workers

- A. The Board recognizes the Association as the exclusive official negotiating organization for all certificated professional employees of the Howard County Public Schools with regard to all matters relating to salaries, wages, hours, and other working conditions. The Superintendent of Schools and the members designated by the Board to act as its representatives in negotiations are excluded. The recognition is in accordance with the provisions specified in Section 6-401, et seq., Education Article of the Annotated Code of Maryland.
- B. For the purpose of this Agreement, the term "teacher," when used hereafter, shall refer to all professionally certificated employees represented by the Howard County Education Association. The term "Association" shall refer to the Howard County Education Association; the term "Board" shall refer to the Board of Education of Howard County.

**ARTICLE II
NEGOTIATION PROCEDURE**

- A. Both parties agree to negotiate in good faith as prescribed in Section 6-401, et seq., Education Article of the Annotated Code of Maryland. The parties agree to utilize the contents and format of the Agreement in effect as the basis for proposals for negotiation in the new Agreement. This is understood to mean that:
1. Items in the existing Agreement which remain satisfactory to both parties would be continued as part of the new Agreement.
 2. Items in the existing Agreement which are believed in need of change, deletion, or addition by either party may be the subjects of new proposals for negotiation.
 3. Items not included in the existing Agreement but believed desirable for consideration in the new Agreement by either party may be proposed as additions to the existing Agreement.

Every effort will be made to begin negotiations on a date mutually agreed upon but no later than January 10. All issues proposed for negotiations shall be detailed in writing and submitted by the Association to the Board or its delegated representatives not later than the first negotiating session. The Board shall submit in writing to the teacher representatives all additional issues upon which it wishes to negotiate no later than the first negotiating session.

- B. Neither party shall have any control over selection of consultants or negotiation representatives of the other party.
- C. Negotiation sessions shall be closed meetings held as frequently as necessary, at a time other than the regular school day for students, to complete the negotiations by the stated completion date.

- D. If upon the request of either party the State Superintendent of Schools determines from the facts that an impasse is reached in negotiations between a public school employer and an employee organization designated as an exclusive negotiating agent, the assistance and advice of the State Board of Education may be requested, with the consent of both parties. In the absence of such consent, upon the request of either party, a panel shall be named to aid in the resolution of differences. Such panel shall contain three persons, one to be appointed by each party within three (3) days, and the third to be selected by the other two within ten (10) days from the date of said request. If the parties are unable to agree upon a third panel member or obtain a commitment to serve within a specified period, a request for a list of possible panel members may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of the third panel member. The State Board of Education, or the panel selected, shall meet with the parties to aid in the resolution of differences and, if the matter is not otherwise resolved, shall make a written report and recommendations within thirty (30) days from the date of said request. Copies of such report shall be sent to representatives of both the public school employer and the employee organization. All costs of mediation shall be shared by the public school employer and the employee organization.

ARTICLE III GRIEVANCE PROCEDURE

A. Purpose And Definition

1. Purpose - The purpose of this procedure is to secure an equitable solution to a grievance at the lowest possible level. Nothing contained herein will be construed as limiting the right of any teacher to have a complaint adjusted without the assistance of the Association.
2. Definitions
 - a. Grievance - Any complaint by a teacher that cannot be settled orally concerning the interpretation or alleged violation of an express provision(s) of this agreement.
 - b. Grievant - A teacher or group of teachers filing a grievance.

B. Procedures

1. A grievance, including a class grievance, shall be presented in writing on the prescribed form and shall contain at least the following:
 - a. Name(s) and position(s) of the grievant(s).
 - b. A statement of the grievance and the facts involved, including relevant dates.
 - c. A reference to the express provision(s) of this Agreement allegedly misapplied, or violated, or misinterpreted.
 - d. The corrective action requested.
 - e. Signature(s) of the grievant(s).
2. The Superintendent/designee shall inform the association in writing within ten days of any grievance that is filed.
3. A grievance shall be presented in the following steps:
 - Step 1. Between the grievant and his/her representative, at the request of the grievant, and the employee's immediate supervisor and/or his/her designated representative.

Step 2. Between the grievant and his/her Association representatives, and the Superintendent and/or his/her designated representatives.

Step 3. Submitted to binding arbitration.

- C. Any grievance shall be presented at Step 1 in writing, signed by the grievant, within twenty (20) school days from the date of its occurrence, or the date when the grievant knew or should have known of its occurrence. The Administrator's answer at each Step shall be given in writing within seven (7) school days after each step meeting, which shall be held within seven (7) school days following receipt of appeal. Unless a grievance is appealed to the next step within seven (7) school days of the Administrator's answer, it shall be deemed settled in accordance with the Administrator's answer, which shall be considered acceptable to the grievant and the Association.

