This Collective Bargaining Agreement is made and entered into as of the 1st day of December 2012 by and between the Town of Wawarsing and the Union and shall be effective there from until December 31, 2015.

1.2 Rights of the Parties Under Existing New York State Law

1.2.2 Nothing contained in this Collective Bargaining Agreement shall be construed to deny or restrict to any member of the Town Board or to the Board Committees, any rights or obligations which either may have under any applicable law of the State of New York.

2 MANAGEMENT RIGHTS

2.1 Management Rights Clause

2.1.1 Subject to the provisions of this Collective Bargaining Agreement, and to the retention by the Town of rights ordinarily exercised by management, the Town Board shall have the exclusive right to manage and direct the work forces and operations of the employees in the bargaining unit including, but not limited to, the right to: direct the work forces; establish and change reasonable rules and regulations; establish or change methods, processes, or equipment; determine the extent to which the Town facilities shall be operated; determine the size of the work force; hire new employees; determine the qualifications of employees; discipline, discharge, layoff; assign, promote, demote, and transfer employees; determine and effectuate personnel policies; establish work schedules; require the taking of such written test, physical condition and ability to perform duties as it desires, provided that no such test or tests shall be required for the purpose of discriminating against Union employees.

2.2 Others Performing Unit Work

2.2.1 Temporary Unskilled Labor: The Union recognizes that the Town shall have the right to employ unskilled help during summer and holiday vacation periods either on a full time or part time basis and that such personnel shall not be considered in the bargaining unit and not subject to the provisions of the Collective Bargaining Agreement. The Town recognizes that this type of help shall not be hired to displace any regular employees in the bargaining unit. Any employee who normally works twenty hours or less per week shall be considered a part time worker and is not subject to the terms of this Collective Bargaining Agreement.

3 UNION RIGHTS

3.1 Recognition

3.1.1 Recognition: The parties hereby recognize Local 363, as the bargaining agent for such employees identified in 3.2.1, below, for the purpose of collective negotiations, settlement of grievances and the determination of and administration of all disputes between the parties affected by this Collective Bargaining Agreement. Such recognition shall extend until December 31st, 2015 and thereafter unless terminated in such accordance with the provisions of the Public Employment Relations Act.

3.2 Definition of Bargaining Unit

3.2.1 Included: The Town hereby recognizes Local 363 International Brotherhood of Electrical Workers AFL/CIO as the exclusive collective-bargaining representative of all employees in the Water and Wastewater Department, employees in the Maintenance Department, and employees at the Airport in the following job titles: Water/Wastewater Maintenance Worker, Municipal Worker II, Maintenance Worker, and Carpenter.

3.3 Non-Discrimination Clause

3.3.1 Union Activity: Pursuant to the Public Employees' Fair Employment Act, Chapter 392 of the Laws of 1967 (Article 14. 3.4 Union Membership/Agency Shop

3.4.1 Union Membership: The Town Board agrees to deduct Union dues from the wages of its employees in the bargaining unit for the Union, as said employees individually and voluntarily authorize the Town Board to deduct same. Authorization for such deduction shall be in writing on forms provided by the Union and shall contain a waiver of all rights and claims for said money so deducted and transmitted in accordance with this authorization and relieve the Town Board and all its officers from any liability thereof. This authority shall be continuous while the employee is employed by the Town and a Union Member or until withdrawn by written notice. Any Employee may withdraw his authorization by giving written notice which must be received by the Town and the Union at least thirty calendar days prior to the effective pay period.

3.4.2 Union Dues: The Union shall certify to the Board, in writing, the current rate of its annual membership dues. If the Union changes the rate of its membership dues, it will give the Town Board at least ninety calendar days notice prior to the effective date of such change. Dues deductions as certified by the Union to the Town Board will be deducted and transmitted to the Union's Business Manager in monthly installments beginning with the first payroll period in January of each year. The Town Board shall remit such deductions within fifteen calendar days after it affects them.

