EDITORIAL.

Our last vacation! Some of us are tired and some of us are rested but we all had a good time. We were glad to get let us be equally glad that we are back ready for work, and let us do that work with vim. The war has brought with it new duties for which every single one must find room. Drop something else if you have to but do not let a day pass in which you have not either done something for your country or done something which will prepare you to do greater and more efficient work in the future. All cannot do Red Cross work, all cannot knit, all cannot make bandages but all can endeavor to become more skilful in some useful branch of work and all can register for work in the Dean's office in Goldwin Smith. It is not too late, so do not fail to attend to it this morning.

VOCATIONAL CONFERENCE.

Miss Mary Snow, former head of the Int-collegiate Bureau of Occupations and an expert in vocational work will address the women of the University in Barnes Hall, Saturday evening at 7:30 p.m. Miss Snow will outline the various fields open to women. Every Cornell woman should support the meeting. If you don't know what you are going to do after college, come and find out what others have done. If you have made up your mind about yourself, as a matter of general knowledge you should know what women are accomplishing. We have a worth-while speaker and we want a representative audience.

Y. W. C. A.

Have you paid that Y.W.C.A. pledge you promised last fall? Please give the money to Lois Osborne at Barnes Hall.

RED CROSS

First Aid Classes - This coming week be sure to attend the class in which you mean to stay and do not fail to bring your \$.70 with you as only paid members can be enrolled in the final list which will be taken next week.

Home Nursing Classes - The Ithaca Red Cross is planning to give a course of 15 lessons in Home Nursing. The classes are to meet twice a week for one hour and a half and the cost of joining them is \$3 a piece for a class of 15. This course furnishes the necessary training for a nurses' aid, but requires no pledge of service. All girls interested will please give their names to Helen Adams, Mary Albertson, Rosamond Wolcott, Harriet Hosmer by tonight surely and arrangements will be made for them to learn more about the class and to begin work at once.

SPORTS AND PASTIMES.

The Spring schedule in gymnasium begins April 16th. All schedules must be in the gymnasium office before Saturday April 14.

Any Sophomores wishing the pennants given out at the last Play Hour please call at the gymnasium office. After the Sophomores have received theirs the remainder will be given to the Freshmen.

STUDENT GOVERNMENT.

Quite a number of girls have not heard that Virginia Phipps was elected President of Sage for next year.

The next nominations, those for President of Outside Houses will be held on Monday at the usual hour.

PAGEANT.

There will be a Pageant Committee meeting tonight at 7:30 in the Risley Organization Room. Attendance is compulsory. All girls who spoke at Alumni Club meetings must report to Harriet Parsons before that time.

Much debating is going on as to whether or not the Pageant should be given this year. At an enthusiastic meeting in Buffalo, the Alumni Club voted in favor of it and large numbers are planning to come down. If a decision cannot be reached at the Committee Meeting tonight the question will be brought before the student body at a mass meeting. It has been decided that if it is given at all, Red Cross will be the beneficiary instead of the Dormitory Fund.

Miss Eager is coming on Monday to begin Pageant work. She will need your cooperation from now until the day the Pageant is given.
