DECLARATION OF PRINCIPLES

SECTION 1. **RECOGNITION.**

The Board, in order to recognize a teacher organization as exclusive representative of teaching personnel requires satisfactory evidence that the organization in fact represents a majority of such employees. Such evidence shall be in the form of a notarized statement of a membership list, or dues deduction authorizations. This recognition will continue as long as the Association maintains a majority showing of interest of eligible employees or until such time as there appears a challenge to such recognition in accordance with the rules and procedures established by the New York State Public Employment Relations Board.

ARTICLE IV

GRIEVANCE PROCEDURES

SECTION 1. DECLARATION OF PURPOSE.

The establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its teachers is essential to the operation of the schools; it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of teachers through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the Board of Education (hereinafter sometimes referred to as the Board) and its teachers are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

SECTION 2. DEFINITIONS.

A grievance is a complaint by a member in the instructional negotiating unit, or by the Association, or by the Board of Education or its representative, that there has been a violation, misinterpretation or misapplication of any provisions of this agreement.

The term supervisor shall mean any building principal or immediate supervisor responsible for the area in which an alleged grievance arises except for the Chief School Administrator.

Professional Practices Committee is the Committee created by the Sauquoit Valley Teachers Association. This committee shall have the right to be considered a party in interest to all grievance procedures.

Day - used in this grievance procedure refers to days school is in session.

SECTION 3. BASIC PRINCIPLES.

Any grievance continuing beyond Step 1 shall be submitted on the enclosed form.

The Board of Education and the Professional Practices Committee agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the alleged grievance.

Except as otherwise provided in Step 1 a and b an aggrieved party and any party in interest shall have the right at all stages of a grievance to confront and cross-examine all witnesses called against him, to testify and to call witnesses on his/her own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.

Enclosed is a sample grievance form. The Chief School Administrator shall have them printed and distributed so as to facilitate operation of the grievance procedure.

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

The Chief School Administrator shall be responsible for accumulating and maintaining an Official Grievance Record which shall consist of the written grievance, communications, detailed minutes and notes of testimony, as the case may be, written arguments and briefs considered at all levels other than Steps 1 and 2 and all written decisions at all stages. Official minutes will be kept at Board expense of all proceedings in Steps 3, 4 and 5. A copy of such minutes will be made available to the aggrieved party and the Professional Practices Committee within two days after the conclusion of the hearings at Steps 3, 4, and 5 and advise each party of any errors in said minutes. Any such claim of error in the minutes shall become a part of the Official Grievance Record and the Board representative shall indicate the determination made respecting such claimed error. The Official Grievance Record shall be available for inspection and/or copying by the Aggrieved Party, the Professional Practices Committee and the Board, but shall not be deemed a public record.

SECTION 4. TIME LIMITS.

Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.

No written grievances will be entertained as described below and such grievance will be deemed waived unless written grievance is forwarded at the first available stage within thirty (30) days after the teacher knew or could reasonably be expected to know of the act or condition on which the grievance is based.

If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement shall be barred.

In the event a grievance is filed on or after June 1, upon request by or on behalf of the aggrieved party, the time limits set forth herein will be reduced pro rata so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible.

SECTION 5. PROCEDURES.

Step 1. Professional Practices Committee will be notified by the aggrieved party in all matters concerning alleged grievances.

- a. Within two days the Professional Practices Committee will meet with the aggrieved party in an attempt to resolve the grievance if one exists.
- b. If, within seven days the alleged grievance has not been resolved to the aggrieved satisfaction, he (the aggrieved party) may proceed to Step 2.
- c. If the grievance has been instituted by the immediate supervisor, the first step shall be Step 1.
- d. If the grievance has been instituted by an official other than the immediate supervisor the first step shall be Step 1 and proceed, if not resolved, to Step 4.
- e. If the grievance has been instituted by the Professional Practices Committee, the first step shall be Step 2 and proceed, if necessary, through the succeeding steps.

Step 2. A teacher having a grievance will discuss it with his/her supervisor, either directly, or through a representative, with the aggrieved present, with the objective of resolving the matter informally. Decisions of the supervisor will be made on the basis of these discussions or materials presented at these meetings. If the grievance is not resolved informally, it should be reduced to writing and presented to the supervisor. Within two school days after the written grievance is presented to him, the supervisor shall render a decision in writing and present it to the teacher, his/her representative and/or the Professional Practices Committee.

Step 3. Chief School Administrator.

