The Board and Association firmly believe that the primary function of the Board, the Administration, the teachers and all other employees of the Genesee Valley Central School is to provide each child attending the school with the type of educational opportunity which is best suited to his/her individual abilities and which will best equip each child to utilize his/her abilities to the greatest extent possible in later life.

The Board and the Association further recognize that the Board is the legally constituted body responsible for policy enactment under the laws of the State of New York, and that this responsibility which has been vested in the Board by the voters of the School District cannot be delegated, negotiated or reduced.

Genesee Valley Central School stands for and behind the success of each of its' students. It is our mission to prepare our students for the future and the world. The youth of our communities shall be encouraged to develop to their full potential. We believe that students, graduates, faculty and staff of GVCS should continue the learning process throughout life.

Section 200:

The Board and the Association agree to negotiate in good faith all terms and conditions of employment as prescribed by Article 14 of the Public Employees' Fair Employment Act.

Section 201:

The Association shall have the right to begin negotiations for a successor agreement on or about March 1st of the final year of the contract.

Section 202:

Negotiations may be requested by either party with arrangements to be made through the Office of the Superintendent.

Section 203:

All members of the bargaining unit shall receive copies of the Agreement in a timely manner at the conclusion of negotiations. Each new hire shall receive a copy of the contract when he/she begins work.

ARTICLE III

RECOGNITION

Section 300: Term:

In accord with the provision of Article XIV of the Civil Service Law of the State of New York, the Board of Education of Genesee Valley Central School district, hereinafter referred to as "Board", recognizes the Genesee Valley Educators' Association, hereinafter referred to as "Association" as the exclusive employee organization for the unit consisting of full-time certified teaching assistants; certified teaching employees, employed at least forty (40) percent of the time; and long-term substitutes, except for the Chief Executive Officer, Principals, Vice-Principals and per diem substitutes. A long-term substitute is defined as a per diem substitute who works more than ninety (90) consecutive workdays in any academic year. The per diem substitute becomes a long-term substitute as of the 91st consecutive day. The period of such recognition shall be extended for the term of this agreement and shall be for the purpose of determination of and administration of grievances rising under the terms of this agreement.

Section 301: No Strike Pledge:

It is agreed by and between the parties that the Association affirms that it does not assert the right to strike against any government, to assist or participate in such strike, or to impose an obligation to conduct, assist or participate in such a strike.

ARTICLE IV

DUES DEDUCTION

Section 400: Authorization:

The district will make one deduction in each pay period for dues from wages of those employees who have filed with the Board office, and signed the appropriate deduction authorization forms. These deductions will be continuous until such time as the employee cancels it in writing. From the wages of each employee who does not have a dues deduction

authorization form on file, the District will make one deduction each pay period for agency fee. No later than August 15th of each fiscal year, the Genesee Valley Educators' Association shall certify, in writing, to the Board office the amount of any change in dues or agency fee for that school year. All such deductions for each month are to be remitted to their treasurer by each pay date. Genesee Valley Educators' Association will create a fully legal refund procedure for agency fee payers and shall otherwise deal with the funds and with agency fee payers in a lawful and proper manner. The Genesee Valley Educators' Association agrees to hold the District harmless in a reference to such agency fee deductions. Teacher authorization will be in writing.

Section 401: Method:

The deductions referred to in "Section 400" above, will be in equal installments beginning with the first paycheck in October, and for each pay period thereafter through June. Annually, the Association is to deliver to the Business Office prior to the end of the pay period preceding the first deductions, all new authorization forms at one time, arranged in alphabetical order. Also, at the same time, a corresponding alphabetical listing of persons requesting dues deduction shall be signed by the Association President, substantiating their correctness.

Section 402: New Employees:

Provisions shall be made to afford the same opportunity to Association members beginning or returning to employment or wishing to join after the first regular deduction as prescribed in Section 401.

Section 403: Tax Sheltered Annuities:

The District shall make tax sheltered annuity deductions as requested by the employee after a Salary Reduction Agreement for 403B programs is received by the business office. The District will submit contributions only to those providers that have completed the required Service Provider Agreement. New providers will be considered if five (5) or more employees request the addition and all required agreements are signed.

