### ***HD Faculty Awards***

**Valerie Reyna** was elected president of one of the major scientific societies, the Society for Judgment and Decision.

**Chuck Brainerds** research on false memory in criminal cases was the subject of a cover story in BBCs science magazine, Focus and an accompanying BBC broadcast, available as a podcast at [www.bbcfocusmagazine.com](http://www.bbcfocusmagazine.com).

**Karl Pillemer** was appointed as the Hazel E. Reed Human Ecology Extension Chair in Family Policy. The intent of this professorship is to acknowledge Karl's research on intergenerational relations in later life.

**Gray Evans** was appointed to the Board on Children, Youth, and Families of the National Academy of Sciences.

**Elaine Wethington** and two colleagues from Weill Cornell Medical College received a grant from the Weill Clinical and Translational Science Center, "Adaptive Cognitive Behavior Therapy (CBT) for Community Dwelling Depressed Older Adults."

**Joseph Mikels** and Kosali Simon (PAM) were awarded a Cornell Population Program Seed Grant for, "Easing the burden: Exploring how to improve healthcare decision making in older adults."

### *Invited talks and Conferences*

Rindemann, H., & Ceci, S. (2009). Education and country outcomes in international cognitive competence studies. Poster session presented at the Association for Psychological Science Annual Scientific Meeting in San Francisco.

**Kushnir, T.**, Wellman, H. M. & Chernyak, N. (2009). Preschoolers understanding of freedom of choice. Proceedings of the 31st annual meeting of the Cognitive Science Society.

**Kushnir, T.** (2009, May). Statistical learning in a social world. Paper presented at International Research Station Workshop Probabilistic Models of Development, Banff, Canada.

**Kushnir, T.**, Wellman, H.M. & Chernyak, N. (2009). Preschoolers' understanding of freedom of choice. Poster presented at the annual meeting of the Society for Philosophy and Psychology. Bloomington, IN.

**June P. Mead** and members of the CITY Project presented workshops, "Rebuilding the CITY and closing the gap with family connections" at the National Children, Youth and Families At Risk (CYFAR) Conference in Baltimore.

**Anthony Ong** gave a talk entitled, "Stress, resilience, and the dynamics of emotional complexity," at the Association of Psychological Sciences in San Francisco.

Pardo, S.T. & Reyna, V.F. (2009). Identity is an independent predictor of risk perception but not choice. Poster at the Association for Psychological Science Annual Convention, San Francisco.

Vrangelova, Z., & Savin-Williams, R.C. (2009). Teenage sex is good: Links to well-being. Poster presented at the Association for Psychological Science Annual Scientific Meeting in San Francisco.

**Ritch Savin-Williams** gave a talk to the Biological & Experimental Psychology Group, Queen Mary University of London. His work has recently been featured in the *Chicago Tribune* (June 23) and the *Sunday New York Times*.

**Qi Wang** was invited to give a talk in the Department of Psychology and the India-China Institute at the New School for Social Research, New York. "Developing an autobiographical self in cultural contexts."

Kamarck, T., Anderson, B., Shiffman, S., Bear, T., Lubinski, L., Steigerwalt, T., **Wethington, E.**, Siewiorek, D., Smailagic, A., and French, B. (2009). New developments in real-time and structured interview assessment of psychosocial stress. Presented at the Association for Psychological Science, San Francisco.

### ***HD Faculty Awards***

Mary Agnes Hamilton, **Steve Hamilton**, and Davydd Greenwood (Anthropology) have received a grant from the Jacobs Foundation (of Switzerland) to study emerging institutions supporting the transition to adulthood of poor youth in Brazil and Colombia.

**Corinna Loeckenhoff** received the Bronfenbrenner Life Course Center (BLCC) Innovative Research Award for her project, "The role of temporal discounting across the life span."

Anne Whitehouse has been chosen as a Merrill Presidential Scholar and selected Anthony Ong as "the faculty member who has made the most significant contribution to her education while at Cornell." Anne is also the 2009 valedictorian for the College of Human Ecology.

