AGREEMENT

This Agreement, made this 1st day of July, 2009, by and between the Chief Executive Officer of the Caledonia-Mumford Central School District (hereinafter referred to as the "Superintendent") on behalf of the Board of Education of the Caledonia-Mumford Central School District (hereinafter referred to as the "Board") and the Caledonia-Mumford Support Staff, NYSUT/AFT, AFL-CIO (hereinafter referred to as the "Association").

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR PROVIDING ADDITIONAL FUNDS THEREFORE SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN ITS APPROVAL.

ARTICLE 1 - RECOGNITION

The Board hereby recognizes the Association as the exclusive bargaining representative for a bargaining unit consisting of all full and regular part-time employees in the following titles: bus drivers, food service workers, maintenance employees, aides, regular substitute bus drivers, monitor, bus washer, courier, duplicating services assistant, student interpreter sign coach, building secretaries, attendance clerk and excluding the Superintendent, administrators, business manager, treasurer, tax collector, school nurses, Superintendent's secretary, and supervisors. Such recognition shall extend to the maximum period allowable pursuant to applicable sections of the Public Employees Fair Employment Act.

ARTICLE 2 - SAVINGS CLAUSE

This Agreement and all provisions herein are subject to all applicable laws. In the event any article or any section of any article of this Agreement is held by a court of competent jurisdiction to violate any such applicable law, that article or section shall be rendered null and void and the remainder of this Agreement shall remain in full force and effect as if the violative portion had not been a part of this Agreement.

ARTICLE 3 - NO STRIKE

The Association agrees that it will not cause, condone, sanction or take part in any strike, walkout, slow-down or work stoppage within the District.

ARTICLE 4 - DUES DEDUCTION

The Board agrees to such deductions from the salaries of unit employees as are dues for the Association as such employees individually and voluntarily authorize the District to make. Authorization will be on a form provided by the Association. No later than ten (10) days prior to the third pay period, the Association will submit a list of members for whom dues shall be deducted and authorization cards for those who do not have cards on file. Deductions will commence with the second pay period and continue in eighteen (18) equal installments. The Association agrees to indemnify and hold harmless the District from any and all claims made as the result of deductions made under this Article.

ARTICLE 5 - UNION RIGHTS

- Section 1. The President of the Caledonia-Mumford School Support Union or the President's designee shall be allowed to visit the buildings within the District to investigate working conditions, problems, and for other purposes as related to the welfare of the Association. These visits are to be arranged with the building principal so there will be no interruption in service. These visits may be made during off-duty hours or during duty hours. If they are during duty hours, arrangements will be made with the immediate supervisor of the President or the President's designee and the immediate supervisor of the area where the visit is to be made. Such arrangements must be made at least eight (8) hours in advance. The total number of visitation hours away from the workstation during the year shall not exceed forty (40). The President will maintain a log of released time and keep a copy of such log on file in the office of the Superintendent.
- Section 2. The Association shall have the right to hold meetings to conduct Association business in District buildings according to District policy and on non-working time. A written request must be made to the Superintendent during school business hours at least 24 hours in advance of such use.

ARTICLE 6 - POSTING VACANCIES

- Section 1. All new positions, and or vacancies including full-time, part-time, leave vacancies and all others excluding summer positions shall be posted for seven (7) school business days prior to the date that the District permanently fills the position. The posting will be in all District buildings.
- Section 2. All factors being equal, current employees will be hired in seniority order for vacancies over outside applicants.
- Section 3. Long term substitutes, except regular substitute bus drivers, employed in excess of sixty (60) calendar days shall be entitled to the benefits of this contract on the sixty first (61st) day.

ARTICLE 7 - WORK IN HIGHER CLASSIFICATION

In the event that a full-time employee is assigned to work temporarily in a higher rated job classification for a period of three (3) work days in a pay period, the employee will be paid at the rate of pay for the higher job classification starting on the fourth work day.

ARTICLE 8 - SENIORITY AND LAYOFF

- Section 1. Seniority shall be established as beginning with the most recent date of employment within the District in a bargaining unit position. Seniority shall apply and accrue only in the job classification in which the employee is assigned or civil service classification. Employees who transfer from one job classification to another shall have their seniority frozen in their previous job classification.
- Section 2. An updated seniority list will be available to the Association on or about October 1 of each work year.
- Section 3. Layoff or necessary reduction in work hours shall be by seniority within each job classification beginning with the least senior employee.

Section 4. In the event of layoff, more senior employees may bump less senior employees within their *job* classification.

