

Library Management Team
Notes from the December 18, 2002 Meeting

Attending: Ross Atkinson, Lee Cartmill, Claire Germain, Tom Hickerson, Anne Kenney, Janet McCue, Jean Poland, Sarah Thomas, Ed Weissman

1) Copyright Clearance for e-Reserves

LMT agreed that the Library Copyright Service should analyze the reserve forms collected from the faculty to determine royalty payments based on different policy assumptions. Also, additional information will be gathered from other institutions. The goal is to decide on a final e-reserve copyright clearance policy in the spring. Sarah reported that the University is not willing to provide financial subsidies to support increased royalty payments for e-reserves

2) Policies on Recalls and Faculty Studies

Following a discussion of these issues at the December 10 Faculty Library Board meeting, LMT reviewed the CUL recall policy and the policies and procedures for faculty studies in Olin and Kroch libraries. No change was made to the recall policy. LMT did suggest a few modifications to the faculty study renewal policy.