The District shall remit to NYSUT the payments deducted and shall furnish NYSUT and the Association with a list of all unit members from whose salary such deductions have been made. The District will grant up to four (4) paid days per year for conducting Association business, which may include attendance at the NYSUT Representative Assembly. The Association President will notify the Superintendent at least two (2) days in advance of the dates and the person(s) involved. Additional days may be taken for the NYSUT Representative Assembly or upon agreement of the Superintendent and the Association will reimburse the District for the cost of the substitutes for these additional days.

ARTICLE IX

PROCEDURE FOR EVALUATING PROBATIONARY OR TENURED TEACHERS

The parties agree that they will collaborate on the negotiable aspects of the Annual Professional Performance Review to comply with Regulations of the Commissioner of Education and New York Education Law 3012-c and/or any amendment thereto.

**ARTICLE X
DISMISSAL OF NON-TENURED TEACHER**

Section 1000:

In cases of dismissal for disciplinary reasons, the teacher shall not be entitled to advance notice except as prescribed by law and shall at his/her option have recourse to a hearing before the Board.

Section 1001:

As individual deficiencies are found, the teacher will be informed. Such information, if conveyed formally, shall be reduced to writing. The above shall not be construed as confirming or denying the procedures and rights contained below.

Section 1002:

If it is proposed to dismiss a teacher for a non-disciplinary reason, he/she shall be given notice of the Superintendent's recommendation at least sixty (60) days before the end of his/her probationary period. At this time, the teacher may request that the reasons for his/her termination be given in writing. At this time, the teacher and his/her representative can meet with the Board of Education to give his/her response to the reasons that were given.

**ARTICLE XI
PERSONNEL FILE**

Section 1100:

Teachers will have the right, upon request, to review the contents of their personnel file, and the right to add material by way of explanation or response to any statement found therein. Pre-hire information as well as any information that the teacher has acknowledged as being confidential information at its source, should not be shown to the teacher and should be withdrawn from the file at the time of inspection. However, all other information will be available for inspection and the teacher will be given a copy of each document if he/she so requests.

Section 1101:

No critical material shall be placed in the teacher's personnel file unless the teacher has first received notice and signed said material. Should such teacher refuse to sign materials to be placed in his/her file, or be unavailable, the Superintendent may note on the documents to be filed that said teacher either refused or was unavailable. If the teacher is unavailable, a copy of the material will be sent to the teacher's home address for signature. The teacher can sign the document when school reconvenes.

Section 1102:

The individual teacher when examining his/her file may be accompanied by counsel of his/her choice.

Section 1103:

It is understood by both parties to this agreement that there is one (1) personnel file, which is kept in the District Office.

Section 1104: E-Mail correspondence will not be used to transmit evaluative or personnel file material.

ARTICLE XII

WORK DAY

Section 1200: Work Day:

It is understood by all parties involved that the professional responsibilities of a teacher often require that job related duties are performed at times other than the regular school day. Responsibilities such as parent conferences, emergency staff meetings, Shared Decision Making Team meetings, State or BOCES coordinated grading of State tests, and faculty meetings may extend beyond the normal workday. 1) Shared Decision Making Team Meetings refer to an initial meeting or a training session being held after school hours; any further meetings will be held during regular work hours (7:00 a.m. – 4:00 p.m.) unless agreed to by the Shared Decision Making Team. 2) State or BOCES coordinated grading of State tests refers to work that can be done during or after regular school days. Test grading during holidays, vacations or a non-school day would be subject to added remuneration. The administration agrees to keep these requirements to a minimum and the Teachers Association agrees to support these professional activities.

Our professional workday will be limited to a continuous seven hours and thirty minutes (7 hours, 30 minutes) whenever possible, except when professional duties such as parent conferences or faculty meetings require otherwise. Such meetings will not extend for more than one (1) hour immediately after or thirty (30) minutes immediately prior to the individual's workday. When it's mutually agreed upon between the individual teacher and the Superintendent, the building time schedule may be altered to allow for early or late arrival or departure, depending on District needs. Failure to agree to alter a unit member's schedule will not be a consideration or component of any job or performance evaluation.