In the event the grievant and the Association are not satisfied with the disposition of a grievance at Step Two (2), the grievance may be submitted by the Association within thirty (30) school days to binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association. The parties further agree to accept the arbitrator's award as final and binding upon them.

The jurisdiction and authority of the arbitrator and any opinion or award shall be confined to the express provision(s) of this Agreement at issue between the Association and the Board. The arbitrator shall not add to, alter, detract from, amend, or modify any provision(s) of this Agreement.

D. Miscellaneous

1. "Days" shall mean working school days.
2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved party to proceed to the next step.
3. To avoid any dispute in determining compliance with the specified time limits, the day on which a written grievance, appeal, or notice of hearing is received shall not be included in determining the limitation period. All written grievance notices or appeals are deemed to have been received on the day after the date of postmark, if mailed, or on date stamped or recorded thereon by a school official, who shall initial the same, if hand delivered.
4. The time limits in any step of this procedure may be extended or reduced in any specific instance by mutual agreement between the aggrieved party and/or his/her representative and the Superintendent/designee.

This procedure will be pursued should the grievant become incapacitated or, if left unresolved until the next school year, could result in irreparable harm to a party in interest.

5. If a grievance affects a group or class of teachers, involving two or more teachers, the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Step Two (2).
6. Both parties agree that grievance proceedings will be kept confidential at all levels.
7. Documents, communications, and records initiated during and related to the processing of a grievance shall be filed in a separate grievance file. A settled grievance that relates to a salary adjustment may be referred to in the personnel file of the grievant(s).

8. Arbitration hearings will be scheduled to commence at 10:00 a.m., when no more than three (3) employees of the Board of Education of Howard County (including the Grievant and/or Grievants) are required by the Association to testify. In any case in which the Association will require the attendance of more than three (3) employees, the hearing will be scheduled to commence at 3:00 p.m. If the parties mutually agree, the hearing may commence at an earlier or later time.

ARTICLE IV PERSONAL AND ACADEMIC FREEDOM

- A. The personal life of a teacher shall be the concern of and warrant the review and appropriate action of the Board only:
 1. As it may prevent the teacher from performing his/her assigned functions during school duty hours;
 2. As it may be in violation of local, state, national, or common law.
- B. Each teacher will be entitled to full rights of citizenship, and no religious or political activities of any such teacher or the lack thereof will be grounds for any discipline or discrimination with respect to the professional employment of such person provided they do not affect his/her classroom performance.
- C. The Board and the Association agree that academic freedom is essential to the fulfillment of the purposes of the Howard County School System, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue the truth in the performance of their teaching functions. They agree that subject to curriculum guidelines and appropriate supervision, the responsibility for teaching all appropriate material rests with the teacher.
- D. No student's grade shall be changed without a conference between the student's teacher and the administrator. After the conference, the teacher will be notified of the administrator's decision. In the event the student's teacher is not available for a conference, the administrator will notify the teacher in writing of any changes in a grade.

No such report will be submitted to the Office of Human Resources of the Department of Education, placed in the teacher's file, or otherwise acted upon without a prior conference with the teacher.

- I. Any derogatory material or information not previously made known to and discussed with the teacher shall not be deemed valid in evaluating said teacher.

 - (1) Certification in the subject area.

- (3) Ability to teach the appropriate subject area(s).

The presence of these factors shall not be considered an admission regarding the negotiability of such factors.

