THIS AGREEMENT is made by and between the Superintendent of Schools of the Livonia Central School District (Superintendent), on behalf of the Board of Education of the Livonia Central School District (hereinafter referred to as the "Board"), and the Livonia Non-Teachers Organization (hereinafter referred to as the "LNTO").

WHEREAS, it is the intent and purpose of the parties to set forth herein the basic Agreement covering wages and terms and conditions of employment to be observed between the parties hereto:

The parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement and, therefore, agree that negotiations will not be opened on any item whether contained herein or not until a new contract is negotiated.

"IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR PROVIDING ADDITIONAL FUNDS THEREFORE SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN ITS APPROVAL."

NOW, THEREFORE, it is mutually agreed as follows:

## **ARTICLE I**

### **Section 1.01 Recognition**

The Board recognizes the Livonia Non-Teachers Organization as the "exclusive" bargaining agent for all non-certified support personnel including such positions as the Senior Network Technician and certain swimming pool employees identified in the Memorandum of Agreement dated January 22, 2004. Excluded from this recognition and agreement are all management/confidential positions. Such recognition shall extend for the maximum period allowed by law.

## **ARTICLE II**

### **Section 2.01 Dues Checkoff and Authorization**

The Board agrees to deduct from the salaries of the employees, dues for the Livonia Non-Teachers Organization, as said employees individually and voluntarily authorize the District to make such deductions, and to transmit the monies promptly to the Livonia Non-Teachers' Organization. Employee authorizations shall be in writing on a form provided by the unit.

Total annual membership dues for these employees designated shall be deducted in 18 equal installments beginning with the second pay period in October. No later than two weeks prior to the first scheduled paycheck in October, the unit shall provide the Superintendent with a list of those employees who have voluntarily authorized the Board to deduct dues.

## ARTICLE III

### Section 3.01 Wages & Salary

**2015-2016 School Year:** Each returning unit member who remains employed on the date the Agreement is signed is to receive an increase in the basic hourly or trip rate of pay of \$.25 per hour plus 1.50%, over the 2014-2015 rate of pay.

**2016-2017 School Year:** Each returning unit member who remains employed on the date the Agreement is signed is to receive an increase in the basic hourly or trip rate of pay of \$.25 per hour plus 1.50%, over the 2015-2016 rate of pay.

If any unit member's hourly rate, after applying the contract increase, is less than the starting rate for that unit member's position in that year, the unit member's rate will be increased to the starting rate.

### Section 3.02 Pay Schedule and Deductions

All support personnel will receive biweekly paychecks of equal amounts based upon number of hours per year at their hourly rate (starting approximately the second week in September for the part-time employees). Employees not working the number of hours scheduled during a pay period will have their pay adjusted on a subsequent payroll period.

Ten (10) month employees may select to be paid in 21 paychecks or 25 paychecks. With the 25 paycheck option, the salary amount for the last 4 paychecks will be paid in the last pay date in June. Unit employees must notify the business office of a change in the paycheck method by July 1 for the next school year. Once a method is chosen, there is to be no change until the following July 1. A new employee must indicate which of the two (2) methods s/he chooses at the time of employment.

Returning 10 month employees will receive half of their regular paycheck on the first Friday after their return to school in September. The second half of their regular paycheck will be provided on the first regularly scheduled payday. Only mandatory reductions will be deducted from these half pays. Voluntary deductions will commence on the second regularly scheduled payday for the school year.

The district will provide for a payroll deduction process for employees to purchase disability insurance on a voluntary basis. The district will remit such funds to the insurance carrier for those employees who wish to participate.

### **Section 3.03 Salary When Changing Area of Employment**

When a unit member in a job classification other than bus driver, maintenance mechanic, custodian and licensed practical nurse is appointed to another position in any of these job classifications, the employee shall be given one (1) year of salary credit in the new area for each full year of service rendered for the District.