3.4.3 Agency Shop: Every employee covered by this Collective Bargaining Agreement shall, as a condition of employment, from and after the thirty-first day following the date of employment shall: (A) Become a member of the Union and maintain such membership in accordance with the Union's Constitution and By-laws; or, (B) In the alternative, tender to the Union a registration fee in such amount as may be prescribed by the Union (which in no event shall exceed the initiation fee required of Union members) and shall further tender monthly to the Union, an agency fee in an amount established by the Union which shall in no event exceed the amount of monthly dues required of Union members.

3.4.4 Indemnification Clause: The Union agrees to hold harmless and indemnify the Town from any liability or claim arising from the operation of this section or the enforcement thereof by the application of the sanction of discharge provided therein for non-fulfillment of this obligation by an employee who is not a member of the Union.

3.5 Bargaining Unit Representatives

3.5.1 Shop Stewards: The Union shall have the right to appoint one Steward and one alternate Steward and no one shall be eligible to serve as Steward or Alternate Steward unless he is a member of the bargaining unit. The Steward or Alternate Steward shall not interfere with, obstruct, or impede the normal operation of Town business.

3.6 Union Access to Town Premises

3.6.1 Union Representatives: The Business Manager of the Union and/or his representative shall have reasonable access to the employees and to the management for the observation of processes which may be necessary to adjudicate grievances.

4 EMPLOYEE RIGHTS

4.1 New Employees

4.1.1 Probationary Period: Except as otherwise provided in the rules of the Ulster County Civil Service Department, the probationary period for an employee appointed to a position in the non-competitive or labor class will be for a period of **twenty-six** consecutive weeks from the original appointment. During this probationary period, their employment may be terminated by the Town Board. Any such termination during the probationary period shall not be subject to the grievance provisions of this Collective Bargaining Agreement.

4.2 Promotions

4.2.1 Selection: The parties hereto agree that any promotional opportunities which occur in any job position in the class or classes covered by this Collective Bargaining Agreement shall first be offered to employees in the unit before such vacancies are filled, provided such employees have the skill and ability to perform the work required. When skill and ability are relatively equal, then seniority will be the deciding factor.

4.2.2 Probationary Period: An employee who is promoted or transferred into a new position in the non-competitive class shall be on probation for a period not to exceed **ninety calendar days**. At any time during this period, the Town may rescind the promotion or transfer, which shall not be considered disciplinary action, and the employee will be reinstated to the employee's previous position. Such action shall not be subject to the Grievance Procedure or Disciplinary Procedure.

4.3 Discipline

4.3.1 The Union recognizes the authority and responsibility of the Town for disciplining and reprimanding an employee for delinquency in performance of his duties; however; no employee, if at all feasible, shall be reprimanded or degraded in front of his fellow employees. However, the Town Board, to the extent that this provision is possible, shall direct all supervisory personnel to proceed via a disciplinary procedure (section 11.2) and promptly advise the Union of any major disciplinary action taken.

4.3.2 Each employee complained of, as well as the Union, shall be notified in writing within ten working days of all official complaints or criticism by supervisors or administrators.

4.4.1 Service Seniority: Seniority will be determined by the employee's length of continuous service with the Town of Wawarsing.

4.4.2 Same Length of Service: In the event two or more employees have the same length of service, the employee with the earliest day of hire will have greater seniority. In the event two or more employees have the same date of hire, such employees will have their individual seniority determined by birthday.

4.4.3 Leave of Absence: An employee will not accrue seniority while the employee is on an approved unpaid leave of absence or while the employee is in layoff status. Such leave will not be considered as a break in "continuous service"; however, the employee's anniversary date will be extended for a period equivalent to the time of such leave.

4.4.4 Loss of Seniority: Any employee who voluntarily terminates his employment (quits) or whose employment is terminated by uncontested discharge, shall lose his seniority in the event that he is rehired. Such employees who are rehired shall take their seniority date from the date of rehire and not from their original date of employment. This provision shall apply to all benefits provided under this Collective Bargaining Agreement including vacation calculation, except for pension provisions which are subject to the New York State Plan governing same.