- c.
 - (1) Seniority shall be determined by the day, month, and year the teacher signed a regular or provisional contract with the Board or the date of a letter of assignment within each of the categories indicated in D.1.(a) of this article.
 - (2) In the event the date of the contract or letter of assignment is the same, and other criteria as included in 1.b. above are the same, affected employees will participate in an impartial lottery to determine the teacher to be laid off.
 - (3) Approved leaves of absence and leave under Article XVII, Section A, B, or D will neither count toward years of service for seniority purposes nor be considered as a break in service (i.e. a teacher signed a contract on August 10, 1970 and taught through June 30, 1975 in the Howard County Public School System, had three years of maternity leave, and has been teaching continuously in the Howard County Public School System since returning from leave in September 1978, will have ten (10) years of continuous service, thus ten (10) years of seniority on June 30, 1983).
 - d. Teachers who are laid off because of reduction in force will be placed on a priority recall list.
2. While teachers are on the priority recall list, no new teacher shall be hired except where:
- a. There are no teachers on the priority recall list certified to fill the vacancy, or
 - b. All qualified teachers on the priority recall list decline the offer to fill the vacancy.
3. Recall Procedures
- a. A teacher on the priority recall list shall be notified in writing in the inverse order of layoff of any vacancy which occurs in his/her field of certification and prior employment status (e.g. full time, part time). A teacher on the priority recall list who was part time when terminated under this section will not be entitled to a position with more time unless conditions in D.2 of this article apply.
 - b. The notification shall be by certified return receipt mail sent to his/her address on file in the Office Of Human Resources.
 - c. The teacher so notified shall respond to the Director of Human Resources in writing within ten (10) calendar days after receipt of the notification of the vacancy as to whether or not he/she will accept or reject the offer of the position. A nonresponse or a response received after ten (10) calendar days will be deemed as a rejection.

- d. (1) If the teacher rejects the position or cannot begin the new assignment within thirty (30) calendar days from the date of offer, the teacher shall have deemed to have waived his/her claim to that position provided; however, that a laid-off employee who has accepted employment in another Maryland public school system and is unable to obtain a release from his/her employment contract may decline an offer to return to work and maintain recall rights for one year if the offer is issued later than July 1 for a position which will become available at the beginning of or during the following school year.
- (2) A teacher on the priority recall list may decline the offer of employment once within his/her area of certification and prior employment status (e.g. full time, part time).
- (3) By the end of one year from the date of being notified of the layoff, it is the teacher's responsibility to notify the Director of Human Resources in writing if he/she desires to remain on the priority recall list for the second year.

4. Benefits for teachers on the priority recall list

- a. Teachers on the priority recall list may at their option pay the group rate costs of all medical, health, and/or dental insurance benefits provided by this contract which the individual had at the time of layoff under this section. The employee may continue such coverage as long as he/she remains on the recall list and as long as he/she pays 100% of the premiums. The payments will be quarterly, in advance.
- b. Teachers recalled to active employment under these provisions shall have restored to them all sick leave and personal leave accrued prior to being terminated under this article.
- c. Layoff under this section will neither be considered as a break in service or count towards years of service for seniority purposes as long as a teacher is reemployed under the conditions of this section.

5. Tenured teachers on the priority recall list will be placed before teachers returning from leaves under Article XVII, except for those returning from leave as per paragraphs A, B, and D of Article XVII.

- E. For summer school positions or for any teaching or advisory positions other than driver education not performed during regular school hours, the Board shall utilize the services of its qualified professional employees, when such personnel are available.
- F. Teachers shall receive their pay checks in individually sealed envelopes or shall have the option of having their pay checks deposited directly through a bank designated by HCEA. In the event that a pay day falls on a nonworking day, pay checks for teachers shall be delivered on the nearest working day to the scheduled pay date.

3. NOTES

Entry level placement on Schedule B due to promotion is determined by the individual's current salary multiplied by a factor of eleven-tenths (11/10ths) or twelve-tenths (12/10ths), depending on promotion to an eleven (11)- or twelve (12)-month position. If a step on the appropriate salary scale matches an individual's newly computed salary, the individual is placed on that step. If an individual's computed salary is between steps, the placement is on the step above the individual's computed step.

- C. Instructional Leaders and Team Leaders shall receive a supplement of \$1,800.

ARTICLE XXI DEDUCTIONS FROM SALARY

- A. The Board agrees to deduct from teachers' salaries membership dues and assessments for Howard County Education Association, the Maryland State Teachers' Association, and the National Education Association as said teachers individually and voluntarily authorize to deduct through an appropriate written authorization form prepared by the Association. The Board agrees to transmit such monies promptly to the Association.
1. Deductions shall be made in equal installments beginning with the last pay in September or the first pay in October, providing the list of names and dollar amounts of those Association members who authorize deductions is presented to the finance department at least ten (10) calendar days prior to the first pay date in October.
 2. The Association will certify to the Board in writing the current rate of membership dues.

The Association will give the Board thirty (30) days' written notice prior to the effective date of any change in the rate of dues.

In the event a teacher terminates employment, the Board shall deduct, when possible, the unpaid dues for the current membership year from the teacher's final check and transmit these dues promptly to the Association.