The work year shall consist of no more than 185 days, including staff development days. One of the staff development days may be scheduled between September 1 and Labor Day. The district agrees to seek the association's input as to the selection of this date.

The District agrees to the importance of breaks during the school day, and therefore will attempt to provide planning or lunch time during the day so that not more than four (4) consecutive periods will be worked without some type of break. Included in the workday shall be a duty-free one-half (1/2) hour lunch period.

The Friday before Memorial Day will be a holiday unless it is necessary to meet minimum requirements for State Aid. In the unlikely event there is a need to make up days for State Aid purposes after Memorial Day, the district shall seek the association's input when scheduling the day(s).

Part-time teaching employees' workday and attendance at meetings shall be determined and agreed upon by the Superintendent of Schools and the employee with preparation time pro-rated on the basis of a full time teacher's schedule.

All morning meetings will end at least ten (10) minutes prior to students' arrival in the classroom.

ARTICLE XIII

BENEFITS

Section 1300: Payroll Savings:

The district shall participate in direct deposit plans with Fleet Bank, Steuben Trust Company, Allegany County School's Federal Credit Union, Key Bank and Community Bank.

Section 1301: Health Insurance:

- A. **Point of Service Plan (known commonly as Choice Plan)**. The District agrees to pay eighty-nine percent (89%) of the annual cost (pro-rata for part-time), on a monthly pro-rated basis for single or family coverage for all unit members through a Point of Service Plan (POS). Employees may enroll under either the Family Plan coverage or the Individual Plan coverage.

Employees enrolled in the POS pursuant to this Section will receive prescription drug coverage with a three-tier drug plan, \$2/ \$20/\$35 co-pay formulary.

Health Insurance Employee Premium Share:

2012-2013	Pre 1999 hires:	4%
	Post 1999 hires	11%
2013-2014	Pre 1999 hires:	8%
	Post 1999 hires:	11%
2014-2015	All:	11%

- B. If for any reason the POS ceases to exist, or the District should decide to discontinue participation in either plan, the District will provide coverage, to the best of its ability, equal to or better than the plan's coverage. If said equal or better coverage is not obtainable, then the District may substitute an available plan that best equals or betters the existing plan.
- C. Any complaints under the District plans with respect to its interpretation or application must be processed through the Claims Review Procedure set forth in the document. If the matter is not settled to the employee's satisfaction and the document does not provide for Arbitration of such dispute then within thirty (30) days of the written answer from the governing Committee of the plan, the Association may submit the issue directly to binding arbitration. The Association and the District agree that such binding arbitration should only be before an arbitrator under the Rules of the American Arbitration Association who has expertise in medical health insurance coverage benefits and policies, and is familiar with the rights of covered individuals and the responsibilities of the insurance provider. The plan will furnish the Association with all pertinent data related to the dispute, subject to the provision of (g) below.
- D. All data obtained by a plan Administrator with respect to Insurance Claims shall be considered confidential and shall be disbursed to persons involved or connected with the plan strictly on a need-to-know basis, and such information shall be utilized for no other purpose than is necessary for the administration of the plan and the payment of claims. Any health data obtained by a plan may not be used to discipline or dismiss an employee.
- E. Employees that have previously declined coverage may later reconsider and enroll in any insurance plan offered by the district, under conditions set forth in this agreement. Such enrollment will be limited to the "open enrollment period" as established by the individual plan. Whenever possible, coverage shall commence on the first day of the month following the receipt of the completed enrollment form.
- F. An employee whose spouse worked for the same District or another School District participating in a District plan, may enroll in the plan with no lapse in coverage if their spouse's coverage ceases for any reason. In no event shall there be double coverage in District plans.