**Karl Pillemer** was elected a member of the Executive Committee of the Behavioral Sciences Section of the Gerontological Society of America.

**Karl Pillemer, Elaine Wethington**, and Cary Reid (Weill-Cornell) have been awarded a competing renewal grant from the National Institute on Aging to continue the Cornell Institute for Translational Research on Aging.

The CITY Project team members, partners, and community collaborators were recognized as recipients of the Annie E Casey 4-H Family Strengthening Award at the CYFAR 2009. Those honored included: **June Mead, Steve Goggin**.

### ***Invited talks and Conferences***

**Gary Evans** gave an invited talk, "Environment and behavior: Where have we been and where should we be going," at the Environmental Design Research Association Meeting, Kansas City.

**Kushnir, T.** Preschooler's trust of others in causal learning. Paper presented at the biennial meeting of the Cognitive Development Society. San Antonio, TX.

Seiver, E., Gopnik, A. & **Kushnir, T.** As philosophers: Differing conceptualizations of free will at ages 4 and 6. Poster presented at the biennial meeting of the Cognitive Development Society. San Antonio, TX.

Chernyak, N & **Kushnir, T.** Preschoolers' understanding of free will. Poster presented at the biennial meeting of the Cognitive Development Society. San Antonio, TX.

**Anthony Ong** gave an invited talk, "What good are positive emotions in laterlife," to the retired and emeritus faculty of Human Ecology.

**Ritch Savin-Williams** gave an invited plenary address, "The New Gay Teenager: What we know and do not know but should know," at the American Psychological Association, Toronto.

Smiler, A.P., & **Savin-Williams, R.C.** (2009). School is for girls: Masculinity and boys' school performance. Symposium paper presented at the American Psychological Association, Toronto.

Vrangalova, Z., & **Savin-Williams, R.** Adolescent sex, age of debut, number of partners, and well-being. Paper presented at the 52nd Annual Conference of the Society for Scientific Study of Sexuality, Puerto Vallarta, Mexico.

**Qi Wang** gave an invited talk at the K-12 Educator Workshop, New York Conference on Asian Studies, "Student, parent, and teacher: Learning and teaching in East Asian context"

**Elaine Wethington** and Rachel Dunifon organized and presided over the 2nd Biennial Urie Bronfenbrenner Conference, entitled Improving the State of Americans: Prospects for Translational Research in the Social and Behavioral Sciences, Ithaca, NY.

**Wethington, E., Pillemer, K.A., & Trochim, W.S.** (2009). What is translational research? A perspective from the social and behavioral sciences. Paper presented at the 2nd Biennial Urie Bronfenbrenner Conference Improving the State of Americans: Prospects for Translational Research in the Social and Behavioral Sciences, Ithaca, NY.

Hertzog, S.M., & **Wethington, E.** (2009). Long-term health implications of the intergenerational transmission of divorce. Society for the Study of Human Development, Ann Arbor, MI.

## **Strengthening HD**

**November 2009**

**Anthony Ong** gave the Margaret and Paul Baltes Early Career Award Lecture entitled "What good are positive emotions in later life" at this year's Gerontological Society of America.

**Löckenhoff, C.E.,** Terracciano, A., Ferrucci, L., & Costa, P.T. Jr. (2009). Longitudinal trajectories of subjective health differ by frame of comparison. Paper presented at the Annual Meeting of the Gerontological Society of America, Atlanta GA.

**Elaine Wethington** was a member of a faculty team for a pre-conference workshop at the Gerontological Society of America meetings on: "Implementing translational research: Can community-based research also be good science?" Atlanta GA.

**Wethington, E., Meador, R., & Pillemer, K.** "Innovative translational research in gerontology: Cornell Institute for Translational Research on Aging." Paper presented at the annual meetings of the Gerontological Society of America, Atlanta, GA.

**Wethington, E.** "Social isolation among recipients of home-delivered meals in a major urban area." Paper presented at the annual meetings of the Gerontological Society of America, Atlanta, GA.