Section 5. Employees who have been laid off from a job classification shall be recalled to that same job classification in inverse seniority order (most senior first). A recall list shall be established and maintained by job classification for a period of five (5) years, or a period equal to the affected employees accumulated seniority whichever is less. A refusal to accept recall or the employee's failure to notify the Administration of any change in address will result in that employee's name being removed from the recall list. Any employee accepting recall must report for work no later than seven (7) calendar days from the date of notification. Failure to do so will be considered a voluntary quit.

ARTICLE 9 - SICK LEAVE

Section 1. Employees shall, after two months of service, receive one (1) day per month to a total of ten (10) sick days per year for ten (10) month employees, twelve (12) days for twelve (12) month employees. It is the intention of the parties that these days may be used for employee sickness, as well as sickness of an immediate family member. Immediate family shall be defined as spouse, child, mother, father, mother-in-law, father-in-law, grandchild or grandparent of self or spouse. An employee may be asked for a doctor's excuse after three (3) consecutive sick days in a pay period.

Section 2. Ten-month employees may accumulate sick days to a total of 175 days, twelve-month employees to a total of 250 days.

Section 3. If an employee who has used sick leave is entitled to workers compensation payments for wages (excluding permanent damage awards), the amount of such payments will be paid to the District in full by the employee and the employee shall be credited back with the pro-rata number of used sick days.

Section 4. A statement of accumulated sick leave days as of June 30 will be given to each employee by August 1.

Section 5. All employees demonstrating perfect attendance during the school year (September 1st through June 30th) shall receive a **bonus of \$400**. Perfect attendance shall be defined as no use of sick days, personal leave, unpaid days or any other extended leave. Use of bereavement days or vacation days are not credited against perfect attendance.

Section 6. Ten month employees who work during the summer as maintenance employees shall be granted two additional sick days and be paid for the July 4th holiday. These sick days can accumulate if unused.

Section 7. Sick Leave Reserve

- a. A sick leave reserve will be established to provide unit members with additional sick leave in the event of long-term illness or injury. The reserve will be established with earned and unused sick leave days voluntarily donated by unit members. Each unit member can become a member of the sick leave reserve by donating one [1] day of accumulated sick leave by September 30 of each year, or within 30 days of employment, by completing an annual membership form. The donation is irrevocable and shall not be made to a specific unit member for his/her exclusive use. Only unit members who have joined sick leave reserve may draw from the reserve.

- b. An initial membership drive will be held in September of 2012. Unit members may contribute two [2] accumulated sick leave days.
- c. If the sick leave reserve falls below 80 days, each member will be required to contribute an additional day within 30 calendar days of the request for the additional day in order to maintain membership. Unused sick leave reserve days will be carried over into the next school year. If there are more than 300 days in the sick leave reserve at the beginning of a school year, membership will continue without additional contributions. New members will be required, however, to donate one day.
- d. Any unit member who is a member of the sick leave reserve will have the ability to withdraw days based on the following criteria:
 - 1. The unit member has a long-term illness or injury, defined as an illness or injury which is expected to incapacitate him/her for an extended period of time, requiring absence from work for a minimum of forty [40] weekdays during the school year [September 1 through June 30] (the waiting period). Only one waiting period is required per specific medical condition.
 - 2. The unit member has exhausted all of his/her accumulated sick leave.
 - 3. The unit member submits written verification of his/her medical condition from a physician specifying the exact nature of the illness/injury, physical limitations, length of expected absence, and expected date of return to work.
 - 4. The unit member submits a written request to withdraw days to the Superintendent of Schools.
 - 5. No one unit member will be permitted to withdraw in excess of ninety [90] days per school year.
 - 6. Days will be withdrawn in full day increments only, beginning on the 41st day of absence or when all sick leave is exhausted, whichever is later. Bank days may be applied retroactively in the event the accumulated days have been exhausted before the end of the waiting period.
 - 7. When a unit member has accessed the sick leave bank and returns from a long term illness or disability that unit member will be advanced five (5) days of sick leave if s/he has no sick leave entitlement. These days shall be subtracted from that unit member's allotment of sick days in the following year. Should the unit member leave employment prior to the next school year the unit member shall reimburse the District for the number of such sick leave days used.
 - 8. At the beginning of each school year the District shall provide a report to the Association President of the use of the sick leave bank in the previous school year and the number of days remaining in the sick leave bank.