When a unit employee in the job classification of bus driver, maintenance mechanic, custodian and licensed practical nurse is appointed to a new job classification (e.g. bus driver to teacher aide), the employee shall be given one (1) year of salary credit for each three (3) years of service rendered to the district in the area s/he is leaving. For example, if a bus driver with three years of service changes to a teacher aide position, the employee's starting rate in the new position would be the starting rate at that time for the new position plus one year's salary credit (% increase).

When a ten month employee returns to perform summer work outside of his or her regular classification (e.g., a teacher aide works as a cleaner) the employee's summer pay will be increased by \$.25 per hour in each consecutive year that they serve in such position (The increase is measured from the starting rate that the employee first commenced summer work in said position). This change commences July 2003 and returning employees for the summer of 2003 will be given one year's credit if they worked the summer of 2002.

### **Section 3.04 Extra Trips**

Extra trips are defined as student activities sponsored by the district or community activities approved by the Board of Education. These trips will be paid at the rate of \$13.25 an hour for 2012-13, then \$13.50 for 2013-14 and 2014-15.

### **Section 3.05 Callback Pay**

Employees called back to work after the completion of the regular workday shall receive a minimum of two (2) hours pay.

"Callback" shall be defined as service rendered by an employee who has completed his/her regular assignment, left the work place, and assistance is requested by phone or to return to work.

This article shall apply to special bus trips such as field trips, athletic events and the like, which occur on Saturdays, Sundays or holidays.

This article shall apply to cafeteria clean-up assignments, dinners and teacher aides called back during vacation periods (Easter, Christmas and summer).

### **Section 3.06 Layover Time**

Each bus driver (60 passenger or more vehicle) shall be paid at the rate of \$10.00 per hour, prorated in 15 minute increments, for work time spent in addition to regular hours due to inclement weather, mechanical failure, etc. when the delay extends his/her normal route time by more than one-half hour (The first half-hour is considered part of the regular run and is not compensated as layover time). The payment of monies must be approved by the Transportation Supervisor. This article pertains only to bus routing within the school district.

### **Section 3.07 Transporting Vehicles for Repairs**

Each bus driver (60 passenger or more vehicle) transporting a vehicle for repair within the district shall be paid at the rate of \$10.50 per hour, prorated in 15 minute increments, for the time spent transporting said vehicle. This work must be authorized by the Transportation Supervisor or his/her designee. This same rate per hour (\$10.50) prorated in 15 minute increments also applies to the time a driver spends being tested for drugs and/or alcohol under federal regulations and the associated district policy. Transporting vehicles for repair outside of the district will be paid at the Extra Trip rate (Section 3.04).

### **Section 3.08 Work in a Higher Job Classification**

If an employee works in a higher job classification for ten (10) consecutive working days, he/she will be paid ten percent (10%) above his/her regular rate beginning with the eleventh day. The increased payment shall be retroactive to the first day of the assignment if the employee completes the eleventh day.

If a temporary transfer persists for longer than one calendar year, the unit president and superintendent will negotiate a mutual agreement regarding the future status of the employee.

### **Section 3.09 Temporary Supervisory Assignments**

In cases of temporary supervisory assignments, the employee placed in the temporary role will not be paid less than workers for whom he/she has responsibility to supervise. However, in cases involving a temporary custodial assignment, the temporary custodian shall be paid not less than the starting rate established for the custodian position or 10% greater than his or her current wage, whichever is greater.

If a temporary transfer persists for longer than one calendar year, the unit president and superintendent will negotiate a mutual agreement regarding the future status of the employee.

**Section 3.10 Shift Differential**

All employees, except cafeteria employees, regularly scheduled and normally working between the hours of 4:00 p.m. and 12:00 midnight shall receive a shift differential of forty-five cents (.45) per hour. All employees working between 12:00 midnight and 6:00 a.m. shall receive a shift differential of \$1.15 per hour. In computing the differential, sick, personal or holidays will be included, providing these days fall within the period when the employee's working hours are normally after 4:00 p.m. Shift differential will be paid only when the employee actually works between 4:00 p.m. and 6:00 a.m. during the summer vacation period and during other student vacation periods within the school year.