- B. Payroll deductions will be available at the request of the individual teacher for:
1. Massachusetts Mutual Contingent Disability Income Protection
 2. Horace Mann Life
 3. Metropolitan Life
 4. American United Life and United Teacher Associates, Inc.
 5. Teacher Association Dues
 6. Hospitalization, Health, Major Medical

 11. U. S. Savings Bonds
 12. Tax Sheltered Annuities in existence and utilized by unit members during the 1989-90 school year.
 13. Additional tax sheltered annuities as established by the Board of Education based on criteria developed by the Board of Education.
- It is understood the companies agree to cooperate with the Board in the collection procedures.
- C. The Board agrees to deduct charitable contributions from teachers' salaries only when the teacher has duly authorized such deduction and has voluntarily determined the amount of such a contribution. No individual quotas will be established. Teachers shall not be pressured to give to charities.
- D. The rights and/or privileges granted to the Association will not be granted to any other teachers' group or organization during the term of this Agreement.

ARTICLE XXII INSURANCE PROTECTION

- A. Life Insurance
The Board shall pay the full cost for group term life insurance protection equal to a teacher's base salary (to the nearest thousand), with a minimum of ten thousand dollars (\$10,000) to be paid to the teacher's designated beneficiary upon death and, in the event of accidental death, a sum not less than two (2) times that amount.
- B. 84-85 Medical/Dental Program
The Board shall pay ninety percent (90%) of the cost of a group medical, surgical, and major medical insurance plan for each teacher and dependents, if any, as governed by the insurance carrier. A teacher may select any insurance coverage alternative as to dependents as provided in the plan. The health insurance benefits included in the 1983-1984 plan shall be maintained.

For each teacher enrolled, the Board shall pay ninety percent (90%) of the premium cost for an individual Dental Program. The teacher may elect to purchase dependent coverage.

C. Variety of Insurance Program (VIP) Medical, Dental, and Vision Program

1. Teacher Election of Variety of Insurance Programs (VIP) :

- a. Each year during open enrollment as established by the Board, each teacher will be required to make an election between participating in the VIP program or continuing his/her participation in the 1984-85 (XXIII, Section B) medical/dental programs.

Teachers hired after July 1, 1993, may not select the "Traditional Medical Plan."

- b. This election will be irrevocable for the Plan Year (October 1 to September 30).
- c. Each open enrollment period, as established by the Board, teachers who are still participating in the current insurance arrangement will be given an opportunity to participate in the VIP Program which shall operate at not less than the amount funded in the FY 94 budget.
- d. Once a teacher elects to participate in the VIP Program, he/she will not be allowed to participate in the prior insurance arrangement.
- e. All new and/or rehired teachers with a reporting date after June 30, 1985, will not have the opportunity to make this election but will automatically participate in the VIP Program when eligible.
- f. The 1984-85 insurance arrangement is as follows:
 - (1) Teachers electing to remain in the 1984-85 medical coverage will be required to contribute 10% of the individual and dependent premiums.
Teacher contributions for HMO coverage will be determined as prescribed by federal regulations.
Teachers electing to participate in the 84-85 Dental Plan will be required to contribute 10% of the individual premium and 100% of the dependent premium.
 - (2) All teacher contributions will remain on an after-tax basis.
 - (3) Cost containment measures.
- g. The usual and customary charges will be determined by the 3rd party administrator twice a year by using the average charges for the service area where the services were performed.

2. Teacher Selection of Optional Benefits under the VIP Program

- a. If a teacher elects to participate or becomes eligible to participate in the VIP Program, he/she must select among the optional benefits offered as part of the VIP Program. These optional benefits include:
 - (1) One of two Medical Plans (see attachment) or one of several HMO options.
 - (2) One of two Dental Plans.
 - (3) Vision Care Plan with a 12-month benefit period (see attached)
 - (4) Dependent Care Assistance Plan.
 - (5) Health Care Spending Account.
 - (6) Benefit Dollars in Cash.