- a. If the teacher initiating the grievance is not satisfied with the written decision at the conclusion of Step 2 and wishes to proceed further under this grievance procedure, the teacher shall, within five (5) school days, notify the Association's Professional Practices Committee of his/her dissatisfaction.
- b. If the Professional Practices Committee determines that a teacher has a meritorious grievance, then it or the teacher or his/her representative, will file a written appeal of the decision at Step 2 with the Chief School Administrator within twenty (20) days after the teacher has received such written decision. Copies of the written decision at Step 2 shall be submitted with the appeal.
- c. Within two (2) school days after receipt of the appeal, the Chief School Administrator, or his/her duly authorized representative, shall hold a hearing with the teacher and the Professional Practices Committee or its representative and all other parties in interest.
- d. The Chief School Administrator shall render a decision in writing to the teacher, the Professional Practices Committee or the teachers' representative within five (5) school days after the conclusion of the hearing.

Step 4. Board of Education.

- a. If the teacher and/or the Professional Practices Committee are not satisfied with the decision at Step 3, the Professional Practices Committee or individual teacher or his/her representative will file an appeal in writing to the Board of Education within fifteen (15) days after receiving the decision at Step 3. The official grievance record maintained by the Chief School Administrator shall be available for the use of the Board of Education.
- b. Within (10) days after receipt of an appeal the Board of Education shall hold a hearing on the grievance. The hearing shall be conducted in executive session.
- c. Within five (5) days after the conclusion of the hearing, the Board of Education shall render a decision in writing on the grievance.

Step 5. Arbitration.

- a. After such hearing, if the aggrieved party (teacher or Association) is not satisfied with the decision at Step 4, it may submit the grievance to arbitration by written notice to the Board of Education within fifteen (15) school days of the decision at Step 4.
- b. An arbitrator will be selected in accordance with rules and regulations of the American Arbitration Association. A second list may be requested by either party.
- c. The selected arbitrator will hear the matter promptly and will issue a decision as soon as possible after the close of proceedings. The arbitrator's decision will be in writing and set forth his/her findings of fact, reasoning and conclusions on the issues.
- d. The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this agreement.
- e. The decision of the arbitrator shall be binding on all parties.
- f. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board of Education and the Association.

Sick leave is to be used for personal medical or physical examinations. Sick leave shall be used for personal illness and illness in the immediate family (immediate family is defined in Section 4 of this article).

SECTION 2. **SICK LEAVE BANK.**

The purpose of this benefit is to provide protection for the professional employee who has a disabling illness or accident which would prevent the professional employee from effectively functioning in his/her professional capacity. The school district shall provide, during the school year September through June, sick days to be used for disabling illness or accident by any professional employee. The criterion for the awarding of this additional benefit would be: (1) The professional employee shall have exhausted his/her regular sick leave accumulation. (2) The professional employee shall have been employed by the school district for a minimum of one school year. (3) As a result of a disabling illness or accident outside the course of employment, the professional employee must be unable to perform his/her duties as certified by competent medical opinion. SECTION 3. **PREGNANCY DISABILITY AND CHILD CARE LEAVE.**

A. **Pregnancy Disability.**

Any pregnant teacher not on an unpaid leave is entitled to use accrued sick days during the period of disability. The period of disability will be determined by the teacher's physician.

If complications develop which extend this period of disability, a teacher

without accrued sick leave days may request use of sick bank days.

B. Child Care Leaves.

Unpaid child care leaves will be given to requesting teachers in connection with a birth or an adoption or placement of foster children. Teachers taking such leave must make the request in writing to the Chief School Administrator at least thirty (30) calendar days prior to the commencement of the leave, except in cases of adoption where the teacher should give as much notice as possible. The teacher may take the leave for a period not to exceed two (2) years and ending on a semester or term break.

If a teacher wishes to return on a semester or term break prior to the scheduled return date, he/she may do so by giving forty-five (45) calendar days notice to the Chief School Administrator. A teacher may also request to return during a semester, and such request may be granted at the discretion of the Chief School Administrator.

A teacher may request an extension of a child care leave, however, that extension will be at the discretion of the Chief School Administrator.

In the event the teacher does not intend to return at the expiration date of a granted leave, the teacher must submit resignation to the Chief School Administrator in writing.

SECTION 4. OTHER ALLOWABLE ABSENCES.

Such absences are not to exceed five (5) days per school year for death in the immediate family.

On or before September 15 of each school year, each teacher is given a written statement of the number of sick leave days accumulated up to June 30 of the previous school year.

