ARTICLE II – COLLECTIVE BARGAINING UNIT

Section 1: The recognized unit of employees referred to in Article I shall be composed only of full-time clerical, secretarial, media associate, teacher aide and personal care aide employees, including those job classifications listed in the Wage Schedules annexed to this Agreement, excluding any such employees under the direct supervision of the Superintendent of Schools, the Director of Administrative Services, and the Director of Instruction.

ARTICLE IV – RIGHTS OF CSEA

to fill such vacancy has been established by the District. The CSEA Unit President will be notified of all job postings via e-mail the same day the vacancy is posted.

Section 4: Probationary Period and Civil Service Exams

All probationary periods shall be up to fifty-two (52) weeks duration. The Superintendent shall be responsible to recommend to the Board prior to the completion of the fifty-two (52) weeks period whether or not the employee shall be placed on permanent status.

Section 5: Transfers between Positions

Transfers of employees from one position to another within the same job classification will not be made without five (5) work days prior notice to the employees and the Union President. Any employee who wants to be considered for such an intra-job classification assignment change will notify the Director of Administrative Services in writing, annually. The annual declaration of interest will be discarded after the following May 1st, but it may be resubmitted or renewed in writing. If the District has no special reason for selecting one employee over another for such a transfer, the more senior employee will be offered the transfer.

Section 6: Trial Period

The term "trial period" means a period of up to fifteen (15) weeks after an employee has been assigned from one position to another under the posting procedures or any other permissible assignment procedure other than layoff and bumping. The trial period will be automatically extended one (1) day for each work day of absence during the trial period. During the trial period, the employee's total performance will be appraised by the District to determine whether the District will make the appointment a permanent one. The employee's former position must remain available, if the employee is reassigned to that position during the trial period, either at the employee's request or because of the District's evaluation of the employee's work performance. Neither event shall be subject to the grievance procedure.

ARTICLE XXI– SENIORITY

Section 1: Probationary Period

- (a) Employees in the bargaining unit covered by this Agreement shall be considered probationary, with a minimum length of twenty-six (26) weeks of full-time employment up to a maximum length of fifty-two (52) weeks of full-time employment. Whenever the terms "probationary" or "probationary period" are used in this Agreement, the reference shall apply

to initial employment or re-employment. Seniority will not be recognized while an employee is serving a probationary period.

- (b) The probationary period must be automatically extended by one (1) day for each scheduled work day a probationary employee is absent.
- (c) Seniority rights shall begin upon successful completion of the probationary period and shall be retroactive to the date of hire.

Section 2: **Seniority Areas – Defined**

- (a) District Seniority shall be acquired after an employee's successful completion of the probationary period served after original hire, or rehire after a break in seniority, and shall be measured from the employee's date of hire in a permanent position covered by this Agreement. An employee's District Seniority shall be his/her date of appointment, subject to adjustment as required herein.
- (b) Job Classification Seniority shall be acquired retroactive to the employee's date of permanent appointment to a particular job classification covered by this Agreement, after successful completion of the trial period for that classification. An employee's Job Classification Seniority shall be his/her date of appointment to the job classification covered by this Agreement. An employee's District Seniority shall be his/her date of appointment, subject to adjustment as required herein.
- (c) For the purpose of seniority, the District will recognize teacher aide seniority and personal care aide seniority to be synonymous. Any seniority accrued while as a teacher aide will continue onto the personal care aide position, and vice versa. The District will have one job classification Seniority List, combining the two job titles.

Section 3: **Impact of Absences on Seniority**

Seniority shall not accumulate during the following periods, and the employee's seniority date shall be adjusted by one (1) calendar day for each calendar day of these absences.

- (a) Layoff
- (b) Unpaid absence of five (5) or more consecutive work days and Worker Compensation leave of thirty (30) or more consecutive work days
- (c) Disciplinary suspension

Section 4: **Tie-Breaking Policy**

If two (2) or more employees have the same seniority, the more senior will be determined by date and order of appointment, as reflected in the official Board of Education minutes.

