ARTICLE 3

Impasse Proceedings

- 3-1 It is understood that if the parties fail to reach agreement as a result of direct negotiations, impasse proceedings may be invoked by either party in accordance with the provisions of NRS 288.

ARTICLE 4

Grievance and Arbitration Procedure

- 4-1 A grievance is defined as any dispute which arises regarding an interpretation, application, or alleged violation of any of the provisions of this Agreement. A grievance may be filed by an Employee of the School District covered by this Agreement, individually or through the Association, or by the Association. A grievance will not include any matter or action taken by the school trustees, or any of its agents, for which relief is granted by the Statutes of Nevada.
- 4-2 The provisions of this Article are for the purpose of setting forth the full grievance procedure including the time limits relating to these procedures which may culminate in arbitration.
- 4-3 Time limits indicated at each level of the grievance procedure set forth in this Article shall be construed as maximum and an attempt shall be made to expedite the process. The time limits set forth in this Article shall be waived at the end of the aggrieved Employee's regular assignment or when the aggrieved Employee is on an approved leave, unless the Employee, in the event the grievance was filed by the Employee, the Association, and the District mutually agree to observe the timelines specified in Article 4.
- 4-4 Extensions of the time limits may be requested verbally or in writing by either party. Verbal extensions shall be confirmed in writing by the party making the request within two (2) Days.

4-5

STEP ONE: Informal Discussion:

- (a) Both parties encourage Employees covered by this Agreement to resolve their problems with their immediate supervisor or Appropriate Administrator whenever possible. The provisions of this Article are not intended to preclude an Employee with a potential grievance from informally discussing the problem with his/her Immediate Supervisor or Appropriate Administrator prior to filing a formal grievance.
- (b) If an Employee requests an informal discussion with his/her immediate supervisor or Appropriate Administrator concerning the subject matter of a potential grievance, such informal discussions will be held no later than twenty (20) Days from the last day the alleged violation occurred.
- (c) It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on the resolution of that grievance or any similar grievance filed in accordance with this Article.
- (d) If a grievance is resolved as a result of an informal discussion, the Immediate Supervisor or Appropriate Administrator may reduce that resolution to writing prior to the termination of the time limits for filing a formal grievance. Any written resolution shall be acknowledged by both parties and forwarded to the Association and the associate superintendent, Human Resources Division. The absence of such a written resolution shall serve as notice that the formal grievance procedure may be initiated.

4-6

All grievances shall be processed in the following manner:

STEP TWO

- (e) If the grievance is not resolved at Step One, the affected Employee, in the event a grievance has been filed by an Employee individually or through the Association, or the Association may submit the unresolved written grievance to the associate superintendent, Human Resources Division, or the superintendent's designee, not later than seven (7) Days after the end of the time period set forth in subsection (b) above. The Association or the Employee, in the event the grievance was filed by the Employee, may amend the statement of the grievance prior to the Step Two meeting.
- (f) In the event a grievance is filed at Step Two in a timely manner, the associate superintendent, Human Resources Division, or the superintendent's designee shall meet with the affected Employee (if there be one) and the designated representative of the Association within five (5) Days after receiving the grievance.
- (g) In the event a grievance is not resolved at this meeting, the associate superintendent, Human Resources Division, or the superintendent's designee shall, within ten (10) Days after the meeting, submit a written response to the grievance, to the aggrieved Employee and to the Association. Any resolution of the grievance in favor of the grievant shall be in writing and copies forwarded to both the aggrieved Employee and the Association.
- (h) If a grievance is either denied, or not resolved at Step Two of the grievance procedure, the grievance shall be deemed withdrawn with prejudice unless timely filed at Step Three, arbitration, in accordance with the provisions of subsection (k) below.
- (i) If the associate superintendent, Human Resources Division, or the superintendent's designee fails to respond within ten (10) Days as referred to in subsection (g) above, or if a mutually agreed upon time extension is not agreed upon, the grievance shall be deemed in favor of the grievant.

STEP THREE

(j) In the event a grievance is not resolved at Step Two of the grievance procedure, the Association, not later than twenty (20) School Days after the expiration of the time limit set forth in subsection (g) above, may submit the matter to arbitration by filing a written demand for arbitration with the associate superintendent, Human Resources Division, or the superintendent's designee.

(k) In the event a timely written request for arbitration of an unresolved grievance is made by the Association, an arbitrator will be selected pursuant to Article 4-18.

4-7 The arbitrator shall not have the authority to modify, amend, alter, add to, or subtract from any provision of this Agreement. An arbitrator in the absence of the express written agreement of the parties shall have no authority to rule on any dispute between the parties other than one which qualifies as a grievance as defined in Section 4-1.

4-8 The arbitrator's decision shall be submitted in writing within thirty (30) School Days of the close of arbitration or submission of post hearing briefs, whichever comes later, to all parties and shall be final and binding on all parties to this Agreement unless the arbitrator exceeds the powers specified herein, or is guilty of procedural error prejudicing the rights of either party as defined by federal labor law decisions.

4-9 The expenses of arbitration, including the arbitrator's fee, costs, expenses, and the cost of the arbitrator's transcript, shall be borne equally by the School District and the Association. However, all other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses. It is understood and agreed only the Association has the right to request arbitration.