- b. The selection of optional benefits is an irrevocable election for the entire Plan Year except the election may be revoked and a new selection of benefits made if the teacher has a change in family status (e.g., marriage, divorce, death of spouse or child, birth or adoption of child, or termination of employment of spouse). This applies not only to participation in the insured programs, but also to the level of participation in the Dependent Care Assistance Plan and the Health Care Spending Account.
- c. Each open enrollment period as established by the Board, teachers electing or eligible to participate in the VIP Program will be given the opportunity to change the benefits they have selected. Each year teachers will be informed of any changes in the VIP Program. This will give each teacher the chance to review and compare various benefit alternatives in order to make the proper selection in June - September.
- d. Each Medical Plan alternative (including electing no Medical Plan) will have a specified number of "benefit credits" associated with its selection. These benefit credits may be used to purchase any of the optional insured benefits (Vision and Dental Plans or teacher contributions for medical coverage) or contribute to the Dependent Care Assistance Plan or Health Care Spending Account.
- e. Each insured benefit option (Medical, Vision and Dental Plans) will have a "price tag" or cost to an teacher if that particular benefit is selected. Benefit credits may be used to purchase or pay the price of each insured's benefit selected. Amounts contributed to the Dependent Care Assistance Plan or Health Care Spending Account are optional with teachers choosing to contribute any amount within the plan limits. Teachers may, however, purchase benefits whose total price tags exceed their benefit credits. In this case, the teacher must make up the difference through teacher contributions. All contributions to the VIP Program will be on a pretax basis. This means that federal and state income taxes will not be withheld on teacher contributions nor will these contributions be included in an teacher's gross wages as reported on W-2 Form. FICA tax will not be withheld. Teacher contributions will be included in the annual salary for retirement and life insurance purposes.
- f. Participants in the Dependent Care Assistance Plan must meet tax law requirements in order to participate in this plan. Contributions may only be used to reimburse a teacher for expenses actually incurred during the Plan Year for which they were contributed. Any amounts remaining in the Dependent Assistance Account at the end of the Plan Year will be forfeited.
- g. The Health Care Spending Account will operate similar to the Dependent Care Assistance Plan. The most important facts are that amounts contributed may only be used to reimburse expenses incurred during the Plan Year for which they were contributed, and amounts remaining at the end of the Plan Year will be forfeited.
- h. Teachers may elect to receive their unused benefit dollars in cash, which will be added to their regular pay check. If the teacher elects this option, the payments will be prorated on a per-pay basis. This amount is taxable.
- i. Total teacher contributions and employer contributions to the Dependent Assistance Plan and/or Health Care Spending Account will all be prorated on a per-pay basis.

- j. Teachers hired during the Plan Year will make their selection in advance of becoming eligible for VIP Program benefits. This election will be in effect for the remainder of the Plan Year (except for a qualified life status change creating a special enrollment period for individuals who did not enroll in a group health plan when they were first eligible due to the existence of alternative coverage).

D. Cost Containment Provisions That May Be Contained in all Medical Plans

1. Admissions Review Program

Howard County Public Schools will implement an Admissions Review Program. Admission review is a program that predetermines, on a case-by-case basis, whether a hospital admission is really the best type of treatment. Even if an admission is found to be medically necessary, the program also strives to shorten hospital stays when medical justification is no longer indicated.

Before an teacher enters the hospital for any care other than emergency or maternity conditions, the proposed admission must be reviewed for medical necessity. In addition, there is a list of 65 ambulatory procedures which physicians believe can be done safely and routinely on an outpatient basis. For these 65 procedures, unless there are documented extenuating medical circumstances which require an teacher's hospitalization, inpatient benefits will not be provided. Pre-authorization for admission is required in such cases.

If a teacher is hospitalized for nonemergency or nonmaternity care and does not obtain authorization prior to admission, benefits will be denied for room and board, related admission charges and medical services provided by a physician if the stay is determined to be medically unnecessary.

2. Voluntary Second Surgical Opinion Program

The Voluntary Second Surgical Opinion Program covers in full the cost of obtaining a second or third surgical consultation after surgery has been recommended for certain conditions. Related diagnostic services like X-ray and pathology services are also covered.

3. Outpatient Surgery

The current program pays hospital charges for outpatient surgery in full. Surgeon's fees are also covered if the surgery is performed in the outpatient department of a hospital. Physicians' charges, however, are restricted to \$150 per calendar year if the surgery is performed outside of a hospital. This restriction will be eliminated, ensuring that all outpatient surgery will be covered in full up to the usual and reasonable limits. Outpatient surgery will also be covered in full under the alternative plan.

4. Other Provisions

Important services already covered by our current program and will be in the VIP program that help contain rising health care costs if teachers utilize them effectively are as follows:

- a. Pre-admission testing.
- b. Home health care benefits.
- c. Extended care benefits.
- d. Hospice care.

In some instances, benefits may be provided toward two vision exams during the same benefit period.

Benefits are not available for:

- Replacement or repair of broken or lost frames and lenses (including contacts) for which benefits were provided.
- Sunglasses (lenses tinted darker than #2 tint), even if prescribed -- unless you purchase a contract specifically covering sunglasses. Photocromic lenses are not considered sunglasses.

