Thursday, July 30, 1:30 pm
Conference Room, Food Science
APPS workshop for department coordinators

LIBRARY NEWS

Now instructions and hints for BIOSIS/AGRICOLA searching are on the file server in Library folder.

POOL VEHICLE USAGE

Now that summer vehicle usage is at its peak, we thought it appropriate to refresh your memory regarding vehicle returns and cancellations.

The first thing we ask is that everyone be sure to have pool vehicles back on schedule. It is quite irritating not to have one available when you have signed it out. If not returned on time, your department will be charged for an extra day.

Likewise, when cancelling a vehicle, please notify B&P first so they can delete your request from the reservation list. In addition, the trip ticket must be marked CANCELLED and sent to the Business Office. If the reservation list and cancelled trip ticket do not match up, there is the possibility that your department will be charged for the day(s) in question.

As always, please work through your department managers when reserving or cancelling vehicles. Your effort and cooperation will be appreciated by everyone using a fleet vehicle.

Thank you ~ Business Office

SYMPATHIES EXTENDED

We were sorry to learn of the deaths of Maurice Neve, 71, a retired carpenter from Buildings and Properties; James V. Nedrow, 81, father of Dona Soper, Horticultural Sciences; and John E. Dwyer, 60, husband of Sue Dwyer, Plant Genetics Resource Unit.

Maurice died Sunday, July 19, in Geneva General Hospital. Memorial contributions may be made to a charity of your choice. Maurice was a native of Geneva and worked in Buildings and Properties at the Station until he retired a number of years ago. Surviving are his wife, Laura, a son, two daughters, one stepdaughter, and grandchildren.

James Nedrow died Saturday, July 18, at Geneva General Hospital.

Memorial contributions may be made to the Dialysis Unit of Geneva General Hospital, the American Cancer Society, or the Hopewell Emergency Squad. James was born in Norristown, Pennsylvania. He moved to the Seneca Castle area in 1968.

He was a self-employed farmer and developed a registered Guernsey herd that received numerous production awards. He was active in various farming organizations and also in community affairs. He is survived by his wife, Arlene; a son, J. Kevin; three daughters, Sharon Nedrow, Dona Soper, and Judith Nedrow; three granddaughters; a brother; three sisters; and several nieces and nephews.

John Dwyer died Sunday, July 19, in Geneva General Hospital. Memorial contributions may be made to the St. Francis-St. Stephen's School or to DeSales High School. John was born in Geneva. He served in the United States Air Force during the Korean War and was retired from the United States Air Force Reserves as a master sergeant. He had worked for many years at the Hulse Manufacturing Company and was a bus driver for the City of Geneva School District. He is survived by his wife, Susana (PGRU); a brother; a sister; and several nieces and nephews.

The sympathies of the entire Station family are extended to the families of these individuals.

PRESTIGIOUS STATION WEAR FOR SALE

This summer has been anything but warm, so why not stop by the bulletin room in Jordan Hall and purchase a station sweatshirt. Station T-shirts and hats are also available for the total Station look, and don't forget we have aprons for that weekend barbecue, and mugs for coffee break.