**Section 3.12 Exceeding Starting Rate**

The District may hire at a rate exceeding the starting rate depending upon the experience and skill of the applicant. For example, if the district hired a maintenance mechanic with 8 years of prior experience, the district may start the individual with up to 8 years credit in the position. Similarly, if the district hired a teacher aide with 8 years previous experience in another school district, the district may start the individual with up to 8 years credit in the position. When this occurs, the starting rate will be no higher than \$.50 per hour less than the rate being paid to current employees in such positions with equivalent years of service. The district will provide the Association President notice prior to this occurring.

**Section 3.13 Longevity**

A longevity incentive will be established as follows:

10 Years	Additional 2%
20 Years	Additional 2%

Longevity increases will be added to the qualifying unit member's pay rate prior to the application of any increase for the next year of the contract. The new rate will become the unit member's salary level.

The increases listed above will be applied to unit members who have completed the number of years of uninterrupted service listed above.

## ARTICLE IV

### **Section 4.01 Hours of Employment**

The normal workweek for all full-time employees\* in the buildings and grounds department shall be eight (8) hours per day, five (5) days per week.

The normal workday for full-time office employees shall be seven and one-half (7.5) hours, not including time taken for lunch. Exception to this can be made upon request of the immediate supervisor. Request will be in writing.

The normal workweek for cafeteria and food service employees shall be determined by the cafeteria manager.

The Superintendent of Schools may alter the normal work schedule when, in his/her opinion, it is in the best interest of the District.

\*Whenever and wherever the phrase "full-time employee" appears in this contract, it shall mean those employees who are regularly scheduled and employed on a 12-month basis.

### **Section 4.02 Days of Employment**

1. The work year for cafeteria employees will be 175 days. The meeting held between the cafeteria employees and the cafeteria manager prior to the beginning of the school year will count as one of the 175 days of employment. Cafeteria employees may work and be paid for 170 days by completing a waiver (available in the Business Office) by June 30 of the prior year.
2. The work year for ten (10) month teacher aides and cleaners will be 180 days.
3. The work year for bus drivers will be 177 days.
4. Any days to be worked in addition to those listed above will mean additional pay for the hours worked. Bus drivers and cafeteria employees will receive the employee's daily rate of pay for every day of work, which is in addition to those days listed above.

## ARTICLE V

### **Section 5.01 Overtime**

Overtime, where practical, shall be assigned on a rotating basis and the employee with the highest seniority shall be first offered the opportunity to work overtime. If an employee declines to accept an overtime assignment, it shall be considered as if he/she had worked same and he/she shall not be offered overtime until his/her proper rotation period.

When called upon to work at a banquet, dinner, a special breakfast (not apply to regular daily breakfasts) or other school functions, cafeteria employees shall be paid at the rate of one and one-half times their regular hourly rate of pay. Complementary meal times, if any, are not part of the working period.

Twelve (12) month employees engaged in authorized overtime work beyond their regular work hours and who have worked more than 40 hours that week (including sick, personal, paid holidays and vacation days) shall be paid at a rate of time and one-half for said work.

In lieu of payment for overtime worked, twelve month employees upon the approval of their principal or supervisor may accrue compensatory time with a maximum of three days accrued at any point. It is recommended that the time shall be taken as time off during the current school year. Compensatory time shall be calculated at the rate of one and one-half hours of compensatory time for each hour of overtime worked except that Sundays or Holidays would be calculated at two hours of compensatory time for each hour of overtime worked. The principal/supervisor and employee will keep documentation of compensatory time and such time off will be noted on the employee's time sheet when taken.

### **Section 5.02 Saturday, Sunday and/or Holiday Work**

Saturday work will be paid at 1.5 times the hourly rate except for regularly scheduled Saturday position.

