ARTICLE 13 - LIFE INSURANCE

The District shall make life insurance coverage equal to the active unit member's annual salary up to a maximum of \$50,000.00. The entire cost of the premium will be paid by the unit member.

ARTICLE 15 - GRIEVANCE PROCEDURE

A. Definition

1. Grievance - for the purpose of this Agreement, the term 'grievance' shall mean any dispute or disagreement between the employees in this unit and the District; which dispute or disagreement alleges that there has been a violation, a misinterpretation, or inequitable application concerning the terms and conditions of employment as specified in any provision of this Agreement.
2. District Authorized Representative - the term "District's Authorized Representative" shall mean any administrative or supervisory staff responsible for the area in which a grievance is alleged.
3. The Superintendent and the Association will provide any and all relevant documents, communications, and/or records concerning the alleged grievance, provided such documents are not privileged or confidential. Failure of the grievant to submit relevant documents to substantiate the alleged grievance at any stage of the grievance process will bar appeal to the next stage.
4. As a condition precedent to further appeal at any stage, the unit must submit a written notification of appeal within the time limits specified, otherwise the grievance will be waived, and the grievance will be discontinued automatically.

B. Procedure

1. Step 1 - Within three (3) working days of the occurrence of an event giving rise to an alleged grievance, such alleged grievance shall be discussed between the employee conceiving himself/herself aggrieved and the District's authorized representative. Such alleged grievance need not be reduced to writing, but a record shall be made of the fact that there was a discussion of the alleged grievance and of the general nature of such alleged grievance. A decision on the alleged grievance shall be given within five (5) working days after such discussion.
2. Step 2 - If no satisfactory solution is reached at Step 1, the alleged grievance shall be reduced to writing and signed by the employee concerned and submitted to the District's authorized representative within the next two (2) working days following receipt of the answer at Step 1. A written answer shall be given to the employee within five (5) working days following receipt of the written alleged grievance.
3. Step 3-If the employee concerned is not satisfied with the written answer provided for in Step 2, such employee, within five (5) working days following receipt of such written answer, may file a written appeal with the Superintendent of Schools. Within ten (10) working days after receipt of the written appeal, the Superintendent or his/her duly authorized representative shall hold a fact finding hearing with all parties of interest and findings of fact shall be submitted to the Superintendent or made by the Superintendent within (10) working days after the receipt of the finding of fact.

4. Step 4 - If the grievant is still not satisfied, the employee may request within five (5) working days following receipt of such written answer the matter be presented to the Board of Education at their regularly scheduled meeting.
5. Step 5 - If the grievance is still not resolved, the employee may request arbitration with the approval of the Association. Such request must be submitted within ten (10) calendar days after receipt of the Board's decision at Step 4 above. The Association shall simultaneously request a list of seven (7) labor arbitrators from the Public Employment Relations Board from which the District and Association shall then select the arbitrator by each alternatively removing one name from the list until but one name remains. The first strike shall be determined by a flip of the coin. The decision of the arbitrator shall be final and binding, but the arbitrator shall have no authority to modify any terms of this Agreement. The District and the Association shall share the fees and expenses of the arbitrator, however, if the arbitrator deems the grievance to be frivolous, the arbitrator can split the fee as 80% for the Association and 20% for the District. All other expenses shall be borne by the party incurring them.

ARTICLE 16 - WORK WEEK AND REGULATIONS

A. The regular work schedule (hours of work and days of the week) shall be posted for all employees at the beginning of the school year. Employees shall receive time and one-half for all work in excess of 40 hours in a workweek. All work that occurs on the legal paid Holidays granted in the contract will be paid at a rate of two (2) times the employee's regular hourly rate.

B. Overtime opportunities will be offered on a rotating basis. The rotation list will be alphabetical by name for each building. Once that list has been exhausted in the building, the overtime opportunity will be offered to unit members alphabetical by name in the other building. The District will make the assignment should all of those unit members refuse the overtime opportunity. The District will make the assignment deviating from the list where in its discretion the overtime opportunity requires a particular knowledge or skill. If a unit member is on vacation, personal, bereavement or any other leave, the overtime opportunity will be offered to the next person on the list. The overtime opportunity will not be offered to another unit member where a unit member is completing an activity.

The Senior Building Maintenance Worker will not be included in the building rotation for overtime. Overtime for the Senior Building Maintenance Worker will be assigned as pre-approved by the Assistant Superintendent for Business.

