### THANKS FROM FRANCES

I just wanted to thank all those who came to my retirement party and who donated toward my retirement gifts. My entire family thoroughly enjoyed this affair, and I want you to know how much I have enjoyed working at the Station and with all of you these many years.

Frances Wadhams

### PRINT SHOP IN FULL OPERATION

Firstly, I am pleased to report that Bruce Moore is progressing well after his accident some 10 days ago. He expects to be released from the hospital within a day or two. He sends his best to all his many Station friends and is anxious to return to the print shop as soon as possible. In the interim, I am pleased to report that Neil Young is working in the print shop helping us get out from under the heavy load we have. Neil is a specialist in pre-press work

and also does excellent silk screening. He is establishing his own business on White Springs Road. He is also an excellent printer, and we are enjoying having him fill in for Bruce while he is convalescing. Incidentally, if you should walk into the print shop and see my wife, Millie, don't be surprised. For the past 10 days, she has been volunteering to do some of the finish work that had to be completed.

R. E. Krauss

### REPORT ON DRS. CHAPMAN AND ROBINSON

We are sorry to report that Dr. Paul Chapman, professor emeritus of entomology, was stricken with a heart attack last Friday and is in the intensive care unit at Geneva General Hospital. Dr. Willard Robinson, who also had a heart attack about a week earlier, was transferred sometime last week to Upstate Medical Center in Syracuse. He has started complaining about the food, so obviously he is feeling better. You might want to drop both these fine people a card. Dr. Chapman's may be sent to Geneva General Hospital and Dr. Robinson's to: Dr. Willard Robinson, % Upstate Medical Center, Coronary Care Unit, 6C, Adams Street, Syracuse, NY 13210.

### CANCELLATION

The Geneva Department Chairmen's Meeting that was rescheduled to June 8 at 3:00 p.m. has been canceled.

### FOUND

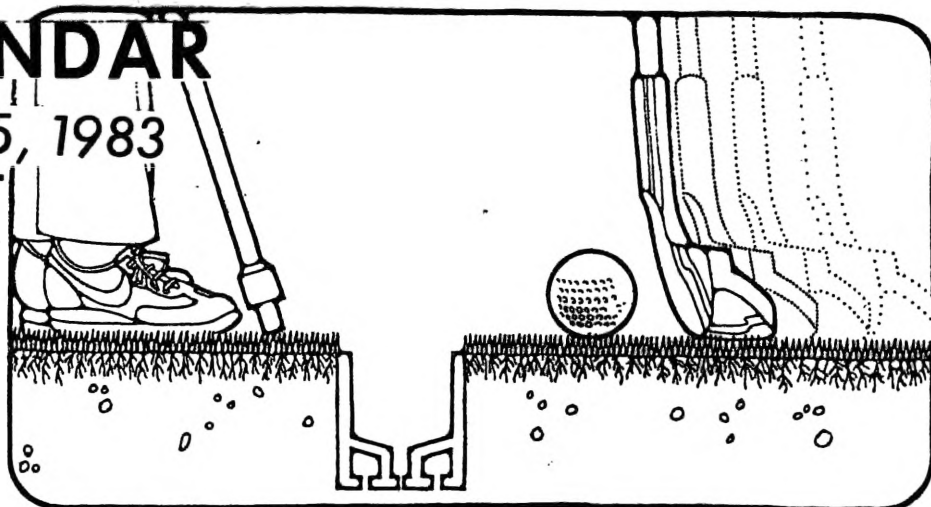

One flannel, plaid shirt with pen in pocket found on Recreation Field. Owner may claim at Buildings and Properties Office.

### FOR SALE

Black motorcycle helmet with face shield. Extra large. Excellent condition, \$15.00. Call Ed Carney X293 or 526-5488.

### APARTMENT FOR SUBRENT

Apartment for subrent for July and August. First floor, one bedroom, completely furnished, private parking. For details call Marcia Reinholtz 781-0400 or 789-3063.

#### SANDBOX DEDICATION

The grand opening of the 8 x 12 foot sandbox built by Bob Shallenberger, food science and technology, will take place at this year's Station Club picnic and dance on June 17. The sandbox and sand were paid for from the profits of the Centennial Wares—remember them?

Don't forget those pails and shovels!

#### FINAL CALL FOR PICNIC TICKETS

Friday, June 10 is the last day to buy your 1983 Station Club picnic and dance tickets from your department representative. See poster for details. However, the 50/50 raffle tickets for three cash prizes will continue to be sold up to

and including the day of the picnic. You need not be present to win. Buy your tickets today!

Station Club representatives are: administration, **Joyce Batson**; buildings and properties, security, fleet and heating plant, **Gus Curtiss**; entomology, **Lois Brandt**; food science and technology, **Valerie DeLeo** and **Penny Lynn**; greenhouse and grounds, **Louis Bellomo**; plant pathology, **Betty Bixler**; seed and vegetable sciences, **Fran VanKirk** and **Cathy Roe**; pest management, **Karen Rose**; and pomology and viticulture, **Mary Jean Welser**.

