## CABBAGE MEETING

The 1962 Regional Kraut Cabbage Meeting will be held in Jordan Hall on Thursday, March 8th, at 1:30 P. M. This meeting is designed for those who grow and process cabbage for kraut. It will give them an opportunity to hear Station scientists and Extension people discuss research on cabbage problems. Dr. John Natti and Dr. John Atkin will speak on "Tipburn", What is it and What Can Be Done To Control It? Dr. McEwen will speak on Slugs, The Nature of the Animal. Dr. Vittum will have for his topic, Some Facts You Should Know About Fertilization.

\*\*\*\*\*

## DRY BEAN CONFERENCE

The Dry Bean Industry Conference will be held in Jordan Hall on March 9th. This program has been arranged by a committee representing growers, The New York Bean Shippers Association, and the County and College Extension Service. It will feature a day long program of talks by Cornell scientists, bean brokers, and growers.

\*\*\*\*\*

## ATTENDING DIRECTORS MEETING

Director Barton will be in Wilmington, Delaware the rest of this week attending the meeting of Directors of Northeastern Experiment Stations. Dr. Barton is secretary of the group.

\*\*\*\*\*

TO PARTICIPATE IN MICHIGAN MEETING

Dr. Cain will leave for East Lansing, Michigan next week to participate in a Red Sour Cherry Research Conference. He will speak on "Some Horticultural Aspects of Mechanical Pruning".

\*\*\*\*\*

EAST COAST STORM

Dr. Chapman made it down to N. Y. City and back in spite of the weather. (by plane). Dr. Smith is stranded in Philadelphia, all planes were grounded.

\*\*\*\*\*

PRESENTS SEMINAR

Dr. L. R. Hackler presented a Food Science and Technology Seminar on Monday, March 5th. His topic was "The Influence of Processing on Nutrients and their Utilization".

\*\*\*\*\*

NEW FACE IN FRUIT TESTING OFFICE

Mrs. Neinstein is working for Henry Bennett in the Fruit Testing Office. Incidentally, Henry has moved several tons of stuff out of the office so it's possible to open the door wide now.

\*\*\*\*\*

TAKING NO CHANCES

Temporary quarters for the Poughkeepsie Lab is the basement of the Fairview Fire Station.

\*\*\*\*\*

TUITION EXCHANGE

Those interested in tuition exchange should now direct inquiries to Mrs. Rose Christensen, Admissions Office, Day Hall, (Extension 5242) instead of Mrs. Beck. Several copies of the latest list of members of the exchange plan are available from Miss Lucille Holtby.

\*\*\*\*\*

GREENHOUSE NOTES

Apple seeds from the 1961 crosses are being planted in Greenhouse 13. The Pomologists expect to have all 13,000 seeds planted this week. This is more apple seeds from controlled crosses than they have had in 10 years. Cherries, Apricots, plums, grapes, raspberries, and quince seeds will go in next week. Activity in the rest of the greenhouse is picking up in anticipation of spring. Part of the grounds crew are busy trimming trees along North Street and the trimmed maples are really flowing sap. Looks as if Dr. Vittum will soon be setting up his sugar bush along Main Street in Phelps any time.

\*\*\*\*\*

CABARET MEETING

The 1962 Regional Kwant Cabaret Meeting will be held in Jordan Hall on Thursday, March 8th, at 1:30 P. M. This meeting is designed for those who grow and process cabbage for kraut. It will give them an opportunity to hear Station scientists and Extension people discuss research on cabbage problems. Dr. John Matti and Dr. John Allen will speak on "Tithing", What is it and What Can Be Done To Control It? Dr. McNew will speak on "Blues", The Nature of the Animal. Dr. Vittum will have for his topic, "Some Facts You Should Know About Fermentation".

\*\*\*\*\*

THE BEAN CONFERENCE

The Dry Bean Industry Conference will be held in Jordan Hall on March 9th. This program has been arranged by a committee representing growers, The New York Bean Shippers Association, and the County and College Extension Service. It will feature a day long program of talks by Cornell scientists, bean brokers, and growers.

\*\*\*\*\*

ATTENDING DIRECTOR MEETING

Director Barton will be in Wilmington, Delaware the rest of this week attending the meeting of Directors of Northeastern Experiment Stations. Dr. Barton is secretary of the group.
