The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a description of the alleged acts and conduct including reference to dates, times and places.

b. The penalty of termination may not be implemented until the employee (1) fails to file a disciplinary grievance within ten (10) days of service of the notice of discipline, or (2) having filed a disciplinary grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled. In the event an arbitrator finds the employee guilty of misconduct/incompetence but seeks to impose a penalty less than dismissal/termination from employment, the arbitrator may consider imposing penalties less than dismissal/termination from employment consistent with just cause. The disciplinary arbitrator may consider issues of timeliness but shall not consider alleged violations of provisions of this Agreement, which shall be subject only to the provisions of Article VII, Grievance Procedure, of this Agreement. The disciplinary arbitrator shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator may consider any prior unpaid suspension in determining the penalty to be imposed.