4-10 No reprisals of any kind will be taken by the School Trustees or by any member of the administration against any party because of filing a grievance or because they participated in the grievance procedure on behalf of the grievant and/or the Association. This provision shall not be construed as an agreement by the School District to pay the grievant or the Association Representative or any person present on their behalf for the time spent in processing a grievance in accordance with the provisions of this Article. The time for a grievance meeting must be approved by the associate superintendent, Human Resources Division or the superintendent's designee and by the Association and/or the grievant. It may occur during or outside the workday. In the event a grievance meeting is scheduled and held during the workday, those Employees covered by this Agreement who participate in such meeting may do so without loss of pay.

4-11 Grievances may be consolidated for purposes of arbitration by mutual agreement of the School District and the Association.

4-12 No provisions of this Article shall be construed to prevent any individual Employee covered by this Agreement from discussing any problem, dispute, or even a grievance as defined herein with any supervisor outside the presence of a representative of the Association. However, such discussion shall not relieve any party from compliance with other provisions of this Article in the absence of an express written waiver of such provisions.

4-13 In the event an Employee(s) exercises the right to individually process a grievance without assistance from the Association, the School District shall provide the Association:

(a) A written copy of the grievance, the name of the grievant to include job title, work site, and the name of the grievant's Appropriate Administrator.

- (b) An opportunity to be present at any meeting with the grievant(s) and at any grievance hearings, suspension hearings, evidentiary hearings, arbitration hearings, or any other meetings.
- (c) Reasonable time to assert the Association's position in regard to the matter.
- (d) A written copy of the resolution of the grievance or arbitration.

4-14 The parties hereby recognize the existence of policies and administrative regulations of the School District to which the Employees covered by this Agreement are bound, and which are subject to change by the School Trustees of the School District. The parties agree that any disputes arising under the application and/or administration of such policies or regulations relating to the subject matter not covered by the provisions of this Agreement shall be processed in accordance with Step Two of the grievance procedure set forth herein. If the dispute is unresolved after Step Two of the grievance procedure, the dispute may only be processed as follows:

4-14-1 The person initiating the dispute may refer the dispute to the Board of School Trustees with full knowledge of the Appropriate Administrator and/or the Superintendent. When a dispute is so referred the board or a committee of the board designated by the full board shall meet and informally discuss the subject matter of the dispute with the person initiating the dispute and with representatives of the Association requested to be present by that person.

4-14-2 The Superintendent or designee shall prepare a review of the case for the Board of School Trustees.

4-14-3 The Board of School Trustees shall make a decision and shall communicate it in writing within thirty (30) calendar days after the final meeting on the dispute.

4-15 The District and the Association agree that all hearings shall be conducted in an orderly manner. Should a participant not conduct himself or herself in an orderly manner, either party could request a 30-minute recess.

4-16 The District and the Association agree that all District regulations and policies of conduct are in force during the hearing.

4-17 No precedent shall be set by the resolution of a grievance filed by an individual Employee unless the Association submits the matter to Step Three, Arbitration.

4-18 Expedited Arbitration Procedure

After ratification of the contract, the District and the Association shall establish a panel of arbitrators from which an arbitrator will be assigned. The number of arbitrators on the panel shall be determined by mutual agreement of the parties, which are the District and the Association. If the parties are unable to agree on a number, the number of arbitrators on the panel shall be nine (9). The American Arbitration Association (AAA) shall be asked to provide a list of twenty-seven (27) arbitrators from which the parties will strike. Those remaining will constitute the panel. The District and the Association shall also have the right, by mutual agreement, to select a panel of arbitrators which must be AAA certified arbitrators.

4-19 Either party to this Agreement may request non-binding mediation through the designated representatives of each party. Mediators shall be assigned by a joint ESEA-CCEA-CCASA committee. Mediation shall take place prior to the filing of a formal grievance and with the concurrence of the other party. Timelines are not suspended pending mediation, except with the written agreement of both parties.

4-20 Regular nine-month or modified nine-month employees who secure temporary/summer assignments do not have any grievance rights provided under this agreement or any property interest in the assignment while serving in such temporary/summer assignments. However, terminations from such assignments may be reviewed by the Executive Director of Support Staff Services, Human Resources Division as set forth below.

4-20-1 The affected Employee may request an informal discussion with the Human Resources Administrator or designee.

4-20-2 The affected Employee may bring an Association representative to such meeting.

4-20-3 A representative of the Department terminating the Employee may attend the meeting and offer information.

4-20-4 The meeting will be scheduled and held within a reasonable period of time, as determined by the Human Resources Administrator or designee.

4-20-5 The Employee may be reinstated to the temporary summer assignment under conditions determined appropriate by the Human Resources Administrator or designee.

ARTICLE 5

Such an assignment shall not exceed ninety (90) calendar days unless the approval of the Superintendent or designee has been obtained.

5-3 Whenever possible, an Employee will receive earned responsibility pay not later than the following pay period. Responsibility pay will only be earned for actual time worked.