Section 5: Seniority Forfeiture

All seniority rights shall be forfeited and employment shall be permanently severed for any of the following reasons:

- (a) Discharge or dismissal for cause.
- (b) Resignation

- (c) Retirement under any retirement benefit plan.

- (d) Layoff for more than nineteen (19) consecutive calendar months, unless a longer period is mandated by law.

- (e) Refusal to accept recall from layoff.

- (f) Failure to report to work pursuant to recall from layoff requirements contained in this Agreement.

- (g) Failure to return to work after the expiration of any leave of absence, unless otherwise excused by the District, in writing, because of the existence of an "emergency" as defined in paragraph (i) below.

- (h) If the employee falsifies the reason for the leave of absence.

- (i) Abandonment, actual or constructive, of employment due to no-call, no-show (AWOL) of three (3) or more consecutive work days, unless otherwise excused by the District, in writing, because of the existence of an emergency. For the purpose of this provision, an emergency is the existence of any circumstances beyond the employee's control which, even with all due diligence, prevented the employee from contacting the District within the three (3) day period noted above.

Section 6: Seniority Lists

- (a) Seniority lists shall be published within ninety (90) calendar days after the execution of this Agreement and annually in September. A copy of the seniority lists will be furnished to the Union President.

- (b) If an employee believes that any new information on a seniority list is not correct as to that employee, the employee must submit a written request for correction to the Office of the Director of Administrative Services, which states what the employee believes to be the correct information. These requests must be submitted no later than the thirtieth (30th) business day after the list is posted; otherwise, the information on the list as to that

employee shall be deemed absolutely final. Unresolved disputes may be resolved through use of the grievance procedure herein, by submission directly to Stage Two.

ARTICLE XXII – RESIGNATIONS

- (a) All resignations must be submitted in writing and shall specify the employee's last day of work.
- (b) It shall be the policy of the District to consider resignations submitted to and approved by the Board of Education as binding upon the person resigning, when submitted to the District Clerk.
- (c) In the event that the person is applying for re-employment with the District, that person will be classified as a new employee in all respects.
- (d) If the employee resigns from employment and is rehired to a permanent position within twelve (12) consecutive calendar months of the effective resignation date, there shall be no break in the employee's District Seniority. Seniority shall not accumulate during this period of absence from employment.

ARTICLE XXIII – LAYOFF AND RECALL

Section 1:

- (a) **Layoff and Recall**

The following terms apply only to employees occupying positions in classifications which are labor and non-competitive classes of the Civil Service as defined by the New York State Civil Service Law and regulations issued pursuant thereto.

- (b) **Layoff Procedure**

Employees with the least Job Classification Seniority are the first to be laid off in any classification. Temporary and probationary employees in the classification are the first ones to go. Unless otherwise mandated by the Civil Service Law, the remaining employees must be able to perform the available work.

- (c) **Bumping Options**

1. Bump the employee with the least Job Classification Seniority in the same or other job classification in the same unit who has less District Seniority – but only if the employee doing the bumping had previously

served in that other job classification for at least one (1) year, successfully completed his/her probationary period

2. If the displaced employee has option (1) above, it must be utilized or the employee will be treated as having resigned as of his/her last day of work. A displaced employee who does not have option (1) available to him/her shall be laid off.
3. An employee who bumps must be able to perform the available work.

Section 2: **Preferential Recall List**

An employee who has been laid off shall be placed on a recall list for the job classification which he held at the time of the layoff. If an employee remains on the recall list without having been recalled for a period of not less than twelve (12) nor more than forty-eight (48) consecutive calendar months as mandated by law, beginning with the month immediately following the month in which the employee was laid off, he shall be regarded as having resigned as of the last day of the forty-eight (48) months.