#### BELVEDERE ROOMS NOTICE

You have already received a questionnaire from the "Belvedere Rooms" committee detailing tentative plans for the development of the third floor of Parrott Hall and requesting your inputs and ideas. Purpose of this notice is to introduce the members of this committee. Please feel free to discuss with any one of them your ideas.

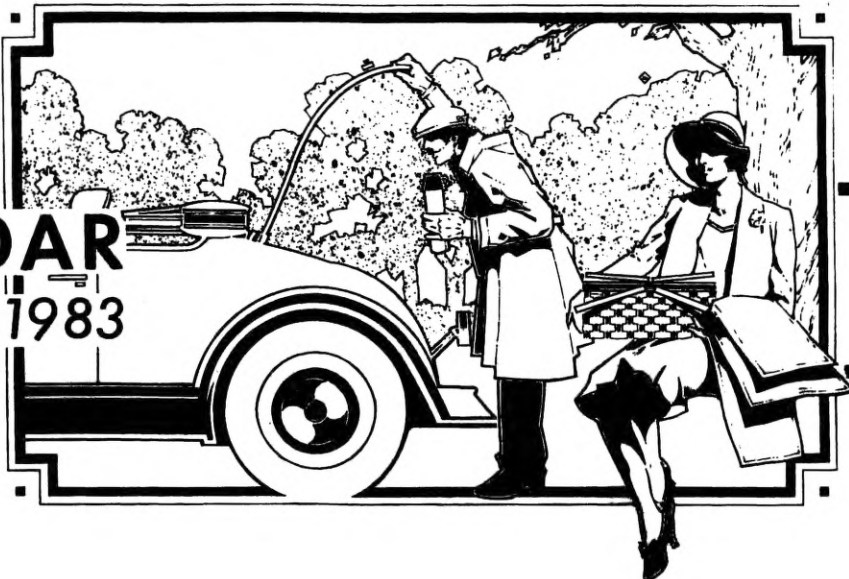

The committee is composed of: George Abawi, plant pathology, *chairman*; Bernadine Aldwinckle, entomology; Bob Becker, seed and vegetable sciences; Paul Chapman, entomology; Ann Cobb, plant pathology; Mike Dickson, seed and vegetable sciences; Chuck Eckenrode, entomology, *co-chairman*; Audrey Gardner, food science and technology; Martin Goffinet, pomology and viticulture; Pat Krauss, publications; Andy Rao, food science and technology; Helmuth Reinhardt, buildings and properties; Paul Robbins, entomology; Bob Shallenberger, food science and technology; Karen Skubik, pomology and viticulture; Fran VanKirk, seed and vegetable sciences, *secretary*; and Jane Vickery, food science and technology.

#### SAM DEMARIA RETIREMENT PARTY

A retirement party honoring Sam Demaria will be held at Club 86 in Geneva on Thursday, July 7 beginning at 6:30 p.m. Sam was first employed in the carpenter shop and then joined George Schaefer in the Entomology Department. For reservations, please contact Lynn Baker at x326 or F. Consolie at x342. Donations are also being accepted toward a gift.

### NOTES OF INTEREST

Thank you Centennial people! Have you seen the four new picnic tables placed around the Station grounds? These are for everyone to enjoy, especially at lunch time. They were built by BOCES; however, a few corrective touches were made by Joe Petrone, buildings and properties. The tables were paid for with profits made through your support of the Centennial Sales last year.

Some of you may not know that Dr. George Schaefer is the new chairman of the department of entomology and that Dr. Gary Harman has agreed to serve as acting chairman, for one year, of both seed and vegetable sciences and pomology and viticulture. Congratulations to you both.

Finally, Dean David L. Call announced at Don Barton's Recognition Dinner last Friday evening that the Board of Trustees of Cornell University has renamed the Entomology-Plant Pathology Laboratory to the Donald W. Barton Laboratory for Entomology-Plant Pathology. This is a well deserved tribute to Don Barton who had so much to do with improving or obtaining new facilities at the Station during his 22 years as director. Don, congratulations from us all!

### REMINDER

A recognition dinner is being held to honor Roger Way, pomology and viticulture, who retired May 31. Please make your reservations with Dona Soper by Thursday, June 30, 1983. Thank you.

### NOTICE

There will be a meeting of the Station Safety Committee on Monday, June 27 at 10:30 a.m. in the Conference Room of Jordan Hall. Main item for discussion will be pesticide storage problems and possible solutions. If you have other items, please contact your departmental representative on the safety committee. Members of the safety committee are listed on your departmental bulletin boards. Thank you.