- 8-7-4 The Association staff and/or officers may communicate with individual Employees or groups of Employees during the individual Employee's work breaks or lunch period or before or after work. ARTICLE 11 Sick Leave

- 11-1 Sick leave is leave that shall be granted to an Employee who is unavoidably absent because of personal illness or accident or because of serious illness or accident in the Employee's Immediate Family or for visits to a licensed medical provider. All Regular Status Employees shall be granted sick leave at the rate of fifteen (15) days per year. (This includes nine- (9), ten- (10), eleven- (11), and twelve- (12) month Employees.) Any Employee who misuses sick leave shall be subject to disciplinary action. The District has a right to make any inquiries that would be applicable when abuse of sick leave is suspected.
- 11-2 An Employee who is ill must contact the Immediate Supervisor and/or designee at least one hour prior to the beginning of the Employee's assigned regular work shift except when due to an emergency or when contact is not possible, then contact shall be made as soon as possible thereafter.

- 11-4 An Employee may be required to submit a certificate of fitness because of extensive use of sick leave. "Extensive" shall mean that the Employee has used in excess of six (6) "incidents" of sick leave in the preceding twelve- (12) month period. An "incident" of sick leave shall mean an absence of at least one-half of the assigned work day. The District shall have the right to review the usage of such leave.

If an Employee disagrees with the decision of the superintendent's designee, the Employee may appeal the decision to the Sick Leave Review Committee composed of five (5) members appointed by ESEA. A majority vote of the committee members present shall determine the decision of the committee. The decision of the committee shall be final and binding. In the event the committee is unable to secure a majority, the decision of the superintendent's designee shall stand. The committee's decision shall be limited to determining if the use of sick leave is appropriate.

The Sick Leave Review Committee shall hear the appeal if it is filed within twenty (20) School Days after the Employee is notified of the superintendent's designee's decision. The Sick Leave Review Committee shall meet each month and shall hear all appeals which are filed ten (10) or more days prior to the meeting of the Sick Leave Review Committee. The Employee and/or the association representative and the superintendent's designee will be permitted to testify and present written information to the committee.

It is the responsibility of the Association to initiate the notice, collect

the enrollment forms and provide the forms to the District within ten (10) days of the end of the window periods.

 - f. Participants who are determined to have abused use of Pool days will reimburse the days drawn from the Pool and will be subject to disciplinary action.
 - g. Any participant utilizing days from the Pool shall not be required to reimburse those days except as a regular contributing participant.
 - h. In the event the operation of the Sick Leave Pool is more expensive than anticipated by the District, the District may discontinue operation of the Pool upon thirty (30) days written notice to the Association.

The dollar amount and the number of days to be paid will be by agreement of the Association and the District. For the 1986-87 school year, the District agrees to add \$39,100 for payment of unused sick leave for a total not to exceed \$90,543. This amount shall be increased in the same percentage amount granted as general salary increase as a result of future negotiations. - 11-13 One flexible day will be provided to each Employee covered by the terms of this Agreement. Flexible day leave shall be deducted from sick leave, but not taken into consideration for the calculation of personal leave days earned. The Appropriate Administrator may not require more than five (5) work days notice prior to approval of the flexible day. The District shall grant the flexible day as requested by the Employee except in the event of an Emergency. This event may only occur one time during the Work Year.

12-10-1 The term "perfect attendance," as used in this Article, is defined as an Employee who works every assigned work day and utilizes no accumulated sick leave, leave without pay, or any other leave except for annual leave, personal leave, compensatory time or flexible day only.

12-11 To be eligible for personal leave the Employee must have been in a regular status support staff position before October 1 of the previous year for 11- and 12-month Employees and November 1 of the previous year for 9- and 10-month Employees. ARTICLE 14 Military Leave

14-1 Members of reserve units of the United States Armed Forces or National Guard who are mobilized to meet local emergency situations for a period of ten (10) days or less shall receive their regular rate of pay for this period of time. However, they will be required to surrender the lesser of the amounts of (1) their regular rate of pay for each such period of time or (2) their payment received for military service while on active duty, exclusive of pay received for meals, transportation, and lodging.

14-2 An Employee who is an active member of the United States Army Reserve, the United States Naval Reserve, the United States Air Force Reserve, the United States Coast Guard Reserve, the United States Marine Corps Reserve, or the Nevada National Guard must be relieved from his/her duties, upon his/her request, to serve under orders without loss of his/her regular compensation for a period of not more than fifteen (15) work days in any one (1) calendar year. - 15-6 Except in emergencies, the decision to work overtime is at the option of the Employee. The Appropriate Administrator or designee must offer overtime pay or compensatory time. If the employer offers both, the Employee may select either. Appropriate Administrators or designees shall not force Employees to accept compensatory time in lieu of pay.
- 15-7 Employees accepting compensatory time may only utilize compensatory time during times they are assigned to work. This specifically excludes payment for or use of compensatory time during non assigned time. Employees who have previously accumulated compensatory time prior to August 1, 1992 may be paid for that time by requesting payment from the District during non assigned time.
- 15-8 Employees accepting compensatory time will indicate acceptance on a form to be provided listing the terms and conditions for the utilization of compensatory time, which will be in accordance with this Agreement.