Unit members employed on an hourly basis on Sunday and/or holidays shall be compensated at two (2) times their regular hourly rate, providing prior approval of the work hours has been given by the Superintendent of Schools or his/her designee except for regularly scheduled Sunday position.

Unit members employed on an hourly basis on holidays shall be compensated at two (2) times their regular hourly rate, providing prior approval of the work hours has been given by the Superintendent of Schools or his/her designee.

## ARTICLE VI

### **Section 6.01 Uniform/Shoe Allowance**

The district shall provide a uniform for custodians, cleaners and maintenance workers. For any unit member asked to perform snow removal on a daily basis, the uniform will include an appropriate cold weather jacket. In addition, the district shall pay a \$125 shoe allowance, contingent upon the employee purchasing a good quality work boot or sneaker. Due to the costly nature of a good quality work boot for maintenance employees and automotive mechanic employees, these employees may, at any time during the term of this contract, use the entire allowance (\$400) for one or more pairs of boots. At the end of the agreement, if a maintenance employee has funds remaining in his/her allowance, such balance may be carried over to the successor agreement.

The District shall pay a \$150 uniform/shoe allowance for cafeteria employees.

In the 2012-13 school year, the District agrees to purchase a cold weather jacket or a fall/spring jacket for all regular bus drivers or a pair of boots based on the driver's choice. The allowance for these jackets or boots is \$125. As the jacket will bear the District's name, it is to be worn in appropriate places and settings.

Wherever provisions are made for uniforms, employees are required to wear them on the job.

Prior to the actual purchase of items, a unit employee should obtain the advance verbal approval from the appropriate supervisor for the purchase of any shoes or uniform types and colors. In addition, after verbal approval and purchase, the unit employee must submit proof of purchase which shall be a receipt listing the item purchased, the date, the amount and the name of the establishment where purchased. Cafeteria employees shall be required to purchase only one (1) color per year.

The District shall provide up to two (2) back support belts for each building to be used as per product directions.

Employees who leave during the year will have a prorated deduction on uniform/shoe allowance.

Bus drivers shall be paid an equal amount of \$125.00 to apply toward test and license fees mandated by federal regulations upon submission of receipts.

### **Section 6.02 Reimbursement for Cellular Telephone Use**

All unit members provided with or reimbursed for a cell phone will provide their cellular telephone number for access during the work day and in emergency situations. The district will reimburse the all unit members according to district policy.

- c. For extra trips that require continuous duty between the hours of 5:00 p.m. and 7:00 p.m., the allowance shall not exceed \$8.00

The Board reserves the right to require meal receipts, and the driver, in order to be paid, must complete the appropriate voucher.

## ARTICLE VIII

### Section 8.01 Vacancies

A written notice for any vacancy within the bargaining unit, whether in an existing or newly created position, will be posted internally in the main office of each school building in the District for at least five (5) working days before the position is advertised publicly, barring an emergency. The notice of vacancy shall contain a description of the duties of the position, the minimum qualifications required and the compensation. Unit members who properly respond in writing to the posting within the five (5) day posting period will be considered for such vacancy and will be interviewed for the position. In the event that the district decides to fill the vacancy with a unit member applicant and, in the District's judgment, the qualifications of the unit member applicants who are being given final consideration for the position are equal in all other respects, then length of service in the District will be the tie breaker. Nothing contained in the article, however, shall limit or restrict the District from considering or appointing applicants who are not current unit members after the procedures set forth in this article have been followed.

### Section 8.02 Part-Time Summer Work

Any part-time summer jobs that become available and are funded by the District shall be offered to support personnel who are qualified first, as per the provisions of Section 8.01.

### Section 8.03 Employment/Probationary Period

A twenty-six (26) week probationary period will be served before a permanent appointment is made. All benefits will be withheld except health insurance, which will be granted after 30 days into the twenty-six (26) week probationary period.

