## Veterinarian's Oath

Being admitted to the profession  
of veterinary medicine, I solemnly  
swear to use my scientific knowledge and  
skills for the benefit of society through the  
protection of animal  
health, the relief of animal suffering,  
the conservation of animal resources,  
the promotion of public health, and the  
advancement of medical knowledge.

I will practice my profession  
conscientiously, with dignity,  
and in keeping with the principles  
of veterinary medical ethics.

I accept as a lifelong obligation  
the continual improvement of  
my professional knowledge  
and competence.

## Alma Mater

Far above Cayuga's waters,  
With its waves of blue,  
Stands our noble Alma Mater,  
Glorious to view.

(Refrain) Lift the chorus, speed it onward,  
Loud her praises tell;  
Hail to thee, our Alma Mater,  
Hail, all hail, Cornell!

Far above the busy humming  
of the bustling town,  
Reared against the arch of heaven,  
Looks she proudly down.

## The Hooding

The academic hood not only represents the degree held by the wearer but also the institution which awarded it.

The placing of the hood whose color symbolizes a particular degree, the conferring of the degrees, and acceptance of the graduates into the profession marks the leaving of the old status; symbolizing and celebrating the formal transition from the role of learner to the role of producer and contributor in the field.