- 15-14 When authorized by the Appropriate Administrator, overtime will be offered on an equitable basis among regular qualified Employees within the department or area of assignment.

The School District will pay for any other medical examinations required by the School District.

ARTICLE 18
Dues Deduction

- 18-1 Upon appropriate written authorization from the Employee, the School District shall make monthly Association dues deductions from the salary of the Employee and make appropriate remittance to the Association.
- 18-2 No later than August 15 of each year, the Association will provide the School District with a list of Employees who have voluntarily authorized the District to deduct Association dues or a uniformly applied authorized assessment to Association members and the amount to be withheld. The Association will notify the District monthly in writing of any changes to said list. Changes in the amount to be withheld must be submitted in writing at least thirty (30) calendar days prior to the date the change is to be effective. The School Trustees will not be required to honor any authorizations for any month's dues deductions that are delivered to the District later than the fifteenth of the month prior to the distribution of the payroll from which the deductions are to be made. In the case of an Employee who is on non-pay status during part of the pay period, and whose wages are not sufficient to cover the full withholding, no Association dues deductions shall be made. All other required deductions have priority over Association dues.
- 18-6 It is recognized that the School District in agreeing to deduct dues and authorized assessments from Association members is performing a solely administrative function on behalf of the Association for its convenience and is not a party to any agreement between the Association and its members regarding the deduction of dues. The Association, therefore, agrees to hold the School District harmless and to reimburse the School District for any and all cost, including legal fees it may incur, in relation to any deductions made at the direction of the Association and contrary to the instructions received from the individual education support Employee.

**ARTICLE 20
Group Health Insurance**

20-1 The CCSD Health and Welfare Insurance Program for ESEA employees ("CCSD Program") is hereby established, effective September 15, 2001, to replace the ESEA Health and Welfare Benefit Trust. Its minimum benefits are in part as set forth in the February 23, 2001, "HPN Plan" (District Arbitration Exhibit 2).

20-1-1 Effective July 1, 2000, the District contribution for employee insurance is raised from \$248.22 to \$251.17, plus an additional \$16.17 in "soft money," for a total contribution in the amount of \$267.34 per month on behalf of each participating employee for the period of July 1, 2000, through June 30, 2001.

20-1-2 Effective July 1, 2001, the "soft" contribution ceases and retroactive to January 1, 2001, an additional "hard" contribution in the amount of \$7.92 will bring the District's contribution to \$259.09.

20-1-3 The foregoing District contributions are implemented as follows:

20-1-3-1 For the period July 1, 2000 to June 30, 2001, the District has paid to the ESEA Trust \$248.22 per participating employee.

20-1-3-2 For the period July 1, 2000 to March 31, 2001, pursuant to an Interim Order, the District paid \$1,503,065 to implement this offer.

20-1-3-3 For the period of April 1, 2001 to June 30, 2001, pursuant to an Interim Order, the District has paid \$501,211 to implement this offer.

20-1-3-4 For the period July 1, 2001 to September 15, 2001, the District shall pay monthly to the ESEA Trust at the rate of \$259.09 per participating employee.

20-1-3-5 Payments made pursuant to the Interim Orders are subject to adjustment based upon the actual employee participant count. The final adjustments will be agreed upon by the CCSD and the ESEA.

- 20-2 In addition to contributing toward the cost of the plan, the School District agrees to provide payroll deduction for additional premiums and to provide such reasonable record keeping and verification of employment as may be required by the insurance carrier.
- 20-3 CCSD Program shall take effect for employee coverage September 15, 2001, with payments no greater than the \$259.09 per participating employee. Within said payments, not exceeding \$259.09 per participating employee, the CCSD program includes three insurance benefit plan options from which the employees may choose.
- 20-3-1 Plan One. Plan One is the Health Plan of Nevada ("HPN") HPN 20 "straight HMO." The employee contribution will be less than that currently provided by the ESEA Trust self-funded PPO plan.
- Plan Two. Plan Two is a "modified" Bronze 15 Point of Service Plan offered by HPN. It will closely match the ESEA Trust self-funded PPO but will provide three tiers of flexibility. This "Point of Service Plan" permits participants to select HMO, PPO or Managed Care Indemnity Benefits. The employee contribution will be equal to the current contribution requirements for the self-funded PPO Plan under the ESEA Trust.
- Plan Three. Plan Three is a "Premier" point of Service Plan with greater benefits than are currently available under either of the two plan options with the ESEA Trust. This plan requires greater contributions from participants who select it.
- 20-3-2 Within said payments, not exceeding \$259.09 per participating employee, the CCSD Program shall also provide the following ancillary insurance benefits.
- Dental. Effective September 15, 2001, the medical benefits package in the CCSD Program includes voluntary dental benefits.
- Vision. Effective September 15, 2001, vision benefits will be provided through the Vision Secure Plan or comparable provider.
- Long-Term Disability. Effective September 15, 2001, the District will secure long-term disability benefits that are as good or better than those provided through the ESEA Trust.
- Life Insurance. Effective September 15, 2001, the District will provide the same level of life insurance benefits that ESEA bargaining unit members received (\$40,000) through Metropolitan Life or a comparable provider.
- Short-Term Disability. This voluntary benefit will be effective September 15, 2001. This voluntary benefit will provide coverage as may be available, as good or better than that provided under the ESEA Trust.
- 20-3-3 Retirees. The District will, through HPN, assure that retirees who were enrolled in the Trust on July 31, 2001, and employees who retire thereafter shall have the opportunity to enroll in either the HPN HMO Plan or the HPN Senior Dimensions Medicare Risk Plan (for Medicare eligible) formerly offered to ESEA bargaining unit members.
- 20-4 Additional Provisions
- 20-4-1 Employee Participation in Appeals Process. All fully insured carriers doing business in the State of Nevada are required to provide members with a dispute resolution process. The HPN plans provide all covered employees with several

