EDITORIAL

Since the Christmas holidays the Editors of the Bulletin have found it rather difficult to get news. Don't forget the little black boxes in Risley and Sage and if you have some news just drop it in.

STUDENT GOVERNMENT

At Mass Meeting Friday night the following motion was carried "Sometime this week we vote on whether the 1-30 A.M. rule for Saturday night be changed or not." If the vote be to change it, it was decided that the Executive Committee decide whether it should be changed to 12-30 or 12-45. The voting will take place Thursday noon in Sage and Risley and the outside houses.

This year Basket Ball games are going to be attended by every girl in the University. A class competition will be held, in which the class selling the largest number of tickets will be awarded 2 points toward the Athletic Championship. The class next in order will receive 1 point. Here is an opportunity to show your class spirit. Everyone see your class representative to the Athletic Council to secure tickets to sell.

The games will be held during the week of January 29.

It has been decided that the competition for Sophomores and Freshmen, for the position of Ass't Business Mgr. of the Bulletin shall be held next year during the fall, two girls who have passed the physical examination, being selected the following February.

the second term of the next year one of these girls will be selected Business Manager for a year. The Business Manager will also be an active member of the Athletic Council, since the Bulletin is primarily the publication of the Council.