Section 3: **Recall Procedures**

- (a) A laid off employee may be recalled to any classification in which the employee formerly had Job Classification Seniority in the inverse order of seniority (last laid off in that classification is the first recalled) if:
 1. There is a vacancy in that classification (other than a temporary vacancy) which the District desires to fill (of more than forty-five (45) continuous days in duration); and
 2. The employee had previously served in that classification for at least one (1) year (one full school year for aides), had successfully completed his/her probationary period, and his/her overall performance in that area was rated as satisfactory or above; and
 3. The employee can perform all of the duties of the other classification.
- (b) If the laid off employee is offered the above recall rights and refuses, his/her name shall be removed from the layoff list and he/she shall be treated as being resigned as of his/her date of refusal.
- (c) An employee re-classed to a lower-rated classification pursuant to this Section within twelve (12) months after his/her last permanent assignment to it, shall resume his/her Job Classification Seniority in that job classification that he/she had at the time he/she left to go to another job classification or unit.

- (d) An employee re-classed to a lower-rated classification pursuant to this Section shall continue to have recall rights to the original job classification he/she was laid off from for a period of at least twelve (12) but not more than forty-eight (48) calendar months as mandated by law, beginning with the month immediately following the month in which the employee was laid off. Employees so recalled shall resume Job Classification Seniority status from the point when his/her layoff occurred.

Section 4: All laid off employees have a responsibility to inform the District, in writing, of their current address and telephone number.

Section 5: Recall procedure may be fulfilled by telephone, followed by written confirmation of the recall by certified mail to the employee's last known address. The employee must respond to such notification and return to work within five (5) days of its receipt, absent an emergency as defined herein.

Section 6: Nothing herein shall prohibit the District from temporarily filling a vacancy or new position prior to the date a recalled employee reports for work.

Section 7: The District agrees to keep the Union up-to-date, by notification to the Union President, in the event unit employees are recalled pursuant to this Article.

ARTICLE XXIV – PERSONNEL FILE

Section 1: An employee shall have access to the personnel file maintained in the District's Central Office which pertains only to that employee. That file shall be the only official file maintained concerning the employee. Access to the central file shall be granted upon prior arrangement with the Director of Administrative Services, during the business hours when the office is normally open, and shall be in the presence of the District Administrator in charge of the file or a person designated by that Administrator for that purpose. The employee shall not have access to confidential, employment materials or references.

Section 2: The employee shall initial and date, with the date of the review, every document in the file at the time of the review. The employee shall not remove anything from the file. Copies shall be made available to the employee at no cost.

Section 3: The employee may submit a written, dated and signed rebuttal to anything in the file which the employee deems to be derogatory. Rebuttals will be filed in the appropriate file determined by the District within ten (10) calendar days after receipt of the rebuttal. The District will advise the employee where it has filed the rebuttal.

ARTICLE XXV – SAVINGS CLAUSE

Section 1: If any article or part thereof of this Agreement or any addition thereto should be decided as in violation of any federal, state or local law, or if adherence to or enforcement of any article or part thereof should be restrained by a court of law, the remaining articles of the Agreement or any addition thereto shall not be affected.

Section 2: If a determination is made as per Section 1 of this Article, the original parties to this Agreement shall convene immediately for the purpose of negotiating a satisfactory replacement for such article or part thereof.

ARTICLE XXVI – LEGISLATIVE ACTION

Section 1: It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law by providing the additional funds thereto shall not become effective until the appropriate legislative body has given approval.

ARTICLE XXVII – DRESS CODE

Section 1: Certain standards of dress are expected of all unit members, who through their daily contacts with children and parents exert a professional leadership image that commands respect and discipline. All unit members will keep in mind their professionalism relative to dress and decorum.

1. Degree must be related to position the unit member holds in the district.
2. Proof of the college degree must be submitted, by the employee, to the Personnel Office, in a timely manner. This stipend will be paid in July for twelve (12) month employees and in September for ten (10) month employees. Proof must be submitted no later than June 30th for the following fiscal year's payment.
3. Decision of the Superintendent as to whether degree is related is final.
4. Unit members who qualify would receive one of the following stipends, not both.

\$250 for an associate's degree (2 year)

-or-