4.5 Layoff & Recall Procedure

4.5.1 Notice of Layoff: The Town agrees to give the Union and each employee at least two weeks notice in case of a general lay-off except where the lay-off occurs due to unforeseen conditions, emergency or budgetary deficit. Otherwise notice of a proposed lay-off shall be three days.

4.5.2 First to be Laid Off: All lay-offs shall be by job title within a given department (Water/Wastewater Department; Maintenance Department; Airport) and in accordance with date of hire. The last individual hired in each job title within a given department shall be the first to be laid-off and recalls shall be in inverse order, the last to be laid-off shall be the first to be recalled. 4.5.4 Bumping Rights: An employee who is laid off from a job title in the non-competitive or laborer class may displace (bump) an employee within the department where the layoff occurred, provided that: 1) the position is in an equal or lower job title in the non-competitive or laborer class; 2) the position is within the bargaining unit; 3) the employee being laid off has more service seniority than the employee being bumped; and, 4) the employee is fully qualified to perform the duties of the job title.

5.1.4 Procedure for Assigning Additional Hours: In the scheduling of overtime, the Town shall take into consideration the work that is to be performed and the skills and ability of each employee to perform such work and shall, wherever feasible, attempt to distribute the available work in each category in each department equally among all the personnel in the Department, and any employee requested to work overtime shall perform such work as required.

7.1.1 Designated Holidays: The following shall be considered paid holidays for all employees in the bargaining unit. However, if any of the Holidays listed below fall on Saturday, the Holiday will be recognized on the preceding Friday. If any of the Holidays listed below fall on a Sunday, the Holiday will be recognized on the following Monday. For the purpose of this Section, holidays shall commence at 12:01 a.m. on the date of the holiday.

- New Year's Day
- Martin Luther King, Jr.'s Birthday
- President's Day
- Memorial Day

- Labor Day
- Veterans' Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas

7.1.2 Holiday Pay (Not Assigned to Work): A full-time employee or part-time employee who **does not** work on a designated holiday will be paid for the day at the employee's regular daily rate of pay; the part-time employee will not be paid for the day if the day the holiday is observed by the Town is not a normally scheduled workday for that employee.

7.1.3 Holiday Pay (Assigned to Work): A full-time employee or part-time employee who does work on New Year's Day (observed), Martin Luther King's Birthday, or President's Day will be paid for all hours worked at the employee's **regular rate of pay plus "holiday pay"**.

7.1.4 Holiday During Scheduled Leave: In the event a designated holiday occurs on an employee's normal workday and the employee is on paid vacation leave, paid sick leave, or paid bereavement leave, the employee will receive holiday pay for the day and the employee's other leave credits will not be charged for that day.

7.2 Vacation Leave

7.2.1 Allowance (back-loaded): All employees shall accrue two weeks (80 hours) vacation after one year's service and shall accrue a third week's (40 hours) vacation after five years.

Employees who have completed eight years of service, shall in addition to the three weeks (120 hours) vacation set forth above, accrue one additional day (8 hours) of paid vacation for each additional year of service beyond eight years.

For employees hired on or before December 31, 1990, accrual of additional vacation days shall be capped at five weeks (200 hours). No employee will lose any vacation time which has accrued by December 31, 1990. All employees hired on or before December 31, 1990 with less than twenty-five days will continue to accrue days up to the twenty-five day limit and all employees hired on or before December 31, 1990 with more than twenty-five days will receive the number of vacation days accrued as of December 31, 1990 each year after 1990.

For employees hired on or **after** January 1, 1991, vacations will be capped at a maximum of four weeks (160 hours).