levels of appeal to resolve disputes. The CCSD Program requires HPN to include an ESEA covered employee, to be selected by the District after consultation with ESEA, as a member of the HPN Grievance Review Committee.

- 20-4-2 Assistance to ESEA Trust to Resolve Provider Claims. The District shall secure a commitment from HPN to use its best efforts to work with representatives of the ESEA Trust, and to help the Trust resolve claims with those providers who have provided services under the ESEA self-funded plan and have yet to be paid.
- 20-5 The parties shall form a Joint Insurance Advisory Committee having a minimum of six members, half of whom shall be appointed by each party. The Committee shall consider insurance proposals submitted to it for an insurance benefits package. The goal of the Committee shall be to make a recommendation to the Deputy Superintendent-CFO. If a joint recommendation is not reached, then each party may submit a recommendation or recommendations from which the Deputy Superintendent-CFO may select. Nothing in this provision shall be interpreted as a waiver of mandatory bargaining over the subject of insurance following the expiration of the new collective bargaining agreement, but consistent with legal notice obligations for the school year 2005-2006.
- 20-5-1 Effective September 15, 2003, the maximum CCSD contribution will increase, if necessary, to an amount not greater than \$286.87.
- 20-5-3 Effective July 1, 2004, the CCSD will contribute the amount of \$362.00 per employee per month for the insurance benefits package.
- 20-5-3 Funds remaining from the \$839,193 Controlled Disbursement Agreement, in the amount of \$350,000, shall be used to resolve remaining medical claims and to reimburse employees who paid claims to providers that should have been paid by the old Health Trust. Any funds remaining from this amount shall be forwarded to CCSD on August 15, 2003. The balance in bank account #0000097359 at the Silver State Credit Union, less \$350,000, shall be forwarded to CCSD on June 25, 2003.
- 20-5-4 Funds remaining (anticipated to be between \$1.1 - \$1.2 million) from the total SB587 health grant allocations of \$2,945,420 (account #0000097359) for unexpected health expenditures between July 1, 2001 and September 15, 2001 will be reimbursed to the District by June 30, 2003. ESEA will be liable for documentation supporting the State-required eligible use of the expended health insurance grant allocations. ESEA agrees to defend and hold harmless the District, its employees and agents, for any and all claims, demands, loss, and liability costs, asserted by third parties, for expenses of any nature, to include attorneys' fees, arising from or connected with or attributed to the Trust and its operation.

The use of school facilities permitted above shall not include any use to campaign in any manner, either directly or indirectly, for or against School District representatives or school trustees, or to campaign on behalf of any activity by the Association or any of its representatives relating to the collective bargaining process. Such use of the bulletin boards shall be subject to the same conditions set forth in Section 22-1 above for the use of the school mail service.
- 22-4 From the effective date of this Agreement to its termination the Association will be allowed the use of school buildings and premises for association meetings and activities on regular

School Days as long as arrangements have been made with the Appropriate Administrator for the building. Such activities will not conflict with any regular or special educational activities and where such use shall not involve additional or extra custodial services and/or other unusual expenses to the School District. Use of buildings on other than School Days requires the approval of the Superintendent in addition to the Appropriate Administrator. Any added expense resulting from the Association's use will be paid by the Association. Individual Employees will not be prohibited from the responsible use of the school facilities.

- 22-5 School facilities and/or district property will not be used for the personal convenience or profit of Employees.
- 22-6 If the privileges extended herein are misused by the Association or any of its designated representatives, they may be immediately revoked by the Superintendent and that determination shall be grievable at Step 2 of the Grievance and Arbitration Procedure.
- 22-7 Lounges are for the use of all district Employees.
- 22-8 Employees are discouraged from maintaining personal property on School District premises. The School District's obligation to indemnify an Employee's loss is limited to perils (fire, lightning, explosion, windstorm, hail, smoke, vandalism, theft and water damage) covered under the District's excess insurance policies, subject to the conditions set forth therein, site aggregates, applicable personal property insurance, and the following:
 - 22-8-1 Personal property for which loss is claimed must be used for essential tasks to support the Employee's direct scope of work and must be listed in the declaration required in (22-8-2) below. Property (personal effects) necessarily worn or carried (e.g., eyeglasses, hearing aids, jewelry, dentures, clothing) is to be exclusively covered by the Employee's personal insurance as a non-business item, and should not be included on the declaration.
 - 22-8-2 An Employee must receive supervisor authorization and maintain a declaration form itemizing personal items and corresponding business use in order to activate indemnification up to \$1,000 (replacement cost) per Employee occurrence.
 - 22-8-3 Personal property declaration must be provided by the Employee to supervisors at least semi-annually; or more often as stipulated by site administrators.
 - 22-8-4 Items not declared will be considered as non-business in their use and District indemnification will be limited to the Employee's personal insurance deductible up to \$250.
 - 22-8-5 In any event, Employees must submit a sworn statement to the School District within sixty (60) calendar days in order to receive indemnification. Claim procedures outlined by the declaration form in (22-8-2) will apply.
 - 22-8-6 The maximum School District indemnification for any one Employee occurrence will be \$1,250, including both the \$1,000 limitation in (22-8-2) and the \$250 limitation in (22-8-4) in the event both declared and undeclared are lost.
 - 22-8-7 Losses attributed to wear and tear, gradual deterioration, latent defect, misuse, mishandling, abuse, mysterious/unexplained disappearance will not be considered, regardless of personal insurance applicability.
 - 22-8-8 For purposes of this Article, personal automobiles will not be considered as personal property.

