Any additional periods above the minimum established herein shall be authorized only by the Chief of Police.
4. An employee must sign the vacation schedule within three (3) scheduled working days after personally being notified it is available for signing. If not signed in that period, the employee is passed and goes to the bottom of the seniority list for that signing period.

Section 4. Leave requests for a recognized holiday or the day before or after the holiday must be submitted at least ten days prior to the holiday, and such leave will be granted on the basis of seniority.

ARTICLE XII. Holidays

It is recognized that, historically, the City has granted fifteen (15) holidays yearly, three and one half (3 ½) days of which are without contractual authorization. Due to the fact that it is impossible to give said holidays to the Police Department when they fall, and due to the fact that they are regularly scheduled days, and not considered overtime, the following policy shall be in effect with respect to holidays. There shall be eleven (11) paid holidays for all employees, and an additional one half (1/2) day on Good Friday. For the purpose of separation pay, the payment will be based upon the eleven and one half (11 ½) actual holidays. But, for the purpose of time off only, the City will grant a total of fifteen (15) days. Holiday time shall be added to the employee's vacation schedule and picked according to rank and seniority, with respect to uniform and non-uniform assignment, with the senior man signing for all his vacation and holiday time before the next man signs.

Certificate of inability to work by reason of illness from a licensed doctor of medicine or Osteopathy, or such other evidence of illness and inability to work as the City Manager may deem necessary may be required as evidence of the illness before compensation for the period of illness is allowed. If such certificate is required, the City shall pay 50% of the office call or emergency room cost to obtain such a certificate from a licensed doctor of medicine or Osteopathy of the employee's choice. The City reserves the right to request an examination by a licensed doctor of medicine or Osteopathy of its choice at no cost to the employee. Section 11. Anticipated sick leave - sick leave may be taken in excess of the amount then accumulated, but not in excess of the total amount which would be accumulated at the end of the calendar year. Such usage of anticipated sick leave will be dependent upon the employee's previous sick leave record and must be approved by the employee's department head and the City Manager.

Section 12. Upon separation from the service, the employee shall be charged for sick leave

Upon retirement, an employee may place all of his/her accumulated but unused sick time in a credit account with and managed by the City, specific to that employee, for the purpose of having the payout value of accumulated sick time help reduce the retirees cash contribution to the cost of his/her health insurance coverage provided under this Agreement. If the employee elects to fund the credit account, he/she must do so with 100% of his/her accumulated but unused sick time, partial funding is prohibited. The dollar value of unused sick leave will be at 100 percent cash value at time of separation. Once the credit account is funded by the retired employee, and during the month of January of each year, the retired employee may elect to have either 50% or 100% of the credited sick time applied toward the retired employees cost of his/her health insurance premium. The bonuses will be awarded eligible employees who are on the payroll on November 30th and who are continuously employed by the City for the year immediately preceding that date.

d. The intent of this program is to reward individuals who have outstanding attendance records. Each unpaid absence, not previously approved to a scheduled workday will be considered as a sick day taken for purpose of computing this benefit.

e. The City will make an additional one-time cash payment to employees upon separation in good standing after completion of ten or more years of service as a police officer. Such cash payment shall be equal to one half of the employee's accumulated sick leave remaining at the time of retirement. In the event that the employee elects to fund the sick time credit account in Section 12 of this Article [XIII], no such cash payment will be made to the employee.