SECTION 5. PERSONAL LEAVE PROVISIONS.

- A. A maximum of four (4) days will be granted to teachers for personal business reasons. All four of these days shall be granted by stating "Personal Business" only.
- B. Up to two (2) unused personal leave days will be added to accumulated sick leave.

SECTION 6. SABBATICAL LEAVE.

- 1. The District will grant four (4) summer sabbaticals each year. Each sabbatical will be for \$1,000.

2. To be eligible, a teacher must:
 - (a) have taught at least two (2) years in the District;

3. A committee of three (3) teachers chosen by the Association and one (1) Administrator chosen by the Superintendent will rank all applicants.
4. The Board is not required to choose the top four (4) ranked applicants, but may choose any four (4).
5. The Board will notify all applicants of its decision after the "first" regular Board meeting in June.
6. Payment for the summer sabbaticals will be made to approved applicants on or before July 1.

ARTICLE IX

TEACHING CONDITIONS

SECTION 1. ASSIGNMENTS.

No secondary teacher (6-12) will be assigned more than six (6) periods of classroom instruction, and will be provided with one (1) period of preparation in an eight (8) period schedule and two (2) periods of preparation in a nine (9) period schedule, and one (1) supervisory period. Every effort will be made to assign no more than three (3) preparations whenever possible. It is understood that the current practice of group planning will continue.

Every elementary teacher and every elementary teaching assistant will be scheduled a minimum preparation time during the normal student day as follows:

Teachers: thirty (30) minutes
Teaching assistants: twenty (20) minutes

Acceptable exceptions will include parent conference days, or unusual circumstances where coverage is needed.

Teachers shall receive notification of their assignments for the ensuing school year, including grades and/or subjects, in writing by June 15th or as early as practicable.

In making teaching assignments, the convenience and wishes of the teacher will be given consideration unless they conflict with instructional requirements of the school system.

SECTION 2. CLASS SIZE.

Except as provided in "b" below, class sizes should conform to the following:

- | | | | |
|----|----------------|---|-------------|
| A. | Primary Grades | - | 25 children |
| | Grades 4-6 | - | 27 children |
| | Jr.-Sr. High | - | 25 children |

- B. Acceptable reasons for altering the class size may be any of the following:
1. Full time personnel employed by the District are unavailable to create any additional class or classes.
 2. Conformity to class size would result in half or part-time positions.

3. A class larger than the above is necessary in order to provide for specialized or experimental instruction.
4. A class larger than the above is necessary for placement of pupils in a subject class for which there is only one on a grade level.
5. Physical Education, Band, and Choir may exceed the above described limits.

C. In the event a reduction in the teaching staff is contemplated, which may affect class size, the President of the Association will be notified by the Chief School Administrator prior to the reduction and Association representatives (2) will be given an opportunity to express their views to the Board.

SECTION 3 GRADING OF STATE EXAMS

Grading of state exams required beyond 4:00 p.m. shall be compensated at a rate of twenty-five (\$25) dollars per hour.

SECTION 4. OTHER TEACHING CONDITIONS.

When a teacher is assigned to another teacher's class for part of a period, or to another teacher's homeroom, it is to be understood that these "covering" duties will be assigned only during some unexpected emergency and on a day-to-day basis. For this reason, the delegation of these duties must be equalized as much as possible in all school buildings. In the event of emergency situations, the District can ask a teacher, on a volunteer basis, to take a class when a substitute is unavailable. Teachers will receive a stipend of twelve (\$12) dollars per 25-45 minute period.

SECTION 4. TEACHER AIDES.

Teacher should obtain some relief from clerical, playground, lunch and other such duties, which may be considered non-instructional and which may legally be assigned to non-professional aides. The time thus gained from this relief would allow more professional use of the teacher's time for instructional purposes.

SECTION 5. LESSON PLANS.

Each teacher is expected to have written lesson plans for those times when he is unable to be in his/her classroom.

SECTION 6. SNOW DAYS.

Teachers may report to school on these days if they desire to work at their own leisure. Attendance on these days is not mandatory.

SECTION 7. RIGHT OF REPRESENTATION AT MEETINGS.

Any teacher, at his/her request, shall have the right to be accompanied by a representative of the Association at any official meeting with a member of the administration or the Board when said meeting involves disciplinary action.

SECTION 8. REDUCTION OF STAFF.