- 23-1 Advisory committee(s) may be established where Employees desire such committee(s).
- 23-2 The Appropriate Administrator and the committee(s) will meet at the request of either party to discuss department/school operations. Although they may discuss matters covered by the Agreement, they may not take any action contrary to the Agreement. All grievances are to be handled in the manner set forth in Article 4.
- 23-3 The number of Employees who will serve on the committee(s) and the functions will be determined by the Appropriate Administrator and the committee(s), once they are organized.
- 23-4 If a majority of the Employees desire to form such advisory committee(s), a selection of the members will be made by October 1 and may take place during orientation days or at other times that do not interfere with the Employee's work day.

 - 23-6-3 The purpose of the Education Support Advisory Committee shall be to improve the morale of the education support school Employees throughout the District, and to improve communications throughout the District and throughout the community.
 - 23-6-4 The Education Support Advisory Committee may not take action contrary to the provisions of the negotiated agreement. Pending grievances, once filed, may not be discussed or acted upon but may only be handled in accordance with Article 4 of the negotiated agreement.

ARTICLE 24
Employee Personnel Files

- 24-1 It is recognized by the parties that the School District may prescribe regulations for the custody, use and preservation of the records, papers, books, documents and property pertaining to the School District. However, to the extent that any records, papers, or other

documents covering Employees of the Association do not relate to pre-employment data, every Employee shall be allowed to review the personnel file at any reasonable time upon request. No Employee's request shall be deferred for more than seven (7) School Days for a central office file and no more than two (2) School Days for a site location file excluding weekends and holidays. If any Employee is involved in a grievance regarding matters in the personnel file which may be material, an Association officer or other Association Representative with the written approval of the Employee may also be granted access to the Employee's personnel file at reasonable times where such access is authorized in advance by the Employee. The District shall provide copies of all legally permissible information pertinent to the grievance.

- 24-2 A copy of each written report, comment, or reprimand concerning an Employee which the School District places in the Employee's personnel file shall be provided that Employee. The Employee must sign the personnel copy of the report, comment, or reprimand as directed as acknowledgment of receipt of a copy of the document. Such signature may not be construed as agreement to the contents of the document. Upon request, an Employee shall be provided, at the prevailing rate per page, a reproduction of any material, excluding any pre-employment documents, in the Employee's file. Unless requested by the Association, such a request may not be made more than one time per year.
- 24-3 Any written response by the Employee to any written report, comment, or reprimand will also become a part of the Employee's personnel file and will remain a part of said file as long as the report, comment, or reprimand responded to remains a part of the file. In order to insure that the response is not inadvertently overlooked, the Employee will note under his or her signature on the report, comment, or reprimand at the time the response is delivered that a response has been made and the document will be countersigned by the receiving administrator and shall be attached to the supervisor's document. If an Employee desires to make a written response to any written report, comment, or reprimand issued by the Immediate Supervisor or Appropriate Administrator, the Employee's response must be made within twenty (20) days. Upon written request of the Employee, a waiver of the time limits by the Appropriate Administrator, not to exceed twenty (20) days, may be granted, which will not be unreasonably withheld. When a copy of the Immediate Supervisor's or Appropriate Administrator's written document is forwarded to any other location, a copy of the Employee's written response must be attached.
- 24-4 Upon review of the personnel file, an Employee may respond to documents, comments, or reprimands contained therein that the Employee believes to be inaccurate. The Employee's response shall be directed to the Superintendent's designee. If upon investigation by the Superintendent's designee it is determined that the Employee's response is accurate, the response shall become part of the Employee's personnel file or the comment, document, or reprimand in question may be removed by the Superintendent's designee. The determination as to whether the Employee response is accurate and whether said response shall become part of the Employee's personnel file or the comment, document, or reprimand in question shall be removed are determinations that shall be grievable. The Performance Evaluation Report shall remain a permanent part of the Employee's personnel file. If it is determined that the information contained within the evaluation is not substantiated as factual, the District shall replace the evaluation with a corrected copy.
- 24-5 It is the School District's intention that work rules, policies, and procedures are to be interpreted and applied uniformly to all Employees under similar circumstances.