- G. Any employee who has coverage through another policy either his/her own or his/her spouse will not be eligible for coverage as provided above. If the employee does not have an option regarding his/her spouse's coverage, he/she may petition the Board of Education for coverage as per this agreement. The decision of the Board of Education is final regarding such petition and without prejudice or precedent.
- H. An employee who chooses not to be covered by a District Health Insurance plan, shall receive One Thousand Six Hundred Dollars (\$1,600) in each year during the length of this contract, if they adhere to the following procedures and guidelines:
1. Unit employees must file a written request, including proof of alternative coverage, with the Superintendent of Schools prior to July 1 of the fiscal year, stating that they wish to forego health insurance coverage.
 2. Re-entry into a District plan is guaranteed if alternative insurance becomes unavailable. Unavailable means the employee would have to assume the full cost of the alternative policy. Contribution or increased contribution or change of benefits does not constitute unavailability.
 3. The unit member shall receive one half of the payment in the first regular pay period in January and the remaining half in the last regular pay period in June.
 4. New hires or new enrollees shall receive a pro-rata amount, provided however, that they forego health insurance coverage for the rest of the fiscal year.
 5. Once an employee files a written request to forego health insurance coverage, additional renewal applications are not necessary. The District will continue to pay the appropriate amount to the employee, and the employee shall continue to forego such coverage each and every year until an employee files an application to request such health insurance; provided, however, the application to request health insurance coverage is filed prior to July 1 of the fiscal year so that the health insurance can become effective on July 1 of that fiscal year.

Section 1302: Flex Plan:

The District shall pay an annual contribution for each year of this contract to the Flexible Benefits plan for eligible members of the bargaining unit (Pro-rated basis for part-time or less than full year of employment). The administrative fees will be paid by the District. Up to \$5,000 of unused monies in a plan year will be deposited with a scholarship account set up by the district's business office and to be administered by the Teacher's Association Scholarship Committee. The association will be consulted before a change in the Plan Administrator.

District Annual Contribution to Flex Plan per employee:

2012-13	\$600
2013-14	\$650
2014-15	\$700

Section 1303: Terminal Pay Plan:

For each year of this agreement, unit members shall be eligible for a terminal pay plan which is to be calculated at the rate of seventy-five dollars (\$75) per day times the unit member's unused accumulated sick leave up to 200 (Two-hundred) days provided the teacher adheres to the following guidelines and procedures:

- A. The unit member notifies the Superintendent of Schools or his designee in writing by March 1 of the year prior to the year he/she intends to resign for the purposes of retirement and requests the benefits of this contractual provision.
- B. The unit member must be eligible to retire under the guidelines of the New York State Teacher's Retirement System and have served ten (10) complete years with the Genesee Valley Central School District. Complete years shall be defined as being on the payroll for at least 120 days of the school year.
- C. The unit member must actually resign with the purpose to retire on the date specified in the letter of application.
- D. The unit member has the option of applying for the following plans:
 - 1. This benefit shall be paid in the second payroll following retirement into a 403-b account established by the employee in accordance with District Plan rules, IRS regulations and other applicable law.
 - 2. Retirees are eligible to participate in any health insurance plan offered by the district. Such participation costs will be borne by the retiree.
- E. If an eligible unit member misses the deadline in paragraph A above, and resigns, the reimbursement will occur one calendar year later.
- F. If a retiree dies before receiving full payment of his or her sick leave under this provision, the balance of such payment owed to the now deceased retiree will be paid to his or her estate.

Section 1304: Physical Examinations:

The District shall reimburse the teachers for the cost of required physical examinations if such required examinations will not be performed without charge by the school physician. In the event that an individual prefers another doctor, the individual shall bear the full expense of any required examination.

ARTICLE XIV

SICK LEAVE

Section 1400:

Faculty members of the Genesee Valley Central School are entitled to twelve (12) days of sick leave per year for personal illness or illness of a member of the immediate family and/or illness of a member of the household of the teacher. These days shall accumulate at the rate of

1.2 per month, per individual. If sick leave is used in excess of accumulated leave, the teacher will lose one (1) day of salary for each day absent. Unused sick leave may accumulate to a total of two hundred (200) days. A doctor's excuse may be required for absences of three (3) consecutive days or more. Accumulated sick days (beyond twelve (12) days per year) may be used for family illness upon submission of a physician's statement and the prior approval of the Superintendent. All sick days accumulated in excess of two hundred (200) may be used by a unit member to protect from chronic or catastrophic illness or injury. Such accumulation shall be capped at 225 days total.