Whenever the staff is reduced in number, the administration shall make reasonable efforts to reduce through attrition, subject however, to consideration of certification and seniority.

SECTION 9. SENIORITY.

Seniority shall be determined by length of service in the District. In instances where commencement of service is identical, seniority shall be determined as follows:

- 1.) By the date of Board appointment, then if equal;
- 2.) By the order of appearance in the Board resolution.

SECTION 10. TRAVEL TIME.

Association members assigned to travel between buildings will be given 15 minutes for travel time.

ARTICLE X

OBSERVATION AND EVALUATION OF TEACHERS

A. Non-Tenured Teachers.

1. Non-tenured teachers shall be observed formally at least once during the first semester with at least 48 hours notice. At least one (1) observation will be made by the Building Principal. Other observations may be made without appointment but no written report need be made. If the teacher is not observed within the specified period after the first observation notice the teacher will be provided with a second notice which will specify the time and date of the next observation.
2. Reports of the announced observations shall be both written and oral within one (1) week of the observation. Reports shall be countersigned by both observer and the teacher observed. In the event of disagreement concerning the terms or accuracy of observation, the teacher observed shall have the right to file a written rebuttal within five (5) days, which shall be signed by the observer.
3. The Building Principal will notify each teacher of his/her recommended status one hundred twenty (120) days prior to the end of his/her probationary appointment.

B. Tenured Teachers.

1. Shall be observed at least once yearly by formal appointment with at least 48 hours notice. If the teacher is not observed within the specified period after the first observation notice the teacher will be provided with a second notice

which will specify the time and date of the next observation.

2. The same conditions regarding consultation and signing of observation report as stated in Section a (2), will also apply to tenure teachers.

ARTICLE XI

FAIR DISMISSAL

A teacher who is given notice of dismissal after two (2) full years of employment may request a hearing before the Board of Education in executive session.

The Board may provide verbal and written reasons for said teacher's termination of employment and may reconsider the teacher for continued employment when sufficient evidence is presented to merit it.

ARTICLE XII

IN-SERVICE COURSES and CURRICULUM DEVELOPMENT

SECTION 1. IN-SERVICE COURSES.

Professional Educational Improvement Courses shall be rated at one (1) graduate credit for every fifteen (15) in-service hours (paid in-service courses are excluded).

AGREEMENT FOR DISTANCE LEARNING

ADDENDUM

To the 2000-03 Agreement between the Sauquoit Valley Central School District and the Sauquoit Valley Teachers Association concerning participation in the Oneida-Herkimer-Madison BOCES Distance Learning Program.

It is agreed that the Sauquoit Valley Teachers Association and the Sauquoit Valley Central School District may participate in this Distance Learning Program under the following conditions:

I. GENERAL

- A. The parties acknowledge and confirm that participation in the Distance Learning Program shall not be used by the District to argue that the Association may have waived any rights that may exist to the exclusivity of bargaining unit work. The parties agree that the Distance Learning Program, in whole or in part, involves bargaining unit work in the provision of educational services to the children of the District.
- B. No member of bargaining unit on effective date of this agreement in a tenure area shall be subject to a reduction in force, in whole or in part, as a result of the District sending/receiving courses in that tenure area through a Distance Learning Program.
- C. The parties agree that training for participants will be provided. The cost(s) of appropriate training shall be established and borne by the District. Compensation, if any, for such training for the participants shall be subject to the applicable provisions of the District's CBA.
- D. The President of the Teachers' Association shall participate annually in a process of (s)electing one of two teacher representatives (staggered terms) to the Advisory Board of the Oneida-Herkimer-Madison BOCES Distance Learning project.

II. TRANSMITTING (From Host School)

- A. Any program delivered from this school district, for the purpose of educating children, shall be taught by a *volunteer* from the bargaining unit. During the 2003-04, 2004-5 school years, if no volunteer is available, then the host district may utilize staff from other than the bargaining unit. Due to the interactive nature of the technology, the transmission must be live; subsequent use of taped recordings of the live transmission must be for the purposes of current student review of participating students and/or makeup.
- B. The time of the transmission will be determined by the district, within the normal confines (starting and ending time) of the daily schedule of classes. Because of variations in schedules between districts, transmission may include time immediately prior to or after the normal schedule in order to resolve the resultant conflict.
- C. The teacher shall not have responsibility to maintain or repair any equipment used in transmitting the lesson or any equipment used in responding to the inquiries of those receiving the broadcast. Operational responsibilities shall be minimal and appropriate training provided.
- D. The number of students in a class, including those at receiving sites, shall not exceed that which is traditional in the host district for teachers in the particular discipline being offered.
- E. All grading of schoolwork and tests shall be done in the host school by the transmitting teacher who will cooperate with a designated person in the receiving school for these purposes. If the grades need to be translated into a different system to agree with the receiving school's system, that shall not be the responsibility of the host school's teacher. The transmitting teacher will send grades to the receiving school at the time, and in the manner, when he/she turns in grades in the host district.