ARTICLE 25
Surplus Reassignment and/or Reduction-in-Force

25-1 The School District retains the right to determine when a reduction in force/layoff is necessary, the number of individuals whose employment must be terminated, and the areas within which such reductions in force will occur.

25-2 Subject to the determinations set forth in 25-1 above, the School District agrees to the following:

25-2-1 Employees who resign or who volunteer to leave from the area or areas affected by the reduction in force will be the first to be reduced in force.

25-2-2 The appropriate administrator will identify all vacant positions and identify and notify all surplus Employees by May 1 or as soon as practical after it has been determined by the District that a surplus reassignment or a reduction of staff is necessary. Those Employees with the least seniority in affected positions will be the first to be identified as surplus Employees. Employees identified as surplus will be placed in a surplus pool based on their current position (hours and months included). Identified surplus Employees will meet on the third Friday in May or on a date determined by the District when the reduction or reassignment is not based strictly on spring staffing formulas in one central location to select from all available positions for which they are qualified at lateral or lower pay ranges in order of district-wide seniority.

At a surplus meeting, the Employee impacted as a result of a surplus or Reduction-in-Force (RIF) may:

(a) Select an authorized, lateral, vacant position and will have, from the effective date of the surplus reassignment or RIF, a one (1) year right to return to the position eliminated as a result of the surplus reassignment or RIF. If the Employee declines an authorized, lateral, vacant position for which the Employee is qualified and eligible for placement in the appropriate qualified selection pool, the Employee has, in effect, resigned from the Clark County School District on the effective date for the surplus reassignment or RIF. If the Employee declines an authorized, lateral, vacant position, the Employee may seek a voluntary transfer prior to the effective date of resignation but will have no other rights as provided by this Article.

(b) Select an authorized, vacant position at a lower range and will have from the effective date for the surplus reassignment or RIF, a two (2) year right to return to the position eliminated of lateral or lower range (to the position eliminated by surplus reassignment or RIF) within the job family. The Employee may exercise this right to return only one time during the two years. It is the responsibility of the Employee to notify Support Staff Personnel of the desire to exercise this right to return before an advertised position for which the Employee is qualified and eligible to select, closes.

25-2-3 Surplus Employees who are not afforded the opportunity of choosing an available vacant position for which they are qualified at a lateral range or lower on the third Friday in May, for purposes of spring staffing, will meet prior to the end of the second week in August, or on another date, as appropriate or necessary, to select from positions which have become available prior to the determination by the District that a Reduction-in-Force may be necessary.

- 25-2-4 In situations where positions become available after a surplus meeting, and where a list of surplus Employees exists, and where not filling the positions prior to the next meeting, if to be scheduled, would negatively impact the work place, the District shall within five (5) working days contact, offer, and assign a surplus Employee to the position.

Positions which may become available for which there are unassigned surplus Employees will not be advertised until surplus Employees have been placed.

- 25-2-5 Surplus Employees who, at a surplus meeting, are not afforded the opportunity of choosing an available position due to the unavailability of positions for which the Employee is qualified at a lateral range or lower, will be assigned to a position as it becomes available based on district-wide seniority. Surplus Employees to be reassigned due to spring/fall staffing will have until the last Friday in October to be placed in a position, to reduce a less senior Employee, or be reduced-in-force.

- 25-2-6 Unassigned surplus Employees from spring/fall staffing shall return to their same work location, unless temporarily assigned elsewhere, in a working status and on the payroll until the last Friday in October.

- 25-2-7 When no surplus reassignment selection is possible, the District may determine that a Reduction-in-Force (RIF) be initiated. When this occurs, it is the Employee's responsibility to establish eligibility for placement in an appropriate qualified selection pool. Whenever possible, a twenty (20) School Day notification to an Employee/Employees who may be impacted by a RIF will occur. In the event that a RIF is initiated by the District, the Employee to be reduced-in-force will be the least senior Employee by district-wide seniority (adjusted hire date) within the District or a volunteer in the position identified to be eliminated as the result of the RIF. A RIF may/will result in an Employee being placed in a position at a lower range, month and hours, or being terminated from the District.

- 25-2-8 District-wide seniority shall be based on the Employee's adjusted hire date. The adjusted hire date shall be determined by subtracting time not spent in regular active service from the original date of hire or from the most recently adjusted hire date.

The president and vice-president are exempt from layoff during their elected term of office.

- 25-2-9 As a result of the federal legislation, "No Child Left Behind," and its impact on paraprofessionals assigned to Title I schools, the parties agree to the following:
- (a) Any Title I paraprofessional employed prior to January 8, 2002 and required to meet the highly qualified standards of NCLB and who does not wish to meet those standards may volunteer to be surplus during May, 2004. Any such volunteer shall retain the rights under Article 25 of the Negotiated Agreement.
 - (b) Any Title I paraprofessional employed prior to January 8, 2002 and required to meet the highly qualified standards of NCLB who has not by May 1, 2005 acquired at least thirty-six (36) credits or passed the test to demonstrate highly qualified status shall be surplus during May, 2005. Such Employee shall retain the rights under Article 25 of the Negotiated Agreement.