Section 1401: Sick Leave Bank:

EXISTING LANGUAGE WILL REMAIN, AND BOTH PARTIES AGREE TO WORK OUTSIDE THIS AGREEMENT TO DEVELOP GUIDELINES. FURTHER, PARTIES AGREE THAT THE COMMITTEE TO DEVELOP GUIDELINES SHALL CONSIST OF EQUAL REPRESENTATION FROM THE ASSOCIATION AND DISTRICT, WITH NO MORE THAN SIX (6) TOTAL MEMBERS.

- A. Teachers wishing to join the bank must donate at least one (1) day by October 15 in the 1st year of membership. Once a teacher has contributed to the bank, he/she will continue as a member of the bank regardless of his/her contributions in future years. Members may donate a maximum of four (4) days each year by October 15. The total number of days to the bank will not exceed two hundred (200) days except to allow teachers to become new members of the sick bank. However, the total number of days which can be utilized in any given year shall not exceed two hundred (200). Any contribution by an individual shall be deducted from their accumulated leave. If the number of accumulated days in the bank falls below fifty (50), one (1) additional day must be donated by existing bank members within a thirty (30) day window period.
- B. A committee shall be established to review and approve requests for use of the bank. This committee shall consist of the Superintendent or his/her designee, the President of the Association or his/her designee and one other member of the Association to be appointed by the President. Requests may be submitted to any member of this committee for approval.
- C. No individual will be entitled to apply to the Sick Leave Bank unless:
 - 1. All current and accumulated sick leave days have been exhausted and the individual has lost two (2) weeks pay. The second week may be waived at the discretion of the committee. The first week may be waived by unanimous vote of the committee.
 - 2. Acceptable medical evidence is provided at appropriate intervals.
 - 3. Additional guidelines shall be developed by the Sick Leave Bank Committee, reduced to writing, and given to all members of the bargaining unit prior to implementation.

- D. Each teacher who is granted days from the Bank shall pay back the days at a rate agreed upon by the teacher and the committee. In no case shall the teacher be required to pay back more than one-half (1/2) of his/her current leave in any one year unless he/she so desires.

Section 1402: Personal Days:

Faculty members will receive three (3) days to be used for business that cannot be conducted other than during school time. Request for personal leave days must be made to the Superintendent twenty-four (24) hours in advance. In the event of an emergency situation, this time limit can be waived. Personal days cannot be used immediately prior to or following vacation and holidays except at the discretion of the Superintendent. Unused personal days will be added to the cumulative sick leave of the employee at the end of the school year. No reason need be stated for taking a personal leave day, but the foregoing standards shall be observed. Requests for use of two (2) or more consecutive work days for personal leave use are subject to approval by the Superintendent.

Section 1403: Bereavement Days:

Faculty members will be eligible for four (4) additional days in the event of the death of members of their immediate household, parents, children, grandchildren, grandparents, brothers and sisters of either spouse. The Superintendent may at his/her discretion, allow sick days to be used for funerals of other relatives.

- A. The Board of Education is not limited by this policy and can, where it feels it is in the best interest of the school district, grant leave in excess of the above statement. Where the Board deems it appropriate, it may condition such excess leave on the teacher's reimbursement of substitute teacher fees.

Section 1404: Workmen's Compensation:

If a teacher in this unit is eligible for workmen's compensation wage benefits, the teacher shall have the option of drawing either sick leave, if eligible and there is sick leave credited, or workmen's compensation wage benefits.

The length of the leave period shall be determined by the teacher within a maximum of one (1) year. Such leave may be extended an additional year by agreement between the teacher and the Board. ARTICLE XXIII

GRIEVANCE PROCEDURE

Section 2400: Purpose:

The purpose of the following grievance procedure shall be to settle equitably at the lowest possible administrative level, issues which may arise from time to time with respect to the salaries and working conditions of teachers provided for in this Agreement. The District and the Association agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Section 2401: Definition:

A "grievance" is hereby defined to mean a complaint by a member, or members, based upon an alleged violation of, or a variation from, the provision of this Agreement (or the interpretation, meaning, or application thereof).

Section 2402: Procedure:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

Level One:

A member with a grievance shall first discuss it with his/her immediate supervisor and/or principal, either directly or with the Association's School Representative, with the objective of resolving the matter informally.

