave for temporary positions in excess of ninety (90) days will be submitted to the Board of Trustees for approval.

5. Leave of absence without pay for reasons other than those cited in this article shall be granted only in unusual circumstances which justify the granting of such leave.
6. An employee, on an approved leave of absence, accepting employment not previously approved or becoming self-employed will be considered to have resigned from employment with Broome Community College.
7. The parent of a newborn child or an adopted child may be granted a leave without pay to care for the child.
8. Except as may be otherwise provided herein, no fringe benefit authorized by this agreement shall accrue while an employee is on a leave of absence without pay.
9. The maximum amount of leave shall be one (1) year unless the Board of Trustees specifically votes to extend the leave. Any extensions voted by the Board shall be at its sole discretion. Extensions must be handled in the same procedure as initial leaves with the submission of appropriate form or forms in a timely fashion.
10. All leaves under this Article shall be in accordance with applicable terms of the Family and Medical Leave Act.

ARTICLE 25 - Military Leave of Absence

Any employee who is required to render ordered military or naval duty shall be granted military leave of absence pursuant to the Military Law. Any such employee, upon returning to employment within ninety (90) days following the date of military discharge, shall be reinstated at the same salary he/she would have received, including annual increments, had he/she been able to remain on the job.

Every employee covered by this agreement shall be paid his/her salary or other compensation as such employee for any and all periods of absence while engaged in the performance of ordered military duty and while going to and returning from such duty, not exceeding a total of thirty (30) days in any one continuous period of such absence.

ARTICLE 26 - Legal Leave

1. An employee who serves on jury duty shall be paid the difference between pay for jury duty and his/her regular pay.

ARTICLE 27 - Travel on College Business

1. Attention is called to the following extract from Penal Law, Section 175.35:

2. All accounts or statements must be submitted on a standard or approved form and the claim voucher certified by the employee as required for all claims. All items must be accompanied by receipts for rooms, lodging, thruway and other tolls, parking fees, etc. All vouchers submitted without same will automatically be returned to the employee. Employees who use their automobiles occasionally and other employees may elect to submit their claims on a quarterly basis.
3. Claims for mileage must list all business stops and the distance traveled between these stops, except within a city, town or village, in which case all stops must be listed, but if short mileage (less than two [2] miles) is involved, the mileage traveled can be listed after the last stop within such city, town, or village.
4. No mileage reimbursement will be allowed for travel between residence and college campus or other County buildings, except as such reimbursement may be specially authorized by State law or by regulations of the Employer or in cases where an employee starts from residence on official business, in which case mileage claim must so state and give reason therefor.
5. Reimbursement will be based only upon such charges as would actually be incurred by traveling the most direct route, excepting only when the use of expressways, even though not the most direct route, will result in the reduction of travel time.
6. In order to receive reimbursement for mileage at rates hereinafter provided and for travel expense incurred by attendance at conventions, meetings of associations, or organizations, such attendance must have been previously authorized by the President. Such expenses must be listed on a Broome Community College travel voucher and accompanied by hotel bills, convention or meeting registration receipts, airline, bus or train receipts or seat checks, toll, and parking receipts. Taxi fares must be listed separately and receipts are required for these items. Meals are allowed only when obtained outside the County. When claiming taxi fares, starting point and destination must be listed and, if claiming such fares when an automobile is available, reason for such charges must be given. Reasonable customary tipping will be allowed and should be included in the respective taxi charges.
7. When requesting authorization to travel, the request should state the date and time of the anticipated departure from and arrival at the college.
8. When the use of a personally owned car is authorized by the President to operate on business for the college, all regulations herein contained must be observed and the rates of reimbursement herein stated will be allowed in all cases except as otherwise authorized, allowed, and directed by State law. Reimbursement for use of a personal car will be made only when an Employer car is not available.
9. The mileage reimbursement herein provided will be allowed for one person only as the owner of the automobile, regardless of the number of employees traveling in the said automobile on the same trip, in pursuance of college business or to such meetings as may have been previously authorized.
10. All employees traveling outside the County must have authorization to do so, even though they are passengers in a car and do not expect to have any reimbursable expenses.
11. It is intended that the rates prescribed herein shall be maximum and actual expenses only shall be charged. Said rates shall not be exceeded except in such cases and for such employees as are specially excepted and otherwise authorized and directed by State law for particular cases.

12. The mileage rate shall be equal to the mileage allowance pursuant to Federal IRS regulations. Increases shall become effective concurrent with any IRS change.