25-2-10 When efforts to reassign a surplus Employee have been unsuccessful and the District determines that a Reduction-in-Force (RIF) is necessary, the following procedures will be followed:

- (a) When no authorized, vacant, lateral or lower range position is available for an Employee whose position has been eliminated and for which the Employee is —qualified and eligible, then the Employee whose position has been eliminated will replace (bump) the Employee who is least senior by district-wide seniority (adjusted hire date) in the position(s) for which the Employee whose position has been eliminated is qualified and eligible within the Employee's job family .

When an Employee who is affected by a RIF must replace an Employee with less seniority, the Employee who is finally reduced-in-force (RIF'd) will be the least senior Employee within the job family among the job or jobs for which the Employee who is reducing-in-force is qualified and eligible for placement in an appropriate qualified selection pool.

- (b) Placement of an Employee identified for Reduction-in-Force will be by district-wide seniority (adjusted hire date) in a position for which the Employee whose position has been eliminated is qualified and eligible for placement in an appropriate qualified selection pool at the current entitled range, months, and hours within the Employee's job family. If placement is not possible at the Employee's current entitled range, months, and hours, placement at the next lowest range within the Employee's job family will be attempted. This will continue until the Employee whose position has been eliminated is assigned to a position for which the Employee meets the qualifications of the published job description (in the Employee's job family) and is eligible for placement in an appropriate qualified selection pool or is terminated from the District. These procedures may/will result in one Employee replacing (bumping) a less senior Employee in the job family at a lateral or lower range and also one or more Employee(s) being terminated from the District.
- (c) When a RIF is initiated and an authorized vacancy occurs in the position previously held, the Employee whose position was eliminated or who was bumped will have a two- (2) year (from the effective date) right to return to the position which was eliminated and previously held. This right to return may only be exercised once. It is the responsibility of the Employee to notify Support Staff Personnel of the desire to exercise this right to return before an advertised position, for which the Employee is qualified, closes.
- (d) An Employee displaced during a RIF will have his/her original pay "protected" for 20 School Days from the original date of notification of a possible RIF.

25-2-11 When no position is available at a lateral or lower range within the job family, an Employee whose position was eliminated as a result of a Reduction-in-Force may select an authorized vacant position at a lateral or lower range within the District for which the Employee is qualified and eligible for placement in an appropriate qualified selection pool.

If no position is available for which the Employee is qualified and eligible and the Employee is terminated from the District, the Employee will have a two- (2) year right to return to the position eliminated (previously held) or a vacancy (lateral to or at a lower range to the position held before the Employee's RIF) for which the Employee is qualified and on an appropriate qualified selection pool. This right to

return may only be exercised once. It is the responsibility of the Employee to notify the Appropriate Administrator, Support Staff Personnel, of the desire to return before an advertised position, for which the Employee is qualified, closes.

- 25-2-12 An Employee who is assigned to a vacant position or who accepts a position as part of a surplus reassignment or Reduction-in-Force must meet the qualifications detailed on the published job description.

Regulation 4323 provides for the evaluation of support Employees and is applicable for Employees who may be reassigned or placed as a result of surplus assignment or RIF.

- 25-2-13 A surplus Employee who voluntarily resigns in lieu of surplus reassignment or RIF will, for one (1) year from the effective date, have a right to return to the position which was eliminated as a result of the reassignment or RIF. This right to return will occur after current District Employees and Employees who are terminated as a result of a RIF are reassigned. It is the former Employee's responsibility to notify the Appropriate Administrator, Support Staff Personnel, of the desire to return before an advertised position, for which the Employee is qualified, closes.

An Employee who is placed in a position will be expected to perform the essential job functions of the position where placed.

- 25-2-14 When an Employee whose position is eliminated or who is displaced by a more senior Employee during a RIF seeks and secures a voluntary transfer or promotion and the voluntary transfer or promotion is lateral to or higher in range than the position from which the Employee was originally displaced, the Employee's rights to return under this Article will end.

- 25-2-15 When the use of a temporary Employee will facilitate the placement of an Employee identified for reassignment or RIF, the temporary Employee may be employed according to District regulations.

- 25-2-16 Qualifications for a position are established by the CCSD Job Description Review Committee and representatives from Support Staff Personnel. Qualifications are based upon the knowledge, skills, abilities, training, and/or experiences required by an individual to perform the essential tasks of the position. They do not guarantee that a person with the necessary qualifications will be selected for a position, if advertised, or will be successful once approved for the position. It is the Employee's responsibility to provide necessary documentation, certification, and evidence that the qualifications are met.

Qualifications are listed on each position description, and the most current published position description will be used to determine necessary job tasks and qualifications.

- 25-2-17 The effective date of a surplus reassignment or RIF is that date which has been established by the District, division, or department for the elimination of a position, for a surplus reassignment, or for a Reduction-in-Force. When possible, Employees impacted by a pending surplus reassignment or Reduction-in-Force will be notified at least 20 calendar days prior to implementation.

- 25-2-18 A job family is a cluster of like, similar, or related positions as determined and published in the "Job Family Listing" by Support Staff Personnel.