Level Two:

- A. In the event that the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or in the event that no decision has been rendered within ten

(10) school days after presentation of the grievance, he/she may file the grievance in writing with the Chairperson of the Association's Grievance Committee within five (5) school days after the decision at Level One, or fifteen (15) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairperson may refer it in writing to the Superintendent.

- B. Within ten (10) school days after the receipt of the written grievance by the Superintendent, the Superintendent or his designee shall meet with the aggrieved person in an effort to resolve it.
- C. If a member does not file a grievance in writing with the Chairperson of the Grievance Committee, and the written grievance is not forwarded to the Superintendent within thirty (30) school days after the teacher knew or should have known of the act or condition on which the grievance is based, then the grievance shall have been waived.

Level Three:

In the event that the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or in the event no decision has been rendered within ten (10) school days after he/she has first met with the Superintendent or his designee, he/she may file the grievance in writing with the Chairperson of the Grievance Committee within ten (10) school days after a decision by the Superintendent or fifteen (15) school days after he/she has first met with the Superintendent, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairperson of the Grievance Committee shall refer it to the Board. Within fifteen (15) school days, the Board shall meet in executive session with the aggrieved person for the purpose of resolving the grievance.

Level Four:

- A. In the event that the aggrieved person and/or Association are not satisfied with the disposition of the grievance at Level Three, or in the event that no decision has been rendered within ten (10) school days by the Board, and the Association determines that the grievance is meritorious, it may submit the grievance to arbitration by giving written notice to the Board within fifteen (15) school days of the decision at Level Three.
- B. Within five (5) school days after such written notice of submission to arbitration, the Board and the Association will agree upon the mutually acceptable arbitrator from PERB and will obtain a commitment from said arbitrator to serve. If the parties are unable to obtain such a commitment within ten (10) school days a mutual request for a list of arbitrators will be made to the American Arbitration Association by both parties. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- C. The selected arbitrator will hear the matter promptly and will issue his/her decision no later than thirty (30) calendar days from the date of the close of the hearing. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions of the issues.

- D. The arbitrator shall limit his/her decision strictly to the application and interpretation of the provisions of this agreement and he/she shall be without power to make any decision:
1. Contrary to, or inconsistent with, or modifying or varying in any way the terms of this agreement, or of applicable law, or rules or regulations having the force and effect of law.
 2. Involving Board discretion or Board policy under the provision of this agreement, under Board by-laws or under applicable law, except that he/she may decide in a particular case based on a provision of this agreement involving Board discretion or Board policy, whether or not the Board applied such discretion or policy discriminatorily, i.e. in a manner unreasonably inconsistent with the general practice followed throughout the school system in similar circumstances.
 3. Limiting or interfering in any way with the powers duties and responsibilities of the Board under its by-laws, applicable law, and rules and regulations having the force and effect of the law.
 4. Limiting or interfering in any way with the powers, duties and responsibilities of the Chief Executive Officer under the by-laws of the Board of Education, applicable law, and rules and regulations having the force and effect of the law.
- E. The decision of the arbitrator shall be rendered to the Board and to the Association and shall be binding, and no judgment may be entered thereon.
- F. The costs for the services of the arbitrator, including per diem expenses and, if any, the necessary travel and subsistence expenses, will be borne equally by the Board of Education and the Association.
- G. No reprisals of any kind shall be taken by any party to this Agreement against any party in interest, any witness, any member of the Grievance Committee or any other participant in the grievance procedure by reason of such participation.
- H. Any party in interest may be represented at all stages of this grievance procedure by a person of his/her own choosing. When a teacher is not represented by the Association, the Association shall have the right to be represented and to state its views at the procedure, unless upon written request of the aggrieved employee, the Association is to be excluded.

Section 2403: Miscellaneous:

- A. If, in the judgment of the Grievance Committee, a grievance affects a group or class of teachers, the Grievance Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two.
- B. Decisions rendered to levels Two and Three of the grievance procedure shall be in writing, setting forth the decision and the reasons therefore, and shall be promptly transmitted to all parties in interest and to the Chairman of the Grievance Committee.

Decisions rendered at Level Four shall be in accordance with the procedures herein before set out therefore.