ARTICLE 10 - PERSONAL DAYS

Employees working a minimum of six (6) hours per day and ten-month bus drivers shall be granted two (2) personal days per year. A request for such days must be submitted five workdays in advance, except in a matter of emergency, and must be approved by the Superintendent. Unused days will be accumulated as sick leave time. Employees working less than 6 hours per day who are scheduled to work whenever school is in session shall be granted 1 personal day. Personal days shall not be granted on or before paid holidays, school recesses, and Superintendent Conference Days. An exception will be made for employees requesting a personal day for the purpose of transporting a child to and from college. All other exceptions shall be made at the discretion of the Superintendent.

ARTICLE 11 - BEREAVEMENT LEAVE

Section 1. Upon a death in the immediate family (parents, step parents, spouse, children, step children, brothers, sisters, grandchildren, grandparents or parents-in-law, brother-in-law, sister-in-law) a leave of up to a maximum of four (4) days will be extended without loss of pay. Section 2. Upon the death of uncles or aunts, the time required for attending the funeral up to one day would be granted.

ARTICLE 12 - EXTENDED LEAVE

Section 1. Employees may request permission to take an extended leave of absence without pay. This leave is not to exceed six (6) months and the request must be made to the Superintendent in writing at least four (4) weeks prior to the start of the leave. Approval for the leave must be obtained in writing from the Superintendent.

Section 2. During this extended leave, no sick time, vacation time or other benefits will accrue.

Section 3. It is the employee's responsibility to make arrangements with the payroll office for the payment of medical insurance costs during the leave.

Section 4. The employee must notify the Superintendent of his/her intention to return to work at least sixty (60) days prior to the end of the leave, or sixty (60) days prior to returning to work if she/he desires to terminate his/her leave earlier than scheduled. Failure to file proper notice with the Superintendent within the time frame described will constitute abandonment of employment and a replacement will be recruited.

Section 5. A parental leave of up to 1 year will be granted upon the request of the employee. Such leave shall be subject to the provisions of this Article.

Section 6. Family Medical Leave Act.

All leave and benefit provisions of this agreement will be counted towards the leave and benefit provisions of the Family and Medical Leave Act of 1993 where applicable. FMLA leave and benefits will be applied for eligible employees if the contractual leave and benefits provide less than the FMLA.

ARTICLE 13 - JURY DUTY

If called on jury duty an employee will be paid for a normal working day. However, if excused for one-half or more of the day after reporting for jury duty, the employee will be expected to report for work for that portion of their normal workday. ARTICLE 16 - REIMBURSEMENT FOR DAMAGE

The District will reimburse unit members for the reasonable cost of replacing or repairing dentures, eye glasses, clothing, or hearing aids not covered by workers compensation which are damaged, destroyed, or lost as a result of an injury sustained in the course of the unit member's employment with the District, when the unit member has not been personally negligent with reference to the incident.

They will not be paid for the day they attend the out-of-district workshop but, like the other drivers, will be paid for the day the District workshop is conducted.

ARTICLE 23 - BUS DRIVER PROVISIONS

Terms:

Bus Driver: A person appointed by the Board of Education to drive a regular route to pick up and take home students from the Caledonia-Mumford Central Schools, BOCES, non-public, and other special schools.

Substitute Bus Driver: A person who is hired on a day to day basis to drive the route of a regular bus driver or a special trip as the need arises.

Long Term Sub: A person hired to fill an extended leave of absence of a regular bus driver.

All of the above must comply with federal and state regulations for operating school buses.

Section 1. Ten-month Bus Drivers will be paid a minimum of one and one half (1.5) hours in the following cases:

- a. Called in for one run in the a.m. or p.m.;
- b. A regular run (one run in the a.m. and p.m.) including fifteen minute punch-in time before each run;
- c. Report to work without notice that their extra trip has been cancelled;
or
- d. For regular substitute bus drivers only, when school is announced closed after the driver has reported to work.

In the event that the District reinstates a two run schedule at any time, for any reason, this one-time increase shall be deducted from the Bus Drivers' then current hourly rates, and the parties shall meet to discuss Bus Driver hourly rates at such time.

Section 2. Ten-month bus drivers will be paid a minimum of three hours after reporting on a Saturday, Sunday or holiday and the run is cancelled or when students are transported to a destination and not returned.

Section 3. On Saturday, Sunday or holidays, when a ten-month bus driver must return to the District between taking and returning students, the driver will be paid a minimum of 5 hours on Saturday and 6 hours on Sunday or a holiday.

Section 4. Only regular ten-month drivers shall be scheduled for extra runs, provided that the extra run does not interrupt completion of the regular driver's entire regular a.m. or p.m. run assignment for that day. Drivers are required to perform a safety check of equipment prior to the start of the extra trip or run.