Any full time bus driver or other employee who is returned to substitute status and substitute pay, for whatever reason, will immediately assume his/her previous top rate of pay upon return to full-time status. The probationary period need be served only once.

## ARTICLE IX

### **Section 9.01 Job Protection**

No unit member shall be denied work within his/her job classification due to the hiring of some other substitute or student employee.

The number of employees in the various departments shall be determined by the Board at the beginning of the school year. If additional employees are needed, students from the work-study program may be employed.

### **Section 9.02 Notification of Employment**

All part-time employees will be notified in writing by August 1<sup>st</sup> of each year, if the job they held the previous year is still available to them for the coming year.

### **Section 9.03 Policy Change**

All personnel will be notified by March 1<sup>st</sup> of any change in policy or status in regards to the Board deciding to contract its transportation, cafeteria or buildings and grounds maintenance programs.

The School District will not subcontract any services now provided by employees of the unit without first negotiating the impact on the specific department affected by the subcontracting. (i.e., cafeteria employees, bus drivers, etc.)

## ARTICLE X

### **Section 10.01 Workers' Compensation**

If an employee is absent from work as a result of an injury which was incurred during the course of employment, he/she shall be paid his/her full salary for the duration of his/her disability, less any Workers' Compensation benefits to which he/she may be entitled.

However, the first seven (7) days of the employee's absence shall be charged against his/her accrued sick leave. In no case will the School District make payments to the employee beyond the employee's accumulated sick days reserve.

The Board shall have the right to have the employee examined from time to time by a physician of its choice and at its expense in order to determine the duration of disability.

5. For purposes of determining hours worked on a daily basis, the configuration of four (4) trips for a school bus driver equates to five and one-half (5.5) hours for purposes of health care plan eligibility
6. After three years of employment as an eligible unit member, the employee will have the same Health Care options as eligible unit members fitting the description of #2 above. This means that an employee who has taken or has been eligible for 85% district contribution (7.0 hours or greater) will be eligible to choose from any plans offered under #2. If an employee moves from part-time to full time status, that employee would have to continue for three years at that full time status to be eligible for benefits according to #2 above.

\*Note: Since the plan year begins January 1 and runs the calendar year. The district will contribute the deductible on an annual basis with half on September 1 and the other half on January 2. For employees retiring with 15 years and 150 sick days, the district will contribute \$2,500 annually toward the cost of health insurance. For employees retiring with 20 years of service and 200 accrued sick days, the district will contribute \$3,000 annually toward the cost of health insurance. The lump sum payment for health insurance costs is in lieu of payment for accrued sick days per the sick day payment schedule described in Section 19.02. However, all days accrued beyond either 150 days (15 or more years of employment) or 200 days (20 or more years of employment) will be days reimbursed to the employee on the basis of the sick day payment schedule described in Section 19.02. The lump sum payment will be made until the employee's death or until the employee qualifies for Medicare insurance, whichever occurs first.

Failure of retirees to make timely payments of their share of the premium costs will result in cancellation of coverage.

The accumulated sick days requirement may be waived only if a unit member's attendance record has been exceptional and a major illness or accident has resulted in that unit member's accumulated sick days falling below 150. A committee will be established to review requests to waive the accumulated sick leave requirement. The committee shall consist of the Superintendent of Schools or his/her designee, the President of the Association or his or her designee, and one unit member designated by the President of the Association. The committee will review the criteria described above and any determination to grant a waiver must be unanimous. Determinations made under this paragraph shall be final.

Any such program shall be in full compliance with the U.S. Internal Revenue Code and any pertinent Revenue Regulations. Any language in this Agreement which is not in compliance with the law and regulations is not effective to the extent that it is not in compliance.

**Section 11.05 Health Plan Options**

Employees who qualify for coverage of health care costs under Section 11.01 may choose not to receive all or some of the health plan benefits; the choice to be made by July 1<sup>st</sup> of each school year. If they choose to do this, they will be given salary increases according to the following schedule. These monies will be a yearly addition to their regular salary.