- C. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- D. The procedure set forth above shall be the sole and exclusive remedy available to an aggrieved person hereunder.
- E. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step or waiver of the grievance.
- F. Any decision, course or conduct, or other action which becomes the subject of a grievance, shall not be stayed pending the processing of the grievance except with the written consent of the Administrator or the Board, which consent shall not be unreasonably withheld. A decision at any level of the procedure in favor of the aggrieved person, however, may provide appropriate restitution or other remedy for the period during which the grievance was suffered.

ARTICLE XXIV

ELECTRONIC SURVEILLANCE TECHNOLOGY

All monitoring or observation of the work performance of a teacher will be conducted openly, with full knowledge of the teacher. Security cameras and other electronic surveillance technology will not be used for formal observation and evaluation of faculty. This does not preclude the district from using the information from surveillance equipment to address criminal activity or educational problems that merit disciplinary action.

ARTICLE XXV

IMPLEMENTATION AND AMENDMENT

Section 2500: Amendment:

This Agreement may be amended by mutual consent of both parties with written evidence of said consent being presented by each party to the other.

ARTICLE XXVI

SEVERABILITY

It is agreed by and between the parties that if any clause, sentence, paragraph, section or part of this agreement shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof (unless such clause, sentence, paragraph, section or part shall go to the essence of this agreement), but shall be confined in its operation to the clause, sentence, paragraph, section, or part thereof, directly involved in the controversy in which such judgment shall have been rendered.

ARTICLE XXVII

LEGISLATIVE APPROPRIATION

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR PROVIDING THE ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE XXVIII

CONCLUSION AND COLLECTIVE

This agreement shall be considered a Memorandum of Understanding, executed by both Chief Negotiators for the District and for the Association. Such Memorandum of Understanding shall then be submitted to the Association for its members' approval, and to the Board of Education of the Genesee Valley Central School for its approval.

When both the Educators' Association and the Board of Education of Genesee Valley Central School District have approved said Memorandum of Understanding, it shall then, and only then, be considered a contractual obligation of both parties.

Section 2801: Zipper Clause:

It is agreed that all terms and conditions of employment stated in this Agreement have been negotiated and those terms may not be reopened without the mutual consent, in writing, of both parties.

APPENDIX "B"

- A. A coach shall receive an additional Forty-five dollars (\$45) for each year of continuous service in the same sport from the most recent date of hire. Leaves granted by the Administration and Board will not affect continuous service except that the coach will not receive credit toward years of service for the time he/she is on leave. A coach may receive continuous service credit for up to twenty (20) years.
- B. Coaching Bonus – A bonus of Twenty-five dollars (\$25) per day for each practice and game day will be paid to those coaches involved in sectional and state level competition. This pay begins the first day of practice after the date set by Section V as the last possible day to play a regular season game. This payment will not exceed Four Hundred Dollars (\$400).

The bonus would also be available for cheerleading coaches while the boys' basketball team is still involved in sectional or state competition. This bonus would not apply to practices for a cheerleading competition or the competition itself.

Coaches will receive their salary at the end of the season and separate payrolls shall be established for each season (fall, winter and spring). Extra-Curricular Advisors may receive their salary in one separate payment at the end of the year, or two separate payments (40% December, 60% June). The first payment would be in the last pay period prior to Christmas and would contain payment proportional to the amount of extra-curricular activity completed at that point in the school year. The second payment would come in June and would contain the second payment for the rest of the extra-curricular year that was not included in the December payment.

- C. Active Club Advisor – To be determined by the Superintendent of Schools.
- D. All extra and co-curricular personnel will be appointed yearly by the Board of Education, upon recommendation of the Superintendent of Schools.
- E. Department Coordinators for the five core areas representing K-12 (Math, Science, Social Studies, ELA and LOTE) must be posted, when practical, by April 1 for the following school year. Successful candidates will be assigned to the duty no later than July 1 when practical.

In the event that negotiations for a new collective bargaining agreement have not been concluded by September 1, 2015, teachers will be compensated at the same base pay that they received in the 2014-2015 school year until a new collective bargaining agreement becomes effective. This is to say the "Triborough" decision has no applicability to the above schedule.