#### BELVEDERE ROOMS TOUR PLANNED

Many of you have not yet submitted answers to the questionnaire prepared by the Belvedere Rooms Committee. The committee feels some individuals on campus may wish to see the actual rooms involved on the third floor of Parrott Hall. Consequently, a tour of the Belvedere Rooms in Parrott Hall has been scheduled for Tuesday, June 28, from 11:00 a.m. until 1:00 p.m. and Thursday, June 30, from 11:00 a.m. until 1:00 p.m. Members of the committee will be on site to help answer any questions you might have as you tour the facilities. If you wish to see the Belvedere Rooms, please try to tour them during one of these two times.

#### NEW VERSION OF MUSE INSTALLED

An updated version of MUSE was installed this past weekend. This update should clear up problems operators have been experiencing with the MERGE program and the GLOBAL SEARCH and REPLACE program.

#### NEW PUBLICATION AVAILABLE

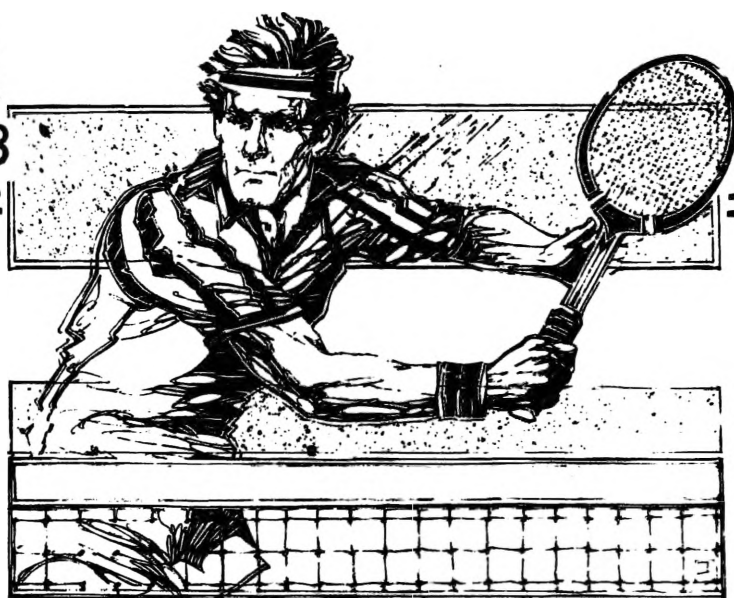

A new publication from the Station is available on request from the Bulletin Room in Publications. Title of the publication is, "New Technology for the Food Industry." It was edited by Don Downing, food science and technology, and is Special Report No. 48 in the Station's series. Please contact Rita Curtin at X251 if you desire copies.

#### RED CROSS CPR COURSE

There will be a Red Cross certified CPR course offered on Tuesday nights, July 5, 12, and 19, from 7:00 to 10:00 p.m. each night. The course will be held at the North Presbyterian Church on the corner of Lewis and Genesee streets in Geneva. Please call the Red Cross office at 789-1522 for more information or to sign up for the course.

#### VOLUNTEERS NEEDED

The Geneva Council of Churches is conducting "Miracle in the Park" July 2, 9:00 a.m.-2:00 p.m. consisting of races

for canoeists, bicyclists, and runners. Proceeds go to hunger relief. Volunteers are needed to help in one or two hour shifts. Call 789-6550.

#### STATION PICNIC-DANCE REPORT

In spite of the weather, the 1983 Station Club Picnic and Dance was a great success with an apparently record attendance of 315. The Picnic Committee of Joe Pettrone, George Abawi, and Herb Aldwinckle would like to thank all those who helped so willingly and ably, particularly Barry Smith, Phil Crough, Mary Powers, Brian Olson, Elaine Gotham, Rita Curtin, Nell Young, Jay Norelli, Stan Shannon, Liz Capozzi, Don Crosler, Bruce Martin, and Steve Jeffers. Also many thanks to all the department representatives for doing such a good job of selling picnic and 50-50 tickets, and to Tom DeYullo and Charlotte McCarthy for the door prizes. A VERY SPECIAL THANKS TO WOLFMAN WENDELL ROELOFS for his generous donation of the JTS Disco System that kept us dancing until 11:30 p.m.

Winners in the 50-50 drawing were Don Cobb \$51.00, Gus Curtiss \$25.50, and Nancy Yenshaw \$8.50.

Picnic leftovers include two green wicker plate holders, one dinner plate, cutlery, one yellow jacket, and one gray hooded sweatshirt. Contact Bernadine Aldwinckle, Entomology.

#### CAR POOL FROM ITHACA

Would like to carpool with somebody from Ithaca to the Station everyday. Please call X332 or phone 273-4425 after 6:00 p.m. and ask for Sheri.

#### RIDE WANTED

Ride wanted from Clifton Springs every day, hours 8-4, June 27-August. Call Tammy MacLaren, Seed and Vegetable Science X216, or 462-9094.

#### FOUND

Plastic beach ball found near Jordan Hall. Box of ceramic tiles found in Entomology-Plant Pathology parking lot. Bath towel found on recreation field. Owners of these items may claim them at buildings and properties office.

#### WANTED

Sound car — will pay \$400 - \$500. Contact X231.