C. For the purpose of computing overtime pursuant to paragraph 1 as contained herein, all time worked on a holiday as defined herein, vacation days taken, or days on which school was closed due to inclement weather and other emergency school closings shall be considered time worked.

D. School Closings: If school is closed for any reason during the work day or before the work day starts, the Superintendent of Schools shall make a determination as to whether or not custodial employees shall report for work and at which time they shall report. All custodial staff will receive their normal wages in any event.

E. Anyone called back to work by the Superintendent of Building and Grounds for an emergency outside of their regular work schedule shall be compensated for a minimum of four hours.

ARTICLE 17 - SENIORITY

A. In the event there are any vacancies, such jobs shall be posted on a bulletin board accessible to all employees for a period of five (5) consecutive working days. The job shall be awarded to the senior employee in the bargaining unit who bids for such job, providing he/she is qualified and capable of performing it. The determination of the qualifications or capability of an employee shall rest solely with the employer.

B. Upon being assigned to a job pursuant to this paragraph, the employee awarded such job shall be subject to up to a one (1) year probationary period after assuming said job in order to prove his/her ability to satisfactorily perform the functions, duties and responsibilities of the job. Any employee who fails to qualify within the prescribed probationary period shall be permitted to return to his/her former job without loss of seniority.

C. Seniority is based on length of continuous service the employee has with the employer and in the job classification of which he/she works.

D. In all cases of layoffs, job classification seniority shall govern with due consideration for ability to perform the particular job. When the employer re-hires any employee in any job classification, employees on layoff from said job classification shall be re-hired in reverse order in which they were laid off.

E. The District agrees to supply to the Union, upon request, a list containing the names and addresses of all employees covered by this Agreement with their length of service with the employer, and in the job classification in which they are employed.

Seniority shall be broken for any of the following reasons:

1. An employee quits or resigns.
2. An employee is discharged for cause.
3. An employee is laid off.
4. An employee is on an unpaid leave of absence, or paid workers compensation, or disability leave of absence.

F. In the event it is necessary to involuntarily transfer an employee to a different job classification on a temporary basis the employee so assigned shall be paid the higher rate of pay of the two job titles through an hourly differential. However, the lowest rate of pay of the two titles will be paid during vacation, sick, personal, holiday and bereavement days.

G. All new employees shall be considered as probationary for a period of one (1) year from the beginning of their employment. During this time, they will not be entitled to seniority, but will be held bound by all of the other provisions of this Agreement. A new employee may be summarily dismissed within said (1) year period from the date of employment at the sole discretion of the employer. If such employee is retained beyond the one (1) year probationary period from the beginning of this employment, he shall immediately thereafter be classified as an experienced employee and his/her seniority shall commence as of the date of his/her original unbroken employment period.

ARTICLE 18 - WAGES

All current employees will receive a salary increase of:

- 2014/2015 - \$1.00 per hour

New hires as custodian will receive a starting salary of \$10.60 per hour.

New hires as head custodian and senior building maintenance worker will receive a starting salary of \$11.66 per hour.

A. A unit member moving from cleaner to custodian or head custodian will receive, at least, the minimum starting salary according to this contract. Otherwise, a unit member moving from cleaner to custodian will receive a payment of \$2550 added to his/her base salary and be paid as an additional hourly wage (\$1.23). A unit member moving to head custodian will receive a payment of \$3550 added to his/her base salary and be paid as an additional hourly wage (\$1.71). All payments are pro-rated.

B. Custodian and grounds staff will not move to the next salary schedule step until they have served twelve (12) consecutive months of time in the District. If the service falls in such a manner as to cross fiscal years, salary monies shall be prorated upon appropriate salary levels. Custodial and grounds staff appointed to a higher job classification by the Board of Education will be placed on the appropriate wage schedule so that they will receive a rate of compensation equal to or greater than their previous rate.

C. Longevity Pay: Upon completion of ten years of service, each custodial employee shall receive an additional payment of \$250.00 per year. That amount shall rise to \$500.00 after 15 years of service and \$850.00 after 20 years of service.

ARTICLE 19 - SAVINGS CLAUSE

If any provision of this Agreement or any application of the Agreement is found contrary to law or rules and regulations of the Commissioner of Education, then such provision or application shall be deemed invalid and stricken from the contract and/or remedied as prescribed by law or appropriate rule or regulation. All other provisions or applications shall continue for the duration of the contract.

ARTICLE 20 - CHANGES AND DURATION
