The parties agree that it is advantageous to attempt to resolve differences informally and that, in any event, resolution of a grievance at the earliest possible step is agreed to be a most desirable goal.
2. ~~Nothing contained herein will be construed as limiting the right of any employee having a grievance under this Agreement to discuss the matter informally with the employee's supervisor, thus having the grievance adjusted, provided that the adjustment is not inconsistent with the terms of this Agreement.~~
3. Time limits set forth herein shall be strictly construed, are deemed critical, and may only be extended by express written agreement of all parties concerned.

4. No remedy for a claimed violation, misinterpretation, or misapplication of this Agreement shall be sought without first pursuing the matter in accordance with these procedures through Step 3.
5. If any provision of this procedure or any application thereof to any employee or group of employees in the negotiating unit shall be finally determined by any court to be contrary to law, then such provision or application shall not be deemed valid except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