2. The details:

- This Program provides paid-in-full benefits for services available from participating Ophthalmologists, Optometrists, and Opticians of your choice.
- The vision program provides full protection against the cost of basic vision services for teachers and their eligible dependents when they select specified eyeglasses from participating providers.
- Participating providers accept the schedule of benefits amounts as payment-in-full for routine vision exams; specified frames; and single vision, bifocal, and trifocal glass lenses.
- If a member chooses frames or lenses which are not part of the specified selection or obtains services from a nonparticipating provider, the member may apply the schedule of benefits amount toward the cost of the exam or eyeglasses.
- The Program entitles members to coverage of services once every 12 months, starting with the initial visit for vision services. To receive benefits, a claim form must be completed either by the provider or the member and submitted to the insurance carrier.

ARTICLE XXIII SICK LEAVE BANK

- A. All members of the bargaining unit on active duty in Howard County are eligible to contribute to a sick leave bank. Contributors will be permitted to apply for leave from the bank to cover regularly scheduled duty days for periods of personal illness, injury, or quarantine which are not only prolonged but are also catastrophic and incapacitating and which are not likely to permanently disable the teacher. New members of the sick leave bank may not access the bank until a 60-school-day waiting period has been met.
- B. The contribution on the appropriate form will be authorized by the member and continued from year to year until canceled in writing by the member. Cancellation, on the proper form, may be elected at any time, and the member shall not be eligible to use the bank as of the effective cancellation date. Sick leave properly authorized for contribution to the bank will not be returned if the member effects cancellation.
- C. Contributions shall be made between July 1 and October 1. Members returning from extended leave of absence and new teachers may contribute within thirty (30) calendar days upon reassignment or employment. Members returning from extended sick leave shall be permitted to contribute to the bank upon approval of the committee.
- D. Annual rates of contribution shall be a maximum of one (1) day per year as determined by the Association and certified to the Superintendent prior to July 1 of each year.
- E. Members shall be permitted to apply for leave from the bank after January 1, 1977. The maximum number of sick days that can be granted in any one fiscal year will be the remaining number of duty days a member is scheduled to work. In no case will the granting of leave from the bank cause a member to receive more than his annual salary.
- F. Members must use all accumulated sick leave and personal leave before receiving leave from the bank. Application for use of the bank shall be made on the required form and submitted to the approval committee.
- G. A three-member approval committee, appointed by the president of the Association, shall have the responsibility of receiving requests, verifying the validity of requests, recommending approval or denial of the requests, and communicating its decision to the member and the Superintendent/designee. The committee shall develop its rules of procedure and shall give wide distribution to said rules upon approval of the Board of Directors of the Association.
- H. The Finance Department shall approve these bank grants as being for incapacitating illness and that sick leave is exhausted and forward payment authorization to the Division of Payroll.
- I. Bank grants will not be automatically carried over from one fiscal year to another. All bank grants will end as of June 30 or the last duty day of the school year and must be renewed through the approval committee and the Office of Human Resources each school year.
- J. If a member does not use all of the days granted from the bank, the unused sick leave bank days will be returned to the bank.

ARTICLE XXIV GENERAL

- A. If any provision of this Agreement or any application of this Agreement to any teacher or group of teachers is held to be contrary to law, then such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or application will continue in full force and effect.
- B. It is agreed that this Agreement includes all items to be requested by the Association for inclusion in the FY 2001 AND 2002 Board of Education Budget Requests.
- C. This Agreement shall continue in full force and effect from July 1, 2000, to June 30, 2002, and incorporates the entire understanding of the parties on all matters which were the subject of negotiations; and, during the term of this Agreement, neither party will be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement. This provision, however, in no way limits the implementation of the Grievance Procedure as set forth in Article III.
- D. The Association recognizes and accepts responsibility to adhere to existing policies of the Board of Education not modified or changed by the expressed terms of this Agreement.
- E. This Agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- F. Each member of the negotiating unit shall receive a copy of this Agreement. Reproduction of this Agreement shall be mutually agreed upon and the cost shared equally by the Board and the Association.

**ARTICLE XXV
FINAL AGREEMENT**

Unless otherwise provided herein, the provisions of this Agreement shall be effective as of July 1, 2000, and shall continue in full force and effect through June 30, 2002.

In witness whereof, the parties hereunto set their hands and seals this 1st day of June 2000.