- F. The teacher shall not be expected or required to attend any functions in the receiving school districts, but will be available to receiving students and their parents in the same manner that he/she is available to host school students and parents. (As an example, the out-of district parents will be invited to Open House in the same manner as host school parents, and the host teachers will not be expected to, or required to, attend the receiving school's Open House.) The teacher and the receiving district may make mutually acceptable arrangements including compensation, if necessary, for attendance at such functions beyond the limits as described above.
- G. In the event of the transmitting teacher's absence, the host district shall be expected to provide a trained substitute when it elects to transmit.
- H. Evaluation of the host teacher will be done in accordance with the provisions of the collective bargaining agreement of the host district. Any complaint with respect to the host teacher's performance originating in a receiving district will be made known to the host teacher. No evaluation of the teacher will be made except in the normal manner in the classroom.
- I. Any audio-visual tapes of the classes made in the host district are the property of the host district and the district shall make such tapes available for the teacher's personal, professional, non-commercial use.
- J. The calendar of the host district shall be used for each course being taught.
- K. Textbooks for Distance Learning courses shall be determined by the host district in accordance with normal procedures.
- L. Once courses to be taught are determined, other matters that will be subject to local option are additional plan time, compensation, manner of assignment and such others as the parties may wish to address. Negotiations of local options by collective bargaining agreement shall not prevent the Distance Learning Program from going forward even if such negotiations are incomplete at the time of the program's inception.

- M. Teachers will be permitted and encouraged to transmit at least once each semester from each district that receives his/her course. The school district will provide adequate time.
- Appropriate expenses will also be paid by the District.

III. RECEIVING

- A. The introduction and continuation of Distance Learning in a receiving district shall not replace a course being currently taught or a course recently taught by current staff unless the local union and district mutually agree in writing. A course may not be offered if it falls within the tenure area of a qualified employee on a recall list unless said individual declines the offer of part-time employment. Transmissions shall originate within New York State.
- B. The receiving district shall not require its bargaining unit employees to be responsible for grading, extra help, or lesson planning of any received classes.
- C. A district employee may be assigned to the receiving class to provide assistance to the students and be available to operate cameras or other equipment and be available to liaison with the sending teacher. If the employee thus assigned is a bargaining unit member, maintenance of equipment shall not be his/her responsibility. If the unit member assigned is a teaching assistant and is required to attend meetings in the sending school, the district shall be responsible for mileage and meals when appropriate. If the person assigned is requested to attend meetings outside of normal work time, the meetings must be at mutually agreeable times. The district shall compensate such employee.
- D. If the district assigns a teacher to a receiving class, such assignment shall count in the teacher's normal load in accordance with the provisions of the collective bargaining agreement.
- E. The district shall not make any audio/visual tapes without the knowledge and consent of the sending teacher. It is expected that the teacher will consent to the making of tapes for the sole purpose of aiding students enrolled in the course. All tapes shall be erased or destroyed at the end of the school year at the discretion of the teacher.

- F. College courses which give no high school credit may be received during the school day for offering to students who have or are scheduled to complete district offered course requirements for graduation.
- IV. It is understood that this agreement is limited in scope to participation in the Oneida-Herkimer-Madison-BOCES Distance Learning Program.

ARTICLE XXIV

AGREEMENT FOR ON-LINE COURSE WORK

ADDENDUM

- A. There shall be a three year pilot program to be reviewed by the parties at the conclusion of each school year.
- B. This program shall allow Bargaining Unit members to offer on-line learning opportunities to District students only. On-line instruction of non-District students must be mutually agreed upon by the District and Association.
- C. In all cases, a course offering on-line learning to some or all of its students shall not exceed twenty (20) students.

ARTICLE XXV

ANNUAL PROFESSIONAL PERFORMANCE REVIEW

ADDENDUM

- A. During the remainder of the 2011-12 school year and the 2012-13 school year, both parties (the District and the Association) agree to collectively bargain the APPR plan as required under New York State law.