Section 5. The hourly rate of pay for extra runs for regular ten-month and substitute bus drivers for the 2014-15 school years shall be as follows:

<u>2014-15</u>	<u>2015-2016</u>	<u>2017-2018</u>	<u>2018-2019</u>
13.75/hr	14.15/hr	14.40/hr	14.65/hr

Section 6. A meal allowance of \$7.00 shall be paid to regular drivers required to be working all hours between 11:00 a.m. and 1:00 p.m. or 5:30 p.m. and 6:00 p.m. Drivers are required to submit a receipt in order to claim reimbursement.

Section 7. Extra trip assignments will be made on a rotation basis beginning with the most senior driver. The Association will be responsible for maintaining and posting this list of extra trips. All ten (10) month bus drivers will be eligible for extra trips during the school year and during the summer. If, after the Association has canvassed all eligible drivers and there is no available driver for the trip, the Transportation Supervisor will be notified and he/she will assign a substitute driver. Drivers, who are unavailable or cannot be contacted, retain their position on the list. A driver who declines a trip will be placed at the bottom of the list. At least twenty-four (24) hours notification must be given to the Transportation Supervisor in the event a substitute is needed for an extra trip that has been posted in the proper time frame.

Section 8. Bus drivers who are scheduled to drive to locations outside the District will be permitted to drive on days that those schools are open and the Caledonia-Mumford schools are closed. Those drivers who have runs outside the District and whose schools are closed, may be called in to drive any run that is not being driven by a regular driver, and will receive their regular rate of pay for that day. On those days where there is no available run, the driver will be paid 1/2 of their regular hours for the run.

Those drivers with runs to private and or parochial schools will be paid for the whole day when one (1) or more of their schools are in session.

Bus runs shall be bid annually beginning in the summer of 2001. All runs will be posted by August 3rd and the bidding process will be completed by August 10 of the year. Bidding and the assignment of runs will be on a seniority basis, communicate directly to the transportation supervisor, beginning with the most senior driver. A complete list of runs, including the names and addresses of students and the route and number of hours for each run will be posted. Runs that are substantially modified by additions or deletions

that would alter the route by 45 minutes shall be posted and rebid after one month of operation. The District reserves the right to assign a new driver to any run that becomes open during the year due to a vacancy. The run for such a vacant position shall be bid during the following summer. Any vacant position occurring after the posting of runs shall be bid the following summer.

If the District determines that it is necessary to change a drivers' assignment because of extenuating circumstances, the District will contact the Association President and discuss the need for the assignment change. If the District and the Association President agree that the change is an extenuating circumstance the driver will be notified of the change in assignment. The District and the Association agree that this language is not to be used for the purpose of circumventing the bidding process or for making an arbitrary reassignment of a driver's runs, routes or extra trips.

ADR (Average Daily Rate) is the established process by which bus drivers are compensated for. The district will review each bus drivers ADR at the following points during the school year:

- a. End of the second full week of September (generally the third week);
- b. November 1st ;
- c. April 1st.

Should the drivers ADR average 20 or more minutes per day over the established ADR, the driver will be entitled to adjust pay retroactive to the prior review date and the AD will be adjusted accordingly on a prospective basis.

Should a bus driver's ADR average 20 or more minutes per day less than the established ADR, the ADR will be adjusted accordingly on a prospective basis.

Extenuating circumstances are defined as, but not limited to: a driver being unable to maintain order on the bus over a period of time, irresolvable conflict between the driver and parents or a pending investigation of the driver.

If Caledonia-Mumford is closed for inclement weather, no driver is expected to drive to any other school.

In the event the Transportation Supervisor receives late notification of an extra trip he/she will immediately call the Association's roster chairperson. The roster chairperson will canvass all available drivers within 15 minutes of notification. If the roster chairperson finds there is no available driver, the Transportation Supervisor will be notified so that he/she can assign a substitute. This applies to all school year and summer trips.

Summer runs shall be posted by the last day of student attendance, whenever possible. A separate rotation list shall be established for summer work for those drivers indicating a desire to work. This rotation shall exclude those employees hired for summer cleaning and twelve (12) month employees, unless there is no regular driver available. Summer runs are defined as the daily transportation of students scheduled for summer school programs. Summer trips are defined as one-time events, and will be put on the regular rotation schedule for all eligible drivers who wish to be considered.

For all school-sponsored summer runs, drivers may use accumulated sick days and may also use bereavement days.

Section 9.

The district will provide cleaning supplies including window cleaner for the normal upkeep of a school bus.