The health care option payments will be pro-rated as to those employees who are appointed or who cease employment during the course of the school year.

For those employees who are appointed after November 15, 2000, the option payment will also be prorated according to the level of employee contribution for the health care plan; e.g. a unit employee who is eligible for 50% employer contribution for health care would receive 50% of the option payment. If an employee is eligible for 85% employer contribution or more, the employee would receive the full amount of the opt-out stipend.

Itinerant substitute drivers (those not employed on a regular basis) will not be assigned to any student activities unless the supply of regular drivers is exhausted.

MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is entered into by and between the Livonia Central School District (hereinafter referred to as the "District") and the Livonia Non-Teachers Association (hereinafter referred to as the "Association").

WHEREAS, the District and the Association are parties to a collective bargaining agreement covering the period July 1, 2012 through June 30, 2015 (hereinafter referred to as the "collective bargaining agreement"), and

WHEREAS, the District and the Association desire to clarify the procedure by which certain unit members may be called in to work in emergency situations; and

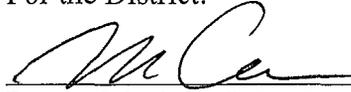

WHEREAS, the parties desire to memorialize the clarification of this procedure so that it is fully recognized and understood,

NOW, THEREFORE, THE DISTRICT AND THE ASSOCIATION HEREBY AGREE AS FOLLOWS:

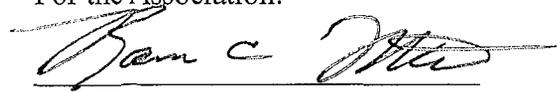

1. Maintenance Mechanics and Maintenance Assistants/Groundkeepers may be called in to work at times other than their regularly scheduled work hours (e.g., evenings, weekends, holidays, recesses, etc.) to respond to emergencies. The District will maintain an emergency call-in list of Maintenance Mechanics and Maintenance Assistants/Groundkeepers (hereinafter referred to as "employees"), who will be available for such emergency response. In the event that a personal commitment precludes such an employee from being able to respond to an emergency call-in for a certain period of time, he/she may opt-out of the emergency call-in list by notifying his/her direct supervisor in advance of his/her period of unavailability. In such a case, the employee's name will be removed from the emergency call-in list for the period of unavailability.
2. Because these are emergency situations, the provision in Article V, Section 5.01 of the collective bargaining agreement that, where practical, overtime is to be assigned to the employee with the highest seniority on a rotating basis does not apply to emergency call-ins. The District may call in any employee on the emergency call-in list, with consideration as to who can respond most quickly and/or who may be the most qualified to address the emergency situation.
3. If no qualified employee is available to promptly and effectively respond to the emergency situation, the District may seek an outside vendor to address the emergency situation. The fact that the District may use an outside vendor under the terms of this Memorandum of Agreement shall not constitute evidence that the maintenance of District facilities and equipment is not exclusive Association work.

4. The provisions of Article III, Section 3.05 ("call-back pay") of the collective bargaining agreement shall apply to emergency call-ins that are made pursuant to this Memorandum of Agreement. Therefore, an employee who is called in to work and reports to work in an emergency pursuant to such call-in shall receive a minimum of two (2) hours pay. These hours and other authorized hours worked by the employee during the emergency call-in will qualify for overtime if the relevant conditions of Article 5.01 are satisfied.<sup>1</sup>
5. This Memorandum of Agreement shall be attached to the collective bargaining agreement and shall affect only those terms of the collective bargaining agreement as are specified herein.

<sup>1</sup> The relevant part of Article V, Section 5.01 states that: "Twelve month employees engaged in authorized overtime work beyond their regular work hours and who have worked more than 40 hours that week (including sick, personal, paid holidays and vacation days) shall be paid at a rate of time and one-half for such work."