7.2.2 Unpaid Leaves of Absence: An employee will not accrue vacation while the employee is on an approved unpaid leave of absence in excess of thirty calendar days or while the employee is in layoff status. The employee's allowance will be adjusted on a prorated basis for a period equivalent to the time of such leave. For example, an employee who is on an unpaid leave of absence for four months will receive 66.67 percent of the employee's vacation allowance on January 1st of the next year.

7.2.3 Accumulation: Whenever feasible, all accrued vacation shall be given during the period April 1st through November 30th but in no event shall accrued vacations be carried beyond the end of the June of the next year or exceed one and one half weeks time. Any variation of this process must be approved by the Town Supervisor.

7.2.4 Scheduling: By February 1st of each year, all employees shall indicate to the Town Supervisor, or designee, in writing, their preference as to vacation time and by March 1st each year a vacation schedule shall be promulgated by the Town Supervisor, or designee, taking into consideration the work of the Department to be done, the employee's request and giving preference to those requests on a seniority basis, unless the work of the Department requires otherwise.

7.2.5 Termination of Employment: Any employee whose employment is terminated for any reason, other than cause, shall receive his pro-rata vacation pay at the time of termination.

7.3 Sick Leave

7.3.1 Allowance (monthly accrual): All employees covered by this Collective Bargaining Agreement shall accrue sick leave at the rate of one day (8 hours) for each month worked.

7.3.2 Accrual During Leaves of Absence: An employee will be credited with sick leave credits while on a paid leave of absence, but not while on an unpaid leave of absence for an entire month.

7.3.3 Accumulation: An employee may accrue up to a maximum of thirteen hundred and twenty hours (165 eight-hour days) sick leave credits. Any sick leave credits in excess of the maximum will be canceled.

7.3.4 Notification of Sick Leave: Employees must call in to their direct supervisor at least one-half hour prior to the start of their shift.

7.3.5 Use of Sick Leave: An employee may use sick leave credits for a non-work related illness or injury that inhibits the ability to perform the duties of the employee's job. An employee may use sick leave credits for medical and dental appointments that cannot be scheduled during non-work hours. Sick leave credits may not be used in increments of less than one hour.

7.3.6 Family Sick Leave: An employee may use sick leave credits for family illness or injury only if the employee must provide direct care to an immediate family member. For purposes of family sick leave, "immediate family member" will mean the employee's parent, spouse, or child, including step-child and foster child.

7.3.7 Medical Verification: Any employee who is absent for more than two days may be required to furnish the Town with medical evidence that he was unable to work for the period in question. Failure to furnish such evidence may cause the employee to be denied sick leave.

If the Town at any time questions the status of any employee who claims to be out sick due to accident or illness, the Town shall have the right to require and arrange for a physical examination of such employee, at Town expense, for the purpose of determining whether or not the employee was able to report to work.

Employees returning to work after an absence shall be permitted to work that day. If the Town requests the physical examination of any employee, such examination, wherever feasible, is to be scheduled after working hours without remuneration to the employee.

7.3.8 Retirement Credit: The Town will make available Section 41-j of the Retirement and Social Security Law. This provision allows an employee to receive pension credit for unused sick leave at the time of retirement up to a maximum of thirteen-hundred and twenty (1320) hours. The additional service credit is determined by dividing the total unused, unpaid sick leave days (not to exceed 165 days) by 260. For example: $130 \text{ unpaid sick leave days} \div 260 = .50$ or 6 months additional service credit.

To be eligible, an employee must retire directly from covered employment or within one year of leaving covered employment. If the employee is paid for a portion of the total accumulated sick leave credits, including payment of retiree medical insurance premiums, only the remaining unpaid portion will be used to increase the employee's service credit at retirement.

7.3.9 Termination of Employment: An employee who was hired before January 1, 2010, who retires under the New York State Retirement System, will have the right to cash-out up to 25% of accumulated sick leave credits at the employee's then current rate of pay. An employee hired on or after January 1, 2010, who resigns, retires, deceases, is laid off, or is terminated from employment due to disciplinary action will not receive payment for unused sick leave credits.

7.4 Personal Leave