**Forest, C.** Transformative learning in mothers living in poverty. Paper presented at the National Council on Family Relations conference, San Francisco.

**Tamar Kushnir** has been awarded a grant from the Institute of Social Sciences at Cornell University for her project "Who knows best: Preschoolers' causal learning from experts in light of their own play experience."

**Tamar Kushnir** has been awarded a grant through the James McDonnell Collaborative Initiative on Causal Learning for her project "Young children's understanding of free will."

**Kushnir, T., Gopnik, A., Lucas, C., & Schulz, L.E.** (2009). Inferring hidden causal structure. *Cognitive Science*.

**June P. Mead** was named by 4-H National Headquarters as the National 4-H Science, Engineering and Technology (SET) Liaison, Northeast Region, to provide technical assistance to Cornell, Penn State, Rutgers and the University of Maryland in administering the National 4-H SET Youth Engagement, Attitudes and Knowledge (YEA-K) Survey.

**June P. Mead** and members of the Community Improvement Through Youth team presented a workshop, "A Workforce Grows in the CITY" at the New York State Association of Youth Bureaus Conference in Syracuse, and another workshop, "Rebuilding the CITY from the Grassroots Up!" at the 2009 National Association of Extension 4-H Agents Conference in Rochester.

Deputy Provost David Harris has appointed **Ritch Savin-Williams** to serve on the Social Science Internal Advisory Council (SSIAC) for a three-year term beginning this month and running through June 30, 2012. The SSIAC is the standing committee that provides university-level guidance on the social sciences.

**Joseph Mikels** gave an invited colloquium talk, "The positive side of aging", Tulane University, New Orleans.

Kim, P., & **Evans, G.W.** (2009). How do physiological and social factors influence family adaptations to resource disparities? *Biosocial Research Contributions to Understanding Family Processes and Problems*. Pennsylvania State University. Pilyoung Kim a 2009 PhD in Human Development is now serving as an

NIMH Post-Doctoral Fellow in Bethesda.

**Gary Evans** participated in the Planning Meeting on Life-Course Perspectives. National Academy of Science. Washington, DC.

**Evans, G.W.**, & Wachs, T.D. (Eds.). Chaos and its influence on children's development. Washington, DC: American Psychological Association. This edited volume is based on the First Biennial Bronfenbrenner Conference on the Ecology of Human Development held at Cornell in 2007.

APA has created a new Advances Series, "The Ecology of Human Development" that will publish each of the biennial Bronfenbrenner conference volumes. The editorial board for this advanced series includes **Steve Ceci, Gary Evans, Daniel Lichter, Karl Pillemer, Valerie Reyna, and Elaine Wethington.**

**Gary Evans** presented a colloquium in the Department of Psychology, Townsville University, Australia.

### **Strengthening HD December 2009**

Gail Roboz (Weill Cornell) and **Corinna Loeckenhoff** have received a seed grant from the Weill Cornell Clinical and Translational Science Center, "Pilot Study of the Relationship of Functional Status Measured by Actigraphy to Outcome in Elderly Patients With Acute Leukemia."

**Ong, A.D.**, Bergeman, C.S., & Boker, S.M. (2009). Resilience comes of age: Defining features in later adulthood. *Journal of Personality*, 77, 1777-1804.

The National Institute on Aging (NIA) has awarded Weill Cornell Medical College a grant to fund an Edward R. Roybal Center for Research on Applied Gerontology, one of 12 such centers nationally. The grant will create the Cornell-Columbia Translational Research Institute on Pain in Later Life (TRIPLL), a multi-institutional and interdisciplinary collaboration focused on implementing innovative strategies for improving pain management among older adults. **Karl Pillemer** is co-principal investigator of TRIPLL and **Elaine Wethington** is co-investigator and director of the Pilot Study Core. The new Institute is an expansion of the Cornell Institute for Translational Research on Aging (CITRA), a Roybal Center active since 2003.
